

PRESIDENT H. LEE PRATHER

Welcome

We extend cordial greetings to each member of the student body for the Fall Semester of 1952. We are naturally proud of the fact that our enrollment shows an increase over that of last year. The splendid freshman class and the large increase in the number of men students, are both gratifying indeed. We feel that it is highly important in these unusual times that as many young men and women as posible, should avail themselves of the opportunity to attend college and we are firmly convinced that in so doing, they are rendering an essential and highly patriotic service to their state and country.

Ample opportunities are here offered for you to develop physically, mentally, morally and socially. And we do urge each of you to so order your life on the campus as to take full advantage of this fact.

Considerable labor and money have been spent in an earnest effort to improve opportunities for both work and play on the campus, and we assure you that our efforts along these lines will continue. Extensive improvements have been made in several of the dormitories, the new laundry has been equipped with the most modern machinery obtainable, a new 37 passenger bus for the use of faculty and student groups has been purchased, to mention but a few of the improvements that have been made.

We solicit your cooperation in our efforts to make the year of 1952-1953 one of the most successful in the long and proud history of our college. In making this request we are only asking that you continue the support and assistance which have been so freely given during the past two years.

Sincerely,
"COACH" H. LEE PRATHER,
President of Northwestern State College

Students Elect Cheerleaders For Coming Year

After a very spirited cheerleader tryout in the Fine Arts auditorium last Tuesday night, the student body went to the polls Wednesday and elected four cheerleaders for the coming year. The frosh who were elected are Paula Haynes and Jerry Noto, while Rae Gremillion and Jo Hubley, upperclassmen, were chosen to fill the vacancies left by the Sonnier sisters when they failed to return to the campus this semester.

The spirit displayed by the student body was at a higher peak than it has been for quite a while. Eight hundred and thirty-four students voted Wednesday after nearly 1000 turned out for the tryouts the evening before.

The individual tabulations were as follows: frosh girls, Juanita Barberousse, 105; Sue Cooper, 46; Mary Catherine Gordy, 116; Paula Haynes, 151; Jeanie Johnson, 99; Viv Prudhomme, 47; Kathie Sanders, 105; Loyce Todd, 20; Ann Torrans, 39; and Bennie Ruth Wood, 25.

Frosh boys: Alvin DeBlieux, 111; Melton Lee, 35; and Jerry Noto, 607.

Upperclassmen: Sarah Cook, 224; Rae Gremillion, 585; Judy Honeycutt, 212; Jo Hubley, 261; Gay New, 61; and Jimmy Wall, 163.

THE CURRENT SAUCE

VOL. XXIX—No. 1 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, SEPTEMBER 20, 1952

Student Council Sponsors First All-College Dance

The first all-college dance sponsored by the Student Council was held September 13 in the Student Center. The main purpose of the dance was to welcome all NSC freshmen and to welcome back the upperclassmen. Music was furnished by the NSC dance band—the Demonnaires.

Leland Langridge, president of the Student Body, acted as master of ceremonies for the floor show. Featured on the show were Travis Vickers singing "September in the Rain" and "It Had to be You"; Jimmye Wall singing "Lonesome Gal" and "Somewhere Along the Way"; Jerry Plumb imitating Jerry Lewis, Johnnie Dickerson as Dean Martin, and Jack Sharp, announcer for the act; and Ann Walton, who accompanied the vocalists, playing "Deep Purple."

After the dance, students retired to the student center cafe for a last minute snack before returning to their dormitories.

The next all-college dance is scheduled for Saturday, October 25.

Euthenics Club Host to Co-eds Thursday Night

The Euthenics Club entertained the freshmen Home Economics girls at an informal get-together in the living room of the Home Economics building Thursday evening.

Everyone participated in several "get-acquainted" games to start the evening off. Then the Euthenics Club council was introduced, and the president, Doris Bolin, explained the purposes of the club. The evening was concluded with the serving of refreshments.

NOTICE

All students who are interested in becoming members of the modern dance workshop, a group of students interested in theatrical dance, should contact Mrs. Jean Harper Lee on Tuesday or Thursday evenings. This workshop is under the auspices of the department of health and physical education. The work is available to any student or faculty member for credit or non-credit.

Physical Ed. Club Hold Weiner Roast Last Saturday

Saturday, September 13 the women's Physical Education Majors' club enjoyed a weiner roast on Chaplain's Lake. Thirty physical education majors and teachers of the department were present for the weiner roast. A welcoming address especially for the new majors was given by Butch Price, president of the PEM club.

The girls also enjoyed canoeing, boating, and group singing. Afterward, refreshments were served to all present.

New Directors For Dormitories Are Selected

The house directors for the dormitories have been selected for the fall semester. For the women's dormitories they are as follows: Mrs. Ella Holstun, East Varnado; Mrs. Exa Simmons, West Varnado; Mrs. Perle David, Carondelet; Mrs. Margerite Townsend, Audubon; Mrs. Iva Lee Stinson, Kate Chopin; Mrs. Mae Parker, Agnes Morris.

In charge of the men's dormitories are Mrs. Ruth Weber, Caspari; Mrs. Mae Rhodes, Brick Shack and Miss Essie Givens, Rebel Hall.

Senior Nurses In Shreveport Awarded Gifts

A dance honoring the first graduating class of the Shreveport division of Northwestern State College nurses was held Saturday, September 6, at the Fireman's Club on Cross Lake.

During intermission the seniors were presented cuff links in the form of the medical symbol, the Caddeucus. Miss Ava Nell McWhorter gave a reading "Adelaide" and Mary Bell McKinnon sang "Blue Moon."

Program chairman was Louise Burns. "Lucky" Lawton and Ann Jones were in charge of refreshments and decorations. General chairman was D. D. Barmore.

Fifteen New Faculty Members Are Employed This Semester

Fifteen new teachers were added to the Northwestern State College faculty this fall.

The new faculty members are as follows:

Dr. Edna West who holds a B. A. from Bessie Tift College, an M. A. from Columbia University, and a Ph. D. from the University of Wisconsin. Dr. West, who is a professor of speech, replaces Mr. Don Carr. Dr. West will teach classes in dramatics, radio, and fundamental speech. The forthcoming NSC productions will be directed by Dr. West.

The language department also welcomes Mr. Donald L. Graham, new forensic coach, who replaces Mr. William Smith. He holds a B. S. from Pacific Lutheran College and an M. A. from Stanford University. Mr. Graham formerly held a position at Kansas State College.

Coming from the University of Texas to join the NSC social science department this fall is Dr. Bruce B. Mason. Dr. Mason received his B. S. from North Texas State and his M. A. from Texas Christian University. He holds a Ph. D. from the University of Texas. Dr. Mason replaces Mr. William Havard, who is at LSU for a year's teaching in the government department there.

In the business department, Allan T. Steele, working on his doctorate at the University of Texas, begins work as asssociate professor of accounting. Steele, a CPA in Texas and Oklahoma, is married and has one child. He comes from the University of Tulsa.

Miss Hilda Burnham replaces Miss Frances McKenna as head of the nursing department. Miss Burnham received her B. S. in nursing education from LSU.

In the Industrial education, two new faculty members have been employed. They are Dr. Roland F. Nagel and Roy Clark. Dr. Nagel, from the University of Missouri, will teach general courses in industrial education. Clark, a journalism and industrial education major from East Texas State College, will offer instruction in offset and letterpress printing. He has 11 years graphic arts experience.

The school of education has three new supervisors. They are Ben Rushing at the elementary school; John H. Brittain, supervising teacher of the high school; and Mr. Leonard Nichols, supervisor at the high school.

Mr. J. Mitchell Reams, associate professor of library, comes from Clemson College to join NSC's faculty. Mr. Reams holds a B. S. from Furman University and a B. S. in library science from the University of North Carolina.

The new ROTC instructors are Captain Horton W. Bransford, M-Sgt. Clyde H. Cannon, and M-Sgt. Delbert Griffith.

The addition to the music department's faculty, Miss Sara Guitar, comes from Austin, Texas to be instructor in strings. She holds her bachelors and masters degrees from LSU and has three years teaching experience in the public schools of Odessa, Texas. She has been a member of the symphony orchestra in Austin for the last year.

Mr. Carroll G. Killen, professor of mathematics here at NSC, holds a new position this fall as head of the math department. He replaces Mr. A. C. Maddox, who retired after the 1952 spring semester.

NOTICE

Don't forget to have your chest X-ray made. The chest mobile unit will be here next week.

Pre-game Rally Here Last Night Is Great Success

The newly elected cheerleaders made their first public appearance at the pep rally held here last night.

The rally began in the Fine Arts court with yells led by the cheerleaders. Then a parade of students, led by the Phi Mu Alpha dixieland band, marched through the main streets of Natchitoches.

A bonfire at Chaplain's Lake, at which the Central Oklahoma Bronco was burned in effigy, ended the first pep rally of this year's football season.

NSC Enrollment Figures to Top '51 Registration

Registration figures for the fall semester at Northwestern State college total 1,358 as of 12:00 noon yesterday afternoon, according to Otis R. Crew, registrar.

These figures are incomplete as late registration will last until Thursday, Sept. 25, and the total number of students enrolled in the division of nursing have not been computed.

According to Crew, this year's fall registration will total slightly more than last year's 1,368 students.

PATIENT STUDENTS waiting in one of the many lines which are typical of registration days. Above are seen students awaiting their chance to enter the bookstore.

LIBRARY
NORTHWESTERN STATE COLLEGE

Let's Co-operate

To the freshman class of 1952 we of the Current Sauce bid a hearty "Welcome!" To the upperclassmen we say, "Welcome Back!" We hope that all of you have had an enjoyable and restful summer, and that you are ready to begin a new year of hard work.

This year we shall try, as best we can, to present to you a weekly paper which will contain a well-rounded coverage of campus news. This task, though one does not always realize it, cannot be successfully achieved without the wholehearted co-operation of both the student body and faculty. We feel certain, however, that co-operation will be given.

Even though disagreements might arise between us at certain times, we, the Current Sauce staff, still feel that we can continue to report to you, conscientiously and objectively, life on the NSC campus—as it really is.

Student Body Budget

Following is the budget for the Northwestern State College Student Body Association for fiscal year July 1, 1952 through June 30, 1953, drawn up and approved by the Student Council on September 8, 1952.

Summary of Total Income

Present Balance (September 1, 1952)	$ 84.00
Balance Drama Fund	633.09
Summer Registration Fees	521.25
Fall Registration Fees	1,650.00
Spring Registration Fees	1,650.00
	$4,538.34

Summary of Total Expenditures

1. Scholarships	$ 865.00
2. Awards	795.00
3. Travel and Banquet Cost	270.00
4. Drama Program	1,273.75
5. Printing and Supplies	300.00
6. Other Expenditures	175.00
	$3,678.75
Surplus for General Student Body Entertainment	$ 859.59

POTPOURRI Class Pictures will be made in the photography studio of the Fine Arts building as follows:

FRESHMEN

Monday, Sept. 22 — 3-8 p. m.
Tuesday, Sept. 23 — 3-8 p. m.

SOPHOMORES

Thursday, Sept. 25 — 3-8 p. m.

JUNIORS

Friday, Sept. 26 — 3-8 p. m.

SENIORS

Monday, Sept. 29 — 3-8 p. m.

THERE IS NO CHARGE FOR THESE PICTURES.

Freshmen boys must wear dog caps. All male students must wear coats and ties.

THE CURRENT SAUCE

Entered as second class matter at Natchitoches, Louisiana. Current Sauce is published weekly, except during holidays and test weeks by the Student Body of Northwestern State College.

Senate Minutes

A called meeting of the Student Senate was held Thursday, September 18, at 6:15 p. m. in the faculty room of Caldwell Hall. Twelve senators were present and one was absent.

A motion made by Marie Tilleux and seconded by Hardy Rose called for the approval of Jim Vorhoff, Cecil Nielson, and Mike Bellipanni as new senate members to replace Barbara Robinette, Chick Gabbert, and Joan Breedlove, who did not return to Northwestern this semester. The motion was passed.

A motion by Marie Tilleux, seconded by John Batten called for the acceptance by the Senate of Jackson Beebe as executive treasurer of the Student Loan Fund. The motion carried.

After some discussion concerning the 1952-53 budget for the Student Body Association, Ed Bacilla moved that the business be tabled until the next meeting.

Gordon Young moved that Dr. John S. Kyser, head of the social science department be accepted by acclamation as advisor for the Senate. The motion, which was seconded by Marie Tilleux, carried.

Houston Davis appointed a committee of four, Ed Bacilla, Hardy Rose, Bennie Ray, and himself, to meet with Dr. Kyser to discuss the film program. Davis is chairman of the committee.

A motion by Hardy Rose, seconded by Gordon Young, stated that regular meetings of the Senate be held on Tuesday night at 8 o'clock. The motion passed.

Marie Tilleux moved that the Senate give its full co-operation to the Demonettes in helping them to buy new uniforms. The motion, seconded by Martha Ann Leach, carried.

The meeting was adjourned at 7:25 p. m.

Respectfully submitted,
JOE SALTZMAN,
Secretary.

NSC Highlights

By MARY SUE BELLEW

NSC freshmen really have the spirit! You can see it as well as hear it. The dogs are really wearing their caps, and that is what upperclassmen like to see. In fact, they demand it. Of course, the dogs cannot be blamed for wearing them since it so well conceals their shining crowns.

Tuesday night the cheerleader try-outs were sensational, to say the least. With the Fine Arts auditorium packed and bulging at the seams, our student body prexy brought forth ten frosh girls, all of whom drew whistles as well as a big backing, plus three frosh boys and eight upperclassmen. "Fight, Demons!" seemed to be the favorite yell. If the student body sticks together and generates noise like this all year, the DEMONS are bound to win many games.

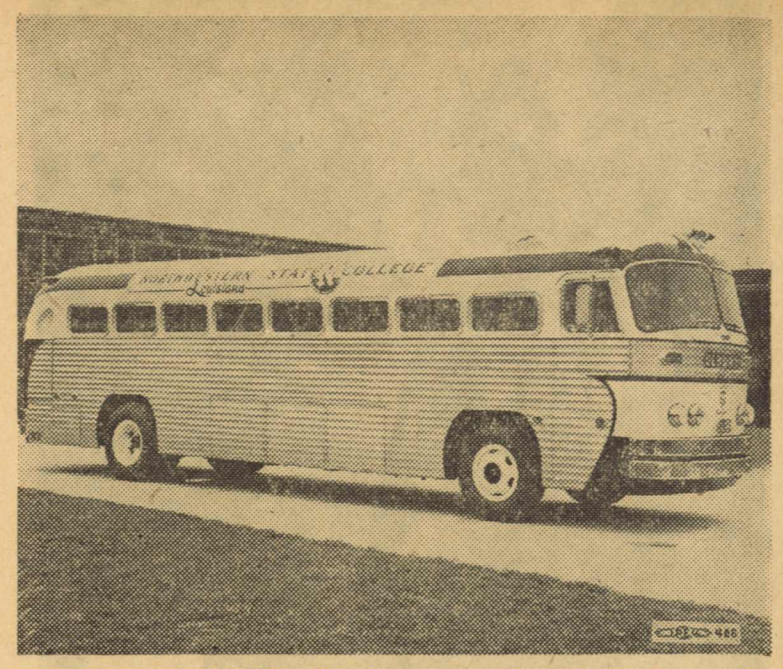

Jerry Noto riding his unicycle and turning flips drew a loud ovation from the audience. This is a new talent on the campus, and the students hope to see him riding around on the football field since he is the new frosh cheerleader. Congratulations and good luck to the other new cheerleaders —Paula Haynes, Rae Gremillion, and Jo Hubley.

Never, in several years, have so many people filed for cheerleaders. Let's keep up this interest and spirit.

Everyone seems well pleased with the improvements on various dormitories. That new paint really adds a lot.

The Howdy-do-de days were really a success. Since everyone got into the spirit of it, and wore his name tag, many of the new names were learned. Climaxing it with the dance Saturday night made it that much better. Let's make everyday at NSC a Howdy-do-de day.

Freshmen! you had better know that Alma Mater, because you never know when an upperclassman will ask you to sing it.

DEMONS' NEW BUS—Northwestern State collegians will be riding in style from the looks of this 37-passenger aerocoach "Mainliner" diesel bus just purchased for athletic and other college trips. The new reclining-seat vehicle has stainless steel silver siding and was built by C. D. Beck and Co. of Sidney, Ohio. E. P. "Red" Hammett, for seven years a driver for one of the largest national bus companies, has been employed full-time by the college as driver and maintenance man for the new bus.

Cotton Queen Contest Is Underway; Dec. 1 Is Deadline for Entries

Where is the 1953 Maid of Cotton? She may be on this campus.

In opening the 1953 Maid of Cotton contest today, the National Cotton Council predicted that the next fashion and good will ambassadress for the American cotton industry probably will be a college student.

Of the past 14 Maids, 13 were still in school or had just been graduated at the time of their selection. The 1952 Maid of Cotton, blue-eyed Patricia Ann Mullarkey, 21, Dallas, Texas, was a senior student at Southern Methodist University.

Requirements for entering the contest are few. Contestants must be between the ages of 19 and 25 years, must have been born in a cotton producing state, never have been married and be at least five feet five inches tall.

Entry blanks may be obtained from the National Cotton Council, P. O. Box 18, Memphis 1, Tenn.

All entry blanks must be postmarked before midnight December 1, for the contestant to be eligible.

PI KAPPA SIGMA

There was a gala reunion when the Pi Kaps met in their house on Pi Kap Hill for the first meeting of the fall semester.

The girls were eager to tell each other of the plans they had thought of to make this another good Pi Kap year.

While they talked, a box of candy was passed around by Jackie Funderburk who recently received a lovely engagement ring from Guy Cheek.

Pi Kap Rita Doughty also received an engagement ring from Ray Thompson. Rita is now enrolled in business school in Alexandria, and Ray is attending Tulane University. They plan to be married in January.

Sarah Clark and her fiance, Bill Ballinger of Ft. Worth, have set their wedding date for November 9. Good luck to all three of these couples.

The Pi Kaps were very surprised and very pleased when Herschel and Betty McConnathy recently visited NSC and all the Pi Kaps. Betty was formerly Betty Roberts of Jena.

Mrs. Jean Lee, former Pi Kap Sponsor, is back on our campus. The girls are certainly glad to welcome her back and only wish that she could stay longer than the short time she has planned to be here.

The girls were sorry to hear of the illness of Baby Kay Sonnier. Both she and Tootie Ray were unable to return to NSC this fall.

Several new officers were elected, including Sarah Cutrer, vice-president; Mary Murphy, reporter; "Whitey" Ball, housekeeper; Sally Hall, assistant treasurer; and Lynn Ruthledge, sergeant at arms.

Many plans are being made—for the parties for which the Pi Kaps are famous, as well as for more serious business. The Pi Kaps are looking forward to a grand year!

☆ ☆ ☆

ALPHA SIGMA ALPHA

At Alpha Sig's Tuesday meeting, a new vice-president and a new historian were elected. The new vice-president is Anne Wood and the new historian is Claire Lucius.

Alpha Sigma Alpha has already made many plans for the coming year. A round of parties, teas, slumber parties and various other activities were discussed last Tuesday night. Heading the list is the "Harvest Moon" party at the Alpha Sig house, Friday, September 19. All members are very anxious to begin the new year of activities.

☆ ☆ ☆

DELTA SIGMA EPSILON

D. S. E. started the year off with much enthusiasm, all of its members being present for the first meeting. The meeting was opened with President Peppy Marmande's cutting a cake made by our "Newest Mrs.," Dee Dee Moore.. Following tradition, Laverne Hopper presented the sorority with two pounds of Heavenly Hash to announce her recent pinning to Jimmy Gresham.

Plans for the coming year were discussed. Imogene Leach and Barbara Gray are to be initiated Tuesday, September 23. Best wishes go to our summer brides, Mac Schoonover, Mrs. Buck Anderson; Bobbye Lou Hancock, Mrs. W. E. Lafitte; and Dee Dee Lenihan, Mrs. Jack Moore.

COWGILL-DEROUEN

In an impressive candle light ceremony on August 22, in the First Baptist Church of Vivian, Miss Marinel Cowgill became the bride of G. E. Derouen, Jr., son of Mr. and Mrs. G. E. Derouen, Sr. of Lake Charles. Dr. Kenneth Edwards heard their vows.

Prior to the ceremony, Miss Gwen Therrel of Vivian offered a program of nuptial music and was accompanied by Miss Lenette Oxford also of Vivian, who sang "Because" and at the close of the service "The Lord's Prayer."

Miss Cowgill was preceded to the altar by her attendants who were Jo Ann Clements, Imogene Leach, Mrs. Billie Spain all of Vivian; Mary Murphy of Bossier City; Peggy Satcher of Kilgore, Texas; Honey Derouen, sister of the groom, and Louise Vick, maid of honor from Vivian.

Mr. G. E. Derouen, Sr. served his son as best man. Ushers were Gerald Carter of Winnfield; Jerry Iles of DeRidder; Bob Durham of Shreveport; Jimmy Cowgill, Harold Van Dyke, and Bob Cowgill, brother of the birde, all of Vivian.

Immediately following the ceremony, a reception was held at the home of the bride's aunt.

Out of town guests included Miss Glynn Ellen Pennington of Shreveport; Miss Bobbie Patterson, and Miss Nancy Lyles of Cheneyville.

Mr. and Mrs. Derouen were business majors at Northwestern State College, Mr. Derouen receiving his degree this past spring. He was a member of Sigma Tau Gamma fraternity and she was a member of the Pi Kappa Sigma sorority. They will make their home in El Paso where "Gil" is a lieutenant in the army.

SEEGERS-MAHFOUZ

Sunday, August 24, at two o'clock in the afternoon Elizabeth Seegers and Ned Mahfouz were married in the St. Michaels Church of Haynesville.

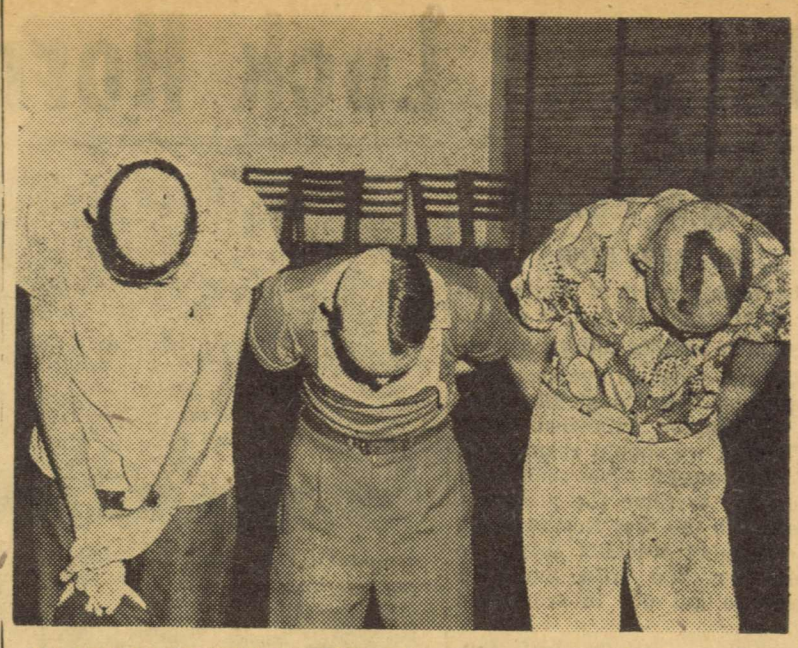

Mrs. Maxim Malagarie of Broussard, a sister of the bride, served as matron of honor and Miss Margie Seegers of Shreveport, also a sister, was maid of honor. Bridesmaid was Mrs. Lamar Seegers of Houston, Texas, sister-in-law of the bride-elect.

Herbert Mahfouz of Alexandria served his brother as best man. Ushers were George Grammer of Benton and Hugh Mercer of Winnfield.

Mrs. Mahfouz received her B. S. degree in secretarial science from NSC. She was a member of Pi Kappa Sigma, social sorority.

Mr. Mahfouz received a B. S. degree in biology from NSC and has entered LSU School of Medicine. He is a member of Alpha Chapter of Phi Kappa Nu, social fraternity.

Guests from NSC attending the wedding were Charles Byres, Cas Moss, Jim Bob Key, Ben Singletary, Mac Landry, Frank Baronne, "Red" Cook, Marilyn Snoddy and Marilyn Barnette.

HEADS OF THEIR CLASS—These peculiar protusions glaring from the three "Ugliest Dogs" at Northwestern State College belong to Freshmen Billy Hugh Cates (left), Wilburn Miller, and Allison Goldsby. These freshmen copped their dubious honor at the freshman party given the first week of school.

NOTICE

All students who are interested in becoming members of the modern dance workshop, a group of students interested in theatrical dance, should contact Mrs. Jean Harper Lee on Tuesday or Thursday evenings. This workshop is under the auspices of the department of health and physical education. The work is available to any student or faculty member for credit or non-credit.

Demons Lock Horns With Broncos Tonight

King's Korner

By "RED" KING

The school spirit at Northwestern is very poor, in fact, it stinks!

I've been in this college one semester and about all I've heard are complaints: "Oh, I don't like this" and "I disagree with that rule," or "I think we should change this —." But thusfar I've seen very little done to solve the problems. It seems to me that Northwestern has plenty of students willing to follow, but few with gumption enough to get out in front and lead.

You all are very familiar with the saying "Don't gripe, transfer." Well too many people take that saying seriously. This saying should be changed to "Don't gripe, act!" The people that are willing to spend their time solving some of NSC's problems are about as out-numbered as the Republicans are in the South. (That is prior to "Ike".)

The other night at the cheerleader tryouts everyone was waiting for the person next to him or her to yell. People who yelled seemed out of place. This shouldn't be. A person who doesn't yell for the Demons should be the one that is out of place on this campus!

The two most important attitudes towards winning football games are hussle and determination. Our team has the hussle, but the determination, the will to win must be felt not only on the playing field but also in the stands. If the students don't care if the Demons win, why should the players?

Most of the students around here are "fair weather fans." If the Demons win "That's our team," but let them lose and that's a different story. I say anyone can back a winning team but it takes guts to stick with a loser.

In my estimation Northwestern has as good a team as any college in the conference this year, but until the students decide to support the team with all their heart and let them know that we want them to win, and that we are behind them 100 per cent they will lose. The determination must come, first from the students. You can't win if you don't want to win.

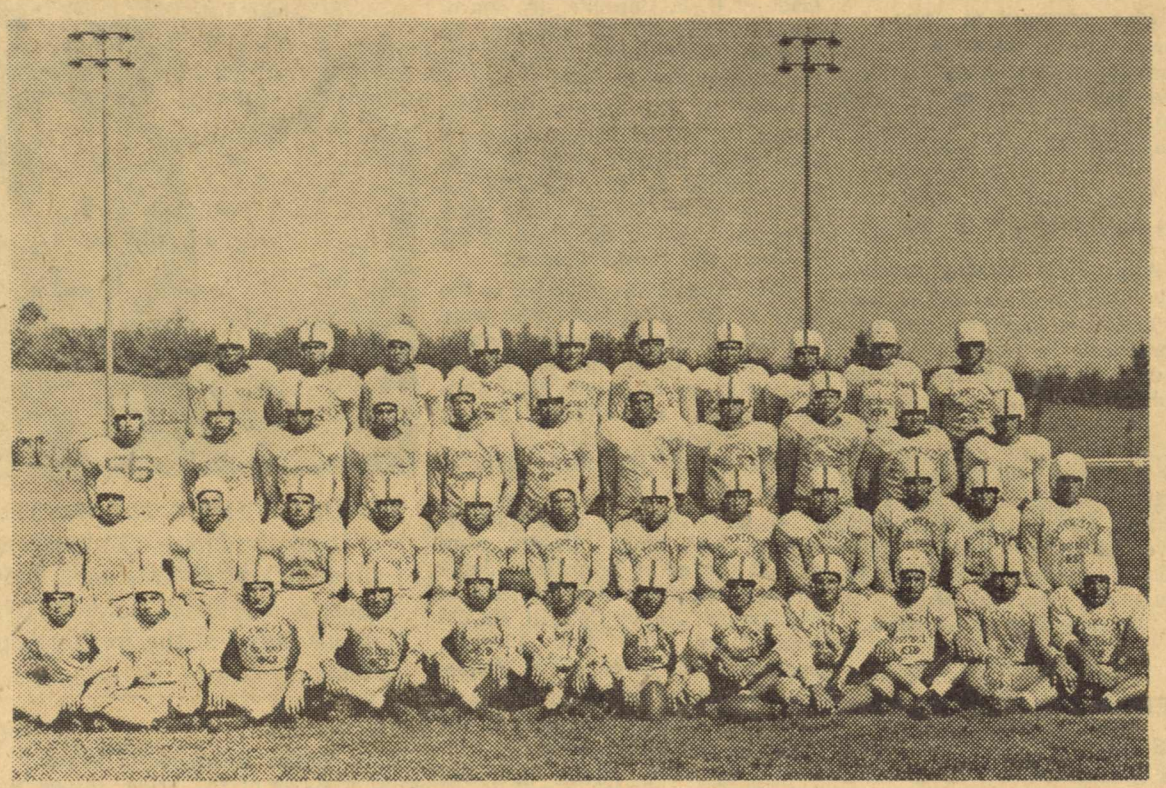

The DEMONS are our team win, lose, or draw, and we should support them as such.

Just remember . . . .if you don't support them, who will?

TECH ? ? ? ?

TOMMY BROUSSARD, Demon star who was injured during fotball practice, will be missed considerably at the NSC-Central Oklahoma game tonight.

ABOVE IS SHOWN the NSC football team who will battle the Central Oklahoma Broncos in Demon Stadium tonight. They are: 1st row, left to right, Hickman, McFadden, Carr, Rice, Smith, Gros, Broussard, Barkate, Buck, Whitt, Tatum, Chesson; 2nd row, Tyler, Christian, Massey, Turner, Fuller, Bourgois, Duff, Epperson, Little, Langridge, Clemons, Sullivan; 3rd row, Knots, Tellotta, Brunning, Cobb, Wiggins, J. Haynes, Lofton, Simpson, Bass, Rost, Purser; 4th row, Martin, E. Haynes, Stoker, Lee, Perkins, Modisette, Downing, Bruce, Schmerhiem, Simon.

AQUATIC CLUB REORGANIZED; NAME CHANGED TO MARINERS

With the opening of a new school year, the Aquatic club of Northwestern State College is in the process of being reorganized under the new title, Mariners.

The Mariners will be fundamentally under the same authority as has been the Aquatic club for the past 14 years. That is, it will still be sponsored by the Physical Education department of the college. However, what was one complete unit in the old club will now be divided into five bodies in this new club. Two groups will be composed of girls and three groups will be composed of boys.

The girl group are The Tarpons which is made up of college girls with previous exeprience in aquatics, and the Rainbow Trout, a section especially organized for Freshmen girls. The girl divisions will meet on Monday nights at a time to be announced.

The boys who will be divided into three groups will meet on Wednesday night. Their sections are The Devil Fish which consist solely of the college varsity swimming team, The Sea Horses, a group of upper classmen boys who have had previous experience in the Aquatic club, Freshmen boys' section, the Sharks.

This club will put on various shows around the state with their main attraction being the Annual Northwestern State College Aquatic Show which is held April 23-25.

The governing body of the Mariners will be made up of the individual faculty sponsors and a representative from each section of the club.

This club is strictly a voluntary organization and anyone interested in swimming is urged to contact one of the sponsors or any member of the Mariners.

ANNOUNCEMENT

The Women's Recreation Association announces that the intramural tournaments in volleyball, tennis, ping pong, and golf will start in the immediate future. All those who wish to enter teams or individual competitors must sign up by noon September 27. Team rosters should be given to Miss Cunningham in the women's gymnasium.

NOTICE

Don't forget to have your chest X-ray made. The chest mobile unit will be here next week.

Former NSC Diver Still A Champion

Fred "Sonny" Hoff, Jr., a former A. A. U. diving champion and a star member of the Northwestern State College swimming team, now serving with the 5th Air Force in Korea, recently won the one-meter and three-meter diving championship in a service meet.

Hoff was representing the 5th Air Force against such stiff competition as the Royal Air Force of Great Brittain, the Australian Air Force, U. S. Air Force and others.

While on the Natchitoches campus, Hoff invented a new dive, a triple twisting one and one-half forward somersault. He was one of the leading intercollegiate divers in the nation and was on his way toward making a great name for himself and Northwestern in diving circles when he was called into service.

Men's Intramurals

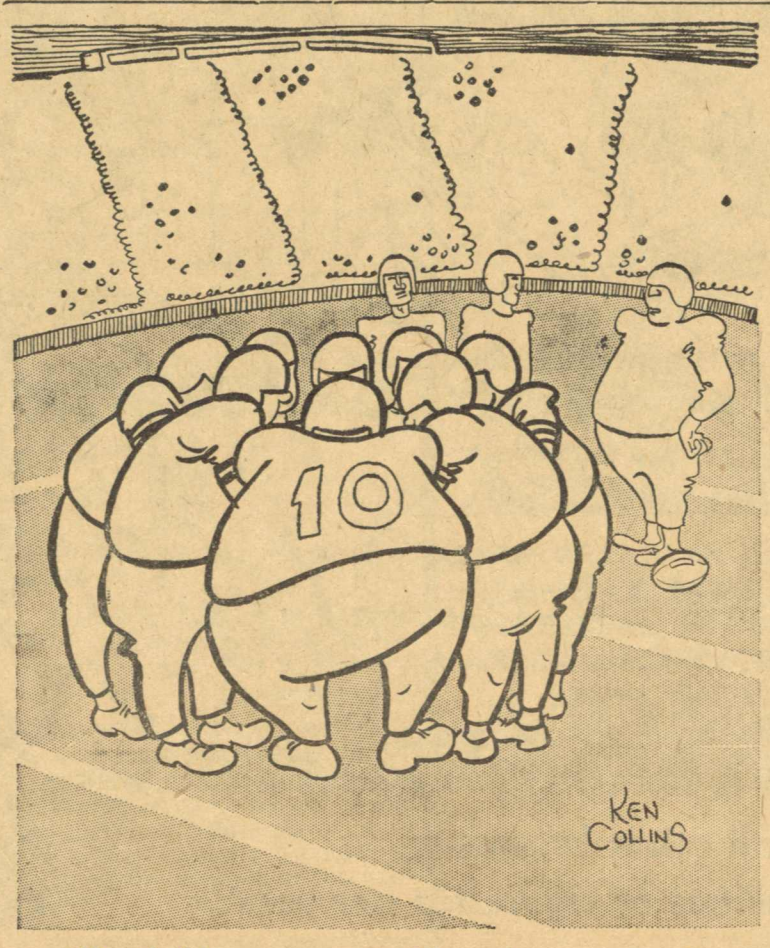

Thursday night at 6 p. m., the Men's Intramural council met with Coach Thomas, director of intramural sports. The meeting was mainly for the purpose of organizing teams. However, due to the lack of representatives attending the conference, another meeting was called for next Wednesday night, September 24 at 6:15 p. m.

Coach Thomas did stress though, that all dormitories should organize teams to compete in the touch football program. Not only should dormitories do this but also other students who wish to participate on an intramural plane. Only those students who have not received a varsity football letter from NSC or any other college are eligible for competition.

It was stated emphatically by Coach Thomas that the success of this year's program is "strickly up to the students."

NOTICE

New hours have been announced for the checking out of equipment from the Intramural Office. They are Monday-Friday, 3:00 to 5:00 p. m. and Saturday-Sunday, 1:30 to 4:30 p. m.

"So the' farmer sez to the salesman . . ."

Local Eleven Injury Riddled

A Demon grid machine, whose cogs have been tampered with in the form of key injuries, will cleat the turf for the first time this season when they lock horns with Broncos of Central Oklahoma State College. The NSC squad will attempt to corral the westerners in the Demon Stadium at 8 p. m. tonight.

Despite the injuries of four mainstays, the Purple and White will don the garments of favorites. However, the odds for a Demon victory have slimmed down considerably. Perhaps the absence of M. D. Ray and Tommy Broussard will mean the difference between a glorious victory or a heart-breaking up-set defeat.

In the contest with the Central Oklahoma team last season, the Demons survived the fracas by downing the Sooner state visitors 19-6. Bobby Davis jaunted 39 yds. in the first quarter for the initial tally. However, the Broncos bounced back and tied up the score when Howard Sutton blasted over from the 2 yd. stripe. The actual margin of victory though, came when M. D. Ray slipped over from the one yd. line. Joe Price Lancaster added another touchdown for lagniappe in the third and thus the Demons tucked the game away.

But tonight the Demons will more or less be feeling their way around. In the driver's seat of the NSC T-formation will be Dan Carr, a capable yet not too experienced ball handler. The Purple and White's defensive load will rally round the performance of this sophomore letterman.

An underdog Oklahoma squad, on the other hand, does not mean Coach Turpin's crew will be able to name the score at the Demons' discretion. The Central Oklahoma Broncos under the tutoring of Dale Hamilton can tally when presented the chance.

The Sooner State offense is sparked by Bill Dutton, a 165-lb. junior, whose exploits as quarterback of the tricky split-T are outstanding. His runningmate, equally good, is Lonnie Gilliand.

Whether the actual contest between the grid teams will be a slaughter or a closely fought affair, no one knows. But one thing can be certain, the NSC dogs should provide enough entertainment to keep a home crowd happy.

New Members Are Needed For NSC Band

Director Dwight G. Davis states that every instrument is needed to bring the 1952-53 NSC Band to the numerical and instrumental strength that is desired. A cordial invitation is extended to all people at Northwestern who play band instruments to "Join the Band."

The band will be in new uniforms at their second appearance which will be the NSC-McNeese football game. Contact Mr. Davis, join the band and get a new uniform.

The band meets at 4 p. m. on Monday, Wednesday and Friday.

NOTICE

The Natchitoches Chess club cordially welcomes any student or faculty member who is interested in chess to join them. Free chess lessons will be given. If anyone is interested, please contact Dr. Eugene P. Watson, head librarian here at NSC.

Do you want to work for The Current Sauce? Come to the meeting Monday at 6:15 p. m.

ROTC STUDENTS going through part of the process of registration. Members of the ROTC teaching staff are issuing class cards to students and collecting deposits.

Next Thursday Is Deadline For Enrollment in ROTC

Latest incomplete reports show that the total enrollment in the two-year old Northwestern Reserve Officers Training Corps (ROTC) program has increased since last year by approximately 70 students.

According to a report by Lt. Col. James Bowman, PMS & T for the Northwestern ROTC, there are a total of 339 students enrolled this semester in the ROTC program. Last April there were only 272.

Six of the cadets this year are seniors, 48 are juniors, 125 are sophomores, and 160 are freshmen.

Col. Bowman said, however, that he feels that the enrollment in the first year basic course should be somewhat higher as there are about 90 freshmen male students on the campus who have not yet enrolled. Many students, continued Bowman, are somewhat afraid of the ROT Cprogram because they feel that once enrolled, they are subject to military service. That is not the case, said Bowman.

A student enrolled in the ROTC program is no more liable for military service than any other male student. Through the ROTC he has an opportunity to prepare for military service and, if called upon after graduation, to serve as a commissioned officer in the armed forces if the need arises.

The Northwestern ROTC program, established in 1950, is a four year course specializing in antiaircraft artillery. It is divided into two parts. The first part, covering two years, is the basic course. The second part, also covering two years, is the advanced course.

The student who succesfully pursues the program will receive college credit towards a degree, training in leadership, and a deferment from the draft. The advanced course student will receive $27 a month and must attend a six-weeks summer camp between his junior and senior year. Upon graduation, the student will be given a commission as second lieutenant either in the regular army or the army reserve.

Col. Bowman pointed out that any freshman student who might still desire to enroll in the ROTC this semester may still do so before Thursday of next week. Anyone who wishes to enroll should first see Col. Bowman in his office in the armory building.

Demonette Group Elects Officers For Coming Year

The Demonettes will give their first performance October 4, in cooperation with the NSC marching band at the NSC-McNeese football game. This group consists of fifty girls and is directed by Sgt. Phillip Trout and Rudy Berlin.

Officers for the coming year were elected. They are Tommie Blackbourne, president; Gerry Perry, secretary; Winnie Hudson, treasurer; and Velma Reeves, student representative. Miss Janell Farris is the Demonette sponsor.

New Members Are Needed For NSC Band

Director Dwight G. Davis states that every instrument is needed to bring the 1952-53 NSC Band to the numerical and instrumental strength that is desired. A cordial invitation is extended to all people at Northwestern who play band instruments to "Join the Band."

The band will be in new uniforms at their second appearance which will be the NSC-McNeese football game. Contact Mr. Davis, join the band and get a new uniform.

The band meets at 4 p. m. on Monday, Wednesday and Friday.

NOTICE

There will be a meeting of the Current Sauce staff every Monday at 6:30 p. m. in the Current Sauce office, which is located in the south wing of the Fine Arts building. Anyone who is interested in working for the Sauce will please attend these meetings.

Baptist Union Sponsors Party

A tourage party was held on Friday night of last week for all the freshmen Baptist students by the Baptist Student Union, with the crowd dividing into three groups and going in turn to the three local Baptist churches.

The party was a tourage of three Louisiana cities. Leaving the religious center at 7:15, one group went out to Morgan City at the Emmanuel church, the land of shrimps and cajuns; one group went to New Orleans at Westside church, the land of Mardi Gras; and one group journeyed to Shreveport at First church to the state fair, the NSC-Tech football game, and the state BSU state convention.

Captain of the shrimp boat fleet at Morgan City was Don Finley, and Rose Creel was on hand to give the freshmen a real welcome. Ben Brewton, King Rex of New Orleans, reigned over the Mardi Gras festivities with Cindy Hodge as his queen. Dudley Downing in his football togs well represented the annual NSC-Tech game at the state fair in Shreveport.

Shreveport Nurses Are Entertained At Party Monday

Twenty-three new students, who are beginning their clinical experience in the Shreveport division of the department of nursing, Northwestern State College, were entertained by the older students at an informal gathering at the Nurse's Home, on September 8. New students honored were:

Donna Allen, Sue Baggarly, Peggy Bonner, Helen Dake, Billie Jean Dempsey, Juanita Durrett, Doris Fisher, Bettye Grigsby, Loyce Stacks Howell, Marjorie Landry, Ophelia (Sissy) Laroux, Betty Jean Loftin, Nancy Lyles, Laree Martin, Virginia McDonnell, Sara Paris, Lisa Starr, Judy Sobert, Glenda Toms, Margaret Webber Anita Worsham, and Margaret Young.

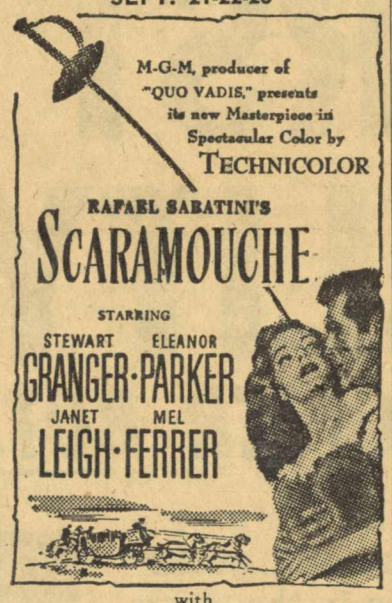

The purpose of the party was to enable the students to get acquainted with the older students, the house mothers, and the instructors. The program included jokes, impersonations, and singing.

Shreveport Graduate Nurses Honored at Banquet Sept. 3

A banquet, in honor of the first graduating class of the Shreveport division of Northwestern State College nurses, was held Wednesday evening, September 3, in the Charity hospital dining hall. The seniors of the January, 1953 class were hostesses for this occasion.

The school colors, purple and white, were carried out in the decorations, and in the floral arrangements.

Mrs. Martha Cheves Smith, director of the Shreveport division was the guest speaker of the evening. The welcome was given by "Babs" Love, and Marjie Hoffpauir responded. Carlene Blum read the class will and Wanda Puckett read the class prophecy.

Mistress of ceremonies was Mildred Rambin.

The graduates honored at this time were Billie Alford, Millicient Arnold, Ameralis Faye Bailey, Orlean M. Beckett, Mary Joyce Bedgood, Anita Sue Bishop, Carlene Blum, Merlene Bond, Betty Jean Jean Currie, Helen Crunk Elrod, Louetta T. Falcon, June Ann Gissler, Rosa Mae Godwin, Emma Marie Hebert, Patsy Aliece Henry, Margie Hoofpauir, Rita Key, Barbara O'Brien, Gloria Paris, Marilyn Ruth Schuler, Vernetta Trice, Maxine Whittington, Nancy Williams, Donna Wilson, and Mary F. Woodruff.

Chest X-Ray Unit Here Next Week

The State Department of Health mobile chest X-ray unit will be on campus Tuesday, Wednesday and Thursday, September 23, 24 and 25. Students, staff and faculty are urged to avail themselves of this opportunity to have a chest x-ray made to be sure their lungs are healthy.

There are no early symptoms of tuberculosis; signs when they are symptomatic of tuberculosis, such as unexplained loss of weight, a persistent cough and fatigue following routine activity appear usually after the disease has been in progress for some time. A chest x-ray may show the presence of tuberculosis two and one-half years before symptoms appear.

Have your chest x-rayed — BE SURE YOUR LUNGS ARE HEALTHY.

NOTICE

The Natchitoches Chess club cordially welcomes any student or faculty member who is interested in chess to join them. Free chess lessons will be given. If anyone is interested, please contact Dr. Eugene P. Watson, head librarian here at NSC.

College Library Is Reorganized

Under the direction of Dr. Eugene P. Watson, head librarian, Northwestern's library has been completely reorganized. It has been divided in two sections, the reader's services division which will combine the activities and functions of the reference and circulation departments, and the technical services division, which will replace the cataloging and order departments. Mr. Mitchell Reams, the new assistant librarian, will head the reader's services division and will be assisted by Miss Irene Pope, Mr. R. A. Hoffpauir, and Mrs. Hazel Shea.

The furniture in the library has also been rearranged. In the future, there is to be built a separate periodical counter, in order that the periodicals may be used more conventiently and efficiently by the college students. Not only have these changes been made, but the library hours have been rearranged for the student's convenience, since the printing of the Student Handbook. The library now maintains the following schedule:

Monday-Thursday, 7:45 a. m.-9:30 p. m.

Friday-Saturday, 7:45 a. m.-5:00 p. m.

The purpose of streamlining the library organization is to provide more efficient, up-to-date, services for its patrons.

CHESTERFIELD

FIRST PREMIUM QUALITY CIGARETTE

TO OFFER BOTH REGULAR & KING-SIZE

BOTH regular and king-size Chesterfields are premium quality cigarettes and come in the smart white pack.

BOTH contain only those proven ingredients that make Chesterfields the best possible smoke: the world's best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy—nothing else.

BOTH are much milder with an extraordinarily good taste and, from the report of a well-known research organization — no unpleasant after-taste.

BOTH are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger — contains considerably more of the same tobaccos — enough more to give you a 21% longer smoke, yet costs little more.

Various Girls' Dormitories Elect Councils for Coming Year

Monday, Sptember 22, the girls of the various dormitories met and selected the councils which are to represent them for this fall semester. They are as follows:

Agnes Morris: Nancy Kimbell, president; Cindy Hodge, vice president; Bettie Carter, secretary; Sue Davenport, treasurer; Bobby Nash, 1st floor; Loupearl Welsh, 2nd floor; Ann Mathis, slums.

Audubon: Jane Flores, president; Faye Johnson, vice president; Jackie Byrd, secretary-treasurer; Jimmy Shows, social chairman; Jo Bath, 1st floor; Barbara Frederich, 2nd floor.

Carondelet: Laola Ranion, president; Charlsie Ross, vice president; Gayle Epperson, secretary-treasurer; Jane Williams, social chairman; Bobbie Downs, 1st floor; Mary Shipp, 2nd floor.

Kate Chopin: Alcie Dee Thompson, president; Jean Noble, vice president; Lollie Caskey, secretary-treasurer; Freddie Jones, social chairman; Jene Jensen, 1st floor; Charlen Ray, 2nd floor.

West Varnado: Thelma Ruth Stevens, president; Barbara Herron, vice president; Pat Hankins, secretary-treasurer; Annie Ruth Taylor, social chairman; Rae Gremillion, 1st floor; Berta Adams, 2nd floor; Annette Cook, 3rd floor.

East Varnado: Dorothy Corry, president; Bernice Dale Blankenship, vice president; Beth Trammell, secretary-treasurer; Louise Vick, social chairman; Sarah Cutrer, 1st floor; Dorothy Gillespie, 2nd floor; Fay Dell Johnson, 3rd floor.

Northwestern Band In New Uniforms

The members of the band were issued new uniforms September 22 and 23. These Lancer type uniforms are purple, trimmed in white, with a light gray lapel, which may be buttoned to the neck for more formal appearances. The main features are accented by silver buttons, a white plastic belt, and a shoulder patch, which characterizes a leering demon with the letters, NSC, underneath. The West Point style shakoes of purple plastic, trimmed in white, are topped by seven inch white plumes.

Mr. Dwight G. Davis, band director, also received a new uniform. Wearing the old band jackets, will be the Demonettes at the McNeese-NSC football game, Oct. 4. The band will make its first appearance in new uniforms at this time.

Miss Mavis Pate Wins Annual Award For Academic Standing

The Natchitoches branch of the American Association of University Women announce Miss Mavis Pate as the 1951-1952 recipient of its annual award to the woman student of Northwestern State college making the highest average for the academic year.

Miss Pate had an average for 1951-1952 only slightly under A. She is a graduate in nursing, and is at present supervisor in the operating room at Charity hospital in Shreveport. Her home is at Ringgold, La.

The Natchitoches branch congratulates Miss Pate on her excellent record, and wishes her every success. The branch president is Miss Irma Stockwell, assistant professor of speech at Northwestern State college. The chairman of the committee on the award is Dr. Corinne Saucier, associate professor of Spanish.

Jackson Beebe To Head Loan Fund Here

Leland Langridge, president of the student body, announced the appointment and approval of Jackson Beebe as the executive treasurer of the student Loan Fund.

For those who are not familiar with the Student Loan Fund, here is a brief explanation of it. If for any reason a student finds that he needs a small sum of money, he may borrow up to ten dollars for a period of 30 days. When he pays back this money, he will add to it a fifty cents carrying charge. To get a loan is very simple. First a student must contact Jackson Beebe and secure a blank from him. Then the student must get an upperclassman to endorse his note, this making both the borrowerer and endorser liable to repay the loan. The next step is to get Beebe to sign the note. One must then go to Mr. Robert Easley, faculty adviser, to get the check for the amount of the loan. This check must be cashed at the cashier's window in Caldwell Hall.

If the procedure is still not understood fully, one may contact Jackson Beebe or any member of Student government for further explanation.

Big Square Dance In Student Center Wednesday Night

Joe Jolley, Jr., well known square dance caller, was at the Student Center Wednesay, Sept. 24, when the students met for their weekly square dance, at 6:30.

Joe started calling and teaching square dances five years ago. Since then he has become nationally known. He has appeared on many square dance programs throughout the Ark-La-Tex area, such as the Holiday-in-Dixie, State Festival at Baton Rouge and the Port Arthur Festival. Joe has been working with the Louisiana State Extension Service, teaching the art of square dancing to their agents, the members of the 4-H club, the Junior leaders, the Older Youth and Local leaders. He has worked with the Natchitoches recreation department and the physical education department of Northwestern State college.

Magazines and booklets which have featured Joe include The Progresive Farmer, the Port Arthuran and the Baton Rouge Register.

Anyone interested in learning to square dance may attend the next dance at 6:30 p. m. in the Student Center. The admission is 15c per person.

Hay Ride Begins Fall Activities For Newman Club

The Newman club, Catholic students' religious organization on the campus, will initiate its fall program of activities with a hay ride and weiner roast tomorrow night.

The truck will leave from the Religious center about 6:00 p. m. and head for the Alphonse Prudhomme plantation at Bermuda where the party will stop for refreshments. They will return to the campus about 10:00.

Approximately 25 couples are expected to make the party. All members and prospective members of the Newman club are invited to bring a date.

Other plans for the fall semester call for an initiation of new members in the very near future, an outing every other week and the appearance of prominent speakers at the weekly meetings of the group.

Weekly meetings are held at 6:00 p. m. in the Newman club room of the Religious center. Mass is offered on Friday morning at 6:30 and on Sunday morning at 7:30. The Rosary is said each evening at 6:00.

MISS WANNA BETH SANDERS, sophomore business education major, will serve as associate editor of the Current Sauce during the coming year. Miss Sanders has been on the Sauce staff for the past three semesters.

First Fall Production Is Cast In Little Theatre This Week

The College Theatre group, under the direction of Dr. Edna West, new associate professor of speech on the campus, is hard at work planning the first big fall production. Tryouts were held Monday, Tuesday and Wednesday of this week to pick a cast for the three-act comedy, "Royal Family," a Ferber-Kaufman play satirizing the famous Barrymore family.

The cast for the "Royal Family" is as follows: Della, Betty Sue Boydstun; Jo, Gerald Tilleaux; McDermott, Milton Burts; Herbert Dean, Bobby Hamm: Perry Steward, Ben Duhon; Fanny Cavishdish, Gervais Aldredge; Oscar Wolfe, Johnny Smith; Anthony Cavendish, Jack Sharp; Miss Peake Gay New. Two of the roles will be double casted: Kitty Dean, Kaydonna Hill and Pat Hankins; Gwen, Millie Davis and Mary Murphy.

The play set has been designed and work is underway on its construction. The comedy is scheduled to be produced the 23rd and 24th of October in the Fine Arts auditorium.

Dr. West is interested in such theatre groups as Davis Player, a local club, of the stage, and Alpha Psi Omega, national honorary dramatic society. She plans to reactivate both, since all but two members of the organizations have been graduated. Also in her plans of this year is a college theatre group, open to all students interested in drama in any connection. The student body is extended an invitation to become a part of the theatre group and anyone interested should contact Dr. West in the Speech Office.

Potpourri Staff Begin Work

According to Houston Davis, editor of the 1953 Potpourri, the response by the various classes in having their Potpourri pictures taken has been good. He stated that the larger part of the opening section was completed this summer, and that the general organization of the 225-page book has been changed somewhat. The staff will begin working on the organization section very soon.

The Potpourri working schedule is to be quite rigid this year. The beauties will be selected in October; and the class sections are due November 15. The theme of the 1953 Potpourri is still a secret. The Potpourri staff is as follows:

Houston Davis, editor-in-chief; Marie Tilleaux, associate editor; Lucien Spataro, business manager; Mary Murphy, class editor; Nelda Jenkins, class editor; Jackie Funderburk, feature editor; Pat Hankins, snapshot editor; Louise Vick, Pan-Hellenic editor; Ann Hungerbeeler, organizations editor; Guy Cheek, student photographer; Velma Reeves, chief typist.

Others on the staff include Lora Faye Kemper, Barbara Edwards, Barbara Cheek, Rose Nell Creel, Charles Ertell, John Spataro, Bennie Ray, Gerald Tilleaux, "Red" King, J. P. Johnson, and Jo Hubley.

12 Nursing Students Begin Training At Alexandria

The twelve new students who are beginning their clinical experience in the Alexandria division of the department of nursing, Northwestern State College, are Eloiese Barron, Robbye Bass, Marjorie Baxley, Jo Ellen Cagle, Beverly DeVilbiss, Betty Foote, Pat Givens, Corney Ruth Hall, Jerry Humphreys, Lucille Isles, Ruby Lampin, and Mary McDuffie.

The first outing was a barbecue, which served as an opportunity for new and old students to ge acquainted. Refreshments were enjoyed by thirty students, the local staff of the college, and guests, at the home of Miss Audrey F. Saymen, librarian, Alexandria division, Northwestern State College.

The new and old students were also entertained by the Baptist Student Union. The students gathered first with a group of patients in the Polio Center where songs were sung and several clever skits were presented. The students then were served delicious punch and canapes in the student residence.

850 NSC Students Take Advantage Of X-Ray Unit

The battle is on—against tuberculosis, that is. The weapon is a mobile X-ray unit.

Tuesday, Wednesady and Thursday, the state Mobile X-ray unit was on our campus, offering free service to all those who cared to take advantage of it. Approximately eight hundred-fifty students had X-ray made.

University Women Hold Meeting On September 22

The first meeting of the Natchitoches Branch of the American Association of University Womn was held Monday, Sept. 22, at 7:30 p. m. in Varnado Hall. The purpose of this meeting was to honor the new members of the association.

The program began with a welcome by the branch president, Miss Irma Stockwell. The guest speaker for the evening was Miss Eleanor Patrick, state president of A.A.U.W. The officers and committtee chairmen were introduced to the group. Miss Agnes Clark, membership chairman, introduced the new members. Mrs. Guy Nesom, current vice prsident, continued the program by outlining the program for the coming year. A study of influence and persuasion will be the idea carried out through all the programs of this year. Mrs. Nesom stated. Realizing the growing danger from destructive attacks made by propaganda and pressure groups and by irresponsible individuals, the National AAUW Program Coordination Committee urges that we stimulate in ourselves a greater awareness of influence and persuasion, that continuously we develop an ear for propaganda so that each of us may be able to form sound judgments about the propositions ceaselessly urged upon her.

Miss Eleanor Brown accompanied Mrs. Lillian McCook, presently on leave from her duties, who rendered vocal numbers. Refreshments were served to a large number of ladies by the following hostesses: Ellen Hill, Agnes Clark, Mary Catherine Fisher, Thelma Kyser, Dorothy Mims, Marion Nesom, Minnie Lee Odom and Irma Stockwell.

NOTICE

There will be a meeting of the Freshman class in the Fine Arts auditorium, Thursday, October 2, at 6:15 p. m. for the purpose of electing officers.

LIBRARY

We Can Help

It seems that something extraordinary has happened to the Student Senate this year. Contrary to the previous year's group, the 1952-53 Senate seems to be very enthusiastic and full of pep. Whether this year's Senate is composed of more conscientious members, or whether it is merely following the trend of seemingly renewed school spirit which has prevailed here on the Northwestern campus since the beginning of the school year, is not known and is of relatively little importance. The important thing is that they are "on the ball" and ready to be of some benefit to the college.

Last Tuesday night at the regular Student Senate meeting, several important business items were on the agenda. One, which is of immediate importance, was the problem of helping the Demonettes raise funds for new uniforms, which are, indeed, very greatly needed. Aas a means of doing this the Senate proposed the idea of sponsoring a variety show, at which the various talents on the campus would be displayed. Members of our faculty, realizing the problem and having a desire to offer their services, suggested that the project be a combined student-faculty show. This, of course, met the unanimous approval of the Senate. This goes to show that the faculty is very interested in the various campus activities and possess a desire to help.

Now that the way has been paved for this undertaking, it is up to us, the students, to do our part toward making it successful.

The variety show will be presented in the very near future. We all want it to be a success, and we want the Demonettes to receive those uniforms—so why not work toward that goal??

NSC Highlights

By MARY SUE BELLEW

In the dining hall the "voice" over the loud speaker has constantly announced that POTPOURRI pictures are being made and on the trees signs have been posted to that effect. If you failed to get yours made, then your eyes and ears have not been open.

The hum of voices in the drama section lately is none other than the twenty-five ambitious students trying out for "The Royal Family." It seems that only six men have tried out for eleven available roles, while nineteen girls have tried out for six parts. Well, that is life on the NSC campus. Oh! yes, anyone that wants to work and have fun too, should sign up with the stage crew. Remember the show must go on!

Have you noticed any crickets lately? For awhile it looked like they would take the campus, but the quantity has steadily declined.

NSC debaters have met, and made plans for a big year. We all wish them good luck.

The new arrangements in the library really look good. Let's hope everyone will benefit from the improvements.

If you thought you were blocked by a big white monster near the infirmary, it was the mobile chest X-ray unit. From the number of buttons worn, it seems many people took advantage of this opportunity.

Everyone had great fun at the pep rally which was definitely a success. If the pep keeps up like this all year, the DEMONS should burn up every opponent. They proved Saturday night that thy can, and a good bginning always helps boost the school spirit. Congratulations go to the frosh for the good sportsmanship they displayed at the game.

Senate Minutes

A regular meeting of the Student Senate was held Tuesday, September 23, at 8 p. m. in the faculty room at Caldwell Hall. Thirteen senators were present and three were absent.

Houston Davis, introduced Dr. John S. Kyser, senate advisor, to the group.

Joe Saltzman read the minutes of the previous meeting. A motion by Gordon Young, seconded by John Batten, called for the approval of the minutes. The motion carried and the minutes were approved as read.

Leland Langridge, president of the student body, clarified questions which had earlier arisen concerning the student body budget for the year 1952-53. This was followed by a motion by John Batten and seconded by Jack Sharp, which called for the acceptance of the budget with the following amendment: that the sentence reading "Surplus for general student body entertainment" be made "Surplus for student body activities." The motion was passed.

Dr. Kyser then gave suggestions concerning the student film program, during which time he enumerated two important facts to be considered—(1) type of film to be shown, and (2) method of financing the project. However, Dr. Kyser pointed out that he saw no reason why the students could not have a good film program.

After reading the charter for the film program, Davis announced that the film program fund at present amounted to $410.50.

A motion by Bennie Ray, seconded by Rudy Berlin, called for the increase of the $250 surplus fund of the film program to $300. The motion carried.

Bennie Ray moved that Davis be chosen to get President Prather's approval of the film program. The motion, which was seconded by John Batten, paassed.

Marie Tilleux asked for the Senate's full support and cooperation in her efforts to raise funds for new Demonette uniforms. The idea of having a variety show for the cause, which was brought up by Leland Langridge, was amended by Dr. Kyser, who suggested that the variety show be a joint student-faculty show. The idea met the unanimous approval of the Senate.

A motion by Marie Tilleux, seconded by Martha Ann Leach, called for the appointment of a committee by the president of the Senate, whose function would be to work toward organizing the variety show. The motion was passed. On the committee are Rudy Berlin, Martha Ann Leach, Jack Sharp, Gordon Young, and Marie Tilleux, who serves as chairman. Mrs. Ora Williams, Dr. Edna West, and Miss Irma Stockwell were selected as faculty advisors for the event.

A motion by Jack Sharp, seconded by Cecil Nielson, called for the adjournment of the meeting. The motion passed and the meeting was adjourned at 9:15 p. m.

Respectfully submitted,
JOE SALTZMAN, Secretary.

New Officers Are Elected By PEM Club

Thursday, September 18, the women's Physical Education Majors' elected officers for the coming year. Last year's officers were president, Jeanne Oliver; vice-president, Butch Price; secretary, Newlyn Boystun, and reporter, Marjorie Albert.

The newly elected officers are president, Butch Price; vice-president, Mary Sue Bellew; secretary, Eleanor Hendrix; treasurer, Majorie Albert; and reporter, Sherrill Sowers.

The PEM club meets each Thursday night at 6:30. The first Thursday night is professional meeting. The second and third nights are for team night and business meetings respectively. The fourth meeting is devoted to individual recreation.

Come to the square dance in the Student Center Wednesday at 6:30.

"Well, sir, there I was in the second chukker and my pony stumbled"

Campus Dormitories Are Named After Important Louisiana People

Have any of you ever wondered why the college dormitories here are named as they are? They have not always had the present names, you know.

Previous to 1944, the four women's dormitories next to the dining hall were known as "A," "B," "C", and "D" respectively. When the name of this institution changed from Louisiana State Normal College to Northwestern State College, it was believed that renaming some feature of the school would make it easier for the student body and the public to make the transition of names. Then, a committee of nine women students and nine faculty members were appointed by the Associated Women Students to rename the women's dormitories.

"A" dormitory, which was built in 1910, was renamed Carondelet Hall, after a Spanish governor of Louisiana. Incidentally, since the man was a Spaniard, his name should be pronounced as it is spelled, and not with the French pronunciation, "Carondelay."

Kate Chopin, a writer who was born near Derry, Louisiana, whose descendants still live in Natchitoches, was honored by having the second oldest dormitory, "B", renamed after her.

"C" dormitory, which was completed in 1922, is named for Agnes Morris, who was a teacher here and also in other parts of the state.

"D" dormitory is called Audubon Hall in honor of John James Audubon, the Louisiana naturalist and painter of birds.

Although not renamed when the other residence halls were, Varnado Hall also honors a woman who contributed much to Northwestern State College, Miss Dean Varnado. Miss Varnado was a longtime dean of women here.

Caspari, the athletes' dormitory, is named after Captain Leopold Caspari, who, while a member of the legislature in 1884, was responsible for the beginning of the school which is now Northwestern State College.

Alpha Sigma Alpha

Our apologies to Jeanette Dowden and Leland Lengridge for not announcing their engagement sooner.

The Alpha Sigs were very fortunate to have with them this past week, Mrs. Jean McCammon, national ASA registrar, of Indianapolis, Indiana. She had just come from Mississippi Southern in Hattiesburg, where she visited the ASA chapter there. From here, she plans to go to New Orleans and SLI in Lafayette, where she will also visit ASA chapters. In Mrs. McCammon's honor the Alpha Sigs held a tea, to which the campus sororities were invited, in the ASA house Thursday evening from four to six o'clock.

Congratulations to the newly installed ASA Chapter in Tempe, Arizona! ASA now has 47 college chapters and 97 alumni chapters, whose members total nearly 13,000.

The girls were very happy to welcome Mary Ann Walton into the sorority when she was initiated last Wednesday night at 6 p. m. at a very impressive ceremony. We are all very happy to have Ann as a fully initiated member. Ann Wood was installed Tuesday as vice president.

Betty Sue Choate, Ann Wood, and Evelyn Pyle attended an alumni meeting at the home of Margaret Matthews Monday night from 7:30 until 10:00.

The Alpha Sigs are busily working on plans to make their house more attractive and more comfortable. The back porch and porch chairs have been painted, and plans for repainting the house in the near future have been laid. Materials for recovering the window seats and divan have been selected.

The Alpha Sigs opened the new school year with an informal party Friday night, September 15 at the ASA house. The guests were entertained with dancing and various games. Cokes and individual iced cakes topped with red ASA's were served. Guests included Clay Brock, Willis Champaign, "Red" Cook, Curtis Hoglan, David Kendrick, Leland Langridge, Owen Phillips, Joe Saltzman, Henry White, and Mr. and Mrs. Robert Easley, chaperons.

Delta Sigma Epsilon

Delta Sig welcomed to the sisterhood Barbara Gray and Imogene Leach. Barbara and Imogene were initiated Tuesday, September 23, in an impressive ceremony in DSE sorority room. Presented to them by their big sisters was the traditional demi-tasse cups and saucers.

The regular meeting of Delta Sig was held after the initiation. Plans for rushing and the fall semester were discussed. New officers elected at the last meeting took over their duties. They are recording secretary, Kathleen Prudhomme; historian, Fon Elliott; reporter, "Ef" Cloutier; alumni secretary, Imogene Leach; and keeper-of-archives, Barbara Gray.

Combined with the meeting was a party in honor of the new initiates. Miss Farris surprised the group with a chocolate cake and iced tea. To make the occasion complete Peppy Marmande passed around a box of candy announcing her enpinning to Edgar Stephens.

Sigma Alpha Iota

Sigma Alpha Iota has begun a busy year by rushing eight eligible girls of the music department. The rush week began Monday, Sept. 22 and concluded with the initiation of pledges in the Yellow Room of the Fine Arts building Friday, Sept. 26 at 7 a. m. After the initiation a breakfats was served.

The rushees of the fraternity were Mary Ann Walton of Bastrop; Lora Faye Kemper from Shreveport, Harriet Lacour from Alexandria, Bessie Sucett, transfer from Arkansas, Lillian McKengie of Alexandria, Pat Jones and Mildred Younger from Natchitoches, and Carolyn Adams from Sikes.

Officers for the coming year are Mary Clark, president; Dot Corry, vice president; Sallie Jo Foster, secretary; Alice Zenter, treasurer, and Sara Nell Woodall, chaplain.

Pi Kappa Sigma

The Pi Kaps are still going strong with their plans for the coming year. Tuesday night the girls discussed ways of making money and came upon some pretty good ideaas.

The house was filled with "sweets!" Sarah "Slats" Clark, and Rose McRight each presented the sorority with candy. Sarah is wearing a great big diamond from Bill Ballenger. The wedding date has been set for November 9. Rose is sporting a ring from "Red" Francis who is now in Korea. The candy was certainly enjoyed by all!

We enjoyed having our sponsor, Mrs. Jean Lee, back with us. She will be here for only a short while, but we enjoy having her during that time. The Pi Kaps hope to have a regular sponsor soon to replace Mrs. Lee's when she leaves.

Sigma Sigma Sigma

The Tri Sigmas are very, very proud of Jo Hubley who was elected cheerleader for 1952-53.

The Sigmas welcome into their midst two new members, Sue Ann Dupree and Jeanette Wood; they were initiated last Tuesday night. Plans are being made to initiate the two remaining pledges, Lollie Caskey and Jean Noble some time in October.

The Tri Sigs are working diligently on plans for their first "Big Event" in November—that of the Regional Leadership Conference to be held here on the NSC campus Nov. 8 and 9. Three states will participate.

The Tri Sigs who were not here this summer had quite a pleasant surprise when they first walked into their house. The living room has had a complete "face-lifting" from new wall paper to new chair coverings.

They are very sorry to lose JoAnn and Frances Breedlove who went to L S U this semester, and Polly Ann Head, who transferred to Northeast College in Monroe.

Virginia Metcalf has been selected to fill the office of vice president, left vacant by the resignation of Thelma Ruth Stephens.

Theta Sigma Upsilon

The Theta Sig girls are busily planning for the exciting events of the year. Theta Sigs who attended the national convention reported that it was wonderful and that there was never a dull moment.

Congratulations to Frances Griffin upon receiving the position as feature editor of The Current Sauce.

The Theta Sig's patroness, Miss Mary Esther Roberson, is ill at home in Arcadia. They are looking forward to having her back with them.

Phi Kappa Nu

The Alpha chapter of Phi Kappa Nu met in their room in Caldwell hall last Tuesday night. The first business was to welcome back Paul Adams who has been in the service and is now returning for his degree. Then the pledges were informed that initiation is to take place Saturday, October 4. The following men are to be initiated on that date: Ed Bacilla, Clay Brock, Wiley Champagne, Ben Brewton, Raymond Collier, Sonny Ellerman, Vernis Wright, S. W. Dickerson, and Jackson Beebe.

Due to the absence of Mr. William Havard, former sponsor, who is now at LSU, Mr. Ralp Bienvenu was chosen to be Phi Kappa Nu's new faculty sponsor.

Sigma Tau Gamma

Sigma Tau Gamma, national sociaal fraternity, opened the year's activities with an informal party in the fraternity room. One box of cigars is owed the fraternity by Bob Durham who gave Nancy Lyles an engagement ring this summer. Congratulations to Myron Lockey upon being elected Co-captain of the swimming team. A hayride is being held for the members, pledges and their dates this Saturday night. Preparations are being made for the rushing season. A series of rush parties is being planned to be climaxed by the annual White Rose Ball.

NOTICE

Anyone who has had previous experience in fiddling and would like to play at the college square dances will please contact Mrs. Rita Kendrick at the Student Center office as soon as possible. Also needed are guitar, banjo, and bass players.

Come to the square dance in the Student Center Wednesday at 6:30.

Pan-Hellenic Tea Held Last Sunday To Honor Freshmen

Sunday, September 21, approximately 125 women students of Northwestern were honored by a tea given by the Pan-Hellenic council in Varnado Hall from 2 to 4 p. m.

The girls were greeted by a representative of Pan-Hellenic who recorded their names and presented them to the receiving line, which was composed of the presidents of the five campus sororities, Betty Sue Choate, Alpha Sigma Alpha; Gennie Marmande, Delta Sigma Epsilon; Kathleen Ray, Pi Kappa Sigma; and Audell Peavy, Theta Sigma Upsilon. Also on hand to greet the girls were the hostesses, a group consisting of five representatives from each sorority.

Sherbet punch and iced cakes were served buffet style on a beautifully decorated table.

Music Fraternities To Entertain Monday

Sigma Alpha Iota and Phi Mu Alpha music fraternities are presenting their annual reception tea for freshmen Monday, Sept. 29 at 8 p. m. A program with faculty and students performing will be presented.

At the piano will be Miss Eleanor Brown playing "Barcarolli in A Minor" by G. Faure; Mr. Paul Torgrimson performing "Forlane" by Ravel; Wilbur Mason playing a Debussey Prelude and Marjorie Norsworthy, rendering "Wedding Day at Troldhaugen" by Edward Greig.

Miss Sara Guitar will perform "Guitarre" by Moskowski and will be accompanied by Miss Eleanor Brown. Miss Ann Biggs, accompanied by Miss Mae Beville, will sing "Strange Is It Not" composed by Mr. Joseph Carlucci of the music department. Sallie Jo Foster, accompanied by Mary Clark, will sing "L'Heure exquisite" by Hahn.

Concluding the program will be two numbers by the combined Sigma Alpha Iota and Phi Nu Alpha Chorus. They shall sing Bach's "Jesu, Priceless Treasure" and Kyrie Eleison by Mrs. Joseph Carlucci. The chorus is directed by Mr. Carlucci.

Demons Set To Trap Cardinals Tonight

King's Korner

By "RED" KING

Lotta hussle!!

This week was a fine week for Northwestern in as far as sports were concerned. Our football team showed a lot of hussle and came through with flying colors to beat a stuborn Oklahoma eleven. The fans also did their share as they turned out by the hundreds to root the Demons to victory.

The Demons defense was outstanding against the Broncs, and except for one drive in the last quarter held the visitors intact through out the game. Although the Bronc's lead in first downs ten to seven they were never able to penetrate inside the Demons 19 yard line. Northwestern's offense still looked unpolished but that is only natural this early in the season.

The game wasn't too interesting from the spectators point of view; the longest run of the night came during the half time when "Dog" Jadwin Mayeaux swivel hipped his way through a host of other NSC "dogs" for a ninety yard run. "Dog" Mayeaux, a candidate for All-American, had just broken out in the open when he tripped and fell. He was then—shall we say subdued and his blaze of glory ended abruptly.

Tough opponent

The Demons will meet a very tough opponent tonight in Beaumont when they take on the powerful Lamar Tech Cardinals. The Beautmonters, although they lost their opener to Southwestern by a one point margin 14-13, are boasting their best team in many years. They will be lead by two all-conference players and have 22 returning lettermen to aid their cause.

All to gain

I see by the daily papers that the Demons have been picked to finish in the cellar again this season. Some people might think that being rated so low is a disgrace but the way I look at it as long as the Demons refuse to believe that prediction they can make the sport scripts look silly.

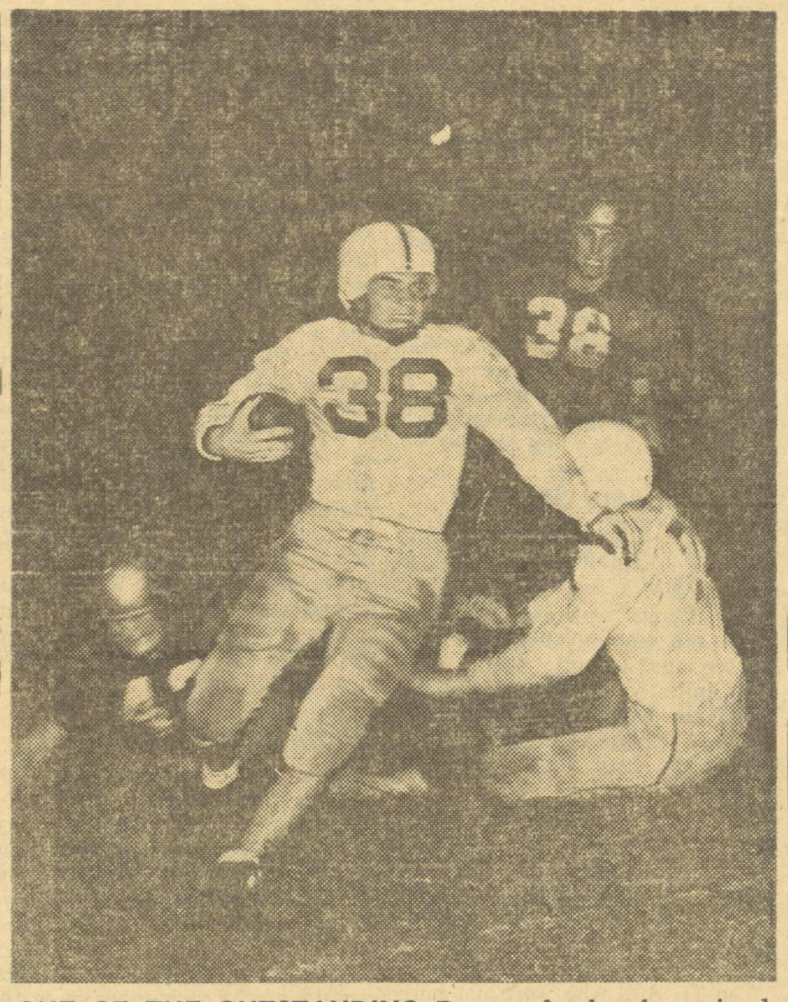

However, if we do end up in the cellar, no one will think much of it, but if we finish higher than last place we can say that we have accomplished someting. The easiest opponent to beat is one that has underestimated you.

If Northwestern does end up in last place, the Gulf Coast Conference is going to have to enlarge their cellar because it will be mighty crowded, and I don't mean with just Demons.

I hopa, hopa, hope

The Tigers of LSU will vie with a potentially strong Alabama team tonight and, according to the experts will come out of the battle with a few scares and one more loss in their record book. The Crimson Tide, who have been picked for number three spot in the Souteastern Conference, had quite a bit of trouble last week with Mississippi Southern and had to go all out to achieve a 20-6 victory over the smaller school.

Although the Tigers were beaten last week by Texas, I still believe they will finish higher than the pre-season prediction of sixth place So with my eyes closed and my fingers crossed I predict LSU to upset Alabama LSU 14, Alabama 13.

ONE OF THE OUTSTANDING Demon frosh who gained recognition in the Northwestern-Central Oklahoma game is Raymond McFadden. Here the speedy half-back has just eluded a Bronco player as he reels off yardage for the home team. Northwestern won the fracas 7-0.

Roped Broncos 7-0 In Initial Game; Lamar Tech Next Prey for NSC

Northwestern State College's grid machine managed to tally early in its opening ball game last Saturday night, but stalled and choked for the remainder of the contest as a stubborn and suprisingly strong Central Oklahoma team held the Demons to a mere 7 points, the margin of Purple and White's intial victory of the '52 season. Tonight in Beaumont, Texas the Natchitoches lads will pit themselves against a favored and very strong Lamar Tech squad.

In last week's game the Demons showed unexpected strength on defense against the tricky split-T formation of the Broncos. The Oklahomans were able to ignite only one sustained drive that ran out of gas on the NSC nineteen yard marker. The march which began on the Broncos' twenty-six yard line was the visitors deepest penetration of the fracas.

The Demons were also held pretty well in check and except for their lone touchdown pass in the first period were unable to infiltrate inside the opponent's twenty-five yard stripe.

This T-D pass from Dan Carr to "Red" Smith was good for thirty-two yards and was the only pass competed by the Demons during the entire contest. Earl Haynes converted the extra point.

The Demons will go into their game tonight as the underdogs based on the facts that Lamar Tech, having almost the same team as last year, downed the NSC team in a high scoring battle 32-20. Lamar in their opening game this season lost to a highly touted Southwestern eleven by the narrow score of 14-13.

The Demon's injury jinx is still working overtime and has sidelined two more starters. Wade Bass who played a fine game at tackle last week, will be out for tonight's game with a hurt shoulder. Talmadge Lee, the Purple and White's pile-driving fullback is still hobbling around on crutches after re-injuring his bad knee in the Demon-Bronco affair.

Lamar on the other hand is in fine shape and will be led by two all-conference players, Roy Mazzatti, a 251 pound tackle, and Sammy Carpender who accounted for two T-D's against the Northwestern team last year.

Of the twenty-two returning lettermen on the Cardinal's squad six are four year lettermen, two are three year lettermen, and three are two year lettermen.

George Davis Selected Coach Of Frosh Cagers

George Davis, a guard on the Purple and White varsity basketball team, has been selected to coach this year's freshmen cage team. In the first week of practice, Coach Davis had a turn out of 19 hoopsters.

Those freshmen vieing for position on the frosh quintet are Linden Brock, M. B. Chrildress, Johnny Cunningham, Akin DeBlieux, Ted Duggan, Ray Fair, Joe Ray Foralde, J. B. Fuller, Jimmy Gay, Douglas Gilmore, Tom Kehoe, Jerry Lavespere, Milton Lee, Harry Moore, Paul Smith, Billy Steele, Orran Thomas, Tony Trumps, and Ben David Vercher.

Piscopo Praises Demon Gymnasts

"I feel confident of a championship team," praised Coach John Piscopo in regard to the prospects of his 1952-53 gymnastic squad. And to back up the Coach's praise are 25 hopefuls who have been working out in the men's gym daily.

This year's team will again sponsor an exhibtion in several cities around the state. Although places and dates are still tentative, Dec. 11 has been set aside for the Demon's home show.

With the aid of a new flashfold trampoline, the gymnasts are able to try their talents at many new and difficult stunts.

Two of the most promising men on the squad are Jerry Noto and Henry Walton.

The returning veterans are Harold Laroux, team captain, John Batten, Dale Branch, Shelby Brooks, Johnny Dickerson, Ben Duhon, John Hicks, David Kendrick, Leland Langridge, Hugh Mercer, Bobby Sanders, Jack Sharp, Pat Todd, Pedro Velez, and Henry Walton.

Among the newcomers are Joe Barber, Frank Baronne, John Duke, James Gresham, Jim Hayes, John James, Dennis Ryder, Paxton Willis, and Jerry Noto.

The new manager for this season is Sammy Wilson and the pianist is Elwin Adams.

Parish Cage Posts Mostly Staffed By NSC Grads

Several NSC students are making their first attempts at coaching high school basketball teams in Natchitoches parish. Oather Wester is at Flora, "Buddy" Bonnette at Robeline, Bill Evans at Provencal, and Johnny R. Smith at Cypress. James "Lash" LaRoue has moved from Belmont to St. Marys; this is his second assignment.

Flora who was crowned champs of last year's Natchitoches Parish League, is once again favored to repeat the feat. Pushing the Flora lads for recognition as champions are the quintets from St. Marys and Robeline.

NOTICE

Try-outs for the 1952-53 Demon swimming team will be held Monday, October 6, according to Buddy Lyle, team manager. Everyone interested should ocntact Lyle and be present for the try-outs.

ANNOUNCEMENT

Anyone who is interested in playing tennis will please contact Dr. John Duffy at his office in Caldwell Hall.

Anyone interested in writing Sports for the Current Sauce will please contact Johnny Spataro.

BEING SWORN IN as an Ensign in the U. S. Navy is Miss Delores W. Sutherland, who receivd her bachelor's in music at Northwestern last May. Administering the oath is Lieutenant Noren Maloney (left), procuremnt officer of the Eighth Naval district in New Orleans. Present at the ceremony was Lieutenant Commander Eve Mouton (center), who was doing her annual tour of active duty at the naval air station in New Orleans. Miss Mouton, professor of French here, is a member of the Volunteer Composite unit of the Naval Reserve here in Natchitoches.

BRICK SHACK SUITE—A part of one of the rooms in the newly remodeled Brick Shack is shown above. A special feature of the new rooms is the beautiful, varnished hardwood floors. Sitting at the desk is Leland Langridge.

Old Brick Shack is Renovated; Residents Proud of Hardwood Floors

By DON FINLEY

Ye old Brick Shack we love so dear
Was built in nineteen twenty four,
But had to wait these many years
Before it got a hardwood floor.

Ye old Brick Shack so fond and true
Did not look quite the same before
It was replastered, painted through,
And got its shiny, hardwood floor.

Whenev'r the boys go down the hall,
They look with pride, they look it o'er.
They praise it, yes, but most of all,
They're proud to have a hardwood floor.

As years roll onward day by day,
We'll come to nineteen ninety-four;
By then perhaps they'll wisely say,
The Shack sure needs a plastic floor.

Yes, the Brick Shack, after all these many years, has a new, shiny, hardwood floor. It has new paint and plaster, too. And new shades and light globes and medicine cabinets and door knobs and faucet handles.

Yes, the Shack has received a general renovation just as some of the other buildings on the campus have. Of course, the bottom floor is not yet completed, but the boys who have rooms there are being patient in the barracks, waiting until next week when they can move back.

The boys on the top floor were able to move in at the first of the semester, but had to wait a few days for their desks and dressers.

A near tragic accident happened during the summer when it rained after workmen had removed the roofing in repairing the roof. Water leaked into the building and caused slight damage and delay in operation.

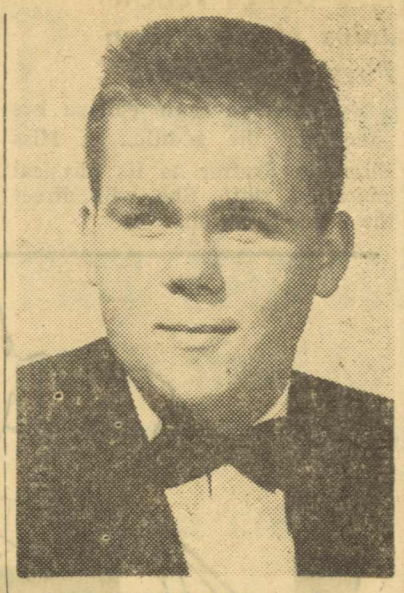

The contractor for the $29,000 renovation job was C. B. Construction Company of Natchitoches. The roofing contract was to Dowden Roofing and Metal Works. Both contracts were let last June.

The exterior of the building will receive two coats of waterproofing material next week. The non-brick exterior has already received a coat of white paint.

Yes, the Shack has a new hardwood floor. But by 1994, the now new floor will probably be old and worn if the Shack itself is still standing. Perhaps then they'll say that the old wooden floor has to be replaced by a new and modern plastic one. That is, if there'll be such a thing by then.

Marine Program All-Time High States Stevens

The full scale summer Marine Corps Officer training program for 3,500 college men hit an all-time high in 1952, according to Marine Captain Thomas J. Stephens, officer procurement officer, Room 2316, Federal Office Building, Houston, Texas. These future officers came from 500 different colleges and universities over the entire United States. Approximately 1,000 college students in the Officer Candidate Course, the Platoon Leaders Class Program, and the Women Officer Training Class were commissioned during the fall of 1952. The new second lieutenants commissioned from the Marine Corps Officer Candidate Course program received more than 450 hours of instruction, covering all phases of basic training, over a ten week period. Such courses as military tactics, leadership, signal communications, and atomic warfare were included. Students received some theory, concentrated on practice. They fired both individual and crew served weapons. They watched planes and tanks working with infantry and artillery units, and engineers build bridges and operate engineer equipment. The next OCC classes will be held in March 1953 and July 1953 stated Captain Stephens.

JACKSON BEEBE, sophomore pre- medical student here at Northwestern, was recently appointed executive treasurer of the student body loan fund.

Around the Square

By JOE JOLLEY

Did you know that there are thirty million people square dancing in the United States? We, at Northwestern, are included in that thirty million. This group on the campus is very anxious to share with you the wonderful times we are having.

Now don't get the misconception that some people have about square dancing, that it is a hillbilly affair that takes violent physical exercise. Some of our most prominent people in the United States are enthusiasts of the square dance. Square dancing is very smooth and after you get the hang of it, the smoothness comes naturally and takes no effort at all.

On Wednesday, October 1, we are going to "take our honey and form a square" and join that thirty million in the greatest activity in America. You are invited to come and swing your partner.

New Dance Teacher Joins Northwestern Physical Ed. Staff

Northwestern State college has announced the addition of Miss Elizabeth Shaffer to its physical education staff. She will direct the dance program.

Miss Shaffer, a former resident of Wilmington, Delaware, is a graduate of Mary Washington College of the University of Virginia. She has a colorful background of training and has done special work at American University, Connecticut college, William and Mary, Springfield College, and Julliard School of Music.

In the past Miss Shaffer has taught elementary school work in Wilmington, Delaware; junior high school, Fredericsburg, Virginia; and Wheaton College, Norton, Massachusetts. She has taught and performed professionally during the past two summers in "The Common Glory," Williamburg, Virginia.

Admission Tests To Be Given For Law Students

The Law School admission test required of applicants for admission to a number of leading American law schools, will be given at more than 100 centers throughout the United States on the mornings of Nov. 15, 1952, Feb. 21, April 25, and Aug. 8, 1953. During 1951-52 over 6800 applicants took this test, and their scores were sent to over 100 law schools.

A candidate must make separate application for admission to each law school of his choice and should inquire of each whether it wishes him to take the Law School admission test and when. Since many law schools select their freshmen classes in the spring preceding their entrance, candidates for admission to next year's classes are advised ordinarily to take either the November of the February test, if possible.

The Law School admission test, prepared and administered by Educational Testing Service, features objective questions measuring verbal aptitudes and reasoning ability rather than acquired information. It cannot be "crammed" for. Sample questions and informattion regarding registration for and administration of the test are given in a bulletin of information.

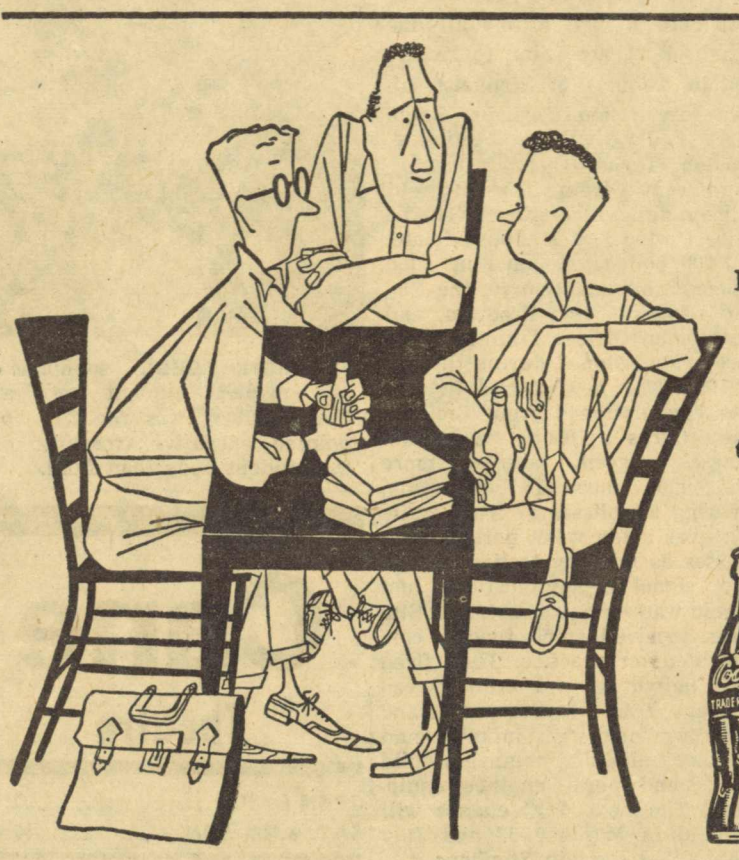

Bulletins and applications for the test should be obtained four to six weeks in advance of the desired testing date from Law School admission test, Educational Testing Service, P. O. Box 592, Princeton, N. J. Completed applications must be received at least ten days before the desired testing date in order to allow ETS time to complete the necessary testing arrangements for each candidate.

Campus capers call for Coke

Everyone enjoys the break between classes. The lid's off for a time and relaxation's the mandate. What better fits the moment than ice-cold Coke?

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
NATCHITOCHES COCA-COLA BOTTLING COMPANY

"Coke" is a registered trade-mark. © 1952, THE COCA-COLA COMPANY

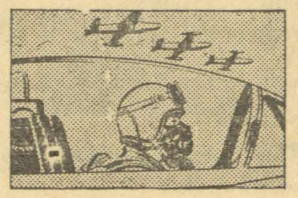

Who is he?

This chap represents thousands of young, red-blooded sons of great American families. He is ready to stand on his own, to carry his share of responsibility. He is preparing for a bright future and desires to train further toward his success. He wants peace, security, and a full life for his family and home. If need be, he is ready to defend his rights and his country. When called on to serve in defense of American liberties, he will be fully trained and equipped to fly and fight with the U. S. Air Force.

This is what he will do—

Today's college man will plan to stay in school and graduate if at all possible. If he is faced with early entrance into military service and possesses at least two years of college, he will enlist as an Aviation Cadet in the U. S. Air Force and choose between becoming a Pilot or Aircraft Observer. After a year of the world's best instruction and training, he will graduate into a real man-sized job and wear the wings of America's finest flying fraternity. Commissioned a Second Lieutenant in the U. S. Air Force, he will begin earning nearly $5300 a year. His future will be unlimited!

WHERE To Get More Details

Visit your nearest U. S. Air Force Base or write direct to Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

PILOT AIRCRAFT OBSERVER

How he qualifies—

He is between the ages of 19 and 26½ years, unmarried and in good physical condition, especially his eyes, ears, heart and teeth. After he has graduated from a recognized university or college, or has earned at least two years of college credits, he is eligible to enter the Aviation Cadet Training Program and will receive immediate processing for assignment to training. By sending for an Aviation Cadet application now, this Most Important Young Man in America Today will help bring about a peaceful tomorrow.

THE CURRENT SAUCE

VOL. XXXIX—No. 3. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, OCTOBER 4, 1952.

THE CURRENT SAUCE STAFF met in the Sauce office for their weekly assignments Monday night. Members of the staff who were present are (left to right) Kayedonna Hill, Patsy Winkler, Winnie Dowden, John Spataro, Don Finley, Billy Baker, Marjorie Reynolds, Alice Phelps, Pat Hankins, Jackie Thompson, Joe Saltzman, Bettie Carter, Wanna Beth Sanders, Merle Thomas, and Frances Griffin. Also present at the meeting was Louise Vick, who did not appear in the picture.

1,402 Students Enroll This Fall; Exceeds Last Fall's Quota by 35

Final registration figures show that 1,402 students have enrolled at Northwestern State College for the fall semester, an increase of 35 over the fall semester of last year. According to Otis Crew, registrar, the increase was shown in the sophomore and junior classes, with the freshmen and senior classes showing decreases. Crew pointed out that the increase is limited mainly to the men students, with the co-ed enrollment increasing only five over last year.

The report showed 506 freshmen this semester against 524 last fall, a decline of 18. The loss was among the freshmen women who decreased by 21 students. There are three more freshmen men at NSC than there were enrolled last fall. Enrollment in the sophomore class showed an added 40 over last fall. The men students increased by 35 and the women by 5.

The largest increase over the fall semester of 1951 was in the junior class which showed an addition of 86. Junior class enrollment this semester was 285, compared with 199 last fall. The women increase of 46 was six more than the increase in men. A decline of 70 was found in the senior class, 43 men and 27 women students. Special students who are not in any particular class, declined by three.

Enrollment in the school of education was under last year's figure, but the schools of arts and sciences and applied arts and sciences showed increases.

Only 653 were listed in the school of education this semester as compared with 739 last fall. The report indicated an increase of 65 in the school of arts and sciences and of 56 in the school of applied arts and sciences.

ROTC Sponsors Are Elected During Week

Miss Louise Vick, a business education major from Vivian, La. was elected by acclamation last Thursday as ROTC Battalion Sponsor, by the third and fourth year advanced students.

Selected as battery sponsors were Winnie Dowden, home economics major of Cypress, Battery A; La Juan Hust, upper elementary major of Shreveport, Battery B; Glynn Ellen Pennington, English major from Shreveport, Battery C; and Sue Miller, health and physical education major from Oakdale, Battery D.

La. Tech - NSC Make Arrangements For State Fair

Six student leaders from Louisiana Tech led by Sammy Austin, president of the Tech student body, met with the NSC student council Wednesday, Oct. 1, to discuss plans for the Louisiana State Fair parade and pre-game ceremonies. This year Tech is host and will therefore present the NSC student leaders with a banquet.

Present at the meeting were Sammy Austin, Anthony Woolfe, Dan Hardy, Richard Kavanaugh, Melba Odom, Clare Nattin, Tech leaders; and Leland Langridge, Ronald Quinn, Ben Singletary, Claudine Box, Winnie Dowden, and Joe Saltzman from Northwestern.

The first activity on Oct. 18, the date of the NSC-Tech game, will be a parade which will include the bands from both schools, the Demonettes, the Tech Blue Jackets, and the Queen and her Court from each school. The banquet will be at 11 a. m. after which will come the presentation of the Royalty and the climax of the day, the football game.

Northwestern is planning to charter buses to take students to the game. Tickets will go on sale the week prior to the game.

Back-stage Heads For Fall Comedy Are Selected

Heads of the stage crews for the College Theatre group's fall production, "Royal Family," have been selected, according to Dr. Edna West, associate professor of speech and director of the play.

They are as follows: Winnie Ruth Hutson, stage manager; Jackie Funderburk, head of make-up crew; John Roogaerts, Jr. head of sounds crew; Linda Shows, head of costumes crew; Julie Cusachs and Carolyn Glass, co-heads of the property crew; Sterling Minturn, technical director; and Octavia Sandlin, assistant to the director.

The play, a three act comedy by the February-Kaufman team, is a satire on the famous Barrymore family. It is scheduled to be produced in the Fine Arts auditorium on Oct. 23 and 24.

Morrow To Play Homecoming Dance

Cenla Court Is Chosen Last Night

Approximately 300 students turned out yesterday evening to select the Cenla Queen and her court. One girl from each Cenla parish was chosen for the court by the applause of those attending.

From these 14 the Queen was selected. She is Rose Nell Creel of Winnfield, representing Winn parish. Betty Wilson of Rapides parish will serve as her maid of honor. The other maids and their parishes are Alpha Leah Gremillion, Avoyelles; Pat Hankins, Red River, Sue Miller, Allen; Emily Chauvin, Concordia; Lollie Caskey, Catahoula; Billie Jean Lambright, Vernon; Jimmie Shows, Beauregard; Ann Phillips, Sabine; Bill Powell, Grant; and Mildred Young, Natchitoches. These girls will reign over the NSC festivities in Alexandria on Oct. 11.

Purple Jackets To Sponsor Show October 19

The Purple Jackets will conduct a style show and bridge-canasta benefit on October 9 for the purpose of raising money to go to Monterey, Mexico, next spring, according to a report by Mary Clark, president of the Jackets.

The show, which will feature an assembly of beautiful fall styles, will take place in the student center at 7:00 with the bridge-canasta benefit following. Mrs. Eola Rooks of the home economics department is supervising the show.

Stores contributing garments to be modeled are Hughes, DeBlieux and Keegans. Models will be students, children, and adult ladies from Natchitoches.

The Natchitoches Symphony orchestra will be at the show to provide background music. The orchestra is under the direction of Mr. Joseph Carlucci of the Northwestern music department.

A dessert will be served. Tickets for the style show alone are 50c. Tickets for the style show and the bridge-canasta benefit following the show are 75c.

Everyone is invited and urged to attend this style show and bridge-canasta benefit.

Women's Auxiliary Hold Retreat Last Week End

The Young Women's Auxiliary of Northwestern State College enjoyed a retreat at Ward's Camp on Saline lake last week end. They left for camp Friday afternoon and returned to the campus at 10:00 that night.

While at camp they enjoyed recreation and games, group singing and a delicious camp-style supper. The main feature of the program was Miss Mildred Lovegreen, returned missionary from Red China. Miss Lovegreen was born in China, but received her education in Alabama, where her father was a professor, and later at the University of California. She plans to return to Honk Kong about the middle of this month.

Thirty girls attended the retreat with Mrs. I. E. Ward, sponsor; Myra Gullege, BSU director; Margie Jones, state young peoples director; Mildred Lovegreen, missionary, and Mr. I. E. Ward.

Anyone who wants to write sports for the Current Sauce will please contact John Spataro.

Dance Slated for November 15 To Be Held In Dining Hall

Buddy Morrow and his orchestra will furnish the music for the Homecoming Dance on November 15, 1952, according to Leland Langridge, president of the student body. This marks the first time in quite a while that a name band has appeared on the campus for this occasion.

In order to accommodate the large expected crowd, the dance will be held in the college dining hall. Beside providing more dance area, this building will also furnish a more friendly atmosphere, than the Field House has in the past.

Prices have not been set yet but as low a price as possible will be charged. Any organization which wishes to handle concessions at the dance is asked to contact any member of the Student Council.

Freshman Class Elects Officers Thursday Night

The freshman class held its first meeting in the Fine Arts auditorium on Thursday, Oct. 2, with Leland Langridge, student body president, presiding. The purpose of this assembly was the selection of class officers. Approximately 165 frosh students were at the meeting.

John Manning, nursing student from Kaplan, was victorious over Billy Plumb and Gerald Tilleux, both of Shreveport, in the race for Frosh president. Manning will represent his class in the Student Council. Fay Bock was elected vice president. She defeated Richard Smith, Bob Kinchen, Tommy Kehoe, and Julie Cusachs in a close vote.

Eleven students were nominated to fill the position of secretary-treasurer with Nancy Kimbrell coming out on top. Betty Wilson, Jo Bath, Dot Farmer, Claudia Williams, Kerry Noto, Marilyn Motter, Nancy King, Kay Donna Hill, Nell Slack and Dewitt Duncan were the other candidates for this office.

Newcomers Club To Meet Oct. 8

The Northwestern Newcomers club will hold its first meeting this year at 7:30 p. m. next Thursday night, Oct. 9 in the reception room of Varnado Hall on the college campus, Mrs. John Merrill, club president, announced today.

The organization is made up of all faculty wives and female members of the NSC faculty and staff who are in their first two years at the college.

Other club officers for this year are Mrs. Grant Kenner, vice president; Miss Pat Brown, secretary, and Miss Ann Biggs, treasurer.

Cards will be presented at the meeting Thursday night which will entitle the bearer to various gifts at many of the business establishments of Natchitoches. These cards will be presented as prizes in "Get Acquainted" games .

The executive committee of the club met at Mrs. Merrill's home Saturday night and made tentative plans for the coming year's activities.

NSC Debate Squad Plans Activities For Coming Year

The Northwestern State College debate squad has begun the season with a series of practice debates and lectures on the national debate topic: Resolved that the Congress of the United States should enact a compulsory fair employment practice act.

The squad is under the guidance of Donald Graham, director of forensics, and is composed of Betty Sue Boydstun, David Kendrick, Cecil Nielsen, Bill Erwin, Dot Farmer, Bobby Hamm, Pat Hankins, Anne Torrancs, Kaydonna Hill, Marjorie Reynolds, Winnie Ruth Hutson, and Jim Vorhoff.

The schedule of tournaments to be attended is not yet complete, but the squad plans to attend a large number of the outstanding tournaments throughout the nation. In addition to attending these events, the group will sponsor a high school debate clinic, a high school debate tournament, and a college debate tournamnet. These functions will be attended by debaters from all over Louisiana and several surrounding states.

The entire squad meets every Monday night in Room 2, Fine Arts building. A separate meeting for the women debaters is held on Tuesday afternoons at three o'clock. The men meet Wednesday night at seven. Anyone interested in joining the squad may attend these meetings or contact Mr. Graham in the Speech Office.

SQUARE DANCING is a favorite past time of some of our Northwestern students. Above we see some jolly couples "swinging their partners" at the weekly square dance which was held in the Student Center last Wednesday night at 6:30.

LIBRARY

The "N" Please!

Two summers ago the guiding light of Northwestern students, the "N" which is located on the water tower, refused to shine and the whole campus seemed to be enveloped in a gloomy, dull atmosphere. Students became very concerned about the matter, and finally an editorial was printed in the Sauce in an effort to have the light restored.

Once again the light is out, and again are heard the remarks and complaints of a concerned student body.

Surely something can be done to make the "N" light again! It is one of the most beautiful features of the NSC campus, and it never fails to win the pride and admiration of the students, especially when they are freshmen. It is really and truly the spirit of Northwestern State College.

Since the "N" means that much to the students, won't someone please fix it soon?

Why No Letters?

There are a few individuals on this campus whose motives for attending college should be questioned. The reference is made about those students who seem to come to college to gripe; gripe, and gripe — and yet who make no attempt to settle the question about which they are dissatisfied. Griping is fine; some say that is part of college life. That may be true, but one should attempt to settle problems intelligently and should try to avoid making unnecessary issues out of them.

During the past three weeks approximately ten of our supposedly outstanding students on the campus came to the editor with different gripes about certain events which took place on the campus. They promised to send letters to the editor, in which they would use the student paper as a means of explaining the different situations and of offering their suggestions. —To this date not a single letter has been received.

Students on this campus should attempt to express themselves more freely; when destructive criticism is given. suggestions for improvements should be given.

The editor is still waiting for those letters!

Senate Minutes

A called meeting of the Student Senate was held in the faculty room of Caldwell Hall Tuesday, September 30 at 8 p. m. Five senators were absent and eleven were present.

The minutes of the previous meeting were read and approved.

Marie Tilleux, chairman of the committee on Demonette uniforms, gave a committee report. Marie stated that the variety show was slated for Wednesday night, Oct. 22, and was to be a 1¼ hour program.

Houston Davis announced that President Prather had given his approval of the student film program.

The following committee was appointed by Houston Davis to head the film program: Bennie Ray, chairman; Don Finley, publicity director; Audell Peavy, treasurer, and Martha Ann Leach and Rudy Berlin, ticket sales supervisors.

The meeting was adjourned at 8:23 p. m.

Respectfully submitted,
JOE SALTZMAN, Secretary.

THE CURRENT SAUCE

Entered as second class matter at Natchitoches, Louisiana.
Current Sauce is published weekly, except during holidays and test weeks by the Student Body of Northwestern State College.

Let's all meet tonight after the game at the House of Shuler. Ma and Pa feature everything from the saddiest coffeee in town to nightly sporting events (quarterbacks at the pin ball machines). Don't forget to count your change, we count ours . . .

Le Rendezvous
"Off Campus Northwestern"

NSC Highlights

By MARY SUE BELLEW

During the first few weeks of school and even now step-ladders can be found in parts of the Fine Arts building. The new drapes are really sharp, and you can already see the resulting improvements.

Wednesday, six students from the Louisiana Tech Student Council met with the NSC Student Council and made plans for the annual parade that will take place at the State Fair football game on Oct. 18. They ate a meal in the dining hall and the Techsters commented on how they enjoyed the food.

Women's intramurals will soon start with competition in golf, ping pong, tennis, and volleyball.

The band sporting their new purple and white uniforms and riding in the new bus must have felt quite ritzy going to Winnfield to play for the Forest Festival.

Congratulations go to Jo Ann Weaver who won second place in the beauty competition at the Forest Festival. She is a freshman from Natchitoches, majoring in nursing.

There have been quite a number of frosh not wearing caps lately! What's wrong frosh?

On October 9, the Purple Jackets are giving a style show which will be followed by a Canasta Benefit. This spring the Purple Jackets plan to go to Monterey, Mexico, on a trip. How about helping them out?

Wednesday night, the Euthentics Club had a formal reception for the freshmen home economics majors. It was very successful and had a large attendance.

The basketball boys are wearing out the stadium seats getting in training. Say boys, save those seats for the football game tonight. In this warm weather the boys are really doing a lot of perspiring; but later when they are dribbling NSC to victory, it will have been worth the work.

Next Wednesday night Joe Jolley is organizing a Square Dance club here on the campus for the students. Officers will be elected. Anyone interested? Swing over to the field house and join up.

College Chorus Hard at Work On Fall Projects

The Northwestern State College chorus, under the direction of Mr. Donald Glattly, consists of about 80 people. This organization meets one hour three times a week and affords one hour's credit to all who have signed up for it.

Among the projects of the chorus for this year is the presentation of **The Messiah** sometime during the Christmas season. Rehearsals for this are now being held Monday nights at 6:30. The Bolton High school chorus and various people from Natchitoches will assist in the offering of this famous oratorio.

Another feature of the year will be a candlelight vesper program of Christmas carols to be presented in the Fine Arts auditorium. Original works by members of the faculty will make up part of the program.

The College Singers, a select group of 42 members, make up a branch of the chorus. This year the Singers will attend the National Elks Convention as a part of the program there. Their voices will also be heard at the state Elks convention.

It is not necessary to sign up for chorus in order to participate in the choral programs, including The Messiah. Anyone who likes to sing may attend rehearsals. As Mr. Glattly says, "The only reward is the pleasure of singing."

NOTICE

Influenza and cold shots are available at the college infirmary for the staff, faculty and students. A fee of 50c will be charged to cover cost of the shot.

Pretty Fast, huh?

In 1931, Dr. J. F. Strawinski tested the velocity of Big Bill Tilden's tennis drive and found that it traveled 220 feet in a second — a speed of 150 miles per hour. Pretty fast, huh?

MAYOR McGUP By John Jarvis

In The Library

The Lute Player

By NORAH LOFTS

From the romance and adventure of the Third Crusade comes the Lute Player, surrounded by such exciting personages as Richard Coeur de Lion. Noah Lofts spins her stirring story around a strolling minstrel who vainly falls in love with a queen.

The hero, Blondel, a musically talented novice, was dismissed from his monastery to feed a hoard of starving beggars by a practical miracle. With his lute as admission, he journeyed to Navarre, where he attracted Ana, the Duchess of Apieta, and fell in love with her. However, the lovely Ana had vowed never to marry anyone but Richard, heir to the throne of England.

The Battle of Cyprus, the seige of Acre and a brief portion of the bloody battle of Arsouf are recounted with such vitality as to make one feel the impact of every mighty blow.

The turbulent plot, emotional crosscurrents and breathtaking action are seen through no rose colored glasses by Norah Lofts. The personalities and motivations of her characters are painted like those seen in everyday life, exploring their loves and hates, their honor and despair with striking realism that is completely engrossing.

Society

Sigma Tau Gamma

Sigma Tau Gamma opened its social year last Saturday night with a very successful hay-ride and weiner roast at College Wells. This was the first of many social functions being planned for the coming year.

Chief Sibley highlighted the evening by pinning Miss Martha Wheeler.

Attending were Professor and Mrs. Easley; Mayo Prudhomme, Toby Livingston; Bill McGraw, Erlene Powell; Ed Jordan, Mildred Young; John Batten, Kathleen Prudhomme; Sammy Wilson, Billy Jean Lambright; Red Miller, Norma Slickell; Chief Sibley, Martha Wheeler; Gail Hearn, Charlotte Cox; Mike Torrans, Kathleen Simmons; James Jean, Vivian Prudhomme; Jerry Crocker, Kathern Buckley; Jerry Iles, Mona Gray Miller; Kerry Crocker, Barbara Jean Buckley; David Kendrick, Carolyn Alexander; Harold Laroux and Gerald Carter.

☆ ☆ ☆

Pi Kappa Sigma

The Pi Kapps are proud of Louise Vick who has been selected Cadet Lt. Colonel of the R. O. T. C. and Glynn Ellen Pennington who has been elected "B" Battery sponsor.

The Pi Kapps were happy to have at their meeting last Tuesday night Miss Bruner and Mrs. Lee, past sponsors.

The girls planned a slumber party for Saturday night. Several other parties were placed on the calendar for the near future.

☆ ☆ ☆

Alpha Sigma Alpha

The Alpha Sigs have added to their library several new copies of the "Red and White" songbooks which have already been put to good use. We have also received a beautiful new history of Alpha Sigma Alpha, in addition to the Golden Anniversary Album of Alpha Sig songs sung by Shirley Hellmer, national music chairman.

This time next week we will have some new members — mother patronesses. We are planning an impressive initiation service for them.

We all enjoyed a letter from one of our alums, Ruth Lee, of Winnfield. Ruth and Willard Harlon are to be married November 28, at the Baptist Church in Winnfield.

Claire Lucius, ASA historian, is making plans for a new scrapbook for us. As usual, she has some very good ideas.

At the end of the meeting last Tuesday night ASA songs rang over the campus. With someone like Ann Walton at the piano, it looks as if we are going to have that old piano tuned!

☆ ☆ ☆

Sigma Sigma Sigma

Congratulations to Lee Thompson, Jean Noble, Lollie Caskey, T. Ruth Stephens, and Berta Adams for the various dormitory offices to which they were elected last week. Congrats also go to Mary Sue Bellew, newly-elected vice-president of the PEM Club and to Gervais Aldridge for receiving the lead in the forthcoming play production "Royal Wedding."

A November wedding is being planned by another of our Sigmas. Lollie Caskey and Odare Hammett will be wed some time next month.

The Tri Sigs are making still more big plans for the remodeling of their house—new back steps, draperies, and (they hopes!!) some new grass.

Further plans for the November Leadership Conference, homecoming and rush party were made at the last meeting. Several committees were formed with instructions to "get to work!"

October 3 was the date of alumni member Mickey West's wedding. The big event took place in Leesville.

Congratulations to Mary Ann Cronin on being chosen a majorette!

Delta Sigma Epsilon

The Delta Sigs were greeted with not one but two surpises at the regular meeting last Tuesday night. The first surprise came upon entering Delta Den, which had been completely redecorated. The second was a surpise Coke party given by our president, Peppy Marmande.

After sipping Cokes and singing songs, the meeting was called to order. Plans for rushing were discussed. A theme for the DSE float for the homecoming parade was discussed and decided upon.

Around the Square

By JOE JOLLEY

Let's go back a few years. I should say a few centuries, and take a peek at the beginning of our square dancing. As far as I can gather the Romans drilled in quadrille form. (Quadrille, battle square, a dance consisting of five figures or movements, executed by four sets of couples, each forming the side of a square.)

But the real origin dates far back into the European folk dancing. From the Elizabethan period on, the folk dances have been handed down through generations Naturally, new figures were added and the calls varied. The pioneers brought these dances with them, and carried them west as the Republic expanded. They were highly original people, and from them evolved our square dancing as we know it today.

Every section of America contributed something to square dancing, as today, the same figures and calls vary in different sections of the country. We in this section lable our square dancing Western style, which is a mixture of every section.

Square Dance Club

A Square Dance Club will be organized at the weekly square dance, Wednesday night, October 8, from 6:30 to 7:40. Officers will be elected at this time, and a student hillbilly band will be organized. Everyone is invited to attend.

MUSIC FRATERNITIES, Sigma Alpha Iota and Phi Nu Alpha, held their tea of the year last Monday night in the Blue Room of the Fine Arts building. The tea was given in honor of the freshmen music majors.

Home Ec Majors Honored at Party Wednesday Night

Freshmen home economics majors were honored last Wednesday night at a lovely reception given for them in the drawing room of the Home Economics building. The faculty, staff and upperclassmen majors were hostesses for the occasion to the 80 guests especially invited. Other guests at the reception were President and Mrs. Prather, Dr. Kathleen Gillard, Dr. and Mrs. Robson, Dr. and Mrs. Dugdale, and Dr. and Mrs. Walker.

A theme of green and gold was carried out at the serving table, which featured a center-piece of lovely fall flowers. Refreshments in keeping with the color scheme completed the colorful arrangement.

Alternating at either end of the serving table were Misses Barbara Gray, Pat Alexander, Mary Lou Saxon and Joye Smith.

STUDENTS!

Make $25.00

189 AWARDS LAST YEAR!

Write a Lucky Strike jingle!

No box tops! NO ENTRY BLANKS! *It's easy!*

Just write a 4-line jingle based on the fact that

LUCKIES ARE MADE BETTER TO TASTE BETTER!*

Here's your chance to make yourself $25. Just write a 4-line Lucky Strike jingle, based on the fact that Luckies are *made better* to *taste better.**

Then, if we select your jingle, we'll pay you for the right to use it, together with your name, in Lucky Strike advertising . . . probably in this paper.

Read the sample jingles on this page. Then get the gang together, break out the rhyming dictionary, and start writing. It's fun! And we're buying jingles by the bushel!

Hint—if you can sing your jingle, it's a good one!

Hint—the more jingles you write, the more money you have a chance of making.

Hint—be sure to read *all* the instructions!

I've heard the same in every class—
In history, psych, and ec—
For cleaner, fresher, smoother smokes,
It's Lucky Strike, by heck!

I like a better-tasting smoke
And mildness counts with me.
So when I buy I keep in mind
That L.S./M.F.T.!

HERE ARE THE INSTRUCTIONS

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y. Be sure that your name, address, college and class are included—and that they are legible.

2. Base your jingle on any qualities of Luckies. "Luckies are *made better* to *taste better,*" is only one. (See "*Tips to money-makers.*")

3. Every student of any college, university or post-graduate school may submit jingles.

4. You may submit as many jingles as you like. Remember, you are eligible to win more than one $25 award.

*TIPS TO MONEY-MAKERS

To write a winning Lucky Strike jingle, you're not limited to "Luckies are *made better* to *taste better.*" Use any other sales points on Lucky Strike such as the following:

L.S./M.F.T.
Lucky Strike Means Fine Tobacco
Luckies' cigarette-tearing demonstration
Luckies taste cleaner, fresher, smoother
Be Happy—Go Lucky
So round, so firm, so fully packed
So free and easy on the draw
Buy Luckies by the carton
Luckies give you deep-down smoking enjoyment

NSC, McNeese Cowboys To Tangle In Demon Stadium Tonight

King's Korner

By "RED" KING

Well, I did pretty well with my predictions last week. I was correct on every game except one, and I only missed that by one point. Of course, I didn't forcast but one game, but let us look at the bright side of this situation. After all, why be pessimistic?

So with my 1.000 average at stake, here are my predictions for this week's games of interest to NSC fans.

GAME OF THE WEEK

The big game on the agenda this week will pit unbeaten Texas University against the "Fighting Irish" of Notre Dame in Austin, Texas.

The Longhorns are riding high this season and have downed LSU and North Carolina by fairly lopsided scores. The Irish on the other hand had to come from behind to salvage a 7-7 tie with Pennsylvania last week. Resultingly, most experts have decided the Irish haven't got the team they were expected to have. However, I believe that Notre Dame was doing good to tie the Quakers. In my estimation Pennsylvania has one of the best teams, if not the best team, in the East.

Notre Dame should never be taken lightly. They have one of the finest coaches in the game today, and with a few breaks can deal misery to any team in the nation. However, I'll stick with the home team and hope the chips fall the right way. So, I'll take Texas by one T. D. — Texas **20** Notre Dame **13**.

THE G S C

The only GSC tilt this week besides the NSC - McNeese game is the Southeastern - Louisiana College game at Hammond tonight. In last week's game the Wildcats of La. College ran over Arkansas State Teachers by a 32-12 margin. Southeastern, the team rated in No. 1 spot in the GSC, in pre-season predictions, on the other hand, didn't do quite so well. They were out played by SLI but were able to tie the Bulldogs, 13-13.

The Wildcats will have quite a few men sidelined for this tilt and will not be able to field enough manpower to equalize the Lions attack. Let us pick this one: SLC **26** La. College **6**.

UPSET OF THE WEEK

LSU almost toppled Alabama last week after being rated a decisive underdog and will again be cast in the underdog role when they meet Rice Institute in Houston this afternoon. I picked them to come through last week, and I pick them again. The law of averages says they have to win one of these close ones some time this season . . . . . I think???

TWO BITS I GET ONE RIGHT

Using the P. & P. (Pick and Pray) System I'll try my luck at some of the other teams around the south. I might not get the winner but I'll at least get the one that finishes second. That's more than horse racing forcasters can say.

Lamar Tech **27** Stephen Austin **13**
S. L. I. **33** Alabama Teachers**6**
La. Tech **19** Memphis State **13**
Ga. Tech **21** S. M. U. **14**
Tulane **14** Santa Clara **7**
Kentucky **20** Texas A&M **7**
N. Carolina **14** Georgia **13**

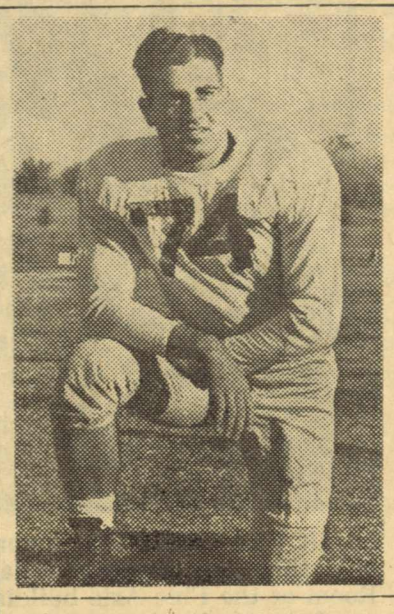

(Note: Any similarity to these scores and the final scores of the mentioned games is purely coincidental.)

NOTICE

Try-outs for the 1952-53 Demon swimming team will be held Monday, October 6, according to Buddy Lyle, team manager. Everyone interested should contact Lyle and be present for the try-outs.

Can You Imagine?

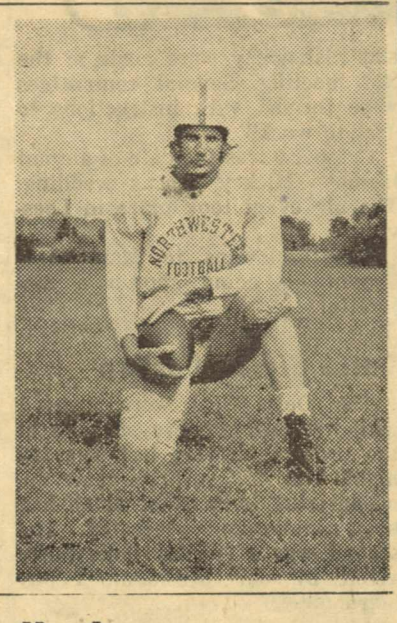

No football team ever had a greater year than Fielding Yost's "point-a-minute" squad at Michigan. In 1901, the Wolverines rolled up 550 points to the opposition's zero!

☆ ☆ ☆

DEMONS TO WATCH tonight are Dan Carr (right) and Joe Barkate, (left.) Both showed up exceedingly well in the Lamar Tech game last week end. Joe Barkate was constantly giving the Cardinals trouble with his bruising tackles while Dan Carr handled the offensive chores neatly. Joe Barkate is a junior who plays fullback on offense but whose main talents are used as defensive linebacker. Dan Carr is the "man-under" in the Demon T-formation. He is a sophomore letterman from Winnfield.

☆ ☆ ☆

Hank Iba to Head 4th Annual Basketball Clinic

Northwestern State College will have, as its honored guest, at the 4th annual basketball clinic, Hank Iba, famous cage coach of the Oklahoma Aggies. The clinic will be held in the Demon gymnasium on October 29 and 30.

While attending Westminster College in Fulton, Missouri, Hank Iba starred in all sports. After three and one-half years at this college he began coaching at Classen High school in Oklahoma City. In the summer of 1928 Hank returned to school but this time at Northwest Missouri Teachers' College at Maryville. He received his degree after completing one term there.

In 24 years of coaching, Iba's teams have won 485 games and lost 123. This includes his entire career of handling college material up unto this season. His years with the Oklahoma Aggies are indeed enviable ones. Iba has been there 17 years and his teams have won 373 and lost 101. This record, one must remember, was compiled while playing against the best teams in the country.

After coaching Classen High from 1927-29, he moved to Maryville Teachers' College for four years. He then coached one year at Colorado University. In 1934 he assumed the coaching position at Oklahoma A & M. Two years later Iba was promoted to the office of athletic director.

During Iba's tenure, A & M has won or shared the Missouri Valley Conference championship 12 times in 17 years. In NCAA play, the Aggies have won the national title twice, finished second once, and fourth another time. Kentucky has been the only other team to exceed this record. The Kentuckians copped the championship three times.

Although these records speak for themselves, they are not really Coach Hank Iba's crowning glory. Perhaps his greatest accomplishment is turning out quintets who constantly are heralded as defensive bulwarks. His Aggies hold the all-time record among colleges for defensive ball-hawking.

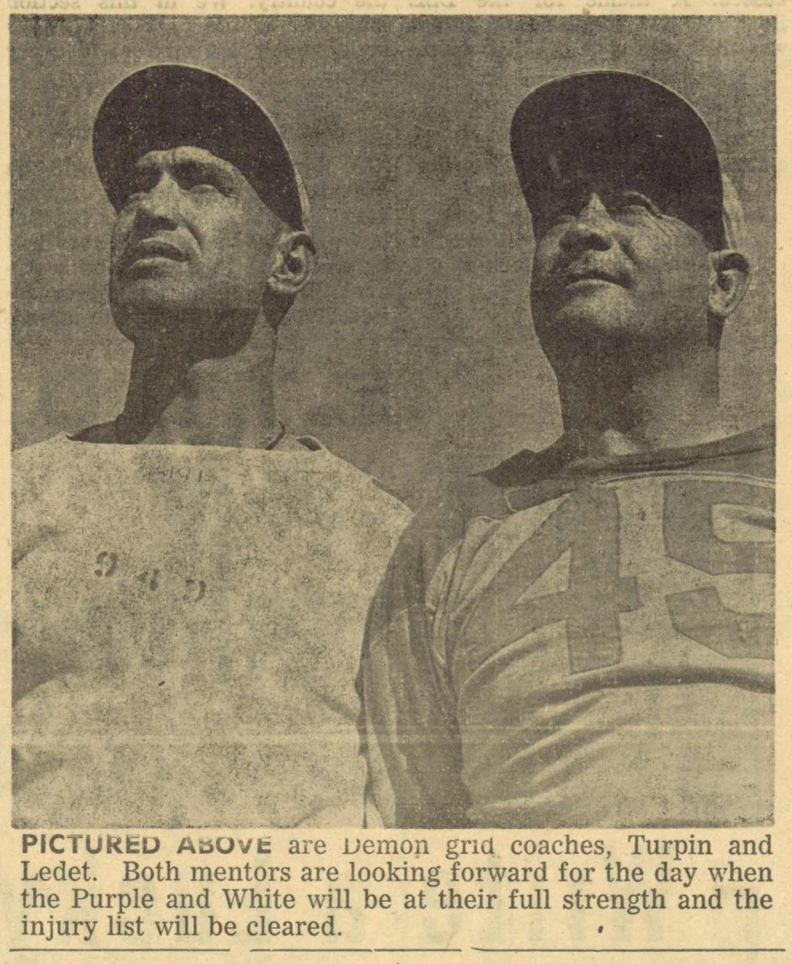

Hank Iba is the fourth nationally known basketball mentor to appear on the Northwestern campus since the beginning of the basketball clinic four years ago. Those who appeared before are Chiff Wells of Tulane, Adolph Rupp of Kentucky, and J. C. "Phog" Allen of the University of Kansas.

Red-headed Fireball

When the Demon basketball team of 1941 journeyed to Kansas City for the NAIB tournament a certain speedy red-head wearing the Purple and White colors walked off with many laurels. He was selected most valuable player in the NAIB tournament and was voted to the NAIB All-American team. This bright cager was C. F. "Red" Thomas.

Loftiest Mark Ever Made!

In 1906, the Cubs clawed their way through the National League with a vengeance. At season's end they had won 116 games and lost only 36, for a sensational win-percentage of .763. By all odds, this is the loftiest mark ever racked up by a club in either league.

PICTURED ABOVE are Demon grid coaches, Turpin and Ledet. Both mentors are looking forward for the day when the Purple and White will be at their full strength and the injury list will be cleared.

Gymnastic Team Begins Season Saturday, Nov. 1

Coach John Piscopo's Northwestern State college exhibition gymnastic team is preparing for a 12-man fall and winter season, beginning with a half-time show Nov. 1 when Mississippi Southern college and Northwestern tangle here on the gridiron.

The Demon team, recognized as the outstanding group of this kind in this section of the country, will also present programs at Opelousas, Lake Charles, Vinton, New Orleans and other Louisiana cities yet undetermined.

Coach Piscopo said the exhibition season would be climaxed on Dec. 11 with a final performance at the annual home show in the NSC Fine Arts auditorium.

Featured this year in the acts will be the popular "Men in Bronze" routine which has proved a favorite with Louisiana audiences since 1948. It was absent from the performance last season. A newly-acquired Flash-Fold trampoline will make it possible to add new routines to the aerial tumbling.

Included in the varied program to be performed by the NSC gymnasts will be routines on the parallel bars, tumbling acts, trampoline and steel ring performances and clown routines. Long-Horse leaping, an act in which the men spring from a "trampolette" and sail over an adjustable obstacle called a "Swedish Box" will be inaugurated for the first time this year. NSC is the only school in Louisiana known to have this type of equipment.

Outstanding precision-poise-balance acts will be put on by the group pyramid builders, and each program wil lend with a five-man balancing team executing the last word in cooperative precision showmanship.

Intramural Awards In Touch Football Announced

Demon basketball coach "Red" Thomas, intramural program director at Northwestern, announced recently at a meeting of intramural sports representatives that gold, silver and bronze medals will be awarded first, second and third place winners in this fall's campus touch football competition.

Coach Thomas discussed the rules applicable to the intramural gridiron games this year and outlined the entire program. Joe Crouch, who went out for varsity football last year, was ruled eligible to play touch football by the votes of the team representatives.

Representing the various campus teams were the following: Gale Hearn, Sigma Tau; Casey Bryant, Chow Hounds; Eugene Christmas, Phi Kappa Nu; Bobby Steele, South Barracks; Delton Brady, Rebel Hall, and James Baily, the Frames.

The touch football games will get underway Oct. 6 when Sigma Tau tangles with Phi Kappa Nu. Officials for the games will be members of the Physical Education 204 class, which is studying sports officiating.

A determined yet injury riddled Demon eleven will trod onto the turf of the Northwestern stadium tonight at 8 o'clock in an attempt to singe the hides of the McNeese State Cowboys with the brand of NSC. Once again the Purple and White will be bearing the burden of "under-dogs," a fate which they cannot escape under present circumstances.

Jules Derouen, the power-packed fullback of the Cowboys, will be the Demon's main obstacle blocking the possible up-set. In last year's game between the two teams, it was this terrific fullback who punched over three touchdowns to help the Lake Charles lads humble the NSC crew, 38-21.

Last week, the Purple and White grid machine bogged down as a classy Lamar Tech took advantage of Demon injuries and blasted the Natchitoches boys 35-12. Little Sammy Carpenter of the Cardinals held a personal grudge against the Demons. He accounted for four of Lamar's tallies by running feats, and topped this off with a 55 yard pass to Bob Frederick for an additional T-D.

But while the score went to the Cardinals, the Purple and White apparently out-maneuvered the victors. The Demons rolled for 172 yards while the Lamar Techsters could only muster 116 yards. The first downs also went to the Turpin lads, 15-12.

The Caspari boys scored their first touchdown as a climax to a 48 yard drive. "Red" Smith did most of the ball toting.

He set up the glory-marker by rippin goff 16 yards one play before he found pay-dirt.

George Perkins proved a vital cog for the Purple and White's second touchdown in the last period when he skirted around the end for 20 yards. This play climaxed a 58 yard drive. Perkins led the Demon ground gainers with a 7.0 yard per carry.

McNeese wil be trying for victory No. 2. They downed a tough Stephen F. Austin agregation last week 25-6. The Cowboys lost their opening game to highly regarded Louisiana Tech 6-0. The Lake Charles lads outplayed the Techmen but were plagued by untimely fumbles and faulty blocking, which naturally lost them the game.

McNeese boasts the leading ground gainer in the GSC conference. He is Jules Derouen. Thus far he has carried the leather 37 times and has swallowed up 252 yards. The Cowboys' air attack is not to be denied either. It is a potent weapon with Lester Landry and Val Sweeney hurling the tosses and Dickie Breaux, Roy Price, or Marvin Kohler gathering in the pig-skin.

There is not any doubt that the Demon's are plagued by injuries, but if Coach Turpin's freshmen fill-ins can get rolling, the fracas may be a Purple and White victory. But if not, then last year's story will unfold aagin. And no one likes old stories!

Demon Swimmers Elect Co-Captains For '53 Season

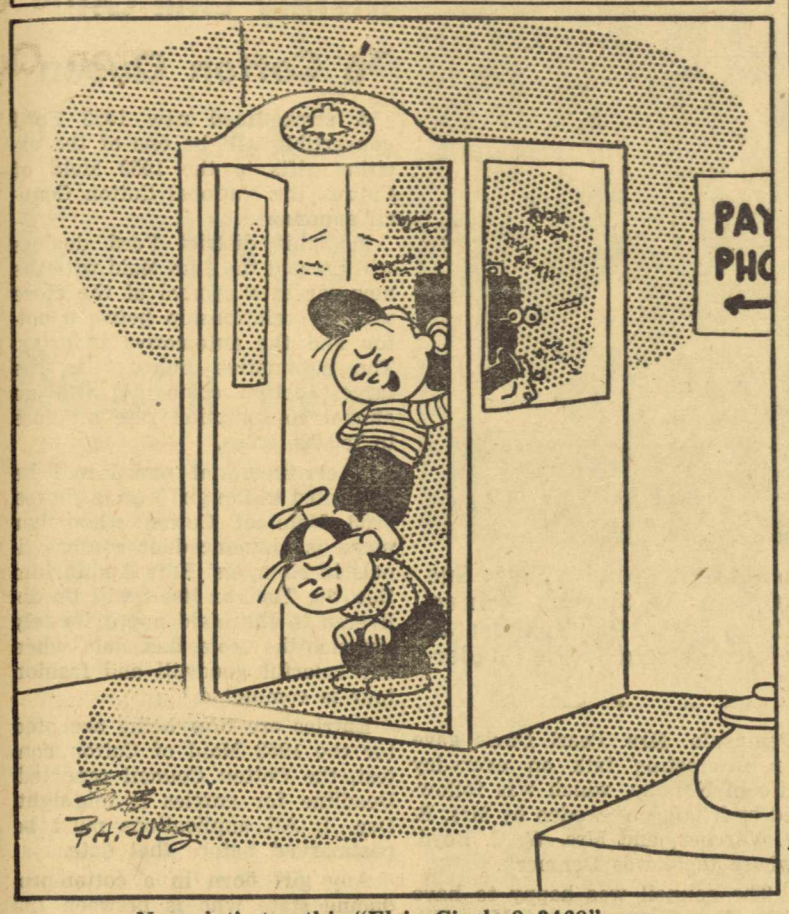

Myron Lockey of Meridian, Miss. and Jerry Kehoe of New Orleans, La., were elected to serve as Co-Captains for the 1953 Demon swimming team. This pair of seniors were lettermen on last year's squad.

An array of seasoned veterans, including divers Henry Walton and Brother Humble, will be back to bolster Coach John Piscopo's tankmen.

Buddy Lyle, manager of this year's squad, announced that workouts start Monday, October 6, at 4 p. m., in the weight training room of the men's gym, and that all newcomers are welcome.

Although the schedule is only tentative, it includes matches with such teams as Texas A & M, Memphis Navy, S. M. U., and the Little Rock Boy's Club.

LAFF OF THE WEEK

Now, let's try this "Elsie Circle 8-3468" one.

Selective Service Announces Dates For Third Series of Deferrment Tests

Number of students taking the Selective Service College Qualification test will swell to approximately half a million with completion of the third series of tests to be given Dec. 4, 1952 and April 23, 1953 at 1000 testing centers throughout the country.

In announcing dates of the third series, Major General Lewis B. Hershey said that 413,395 students have already taken the test. He reported that the Educational Testing Service of Princeton, New Jersey again has been designated to prepare and administer the tests on the basis of submitted bids and to send each examinee's score to selective local boards.

Students currently deferred on the basis of test scores or class standards number about 190,000.

General Hershey emphasized that increasing manpower demands make it important that each draft-eligible student who has not taken the test do so as soon as possible.

Students whose academic year will end in January 1953 have been urged to take the Dec. 4, 1952 test so they will have a test score in their cover sheets before the end of their academic year, at which time their boards will reopen and reconsider their cases to determine whether they should be deferred as students.

To be eligible to apply for the college deferment test a student must (1) intend to request deferment as a student; (2) be satisfactorily pursuing a full-time course of instruction; and (3) must not previously have taken the Selective Service College Qualification test.

Applicants for the test will mail application blanks for the Dec. 4, 1952 and April 23, 1953 administrations to Educational Testing Service in self-addressed envelopes, which will be given to registrants by local boards. All these cards have not yet been mailed to local boards and it was emphasized that they will not be available until after Oct. 6, 1952.

Applications for the Dec. 4, 1952 test must be postmarked not later than Nov. 1, 1952. Applications postmarked after midnight of that date cannot be accepted for the December test.

The present criteria for deferment as an undergraduate student are either a satisfactory score (70) on the Selective Service College Qualification test or specified rank in class (upper half of the male freshman class, upper two thirds of the male sophomore class, or upper three fourths of the male junior class.)

Don't forget the variety show on October 22! Funds will go toward new Demonette uniforms.

Graduate Record Exams to Be Given At Four Sessions

The Graduate Record Examinations, required of applicants for admission to a number of graduate schools, will be administered at examination centers throughout the country four times in the coming year, Educational Testing Service has anounced. During 1951-52 nearly 8,000 students took the GRE in partial fulfillment of admission requirements of graduate schools which prescribed it.

This fall candidates may take the GRE on Friday and Saturday, Nov. 7 and 8. In 1953, the dates are Jan. 30 and 31, April 17 and 18, July 10 and 11. ETS advises each applicant to inquire of the graduate school of his choice which of the examinations he should take and on which dates. Applicants for graduate school fellowships should ordinarily take the designated examinations in the fall administration.

The GRE tests offered in these nationwide programs include a test of general scholastic ability, tests of general achievement in six broad fields of undergraduate study, and advanced level tests of achievement in various subject matter fields. According to ETS, candidates are permitted several options among these tests.

Application forms and a Bulletin of Information, which provides details of registration and administration as well as sample questions, may be obtained from college advisers or directly from Educational Testing Service, P. O. Box 592, Princetown, N. J., or P. O. Box 9896, Los Feliz Station, Los Angeles 27, Calif. A completed application must reach ETS office at least two weeks before the date of the administration for which the candidate is applying.

Miss Mary Gunn Selected Sponsor Of LSU Squadron

Miss Mary Gunn, a former student of Northwestern State college who is now attending Louisiana State university, was recently honored by being selected sponsor for Air Force Squadron G at LSU. Miss Gunn, who was a Lieutenant Colonel of the Northwestern ROTC last year, is also monitor of Annie Boyd dormitory which houses 200 girls.

Miss Gunn is the daughter of Mrs. Sally Gunn, who is the president's secretary here at NSC.

18 NSC Freshmen On BSU Council

Eighteen Baptist freshmen have been chosen to serve on the freshman Baptist Student Union council, corresponding to an executive council. These students were chosen on the basis of their outstanding character, dependability and participation in BSU activities.

Those chosen are Cindy Hodge, president; Faye Johnson, women's enlistment vice president; Thomas Rogers, men's enlistment vice president; Blanchie Lee Lewis,sec.-treasurer; Betty Carter, social vice president; Adrienne Averitt, devotional vice president; Francyse Jowers, religious organizations representative; Pat Jones, music director; Marilyn Motta, "chain" editor; Jerry Anderson, missions director; Harold Wright, BMOC representative; Ben Vercher, state BSU Annual manager; Sue Davenport, representative, Westside Baptist church; Jimmy Jimmy Hatcher and Lou Pearl Welch, representatives, First Baptist church; Betty Welche, Emmanuel Baptist church representative; Carolyn Boutwell, publicity and promotional director; Barbara Gregory, YWA representative.

Four upperclassmen students were chosen to fill the places left vacant on the Executive Council. They are Charles Holloway, business manager, State Annual; Annie Ruth Taylor, training union representative; Eddie Spurgeon, religious organizations representative; and Braxton Ratcliff, BMOC representative.

Former NSC Student Now on Leave From Korean Duty

Army Capt. Milton E. Holt, whose wife, Geneva, and two sons live at 10 Sunnyside Ave., Somerville, Mass., recently spent a five-dav vacation from Korea on a rest and recuperation leave in Japan.

He stayed at Camp Nara, one of Japan's most famous resort cities, where the Army has set up an extensive recreational center for combat soldiers enjoying a brief respite from battle. He has since returned to his unit in Korea.

Captain Holt, a member of the 10th Anti-Aircraft Artillery Group's 28th Anti-Aircraft Artillery Gun Battalion, arrived in the Far East in December, 1951.

A former student at Louisiana State Normal college in Natchitoches, he entered the Army in 1941.

He is the son of Emmett E. Holt (mother deceased) of 1500 Grace Ave., Natchitoches.

Educational Work Is Main Function Of Association of University Women

The American Association of University Women dates back to 1899. There has been a branch in Natchitoches since 1915. Members of the elementary school, high school, and college faculties, as well as others in town belong. Miss Bertha Haupt, recently retired teacher in the elementary school was a charter member of the branch here.

The purpose of the association is the uniting of the alumnae of different institutions for practical educational work, for the collection and publication of statistical and other information concerning education, and in general for the maintenance of high standards of education.

Membership in the organization comes after a woman has received an approved degree from an approved institution. The degree must represent a satisfactory distribution of courses.

The arts, philosophy, science, and literature were at first the only fields in which a degree would permit a woman to join the A. A. U. W. The association requires a general basic education as a preliminary to specialization.

There are five standards by which a school wishing to be approved by the A. A. U. W. is judged. The first is that the school must have the rating of the regional accrediting association of the association.

Second, the school must have provisions safeguarding a background of general education. This is done by accepting for membership graduates holding degrees for which a reasonable part of general education and an adequate distribution within the three large areas of learning is clearly provided by degree requirements.

Third, the school must have adequate provisions for women students. This calls for high academic and health standards. Fourth, the school must try to further the opportunities for women in higher education and advance their interests by having qualified women in high posts on the faculty and in the administration. Fifth the school must maintain academic freedom.

There are three schools in Louisiana which meet these standards. They are Louisiana State University, Tulane University, and Newcomb.

Next week we will tell you why people at Northwestern should be interested in the A. A. U. W.

POTPOURRI PROOFS

Potpourri proofs of class pictures will be shown in the Potpourri office beginning Monday, Oct. 13 from 4 to 8 p. m.

Students! Join the Square Dance Club which will be organized at the weekly dance in the Student Center Wednesday night.

EXPLAINING STAGE setting to a drama group is Betty Sue Boydstun, speech major here. Others are Sterling Menter, Mazie Dranguet, Dot Farmer, Millie Davis, Pat Hankins. Jo Bath, Vivian Prudhomme, Mary Murphy, and Jackie Funderburk.

HD Council Meets On College Campus

The Natchitoches parish home demonstration council met Friday, Sept. 26, in the home economics building on the Northwestern campus.

The meeting was opened with the singing of "Louisiana". After the minutes had been read and approved, the council was taken by magic carpet to the Scandinavian Peninsula. Mrs. Pearl Davis gave an interesting talk on everyday life in Norway, which was followed by a talk on Sweden by Mrs. R. J. Vercher, and Mrs. W. C. Boyd, whose topic was Denmark.

The council was happy to have Miss Nan Tarwater and Miss Elinor LeNoir, guest speakers from the LSU extension office. Miss LeNoir spoke to the group on life in the Near East.

After the business session the meeting was adjourned.

Brand New Car Merely One Gift To Cotton Queen

A streamlined new 1953 Ford convertible will be one of the exciting gifts to the 1953 Maid of Cotton, the National Cotton Council announced.

Memphis district Ford dealers will present the 15th Maid with the new car as a symbol of the close working relationship between cotton and the automotive industry. The automotive industry is the largest cotton customer, with an annual consumption rate of close to 750,000 bales.

A certificate of award will be presented to the girl who is chosen 1953 Maid of Cotton when her name is announced at contest finals in Memphis' Ellis Auditorium Dec. 30. The car itself will be delivered to the Maid approximately six montths from that date when her colorful goodwill and fashion tour is completed.

Entries are now being accepted for the 1953 Maid of Cotton contest, the Cotton Council reported. Deadline for entries is midnight, Dec. 1. All applications must be postmarked before that date.

Any girl born in a cotton-producing state who is between the ages of 19-25 years, who has never been married, and who is at least 5'5" tall is eligible to become Maid of Cotton. Entry forms may be obtained from the National Cotton Council, P. O. Box 18, Memphis, 1, Tenn.

CHESTERFIELD

FIRST PREMIUM QUALITY CIGARETTE

TO OFFER BOTH REGULAR & KING-SIZE

ASK YOUR DEALER FOR CHESTERFIELD — EITHER WAY YOU LIKE 'EM

★ CONTAINS TOBACCOS OF BETTER QUALITY AND HIGHER PRICE THAN ANY OTHER KING-SIZE CIGARETTE

BOTH regular and king-size Chesterfields are premium quality cigarettes and come in the smart white pack.

BOTH contain only those proven ingredients that make Chesterfields the best possible smoke: the world's best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy — nothing else.

BOTH are much milder with an extraordinarily good taste and, from the report of a well-known research organization — no unpleasant after-taste.

BOTH are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger — contains considerably more of the same tobaccos — enough more to give you a 21% longer smoke, yet costs very little more.

LARGEST SELLING CIGARETTE in AMERICA'S COLLEGES

THE CURRENT SAUCE

VOL. XXXIX—No. 4. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, OCTOBER 11th, 1952.

Campus Painting Prank Results In Tragedy

Demon Group In Alex For Cenla Tilt

Northwestern State college football team, band and student body, with its royalty for the day, will invade Alexandria tonight for another annual parade, pep rally in a gala day of Cen-La festivities, climaxed by the football game in Bolton high staduim between the NSC Demons and the Wildcats of Louisiana college.

The grid game between the rival schools will begin shortly after 8 p. m. in the neutral football arena, which was enlarged last year to seat 8,000 spectators.

Before the opening whistle starts the 43rd game between the two traditional foes, the Cen-La queens from both institutions and their courts will be presented. This royalty will reign over the oldest football rivalry in the state, which began in 1909 and has been broken only by the war years.

NSC's queen is Rose Nell Creel of Winnfield, representing Winn parish. Queen Creel's Cen-La court and parishes represented, follow:

Betty Wilson, Alexandria, Rapides; Sue Miller, Oakdale, Allen; Alpha Leah Gremillion, Bunkie, Avoyelles; Jimmy Shows, Bagley, Beauregard; Lollie Caskey, Jonesville, Catahoula; Emily Chauvin, Ferriday, Concordia; Bea Rumsey, DeRidder, Evangeline; Bill Powell, Colfax; Grant; Annie Ruth Taylor, Trout, LaSalle; Mildred Young, Natchitoches, Natchitoches; Pat Hankins, Coushatta, Red River; Ann Phillips, Many, Sabine; and Billie Jean Lambright, Pitkin, Vernon.

A motorcade of students will leave Northwestern by bus shortly after noon today. Other Natchitocheans will converge on Alexandria by automobile shortly before 2 p. m., the time set for the formation of the parade.

Dudley Fulton, director of student personnel at NSC, said that the entire west stands in Bolton stadium have been reserved for NSC students and their supporters. He urged that everyone going down from Natchitoches sit on this side.

After the parade in the afternoon there will be a simultaneous pep rally at City Hall square, participated in by students and bands of both schools.

CENLA QUEEN AND COURT who will reign at the football game tonight in Alexandria when Northwestern and Louisiana College clash in a Cen-La annual affair, follow: (bottom to top, left) Queen Rose Nell Creel, Ann Phillips, Alpha Leah Gremillion, Mildred Young, and Emily Chauvin. (bottom to top, middle row) Betty Wilson, maid of honor, Sue Miller, Jimmie Shows, Erlene Powell, and Lollie Caskey. (bottom to top, right) Billy Lambright, Bea Rumsey, Pat Hankins, and Annie Ruth Taylor.

Student Council Selects State Fair Queen and Court

Queen Winnie Dowden wil reign over State Fair activities in Shreveport when the Demons tangle on the gridiron with their traditional rivals, Louisiana Tech.

Winnie is a senior home economics student from Cypress. Serving as her Maid of Honor will be Marie Tilleux, an art major from Shreveport. The remainder of the court will be Clydie Mae Beacham, business major from Blanchard; Claudine Box, home economics major from Shreveport; Claire Lucius, majoring in library science hailing from Florien; Marilyn Snoddy, a home economics major from Bunkie; Thelma Ruth Stephens, a primary education major from Leesville; Louise Vick, a business major from Vivian, and Patsy Ann Winkler, a home economics major from Olla.

This court was selected by the Student Council on the basis of each person's participation in student activities and her contributions to the school. The group seems to be very representative of the area from which most Northwestern students come.

Cast of Fall Production, "Royal Family" Represent Different Parts of Country

The cast and crew of the speech department's play, "The Royal Family," to be presented Oct. 23, 24, and 25 show a wide representation of Louisiana parishes, and include several out-of-state students.

Two crew members who have come a long way to be with us are Jane Schaefer of Buffalo, Minnesota and Bob Wright of Buffalo, New York.

Of our Louisiana parishes, Natchitoches parish is the best represented with seven crew members. They are Viv Prudhomme from Bermuda, and Carolyn Glass, Claudia Williams, Bobby Byles, Julie Cusachs, Linda Shows, and Nelwyn Potter, of Natchitoches. Also from Natchitoches is Betty Breitenberg, who will do the portrait of Aubrey Cavendish, famous actor.

Caddo parish is next on the list with four representatives, Janis Meyer, Louise Pons, Tommie Blackbourne, and Carol Christenson, all of Shreveport. Right behind Caddo with three apiece are East Baton Rouge parish, with Winnie Ruth Hutson, Myrtle Allen, and Majorie Reynolds, all of Baton Rouge; Rapides parish, with John Boogaerts, Jr., Gerry Perry, both of Alexandria, and Fred Johnson of Glenmora; and Red River parish with Henry Teekel, Raymond Nails and Pat Hankins, all of Coushatta.

Bossier parish has two members, Sonny Rhodes of Benton and Mary Murphy of Bossier City. Plaquemines parish has one representative, Fay Book of Buras. Jim Vorhoff of Abbeville is from Vermillon parish, and Calcasieu and Sabine parish have each contributed a crew member, Jackie Funderburke of Many, and Margie Vincent of West Lake.

The cast shows just as wide a variety as the crew, with Natchitoches parish still leading. Those from Natchitoches are Jack Sharp, Don Sibley, Gervais Aldredge, Mazie Dranguet, and Betty Sue Boyston. Also from Natchitoches parish is Millie Davis of Clarence.

Rapides parish comes next with two, Bobby Hamm and John Boogaerts, Jr. of Alexandria. Six other parishes are also represented. They are: Caddo, Gerald Tilleux, Shreveport; Bossier, Mary Murphy, Bossier City; Red River, Pat Hankins, Coushatta; East Baton Rouge, Ben Duhon, Baton Rouge; St. Landry, Kaydonna Hill, Opelousas, and Acadia, Gay New, Jennings.

Nursing Students Elect Officers

At a meeting Tuesday night, the Student Government Association of the department of nursing elected officers for the present year. They are as follows: Rose Farrar, president; Jean Sutherland, vice president; Ann Colvin, secretary; Jane Flury, treasurer; Joe Lemmon, sergeant-at-arms. The faculty sponsors are Miss Burnham, director of nursing, and Miss Virginia Crilow.

1 Killed, 4 Injured Thursday As Car Turns Over on Many Highway

The old college custom of painting the opposing campus before a football game resulted in a tragedy early Thursday morning for five freshmen boys from Louisiana Tech who came down to Northwestern to give the campus its annual splotching of red paint.

One boy was killed and four others were injured, bruised and scratched up as the Ford convertible in which they were riding turned over as it went around a curve three miles out of town on the Many highway Thursday at 12:35 a. m., according to a report by Police Chief T. J. Stephens.

Dead is Gerald Ferguson of Hodge whose head was crushed as the vehicle rolled upon him after he had been thrown out.

Jean Maxwell of Shreveport, who received multiple bruises and lacerations, was taken to the Natchitoches hospital for further observation. The driver of the car, Tony Lewis, of Shreveport, received a bruised back and other slight injuries. The other two boys, Tommy Backer and Tommy Stone, also of Shreveport, were only slightly injured.

The boys were caught in the act of painting near the college infirmary by three members of the Natchitoches police department, Officers George Posey, J. K. Lee, and Don Raines. After spoting the officers, the boys sped away in their 1952 Ford convertible leaving behind the two boys who were doing the painting. Left behind and later picked up in downtown Natchitoches were Eddy Ray Knight and Leonard Bosch.

Heading toward Many, the boys drove at an extremely high speed according to the report given by Chief Stephens. The police car followed but soon lost sight of the convertible.

Thinking they might turn around and come back or might park, the officers continued on the road to Many. They found the overturned vehicle just past Neal's grocery with the five boys scattered around it. The four survivors were in a daze, said Stephens.

The officers called an amublance from First National funeral home and, as a precautionary measure, the fire department.

Stephens reported that the car was demolished and had apparently turned over at least two times. It had rolled completely over Ferguson, crushing his skull. Backer's foot was caught under the car and seven men were required to free him.

The four survivors and the body of Ferguson were brought into town by the ambulance from First National. Maxwell was taken to the Natchitoches hospital and Lewis was later taken to Corkern clinic.

State Trooper Quinten Byrd made the official investigation of the wreck, according to Stephens, and has filed charges of negligent homicide against Tony Lewis, who was driving the car.

The father of Tommy Stone drove from Shreveport and returned Stone, Backer, Knight and Bosch to Louisiana Tech at Ruston. Lewis was taken to Shreveport for further observation of his injuries. Funeral services for Ferguson were held yesterday at 3 p. m. in the First Baptist church at Hodge. Southern Funeral Home and Floral Shop of Jonesboro were in charge of funeral arrangements.

NSC Debaters Hosts to Clinic

On Saturday, October 25, the Northwestern State College Debaters will be hosts to a state-wide high school debate clinic. Four hundred and thirty-one Louisiana high schools have been invited to attend this clinic. The purpose of the clinic is to aid the high school debaters in their preparation of the 1952 debate questions.

The program scheduled for the visiting students includes two demonstration debates, two lecture-seminars, and one practice round of debate for all the high school teams. The events will begin with registration at 8:00 and will end with a summary of the day at 4:00. All the events except the practice round of debate will take place in the Little Theatre of the Fine Arts Arts building.

Demonstration debates will be presented by four debaters from Natchitoches high school, and four debaters from the NSC debate squad. Those participating in the college demonstration debate are David Kendrick, Pat Hankins, Cecil Neilsen, and Anne Torrans.

In addition to the clinic, the high school debaters have been invited to attend the Friday night production of "THE ROYAL FAMILY." On Saturday night, they will be guests at the All-College dance.

According to Mr. Donald Graham, forensic coach, the schools are responding to the invitation, and a large number of high schools are expected to attend.

Different Classes Of Shreveport Nurses Elect Officers

The September, 1953, class of the Shreveport division of nursing chose as its officers Sunshine Fleming, president; Ferol Zabasky, vice president, and Imogene Sullivan, secretary.

Chosen to lead the February, 1954, class was Helen Perry, president; Barbara Arnold Rogers, vice president; JoAnn Mears, secretary; Sunshine Grigg, treasurer, and Ruth Harber, parlimentarian.

Chosen to help Judy Sobert, the president of the September, 1954, class was Ophelia LaRoux, vice president; Sara Paris, secretary, and Margaret Webber, reporter.

English Profs Attend AAUW Meet In New Orleans Today

Dr. Sarah L. C. Clapp and Miss Mamie Bowman, professors of English at Northwestern State College, will attend a meeting of the Executive Board of the Louisiana division of the American Association of University Women, Saturday, Oct. 11 at New Orleans.

Miss Clapp is treasurer of the Louisiana division and has long been active in the work of the organization. Miss Bowman is state fellowship chairman of the association.

Dr. Clapp last week was guest speaker at a meeting of the Red River P-TA at Coushatta. The occasion was a supper meeting honoring four teachers who have recently retired.

The first Artist Series will feature Mary Henderson, fine young singer, on Oct. 30. If you like good entertainment, don't miss this program. The only admission price for students is the activity card.

LETTERS to the EDITOR

Current Sauce Editor
Northwestern State College
Natchitoches, La.

Dear Editor:

This semester there was inaugurated at Northwestern a method of locating any woman student at any time by means of a written record stating her intended whereabouts whenever she left the campus. This is all well and good. However, why should this record be permanent when it outlives its purpose the instant a girl returns to the dormitory? There is no need for a permanent record of this type except for the purpose of providing information for those individuals who are prone to delve into other people's personal affairs. Certain information on these sign-out sheets is of a personal nature, and concerns nobody after it has served its intended purpose.

Any criticism of this type is unfounded unless a solution is offered as a substitute for the present policy. A suitable substitute would perhaps be a **temporary**, individual sheet of 5x7 mimeographed typing paper of a certain form, which, when filled out, could be filed in an index box, and which could be destroyed the next day.

This system should be satisfactory to both students and administration, since it would serve all obvious purposes, and still give the student a reasonable amount of privacy in what he considers his personal business.

In reference to many complaints registered with some student government members, this explanation is also forthcoming. People have often complained about student regulations, but few have acted on these complaints. Some influential people have declined to act or even recommend action on these controversial matters, and in some cases, have even attempted to squelch action by other interested persons. This, in itself ,is shameful, since some of these very same individuals were put into office by those that now need the aid of these officials. If women students want changes in their regulations, pressure must be brought to bear on AWS council members, since these council members must present proposed amendments to the AWS council for action. (Article X of the Constitution of the Associated Women Students.)

Much has been done this week by the administration, after **possibly** some pressure, to better social conditions, but by the same token, the administration has quite a way to go to meaure up to standards set by comparable schools in this state.

Sincerely and without malice,
RUDY BERLIN

NSC Highlights

By MARY SUE BELLEW

Last Monday morning everyone awoke and found that Mr. Cold Weather Man had arrived in the form of low temperature and gusty puffs of wind. Immediately sweaters, coats and warmer clothing of all description dotted the campus. The change was so sudden that teeth began chattering, and walking became faster, but now we are used to it.

On October 22 the Demonettes are sponsoring a variety show. As an unusual feature, it will highlight faculty members imitating students and students imitating the faculty. The purpose is to raise money so they can buy new uniforms. They really need them so by going to the variety show you will be getting good entertainment as well as helping a cause.

Congratulations to the queen, maid of honor, and court who will represent NSC tonight at the La. College game. Come on DEMONS, let's rip 'em up, tear 'em up tonight.

This Monday night the basketeers begin working out in preparation for the coming season.

68 Veterans Are Enrolled At Northwestern

At the present there are 14 Korean War veterans and 54 World War II veterans enrolled in Northwestern.

There are some differences in the set up of the veterans schooling. The Korean veteran has to send in a monthly report to certify that he is enrolled in college before his check can be paid. He also has to pay his expenses where the World War II veteran had the Veterans Administration pay for him.

Council Minutes

The Student Council met at 4:00 last Friday, October 3, in the faculty room of Caldwell Hall with Leland Langridge presiding. Present were Claudine Box, Winnie Dowden, Ronnie Quinn, Bob Miller, Ben Singletary, Leland Langridge, and Mary Sue Bellew.

On October 18, a banquet will be held in Shreveport with Louisiana Tech. From Northwestern will be nine student council members, six cheerleaders, the President and his wife, the State Fair queen and her court, the president of the Demonettes, two members from the AWS, and two members from the Student Senate.

Ben Singletary moved that we get two at large from the AWS and two from the Senate, and let them decide among themselves which two. The motion was seconded and carried unanimously.

The following committees were appointed by Leland Langridge to work on fair procedures: Ronnie Quinn, cars; Lowell Starnes, line-up of court; Winnie Dowden, flowers.

Twenty-six girls were nominated as State fair maids. The final results were: Winnie Dowden, queen; Marie Tilleux, maid of honor; and Thelma Stevens, Louise Vick, Marilyn Snoddy, Patsy Winkler, Claudine Box, Clydie Mae Beacham, and Claire Lucius, maids.

The meeting was adjourned.

Respectfully submitted,
MARY SUE BELLEW,
Secretary.

Senate Minutes

The regular meeting of the Student Senate was held in the Faculty room in Caldwell Hall Tuesday night, October 7, at 8 p. m. Four senators were absent and twelve were present.

The minutes of the previous meeting were read by the secretary. A motion by John Batten, seconded by Jack Sharp, called for the approval of the minutes. The motion passed.

John Batten moved that the Film Program Committee which had been appointed by the president of the Senate be approved by the group. The motion, which was seconded by Cecil Nielson, passed.

Marie Tilleux, chairman of the Variety Show Committee, stated that the show, which had been scheduled for October 22, was postponed and that a faculty chairman had not been secured as yet.

The following girls were nominated for Potpourri Beauties by the Student Senate: Bea Runsey, Justine McMurry, Imogene Leach, Sue Miller, Jane Gaines, Virginia Martin, Dot Gillespie, Mona Gray Miller, Nelwyn Potter, Barbara Brittain, Mickey Hanson, and Norma Chance.

Bennie Ray, chairman of the Student Film Program, gave a report, in which he announced that the first committee meeting was to be held October 8. He stated that there were only six available Thursday nights left to show films, and that these had been signed for. He further stated that the first film would probably be shown October 16.

The meeting adjourned at 8:43 p. m.

Respectfully submitted,
JOE SALTZMAN, Secretary.

Society

Sigma Sigma Sigma

Saturday was definitely "work day" at Tri Sigma house! Shrubs were trimmed (as evidenced by the huge pile of brush in the back yard), steps re-cemented, back porch scrubbed, and numerous other "little" things were done to make the house bright and shiny.

Congratulations to Tri Sigma's Bea Rumsey and Lollie Caskey for being selected Maids in the Cen-La Court. They represent Evangeline and Catahoula parishes.

Plans for the informal rush party were discussed and the committees for the homecoming float and the formal rush party gave brief reports on their progress.

A team to play in the volley ball intramurals was organized, with Virginia Metcalf taking charge of the arrangements in the absence of sports chairman, Sue Bellew.

With the materials for the drapes and slip covers selected, several days within the next month were designated as more "work days" for the Sigmas.

☆ ☆ ☆

Delta Sigma Epsilon

Plans, plans, and more plans filled the air of Delta Den when the Delta Sigs congregated for their regular meeting last Tuesday night.

A report on the Home-coming float was given. Committees were appointed to begin work on the float. Rushing and rush parties were discussed. Plans for a DSE-Sigma Tau party, which is to be held in Delta Den next Tuesday night were made.

After the business meeting was over, the Delta Sigs adjourned to Lamba Zeta Fraternity Room where they were honored with a Coke party.

Congratulations to our own Sue Miller. "Susie" was recently elected sponsor of "D" Battery of ROTC and a Cen-La maid.

☆ ☆ ☆

Sigma Tau Gamma

Sigma Tau is proud of it's touch football team. So far this season, "The Tau's" have won one game from the frames, 6-0, and tied one game with Phi Kappa Nu, 6-6. Gale Hearn has scored both touchdowns so far.

Our boys on the gym team are working hard for the first show. Among team captain La Rue's boys are, David Kendrick, John Batten, Jack Sharp, Bobby Sanders, Sammy Wilson and Johnny Dickerson.

We are proud of our pledges who are playing ball with the "Demons." Keep up the hard work and the spirit, men!

☆ ☆ ☆

Pi Omega Pi

Pi Omega Pi, honorary business fraternity, met Thursday, October 2, in the Business Building. Because the president, George Seaman, did not return to school this fall, Jim Yergler, previously vice president, was made president. Fred Johnson was elected to the office of vice president.

Plans were made to sponsor a party for all freshmen business students. It will be given some time this month, so, FRESHMEN, watch for it.

The fraternity decided to send Jim Yergler to the national convention to be held in Chicago in December.

☆ ☆ ☆

Phi Kappa Nu

Phi Kappa Nu held a formal initiation last Saturday, October 4. Ten pledges became official members. They are Ben Brewton, Ed Bacilla, Clay Brook, Vernice Wright, Sonny Ellerman, Guy Cheek, Raymond Collier, Jackson Beebe, Wilcy Champagne, and S. W. Dickerson. Congratulations to these new members.

The Phi Kaps have been very busy planning for their annual Sweetheart Dance to be held Saturday, November 8, at which they will present the Sweetheart they have chosen for this year. Plans are also being made for an informal Rush party to be held on October 14.

In the line of sports the Phi Kaps started their quest for their third straight Intramural Championship by defeating the South Barracks, 20-0.

☆ ☆ ☆

Alpha Sigma Alpha

Plans, themes, decorations, and ideas have added life and color to the fun-filled Alpha Sig house this past week. Detailed plans for the formal and informal rush parties, and the Homecoming float have been made and are now being carried out.

We were delighted to have one of our alums, Gwen Therrell, and her mother, Mrs. F. A. Therrell of Vivian, visit us Friday night. Gwen is now working in Shreveport.

Congratulations to Claire Lucius! Claire was selected as one of the State Fair maids. We are also proud of Ann Hungerbeeler, who is organizations editor of the Potpourri staff, and Octavia Sandlin, who is assistant director of the College Theatre group's fall production, "Royal Family."

Another ASA of whom we are proud is Jane Flory, who was elected treasurer of the nursing students.

The Alpha Sigs all enjoyed the delicious box of chocolate candy, presented to them by Jeanette Dowden, who is engaged to Leland Langridge.

Pi Kappa Sigma

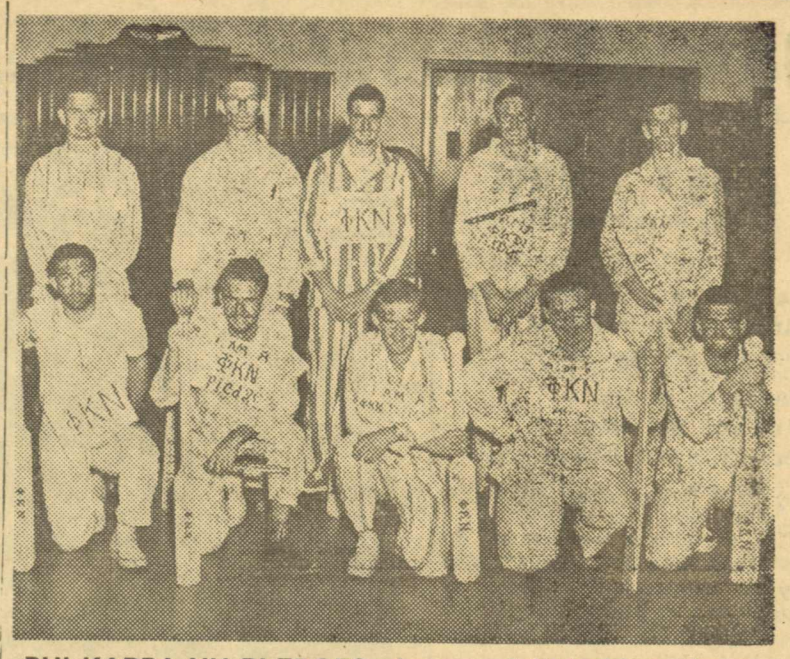

Tuesday night the Pi Kaps were all in a dither tidying up the house on the hill. Mattresses were still there from Saturday night's sleepless slumber party. The girls had a grand time and to top it all our new sponsor, Miss Phillips, stayed up all night along with several others. We can see now that our future slumber parties are going to be gay. By the way, the following gals attended the shindig: Glynn Ellen Pennington, Sarah Cook, Lynn Rutledge, Sarah Cutrer, Kathleen Ray, Sue Rhodes, Rose Farrar, Marilyn Snoddy, Patsy Winkler, Louise Vick, and Miss Phillips.

The first item on Tuesday night's program was an annuoncement from alum Ann Bolin and Kayo Gremillion of the birth of a son, born October 1st. Congratulations to all three!

Congratulations go to Sally Hall and Marilyn Snoddy for the honor of wearing the scholarship ring; to Mary Murphy for receiving a part in "The Royal Family," also to Rose Farrar for being elected president of the Nursing students.

A very nice surprise came when Kathleen Ray presented the sorority with a box of Chocolates from Dr. West. Needless to say it hit the spot. Dr. West had earlier been asked to serve as co-sponsor for the group, but because of responsibilities in the theatre, she could not accept. We regret that we cannot have her.

Wednesday night from 6 p. m. to 7 p. m. the Pi Kaps entertained in their house, honoring our new sponsor and our new patroness, Mrs. Brooks. Among other inivted guests, we were glad to see so many alums, and our sorority mother, Mrs. Cutrer from Robeline. We thoroughly enjoyed the hour "getting together."

PHI KAPPA NU PLEDGES who were initiated into the fraternity last Saturday, are (bottom, left to right) Ed Bacilla, Ben Brewton, Buddy Elderman, Jackson Beebe, and Wilcy Champagne. (top, left to right) Clay Brock, S. W. Dickerson, Raymond Collier, Vernis Wright and Guy Cheek.

Theta Sigma Epsilon

The Theta Sigs have been doing their Fall cleaning which should last for several years. Cleaning was not the only exciting event for the Theta Sigs—Pat Hankins is now a pledge.

Marge Messman and Betty Goodwin visited the sorority last week and were welcomed by the members.

All the Theta Sigs attended the First Methodist Church with Miss Stockwell last Sunday and enjoyed the services.

IMPORTANT ANNOUNCEMENT

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette -- and by a wide margin. No. 1 reason given -- Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

STUDENTS!

Hurry! Hurry! Hurry! Mail your Lucky Strike jingles. We pay $25 for every one we use. Send as many jingles as you like to: Happy-Go-Lucky, P.O. Box 67, New York 46, N.Y.

Demons Journey To Alexandria For Cen-La Fracas Tonight

King's Korner

By "RED" KING

Poor Wittle Ol' Puddy Tat
Let's all go to the Cen-La Fair,
And if you see a Wildcat there,
Boy you skin that kitty!

Just grab its tail,
And pull like hail,
Don't you dare take no pity.

by Will Wigglestick PDQNOIQ

This poem was sent to me by one of my favorite readers, (probably the only one) the famous, or should I say infamous, Doctor Wilbert Wigglestick, the noted literarian and scholar who has won the Pushitmer Prize for the last five years for his contribution to the field of Physcology. He was a guinea pig.

Mr. Wigglestick inclosed a note in which he stated, and I quote, "I dedicate this magnificent piece of literature to Northwestern State College's football team as a morale builder. I know that after reading this poem, they will beat La. College by a least fifty points, and Tech . . . . well, Tech better not even come on the field."

The Current Sauce is staring a prediction contest next week and we want all the students to try their luck at picking the winners of the leading games around the country. This contest is open to all students and there is no entry fee. You don't have to send in any box tops or tops off the paper to enter. All you have to do is pick the winners of the games that are printed on the sport page of this week's Current Sauce and put it in the box for this purpose in the Student Center, or even better, bring them over to the Current Sauce office.

You won't win any new Cadillacs or a free trip around the world for this, but you will get two free tickets to the Don Theatre, (you can take a date, too) and the satisfaction that you are as good a forecaster as anyone else on the campus.

GAME OF THE WEEK

The leading game of interest to fans of this section this week will pit Kentucky against LSU. Each team has played the role of the "giant-killer" thus far this season, but Kentucky has been picking on bigger Goliaths. The Blue Grass boys have come through with one upset and one tie this year with teams that were heavily favored. They tied highly touted Ole Miss. the week before last and then followed up with a 10-7 victory over Texas A. & M. The Tigers on the other hand have also been doing some surprising. Two weeks ago they held Alabama to a 21-20 victory and then resounded this week by upsetting Rice Institute. 27-6.

This game will literally pit David against Jack, and both were victorious in their respective stories, but here, one has to go.

Pulling for LSU, but picking Kentucky I predict this one, Kentucky 14 LSU 7.

Gulf States Conference

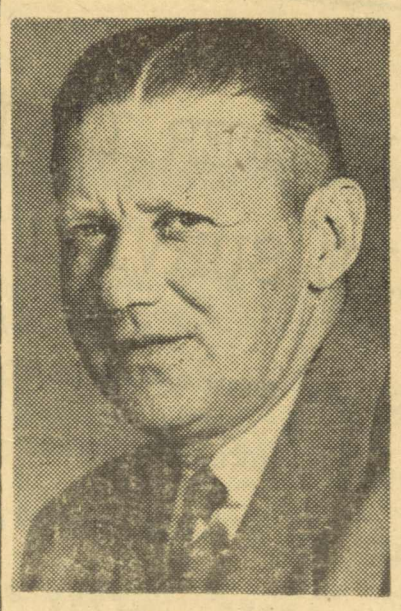

Again this week there is only one conference game besides the Demon tilt and this one matches McNeese against Northeast State. After seeing McNeese play last week the result of this one should be obvious in anyone's mind. It will just be another case of too much Derouen. McNeese has downed North East in all of their five previous meetings and this year shouldn't be an exception. Let's pick this one, McNeese 25, North East 0.

The results of some of the other games, my Crystal Ball (that could sure use some Windex) says:

Miss. Southern 21		SLI 6	
Southeastern 13	Stephen Austin 0		
La. Tech 33	Central Okla. 6		
Ga. Tech 27		Tulane 6	
Ole Miss. 13		Vanderbilt 7	
SMU 26		Missouri 13	
Texas 20		Oklahoma 6	
Pennsylvania 14		Princeton 6	
Michigan 33	Texas A. & M. 7		

DEMON AERIAL ARTIST M. D. RAY will carry the burden of Purple and White offensive attack tonight when they meet the La. College Wildcats at Bolton Stadium in Alexandria. Ray missed the first two games this season because of an injury, but played some in last week's encounter with McNeese. M. D.'s tosses are highly accurate as was indicated last year when he set a GSC record in pass completions. The outcome of tonight's fracas may well be determined by Ray's performance.

HANK IBA

Men's Intramurals

The 1952 touch football league started off with a bang this week in what appears to be the tightest race in the history of intramural play. Three ties out of the first six games seems to indicate that the race for the championship is going to be nip and tuck.

This Week's Results

Rebel Hall 6-Chowhounds 6
Sigma Tau 6-Frames 0
Phi Kap 6-Sigma Tau 6
Phi Kap 20-South Barrack 0
Frames 6-Chowhounds 6

Next Week's Schedule

All games will be played on the intramural fields behind Warren Easton Hall.

Field No. 1

Oct. 13 Chowhounds vs Frames
Oct. 14 Sigma Tau vs South Barracks
Oct. 15 Chowhounds vs Sigma Tau

Field No. 2

Oct. 13 Rebel Hall vs Phi Kap
Oct. 14 Phi Kap vs Frames
Oct. 15 Rebel Hall vs South Barracks

Aggie's Hank Iba Is Guest Speaker At Demon Clinic

One of the nation's most controversial basketball coaches and proponent of control-basketball, Henry (Hank) Iba, will be guest speaker Oct. 29-30 at NSC's fourth annual coaching school sponsored by a physical education majors club.

The famous Oklahoma A. & M. cage mentor, who has been criticised for slowing the game down by his deliberate and careful offensive ball-handling and air-tight defense, will give a series of lectures presenting his coaching techniques at the two-day clinic.

The criticism hurled against the Aggie coach pales when Iba's record is brought up. That Iba efinitely "has something" is illustrated by the fact that during his 18 years at Oklahoma A. & M. his teams have triumphed 373 times while losing 101 games. Included are 12 Missouri Valley Conference championships.

NSC's Alpha Pi chapter of Phi Epsilon Kappa, national honorary physical education fraternity, is sponsor of the annual school that has brought Cliff Wells of Tulane, Adolph Rupp of Kentucky and "Phog" Allen of Kansas before coaching and basketball-loving loving audiences of this area.

During Iba's 24 years of coaching, his teams have won 536 games and lost 128. Besides 12 Missouri Valley titles in 18 years, Iba's basketeers have copped the NCAA national twice, finished second once and fourth once. Only Kentucky, with three championships, has excelled the Aggies in NCAA play.

NOTICE

Coach Walter Ledet issues an invitation to anyone interested in track to come by his office for an interview concerning Fall training. His office is in the Men's Gym.

La. College Favored In GSC Tilt; Northwestern Eyes Possible Upset

In a spirit of great rivalry and determined vengeance, a group of victory hungry Demons, laden with injuries, will attempt to harrass and tame a pack of Wildcats on a neutral battlefield when both grid machines set their gears in action tonight in Bolton Stadium at Alexandria, La. The featured contest will be the highlight of the Cen-La Fair activities

For the Purple and White, it will once again mean playing the role of underdogs. Still the Demons have a list of injuries equal to that of a starting line-up. However, there is one consolation. Northwestern's ace passer, M. D. Ray, will be handling most of the offensive chores for the Demons. If the Natchitoches lads can find a glue-fingered end, then perhaps the rather rusty pitch-fork of the Demons will have more sting on the opponent's hide.

NSC will be seeking to avenge the 27-6 rout handed them last year by the Alexandria boys. Both Northwestern and La. College are looking for their first conference win. Last week, the Purple and White were humbled by McNeese 33-12, and the Wildcats were edged out by a highly touted Southeastern eleven 7-0.

The Wildcats boast of several outstanding players such as G. Bullard, an all-conference tackle, and J. Ward, a speedy half-back who holds the 100 yd. dash title in the Gulf States Conference. Others are R. Lane, a break away runner, and J. Warner, a freshman full-back from Istroma High.

Northwestern will build their hopes around the running feats of Leon Fuller, Jack Rice, Raymond McFadden, and "Red" Smith. McFadden and Smith can really move when given the chance as was proven in the wanning minutes of the Demon-Cowboy tilt last week.

McNeese Cowpokes Singe NSC Demons With 33-12 Loss

Two quick touchdowns in the final quarter by the Northwestern Demons last Saturday night fell far short of the needed score as the McNeese Cowboys rolled to an easy 32-13 victory in Demon stadium before a moderate sized crowd.

Northwestern tallied when Leon Fuller plunged over from the two, climaxing a 72-yard drive and again a few minutes later when Darrell Wiggins, after Ted Simon had blocked a Cowboy punt on the ten, picked the ball out of the air on the three and scampered over. Red Smith converted after the second TD.

Until the Demons scored, the game was all McNeese as the Cowpokes scored a touchdown in every quarter except the second when they crossed the goal line twice.

Early in the first period, Jules DeRouen broke through the Demon defense and raced 43 yards for the first McNeese touchdown. Breaux scored the second Cowpoke tally in the second period on a 19 yard jaunt through the middle of the NSC defense.

DeRouen set up the third and final score in the first half as he broke away and ran 47 yards, all the way to the Demon seven before he was pulled down from behind. Joe Castete then carried it over.

After leaving the field at the half with a 19-0 lead, the McNeese boys came back in the third period to add another touchdown to their total. DeRouen carried over from ten yards out with his second TD of the game midway through the period to give the visitors a 25-0 lead.

The Cowboys continued their scoring ways in the final frame by taking to the air for their last tally. Val Sweeney shot a screen pass to Dickie Breaux off to the left, and Breaux, with four blockers ahead of him, raced 20 yards for the score.

The Demons up to this point had not been able to break away for a score. After McNeese kicked off, however, they started to roll from their own 28 yard line.

With Fuller, Bice and McFadden doing the running, the Demons marched into McNeese territory down to the two yard line where Fuller plunged over for the score. Th conversion attempt by Earl Haynes was unsuccessful.

The Demons kicked off and held the Pokes for three downs on the ten. Ted Simon rushed in to block the attempted punt and Darrell Wiggins took the bounding ball in the air on the three and shot over for the second Demon TD. Red Smith converted to make the score 32-13 and end the scoring for the night.

Demons, Wildcats In43rd Grid Meet

Northwestern State College and Louisiana College, two of Louisiana's oldest gridiron rivals, clash in a tradition-laden contest in Bolton high school's stadium, Alexandria, tonight.

The game is the 43rd between the two neighboring schools in a series dating back to 1909 and unbroken except for war years. It is longer without a lapse than even the highly-touted Tulane-LSU rivalry.

Last year in the annual Cen-La Fair fracas in Alexandria the Wildcats of Louisiana College defeated the Demons 27-6 before an overflow crowd of 8,500. The Wildcats beat the Demons at their own game, taking the aerial route for most of their gains. Bernard Callender, star Wildcat end, latched onto six passes for the evening, two of them for touchdowns.

Last year's win by Louisiana College was the Wildcats' first win since 1938.

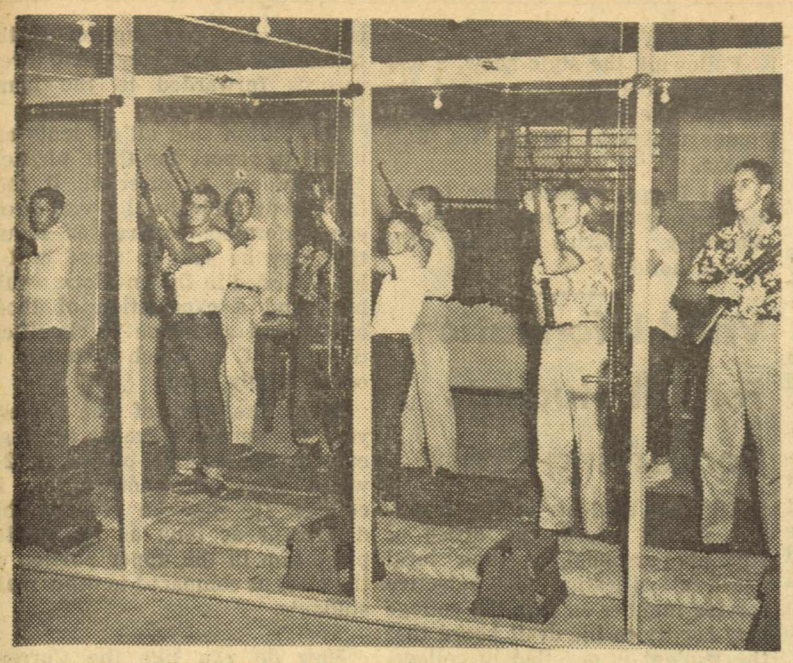

Both coaches Harry Turpin of NSC and Jimmy Keeth of La. College have played for their respective teams in the long rivalry. Turpin was a member of the NSC team of 1925 and threw two touchdown passes to set up a 39-12 victory. Keeth was a sophomore sensation for La. College when they beat NS Cin 1938.

FOOTBALL PREDICTION RULES

1. Any student of Northwestern State College is eligible.
2. Students are limited to one entry per week.
3. The entrant must predict the winning team and possible final score of all games.
4. All entries must be signed.
5. The prize is two free passes to the Don Theatre. Duplicate prizes will be awarded in case of ties.
6. All predictions must be in the Current Sauce office by 2:00 p. m. Thursday.
7. Failure to follow any one of the rules disqualifies an entry.

GAMES TO BE PREDICTED THIS WEEK

U. C. L. A.-Stanford
Rice-S. M. U.
Purdue-Notre Dame
Maryland-Navy
LSU-Georgia
Minnesota-Illinois
California-Santa Clara
Tulane-Mississippi

ROTC RIFLE TEAM—These cadets are practicing the fundamentals of firing .22 calibre rifles, such as the position of the rifle and sighting. This takes place on the modern rifle range which was recently completed.

Ross Offers Vocational Counsel Here

Everyone makes mistakes. A common mistake of college students is getting into the wrong field .To overcome this, a change of major must be made.

Often a change of major results in lost hours and requires a student to go extra semesters. To make sure one gets into the right field either at first or on the "second time round" one should take I. Q. aptitude, and interest tests.

Here one may take these tests in the counseling office in Caldwell Hall. Mr. Charles Ross, vocational counselor, offers personality and academic tests, too.

The first step in determining one's major field of study is taking the I. Q. or native ability test. The test is divided into several parts. In one part there are words to be defined. Copying designs with colored blocks, putting together jigsaw puzzles, and arranging pictures in proper order make up another part.

What is a general test without mathematics? The I. Q. test has its share. All problems are worked without benefit of pencil and paper.

One's memory span is tested by repeating series of numbers after one hearing. Saying them backward is quite a trick.

No personal records are kept, so if one can work only one math problem or repeat just four numbers, no one will ever know. Since Mr. Ross has counseled almost 6,000 people, it is highly improbable that he will remember who did what.

The vocational interest test used here is the Kuder Preference test. One is given lists of three activities, and with a pin, punches holes by the ones he would like to do most and least. The holes make a pattern from which the counselor can determine what the student likes to do best.

The aptitude test is a combination of the I. Q., vocational interest, academic achievement, and personality tests from the standpoint of one particular field. It tells how much the student will be able to accomplish in that field.

Although not absolutely essential to take in changing one's major, the personality test does help determine how the test-ee will react to situations which may arise in his chosen vocation.

Too, if a person would like to know just exactly what kind of personality he has and what corrections, if any, need to be made, the personality test is what he should take. The test consists of questions which are answered "yes" and "no."

The counseling department was set up in 1944 by the college for use by the Veterans Administration for counseling and testing veterans in this part of Louisiana. As the years passed, the number of veterans counseled decreased, and the college began taking over.

Pan-Hellenic Announces Rush Rules

So that the freshmen girls who are eligible to be rushed by the sororities at Northwestern, may be more acquainted with the rules regulating them, Pan-Hellenic is publishing each week some of these rules.

Section I Time of Rushing

A. Organized rushing will begin the tenth week of the semester.

Section II Rules to govern the ten weeks before bidding.

A. During this time all talk of sororities shall be kept to a minimum. (no rush talk)

B. During this time all excursions with prospective rushees shall be "dutch."

C. No visiting is allowed in sorority rooms or houses during this period.

Section III Rush parties

A. These parties shall be in the same consecutive order as in previous years.

B. Order of parties

Monday, November 10, Delta Sigma Epsilon, informal; November 17, formal.

Tuesday, November 11, Sigma Sigma Sigma, informal, November 18, formal.

Wednesday, November 12 Theta Sigma Upsilon, informal; November 19, formal.

Thursday, November 13, Phi Kappa Sigma informal, November 20, formal.

Friday, November 14, Alpha Sigma Alpha, informal; November 21, formal.

Section IV Bids

A. Bids shall be issued to all rushees on the Sunday following the last rush party.

B. No girl shall be issued a bid who has not made a "C" average for the first nine weeks.

Phy. Ed. Professor On Editorial Board Of Frat Paper

Guy W. Nesom, Northwestern State College faculty member, was recently named to the Editorial Board of "The Physical Educator," the official publication of Phi Epsilon Kappa, a national professional fraternity, affiliated with the American Association for Health, Physical Education and Recreation.

The Editorial Board consists of nine physical educators from Pennsylvania State College, University of Minnesota, Federal Security Agency, State University of Iowa, Northwestern State College, University of Oregon, Los Angeles Board of Education, the State Board of Education of Maryland, and Michigan State College, along with the Editor, C. O. Jackson, University of Illinois.

Phi Epsilon Kappa, founded in 1913, now has more than forty chapters in colleges and universities of the United States.

It is the only national professional fraternity for male students and teachers of physical education.

The Northwestern State College group was formed in 1950 as the Alpha Pi Chapter of Phi Epsilon Kappa. The only other Southern college having a chapter of the National Professional Fraternity on its campus is Wake Forest University.

ROTC Announces Cadet Officer Appointments

Cadet officer appointments and assignments in the Northwestern R. O. T. C. were officially released for publication this week by Lt. Col. James Bowman, professor of military science and tactics for NSC.

The appointments of rank and assignments of duty were made by the military science department. They were based upon the academic grade, the previous work in military science, and the leadership ability of the cadet.

The officer appointments were limited to the advanced (third and fourth year) students. Some of the advanced students were appointed as non-commissioned officers.

Colonel Bowman pointed out that the appointments will carry through the entire school year.

David Carson of Shreveport was assigned Cadet Battalion Commander and given the rank of Cadet Lieutenant Colonel. His staff consists of Cadet Major Ronald Gilliland, cadet executive officer and S1 (Adjutant); Cadet Major Ben Duhon, S-3 (plans and training officer); Cadet First Lieutenant Don Finley, S-2 (public information officer); and Cadet First Lieutenant John Batten, S-4 (supply officer).

Cadet battery commanders with the rank of Cadet Captain are Lowell Starns of "A" Battery; Robert Durham, "B"; Sammy Boras, "C"; and Cecil Nielson, "D."

Cadet battery executive officers with the rank of Cadet First Lieutenant are Jerry Isles, Byron McCain, James McMurray, and Ronald Quinn of A, B, C, and D batteries, respectively.

Appointed the rank of Cadet Second Lieutenant and assigned as either platoon leader or assistant platoon leader in one of the batteries are Joe Barkate, Ben Brewton, Ronald Byrd, Gerald Carter, Bobby Ernest, Myron Fleming, Wayne Hennigan, Charles Holloway, Vincent Hotho, Hunter Jenkins, Ed Jordan, Robert Justiss, Gerard Kehoe, David Kendrick, Hugh Mercer, Bobby Norris, Owen Phillips, Bill Shaw, and Pat Todd.

Miss Beverly Andre Clinical Coordinator Of Shreveport Division

Miss Beverly C. Andre has recently assumed the directorship of clinical education of the Shreveport division, department of nursing of Northwestern State college.

Miss Andre, who is a native of Chicago, received her nursing diploma from Norweigan American hospital in Chicago, and her B. S. and M. S. degrees at Immaculate Heart College in Los Angeles, California. She has also done undergraduate work at Catholic University, Washington, D. C. in this field.

Before joining the Northwestern State college faculty, Miss Andre was with the Army Nursing Corps for two years, serving eighteen months in the European Theatre during World War II, and was an instructor at Charity hospital in New Orleans. She was director of clinical education of the Monroe Nursing division of Northwestern, and served as acting director of the department of nursing on the college campus at Natchitoches during the summer, before the arrival of Miss Hilda Burnham, the present director.

Other new faculty members of the Shreveport nursing division include Mrs. Marilyn Steadman, instructor in nursing, and Miss Dorothy Waters, clinical instructor for Highland sanitarium, one of the hospitals affiliated with the Northwestern collegiate nursing program. Mrs. Steadman is a graduate of the Baptist Hospital School of Nursing, Alexandria, La., while Miss Waters received a B. S. degree from Louisiana School of Nursing at Pineville, La.

ANNOUNCEMENT

The first meeting of the Northwestern State College "N" Club will be held Monday, October 13, at 7 p. m. in the Men's gym.

Purple Jackets Hold Style Review Last Thursday

The Field House was the setting for a gala evening, Thursday, Oct. 9, when the Purple Jackets presented their style review.

A large crowd, composed of both college and townspeople, gathered to see the latest in fashions furnished by downtown stores, Keegans, DeBlieux and Hughes. Winnie Dowden and Eddy Gene Elliott provided the script, which told of the main features of each of the garments. College girls, adults and children showed the latest in fall fashions from a runway where all the clothes could be viewed to best advantage.

Background music was provided by the Natchitoches Symphony orchestra, under the direction of Mr. Joseph Carlucci.

Following the style show, a dessert and coffee were served the guests. The complete program was under the direction of Mrs. Eola Rooks.

The Purple Jackets plan to use the money they earned to go to Monterey, Mexico during the Easter holidays.

Valid Information For All Students Concerning Draft

All male students of Northwestern should inform the office of student personnel of their local board classification and selective service number so that the college may certify to the draft board that the student is enrolled in college.

Students who just became 18 need not necessarily report to their local draft board in order to register as they may register at the Natchitoches board and have threir records forwarded to the home board.

Mr. Fulton said all students are urged to report for their physical examinations as directed. If they have kept their local board properly informed, orders for induction may be sent to those in 1-A but included in the envelope would be found a cancelation of those orders and a change in classification to 1-SC to which a student is entitled only once.

If at the end of the college year the student's grades are high enough he may be placed in 2-S which gives him another year in college. He may be granted this deferment as long as his grades place him in the upper portion of the class as compared to other male students.

How do you like the Current Sauce? We want to hear your opinions, so let's have some letters rolling in.

Dowden To Reign Over State Fair Activities Tomorrow

La. Tech Hosts To Northwestern Group At Banquet

Chartered busses carrying the band, the Demonettes and students will leave from the power plant tomorrow morning at 6:30 bound for Shreveport and the traditional Northwestern State-Louisiana Tech football classic at the state fair.

Kick-off time is 2:30 at the Fair Grounds stadium with the pre-game presentation of the queens and the courts of the two schools to take place at 1:45.

Chosen by the student council, Northwestern's royalty are Winnie Dowden, queen; Marie Tilleux, maid of honor; Patsy Winkler, Clydia Mae Beacham, Claire Lucuis, Claudine Box, Marilyn Snoddy Louise Vick and Thelma Ruth Stephens, maids.

The pre-game parade in Shreveport will get underway at 9:30 in the morning. The groups will form on Crockett street, move down Milam street to Market, then over and up Texas street to Louisiana avenue.

Tech will be host at a banquet which will be held in the Crystal ballroom of the Washington-Youree hotel at 11:00. Attending will be the student councils of the two schools, their queens and courts, the bands and cheerleaders and President and Mrs. H. Lee Prather of Northwestern, and President and Mrs. R. L. Ropp of Louisiana Tech.

A radio broadcast usually held on the campuses of the two schools on the Friday preceeding the ball game has been canceled this year but will be resumed next year.

The Tech band and marching group and the Northwestern band and Demonettes will combine formations at the half-time ceremonies, executing a theme centered around the Community Chest drive.

STATE FAIR QUEEN AND COURT—Miss Winnie Dowden (center) will reign over State Fair activities in Shreveport tomorrow night. Others are (left to right) Patsy Winkler, Clydia Mae Beacham, Claire Lucius, Marie Tilleux, maid of honor, Claudine Box, Marilyn Snoddy, Louise Vick, and Thelma Ruth Stephens.

NSC Journalists Tour Shreveport Journal, Engravers

Students of journalism and printing were visitors of The Shreveport Journal Tuesday afternoon and were shown through the plant by editorial department staff members.

Those making the trip were members of the basic journalism course and the editing course of the NSC journalism division and of the graphic arts introductory course of the Industrial Arts department.

Accompanying the students were John Merrill, assistant professor of journalism, and Roy Clark, insructor of printing and director of the NSC print shop.

The students were shown newsroom procedures and were taken into the mechanical department of The Journal and shown how type is set and other processes in the production of a daily newspaper.

Making the trip were the following students: Bob Dwyer, Myron Fleming, Frances Grififn, Floyd McBride, Dallas Roper, Audrey Hays, James King, Richard Methvin, Haywood Rachal, Gale Robinson, Dick Sillavan, Joe Withers, Vernis Wright, Merle Thomas, David Adams, Tom Finley, Sam Gallagher, Hilrey Holman, Harold Laroux, Kenneth Lee, John Mattor, Ben O'Neal, Tom Weaver, and Arlis Teekell.

Cold shots are still available at the college Infirmary. Everyone is urged to take them as soon as possible.

College Orchestra Hard at Work

With another school year well underway, the members of the college orchestra, under the direction of Mr. Joseph Carlucci, are busily engaged in preparing for their many appearances during the fall semester.

On October 9 the orchestra provided the background music for the style show sponsored by the Purple Jackets in the Student Center, and on October 23 and 24 it will perform pre-curtain music for the play to be presented by the drama department. Two programs are planned for November and then rehearsals with the college chorus will begin in preparation for the annual presentation of Handel's "Messiah" in December.

There has been renewed interest in the orchestra as a civic, as well as college, enterprise and many talented townspeople have been solicited for their services. Several have already responded and it is hoped that many more will do so in the future.

Miss Sarah Guitar, talented young violinist and new string teacher at NSC leads the string section. Other faculty members are Miss May Beville and Mr. Don Glattly, violins, and Miss Eleanor Brown, piano.

Student members are Linda Shows, violin; Evelyn Smith, viola; Barbara Brittain, Nelwyn Potter, and Marjorie Norsworthy, cellos; Owen Phillips, Curtis Hoglan, and Dorothy Corry, basses; Hardy Rose, oboe; Carroll Adkins, Marcia Dauzat, and Lorraine Vaughn, clarinets; Peggy Jo Taylor, bassoon; Byron McCain and Jim Beltz, horns, Jack Shook and Gordon Young, trumpets; Max Burns and Dave Carson, trombones; Tommy Lathan and Kamal Kathey, percusion.

Other members are Miss Julia Pace, Mrs. E. G. Shields, Mrs. Ruth Makar, and James Hyde, violins; Jerry Fuller, viola; Gloria Jean Salter, cello; Earline Usrey Fuller, bass.

NOTICE

All students who desire to do student teaching next semester or next summer may now make application by filling out the necessary forms in Dean Robson's office or my office. It will be to your advantage to make your applications immediately. If you are in doubt, I should like to discuss the matter with you.

JOHN A. JONES,
Director of Teacher Training.

'The Royal Family' Sensational Play Begins Thursday

The curtain will go up Oct. 23 on "The Royal Family," the latest production of the speech department, as a final climax to long weeks of preparation and rehearsing. The overture will be played by the Northwestern orchestra under the direction of Mr. Joseph Carlucci of the music department.

The posters advertising this play were done by Mr. G. F. Kenner, as was the cover design for the programs.

Dr. Edna West, producer of the play, has set a goal of 1000 for the complete run of this production. It is urged that all students take advantage of the opportunity and attend a performance. Dr. West, together with all of the students who have worked to help make the play a success would like to extend to all a most cordial invitation to see this, the life story of the fabulous Barrymores.

The entire cast and crew joins in thanks to Mr .Carlucci and Mr. Kenner for their help in making this an attraction you will not want to miss.

Mr. Guy Maier To Conduct Classes For NSC Pianists

One of America's most famous pianists and educators, Guy Maier, will conduct classes for performing pianists and auditors at Northwestern State College, Nov. 3, 4, and 5.

Sponsored by the music department at NSC, Maier will conduct daily classes for teachers, young students and advanced students and will present a concert at 8:15 p. m., Nov. 4 in NSC's Fine Arts auditorium.

Presently a professor of piano at UCLA, the well-known specialist on Mozart has developed several of the present-day young concert pianists and has presented his master classes all over the country. He is editor of the "pianists page" of the Etude music magazine.

Admission charges for the Nov. 4 concert are $1 for adults and 50c for students, Paul Torgrimson of the NSC music faculty and chairman of arrangements, announced.

Square Dance Club Now Organized; Officers Named

At the weekly square dance, Wednesday night, October 15, records were not used. The music was furnished by Dudley Downing, fiddle; Bob Nutt, mandolin; Jack Simpson, bass; Stanley Knotts and Fred Packard, guitar. The dancers were convinced that the players had a decided professional touch, even though their experience was limited.

At a meeting of the Square Dance Club last week, officers were elected. They are Bill Collingsworth, president; Sammy Booras, vice president; and Mary Jo Brosset, secretary-treasurer.

At this week's meeting these officers appointed three committees: membership, publicity, and refreshment. Those on the membership committee are Bobbie Hale, John Cunningham, Curtis Gros, Lois Todd, Jadwin Mayeaux, Waple Lilley, and Beth Trammel. Members of the publicity committee are Delano Brister, Pat Murphy, Vernon Crnkovic, and Peggy Forbes. Those on the refreshment committee are Peyton Cunningham, Red Smith, Eddy Gene Elliott, Julie Cussachs, and Alice Phelps. Dues were set at 50c per month. Twenty cents admission will be charged all non-members attending the dances.

Refreshments will be served at next week's dance, which will begin at a new time—six o'clock.

NOTICE

Once again the Current Sauce is running a football prediction contest. Everyone at NSC can enter and the rules are simple.

Demonette Group Elects Officers

The Demonettes are off to a good start this year with thirty-eight active marching squad members.

Officers were elected as follows: Tommie Blackbourne, president; Adrienne Averitt, vice president; Gerry Perry, secretary; Winnie Ruth Hutson, treasurer; Tommie Blackbourne, field captain; Winnie Ruth Hutson and Gloria Schumaker, lieutenants; Mary Catherine Gordy and Barbara Montgomery, assistant lieutenants; and Clarice and Janice McDaniel, reporters.

The Demonettes have performed with the band at the halves of the McNeese and Louisiana College games.

The Demonettes expressed their thanks to Sgt. Trout for having patience with their marching.

Miss Jean Maeys Tells Tales Of European Tour

The highlight of the PEM Club meeting, Thursday, October 9, was Miss Maeys' report of her trip through Europe. She spent this past summer there as tourist and visitor. Miss Maeys told the group of the customs and folkways of the European people. She showed the club slides and pictures which she had taken of the beautiful scenery of the country. One especially interesting topic was the World Olympics.

Sue Wheat, a member of the PEM Club, also visited in Europe this summer.

Write letters to the editor. We want to hear your views.

Miss Mary Henderson to Be Featured In First Artist Series, October 30

On October 30 at 8:15 in the Fine Arts auditorium the first Artist Series of the fall semester will feature Miss Mary Henderson, one of the fine young sopranos of our day. Since her warmly-applauded debut at the Metropolitan Opera in 1946, Miss Henderson has been one of the most popular young artists on the opera or concert stage.

Born in the little village of Longueuil in the Province of Quebec, Miss Henderson was raised in a family in which music was as necessary as food and drink. Although neither of her parents was a professional musician, both were extremely fond of music. Little Mary was taken to every show, concert, lecture or recital which could possibly be termed even slightly musical.

However, Mary was far more interested in music as a complement to her dancing than in music itself. She studied dancing for several years before she decided to make music her career. Even then, she majored in violin, not voice, in her music course at McGill Conservatory in Montreal, and graduated with a degree of Licentiate in Music.

Anxious to go on with her voice training, Mary Henderson came to New York to study. When she returned to Montreal, after a year in New York, she was engaged for regular broadcasts with the Canadian Broadcasting System and sang as a soloist with church choirs.

In 1946 Miss Henderson became a member of the Metropolitan Opera Company after an audition in which she replaced Mme. Albanese in the title role of Mme. Butterfly in a rehearsal. Mme. Albanese recovered in time to sing the performance, but Miss Henderson's impressive singing at the rehearsal was not forgotten. She was offered a contract, and made her debut one month later as Micaela in Carmen.

MARY HENDERSON

Since her success at the Metropolitan Opera, Mary Henderson has sung with Opera companies outside the United States and with symphony orchestras throughout North America. She has made numerous appearances on the concert stage, and has been heard frequently on radio and television network programs. For two years she was soloist on the Canadian Industries Limited "Serenade" radio program over the Canadian Broadcasting System and this past summer she was guest on the famous Chicago Theatre of the Air.

LIBRARY

Council Minutes

The Student Council met in the faculty room of Caldwell Hall on October 10 at 6:00. Present were Leland Landgridge, Ronnie Quinn, John Manning, Claudine Box, Ben Singletary, Winnie Dowden, Mary Sue Bellew, and Dean Fulton.

The idea of a point system for Northwestern was mentioned. The following committee was appointed to study the problem: Ben Singletary, chairman, John Manning and Claudine Box.

The committees for the state fair work reported having functioned.

There will be no preliminary broadcast before the State Fair game as has previously been the procedure. The dummy will not be hung. There will be no pep rally at the Shreveport court house before the State Fair game, but the parade will go on as slated.

Possible dates for the meeting of the Student Federation of Louisiana Colleges and Universities was discussed, since the fall meeting of the association will be held on this campus. December 13 was the date decided upon.

The meeting was adjourned at 6:45.

Respectfully submitted,
MARY SUE BELLEW,
Secretary.

Homemakers Club Meet on Campus

The Homemakers Club of Natchitoches met Tuesday afternoon, October 14, in the Home Economics building.

Presiding at the meeting was Margaret Ackel, president. In the discussion of business, the social service projects of the club were reported on.

The program that followed was "Highlights from the American Home Economics Convention," given by Mrs. Frances Halm, home economic faculty member, and Patsy Winkler, home economics student and national secretary of home economics college clubs.

Delicious refreshments were served by the co-hostesses, Mrs. Iola Rooks and Mrs. Tressie Vickers.

Those members attending were Mrs. Marie Dunn, Mrs. Maureen McClendon, Mrs. Frances Halm, Mrs. Margaret Ackel, Mrs. Roberta Smith, Mrs. Mamie Younger, Miss Minnie Lee Odom, Mrs. A. N. McBride, Mrs. James E. Williams, and the hostesses.

Potpourri Prints

Thursday, October 16, was the final day for showing Potpourri proofs on the campus.

All persons who have not yet seen their proofs may do so any time Monday and Tuesday, Oct. 20 and 21 at Guillett's Studio.

Anyone desiring additional prints of his class picture may obtain them at Guillet's Studio. These additional pictures will be printed upon a deposit of one half of the total amount of one's order.

MISS JENNIE MARMANDE is the 1952-53 Pan-Hellenic president. Miss Marmande, senior French major from Houma, is also president of Delta Sigma Epsilon social sorority.

State BSU Convention To Convene At Shreveport Church

October 17, 18 and 19 mark one of the biggest events of the year for all Louisiana Baptist students. The annual state Baptist Student Union convention will be held at Queensborough Baptist church in Shreveport at this time. Last year the convention was held in New Orleans.

The local BSU has set as its goal 101 students from Northwestern attending the convention. The theme of convention is "Christ Must Reign" and will feature outstanding personalities such as Dr. Ramsey Pollard, Knoxville, Tennessee; Dr. Floyd Chaffin, executive secretary Louisiana Baptist Convention; Dr. Loftin Hudson, Kansas City, Missouri, and author of two outstanding books in the field of philosophy; and Dr. T. B. Maston, head social ethics department, at Southwestern Seminary, Fort Worth, Texas.

Also taking part in the program of activities will be three NSC students: Byron McCain, BSU president at NSC; Claudine Box, women's enlistment vice president; Marilyn Mottre, freshman "Chain" editor.

Two students from Northwestern, Claudine Box and Winnie Dowden, will serve on the State BSU council at the convention.

Buses for convention will leave the front of the Religious Center at 4:00 Friday afternoon. Girls attending must have special permission from their parents filed with the Dean of Women prior to this time. Bus fare will be $1.50 for a round-trip ticket. The buses will return about 3:00 Sunday afternoon. Rooms will be afforded students without charge, but meals will be the responsibility of the individual.

A full calendar of events and activities have been planned, but the convention will terminate for the clash between our NSC Demons and the Tech Bulldogs on Saturday afternoon. Anyone planning to attend the convention, contact Miss Myra Gullege in her office in the BSU room.

ABA Fraternity Initiate Activities With Weiner Roast

Alpha Chapter of Alpha Beta Alpha, national library science fraternity at NSC began its fall activities with a hay ride and weiner roast Friday, Oct. 10, honoring its prospective mebers.

The truck filled with a happy crowd of students left the power plant at 7:15 and headed for college wells where they were welcomed by John Nugent who was presiding over a huge bonfire smoldering with red coals.

The following students and the sponsors, Mrs. Lucille T. Carnahan and Dr. Eugene P. Watson, enjoyed the outing where roasted weiners, buns, marshmallows, cookies, potato chips and other delicious foods were served: Annette Dahley, Dorothy Carnahan, Bill Wiliams, Curley Williams, Jerry Perry, Patsy Lanklois, Sally Thibeaudeaux, Barbara Gray, Barbara Bremer, Millie Thompson, Tommie Blackbourne, Fleming Thomas, Claire Lucius, John Nugent, Ben Singletary, Fay Book, Nancy James, Nancy Jacobs, Robert Joynes, Chico Ramerez, Bobbie Hale, and Roy Fair.

NSC Highlights

By MARY SUE BELLEW

This week the Highlights will be none other than the annual clash between the DEMONS and the Tech Bulldogs which takes place at Shreveport tomorrow as the State Fair begins. Student Body, let's be there and back up our team.

Congrats to the State Fair queen, maid of honor, and her court for they really deserve this honor. These girls were selected on the basis of their participation in student activities and their contributions to the school.

Students, this week has been declared as National Letter week so if you have been putting off writing Mom, now is the time to get that epistle in the mail.

By now everyone has seen his proofs of pictures for the Potpourri. Hope everyone likes the results.

Men's intramurals in touch football are well underway.

Women's intramurals began this week in volley ball. The games are being played in the women's gymnasium.

And this week, as usual, life on the NSC campus rushes on—where the time goes, nobody knows—studying, going to classes, drinking coffee in the field house, dating, attend Vespers and Rosary, and walking to club meetings.

Mathematics Club Holds Meeting

A new constitution was presented and adopted by the NSC Mathematics Club at its regular meeting in Caldwell Hall on Thursday night, October 9, according to a report by David Lewis, reporter for the club.

After the presentation and adoption of the constitution, Bobby Ernest gave a very interesting program on mathematical curiosities.

The next meeting of the club will be next Thursday night in Room 10 in Caldwell Hall at 6:30. Braxton Ratcliff will present a program entitled "Twen ty-five Point Geometry."

Sigma Alpha Iota

The SAI pledges met wtih the members Wednesday night for a choral rehearsal directed by Sallie Jo Foster. The new pledges are Carolyn Adams, Patricia Jones, Harriette LaCour, Bessie Bell Serrett, Mary Ann Walton, and Mildred Young.

After the rehearsal the regular members held a business meeting. Yearbooks were issued and plans were made for coming events. The selection of new faculty advisor was discussed and the decision will be made at the next meeting.

SAI is delighted to have Miss Guitar, a new faculty member, in the group.

☆ ☆ ☆

Alpha Sigma Alpha

Mrs. Eunice Kennedy was welcomed into ASA Tuesday night at six o'clock as sponsor of the sorority. We are very happy to have her with us.

Wednesday night, the house was a scene of bustling activity as the Alpha Sigs' mothers began planning the re-covering of the window seats and divan.

Mona Grey Miller, Bernsdale Blankenship, and Claire Lucius were elected last Tuesday night to ride the Homecoming float.

The Alpha Sigs were delighted to hear from Camille Rambin, one of their former members. Camille is now in Morgan City and is employed by the Ford Motor Company.

☆ ☆ ☆

Lambda Zeta

Last Saturday, Lambda Zeta fraternity held mock initiation for pledges. Lester "Chico" Deville, Henry "Tuger" Wolton, James Hayes, and Don Whithorne became members after their formal initiation Tuesday night.

Doctor Allen Crosby has been chosen faculty sponsor. Before this, Dr. Crosby was with the fraternity as an honorary member.

The Zetas are making big plans for their annual fall formal, the Zeta Room, to be held November 22. At this time the Sweetheart of Lambda Zeta will be presented. Plans are also underway for the Homecoming Parade Float.

Here for the Tuesday night meeting were Jimmy Johnson and Robert "Popeye" Allen. Also there was for George Ware. Welcome back Dr. Ware!

From Baton Rouge, we hear Brother Ronald Martin is studying hard at LSU Law School.

Dr. Bruce Mason, formerly of the University of Texas, was a visitor at the last meeting.

Among the cast of the first fall production, "Royal Family," are Ben Duhon and John Boogaerts, Jr. Charles Wood has been appointed new inter-fraternity councilman.

☆ ☆ ☆

Sigma Sigma Sigma

To Thelma Ruth Stephens goes the Tri Sigmas heartiest congratulations on being selected a 1952 State Fair maid!

The Tri Sigs were honored Tuesday night by having at their meeting Mrs. Marian Nesom, alumni sponsor, and Mrs. Corinne Duffy, president of the Natchitoches alumni chapter.

The various committees for the formal rush party met several times this past week and made definite plans regarding the party. Several good ideas developed from the group discussions and they hope many more will be forthcoming.

Chairman of the song committee, Joan Evans, called for several special song fests needed in order to learn the many songs called for by the program of the Leadership Conference to be held here next month.

According to the National Executive Office, December 1, 2, and 3 are to be the three days designated for the national tests given to the members of each chapter of Tri Sigma every year.

Do you need money? Then why not borrow some from the Student Loan fund. Contact Jackson Beebe, treasurer.

Pi Kappa Sigma

The Pi Kaps and their dates enjoyed a fine evening, Monday, October 13, when they met at the Pi Kappa Sigma house for a party.

Pop corn popping, cake making and munching on cookies provided by their sponsor, Miss Phillips, occupied the interests of the group for awhile, but soon the phonograph began to make itself heard and the Pi Kaps were enjoying a real jam session.

Those attending were Kathleen Ray, Patsy Winkler, Louise Vick, Sarah Cook, Marilyn Snoddy, Glynn Ellen Pennington, Lyn Rutledge, Sue Rhodes, Sarah Cutrer, Rose McWright; "Drink" Barker, Frank Baronne, Lowell Starnes, Ed Bacilla, Paxton Willis, R. A. Butler, Bobby Sanders, Harold Laroux, Joe Barkate, and Bill McCoy.

Tuesday night's meeting proved very successful, too. The girls decided on the theme of their rush party and their float, and plans are being made to go right to work on both.

Congratulations to Patsy Winkler, Marilyn Snoddy, and Louise Vick on being chosen as maids for State Fair game in Shreveport.

On Saturday, October 11, Patsy and Marilyn attended the State F. H. A. meeting in Alexandria where they were recognized as past district and state officers of this organization.

On Friday, the 14th of this month, Patsy was the guest speaker at the Natchitoches Homemaker's Club. She told the group of the American Home Economics Convention which she attended this past summer in Atlantic City, New Jersey. She is now serving as national secretary. Quite an honor, Patsy and we are proud of you.

☆ ☆ ☆

Theta Sigma Upsilon

The Theta Sig's are busy with their formal and informal rush party plans and ideas and are also making plans for their homecoming float and a party which Miss Stockwell is planning for the members.

Congratulations go to Audell Peevy for being chosen treasurer of the film library committee; to Betty Sue Boydston for receiving a role in the play "The Royal Family"; and to Pat Hankins who was selected as one of the maids in the Cen-La court. The Theta Sigs were delighted to see Maurine Gray, an alum, at the Cen-La game.

A letter from Ann Powell, another alum, stated that she will visit with us at Homecoming. All members are looking forward to seeing her.

Delta Sigma Epsilon

Delta Den was the scene of big doings last Tuesday night. At 5:30 the Sigma Taus marched in on the DSE's with a tub of iced Cokes, trays of assorted cookies, a phonograph and a stack of records. After short speeches and introductions were given by the presidents, Peggy Marmande and Red Miller dancing and singing provided entertainment for the Delta Sigs and Taus.

A short business meeting was held after the party was over. Our homecoming float and rush parties were discused.

Congratulations to our Marie Tilleux. "Tillie" was elected maid of honor for the NSC-Tech State Fair game.

ROTC SPONSORS—Miss Louise Vick (center) was selected Battalion sponsor of the ROTC. Battery sponsors are Winnie Dowden, LaJunn Hust, Glynn Ellen Pennington, and Sue Miller.

Canterbury Club Extends Invitation To All Interested

New officers of the Canterbury club began their year's duties last Monday evening. The meeting was called to order by Eddie-Gene Elliott, the new president. Other officers are Lowell Starnes, vice president, and Barbara Brittain, secretary-treasurer.

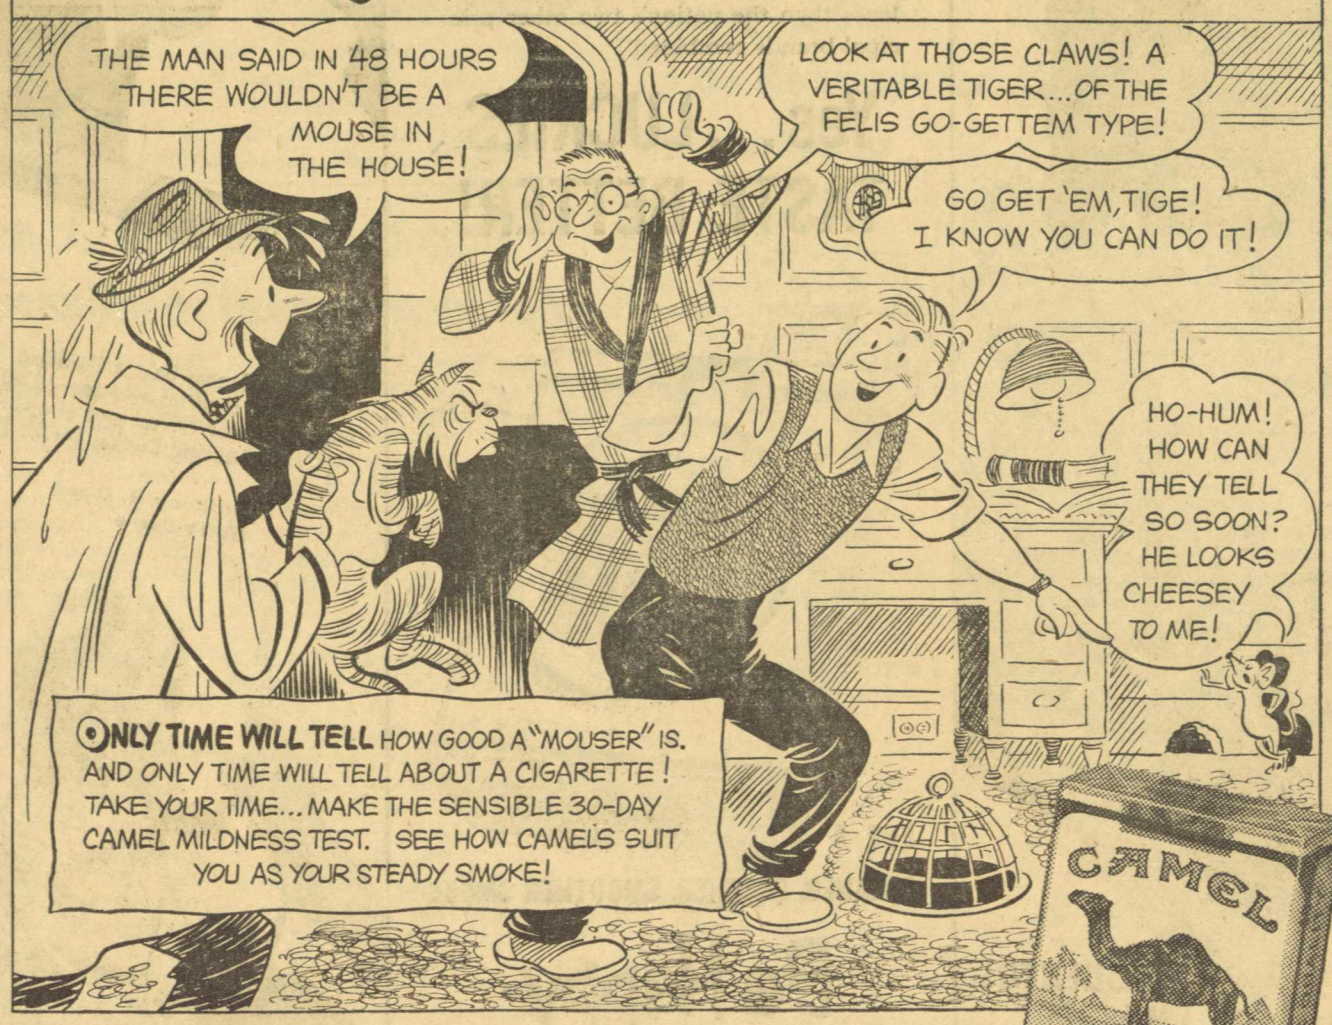

Plans for the annual Hallowe'en party were discussed and decided upon.

The members of the Canterbury club have already enjoyed their first social activity which was on October 12, at the Rev. Wilson's home.

The members wish to extend an invitation to all those interested in participating in the Canterbury Club, and all of the Episcopal youths are urged to attend.

NSC Demons Aim To Muzzle Bulldogs In State Fair Game

Tech to Protect Undefeated Record
NSC Seeks to Upset Pre-Game Dope

A grim but determined band of Demons will trek to Shreveport, La. and the State Fair Ground's football stadium tomorrow afternoon in an attempt to muzzle the vicious Bulldogs of Louisiana Tech. Once again the Demons will be rated the under-dog, however if the Purple and White display the spirit of last week's encounter with La. College then the Techsters better dig in and grit their teeth.

This contest will pit two grid machines against each other whose records are complete oposites. Louisiana Tech is undefeated thusfar this season while the Northwesterners have only mustered one victory. Comparative scores of common oponents would mark the Ruston lads as very heavy favorites. In actuality, though, these scores become meaningless the moment these traditional rivals cleat the turf.

There was a great improvement in the Demon eleven as seen in the Cen-La fracas last week when they outplayed the Wildcats of La. College in everything but the score. Here the Turpin boys had to settle for a 0-0 tie. Four times the Demons drove past the Wildcat's 20 yard line, and twice they came within five yards of a glory marker. Two fumbles, however marred the Purple and White from scoring.

The NSC-La. College game didn't harrass the Demons as much as previous tilts have concerning injuries. But there is evidence that the services of Junior Turner and Johnny Haynes will be missed considerably. Both men are out of commission as a result of last week's game.

While the Demons were battling in Alex, Louisiana Tech managed to capture a 34-6 victory from the Central Oklahoma State Broncos. However the highly touted Techsters proved that they are not inconquerable as they were quite bewildered by the westerners for the major part of the first half in last week's encounter. The Ruston lads left the field at the half-time with a slim lead of one point, 7-6.

In tomorrow's fracas, the Demons will thrust their offensive power against the Blue and Red in the form of three speedy backs, "Red" Smith, Raymond McFadden, and George Perkins. These ball-toting gridders will be geared by Dan Carr or possibly M. D. Ray, the Purple and White aerial artist who is currently nursing an early season injury irritated in last week's battle with La. College. The defensive hopes of the Demons will rest on the performances of Joe Barkate, Clyde Chesson, and Raymond McFadden.

In the driver's seat of the Tech T-formation will be Jimmy Brown, a senior signal-caller from Idabel, Oklahoma. The main threat of the Ruston team will be in the person of Jackie Martin, a sophomore halfback from Haynesville, La. Other sparkling runners from Tech are James Oliver, a fullback from Bossier City, two halfbacks, Charles Wyly and Russell Rainbolt, and Mildord Andrews, a frosh quarterback from the 1951 Delhi championship team.

Tech, no doubt, is at its full strength. Northwestern, no doubt, knows it. But Northwestern also knows that records are made only to be broken, and that pre-game predictions are one person's opinion. If a team is determined to win, there is nothing to stop them. The scene is set for tomorrow afternoon; the drama will unfold. Can the Demons defeat Tech????? Will the Demons defeat Tech???? You darn right they will . . . . . if they are DETERMINED.

Men's Intramurals

By BILLY BAKER

Phi Kappa Nu's touch football team continued to roll thru Intramural play without a defeat as they downed a hard fighting Rebel Hall crew 18-14, and then took the measure of the Frames 21-6. Leland Langridge and Rudy Berlin threw passes to Yogie Barth and Wilcey Champagne for the first two Phi Kap scores, and Langridge ran 30 yards around end for the final marker.

A potent combination of Pat Lyons to Archie Worsham and Worsham to Lyons accounted for the only Rebel tallies. Bush and Pacheco made the extra points.

South Barracks is rapidly becoming a strong contender in league play. They went through the week without being scored on while downing Sigma Tau 14-0 and Rebel Hall 12-0.

The Chowhounds handed Sigma Tau their second straight defeat o fthe week by taking a 12-7 decision. The arm of Carl Kaite accounted for all Hound scoring as he hit Homer Thomas and Casey Bryant in the end zone for both touchdowns.

The Frames weren't completely shut out by beating the Chowhounds 12-0, in one of the week's best defensive battles.

A full slate is scheduled for next week with all games being played on the Intramural fields behind Warren Easten Hall.

Next Week's Schedule:
Field No. 1

Oct. 20 South Barracks vs. Frames
Oct. 21 Rebel Hall vs. Sigma Tau
Oct. 22 Chowhounds vs. Rebel Hall

Field No. 2

Oct. 20 Chowhounds vs. Phi Kap
Oct. 21 Phi Kap vs. South Barracks
Oct. 22 Frames vs. Sigma Tau

Touch Football Standings

Team	Won	Lost	Tied	Pct.
Phi Kap	3	0	1	.750
S. Baracks	2	1	1	.600
Frames	2	2		.500
Chowhounds	1	1	2	.500
Sigma Tau	1	2	1	.375
Rebel Hall	0	3	1	.125

P. E. Fraternity Initiates Members

The Alpha Pi chapter of Phi Epsilon Kapa, national professional Physical Education fraternity, held an initiation meeting last Monday night in the Men's Gym.

President Charles Ertell listed the requirements for membership and among them he included scholarship, above a "C" average in all work, and professional attitude.

Ertell announced that the following men students were initiated: Roy Barker, Sammy Booras, Delton Brady, Ellis Bruce, Johnny Buck, Dan Carr, Charles Chauvin, Billy Eugene Christmas, Johnnie Emmons, Jerry Epperson, Gerald Furr, Donald Gill, Jennings Hanchey, Tynes Hilderbrand, Gerald Kehoe, Carl Knight, Waple Lilley, George Perkins, Dennis Ryder, James Turner, David Tyler, Walter Walker, Carney Watts, and Robert Wright.

Active membership prior to Monday's meeting included 13 men majors and nine faculty members.

On July 25, 1913, Carl Weilman of the Browns was nothing if not consistent. In the course of a 15 inning game against the Senators, Weilman struck out 6 times.

FOOTBALL PREDICTION RULES

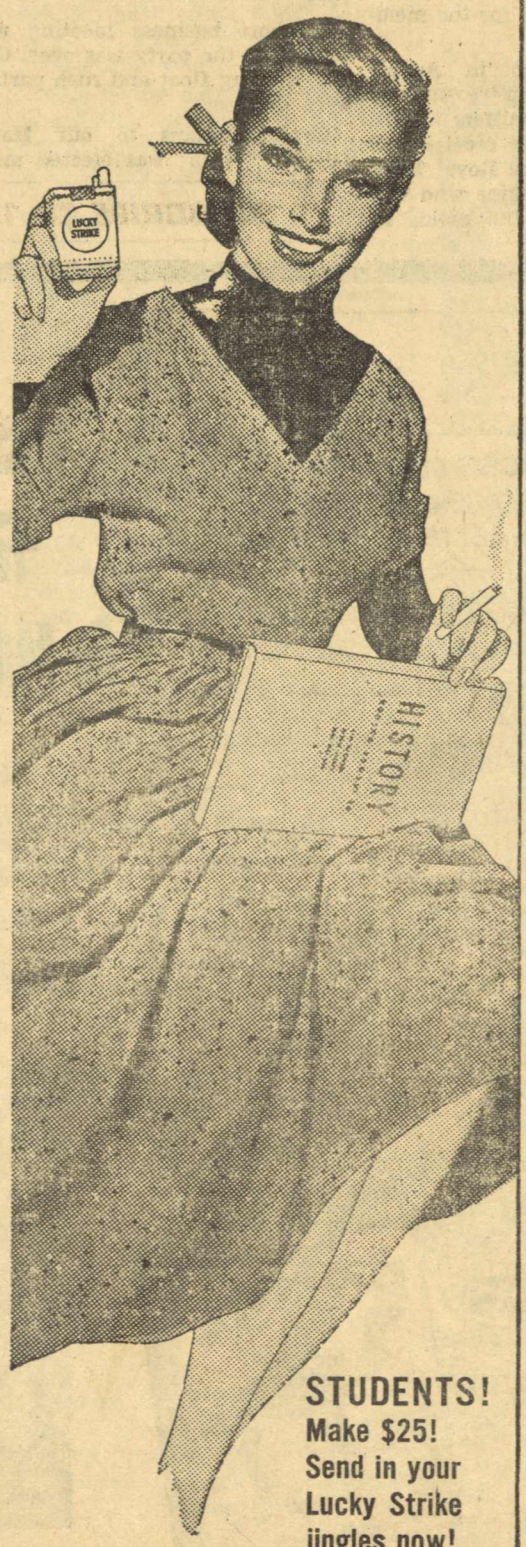

1. Any student of Northwestern State College is eligible.
2. Students are limited to one entry per week.
3. The entrant must predict the winning team and possible final score of all games.
4. All entries must be signed.
5. The prize is two free passes to the Don Theatre. Duplicate prizes will be awarded in case of ties.
6. All predictions must be in the Current Sauce office by 2:00 p. m. Thursday.
7. Failure to follow any one of the rules disqualifies an entry.

Games to Be Predicted This Week

Wisconsin - UCLA
Texas A & M - Baylor
California - Southern California
Princeton - Cornell
Pennsylvania - Navy
Notre Dame - North Carolina
LSU - Maryland
Purdue - Illinois
Army - Columbia

VOL XXXIX—No. 6. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, OCTOBER 25th, 1952.

6th Annual High School Debate Clinic On Campus Today

A COLLEGE DEMONSTRATION debate will be given at the debate clinic today by these NSC students. They are (left to right) Bobby Hamm, Pat Hankins, and Anne Torrans. The question is resolved: "That the United States should withdraw from the United Nations."

THESE NATCHITOCHES HIGH school students, (left to right) Charles Holland, Patsy Payne, Patsy Shehane, and Tommy Williams, will present a demonstration debate today at the debate clinic. The question is resolved: "That the Atlantic Pact countries should form a Federal Union."

Approximately 266 Are Participating In Event; Miss Winters, Dr. Mason Lecture on Debate Questions

Today marks the sixth year in which high schools from all over the state have been the guests of the Speech division for a debate clinic. The clinic is designed to assist the high school debaters in their forensic activities this year by stimulating thought and research.

To that end, there will be two demonstration debates: one presented by Pat Payne, Pat Shehane, Tommy Williams, and Charles Holland of the Natchitoches High School, and one by Pat Hankins, David Kendrick, Bobby Hamm, and Anne Torrans of the Northwestern debate squad.

There will be two lectures on the high school debate propositions presented by Miss Catherine Z. Winters and Dr. Bruce Mason of the Social Science department. Finally there will be one round of practice debates for all debaters from the visiting high schools.

So far eighteen high schools have announced their intention of attending, a total of 242 students and 24 faculty members. The schools attending are:

Bolton, Alexandria; Byrd, Shreveport; Calhoun, Calhoun; Castor, Castor; De LaSalle, Lafayette; Dutchtown, Dutchtown; La Grange, Lake Charles; Lake Charles, Lake Charles; Marthaville, Marthaville; Natchitoches, Natchitoches; Providence Central, Alexandria; St. Johns, Shreveport; St. Marys, Natchitoches; St. Mathew's Monroe; St. Peter's New Iberia; St. Vincent's Shreveport; Scott, Lafayette, and Winnfield, Winnfield.

Some of these students arrived in time to see "The Royal Family" last night and some will remain for the dance tonight. The students who came last night stayed in the dormitories as guests of the college.

A special lunch for the coaches will be held in the private dining room of the Field House at 12:30 today and a special meal has been arranged for the students in the Field House.

HIGH SCHOOL DEBATE CLINIC

NORTHWESTERN STATE COLLEGE

SCHEDULE

25 OCTOBER 1952

8:00 to 9:00—Registration——Stage, Little Theatre Fine Arts

9:00 to 9:30—Welcome——H. Lee Prather, President
Introduction of Coaches, Donald L. Graham

9:30 to 10:30—Lecture——Little Theatre
Miss Catherine Z. Winters, Professor

10:30 to 11:30—High School Demonstration Debate Little Theatre
Natchitoches High School, "Resolved that the Atlantic Pact Countries Should Form a Federal Union."

Affirmative: Pat Payne, Charles Holland; Negative: Tommy Williams, Pat Shehane.

11:30 to 12:30—College Demonstration Debate——Little Theatre
Northwestern State College—"Resolved that the United States Should Withdraw from the United Nations."

Affirmative: Patricia Hankins, David Kendrick; Negative: Bobby Hamm, Anne Torrans

12:30 to 1:30—Lunch——Field House
(Coaches in private dining room)

1:30 to 2:30—Lecture——Little Theatre
Dr. Bruce Mason

2:30 to 3:30—Practice Debate——Fine Arts and Campus Buildings
"Resolved: that the United States should take the initiative in forming a Federal Union of all nations."

3:30 to 4:00—Final Meeting——Little Theatre
The all-college dance in the Field House will begin at 8:30. All are invited. All debates—demonstration and practice round—will be timed at eight minutes for construction and four minutes for rebuttals.

Henderson, Artist Series Performer Says Personality as Necessary as Voice

Mary Henderson, lovely young opera star, who will appear here Thursday night at 8:15 in the Fine Arts auditorium in the first of the Artist Series of the fall semester, finds that a sense of humor is almost as necessary to a concert and operatic artist as a voice. Fortunately, Miss Henderson has been endowed with both. Chuckling, she tells of the rigors of travel on the road with the San Carlo Opera Company.

"Once we arrived in town at 8 p. m. for an 8:30 performance. It's not fair to keep the audiences waiting, no matter how unavoidable the delay, so we let them watch the set-up. That's always a fascinating aspect of the theatre, I think, and especially of opera. When all was ready, the curtain came down, and rose up again a few minutes later after the overture. There was a burst of applause such as I have seldom heard. The audience felt that they were a part in the show, and, of course, they were. Their patience and their interest gave us performers a terrific lift, and our performance that night had a wonderful excitement and flair."

Once in Milwaukee, she was called upon to sing the title role of **Aida**, an opera which she had never sung before, on 24 hours notice. After the performance, the late Araldo Lindi, the leading tenor, said, "I've sung with many sopranos in my day, and worked with Aidas who sang in French, Spanish, Swedish, Italian, and German, but I've never sung with one who used no words at all." It was true. Miss Henederson's Aida that night was musically perfect. She knew the familiar music of the arias, but memorizing the words of an entire opera in 24 hours was impossible, so she just opened her mouth and sang.

Reserve tickets for the performance may be purchased at the college bookstore, upon the presentation of student activity tickets.

NOTICE

All students who desire to do student teaching next semester or next summer may now make application by filling out the necessary forms in Dean Robson's office or my office. It will be to your advantage to make your applications immediately. If you are in doubt, I should like to discuss the matter with you.

JOHN A. JONES,
Director of Teacher Training.

The play, "Royal Family," was a great success. Congratulations to all the cast.

Euthenics Club To Be Represented At Workshop

At a recent meeting, the Euthenics Club made plans to be represented at the Province V workshop to be held in Cookeville, Tennessee, November 13, 14, 15.

The club plans to send three delegates to the meeting: Patsy Winkler, who is national secretary of the College Clubs division; Bobby Patterson, junior home economics major from Bossier City, and Nancy Kimbell, freshman home economics student from Zwolle.

The meeting will include delegates from three states, who will meet in general sessions, buzz sessions and discussion groups to discuss the problems of clubs and to make plans for the coming year's work.

Square Dance Club In Full Swing At Weekly Dance

On Wednesday the weekly meeting of the Square Dance Club was started at a new time, 6:00 p. m.

The members enjoyed several dances and then retired to the private dining room at the Student Center where delicious punch was served.

After the refreshments everyone danced aagin. Mr. Jolley taught several new dances.

The function ended at 7:40 p. m. The club is expecting to see more students next Wednesday at 6:00 in the Student Center.

Deferment Tests To Be Given December 4

The qualification test for students desiring deferments from military service will be given Thursday, Dec. 4, here at Northwestern.

To be eligible to apply for the college deferment test a student must: intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not previously have taken the test.

Applications for the December 4 test must be postmarked not later than November 1. Infomation sheets and entrance blanks for the tests may be obtained at any local board of Selective Service or at the office of the dean of men here.

Shreveport Nurses Elect Officers

Elected president of the Shreveport division of Student Nurses' Government was Louise Burns. Chosen first vice president was Judy Sobert, with Joyce LaBorde McDonald as second vice president. Ferol Zabasky was elected secretary; Ann Dier, treasurer. Chairman of the professional standards committee is Betty Baliff; chairman of the nominating committee, Barbara Arnold Rogers; chairman of publicity and records committee, and Imogene Sullivan, chairman of recreational committee.

Miss Beverly Andre, Miss Green and Miss McWhoiter were chosen as the group's sponsors.

Miss Eve Mouton Attends Foreign Language Meet

Miss Eve Mouton, professor of French here at Northwestern, recently attended the meeting of the executive council of the Foreign Language section of the Louisiana Educational Association. The meeting was held at Bolton High School in Alexandria.

President of the Foreign Language section is Dr. Cecil Taylor, dean of the College of Arts and Sciences at Louisiana State University. Miss Mouton is one of two directors of the Northwestern section of Louisiana. The Council includes three officers and ten directors of the state districts.

Scholastic Awards Are Presented By AAUW

A meeting of the American Association of University Women was held October 19. The theme for the year, "Propaganda and Its Uses," was further expanded by Dr. John Kyser, the guest speaker, whose topic was "Manipulation of Symbols."

Three AAUW awards were presented to students with the highest scholastic averages for the years, 1950-51-52. Those who received the honors were Mrs. Weller, Miss Mary Alice Griscoll, and Miss Mavis Pate.

Coaching No Good

"Hey gang! Hey gang! Hey gang! How's our team?"
"Our team's all shot!"
"Who says so?"
"Everybody!"
"Who's everybody?"
"NSC!"

Yes, our beloved, helpless football team is all shot. For years hopeful Northwestern students have been cheering for a team which accomplishes very little. However, last Saturday's game, which marked the seventh consecutive year of defeat by La. Tech completely changed the attitude of the students. That was definitely the last straw, and now students demand a change.

Students are not alone in their views. Faculty members, Natchitocheans, and alumni of this institution feel the same way. They are ashamed to admit having any connection whatever with a team of this sort.

What's wrong? Why should we continue to be the underdogs year after year? We have good material, no one can deny that. The problem seems to lie with the inefficiency of the coach. For years the team has been using the same football tactics, resulting in defeat most of the time. It is apparent to everyone that an improvement in the coaching system should be made—and that is what we ask for.

Then, too, some of the members of the team persist in "celebrating" after having met defeat. Surely, this breaking of training doesn't do the team any good. That should certainly stop!

LETTERS to the EDITOR

Editor of the Current Sauce
Northwestern State College
Natchitoches, Louisiana
Dear Editor:

Were you by any chance at the Tech-NSC game? Whether you were there or not, you know by now that we were, not beaten, but stomped! That in itself is nothing to be ashamed of. But the student body of NSC should be ashamed of something else. We should be ashamed of our very poor sportsmanship and our lack of school spirit. NSC can win; but we can't lose gracefully. (And certainly we should learn, as we seem to be getting our share of losing, lately.)

The football team may be a swell group of fellows. Perhaps the cheerleaders are the best in the state. The band might be able to make the loudest noise this side of Ruston. And maybe NSC students are grade-A. But as a unit, as a group representing the college at a football game, they stink.

On Saturday, a great many other students and I were ashamed and disgusted by the lack of life and spirit shown by the NSC side of the grandstand. Tech completely overshadowed and outshone NSC. Our band played only one-third as many selections as Tech's did. The "supporters" of the NSC team absolutely refused to cheer even when our rather dis-interested cheerleaders led a yell. When the Tech cheerleaders were introduced to the NSC side, they weren't even given applause, even when our cheerleaders practically begged the spectators. And the football team didn't seem bothered when they missed a "few" passes. Their steaks for supper were probably already on the stove.

It seems to me that something should be done about this serious problem. Something must be done to boost NSC morale.

This letter will have more than served its purpose if it makes you, a sleepy student of NSC, so mad that you see red; arouses you to the point where you will cheer at the next game, instead of sitting dumbly as we lose; makes you run harder to catch that pass; or if it makes you support your team and college.

Hopeful,
ANONYMOUS.

NSC Highlights

By MARY SUE BELLEW

Tonight the Demonnaires will play for the All College Dance in the Student Center from 8:00 to 11:00.

Repairs continue on the science building. As you walk by, the workers may be hoisting up a bucket of hot tar so it pays to be careful. The fire which burns feels good on these chilly days.

Mid-semester grades are due on November 5 so keep working hard now, and you'll have a record to be proud of, and one which you WISH Mom and Dad to see.

Everyone seemed to enjoy thoroughly the play production, "The Royal Family." A fine job was done by all, and now we look forward to the next production.

Women's intramurals continue in volley ball. If you want to see some good games, just walk over to the gym.

The men continue playing football in intramurals until November 1.

You can hear many students commenting on losing the State Fair game to Tech year after year. It is tough to lose them, but remember there is a next year to come??

Senate Minutes

The Student Senate held its regular meeting in the faculty room of Caldwell Hall Tuesday night, Oct. 21 at 8 p. m. Nine members were present and seven were absent.

The minutes of the previous meeting were read and approved.

Martha Ann Leach stated that three films had been ordered for the Film Program, and that the first would be shown Thursday, Nov. 6.

Houston Davis announced that the Student Council asked for the full cooperation of the Senate in decorating the dining hall for the Homecoming Dance.

The meeting was adjourned at 8:19 p. m.

Respectfully submitted,
JOE SALTZMAN, Secretary.

Lowell Starnes Is Representative For Chesterfield

Lowell Starnes has been appointed CHESTERFIELD campus representative at Northwestern State College by Campus Merchandising Bureau, Inc.

He was chosen from applicants throughout the country to represent CHESTERFIELD, the favorite cigarette among college students. The position will mean valuable experience in merchandising, advertising, promotion and public relations for the student representative.

CAPTAIN FROM CASTILE
By Samuel Shellabarger

The Captain from Castile, played against the glorious background of Spain and Mexico, brings forth all the adventure of the discovery of the New World and the awakening of the Renaissance. Young in spirit and alive with curiosity of the unknown world, Pedro de Vargas fled to Cuba as a result of the lurid Inquisition. Entranced with the wild plan of Cortes to invade Mexico, Pedro became a member of the brilliant campaign.

Romance is supplied by Catana, the dancer. Barred from her by the standards of old Spain Pedro abandoned his high born position in favor of the new standards of society of the New World.

In this magnificent novel, one's eyes are open to thhe thrilling adventure of Spain and Mexico. One sees the New World unfolded before the sword of Cortes. These lively people of the past are made warm and real by the portrayal of their manners and crudeness, their gaiety and cruelty, their lust for life and sudden death.

Freshmen Senate members will be elected soon.

Alpha Sigma Alpha

At last we are able to say that our redecorating is well under way. Our mother patronesses have just completed new seat covers and cushions for the living room furniture. We have also gotten new lampshades and vases.

Last Tuesday we were very happy to have our newly-initiated co-sponsor, Mrs. Eunice Kennedy, with us for the meeting. During the meeting we decided to begin selling Christmas cards, a thus far very successful money-making project.

Plans for the rush parties and Homecoming still constitute a major portion of our meetings. ASA is planning a big slumber party for this Saturday night. During the "slumberless" party we plan to mix eating, pleasure, and working all night long.

☆ ☆ ☆

Delta Sigma Epsilon

Congratulations are extended to Nancy McLellan who has been elected to represent DSE on the inter-sorority council at LSU. Nancy, a former student of NSC and a member of Delta Sigma Epsilon, is a transfer student to LSU majoring in speech and dramatics.

Congratulations are also extended to two of our former pledges, Mary Gunn and Barbara Robinette who were elected ROTC sponsors at LSU.

Final plans for our Homecoming float have been made and completed and work has gotten underway. An invitation announcing the wedding of Janell Watson and Don Wineman on November 6 was received by the Delta Sigs this week.

The Delta Sigs greet the arrival of Elizabeth Ann, the daughter of Mr. and Mrs. Doug Abington. Mai is a DSE alumnae.

☆ ☆ ☆

Sigma Sigma Sigma

The Tri Sigmas are out to capture for the fourth consecutive year the women's intramural volley ball championship, having last year received the Women's Intramural Sports Plaque. Led by Virginia Metcalf, Sue Bellew, and Sue Dupree, the Tri Sigma eight defeated the West Varnado team 32-21.

Winning athletic events is not the only goal of the Tri Sigmas, however, for they are constantly reminded of the Scholastic Candlesticks given by the AWS, which if won by them this third consecutive year, will become permanent fixtures of the Sigma Sigma Sigma house.

Plans for housing the delegates of the November Leadership Conference were discussed at the Tuesday night meeting, as well as plans for the programs to be given during the two days.

A vote was taken, and it was decided that the members would give the amount ordinarily spent for Christmas presents to the house in advance, thus allowing them to decorate the house now more fully than they had first planned.

Pledge Jean Noble passed her pledge test last Thursday and will be initiated next Tuesday night.

Many alums were seen at the Shreveport Fair and Football game Saturday. Among them were Ruthie Ellender, Jo Ann Breedlove, Janet Kyser, Carolyn McLean, Emily Willis, Robbie Sue Adams, and Jeanne Oliver.

☆ ☆ ☆

Pi Kappa Sigma

The Pi Kaps are very proud of the sparkling new coat of paint they have on their house. Really helps the looks of old "Pi Kap Hill."

The Pi Kaps are making big plans for rushing and plan to have a wonderful week of fun. Also preparations are being made for the homecoming float for November 15. There's lots of work to be done.

Mrs. Cutrer, Pi Kap Mother, surprised the girls by dropping in Tuesday night for a visit. She brought the group a large package of sandwiches and cookies.

Mary Murphy did a fine job of her part in the play, "Royal Family," Friday night.

Sigma Alpha Iota

The SAI members and pledges met for a choral rehearsal recently. A combined chorus consisting of Sigma Alpha Iota and Phi Nu Alpha members will perform at the First Methodist church Sunday night, November 2.

At the regular business meeting the pledge recital and banquet were scheduled for November 7 at the home of Mr. and Mrs. Sherrod Towns. New faculty advisors were chosen. Mrs. Towns is to serve as Advisory chairman. Mrs. McCook and Miss Guitar are faculty advisors.

Theta Sigma Upsilon

At the regular meeting Tuesday the Theta Sigs chose the theme and completed plans for the Homecoming float.

A get-together of all the members and alums is planned for next Tuesday afternoon at the home of Miss Stockwell.

☆ ☆ ☆

Euthenics Club Plans Party For Freshmen

The Euthenics Club, in it's first business meeting, Thursday evening, October 20, discussed the plans fo rthis year. Some of the highlights on this year's program are a freshman surprise party, and a trip, which is secretively being planned by the Euthenics Council.

The initiation of the twenty-five new members of our club was discussed. Plans were made for the Province meeting at Cooksville, Tennessee, November 13-15. Patsy Winkler will be present as a national officer. Two other delegates will be elected at a later date.

Thursday evening at six-thirty, the living room of the home economics building was the scene of the formal initiation of the new members. Miss Ester Roberson, club advisor, Mrs. Eola Rooks, Mrs. Frances Halu, Mrs. Dunckleman, Mrs. Marie Dunn, honorary members, were present at the service. The impressive initiation service was conducted with the serving of lemonade and sherbet.

SIGMA TAU GAMMA, national social fraternity of the campus, held its first rush party last Tuesday night in the frat room at Caldwell Hall.

Halowe'en Party To Be Sponsored By Denominations

Calling all fiends! For chills and thrills appear for the Interdenominational Halowe'en party at the Religious Center Friday night at seven o'clock sharp, dull, or smooth. We don't care whether you wear costumes or not but please wear something.

You'll hear the echoes of bones cracking and screams of the murdered. All ghosts are urged to be present as this is a very important meeting for all shady characters.

Remember the date and don't be late. You might miss something that would kill you.

Phi Mu Alpha Pledges Five At Recent Party

Phi Mu Alpha Sinfonia Fraternity, national music fraternity, recently held its pledge party for the fall semester.

The pledge party was held on Grand Ecore Bluff. The refreshments consisted of barbecue hamburgers.

The following people were pledged into the fraternity: John Manning, Jr., Dr. Alan Crosby, Danny Shehee, Delano Brister, and Benny Ray.

Pi Omega Pi

On Tuesday night, October 21, Pi Omega Pi sponsored a weinie roast for the freshmen business students. The group all met in front of the Business building, where cars were waiting to take them to College Wells.

Mr. Easley conducted several relays and a tug-of-war which ended quite unexpectedly. Afterwards everyone roasted weinnies. Besides the usual buns and weinies, roasted marshmallows, punch and brownies were served.

Those present were Jim Yergler, Fred Johnson, Fon Elliott, Beth Trammel, Patsy Longlois, Betty Nix, Clydie Mae Beachman, Wanda Wright, Mr. and Mrs. Luce, John Massey, "Romeo" Brister, Jack Billard, Blanche Lewis, Patsy Leach, J. H. Branch, Lynelle Dowden, Jean Oliver.

Cindy Hodge, Dean Riley, Tommy West, Mr. Durr, Miss Bruner, Miss Farris, Mr. Morrison, Mr. Steele, Mr. Easley, Dr. Walker, and others whose names were not available.

Test CAMELS for 30 days for Mildness and Flavor

CAMELS are America's most popular cigarette. To find out *why*, test them as your *steady* smoke. Smoke only Camels for thirty days. See how rich and flavorful they are — pack after pack! See how mild CAMELS are — week after week!

Men and Women Intramurals Take Over NSC Sports Limelight

Volley ball has the spotlight in Woman's Intramural program at the present time. For the past two years Tri Sigma has won the Volley ball championship and now competition is keen to upset the perennial winners.

Thus far in the tournament, which is a doublbe elimination affair with each team playing each other twice, Agnes Morris edged the Pups 28-27 in what proved to be the most closely fought game to date. Tri Sig defeated West Varnado 32-20, and the Pups also beat West Varnado 49-10 in the other contest played this week.

The Pup-Agnes Morris tilt was a closely contested game from the beginning until the end. At the half time the Pups led Agnes Morris by the narrow margin of 13-11. With three minutes remaining in the ball game, the Pups once again were leading, this time 23-22. Then the Pups racked up four quick points making the score 27-22.

Agnes Morris stormed back when the Pups lost the serve. They tied the game at 27-27. Just as the whistle blew Agnes Morris made another point which won the game for them 28-27.

Ping Pong Tournament

In the Ping Pong tournament, Thais Beter is leading in the top bracket, having reached the quarter-finals, and Carolyn Price has gotten to the finals in the lower bracket with wins over Mary Sue Bellew and Judy Honeycutt.

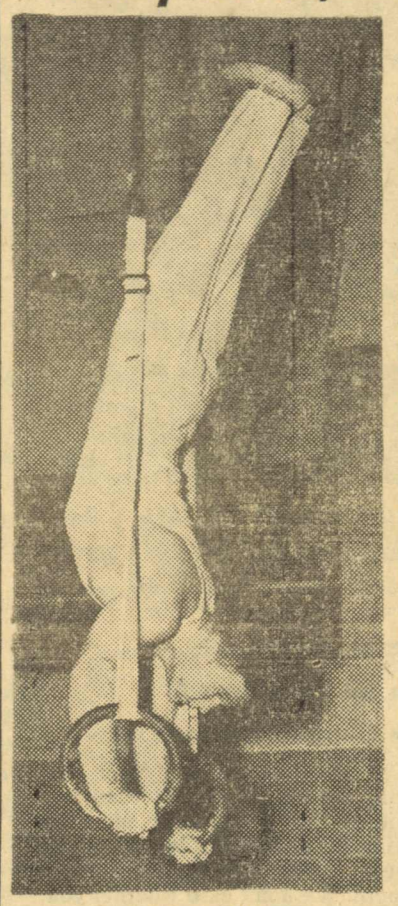

Tennis

All first round matches in Tennis singles and doubles are to be played by Saturday, but no results have been turned in thus far.

Recreational Swim Periods

Tuesday	6-7:30 p. m.
Thursday	6-7:30 p. m.
Saturday	2-4 p. m.; 6-7:30 p. m.
Sunday	2-4:00 p. m.

Shelby Brooks, An Athlete's Athlete

SHELBY BROOKS

By BILLY BAKER

"What good does gymnastics do?" This question has been asked by every freshman who ever took P. E. M-1 at Northwestern State College.

One of the men best qualified to answer this is Shelby Brooks of the Purple and White Gymnastic Team. Shelby was stricken with the dreaded disease, Polio, when he was quite a young boy and has fought an uphill battle ever since. Today he can perform feats of strength that would make Samson sit up and take notice.

Shelby, who makes his home in Jena, Louisiana, graduated from Trout Good Pine High School in 1948, and spent the next two years in the Touro Infirmary of New Orleans, recovering from Polio.

Upon leaving the Tuoro, he entered Northwestern State in the fall of 1950, and began majoring in Upper Elementary Education. At this time he had to use crutches to get around.

During the 1951 Spring semester, he reported to the Department of Physical Education and was assigned to a class in swimming, where he received special instruction under Robert Justiss, a student assistant. "This activity," according to Brooks, "helped me to develop my legs and to regain the use of them." At mid-semester he was encouraged by the Department of Physical Education to schedule a basic course in corrective gymnastics as the second half of the required physical education course. Under the watchful eye of Coach John Piscopo, Brooks made rapid progress and soon began to shed the artificial support of his crutches. First he omitted one and then he substituted canes for a short time, before he abandoned them altogether. Starting gymnastics in the fall of 1951, on an extracurricular basis, he became one of the mainstays of the team. He represented Northwestern State College in a demonstration at the Louisiana Educational Association Conference in Shreveport last year as a handbalancer, one of the first events to receive his attention.

In the spring of 1952, he took up competitive gymnastics and held down a regular berth on the team which walked off with the Southern A.A.U. team championship. Brooks won points in three events, placing second in rope climbing, fourth on the rings, and fifth on the parallel bars.

Shelby is one of the mainstays of the 1952-53 gymnastic team and Coach Piscopo regards him as "one of my top performers." He has become more versatile and is now competing in parallel bars, rope climb, side horse, and the still and flying rings, in addition to handbalancing.

Brooks now spends, without school credit, two hours per day in the gymnasium throughout the year. He recently stated, "I consider gymnastics an extremely important sport. It has not only provided me with recreation, but it also has helped me to become strong and to regain a sense of balance and muscle coordination."

It's men like this that do real credit to the world of sports. No one can deny that Shelby Brooks is an athlete's athlete!

Nesom Announces Clinic Program For October 29, 30

The program for the two-day coaching clinic to be held here Oct. 29-30 at Northwestern State College with basketball's Henry (Hank) Iba of Oklahoma A & M as principal speaker has been announced by Guy Nesom, head of NSC's health and physical education department.

The famed Oklahoma cage mentor, top figure in control-basketball techniques, will make his initial talk Wednesday, Oct. 29 at 10:35 a. m., speaking on "Fundamentals of Basketball." This lecture will follow registration and introduction at 9 o'clock in the NSC men's gymnasium.

Wednesday afternoon at 2 o'clock Iba will discuss basketball defense, and after a brief recess will speak on offense. That night from 7-9 o'clock movies of Oklahoma Aggie basketball games will be shown.

Thursday's program gets under way with Iba talking about offense against a zone defense at 9:30 a. m., followed by pictures on zone defense with running comments by the Aggie coach. At 2 p. m. Iba's subject will be "Out-of-Bounds Play" and his final talk of the clinic at 3:15 p. m. will deal with the "Delayed Game."

All high school coaches are invited to attend this clinic. There are no fees for the annual clinic sponsored by the NSC chapter of Phi Epsilon Kappa, national honorary physical education fraternity.

Iba is the fourth big-time basketball coach to lead the school. Preceeding the Oklahoma mentor have been Cliff Wells of Tulane, Adolph Rupp of Kentuck and J. C. (Phog) Allen of Kansas. Iba's Aggies hold the all-time record among colleges for defensive ball-hawking.

Basketball Squad Begins Practice

Fifteen candidates were on hand when Coach Charles "Red" Thomas began workouts this week in preparation for the coming season.

Coach Thomas said this year's prospects looks "very good." The Purple and White five will be a more experienced team and will have an advantage over last year's squad as far as height goes. Seven lettermen are returning from last season's team, which made it so hot for it's opponents.

The harwood hopefuls that are working out daily in the men's gym include Bill Collinsworth, guard from Bryceland; Ken Shaw, center from Holton, Indiana; Jim Yergler, team captain and guard from Cessna Park, Illinois; George Davis and Tynes Hilderbrand, forwards from Florien; Merl Walker, forward from Dry Prong; Waple Lilley, forward from Belmont; and Sammy Booras from Shreveport.

Returning squadmen are James Thomas, center-forward from Martin; Bolton Collins, guard from Coushatta; and Roy Barker, forward from Fenton.

An array of talented freshmen will be fighting for starting berths. All were outstanding high school players and are led by All-State center-forward George McConathy from Bryceland. Other freshmen include Alexandria's James Enloe at guard and Tommy Redd at forward; Dry Prong's Mixon Bankston, guard; and Coushatta's Sonny Bates, also a guard.

Ken Shaw, 6'5" center from Holton, Indiana, is not participating in workouts as yet due to some dental work, but is expected to be ready in time for the season opener.

Gymnastic Team Begins Season Saturday, Nov. 1

Coach John Piscopo's Northwestern State College exhibition gymnastic team is preparing for a 12-man fall and winter season beginning with a half-time show November 1 when Mississippi Southern college and Northwestern tangle here on the gridiron.

The Demon team, recognized as the outstanding group of this kind in this section of the country, will also present programs at Opelousas, Lake Charles, Vinton, New Orleans, and other Louisiana cities yet undetermined.

Coach Piscopo said the exhibition season would be climaxed on Dec. 11 with a final performance at the annual home show in the NSC Fine Arts auditorium.

Featured this year in the acts will be the popular "Men in Bronze" routine which has proved a favorite with Louisiana audiences since 1948. It was absent from the performance last season. A newly acquired Flash-Fold trampoline will make it possible to add new routines to the aerial tumbling.

Included in the varied program to be performed by the NSC gymnasts will be routines on the parallel bars, tumbling acts, trampoline and steel ring performances and clown routines. Long-Horse leaping, an act in which the men spring from a "trampolette" and sail over an adjustable obstacle called a "Swedish Box" will be inaugurated for the first time this year. NSC is the only school in Louisiana known to have this type of equipment.

Outstanding precision - poise - balance acts will be put on by the group pyramid builders, and each program will end with a five-man balancing team executing the last word in cooperative precision showmanship.

What A Team!

From 1907 to 1917, Gil Dobie and his Washington Huskies terrorized the Pacific Coast and points east. During that 10 year stretch, the Huskies won 59 games and tied 4—a total of 63 straight without a loss!

Touch football's game of the week turned out to be a real battle. First place minded South Barracks saw all their plans wrecked as they fell before the charges of Phi Kap's squad by the score of 7-0. Landridge's pass to Champagne and Berlin's extra point kick accounted for all the game's scoring. "Red" Cook was a standout on defense as he intercepted six passes and kept the opposition deep in it's own territory with his long punts. Douglas Gilmore was the defensive star for the losers.

"Red" King ran a last minute touchdown from the twenty behind brilliant blocking to give the Frames a 6-0 win over South Barracks. Sigma Tau also fell prey to the Frames as they gave up three last half tallies to lose 20-0.

The Chowhounds are rapidly regaining the challenging spot they held last year by scoring in the last forty seconds to beat Phi Kap 7-6. Watts passed to Kaite and Kaite to Perry for the winning point. The Chowhounds also beat Rebel Hall 21-2.

Sigma Tau took Rebel Hall 6-0 to round out the week's play.

Next Week's Schedule:

Field No. 1

Oct. 27 South Barracks vs. Chowhounds.
Oct. 28 Phi Kap vs. Sigma Tau.
Oct. 29 Phi Kap vs. Rebel Hall.

Field No. 2

Oct. 27 Rebel Hall vs. Frames.
Oct. 28 Chowhounds vs. Frames.
Oct. 29 Sigma Tau vs. South Barracks.

Standings

Team	Won	Lost	Tied	Pct.
Phi Kap	4	1	1	.750
Frames	4	2		.667
Chowhounds	3	1	2	.667
Sigma Tau	3	2	1	.583
S. Barracks	1	4	1	.250
Rebel Hall	0	5	1	.083

Rebel Hall Squad Holds Homecoming

Next Wednesday afternoon when Rebel Hall and Phi Kap meet on the Intramural field it will be the first annual Homecoming game for Rebel Hall, according to Joe Crouch, team captain.

A dance will be held from 6:00 to 7:30 in the social room of Rebel Hall. All Rebel Hall students, Phi Kap football team and their dates will be invited. Refreshments will be served.

Miss Lora Faye Kemper, of Shreveport has been named team Sweetheart by the members of the Rebel Hall football tam.

Physical Ed. Club Has Team Night

The Physical Education Majors Club meeting Thursday, October 16, was "team night." The club divided into two equally matched teams, the Purples and the Whites.

In an exciting game of volley ball, the Purples topped the Whites by a slight margin of one point. The score was 26 to 27.

This game was the first of the Club's three game series.

WANTED!

A Winning Demon Football Team

NOTICE

The Turpin boys of Northwestern State College will attempt to play the so-called game of football with Southeastern Louisiana Lions tonight in Hammond.

FOOTBALL PREDICTION RULES

1. Any student of Northwestern State College is eligible.
2. Students are limited to one entry per week.
3. The entrant must predict the winning team and possible final score of all games.
4. All entries must be signed.
5. The prize is two free passes to the Don Theatre. Duplicate prizes will be awarded in case of ties.
6. All predictions must be in the Current Sauce office by 2:00 p. m. Thursday.
7. Failure to follow any one of the rules disqualifies an entry.

Games to Be Predicted This Week

Baylor - Texas Christian
UCLA - California
Ga. Tech - Duke
Michigan - Illinois
Purdue - Michigan State
Notre Dame - Navy
Wisconsin - Rice
Teaxs U. - SMU

1953 Maid of Cotton Will Be One of America's Best Dressed Women

The 1953 Maid of Cotton, whoever she is, will be one of America's best dressed women.

In its search for the cotton industry's' 15th fashion and goodwill ambassadress, the National Cotton Council announces the next Maid of Cotton will wear clothes created by America's most famous designers—all in cotton, of course!

Impressive labels in the Maid of Cotton wardrobe include the names of Adele Simpson, Claire McCardell, Carolyn Schnurer, Tina Leser, Cecil Chapman and Herbert Sondhein. There will be clothes by Chee Armstrong, Brigance, Dorothy Cox of McMullen, Emma Domb, Korday, Stephanie Koret and Myna of Bagedonow. Lending their talented hands to the making of this fabulous wardrobe will be Toni Owen, Jerry Parnis, Celia Phillips, Greta Plattry, Pat Premo, Raelson, Esther Reifer, Frances Sider, Stanley Wyllins and others.

The wardrobe will include the most up-to-the minute styles. It will include cottons for all occasions and all seasons. There will be important transitional cottons in menswear suitings and cotton tweeds. Printed and plain corduroys, tweedy denims, velveteens, taffetized cottons, plisses, searsuckers, metallic printed cottons and calicoes are among the fabrics. Styles include bathing suits, suits, coats, evening dresses, handkerchiefs. The Maid's hats, bags, even shoes and luggage are of cotton!

This is the wardrobe the next Maid of Cotton will wear as she tours this nation and foreign countries as King Cotton's ambassador of fashion and goodwill. The wardrobe will be hers to keep after completion of the tour. Everywhere she goes the Maid will be feature model in fashion shows, appear on radio and television shows, meet mayors, governors, national and civic officials and cotton industry leaders.

The Maid will be chosen at Memphis, Tennessee, December 29 and 30, from some 20 finalists selected from the entries received at contest headquarters.

Any girl between the ages of 19 and 25 years, who was born in a cotton-producing state, has never been married and is at least five feet, five inches tall is eligible to enter the contest.

Entry forms may be secured from the National Cotton Council, P. O. Box 18, Memphis 1, Tennessee. Entries must be postmarked no later than midnight December 1, to be eligible.

Baptist Students Attend Convention In Shreveport

Eighty-six Baptist students from Northwestern were in Shreveport last week end for the annual state Baptist Student Union convention as well as the fooball game beween the Demons and Louisiana Tech.

Students from colleges and universities all over the state convened on Friday at the Queensborough Baptist church for the largest state convention in Louisiana BSU history.

The state-wide group heard such outstanding personalities as Robert Denny, associate south-wide Baptist student director; Howard Butt, outstanding Christian layman from Corpus Christi, Texas; Dr. Lofton Hudson, pastor of the Mornell Road Baptist Church of Kansas City, Mo.; Dr. T. B. Maston, head of the social ethics department of Southwestern Seminary in Forth Worth, Texas; and Dr. John K. Durst, professor in the religious education department of the New Orleans seminary.

The NSC students left Friday afternoon for Shreveport and were second in total attendance at the convention, coming in behind Louisiana Tech, who was host for the meeting. Tech had 95 at the convention.

Northwestern also won second place on their exhibit. The theme of the exhibit was the theme of the convention, "Christ Must Reign."

The convention program adjourned long enough for all the Demon fans to attend the state fair ball game between NSC and the Tech Bulldogs.

Miss Marjorie Jones spoke at the YWA banquet held Saturday afternoon for all the girls at the convention. Dr. T. B. Maston spoke at the BMOC banquet held for the boys.

The Northwestern group returned to Natchitoches Sunday afternoon.

Do you like the Current Sauce? If you have any gripes, why don't you write and tell us about them?

But colleges and universities are in for an enrollment decrease of about ten per cent. The reason: Selective Service.

PROXY NEEDLE

Registration usually causes a lot of confusion, and a co-ed at North Texas State college almost got the worst of it.

She was going through registration lines when she was ushered into a separate room. There a nurse told her that since she had no record of a previous vaccination, she would have to take one now. "But," the young lady stammered, "will that work? I'm registering for my husband."

More than one-fifth of the total American population will be going to school this year, according to estimates by the U. S. office of education.

THESE HANDS ARE PRICELESS!

They protect the American way of life . . . our homes, our freedoms, our future.

These Hands, sensitively trained to respond acutely to the commands of an alert mind and courageous heart, are the hands of a United States Air Force Pilot.

The skillful touch of these hands attunes the blasting speed of modern jet aircraft to effective missions in discouraging any enemy. These hands are supremely capable of flying and fighting these machines with devastating effect.

These Hands belong to young, spirited American men (not supermen) who desire to live unmolested in a free America . . . who want to enjoy the same rights and opportunities open to all real American people.

These Hands belong to our sons—yours and mine. Youths who must decide today how they can share in defense of our nation and also better themselves. To insure greater chances of their success, today's college men should be encouraged to complete their education and then serve their country best by enlisting as Aviation Cadets in the U. S. Air Force.

Theirs is the choice of becoming either a Pilot or Aircraft Observer. After graduation as Second Lieutenants in the U. S. Air Force, they wear the silver wings of flying executives and begin earning nearly $5300 a year.

These Hands represent a man ready to qualify for this tremendous task because he is between the ages of 19 and 26½ years, unmarried, and in excellent physical condition, especially eyes, ears, heart and teeth. He possesses at least two years of college and the inherent urge to fly.

These Hands shape the destiny of America... the difference between our survival and oblivion.

The U. S. Air Force needs the hands, the minds and the hearts of young Americans who desire to make the American way a greater way of peace and happiness for all.

U. S. Steel Program Features Three Artists Sunday

Madeleine Carroll, Burgess Meredith and Melville Cooper will be the starring trio for the "Theatre Guild on the Air" Sunday, October 26, performance of the zany comedy, "Hobson's Choice," to be heard via NBC stations at 7:30 p. m. CST.

Marking the 285th radio presentation of U. S. Steel's full-hour program, Harold Brighouse's hilarious stage success depicts a penny-pinching father's trials and tribulations with his three marriageable, but very contrary, daughters. Miss Carroll will be heard as the eldest daughter, Maggie, who, to spite her father, marries his meek apprentice.

Popularly known as "America's favorite blonde," Miss Carroll is recalled for her screen roles in "Lloyds of London," "My Son, My Son" and "An Innocent Affair." Play goers saw her in "Goodby, My Fancy."

Meredith, who will be portraying Willie, the apprentice, has earned an enviable reputation in the theatrical world. A few of his earlier film triumphs include "Winterset," "Idiot's Delight" and "Of Mice and Men." New Yorkers are currently applauding him in "The Fourposter."

One of Britain's top performers, Cooper will enact the role of the penurious parent. He was most recently seen by motion picture audiences in "Petty Girl" and "Father of the Bride."

College Laundry Very Modernistic

Our new college laundry, which is a vast improvement over the old one is operated by R. N. Royston, the man who successfully managed the old laundry for 18 years.

The new laundry which is located in the North Barracks, has much more space, which makes for better working conditions.

The cost of the machinery in the new laundry was $44,436. All the machines in the laundry are metal, up to date, and air operated. There are five units which consist of nine pressers that are used for pressing dresses, pants, etc. Two more units which consist of eight pressers and two folding tables, press and wrap the shirts.

There are three washers, three extractors and four dry tumblers. The clothes are first put in the washers, then taken out and put in the extractors, which take out 80 per cent of the water. Then they are put in the dry tumblers which takes fifteen minutes to dry.

There is a 120 inch, four roll, chest type, flat work ironer which presses the sheets and towels. It has four speeds and can run four sheets a minute.

For the first time the laundry has a boiler of its own which produces the air for the air-operated machines. This boiler is a Titusville boiler which cost $9,000.

Former NSC Student Now In Japan

Army Nurse First Lt. Edna M. Perrin of Ponshatoula, Louisiana, recently arrived in Japan and is serving with the Japan Logistical Command.

The organization is responsible for the constant flow of supplies to the U. S. forces in Korea and other points in the Orient. JLC also provides services, such as hospital care, for the Far East units.

Lieutenant Perrin, who entered the Army in August 1951, has attended Louisiana State University, Baton Rouge, and Northwestern State College, Natchitoches, Louisiana.

NOTICE

All campus organizations are urged to turn the following information in to Dean Fulton as soon as possible: place and time of meetings, and names of the officers. This information will be used to make a master activity calendar.

Coffee, Co-eds, and Canned Music All Available at Student Center Cafe

The cafe in the Student Center is the most popular place on the campus, next to the Science Building the nights before finals. It is patronized by students and faculty alike. Its popularity is due largely to the fact that its coffee is scalding hot and its "do-nuts" are two-for-a-nickel.

The big wheels, the little wheels, and just plain people meet in the cafe every day. To a very new freshman entering it at a time when it is packed, it seems that everyone is staring at him. "Relax, dog, they're not paying a bit of attention to you. They're too busy running the school."

When a senior graduates, if he majored in "camusology" he has drunk aproximately 65 gallons of Field House coffee in his four years at this institution. A "campusology" minor drinks about 32 gallons.

Some coffee drinkers like it with and some like it without, but all like it hot. The brew in the Field House has scalded many a tongue. This usually hapens because someone has ten minutes to get to class, but has just "gotta" have his coffee. When it's brought to him, he plows his way through the steam, drinks up, and screams. Perhaps, in the future small bowls of chipped ice could be served to such people with their "java."

The cafe could take as it motto, instead of "wine, women and song," "coffee, co-eds, and canned music." The juke-box plays constantly, and the gentle strains of **Jambalaya** may often be heard as one passes by. The cafe also contains co-eds of all shapes and sizes. What else could it contain with the ratio of men to women we have here?

The cafe is closed from 1:00 to 2:00 p. m. every day to give the cash register a chance to cool off from the morning rush and to rest up for the afternoon's business. Knowing modern American youth, the powers that be have decreed that the customer must pay before he is served.

Everybody's meeting place, date bureau, and a dispenser of food—the cafe fills up a large part of the NSC students' time. Oh, yes, in the mornings one can always get a slightly used newspaper for free!

$11.40 WORTH—A kiss from a pretty coed, Jimmie Wall, was auctioned at the Sigma Tau Gamma rush party last Tuesday night. It went to Robert "Red" Miller, who bid $11.40. Miss Wall, guest of the fraternity, was present to provide vocal entertainment.

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

THE CURRENT SAUCE

VOL. XXXIX—No. 7. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, NOVEMBER 1st, 1952.

Northwestern Students Seek Ousting of Present Football Coach

ABOVE IS A SCENE from the "Royal Family," the first fall production which was presented in the Fine Arts auditorium by the Northwestern drama department on October 23 - 24 The play, a satire on the famous Barrymore family, was directed by Dr. Edna West, associate professor of speech here. Approximately 1,000 students and townspeople attended the two performances of the play.

Mass Meeting of Student Body Held; Movement Leaders State Their Stands

By DON FINLEY

A mass meeting of the Northwestern State college student body last Wednesday night in the Fine Arts auditorium brought order out of disorder to what amounts to a student movement to oust Harry "Rags" Turpin as head coach of the Demon football squad.

Some rumors which had been running rampant on the campus as the result of an editorial published in last week's edition of the college weekly, the Current Sauce, were quelched as leaders of the movement stated their stand.

The editorial, headed "Coaching No Good", and written by Joe Saltzman, student editor, called for a revision of the football coaching staff as a remedy for the poor showing that Demon teams have made since the close of world war II, and especially during the past two seasons.

Following the publication of the editorial, a wave of protest immediately sprang from the coaching staff and football squad. The story had also critized those members of the team who "persist in celebrating after having met defeat". No names were mentioned.

Turpin stated Monday that he could not protest against Saltzman for his opinion of the coaching staff, but that he would demand proof of the accusation made against the team.

At Wednesday night's mass meeting of students an assistant coach, an alumnus and former football player and students voiced their views on the controversial issue.

Saltzman took full responsibility for the publication of the editorial and stated "no one had put him up to it".

Rumors had accredited the source of the story to different faculty members, students and townspeople. He claimed that in writing the editorial he meant to express his own views and those of the students and townspeople.

Leland Langridge, president of the student body but not appearing in that capacity, listed the record of the college football team since 1945. In all games they boast a 28 won, 39 lost, two tie record. He added that the figures did not include games played this year.

Assistant Coach Alvin Brown spoke in defense of the coaching staff and attributed the present poor record to a lack of experienced material and a lack of sufficient football scholarships. He stated that the Northwestern coaches would not "stoop" to certain practices prevalent in other institutions to entice players to enroll here.

He claimed that other state institutions are getting around the ruling of keeping athletic scholarships to a minimum of 50. He did not name any of the other schools.

He further stated that the college wasn't able to get better material because other schools are able to offer boys more. According to Brown, "people don't recognize the relationship between the dollar sign and a winning football team. I am not in favor of buying material".

E .H. Gilson of Alexandria, quarterback of the 1939 underfeated Demon football team, defended Turpin and placed the blame on the alumni and students who fail to "sell their school" to outstanding high school players.

He stated that he was willing to buy a boy a pair of slacks and a coat if that is what it would take to get him to play for Northwestern.

Cecil Nielson, a student, favored the student movement to oust the coach and stated that the editorial in the Current Sauce was the only means by which the students could

(Continued on Last Page)

Mary Henderson Presents Program Thursday Night

Mary Henderson, soprano, with Elaine Penn at the piano, presented a delightful program Thursday, October 30, in the Fine Arts auditorium at 8:15 p. m. This was the first program of the fall Artist Series.

Some numbers from the program are "Hist, Hist from The Maid of the Mill" by Arnold (1740-1802), "Traum durch die Dammerung" by Richard Strauss (1864-1949), "Un bel di vedremo," from "Madame Butterfly" by Puccini (1858-1924), "Nevicata" (Snowflakes) by Ottorino Respighi (1879-1936), and several light melodies. For the last number she sang the Lord's Prayer.

Fall Production "Royal Family" Well Received

The drama department's first production, "Royal Family," was presented last Thursday and Friday nights in the auditorium of the Fine Arts building. Approximately 650 people attended Thursday night and approximately 350 attended Friday night.

The play, which had been in rehearsal for about six weeks, was well received by the audience. We can look forward to more fine plays produced by the drama department and directed by Dr. Edna West.

President's Reception Is Held In Varnado

The living room at Varnado Hall was the scene for the President's reception, honoring the new faculty and staff members on October 29, 1952.

President and Mrs. Prather greeted their guests at the head of the receiving line. Others in the receiving line were the deans of the various schools, the dean of men, the dean of women, and the new faculty and staff members.

Autumn leaves were used throughout the room, giving an attractive and appropriate decor. The table was beautifully arranged with a large cornucopia, filled with fruit and flowers. Miss Catherine Winters was in charge of arrangements.

A large number of faculty, staff, and guests were present.

NOTICE

On November 5 at seven o'clock, the Natchitoches Chess Club, of which Eugene P. Watson is president, will meet in the private dining hall of the Student Center. The central purpose of the meeting is the organization of a Chess Club here on the campus. Members of the faculty who patronize the Natchitoches Chapter will aid in organizing this group, which is to be sponsored by Dudley Fulton and the department of student welfare.

Anyone interested in attending is invited. It is not necessary that you possess any degree of knowledge concerning the game of chess to attend.

Sixty Coeds Nominated For Potpourri Beauty Contest

Sixty girls were recently nominated for the 1952-53 Potpourri beauty contest by various campus organizations. The judging will take place within two weeks, and the girls will be judged on the basis of poise, beauty, personality, and intelligence, according to Houston Davis, editor of the yearbook. The names of the judges have been withheld.

The nominees are requested to meet in the Little Theatre of the Fine Arts building Monday, Nov. 3, at 4 p. m.

Those who were nominated are: Carolyn Adams, Lawrie Barillier, Bernice Dale Blankenship, Alice Bobbitt, Pat Briley, Barbara Brittain, Norma Chance, Emily Chauvin, Ann Colvin, Julie Cusachs, Jeanette Dowden, Winnie Dowden, Katherine Elliott, Rose Farrar, Jackie Funderburk.

Jane Gaines, Betty Lou Garner, Dorothy Gillespie, Mary Catherine Gordy, Alpha Leah Gremillion, Rae Gremillion, Mickey Hanson, Paula Haynes, Kaydonna Hill, La Verne Hopper, Helen Hudson, Nelda Jenkins, Gene Jensen, Linda Jones, Matha Mae Johnston.

Lora Faye Kemper, Immogene Leach, Toby Livingston, Sudie Loomis, Justine McMurry, Virginia Martin, Mona Grey Miller, Sue Miller, Pat Murphy, Glyn Ellen Pennington, Ann Phillips, Nelwyn Potter, Jo Ann Prestridge, Kathleen Prud'homme, Bea Rumsey.

Kathy Sanders, Jane Schaefer, Genie Shaw, Jimmie Shows, Kathleen Simmons, Jo Ann Smith, Marilyn Snoddy, Millicent Thompson, Peggy Trichel, Lorraine Vaughn, Louise Vick, Jolene Walters, Jane Williams, Betty Wilson, Mildred Young.

NOTICE

Attention all "Sock-Owners" ! ! Get out your loudest pair of socks and get your "sock dance" tickets. The tickets will go on sale Friday, October 31, for the "sock dance" slated for November 13.

Tickets may be purchased from any member of the Girls' Physical Education club.

Student Nurses Hold Meeting

The Student Nurses' association of NSC met Tuesday, October 29, to discuss changes in the NSC constitution. Two amendments, drawn up by the Inter-Divisional Senate, were accepted.

President Rose Farrar appointed social, publicity and delegate-expense committees. The committtee heads are Patsy Peat, chairman of social committee; Marjorie Reynolds, chairman of publicity committee, and Myrtle Allen, chairman of delegate expenses committee.

Stagecoach Is First Feature Of Film Program

The first presentation of the 1952-53 student film program will be given next Thursday night at 7:30 in the Fine Arts auditorium when the United Artists production "Stagecoach" will be shown.

Starring John Wayne, Claire Trevor, and Andy Devine, "Stagecoach" is the story of nine people who start by stagecoach for Lordsburg, New Mexico in 1885. Danger then threatens; their lives are tangled together. Courage and cowardice—love and hate emerge to the surface. It is a strange adventure of the American West.

Admission will be 25 cents and girls have permission to attend.

Laundry Pickup

Beginning last Monday a laundry pickup service went into effect. Each Monday, Tuesday and Wednesday mornings a truck will be at the north side of the dining hall from 6:30-7:45 in which students may deposit their laundry bundles. All bundles must be tied or they will be left at the side of the Dining Hall. This service was brought to you through the efforts of the Student Council.

Language Profs Attend Meet This Week

Five teachers in the Northwestern language department — Miss Mamie Bowman, Dr. Sarah L. C. Clapp, Dean Kathlee Gillard, Dr. G. Waldo Dunnington, and Mr. Gale Shields—left Thursday at noon on a chartered bus to attend the South-Central Modern Language association meeting. The meeting was held in Denton, Texas from October 31 to November 1.

The group from NSC made the trip with 22 professors from Louisiana State University.

General Woodruff To Visit Here Next Thursday

Major General R. B. Woodruff, commanding general of the XV Corps, will make an informal visit to Northwestern next Thursday, according to a report by Lt. Col. James Bowman, PMS&T for the Northwestern ROTC.

General Woodruff, who is stationed at Camp Polk near Leesville, is scheduled to arrive at the municipal airport in Natchitoches aboard an army plane at 9:45 Thursday morning.

Woodruff will visit the NSC president, H. Lee Prather, and the ROTC administrators and the faculty at the armory building. He is scheduled to leave aboard the army plane at 10:50 the same morning.

General Woodruff will represent the Fourth Army commander, Lt. Gen. W. M. Hoge. Fourth Army headquarters is in San Antonio, Texas.

Write letters to the editor. We want to hear your views.

LIBRARY
NORTHWESTERN STATE COLLEGE

An Editorial

The Match Is Lit

As I stated at the student body meeting last Wednesday night, there isn't much more I can do concerning the football situation in my capacity as editor of your paper. I have brought the issue out in the open; now it is up to other groups to see that action is taken. Following is the statement which President Prather made the latter part of this week: "I have no intention of recommending any coaching changes for the remainder of this year. Any suggestions envolving future changes, if any, will be presented to the athletic council with full assurance that they will receive the most careful consideration."

I would personally like to commend you, the students of Northwestern, for the intelligence and understanding you have shown in dealing with this matter. The mass meeting which was held last Wednesday night was carried on in a very orderly and dignified manner. I am sure that if we continue to act in this way, we will eventually reach our desired goal!

Open Letter to All Campus Organizations:

Could your organization use $100.00? On November 15, 1952, $100.00 will be given away with no strings attached. All your organization has to do is enter and win the float competition with the Homecoming Day festivities on that date.

If you have an inferiority complex and are afraid you cannot win the first prize, why not try for second, $50.00; third, $25.00; or fourth, $15.00? All this money is going to be awarded and you might as well get it as someone else. These prizes are donated by the business men of Natchitoches, in the hope that this parade will be a bigger and better one than any of the preceding parades.

If your organization decides to enter this float competition, your entry must be filed with me by November 7, 1952. This is to avoid duplication of ideas and provide information for the marching line-up. Details of the marching order will be distributed by November 13. **Floats should be in marching order at 9:00 a. m. on November 15. In order to insure fair judging of the floats, those appointed judges are not connected with Northwestern State College in any way and will remain anonymous.**

Should your float be one of the winners, you will be expected to exhibit it in the pre-game ceremonies or forfeit the prize. The first four winners along with the Queen's float will parade around the circular track just prior to the football game. One representative of every group entering a float should meet with me at 11:30 a. m. in the L. V. E. Winners will be notified at this meeting and given directions regarding the pre-game ceremonies.

A new feature of the Homecoming festivities, designed to add to the welcomes of returning grads, is being initiated this year. A prize of $25.00 is to be awarded for the best decorated men's dormitory. Another award of $25.00 will be given for the best decorated women's dormitory. It should be noted that, for purposes of this competition, East and West Varnado will be regarded as separate dormitories. All dormitories to be entered in this competition should be registered with me by November 7.

Don't delay. Make your plans and get your entries in early.

Sincerely,

LEROI EVERSULL, Chairman,

Homecoming Parade Committee.

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

LETTERS to the EDITOR

Dear Editor:

The last issue of the Current Sauce set off an explosive and probably unexpected reaction. The administration, the faculty, the alumni, the football players and the student body are all aroused. As yet, however, we have been given no definite policy to follow. The views on the two sides of the issue need a great deal of clarification.

As a freshman, I am unfamiliar with the situation to a certain extent. The meeting Wednesday night only served to confuse me more. It dealt mostly with emotions rather than with facts. I do not like to sit on the fence, but as yet I cannot determine which side I should like to walk on.

The consistent losses on the part of the Demon team constitute a good argument that something should be done. I would like to know what this something is.

The school is divided into two factions — the "get-rid-of-the-coach" faction and the "keep-the-coach-faction." I am sure that both sides have good arguments, but so far, they have not been made clear.

If the coach is responsible for the losses, I would like to see the proof in print. I would like to see a careful analysis of Mr. Turpin's coaching tactics. I would like to know just how he has failed to give the players the preparation and training necessary to make a winning team of them. There is nothing sarcastic or facetious about this request. I would merely like some facts upon which to base an opinion.

On the other side of the question, we have a similar lack of proof. Coach Brown presented several arguments but to me they did not seem very conclusive. For instance, he pointed out that the players are not forced to practice so much that they fail all their subjects. He cited the fact that there is a minimum of senior players who fail to graduate from this college. We agree with this and are very proud of the fact. BUT, if this argument is to be considered relevant to the case, he must prove that the players at Tech and the other schools which defeat us are coached so severely that they fail all their subjects. There is possibly a good argument here, but we would like to see it clarified and extended in this paper, if possible.

Mr. Brown also stated that injuries had been a major factor in causing Demon losses. There is possibly truth in this statement, but I would like to have a comparison between the injuries of this year and the injuries of preceding years. NSC has lost consistently since 1945. Have we had more than our share of injuries in these years?

Coach Brown stated that we do not get the best players from the high schools. Why not print the high school records of the Demon players? This is the only way to decide this issue fairly.

The point was also brought up that the team was undermanned because of a shortage of scholarships. I've often heard it said that it isn't the size of the dog in the fight, but the size of the fight in the dog. However, if Coach Brown can prove that we could have a better team if we had more scholarships, I am sure that the student body would be glad to turn their present determination toward a move to get more scholarships. This is merely another point that needs clarification and proof.

I would commend the speaker from Alexandria very highly for his obvious spirit. It is evident that he has a regard for NSC that we could use as an example. He did not, however, give us any definite argument. So far as I could see, he got over only two points: 1) HE was responsible for the Demons victories in 1939, and 2) he is capable of whipping any man on the campus.

He is obviously a man who has a thorough knowledge of football. Perhaps he could analyze Mr. Turpin's coaching tactics and show that they are sound and sufficient. This would be a much better argument than the fact that Turpin was like a father to him.

I hope that the people involved in this dispute will use this paper to clarify their views. I think the students will agree that if we are given the proper evidence we will weigh it properly and act accordingly.

Very sincerely,
BOBBY HAMM.

Dear Editor:

I am very sorry that it was ever necessary for our football team and its coaches to be openly criticized, but I am grateful to you for having the intrepidity to do so.

You have expressed the views of many interested people, who for some time have been disgusted with our team's failures, but were hesitant in being first to air their grievances.

Our coaches have many friends, and we think they are good men but can they tell us wherein the trouble lies? Are they disinterested in their work or are they lacking in ability?

It doesn't seem possible that they are lacking in material when one looks upon the fine specimen of manhood they have to work with.

But, may we not be too hasty in drawing our conclusions. Let us face this problem with as much understanding and sympathy as possible. Give our coaches and our team a chance to speak for themselves.

Shall we resolve to work in harmony for a solution that will merit a good name for our college?

Then, may the time come when we can all yell together enthusiastically, "Our team's okeh!" and "We gotta coach, by golly, we gotta coach!"

An NSC Alumnae (1922-1925)

Dear Editor:

It may be surprising but we girls are definitely interested in the situation concerning the problem that was discussed at the student assembly on October 29. We want to express our approval of the excellent speeches made in behalf of your editorial and are whole-heartedly supporting you one hundred per cent.

Dear Editor:

There is an end to losing gracefully. After five to ten years of it, people begin to lose grace. No, the student body didn't yell much at the Tech game. They didn't have much to yell for. No, the band didn't play much. What do you want them to do, play "Victory" every time the other team makes a touchdown? It would be wonderful if school spirit could make a winning team, but unfortunately it works the other way around. A group of buildings sitting on the side of a hill doesn't make school spirit; it only makes a school. It takes a team that at least shows up better than average to build up the spirit. Without that there isn't much. But the number of people who showed up at that meeting proves that there is some spirit.

What's wrong with our team? I don't know. Maybe it is the lack of money, as Coach Brown said last Wednesday night. Maybe it is lack of depth to fall back on, or lack of experience; or as Mr. Gilson said, lack of selling the school itself to other people. Maybe it is poor coaching. Maybe it is a combination of some or all of these things. No, we don't want a winning team regardless of what it takes to get it. But if the other schools have overcome these problems, then this school can too. Whatever it is that the other schools have that we don't have, we want it. It is the coach's job to see to it that we get whatever we are lacking. Being the coach, it is his responsibility whether it is the fault of his coaching or not.

If the situation is not Coach Turpin's fault, then it is his job to find out what is at fault and then do something about it, because whether it is his fault or not, it is his responsibility. If he stepped out of the coaching picture, and let someone else coach the team, it might help. And if a new coach can't do it either, there will be proof that the student body was wrong.

Coach Turpin made the mistake of not defending his own case at the meeting, and of not letting some of the football players themselves have something to say about it. Although if they did think that it was the coaching, they couldn't very well come out and say it.

The coaches might well remember another old Chinese proverb, "People aren't interested in how many storms you weathered; just, did you bring in the ship?"

ANNE TORRANS

Dear Editor:

In regard to the recent confusion caused by the editorial in the Current Sauce, I would like to congratulate you on your stand. It is indeed a pleasure to find some one who will stand up boldly for what he thinks right.

Why should the people mentioned be upset over the so called false statements? If they are false, then let them be proven so and apologies will be in order. But until that time, we, the student body, have the First Amendment of the Constitution to take our stand on. That amendment states that we, the people of these United States have the freedom of speech and of the press. This statement has stood a great many tests since 1791. Why should it be abolished here at Northwestern State College?

We are attending college to learn more than the knowledge given us by books. We must learn how to associate with our fellowman, form our own opinions, make our own decisions and last, but by no means least, determine what is right and wrong. These decisions can be made only by the individual. If they are taken from him, a large amount of his education is taken away. He may have knowledge, but without wisdom to use that knowledge he has attained, the purposes of an education are defeated.

Yours sincerely,
LOUIS MARION SMITH

Student Body
Northwestern State College
Natchitoches, Louisiana

Dear Students:

A certain suggestion was made to me the other day which I am strongly against. Some students put forth the idea that floats be withdrawn from the homecoming parade. They further suggested that some posters in protest to the football coaching be put on a car which would be "put in the parade" at the last minute. This, I believe, is an expression which would prove to be unwholesome to the Student Body protest. Let's leave the parade alone! Merchants in town are supporting the parade, partially, with donations to the prize fund. Would not this be unfair to them? This parade has nothing to do with the coaching here at NSC. Let's not ruin it.

Sincerely yours,
LELAND A. LANGRIDGE, Jr.
Student Body President.

Society

Sigma Tau Gamma

Forty-five rushees were present at an informal smoker given by Sigma Tau Gamma.

Robert Durham told the boys something of the importance of a fraternity and some of the various opportunities offered by such an organization. Fred Packard entertained the boys with his guitar playing and singing. Jimmie Wall held the spotlight with her famous torch songs.

Refreshments consisting of cookies and Cokes were served.

Plans are now being made for a weiner roast to be held at College Wells next Friday night.

Congratulations to Jerry Isles on pinning Miss Laurie Barillier.

Alpha Sigma Alpha

There were some very tired and sleepy girls when the ASA slumber party finally came to an end last Saturday night (or should we say Sunday morning?) And we should also like to mention that no one bothered the refreshments, as they did once last year. A lot of work was completed, and quite a few plans were made for the year's coming activities. Mrs. Eunice Kennedy, our new co-sponsor, added greatly to the fun that was had at the party.

We are all eagerly awaiting our rush parties and Homecoming. Many of our alums plan to be with us for the fun.

Delta Sigma Epsilon

Delta Den was the scene of big plans last Tuesday night when the Delta Sigs held their regular meeting.

A report was given on the progress of work on the homecoming float. Plans for our informal rush party were made and committees were appointed.

Plans were made for a DSE work and play week end. Saturday afternoon the Delta Sigs will make an excursion to Riverside Plantation at Bermuda to pick pecans for Mr. F. R. Prudhomme. These will be sold to make money for the sorority. Sunday afternoon will be spent working on the float and rush party.

Theta Sigma Epsilon

Miss Irma Stockwell, Theta Sig sponsor, gave a delightful supper Tuesday night at her lovely home on Cypress Street. Theta Sigs, Natchitoches alums, and patronesses of the sorority all seemed to enjoy the delicious food along with the gab sessions. Those attending the supper were Mrs. Mary Catherine Fisher, Mrs. Lillian Cohen, Mrs. Peggy Pharris, Mrs. Ada Gimbert, Mrs. Claire Kelly, Mrs. Hazel Gibson, Mrs. Lela Hawkins, Betty Ann Hawkins, Audell Peavy, Janice Andress, Pat Hankins, Betty Sue Boydstun, Francis Griffin, Dorothy Carnahan, Marcia Dauzat, Miss Mary Ester Roberson, Mrs. Jeanie Livingston, Miss Hope Haupt, Mrs. Dorlene Luce and Miss Stockwell.

MiFss Hope Haupt, former sponsor of the sorority, reported that she was making plans for another party for the group in the near future. Judging from her parties in the past it should be an important date on the Theta Sig calendar.

The Theta Sigs are indeed proud of the fine acting displayed by Pat Hankins and Betty Sue Boydstun in the "Royal Family."

Lambda Zeta Fraternity

Tuesday night, Lambda Zeta Fraternity held its first informal rush party of the season. More than forty-five persons were present, including Dr. Bruce Mason of the Social Science Department, who has recently become an honorary member of the fraternity.

Refreshments were served as the members and their guests entered the fraternity room. Cigars and cigarettes in ample supply were in handy reach of everyone.

Miss Jo Ann Prestridge began the entertainment program with "Little Brook." Her vivid impersonations of several of the members brought many laughs from the group. To the delight and pleasure of all present Miss Carolyn Glass did two tap routines. Many thanks, Jody and Connia.

But the entertainment really started when rushees, Fred Packard and Bob Nutt, played several numbers on their string instruments. "Pack" played on the guitar and Bob, the mandolin. They sang several songs together, and some solos. Then the entire group joined them twice in songs.

Following this, Ben Duhon, master of ceremonies for the evening, introduced the faculty sponsor and the honorary members. Refreshments were then served again and the party was adjourned.

Phi Kappa Nu

The annual Sweetheart Dance will be held in the Student Center on November 8, 1952. Featured at this dance will be the presentation of our 1952 Fraternity Sweetheart. Plans are being made to welcome the Phi Kap alumni on Homecoming Day. Open house will be held on that day after the ball game.

A letter was received from Ned Mahfouz, who is studying at LSU Med School. He is doing fine in his work. Good luck to him.

Pi Kappa Sigma

The Pi Kaps are still on the ball. A cake sale has been planned for this Saturday. The alums have been wonderful about baking the cakes and we're anxious to sell them Saturday.

For Friday the Pi Kaps have a Hallowe'en party on the calendar. We are anxiously awaiting the opportunity to once again get in the spirit of witchcraft and sorcery.

The Pi Kaps are sorry to lose Sally Hall who is leaving Saturday.

In case you have heard "noises" coming from Pi Kap hill—it's just the girls practicing singing for their forthcoming rush party.

We are glad to receive letters from two alums—Liz Seegers and Rita Doughty. Rita told us of her marriage to Ray Thompson of Tulane.

Sigma Sigma Sigma

The Tuesday night meeting was held with the majority of the members sitting on the floor, due to the fact that what chairs weren't still wet from the paint they acquired Saturday afternoon were away being re-upholstered.

It was decided that Pledge Jean Noble would be initiated at the initiation ceremony held when the Regional Leadership Conference meets here next week-end instead of Tuesday night, as was originally planned.

Our own Sue Harville was elected cheerleader for the Camp Polk football team, the "Armadilloes." Congratulations, Sue!

Congratulations to Millie Thompson, who was recently pinned to Ben Singletary.

MRS. TROY C. CARTWRIGHT

Tri Sigma Regional Meet Here Nov. 8-9

Delegates of six college chapters and six alumnae chapters of Sigma Sigma Sigma sorority will convene at Northwestern State College Nov. 8-9, for the Regional Leadership Conference of the sorority. Mrs. Troy C. Cartwright, Golden, Colo., treasurer and member of the Executive council of the sorority, will be the officer-in-charge of the conference.

The Natchitoches Alumnae Chapter will be the hostess chapter for the week end. The president of the chapter, Mrs. John Duffy, and Miss Eve Mouton, faculty advisor of Alpha Zeta chapter, are making the local arrangements.

The conference is one of eight being held throughout the United States this fall. Discussion groups on the duties of chapter officers, housing, finances, social service, ceremonials, Charm School, Harmony Hour, and other phases of sorority work will offer a helpful exchange of ideas. Special attention will be given the national social service program. The Robbie Page Memorial Fund for Polio Research, named in memory of the five-year old son of Mrs. Robertson Page, national president of Tri Sigma, who died of bulbar polio in 1951, will be discussed by the group. Plans for the national convention at the Essex and Sussex Hotel, Spring Lake, N. J., in June, 1953, will be made.

National officers assisting Mrs. Cartwright and the Natchitoches Alumnae chapter will be Mrs. Curtis C. Dixon, Denver, Colo., assistant treasurer; Miss Madge Towell, Russellville, Ark., director of housing; Mrs. George L. Burr, Jr., Winter Haven, Fla., member of the advisory board, and Mrs. H. F. Ory, Oklahoma City, Okla., assistant to the Alumnae secretary.

The big bad wolf, he huffed and puffed
To blow the pigs' house down.
'Twas not a Lucky Strike he puffed,
Or he'd have lost that frown.

Charles LaDue
University of Michigan

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Take a Lucky from a newly opened pack and carefully remove the paper by tearing down the seam from end to end. Be sure to start on the seam. In tearing don't crush or dig into the tobacco. Then, gently lift out the cylinder. See how free Luckies are from air spaces —"hot spots" that smoke hot, harsh and dry—from loose ends that spoil the taste. Note that Luckies' long strands of fine, mild tobacco are packed firmly to draw smoothly and evenly—to give you a cleaner, fresher, smoother smoke. Yes, Luckies are *made better—to taste better!* So, Be Happy—Go Lucky! Get a carton today

When rushing season comes around
For our sorority,
The girl who always gets our bid
Knows L.S./M.F.T.

Leah Belle Korn
Pembroke College

SPECIAL NOTE!

College students prefer Luckies in nation-wide survey!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette—and by a wide margin. No. 1 reason given—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

"Lack of Discipline on Cage Teams" Emphasized By Iba at NSC Clinic

"There are too many milk-toast coaches today," Oklahoma A & M Cage Coach Henry (Hank) Iba told some 200 Louisiana high school coaches and basketball enthusiasts Wednesday afternoon during the first day of Northwestern State College's annual two-day coaching school.

The famed Aggie mentor said that there is not enough discipline on most basketball teams. Iba emphasized that he ran his team, saying that he took credit for his team's losses and therefore he wanted to be boss. As to taking shots at the basket, he said that nobody on his team took a shot unless that play and that shot had been practiced.

"We don't pitch that ball up and pray," Iba said. "God's not going to help anybody that don't hustle. There are too many people bowing their heads and asking for something they don't deserve."

If a coach doesn't have good material, it only means he has to work harder, Iba stated. "Anybody can win games if he has the material. If you don't have the material, that's the day you've got to work. I coach my teams like we're not as good as the other team."

According to Iba a team that loafs just hasn't got a chance to win, and said that if any of his players ever turns into a spectator on the floor he would find himself an admission-paying spectator. Iba said "there is nothing you can substitute for trying hard in basketball," and expressed the belief that anybody that loafs in an athletic contests loafs in classes and in all aspects of his life.

VARSITY CAGERS GIVEN PHYSICALS

Last Thursday night the Northwestern State College basketball team went through a strict physical examination given by Doctor Knipmeyr, head of the Natchitoches Parish Health unit. All cagers were pronouncd "ready for action."

Coach "Red" Thomas' charges are shaping up fine in practice. They held their first scrimmage of the year against the freshmen team of George Davis.

NW Rally Meeting To Be Held Here

The annual planning meeting of the Northwest Louisiana high school rally association will be held this afternoon at 2 o'clock, according to H. H. Turpin, director of rallies.

This meeting, held each fall to approve a schedule set up by the state board of high school principals, will take place in the faculty room of Caldwell Hall.

Attending the planning meeting will be the executive committee of the association. The committee is composed of principals of schools throughout the northwest Louisiana area.

The Northwest association is slated to approve the following schedule: (District rallies) basketball, Feb. 20-21; literary, March 27-28; track-field-volleyball, April 24-25; baseball, softball, tennis and golf, May 8-9. (State Rallies) basketball, Class A, March 5, 6, 7; track and field, Class C, May 1-2.

The executive committee will be treated to a dinner in the student center dining room after the meeting and will be the guests of the college at the NSC-Mississippi Southern football game tonight.

On the committee are E. R. Minchew of Castor, Wilmer Jackson of Logansport, A. B. Simpson of Natchitoches, George Heard of Merryville, L. F. Fowler of Marthaville, L. B. Skinner of Florien, A. L. Temple of Leesville, J. J. Webb of Mansfield, Stathum Crosby of Waterproof, E. L. Reding of Bossier City, F. E. Salter of Many, Clint Jackson of Coushatta, H. A. Bateman of Ferriday, D. E. Sikes of Columbia, Curtis Bradshaw of Anacoca, Jack Gromly of DeRidder and Eugene Love of Winnfield. Also on the committee are Harry Turpin and I. C. Strickland, who is an honorary member.

FOOTBALL PREDICTION RULES

1. Any student of Northwestern State College is eligible.
2. Students are limited to one entry per week.
3. The entrant must predict the winning team and possible final score of all games.
4. All entries must be signed.
5. The prize is two free passes to the Don Theatre. Duplicate prizes will be awarded in case of ties.
6. All predictions must be in the Current Sauce office by 2:00 p. m. Thursday.
7. Failure to follow any one of the rules disqualifies an entry.

Games to Be Predicted This Week

Illinois - Iowa	Georgia Tech - Army
Tulane - Kentucky	Texas U - Baylor
Tennessee - LSU	Navy - Duke
Purdue - Minnesota	Michigan - Indiana
Oklahoma - Notre Dame	Wisconsin - Northwestern
Stanford - Southern California	

NSC Demons Given Underdog Role In Southern Tilt

Having tasted defeat only once this season, Mississippi Southern will invade Natchitoches this Saturday to battle the Demons of Northwestern, who have thus far won only one game this year.

By comparing scores, the Southerners should roll to an easy victory, having trimmed Southeastern 20-6 earlier in the season while Northwestern was losing to the same team 19-0 last Saturday.

With one of the largest forward walls in this area, the Mississippi squad should completely dominate both offensive and defensive play. Southern has 19 men that weight more than 200 pounds.

The Demons can't be counted out of the running so lightly, says head coach Harary Turpin, who was rather pleased with the showing his boys made aaginst Southeastern even though they lost.

He added that Southeastern did not run over the Demons and neither did Southern walk over Southeastern.

McElroy, the 200 pound Southern fullback, will probably deal the Demon defenders a great deal of trouble Saturday night as he bulls his way through the line.

The Demons may also find trouble stopping halfbacks Pepper and Rouchon, both of whom are outstanding ball players. Quarterback Jarrel will be directing the Southern attack.

Turpin stated that the Demons came out of the Southeastern game in fairly good shape with the exception of end Earl Haynes, who suffered a separated shoulder and will not see action against Southern.

THE NORTHWESTERN State Gymnastic team will officially open their exhibition season when they put on a performance between halves in tonight's ball game.

Men's Intramurals

By BILLY BAKER

The race for the gold and silver medals in the touch football league is getting tighter and tighter as the weeks go by. Rebel Hall, the so called weak sister, pulled a stunning upset by tying Phi Kap 0-0 to throw the standings in a three way tie for first place. The frat boys were held to only one completed pass and didn't make a single first down. Rebel Hall's fired up Raiders were in scoring position several times but failed to come through.

The Frames took the measure of Rebel Hall earlier in the week by annexing a 12-6 win. Brian Hanchey caught a pass on the ten and went over for the first tally. On a brilliant play from scrimmage, "Red" King took the ball in his own end zone and ran the length of the field behind nice blocking for the second marker. A Frame fumble on the twenty set up a Worsham to Smith pass to give Rebel Hall it's only touchdown.

South Barracks fell prey to the high flying Chowhounds by the score of 15-6. Watts passed to Kaite and Kaite to Thomas for the two Hound tallies. Kenneth Everett trapped Baldwin in his own end zone for a safety and Brister kicked one extra point to complete the Hounds 15 points.

Sigma Tau moved within a half game of the leaders as they edged out South Barracks 6-0.

Next Week's Schedule:

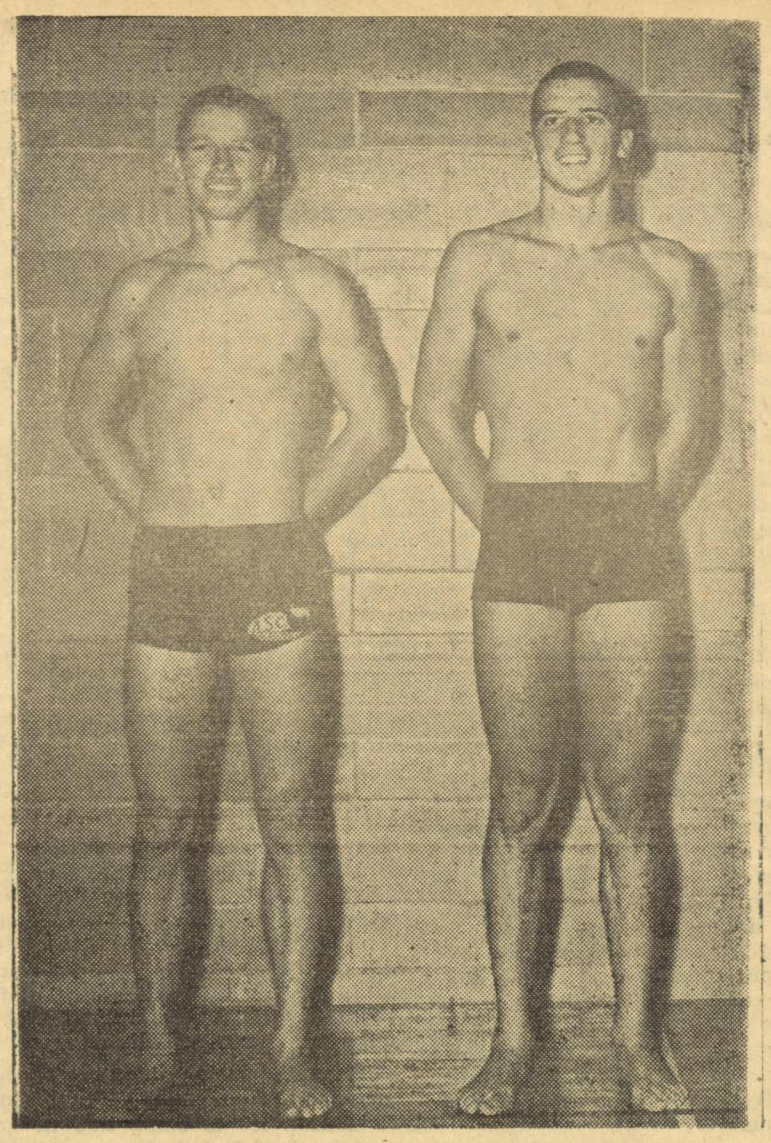

Field No. 1

Nov. 3 Phi Kaps vs. Sigma Tau
Nov. 4 Chowhounds vs. Sigma Tau
Nov. 5 Phi Kaps vs. Frames

Field No. 2

Nov. 3 Chowhounds vs. Frames
Nov. 4 Rebel Hall vs. S. Barracks
Nov. 5 Rebel Hall vs. Sigma Tau

Frames	5	2	0	.714
Phi Kap	4	1	2	.714
Chowhounds	4	1	2	.714
Sigma Tau	4	2	1	.643
S. Barracks	1	6	1	.187
Rebel Hall	0	6	2	.125

TOMMY KEHOE LYLE DILLMAN

Two Outstanding Hi School Swimmers Strenghten Northwestern's Tank Team

Louisiana's two greatest high school swimming stars are now freshmen at Northwestern State college. Tommy Kehoe and Lyle Dillman, both of whom live in New Orleans, have set many high school and AAU records. In the past they have been outstanding rivals, but now they will team up to deaal misery to the opponents of the Demons.

Tommy Kehoe, the youngest in a family of swimmers and a brother to Jerry Kehoe, co-captain of the NSC Swimmers, is a graduate of New Orleans academy. He swam in AAU competition as a member of the strong Audubon Swim club. Tommy did not compete last season due to an operation, but he should be ready now to take up where he left off in 1951, as high point winner in the NSC Swim meet and also as sweepstakes winner at the state high school meet. Kehoe's crowning triumph was winning the Junior National AAU 200 meter freestyle in 1951.

Tommy was undefeated in the 100 yards and the 220 yards freestyle events in high school competition in 1950 and again in 1951. He won four high-point trophies at the Northwest and state meets in 1950 and 1951. He presently holds Northwest rally records in the 100 yards freestyle. He shares the state record in the 100 yards freestyle, which was equalled last season by Dillman.

Lyle Dillman is a graduate of Nicholls high school of New Orleans. He swam during the summers for the New Orleans athletic club, a perennial contnder for honors in AAU competition. Dillman is the present state high school champion in the 50 yards freestyle, 100 yards freestyle, and 100 yards backstroke. Last year he won the high-point trophies at both the Northwest and the state championship meets.

In winning the 100 yards freestyle in the state meet, he tied Kehoe's record. Lyle has consistantly placed high during the last three years in the backstroke and in the longer freestyle events, but it was in the 50 yards freestyle sprint that he ranked supreme. In this race he was undefeated in high school competition in 1950, 1951, and 1952.

Dean Clark, a standout Little Rock swimmer; Horace Humble, a state high school diving champion from Baton Rouge; and Henry Walton, an ace diver from Port Arthur, are three other freshmen reasons that the Northwestern State college swimming and diving team under Coach John Piscopo should be hard to handle for many seasons.

Demons Show Well In 19-0 Loss

Scoring twice in the first quarter and once in the final period, the Southeastern Lions continued their winning ways in the Gulf States conference race last Saturday night by trimming the Northwestern Demons 19-0 in Hammond before a delighted homecoming crowd.

The Demons displayed a powerful attack both in the air and on the ground and kept constant pressure on the home team, but they always bogged down before they could score.

Five times the NSC team drove down inside the Lion 20-yard line and each time Southeastern staved off the attack and took possession of the ball.

Southeastern turned rags into riches in the first few minutes of play. Joe Johnson of the Lions fumbled the opening kickoff and the Demons recovered on the eleven. The visitors seemed certain to score until Charlie Martin intercepted one of the tosses of M. D. Ray and raced it 98 yards for the touchdown.

The Lions struck again swifty two minutes later after the Demons had fumbled on their own 19 as Elton Shuff carried it over for the second tally to make it 12-0 for the home team.

With the start of the second period, the Demons took possession of the pigskin and kept it in Lion territory for the rest of the half as well as the third period, but could never score.

James Scroggins set up the final Southeastern TD when he intercepted a Demon pass on the 47 and returned it to the NSC 38.

The Lions then marched all the way with Ed Welsh scoring from two yards out. Pet Barque added the Lions first successful conversion attempt to make the score 19-0 and end the scoring for the night.

The Demons played an exceptionally good game even though they were the losers. The passing combination of M. D. Ray to Clyde Chesson was good on seven attempts for a total of 69 yards.

Is the Infirmary Such a Bad Place?

Northwestern's infirmary gets cases ranging from common sore throats to an occasional broken bone. Most of its patients, however, are cold victims.

The cold pills dispensed by the infirmary have gained fame throughout the state. One dose contains from three to five pills. Last fall a cold sufferer got five—two green ones, two white ones, and a black speckled one. In the spring the dosage omitted the black pills, and during the past summer, the count dropped to three white ones.

These pills are highly beneficial. Thirty-five of them make that ole cold go — for about two weeks. Enough about colds, though. Anyone who stays on this campus one semester is thoroughly acquainted with at least 57 varieties of cold treatment.

The dining hall also contributes its share of patients to the infirmary. Epidemics of "dining hallitis" sweep the campus periodically. These are usually short-lived, though.

The beds in the infirmary are not the most comfortable in the world, but when one is sick, they don't seem so bad. The food served there is better than the dining hall food. At least it tastes that way.

Many people think of the infirmary as a place to be gotten out of in a hurry, but to some it is a place to go when study, going places, and sitting in the Field House become too much.

Students should take out a couple of days each semester, go to the infirmary, and, there in peace and quiet, catch up on their sleep and class work. How else can this be done without the overworked student getting into all kinds of trouble?

Remember, the infirmary affords one a good rest and an iron-clad excuse for missing classes.

Education Frat Holds Meeting Last Tuesday

Members of Kappa Delta Pi, honorary education fraternity, held their first professional meeting of the year October 28, in the drawing room of the home economics building with 22 members present. Clydie Mae Beacham, president of the fraternity, presided at the meeting.

After the business meeting, in which names of those eligible for membership were presented and voted on, Dr. Leo Allbritten, speaker for the evening was introduced.

Kappa Delta Pi's theme for the year is, "The Need for Guidance in Public Schools." During the year, authorities on guidance at the elementary, secondary, and higher education levels will address the group. Dr. Allbritten in this first meeting gave an overall view of the need for guidance.

Upon adjournment the group was served refreshments with Miss Claire Lucius pouring. Assisting with refreshments were Marilyn Snoddy, chairman of the refreshment committee, Doris Bolin, Winnie Dowden, and Barbara Herron.

Marilyn Mitchell Battalion Sponsor

Miss Marilyn Mitchell, a former student of Northwestern, has been chosen Battalion sponsor of the Air Force ROTC at Louisiana State University.

Miss Mitchell is the daughter of Mr. and Mrs. J. S. Mitchell of Natchitoches. She is majoring in speech and education and is a member of the Kappa Kappa Gamma sorority. She is a 1950 graduate of Natchitoches high school.

NOTICE

Members of the faculty and staff, their wives and/or husbands, are cordially invited to attend the Registration and Coffee in Varnado Hall from 9:00 until 11:00, and the Alumni Luncheon in the Main Dining Hall at 12:00 on Saturday, November 15, our annual Homecoming Day.

Reservations for the luncheon should be made not later than November 5. Please make your reservations at the Alumni office or telephone Extension 34.

Leroy S. Miller.

YWA Party Is Held In BSU Room

On October 27, the YWA members met in the BSU room for their weekly meeting—and there in the corner, they saw a luscious looking cake with white and pink icing topped with pink candles. They just looked and wondered. (It's always nice and quite common to decorate with cakes, you know.)

The group singing was led by Adrienne Averett, after which the devotional was given by Bettie Carter.

Plans were made for a clean-up party, and still no one said any thing about the mysterious cake hovering in the corner.

And then in a moment the mystery was solved. Annie Ruth Taylor announced that the meeting had now been transformed into a birthday party for Nuts. (We all felt at home.)

A contest for the creation of the nuttiest doll made of peanuts, toothpicks and paper was then announced. The nuts took their material and went to work and soon there were a number of nutty dolls.

The honorary nuts, those having birthdays between October 1 and December 1, were given first choice at the party table now laden with cake, coffee, and tea.

NSC Highlights

By MARY SUE BELLEW

On Tuesday the POTPOURRI and CURRENT SAUCE staffs visited the Shreveport Journal plant and the Shreveport Engraving Company in Shreveport. They found the field trip interesting. After seeing the newspaper in full operation from start to finish, they surmised that it is a very complicated process to get out a daily. As the afternoon paper rolled off the press, each person received a copy.

While the students were in Shreveport, a radio was installed in the college bus. It took about seven hours for the job, so you can imagine what a good radio it is. Now on long trips there will never be a dull moment.

Wednesday and Thursday Coach Henry P. "Hank" Iba from Oklahoma A & M College held a coaching school program in basketball. Everyone attending these sessions learned and gained valuable information about basketball, and marvelled at Coach Iba's dynamic personality.

October 27 through November 1 has been set aside as National Apple Week. Don't forget the old adage, "An apple a day will keep the doctor away." Remember too that an apple for teacher might mean an "A." Here at mid-semester, these are crucial times.

The first Artists Series began this week with Miss Mary Henderson being featured.

Everyone seems very pleased since we have laundry pick-up service. It is very convenient to take your laundry with you as you go to breakfast.

Last night, the inter-denominational Hallowe'en party was given. This is an annual function sponsored by the Interfaith Council. Everyone had a grand time, and will be looking forward to this treat again next year.

New Bridge Under Construction

A new bridge is being built across Old River between the hog farm and the dairy farm. It will be 120' long and 14' wide, and will be constructed of cresote piles and lumber. It will be of standard highway type and will carry unlimited loads.

Work was started Monday, Oct. 20, and is expected to end within ten days from this date. Mr. S. W. Nelken said yesterday that this bridge has been needed for many years and now any kind of equipment needed at the hog farm can be carried to and from there without any trouble.

In The Library

THE SIN OF THE PROPHET

By Truman Nelson

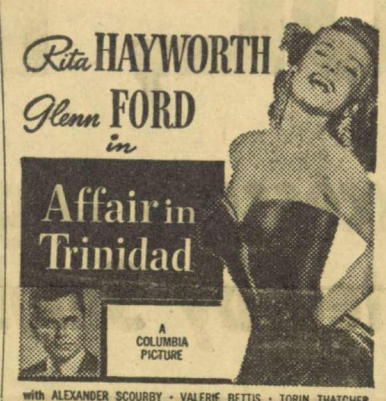

From an age of Biblical reference and prophetic moods comes "The Sin of the Prophet." Theodore Parker, the famed Abolitionist preacher, was a hero to many. This and one other fact constitute the axis of this novel, the other being that Anthony Burns, a Negro with a badly mained hand, was the last runaway slave to be returned from Boston under the Fugitive Slave Act.

A decade before the Civil War, Boston was the fortress of Abolitionists. There, a continual battle was being waged by the opposition of slavery. Heading this fiery group were such men as Wendell Phillips, William Lloyd Garrison, Dr. Samuel Gridley Howe, and the main character of this novel, Theodore Parker.

Theodore Parker's vigorous protests against injustices wherever he found them, was a steady reproach to those who remained in obscurity, silently consenting to these injustices. Truman Nelson depicts this champion of the people, struggling through failure and triumph, experiencing sin and the atonement of a true prophet.

Ouster Move—

(Continued from Page One)

get action.

Ronald Quinn student vice-president but not speaking in that capacity, placed the blame on the attitude of the coaches and players. He stated that some of the boys know they can "put out" to a certain extent and still keep their scholarships. This hurts the whole team.

President H. Lee Prather was not on the campus at the time the movement was aroused. He was attending the out-of-town funeral of the brother of Mrs. Prather and did not return until late Wednesday night.

In commenting on the situation, Prather, stated that he was aware of the criticism. He added that the coaches are appointed by the state board of education on the recommendation of himself and the athletic council, the membership of which is appointed by himself. He said that he would continue to abide by the recommendation of the council, and that he "had no intention of recommending any coaching changes for the remainder of the year. Any suggestions envolving future changes, in any, will be presented to the athletic council with full assurance that they will receive the most careful consideration."

AAUW Awards

Editor's Note: The following is a correction of the second paragraph of the AAUW news article which appeared in last week's issue of the Current Sauce.

Miss Saucier, chairman of the committee on awards, gave her report to the group at its last meeting. The awards were made during the summer to the following students: to the best woman student of 1950, Mrs. H. W. Weller of Natchitoches, now teaching at the new Natchitoches elementary school; to the best woman student of 1951, Miss Mary Alice Driscoll of Winnfield, now employed in the library at LSU. The recipient of the 1952 award, Miss Mavis Pate of Ringgold, is employed as supervisor in the operating room in Shreveport charity hospital and assists with the clinical supervision of Northwestern students in that area. The records of these students for the years mentioned were almost perfect.

Applications Available For Rhodes Scholarships, States Dean Dugdale

Applications are now being accepted for Rhodes Scholarships, Dean C. E. Dugdale, NSC faculty scholarship chairman announced this week. Recipients will receive at least two years at Oxford University in England.

Thirty-two Rhodes are assigned annually to the United States and are awarded to college students on the basis of sound intellect, character, moral courage and evidence of leadership.

Only U. S. citizens with at least five years' domicile and who are unmarried are eligible for the scholarships which carry the value of 500 pounds each. Only male students can receive the scholarships.

The country is divided into eight districts of six states each for the purpose of making the appointments. There is a competition every year in every state. Each district ultimately selects four students to represent its states as Rhodes Scholars at Oxford University in England.

Dr. Dugdale urges all students who are eligible and who are interested in these scholarships to come by his office for further information. Selections are not made principally on the basis of scholastic attainment. Qualities of manhood, truth, devotion to duty, unselfishness and fellowship, and physical vigor are stressed in the selections. Financial need does not give a special claim to a scholarship.

NSC Poultry Farm Supplies Fresh Eggs For Dining Hall

Did you know that Northwestern had a poultry farm? Well, it has. It is located on the Robeline Road near the last men's dormitory, D-frame. The farm, started in February of 1952, is under the guidance of Mr. B. W. Wiley. The purpose of this farm is to furnish the dining hall with fresh eggs and to give agriculture majors field work with poultry.

At the present time approximately six hundred and fifty hens are kept for laying purposes. About three hundred and fifty to four hundred are laying which makes an average of about 30 dozen eggs per day. The feed consumed per day is about one hundred and fifty pounds and is of three kinds; henchow, oats and layena etts.

There are twelve buildings on the farm: one broiler house, one laying house, and ten range houses. They are frame buildings with tin roofs.

In the near future a broiler project will be undertaken. It also will furnish the dining hall with fresh poultry, offer a complete work shop, and will give actual experience to agriculture majors.

Campus capers call for Coke

Win or lose, you'll get different opinions when the gang gathers to rehash the game. But on the question of refreshment, everyone agrees— you can't beat ice-cold Coca-Cola.

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

Homecoming Queen And Court Selected By Campus Groups

College Orchestra To Present Concert November 11

The Natchitoches Symphony Orchestra, under the direction of Mr. Joseph Carlucci, will present its annual fall Young People's concert in the Fine Arts auditorium on Tuesday, November 11. at 2:00 p. m. This event, which is always one of the highlights on the orchestra's busy calendar. is given especially for the elementary and high school students of Natchitoches and nearby towns, but parents and the general public are also cordially invited to attend. Judging from the preparations which have been in progress for the past two months, this should be one of the most successful concerts to date.

The program will feature music by Moussorgsky, Beethoven, Rachmaninoff, Schubert, and Romberg. There will also be an amusing musical game to play.

A similar program will be given for the college on Wednesday, November 19.

Mozart Specialist In Concert Here Tuesday Night

Guy Maier, a pianist who has a great deal of fun at the keyboard, appeared in concert in Northwestern's Little Theatre, Tuesday night, November 4 at 8:15. Dr. Maier is a specialist in Mozart and has been called "one of the ideal Mozartian interpreters."

He presented the piano version of Gershwin's "Rhapsody in Blue," and played selections by Mozart and Liszt at his recital, Tuesday night. Maier says that if the business of making music isn't fun, it isn't worthwhile. The professor of music at UCLA is certainly one who enjoys his music-making.

The New York Times says that Maier plays Mozart's music "with sparkling charm and infectious spirit." The Chicago Tribune: "Through his own intoxication with the delicacy and sheer perfection of the music, he manages to infect the areas beyond the footlights with the same tense enthusiasm."

Maier, presently editor of Etude music magazine, conducted master classes at NSC, November 3, 4, and 5. These classes were for teachers, young students and advanced students.

Student Nurses Elect Officers

The student nurses of the Monroe division of the Northwestern nursing program at E. A. oCnway Hospital, Monroe, elected officers at a bi-monthly student government meeting. The following were elected:

Eva Lou Davis, junior class president; Billie Neal, sophomore class president; student government association officers are: Patricia Sullivan, president; Billie Neal, vice president; Beverly Vollman, secretary; Willie Jo Bruce, treasurer; Sue Gilliland, historian and reporter, and Robbie Mercer, sergeant at arms.

A recreation committee was appointed and the year's social program outlined. Recreational equipment is in the process of being purchased. A recent development in the recreational program of the division is the formation of a basketball team.

THE BRIGHTEST STAR IN NSC's HOMECOMING SKY is Queen Jean Jensen and her royal court who will glitter brightly Nov. 15 when Northwestern alumni return to the campus for a full day of activities. In the center of the star is Queen Jensen, sophomore from Waterproof. At the starpoints going clockwise from the bottom are Jimmye Ann Wall, sophomore from Bastrop; Patsy Murphy, sophomore from Tallulah; Jolene Walters, sophomore from Belcher; Mary Ann Koccos, freshman from Shreveport, and Patsy Peak, freshman from Walker. These girls were chosen by senior NSC athletes and the college "N" Club elected Miss Jensen as queen.

Homecoming Set For Northwestern On November 15

Saturday, Nov. 15 marks another homecoming day at Northwestern State college, and old grads returning to "the hill" will find a full day of festivities awaiting them, according to Leroy Miller, chairman of the homecoming committee.

Registration and coffee in Varnado hall will get the day started from 9 to 11 a. m. At 9:30 a large homecoming parade, made up of floats, bands, decorated automobiles and marching ROTCers from NSC will wind through Natchitoches.

At noon Saturday the alumni luncheon will be held in the main dining hall on the NSC campus. At this time business will be taken up and offieers for the coming year elected.

On the football field in Demon stadium just before the game between NSC and Southwestern, the NSC homecoming queen and her court will be presented in pre-game ceremonies.

This year's queen is Jean Jensen from Waterproof. Her court is composed of Jimmye Ann Wall, Bastrop, Patsy Murphy, Tallulah, Mary Ann Koccos, Shreveport, Jolene Walters, Belcher, and Patsy Peak, Walker. These girls were chosen by NSC seniors participating in the four major sports. From them, the "N" club elected Miss Jensen queen.

From 4:30 to 6 p. m. campus fraternities and sororities will hold open house, and ending the day's activities will be the homecoming ball in the dining hall.

Home Ec Dept. Makes Field Trip On November 4

The Home Economics department of Northwestern State College arranged an all day field trip to Shreveport on Tuesday, November 4 to visit various industries, the Veterans' Center, and a nursery school for children. Thirty students from the department accompanied by Mrs. Marie Dunn and Mrs. Frances Halm made the trip on the new NSC bus.

Students in foods and nutrition visited the Foremost dairy to observe modern methods in the handling and processing of milk in various forms. These same students visited the Holsum Bakery to learn the methods used by a large commercial bakery in the making of bread and rolls. This group also went to the Veterans' Administration Center to see the food service department in operation. A tour of the hospital included the main kitchen, the dishwashing area, storage facilities, dining rooms, special diet kitchens, and the bake shop.

The Home Economics students in the department who are studying the child's enviorment at NSC spent all Tuesday morning at Wiseman's Toy store to study tyes of toys that are available on the market. They were shown features to look for in buying different types of toys, and those types which aid in the development of children. This same group spent the afternoon at the All Day Child Care Center, sponsored by the Children's Bureau of Shreveport, where children of working parents are cared for from 7:30 in the morning until six in the evening. NSC students were able to observe the children in their various activities and to discuss the purposes and philosophy of the school with its directors.

Northwestern Debate Squad Schedules Eight Tournaments

Plans for the current debate year are almost complete with eight tournaments scheduled in as many states. Two of the most important meets on the itinerary are the 22nd Annual Northwest Debate Tournament in St. Paul, Minnesota and the National Pi Kappa Delta Tournament in Kalamazoo, Michigan. The St. Paul tourney will be held March 5-7 with 60 men's teams and 30 women's teams from all parts of the country.

The Pi Kappa Delta tournament will include approximately 130 colleges also representing the entire country. Possibilities exist for members of the squad to attend the Grand National Invitational Speech Tournamnet in Washington, D. C. and for two members of the squad to attend the West Point Invitational Debate Tournament at West Point, New York. Invitations to these last two tournaments will be extended only to those debaters and debate squads with nationally outstanding records in forensics. The regularly scheduled tournaments will take members of the NSC debate squad approximately 8,000 miles.

Eight members of the debate squad are currently preparing to attend the tournament at Ada, Oklahoma. They are Bobby Hamm and David Kendrick, Cecil Neilson and Bill Erwin, Pat Hankins and Anne Torrans, and Dot Farmer and Mazie Dranguet.

The college debate topic this year is: Resolved, that the Congress of the United States should enact a compulsory fair employment practice law. Mr. Donald Graham, debate coach, urges anyone interested in either debate or individual events to contact him. Debate meetings are held every Monday night at 7:30 and anyone who would like to attend is welcome. Whether or not a student has debated before is not important, Mr. Graham said. Most of the major tournaments are not held until spring so it is not too late to start now.

In Sympathy

The student body of Northwestern State College wish to express their deepest sympathy to Frankie Beonit and her family in the recent death of their father.

Home Ec Students Make Plans For District Meet

Officers of the Central District Future Homemakers of America met in the Home Economics building on Saturday, November 1 to plan the Central district meeting to be held on the Northwestern campus on March 14, 1953, with the home economics department acting as hostess.

Kay Lang, district president of Montgomery high school, presided at the meeting. Other officers attending were Mary Verzwyvelt, vice president, Boyce high school; Virginia Murler, secretary, Colfax high school; Edith Jones, historian, Zwolle high school.

Advisors who attended were Mrs. Dorothy Townsend, Montgomery high school; Mrs. Maxine Southerland, Boyce high school; Mrs. Lois Salter, Zwolle high school; and Mrs. Eggers, Colfax high school. Miss Lela Tomlinson, state advisor from the State department of Education, Baton Rouge, was also present.

An Editorial

Right The Wrong!

This past week the disciplinary council here dismissed two students from this institution for the remainder of the full semester. Why? Because the students attempted forgery of grades and, fortunately, were unable to get by with it.

For two long a time we at NSC seem to have condoned a practice which is entirely dishonest—that of cheating or stealing examinations. Why is it that those of us who profess to have a little honesty and decency allow the buying and selling of final examinations to go on right in our midst? Why is it that we have made a standard joke of this practice, and have even gone as far as to print in our freshman handbook that "Caldwell Hall is a grand central station" the night before finals? Perhaps this is done because Caldwell really is a popular place the night before finals, but is this the right way to cope with such an important problem? It should be apparent to those of us who have consciences that this is not right.

A problem does exist. People steal and cheat, and it is highly improbable that at any time they will discontinue these practices entirely. It takes all kinds of people to make up a world. Because of this fact, I do not think, by any means, that students should shoulder all the blame for the existing situation. If members of this faculty would lock up their exams and grade records or keep them away from such an easy reach of the students, then perhaps they could not be stolen so easily. This is a suggestion which, I believe, is worthy of the faculty's consideration.

At any rate the decision of the council concerning the two students was a very wise one. It was an attempt toward the elimination of crooks from our circles, and anyone committing the same offense in the future should receive the same punishment.

TWO PURPLE JACKETS are receiving tickets from NSC students at Mary Henderson's concert on October 30. The students and the Purple Jackets are, respectively (left to right), Houston Davis, Marie Tilleux, and Mrs. Glen Smith and Clydia Mae Beacham.

Council Minutes

The Student Council met in Dean Fulton's office in Caldwell Hall at 5:45 p. m. on Wednesday, October 5. Present were Mary Murphy, Winnie Dowden, Mary Sue Bellew, Leland Langridge. Bonnie Quinn, Ben Singletary, Bob Miller, Lowell Starnes, and John Manning.

All arrangements have been made for the Homecoming dance.

The point system was again discussed. A committee was appointed to look into all the organizations on the campus and see how much work the officers do. In this manner an evaluation for points can be made. The committee is: Ben Singletary, chairman, John Manning, Winnie Dowden, and Mary Murphy.

Red Miller was appointed NSC representative on the Student Federation of Louisiana Colleges and Universities Uniform Reports Committee.

There being no further business the meeting was adjourned at 6:17.

Respectfully submitted,
MARY SUE BELLEW.

NSC Highlights

By MARY SUE BELLEW

This has been one "trying week" for both students and faculty since mid-semester grades had to be in Wednesday. Well, now that this crucial time has past, let's concentrate on bringing up those grades or keeping those "A's."

Beauty takes the spotlight this week. Sixty girls have been nominated for the 1952-3 Potpourri beauty contest by campus organizations. Good luck and smile pretty you sixty girls.

On November 13 the Women's PEM Club is sponsoring a Sock Dance in the Field House. From all you can hear it will be great fun—so don't miss it. Drag out your loudest pair of socks and get ready to dance holes in them.

Dr. Mack B. Stokes spoke in assembly Thursday morning on "Why Believe in God."

Maybe some of you have dropped by the nat in the last few weeks and seen Lyria Lawrence and Freddie Jones practicing their duet which is swimming to the tune of "On the Sunny Side of the Street" and Toby Livingston doing her solo to "Josephine." Today these girls are in St. Louis at Washington University performing their synchronized swimming. They were accompanied by Miss Jean Maeys, advisor, and Peggy Taylor, manager.

Senate Minutes

The regular meeting of the Studet Senate was held in the faculty room of Caldwell Hall Tuesday, November 4, at 8:15 p. m. Ten members were present and six were absent.

The minutes were read by the secretary and were approved as read.

Bennie Ray, chairman of the Student Film program committee, stated that the Purple Jackets would be contacted to usher for the first movie on Nov. 6.

Houston Davis, president of the Senate, announced that Mr. LeRoi Eversull asked for the Senate's assistance to decorate the Homecoming queen's float.

The meeting was adjourned at 8:25 p. m.

Respectfully submitted,
JOE SALTZMAN, Secretary.

U. S. Steel Hour To Feature Rosalind Russell

Rosalind Russell returns to the U. S. Steel Hour Sunday, November 9, to co-star with Mel Ferrer in the tense drama, "Magnificent Obsession," to be broadcast via stations of the NBC network at 7:30 p. m. CST.

"The Theatre Guild on the Air" adaptation of Lloyd Dougls' highly successful novel will have Miss Russell in the role of Helen Hudson, an attractive widow who builds up an intense dislike for the youth she believes is responsible for her husband's death.

Miss Russell's performance in a dramatic potrayal is in sharp contrast to the more numerous comic characterizations that have earned for her the title of Hollywood's "queen of sophisticated comedy." A few of her previous screen hits have been "My Sister Eileen" and "The Velvet Touch."

As Robert Merrick, the irresponsible youth, Ferrer brings the versatility that marked his rise to success as actor, producer, director and writer. He will be recalled for this film appearance in "Lost Boundaries," "The Brave Bulls" and "Scaramouche."

As the radio offering for Sunday, November 16, U. S. Steel will bring glamorous Tallulah Bankhead to her first appearance on "The Theatre Guild on the Air." Miss Bankhead will have the starring role in the uproarious comedy, "All About Eve." The motion picture version of "All About Eve," with Bette Davis as the leading lady, received an Academy Award.

10 Student Nurses In Monroe Division Dept. of Nursing

Ten sophomore student nurses arrived September 8 in the Monroe division of the department of nursing at E. A. Conway hospital.

The new students, Billie Neal, Beverly Hollman, Josie Whitehead, Hazel Ramsey, Allene Oxley, Gloria Bennett, Doris Roark, Bobbie Mercer, Jerry Moreau. and Marilyn Evans, upon arrival at E. A. Conway Memorial Hospital were entertained with an informal supper party. Later in the week a tea was given when the new students met the hospital staff.

Civil Service Com. Announces Exam Dates

The Civil Service commission announces examinations for Inspector of Engineering Materials and Equipment (various options), $3175 to $5500 per year. Employment will be with the Supervising Inspector of Naval Materials in Houston, Texas and other Federal agencies in the state of Texas with some duty assignments in Louisiana, Arkansas, Oklahoma and New Mexico. Application forms may be obtained from any 1st or 2nd class post office where this announcement is posted; Recorder, Board of U. S. Civil Service Examiners, Supervising Inspector of Naval Material, P. O. Box 4090, Houston 14, Texas; Regional Director, 14th U. S. Civil Service Region, 1114 Commerce Street, Dallas 2, Texas; Regional Director, Tenth U. S. Civil Service Region, 442 Canal Street, New Orleans 16, Louisiana; Regional Director, Ninth U. S. Civil Service Region, New Federal Building, St. Louise 1, Missouri; and Regional Director, Thirteenth U. S. Civil Service Region, Building 41, Denver Federal Center, Denver, Colorado.

Campus capers call for Coke

No matter if this year's team is the underdog, spirits soar at the homecoming rally. There are bonfires, pep talks, cheers—and for refreshment, delicious Coca-Cola.

Pi Kappa Sigma

Last Friday night the Pi Kaps made a big success of their Hallowe'en party. Gay decorations furnished a festive mood for the occasion. Those attending were Sarah Cutrer, Louise Vick, Glynn Ellen Pennington, Lynn Rutledge, Rose Farrar, Sarah Cook, Patsy Winkler, Miss Yvonne Phillips, sponsor, Mr. LeRoi Eversull, Mr. Don Graham, H. A. Butler, Joe Barkate, "Red" Cook, Sonny Mercer, M. D. Ray, and Robert Miller.

Saturday the cake sale was another big success. The cakes were made by alums here in town. Thanks alum!

The meeting of the Pi Kaps last Tuesday night was quite eventful. Besides completing plans for the informal rush party and the float, we accomplished quite a bit on the formal rush party.

The president read a letter from alum Lou Frisel who is attending the University of Heidelburg, Germany.

Plans were made at the meeting for an open house to be held after the homecoming game on November 15. We are expecting to see many of our alums. Plans were made for a slumber party Saturday night to work on the rush party.

Kathleen Ray and "Drink" Barker will represent the Pi Kaps at the Phi Kappa Nu Sweetheart dance tonight.

Congratulations to Marilyn Snoddy, Louise Vick, Rose Farrar, Jackie Funderburk and Glynn Ellen Pennington, who have been nominated for Potpourri beauties.

On Wednesday night Virginia Ball and Kathleen Ray represented the activities at the monthly meeting of the alum chapter. The meeting was held at the home of Mrs. Margaret Aikel here in town.

Our deepest sympathy goes to Sue Rhodes on the death of her grandmother; to Glynn Ellen Pennington on the death of her great grandfather. Our best wishes for a quick recovery go to Mrs. Winkler, who is in an Alexandria hopsital.

Sigma Sigma Sigma

The regular Tuesday night meeting of Sigma Sigma Sigma was held at the home of Gervais Aldredge due to the fact that the house was given a top-to-bottom cleaning last Saturday in preparation for the convention this week end.

Plans were completed for registration, housing, and entertaining the guests who will begin arriving Friday.

The rush list was discussed, songs practiced, and various tasks assigned the members in readiness for the convention Saturday and Sunday, and the informal rush party, Tuesday night.

A "time-out" was called when Mr. and Mrs. Aldredge served Cokes and delicious cookies to the hungry group. Further refreshments were provided when Millie Thompson presented the group with a large box of candy in honor of her recent pinning to Ben Singletary of Phi Kappa Nu.

Members of Tri Sigma were delighted to hear that Bobbye Bass and Josellen Cagle of Alexandria would be on the campus for the regional leadership conference this week end.

Congratulations to Bea Rumsey and Millie Thompson who were nominated for Potpourri beauties.

☆ ☆ ☆

Sigma Alpha Iota

Friday night the SAI pledges gave a recital in the home of Mrs. Sherrod Towns, the wife of Mr. Sherrod Towns, who is the head of the music department. Mrs. Towns was selected as the faculty advisor of Sigma Alpha Iota.

The pledges who performed at the recital were Carolyn Adams, Sikes; Patricia Jones, Jena; Harriet LaCour, Alexandria; Bessie Belle Serrett, Hamburg, Arkansas; Ann Walton, Bastrop; and Mildred Young, Natchitoches. Others attending were the active members: Mary Clark, Mary Ann Cronin, Dot Corry, Marcia Dauzat, Sallie Jo Foster, Marjorie Norsworthy, Sarah Nell Woodall and Alice Zenter. The faculty advisors, Miss Ann Elizabeth Riggs, Mrs. J. W. McCook, and Miss Sara Guitar, were also present. Alums who attended were Mrs. Booker and Julia Pace.

After the recital a light salad was served. Decorations were of red and white colors as a representation of the music fraternity.

☆ ☆ ☆

Alpha Sigma Alpha

The ASA's spent last Saturday afternoon putting a few finishing touches on the inside of the house. The piano is now a light shade of green to match the seat covers. The insides of the kitchen cabinets were laid with linoleum and the few remaining chairs were painted. The girls all admired the shiny newly-redone lamp which one of the alums fixed.

We would really like to take this opportunity to thank our mother patronesses and alums for the many things they have done for us recently.

Next week will be spent in cleaning the back yard which seems to have collected a great deal of trash lately from the work that we have been doing.

Tuesday's meeting tied up the "loose ends" of the plans that had not been completed. More arrangements for the rush parties and float were made. Ann Hungerbeeler was appointed chairman of the float committee, and Mona Grey Miller, Bernice Dale Blankenship, and Claire Lucius were appointed to ride the homecoming float.

The meeting was concluded by the singing of many of our ASA songs. We were led by Evelyn Pyle and Bernice Dale Blankenship.

Modern Dance Club Elects Officers At Weekly Meeting

The Modern Dance Club at Northwestern elected officers at their weekly meeting, November 4. Those elected are Jane Williams, president; Jane Gaines, vice president; Bebe Joy Gallender, secretary; Nita Barbarousse, treasurer; Toby Livingston, publicity; and Carolyn Glass, wardrobe.

It has been reported that the club may perform for the Christmas assembly.

THE PRESIDENT'S RECEPTION was held in the living room of Varnado Hall, October 29. The reception honored the new faculty and staff members. Identified in the receiving line from left to right are Mr. Dudley Fulton, Mrs. Leo Albritten, Dean C. E. Dugdale, Mrs. H. Lee Prather, Mr. H. Lee Prather, and Dean Kathleen Gillard.

Modern Luxuries Can Be Found In Carondelet Hall

A new idea in service was started in Carondelet Hall last Sunday morning when the girls received breakfast in bed. The breakfast, consisting of coffee, doughnuts, and orange juice was served by members of the dormitory council. The project was initiated by the social chairman, Jane Williams, to raise money for the dormitory party. It was quite a luxury at 25 cents per breakfast.

A lot of credit goes to the members of the dormitory council who got up early enough to prepare the eats. They are Mary Shipp, Bobbie Downs, Gail Epperson, Lolo Raymond, Jane Williams, and the housemother, Mrs. Perle David.

The idea was such a success that it will be continued on other Sundays, with each girl in the dormitory taking a turn at getting up and preparting breakfast.

Demons To Test "Fight" Formula Against Northeast Tonight

King's Korner

By "RED" KING

Wha' Hoppened ???

The students who failed to attend the football game last Saturday night are probably still kicking themselves for not doing so. However, the ones who did see the game are still pinching themselves to see if it was all just a dream. Anyway, the Demons finally played football.

When our team ran onto the field they looked like Tom Thumb up beside Mississippi Southern. However as the game progressed Northwestern began to resemble David and the opponents, Goliath. Of course our David didn't beat Southern's Goliath, but they sure stunned them for a while.

The question has been circulating around the campus as to what exactly did get into our team. Did Coach Turpin give them a dose of Hadacol? Or were they just so scared of Southern that they figured it was "do or die."

Some people think it was the pressure placed on the Purple and White grid-machine by the student body that made them show such an improvement. If that is the case then maybe we should start a "fire Coach Prather" crusade. Not the whip, Coach!!!! Honest, I was just kidding. It most likely wouldn't get very far, but if it would help to get our team to play as they did against Southern then I'm all for it.

Anyway, whether it was might, fright, or just plain ol' fight that inspired our team last week, the entire campus liked it. But can the players continue it ? ?

Men's Gymnasium Gets New Addition

A new addition has been added to the college gymnasium much to the delight of Demon basketball fans. Extended from the center of the roof directly over the court will be a large four sided scoreboard that can be seen clearly by everyone in the gym regardless of where they are sitting.

It was bought from the Fair Play Manufacturing Co., Automatic Game Timers of Des Moines, Iowa. The name of the two teams, the score, periods, minutes and seconds to play can be seen clearly on all sides. This board works by electricity and is operated from the time keeper's table. Southwestern and La. Tech have one like ours.

It cost around $2,000 and the problem now is how to get it in the door without building a new gym around it.

Clean-Up Party

All Baptist Student Union students are urged to attend a Clean-Up party Friday Nov. 14 at 7:00 p. m. in the BSU room of the Religious Center. At this time the BSU room will be cleaned for the open house during Homecoming day Saturday, Nov. 15. Refreshments will be served.

A FIRED UP BAND OF DEMON GRIDSTERS played heck with the experts' predictions of an easy Mississippi Southern victory Saturday night when they completely boxed up the visitors' powerful offense for a full quarter while they themselves were pushing across two scores. The teams left the field at half-time deadlocked in a 13-13 tie. Southern poured on the steam in the second half and plled away to a hard earaned 39-13 victory. In the above picture, the Demon offensive unit is picking up yardage with Jack Bice carrying the ball. Others identified are Jim Bruning (44) and Darrell Wiggins (63) of Northwestern and Caldwell (83) and Alonzo (6) of Mississippi Southern.

Demon Frosh Team Opens Cage Season Against Florien

Northwestern State college's freshman basketball team opens its season Saturday night in Florien against the high school varsity, Frosh Coach George Davis announced today.

Davis, a member of Northwestern's varsity cage team, said that the freshman squad was looking good and should have a successful season. Looking especially good in practice sessions have been Sonny Bates of Coushatta, Glendale Ebarb of Zwolle, Ted Duggan of Florien and Mixon Bankston of Dry Prong.

Others working out with the team daily are Tony Trumps of Sulphur, Jerry Leferspere of Alexandria, Alvin DeBlieux of Natchitoches and Venton Coburn of Hornbeck.

The second game of the season scheduled by the NSC Frosh is against Flora, Nov. 10, followed on Nov. 15 with a clash at Pisgah.

Campus Chess Club Elects Byrd President At First Meeting

The first meeting of the Northwestern Chess club was held Nov. 5 at 7:30 in the private dining room of the Student Center. Ronald Byrd was elected president. Dr. Eugene Watson is the faculty adviser.

The next meeting has been scheduled for Nov. 12 at 7:00. Official play will begin on that date and other officers will be elected.

NSC, Indian Tilt to Feature Brothers

When the Demons tangle with Northeast State College tonight in Monroe, two battles will take place on the grid-iron. One will be the newly formed rivalry between Northwestern and Northeast State, and the other will be a duel that had its birth in 1946 when two brothers decided that they both wanted to play the same position on the Haynesville football team.

The older brother, Lloyd, had the berth pretty well sewed up. He naturally had an advantage over the younger boy, Marvin, because he had been playing first string ball for two years preceding 1946. So young Marvin spent two seasons picking up splinters on the bench while "big brother" captured the glory. Finally Lloyd graduated in 1948, and enrolled in Northeast State College. He quickly won himself a first string position.

In the meanwhile, Marvin was filling in the vacancy left open by Lloyd. He proved to be as capable a ball handler as the older brother. And in his senior year in high school, Marvin was voted honorable mention for an all-state berth just as his older brother was.

In 1950, Marvin entered Northwestern State College. Here he caught Coach Turpin's eye and took over the regular passing chores for the Purple and White grid team. Last season he broke the Gulf States Conference record for yards gained passing. Thus he exceeded into the lime-light ahead of his big brother.

The Marvin we are talking about is better known on the NSC campus as M. D. Ray, and his older brother is Lloyd Ray. Both brothers will be facing each other in tonight's tilt, M. D. as the brilliant passer for the Demons and Lloyd as the consistent quarterback of Northeast State. What will be the outcome of this fracas???? Will Northwestern beat Northeast????? Or will big brother down little brother??????

No matter which team wins or which team loses, one thing is certain, someone in the Ray family will be happy. Let's hope it's M. D.

NOTICE

Once again the Current Sauce is running a football prediction contest. Everyone at NSC can enter and the rules are simple.

Do you need money? Then why not borrow some from the Student Loan fund. Contact Jackson Beebe, treasurer.

Women Swimmers Attend Symposium In St. Louis, Mo.

Four members of the Northwestern women's synchronized swimming group and Miss Jean Maeys, faculty sponsor, left yesterday morning for St. Louis, Missouri, where they will participate in the annual Intercollegiate Synchronized Swimming Symposium at Washington University.

The Symposium this year will consist of synchronized swimming demonstrations by the representatives of the various colleges invited to attend, and a workshop session during which the girls learn new aquatic skills and techniques used in synchronized swimming.

Toby Livingston, NSC freshman, will swim a solo routine to the catchy melody of "Josephine." Lyria Lawrence and Freddie Jones, both second year students, will synchronize their swimming to the lilting tune "Sunny Side of the Street." Peggy Jo Taylor, student chairman of the swimming group, will be the fourth member attending the Symposium.

Last year was the first time NSC sent representatives to the SWAAU meet. Three girls represented the college in the meet which took place in Dallas, Texas. Lyria Lawrence and Freddie Jones swam a duet to "Jealousie" and gained a fourth place in the duet competition. Dorothy Hewitt did a solo interpretation of "Intermezzo." In the final judging of the solo routines, Dorothy placed second with the score of 180.33. Carolyn Way, who represented the University of Oklahoma, captured top honors with a score of 183.33.

According to Miss Maeys, the spectator can very easily be deceived concerning the difficulty of synchronized swimming. The usual sign of an excellent performance is the fact that the swimming feat may look easy. If there is anyone interested in this sort of swimming or is curious to find out just what it is, they may watch the girls practice at any time in the Natatorium.

NOTICE

There will be an intramural meeting Monday night, November 24, at the men's gym for the purpose of organizing a volleyball league. Everyone interested in entering a team please be present.

Injected with a new serum in last week's encounter called "fight," the Northwestern State College grid machine travels to Monroe and to the Northeast State campus tonight to see if this magic formula can last for more than just one game. Or whether it was just a hoax and has quickly worn out.

According to sport casters and writers, the Purple and White are favored to win this contest. But comparing a common opponent shows that the Northeast State Indians have a slight advantage over NSC. Each team has played Southeastern. Northwestern was defeated 19-0 by the Lions while Northeast was nipped by a close 24-20 count.

Coach Turpin stated that he is expecting a rugged game from the Monroe lads. Not too much is known about the individual players because most of them are out of state gridders. However, it is known that in the Indian's quarterback, Lloyd Ray, there is a very capable ball-handler.

Miss. Southern Topples Demons

A fired-up group of Northwestern State College gridsters stunned a highly touted Mississippi Southern football team for two full periods, but gradually dwindled down before the power and might of the Mississippians, 39-13.

Southern got in trouble right after Northwestern kicked off to begin the game. On the first play from scrimmage, they fumbled and a Demon stalwart pounced upon the oval deep in Southern territory. However, the home team couldn't advance and the Mississippi boys took over.

Digging in the Demons held the visitors for three downs and forced them to punt. Red Smith gathered in the punt on the Purple and White 30 yard marker. From there he scampered through a host of Southerners, and raced down the sidelines 70 yards for the score. Smith's jaunt was the longest run chalked up by the Demons thus far this season. Smith attempted to kick the extra point, but missed.

Later in the period, the Demons took the ball on their own 40 and began a march for their second tally. Leon Fuller broke through the Southern line into the clear for a 20 yard gain. M. D. Ray then passed to Clyde Chesson to the Southerner's 17 yard line for another first down.

Southern intercepted one of Ray's passes, but the play was nullified by a 15 yard penalty against the visitors, which put the ball on the two yard line. Fuller drove over from there to make the score Northwestern 12, Mississippi Southern 0. Smith split the parallel for the extra point.

From that point Mississippi decided to take control of the game. Beginning from the mid-field stripe, the visitors, with Posey leading the attack, drove down to the Demon 17 yard line. Posey took it over from there and Brumfield converted to make it 13-7 in favor of the Demons.

A minute and a half before the half ended, Southern hit paydirt again as Tony Rouchon took a screen pass and raced 30 yards to tie up the ball game. Brumfield missed his conversion attempt and the half ended in a 13-13 tie.

Southern came back in the second half determined to show who was boss as they drove 55 yards for their third score with Rouchon scoring from six yards out. Brumfield converted and Southern led 20-13.

A few minutes later, Billy Jarrell passed 30 yards to Elmo Lang to give Southern a 26-13 lead. Brumfield missed the conversion. Early in the fourth quarter, Jarrell passed five yards to Pepper for another touchdown. Southern's final tally came as Kit Kaiser ran five yards. Brumfield converted to end the scoring for the night.

FOOTBALL PREDICTION RULES

1. Any student of Northwestern State College is eligible.
2. Students are limited to one entry per week.
3. The entrant must predict the winning team and possible final score of all games.
4. All entries must be signed.
5. The prize is two free passes to the Don Theatre. Duplicate prizes will be awarded in case of ties.
6. All predictions must be in the Current Sauce office by 2:00 p. m. Thursday.
7. Failure to follow any one of the rules disqualifies an entry.

Games to Be Predicted This Week

Princeton - Yale
Rice - Texas A & M
Texas - Texas Christian
Army - Pennsylvania
Stanford - Oregon
Wisconsin - Indiana
Georgia Tech - Alabama
South Carolina - North Carolina
Navy - Columbia
Notre Dame - Michigan
Mississippi - Maryland
Mississippi State - LSU
Northwestern - Iowa
Ohio State - Illinois
Auburn - Georgia
Baylor - Houston

Frames Captures First Place With 6 - 0 Victory Over Phi Kap

"Red" King Scores on 15 Yard Run; Final Playoffs Begin November 11

By BILLY BAKER

Putting the clincher on one of the most exciting touch football seasons at Northwestern State College, a band of Frames gridders slipped over one touchdown on an end run to defeat defending champions Phi Kap, 6-0. "Red" King carried the pigskin for the Frames' tally. This victory gives the Frames boys claim to first place in regular season play. The play-offs begin November 11.

The Frames kept the Fraternity boys deep in their own territory throughout the game and they were never in serious trouble. Good blocking, teamwork, and an amazing split-T formation played a big part in helping the Frames topple Phi Kap.

Phi Kap downed a hard fighting Chowhound team 14-7 to take possession of second place. Garland Lawrence broke through, in the second quarter to block a Phi Kap punt and Homer Thomas recovered on the five yard mark to set up their score. Carl Kaite passed to Casey Bryant for the score, and Watts passed to Kaite for the extra point.

Bouncing back in a hurry, Phi Kap's Rudy Berlin threw an aerial to Clay Brock for six points. A replacement by Berlin tied the game at 7-7. In the last quarter, the "Berlin-to-Brock" combination struck again to put the game on ice for the frat boys.

Both teams won games earlier in the week to stay in the running. The Frames blasted the Chowhounds 26-0 as quarterback James King uncorked passes to McDonald, Hanchey, and Buckston for touchdowns. Jerry Reddell intercepted a Hound pass to score the other marker for the Frames. Phi Kap nosed out Sigma Tau 13-0 on the passes of Berlin and the receiving of Langridge and Champagne.

Kenneth Brister booted a 25 yard field goal and handed the Chowhounds a 3-0 decision over Sigma Tau in one of the year's best defensive battles.

South Barracks forfeited games to Rebel Hall and the Frames. Sigma Tau also forfeited to Rebel Hall.

Play-off Schedule

TUESDAY, NOV 11

Field No. 1—Frames vs. Sigma Tau.

Field No. 2—Phi Kap vs. Chowhounds.

WEDNESDAY, NOV. 12

Field No. 1—Winner of game No. 1 vs. Winner of game No. 2.

CHAMPIONSHIP GAME

Field No. 2—Loser of game No. 1 vs. loser of game No. 2.

CONSOLATION GAME

☆ ☆ ☆

Final Standings

Frames	8	2	0	.800
Phi Kap	6	2	2	.700
Chowhounds	5	3	2	.650
Sigma Tau	4	5	1	.450
Rebel Hall	2	6	2	.280
S. Barracks	1	8	1	.150

Demon Basketeers Look 'Very Ragged' In Early Practice

With his Demon basketeers in their third week of practice, Coach Red Thomas of Northwestern State College described his rangy cagers as "very rugged," but termed this "not unusual for this stage of the game."

"I believe the sloppy passing, the hasty shooting and the ragged team play will improve tremendously before the opening game with Lamar Tech," the Demon mentor who is going into his third basketball season at NSC, said today.

The Northwestern basketball team, which won 17 and lost 14 games last season, opens its 1952-53 year against Lamar Tech, Nov. 29 in Beaumont, Texas.

With the exception of Artie Shaw, lanky forward who graduated last spring the NSC cage coach has the same team back that made it hot-going for all foes last year. He even has a little extra height, experience and zip in his players.

"We will definitely have a better team than last season. This does not mean we'll have a better record necessarily, because several of the other schools have better teams also," Coach Thomas noted.

Back in Demonland are such standouts as towering Ken Shaw of Holton, Ind., who flipped 269 tallies through the hoop last season for a 17.9 per-game average; Jim Yergler, outstanding guard and team captain from Cissna Park, Ill., and James Thomas, a center-forward combine who stands 6 feet 4 inches and hails from Martin.

Other lettermen back at NSC are speedy ball hawk Sammy Booras from Shreveport, a 5 foot 10 inch bundle of perpetual motion; sharp-shooting George Davis, Florien; basket-hungry Murrell Walker, Dry Prong; 5 foot 9 inch speedster Bill Collingsworth, Bryceland, and steady ball-handlers and good shots—Waple Lilley, Belmont; Ronald Byrd, Shreveport, and Tynes Hildebrand, Florien.

Also scheduled to see plenty of action is newcomer George McConathy, the third McConathy brother to play basketball at NSC. George, a high school all-state player for four years, rises into the 6 feet 4 inch atmosphere, and seems to have everything his brothers, Leslie and Johnny, had, and maybe even more.

Another freshman cager that is looking good as a smooth ball-handler and calm shooter is James Enloe, 6 foot 3 inch guard from Pineville. Enloe is a boy who has height, speed and a natural instinct to drive for the basket.

Coach Thomas has been putting his boys through numerous ball-handling drills, fast-break situations, and has had the Demons working some on screen plays. He held a major scrimmage session Thursday night.

New Record Set In Men's Intramurals

A new record went into the NSC men's intramural record book last week as the Chowhounds beat Sigma Tau 3-0. Although most players and fans alike were unaware of the fact, this was the first time in the history of Northwestern intramural touch football that a game was decided by a field goal.

To make matters even more fantastic it was the first field goal ever attempted by the kicker. The player was Kenneth Brister, 220-pound plus guard from Bastorp, Louisiana. Brister was coached at Bastrop by Coach Thomas, men's intramural director, and had never kicked a field goal up until now.

Women's Intramurals

Miss Elisabeth Cunningham, director of women's intramurals, announced last week that there would be a women's intramural swimming meet November 19 in the natatorium. Entries are being accepted now and all women students are eligible to compete.

Teams will be limited to eight members, each with not more than two members of the Tarpons, girls competitive swimming team, on each squad. The events included in the meet are: diving, distance swims, dashes, underwater swim, nightgown relay, medley relay, egg and spoon relay, individual relay, and freestyle relay.

For further information see Miss Cunningham or Miss Maeys in the intramural office.

VOLLEYBALL

The Agnes Morris Aggies remain undefeated in league play with only West Varnado standing in the way of their championship. These two teams will meet next week in the only remaining game.

PING PONG

Carolyn Price is the 1952 ping pong champion having defeated Thais Beter three games to none. Price will team with Virginia Metcalf against Sue Wheat and Rae Gremillion to decide the doubles championship.

GOLF

Eleanor Hendrix defeated Barbara Brittain, one up, and Barbara Corley and Carolyn Glass are all even at the present moment with nine holes to play in golf competition.

Neville Tigerettes To Participate In Homecoming

Participating in the Homecoming parade of Northwestern State college will be the well-known Neville high school Tigerettes, of Monroe, Louisiana, under the direction of Parker J. Long, former NSC student and graduate.

Known throughout North Louisiana, and having attained nationwide publicity on occasions, the Tigerettes are noted for their stellar performances at the half-time shows of their Neville Tiger football team's games. These girls follow their team wherever it goes on chartered Trailways buses. In addition, they have given numerous special performances throughout the south. Notable among these are participation in Louisiana State university homecoming activities, post-season bowl game shows, and Shreveport's "Holiday in Dixie."

In addition to their entertainment features, the Tigerettes frequently aid in charity drives by donating their time, as in Community Chest drives, etc. They help boost all of their school activities.

Half-time shows by this group usually consist of "pictures, formations, both with and without lights, at night football games; special acts for features, such as dance routines; and precision drill at its best. They have special marching steps that are unique to the Neville organization.

The Tigerettes are supported at each halftime show by the Neville band.

The all-girl pep squad has a total of 162 members, and the band 103. With these 265 high school boys and girls on the field at one time, working out intricate prearranged formations, fans see a colorful sight.

Long, when interviewed, stated that he was very happy to return with his Tigerettes to his favorite city of Natchitoches and his Alma Mater. He stated that such trips as this serve one of the primary purposes of the Tigerettes—to give the girls a chance to travel over the state for educational purposes.

NSC Film Program Features First Of Movie Series

The 1952-53 student film program of Northwestern State College got underway last Thursday night with the presentation in the Fine Arts auditorium of "Stagecoach," starring John Wayne and Claire Trevor.

Two other films have been scheduled to be shown before the Christmas holidays and others will be presented later in the school year.

"Lost Horizon," starring Ronald Coleman and Jane Wyatt, will be given on December 4. On December 18 will be shown "Golden Boy," starring William Holden and Barbara Stanwyck.

The purpose of the student film program is to present to the students, as well as others, who desire to attend, films of high standing and caliber.

The films are chosen by the film committee of the student senate. Admission is 25 cents, but competition with downtown theaters in Natchitoches is not the aim of the non-profit program.

LESCHE CLUB HEARS MISS BETTY PORTER

At the regular monthly meeting of Lesche club on Monday night, Miss Betty Porter gave an interesting and informative discussion on the qualifications of the two candidates for the presidency of the United States.

Mrs. J. W. McCook, accompanied at the piano by Miss Eleanor Brown, rendered several delightful vocal selections.

The hostesses, Mrs. W. J. Robinson, Miss Mary McEniry, and Mrs. C. E. Dugdale, served delicious salad plates and hot tea to about thirty members present.

Miss Mamie Bowman, president, presided at the short business session.

Local Lions Club Will Sponsor Concert By Internationally Famous Violinist

Rubinoff, internationally famed violin artist, will appear in a concert in the Fine Arts auditorium on the Northwestern State campus on Thursday, Jan. 29, according to Irby Knotts, president of the Natchitoches Lions club which is sponsoring the appearance.

"We feel indeed fortunate in being able to bring such a great artist to Natchitoches," Knotts said in making the announcement, "and we are aggressively determined to make this one of the outstanding events of the season." He explained that special committees would be named to promote the presentation.

Tickets for the performance, which is themed "a concert in tune with the times," will go on sale in the very near future.

The famed violinist will bring here for his concert the fabulous Stradivarius violin which is reputed to possess the most beautiful tonal qualities in the world. It is insured for $100,000.

His program will include such favorites as the Warsaw Concerto, Chopin's Polonaise, DeBussy's Clair de Lune and Gershwin's Rhapsody in Blue. These compositions will have their premier performance as violin solos arranged and played by Rubinoff.

RUBINOFF AND HIS VIOLIN

National Teacher Exams Will Be Given February 14

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at 200 testing centers throughout the United States on Saturday, February 14, 1953.

At the one-day testing session a candidate may take the Common Examinations, which include tests in Professional Information, General Culture, English Expression, and Non-verbal Reasoning; and one or two of eight Optional Examinations designed to demonstrate mastery of subject matter to be taught. The college which a candidate is attending, or the school system in which he is seeking employment, will advise him whether he should take the National Teacher Examinations and which of the Optional Examinations to select.

Application forms and a Bulletin of Information describing registration procedure and containing sample test questions may be obtained from college offiicals, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, P. O. Box 592, Princeton, New Jersey. Completed applications, accompanied by proper examination fees, will be accepted by the ETS office during November, December, and in January so long as they are received before January 16, 1953.

One of the Greatest!

Christy Mathewson, in a 30-day span pitched 68 consecutive innings without giving a single base-on-balls. This mark—a record in big-time baseball — indicates the kind of control that has made many baseball savants claim that Matty was the greatest pitcher of them all.

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

High School Bands To Participate In Homecoming

Six Louisiana high school bands and pep squads will participate in ceremonies on Demon Field this afternoon in the highlight of Northwestern's homecoming day-the gridiron tilt between the Demons and the SLI Bulldogs, Dwight Davis, NSC band director announced this week.

Visitiing groups to march and play at halftime are the following: Arcadia, E. L. Self, directing; LaSalle, Nell Whitten, directing; Natchitoches, James Simmons, directing, and the Neville (Monroe high school Tigerettes, Parker Long, directing.

Davis said the ceremonies would be on a large scale and very lavish, but would not reveal the nature of the show to be put on by the Demon band and Demonettes in conjunction with the high school organizations. He did say, however, that the bands massed would play "Military Escort" by Bennett.

NSC JOURNALISM FRAT WILL REACTIVATE MONDAY NIGHT

Alpha Phi Epsilon, journalism fraternity at Northwestern State will initiate its fall acticities Monday night following the weekly meeting of the Current Sauce staff.

The fraternity, a local organization, is new on the campus, having been originated during the last spring term.

Business to be discussed at the Monday meeting will be election of a secretary and plans for the initiation of new members.

Membership in Alpha Phi Epsilon is restricted to persons actively working on the Current Sauce staff. Anyone interested in the group is invited to attend the meeting.

Audience Delighted By Orchestra Concert On November 1

The Natchitoches Symphony Orchestra and its conductor, Joseph Carlucci, were greatly pleased with the enthusiastic reception accorded them at the Young People's Concert which they presented in the Fine Arts auditorium on Tuesday, November 11. The one thousand or more children who attended, as well as their teachers and general public, thoroughly enjoyed the afternoon's entertainment. They were especially delighted by a demonstration of the various orchestral instruments and the playing and singing of "Three Blind Mice" by the orchestra and audience.

Miss Eleanor Brown, of the college music faculty, was featured in excerpts from Ranchmaninoff's Second Piano Concerto. The orchestra also played a Russian Dance by Moussorgsky, the Final from Beethoven's Fifth Symphony, Londonderry Air, Serenade from "The Student Prince" by Romberg, and the Rosamunde Ballet Music by Schubert.

Natchitoches schools represented were Warren Easton Elementary, East Natchitoches Elementary, the High School, and St. Mary's High School and Academy. Other groups came form Campti, Winnfield, and Calvin.

A similar program will be given for the college at a special assembly on Wednesday morning, November 19, at 10 o'colck.

ROBERT LAWSON SHAW will conduct the Shaw chorale and orchstra in a concert here in the Fine Arts auditorium on November 20. This concert is the second of the Artist Series presentations.

12 Potpourri Beauties Are Selected In Varnado Living Room Wednesday

The top twelve 1952-53 Potpourri beauties were selected from a total of sixty nominees at the annual contest which was held Wednesday night from 6-10 o'clock in the living room of Varnado hall.

Those who were chosen as beauties are Pat Briley, Barbara Brittain, Julie Cusachs, Jackie Funderburk, Laverne Hopper, Lora Faye Kemper, Toby Livington, Virginia Martin, Pat Murphy, Jo Ann Prestridge, Lorraine Vaughn, and Jolene Walters.

The rank of the beauties will not be disclosed until the yearbooks are issued this coming May.

The girls were selected on the basis of beauty, poise, and personality.

Judges for the occasion were "Pap" Dean, Jimmy Cobb and Ken Fory from the Shreveport Engraving Co. The judges stated that it was a very difficult job to select twelve from such a great number of beauties. They further stated that the top four beauties were immediately recognized and received their unanimous approval.

Annual Shrine Circus Here On Campus November 12 - 13

The fourth annual Nakatosh Shrine Circus was held in the Fine Arts auditorium Wednesday and Thursday, November 12-13.

The Shrine Circus featured the West Brothers famous indoor circus, held each year for the school children of Natchitoches and surrounding parishes. Sabine, Red River, Winn, and Natcitoches parishes attended the circus.

Proceeds of the show will go to the March of Dimes and the Shriners Hospital for crippled children.

Shaw Is Featured In Second Artist Series Program Nov. 20

Robert Lawson Shaw, second of the Artist Series performers, will conduct the Robert Shaw Chorale and concert orchestra in a concert here at the Fine Arts auditorium Thursday, November 20.

Shaw was born April 30, 1916, in Red Bluff California. His father, the Reverend Shirley R. Shaw, was one of California's best-known ministers. His first ambition was to be a minister. While he studied theology at Pomona College, Claremont, California, the director of the Poma Glee Club took his sabbatical vacation. As a temporary measure Shaw was drafted to lead the glee club. He did so to such good purpose that he was awarded an assistantship for the remainder of his stay in college.

In Shaw's junior year, Fred Waring came West to make a movie, "Varsity Show", which was filmed on the Pomona College campus. The college glee club had a small bit in the film. Waring was so impressed that he told young Shaw if he ever came to New York a job would be waiting for him.

In 1938 Shaw took Waring at his word and assumed direction of the Waring glee club, which soon became an outstanding feature of the five-nights-weekly Waring show.

In his spare time Shaw led amateur singing groups in concerts of sacred music on the radio and in performance in New York. In Nov. of 1941 he organized the now-famous Collegiate Chorale.

Soon after the formation of this group, he branched out as an orchestral conductor. In 1944 he was was guest conductor of the CBS Symphony. Since that time he has conducted the NBC Symphony, the ABC Symphony, the Boston Symphony and Philadephia Orchestra.

In 1945 Shaw was inducted into the Navy. At Sampson Training Station, he was immediately put to work and training a chorus. After a concert in Buffalo, Shaw collapsed from a combination of overwork, blood-poisoning, and "cat-fever". He spent the rest of his Navy career in the hospital.

Shaw is terribly nervous before a performance. He sleeps badly beforehand and has little appetite. At a recent performance in Carnegie Hall he conducted the first fifteen minutes with clenched fists. His hands were trembling so violently he was afraid his choristers would notice it and become alarmed. When he conducted the NBC Symphony he was so nervous he could hardly keep his balance on the podium.

Presentation of your student activity card is all that is necessary for admittance. Tickets for reserved seats are available at the college bookstore.

Homecoming Agenda Set To Fete Guests

Big plans and careful preparations have been made for Northwestern's State's annual homecoming celebration today as old grads and students gather in Demonland from all parts of the country.

Highlighting the day's activities will be the football game at 2:15 p.m. between Northwestern and the Bulldogs of Southwestern. Other big events will be the traditional parade, the alumni luncheon, and the election of officers.

Homecoming officially began at nine o'clock this morning with registration and coffee in Varnado hall.

At 9:30 a.m. a mammoth parade will leave the campus and move up second street to the business district of Natchitoches. Leading the parade will be the officials' car carrying President H. Lee Prather of Northwestern, President Joel L. Fletcher of Southwestern, and Alumni President Van D. Odom of Monroe.

The NSC band and the Demonettes will be in the vanguard of the parade and several visiting high school band will participate.

Homecoming Queen Jeanie Jensen of Waterproof will ride on a special float prepared for the occasion. Occupying a prominet place in the parade will be the Northwestern ROTC unit.

Special floats prepared by student organizations, sororities, and fraternities will all be in the procession.

At noon the alumni will have a luncheon in the main dining room, after which a business session and election of officers for the coming year will be held.

Kickoff time for the football game is 2:15 p.m. Preceding the game the homecoming queen and her court will be presented. The queen's court includes Jimmye Ann Wall of Bastrop, Patsy Murphy of Tallulah, Jolene Walters of Belcher, Mary Ann Koccos of Shreveport, and Patsy Peak of Walker.

Following the football game, student organizations, sororities, and fraternities on the campus will hold open house for their returning alumni.

The final feature for the day will be the homecoming ball tonight at 8 p.m. in the dining hall. Buddy Morrow and his orchestra will provide the music for the dance.

Eight Students Are Initiated

Eight students were initiatied into the Davis Players Thursday, November 13, at 6:30 p.m. at a beautiful ceremony in the Yellow Room of the Fine Arts building.

Those who were received as Davis Players are Particia Hankins, Gervais Aldredge, Ben Dunhon, John Boogaerts, J. P. Johnston, Pat Lyons, Issac Abraham and Jack Sharp. Betty Sue and Tommie Blackburne are also members of the organization.

The main requirment for membership is a total of 25 points which may be obtained by working on the production or in the cast of at least two plays. Those students who have met this requirement are to be highly commended and it is hoped that others will vie for this honor.

Former Resident Killed In Florida

William A. Adams of Alexandria, who taught here at Northwestern State college last year, was injured Sunday and his wife, the former Carmen DeLabarre of Lafayette, killed in an automobile accident near Palatka, Fla., when a log truck loaded with drunken negroes crashed into their car.

Palatka authorities informed Sheriff Earl Morris that the couple were enroute from the University of Florida for a Sunday outing in St. Augustine when the accident occurred about noon.

The young couple had left Jacksonville and were driving south toward St. Augustine when the accident occurred. They were going to the historic Florida town to spend the day, having left the campus about 10 o'colck Sunday morning. Mr. Adams taught history at N. S. C. last year. He is presently enrolled at the University of Florida in Gainesville working on his doctorate in history. He holds MA degree from L. S. U. His home is in Alexandria.

Mrs. Adams graduated from Northwestern State college in the spring of 1943 with a BA degree, and was at one time employed by the Credit Bureau of Natchitoches. Her parents are Mr. and Mrs F. B. De LaBarre of Lafayette.

NSC Euthenics Club Sends Delegates To Province Meet

Nancy Kimbal and Patsy Winkler, home economics majors, represented the Northwestern Euthenics Club at the Province Five home economics meeting, held at Tennessee tech college in Cookville, Tennessee, on November 9-14. This is a four state conference including Louisiana, Mississippi, Arkansas, and Tennesse. Patsy Winkler, as national secretary, will take part on the Province program which is a part of the panel of the National Home Economics Meeting held in Atlantic City last summer.

At the Province Five meeting last year the Euthenics Club of Northwestern was cited "Club of the Month" and was featured in a nation magazine.

NOTICE

The public is cordially invited to attend an open house, Sunday, November 16, at the Phi Mu Alpha fraternity room, Room 38, in the Fine Arts building. The room has recently been redecorated by Mrs. Karl W. Peterson and will be on display from 4-5 p.m.

LIBRARY

An Editorial

Welcome Home, Alums!

Happiness and friendly good cheer reign over the campus today as all Demons lay aside their regular duties and prepare to pay tribute to a group who is dear to all of us—the "old grads." It gives us a feeling of growing pride as each year more and more grads return to visit their alma mater.

To these returning students of former years, everyone here on the "Hill" wishes to extend a very warm and sincere welcome. However, the welcoming of alumni by the campus is only one of the many joyful parts of the day. One of the main objects of most alums in coming back, is the chance that is afforded them to see many of the classmates, roommates. and friends that made up the student body in years past. Here is a chance for old friends to get together and talk over the many changes that have taken place on the campus since their graduation.

Although we set aside one special day a year for homecoming, we of Northwestern feel that these friends are welcome at any time during the year, and we sincerely hope that they will return to see us many times during the coming years.

As returning alumni crowd the campus this year it should be realized by everyone that here are the people that through the years have helped to build Northwestern. It is to these people that we wish to express our appreciation for past accomplishments, and to whom we meaningfully say, "Welcome home, grads! We have been anxiously awaiting your return. Enjoy yourselves!"

NEW OFFICERS WERE ELECTED AT THE ANNUAL MEETING of the Natchitoches parish Future Homemakers association on the Northwestern State college campus last Friday. Those elected, from left to right are Delores Birdwell of Marthaville, songleader; Effie Mae Basco of Gorum, historian; Dorothy Gandy of Pronvencal, treasurer; June Doolittle of Robeline, secretary; Kathleen Gamble of Marthaville, standing in for Johnnye Fae Smith of Marthaville, president; Cecile Marie Melancon of Cypress, vice-president; Barbara Lynn Johnson of Robeline, parliamentarian and Shirley Brossett of Cypress, reporter.

Around the Square

By JOE JOLLEY

Hints for square dance fun:

Whether you're at a private or public square dance, its important to know a little of proper square dance etiquette. Remember, square dancing is a group affair, and everyone must work as a team if the dance is to be a success. If you are one of these "it's got to be may way" type, just forget the idea of square dancing and go to a movie.

Don't forget the common rules of courtesy just because it's a square dance, conduct yourself as a real lady or gentleman.

Square dancing is not done in a runaway fashion, it has rhythm of movement, beauty of pattern, and spirit of grace. **Square Dancing is not a wrestling match set to music!**

A good square dancer is neat in appearance and moves about the floor in a smooth glide step.

Don't turn a square dance into a gabfest, save your breath for dancing—you'll need it.

Square dancing has never been out of date, so don't think of it as "quaint" or "hillbilly." Its history is as honorable as that of our own country.

Don't anticipate the caller. Just as sure as you do, he'll change the call and where will you be?

First and last have fun, that is the only reason we square dance.

Council Minutes

The Student Council met in Dean Fulton's office in Caldwell Hall at 5:45 p.m. Wednesday with President Leland Langridge presiding. Present were Ronnie Quinn, Ben Singletary John Manning, Leland Langridge, Bob Miller, Lowell Starnes, and Mary Sue Bellew.

Student nurses will have the concessions at the Homecoming Dance.

On Friday the Student Council helped rope off sections for the high school bands at the football stadium.

Six high school bands will be on the campus for Homecoming. The Student Council hopes and desires that the entire Student Body be friendly and congenial to them.

Robert Miller who was apointed on the Uniform Reports Committee of SFLUC will begin his duties by getting the highlights of NSC activities this month and turning them in to the Federation.

The meeting was adjourned.

Respectively submitted,
Mary Sue Bellew

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

Browsing Room and Porch Very Popular Library Ideal for Study and Leisure;

By FRANCES GRIFFIN

When one enters the front door of the library, the first thing he sees is a group of people busily engaged in looking through the card catalogue.

"Ah, they're getting material for term papers or some other class work," the inexperienced person might say. However, those who have been here long enough know that this is not so. The people who seem to be working so hard at the card catalogue are really looking for books by Erskine Caldwell, Frank Yerby, and other authors who seek to improve their readers' minds.

To the left of the main desk is the reference room. Here one may find the college "brains." Practically all these students wear horn-rimmed glasses and converse in six-syllable words. It is surprising to note that many "brains" also have "brawn" developed, no doubt, by handling heavy reference books.

Sometimes an ordinary student has to go into the reference room. He doesn't stay long, though, for the regular patrons are not overly friendly to outsiders. In fact, one poor freshman, while reaching for a copy of the Dictionary of National Biography, was kicked by a junior who wanted the same volume.

To the right of the main desk is the periodical room. Here are found the leading magazines and newspapers. The "low-brow" as well as the "high-brow" can enjoy himself in this room, for there are copies of the **Saturday Evening Post** and the **Yale Review** and the **New Yorker.**

The browsing room joins the reading room. It has comfortable chairs and is stocked with what, in the librarians' opinions is suitable light reading material for college students. Unlike other parts of the library, the browsing room is full of sound. There is the swish of turning pages, the gentle snore of some poor soul who has been overcome by the intellectual atmosphere, and the rip of paper as students tear cartoons from **Collier's** or the **Post.**

Another important part of the library is the porch which is just off the browsing room. At night there is a steady stream of couples going from the browsing room to the porch and back again. Many people study in the library every night.

Do you need money? Then why not borrow some from the Student Loan fund. Contact Jackson Beebe, treasurer.

Tallulah Bankhead To Be Featured On U. S. Steel Hour

Radio listeners wil hear glamorous Tallulah Bankhead in "All About Eve" Sunday evening, Nov. 16. Making her bebut with "The Theatre Guild on the Air," the fabulous actress will be heard via NBC's coast-to-coast stations at 7:30 P. M. (CST)

U. S. Steel's full hour dramatic program will also feature Beatrice Pearson, Kevin McCarthy and Mary Orr, author of the original story, in supporting roles.

Widely discussed as one of the most caustic, yet hilarious, films to come out of Hollywood, "All About Eve" received the coveted Academy Award as the best motion picture of 1950.

Miss Bankhead will be heard as Margo, the screen characterization created by Bette Davis. The plot unfolds the unscrupulous connivance of Eve, an ambitious ingenue, as she climbs to fame and fortune at the expense of Margo, her benefactress and friend.

A star of top magnitude, Miss Bankhead has sparkled in such stage hits as "The Little Foxes," "The Green Hat" and "Private Lives." Among her memorable films are "A Royal Scandal" and "Lifeboat."

NSC Highlights

By MARY SUE BELLEW

Highlighting life at NSC today is Homecoming — an event we all look forward to—with the parade made up of floats, bands, ROTC, decorated automibiles; the football game; alumnae; and the Homecoming dance to climax the festivities.

As students, the fact that it is a holiday gives us sheer joy. There are nothing like holidays. The teachers are probably glad too.

We all welcome to the campus the alumnae and the high school students who will be on the campus

On Wednesday and Thursday the circus over in the Fine Arts took the spotlight. Kids from 6-60 have thoroughly enjoyed it.

The Sock Dance on Thursday was enjoyed by all. Bare feet and holey socks really moped up the Student Center.

Guess what—"It's in The Book."

Monroe Nurses Are Entertained At Hallowe'en Party

Student nurses of Northwestern State College, Monroe department of nursing entertained with a Hallowe'en party Friday night at the E. A. Conway Hospital nurses' residence.

Guests enjoyed skits presented by the students, fortune telling, dunking for apples, bingo games, bubble gum blowing contest, and square dancing.

Northwestern Meets Southwestern In Homecoming Game Today

LEON FULLER, NORTHWESTERN STATE FULLBACK, ramrods his way through a barricade of defensive Northeast State players in the final quarter of last Saturday night's game in Monroe. In this particular play, the Demons had the ball on the Indians' four yard line with third down and one yard to go for a first down. They failed to make the necessary yardage on the last two tries and the ball went over to the Indians.

Demons Underdogs In Final Contest

Upset Possible In "Spirited" Play

A victory-hungry band of Northwestern State College Demons, anxious for the scarcely tasted fruits of glory, will make a desperate all-out effort to conquer the Bulldogs of Southwestern this afternoon in a homecoming fracas on the Demon turf. This is Northwestern's final game of the season.

The outlook for the Purple and White is dark. Thusfar this season they have won only one contest. And the chances are this will be the extent of their glorious '52 campaign. The only thing the Demons have which can match the visitors, is "spirit."

If comparative scores of common opponents mean anything, then the Northwestern crew will once again be the victims of their opposition's good fortune. However, scores are by no token a cystal ball.

According to the Coaches, the Demon's injury list is high. Also Southwestern's team is several pounds heavier and a couple of years older. These facts should constitute an excuse, if that is what they are meant to do. Yet there is one thought which cannot be denied, that there has seldom been games played in which both teams were entirely equal.

So, although the Bulldogs are favored, they don't really have the advantage. But the Demons do, for they have a homecoming crowd behind them.

Rugged Schedule Awaits Swimmers

A rugged schedule awaits Coach John Piscopo's swimming team as they prepare for the season opener on December 3rd. Rice and Flordia State University are two new additions to a schedule already loaded with some of the toughest teams in the Southwest Conference.

Coach Piscopo stated that in competing against the largest schools it will give our boys an opportunity to swim against some of the best swimmers in the nation.

The complete slate is as follows: Wednesday Dec. 3, Little Rock; Sat. Jan. 10, Little Rock Boy's Club at Natchitoches; Sat. Jan. 31, SMU at Natchitoches; Wed. Feb. 4, Flordia State at Natchitoches; Sat. Feb. 7, University of Texas at Natchitoches (tenitive); Sat. Feb. 14, Memphis Navy at Memphis, Tennessee; Sat. Feb. 21, Memphis Navy at Natchitoches; Fri. Feb. 27, Texas A&M at College Station, Texas; Sat. Feb. 28, Rice at Houston, Texas; Thurs. March 5, Emory University at Atlanta, Georgia; and Sat. March 7, Southern Regional Swimming Championships at Atlanta, Georgia.

Northwestern State Succumbs Before Northeast 20-14

Northwestern State College grid team grabbed a 14-7 half-time lead against Northeast State in Monroe last Saturday night, but bogged down in the final half to succumb before the Indians 20-14.

Press Berry scrampered 25 yards for the Monroe lads in the last quarter to break a 14-14 deadlock and provide the winning tally for Northeast.

Northeast was the first to break into the scoring column for the night as Berry scored from one yard out in the first period. This was a result of a penalty against the Demons which put the ball on the one. Boatwright converted and the Indians led 7-0.

The Demons came right back and drove 76 yards for a score without relinquishing possesion of the ball. M. D. Ray took it over on a quarterback sneak form the one. George Perkins converted and the ball game was tied up .

In the second period, Northwestern drove 80 yards for their T-D. Perkins booted the point-after-touchdown and the Demons led 14-7 at the half.

Northeast came back midway, through the third quarter to tie the game again. Zappone tallied from 12 yards out and Boatright converted.

The Indians kicked off and four straight 15 yards penalties forced the Demons to punt. Northeast took over from the 25 yard line and scored the winning touchdown.

Four Demon Seniors End College Grid Careers Today

Four Demons will end their college football careers this afternoon on the Northwestern turf when Southwestern battles NSC. Only three of the seniors, Johnny Buck, Leon Fuller, and Johnny Haynes, will don the football togs of Purple and White, the other Junior Turner, will be sidelined with a sprained knee.

Buck will be ready for action today although he has been out of the Demon line-up for the last two games. Johnny is from Kinder, La. and has lettered one year for the Demons. He is a transfer student from McNeese and will graduate in January.

Leon Fuller who is the Demon's leading ground gainer this seson is a Mathmatics major. He makes his home in Waverly, La. and has lettered two years at the fullback slot.

Although he has one more year of eligibility, Johnny Haynes, the Purple and White wingman, will be playing his last. Haynes hails form Springhill, La., is a Physical Education Major, and has lettered two years at NSC.

The fourth senior is Junior Turner, a three year letterman. Turner also is from Springhill, La. Upon graduation in May, he hopes to go into the coaching profession.

Demon Gymnastic To Peform Show In Cresent City

The Northwestern State College Gymnastic Team under the direction of Coach John Piscopo will perform before the First General session of the House of Delegates at the Louisiana Education Association at 9:15 Monday, Nov. 23rd in the McMain High School auditorium.

The New Orleans perfomances will be a homecoming show for two of the gymnasts. John Hicks and Jerry Noto, ace tumblers and all-around men on the NSC Team got their start in Crescent City gymnasium.

The entire group will be remembered in S.A.A.U. circles as the team which walked away with the gynmastic championships for the past three years.

John Hicks, Junior Physics major who last year placed second in the S.A.A.U. tumbling and then went on to Austin, Texas where he won the Southwestern A.A.U. title over several outstanding athletes will be featured on the program.

Another young man who shares the spolight with Hicks is Shelby Brooks. Brooks, born with a crippling, has made a brave uphill struggle and he is now one of the leading performers on the squad.

The Northwestern State College gymnasts will travel in a college bus and will transport their own equipment including a trampoline, Swedish box, tumbling mats, flying rings, Indian clubs, and various other pieces of apparatus.

Phi Kap Downs Sigma Tau 7-0 In Intramural Finals

By BILLY BAKER

Coach Charles Ertell's Phi Kappa Nu touch football team won it's second straight championship by dowinng a hard fighting Sigma Tau squad, 7-0. It was all-frat battle for the title after the two other contenders, Frames and Chowhounds, were eliminated in the first round of the play-offs.

Phi Kap's aerial stylest, Rudy Berlin, connected with a toss to Wilcey Champagne in the end zone for the score. Berlin booted the extra point and thus put the gold metals away for his team. Phi Kap finished second during regular season play and Sigma Tau just managed the fourth place slot.

Sigma Tau boosted one of the hardest charging lines ever seen on an intramural field and gave their rivals a rough going over before bowing out in the finals.

The Frames lost their chance at the championship by droping a 12-0 decision to Sigma Tau after winding up in first place in regular season contests. Tau captain, Paul Ryder, could spot his receivers almost perfectly as the frat line held the opposition at bay throughout the contest. Ryder tossed to end Billy Hart, and halfback John Batten, with touchdown passes to account for all their tallies.

Guard Jerry Isles of Sigma Tau was a stand-out on defense as he crashed through the line several times to break up what could have been touchdown plays. Isles could have very easly been classed as the fifth man in the Frames backfileds.

Phi Kap took the measure of the Chowhounds in the opening round of play as Rudy Berlin's passes accounted for a 13-6 victory. Champagne and Leland Landridge were on the receiving end of these touchdown tosses. Chapagne kicked one extra point out of two tries

Carney Watts threw a pass to Cassey Bryant for the Hounds only marker. Brister's try for the extra point was no good.

In the consolation finals, the Frames returned to their old form by gaining a 12-7 victory over the down-and-out Chowhounds. Quarterback "Red" King teamed up with end Don Finley for two touchdown aerials.

The Chowhound gridders were finding it hard to gain on the fast charging Frame line until halfback Watts finally found center Winston Perry in the end zone and he heaved a 35 yard pass for the score. Kenneth Brister's conversion was good.

☆ ☆ ☆

With touch football at an end, Coach Charles "Red Thomas, director of men's intramurals, will hold an intramural meeting Monday night November 24 in the men's gym for the purpose of organizing an intramural volleyball league. All organizations interested in entering a team should have a represenative at this meeting.

PHI KAP'S WILCEY CHAMPAGNE CARRYS the pigskin as team-mate Red Cook throws a block at Sigma Tau's Sammy Wilson in the finals of the intramural football playoffs. Phi Kap won 7-0. The refree shown at the left is Ken Shaw.

King's Korner

By "RED" KING

The Demons kept up their fine brand of hussle last week against Northeast State, but were plagued by untimely penalities and some bad breaks that cost them the hard fought contest. Northeast come onto the field in the first quarter with a determination to win, and by hard fighting merited a 7-0 lead at the end of the intial period. After the first quarter, however, it was strictly a battle between NSC and the officials.

Northwestern was not by any means out-fought nor were we outplayed. Don't get me wrong, though Northeast had a good ball club. They were able to capitalize on every break and score. And they even made a fine goal line stand in the last quarter, all by themselves (??????) . . . . . for a change.

"I Get Ideas, I Get Ideas"

The Intramural Football season ended last week with Phi Kap (who else) winning again. This is Phi Kaps second straight victory in the football league. Most of the other intramural teams are chanting the old faithful cry of "Wait Till Next Year". I wonder what they are going to do . . . rule Phi Kap out of the league.

Ummm !!! That's an idea anyway.

NOTICE

Women students are once again reminded to enter the Women's Intramural Swimming Meet, which is to be held Wednesday, November 19, at 6 o'clock. Competition will be conducted by teams composed of 8 members each, Team rosters must be turned in to Miss Maeys at the Natatorium by Monday, November 17.

Society

Pi Kappa Sigma

Last week the Pi Kaps were pleasantly suprised when Mrs. H. E. Winkler sent us several articles for our kitchen. We also received some lovely linen for our kitchen from Mrs. Ruth Lancaster of Ferriday.

If you should be confronted by Pi Kaps with bright red boxes under their arms, it's Christmas cards. We find that selling Christmas cards is a very good way to make money.

Pasty Winkler left on Wednesday of this week for the home economics convention in Cookville, Tennessee. We wish her lots of luck.

Tuesday night the girls chose their favors for their spring formal to be held in April. Also the President gave a report on all the work that has been done toward the rush parties and the float for the parade today.

In the way of improvements, the Pi Kaps have really been on the ball. Wednesday freshly painted shutters were put back on the house in time for the rush party Thursday night.

Our rush party seemed to be a big success. We just hope the rushees thought so. A very amusing game held the attention of the girls for quite some tome. Girls were bustling about trying tot locate different information from other girls. This was a very good way for us all to get to know each other better. After the excitement of "meeting each other", refresments were served and then more entertainment followed. The party closed by the singing of Pi Kap songs. Regretfully, the girls took the very lovely rushees to their dormitories.

Rose Farrar attended the nurses convention in Alexandria of Tuesday of this week. Rose ran into several Pi Kap nurses there, Dee Dee Barmore and Isabelle Pearce.

We missed Jackie Funderburk at the rush party Thursday night. Jackie went to Dallas to shop for that dress. We understand the wedding plans are almost complete.

We congratulate Louise Vick on being chosen "Sweetheart of Phi Kappa Nu."

Our very best wishes go to Kathleen Ray's father for a speedy recovery.

☆ ☆ ☆

Sigma Sigma Sigma

The Regional Leadership Conference of Sigma Sigma Sigma held here last week-end, was attended by 73 members and alumni. National officers meeting with the group were Mrs. Troy C. Cartwright, treasurer, Janet Meyer, traveling secretary, Mrs. Curtis Dixon, assistant treasures, Madge Towell, director of housing, Mrs. H. F. Ory, assistant to the alumni secretary, and Mrs. George Burr, members of the advisory board.

The Sigmas' first rush party, held Tuesday night "from six o'clock until 7:45" was a big success, with everybody enjoying the get-acquainted games and cokes and cookies.

With the Convention behind them, the Tri Sigs are really settling down to work in a big way. Final preparations for the Homecoming float were made, as were preparations for the Open House to be held Saturday afternoon.

The group voted to have a slumber party Saturday night to put the finishing touches on lastminute details for the formal rush party Tuesday night.

★ ☆ ☆

Theta Sigma Upsilon

At the last regular meeting, the Theta Sigs enjoyed a box of candy brought by Miss Hope Haupt, an alumni.

The informal rush party was held in the Theta Sig sorority room Wednesday night. Frances Griffin, with her Uke, sang some very cute songs and the group often chimed in. Afterwards the guests were introduced in an interesting fashion. Refreshments were served and every one gathered aronud the piano and sang.

At the close of the party the Theta Sigs sang a sorority song and then escorted the guests home.

MISS LOUISE VICK was chosen Sweetheart of Phi Kappa Nu fraternity and was presented a bouquet of roses at the annual formal held in the Student Center last Saturday night

Alpha Sigma Alpha

Alpha Sigma Alpha entertained approximately forty rushees last night at a delightfully, light informal rush party. After the guests and members were acquainted, they were served cakes, cookies, and ASA's own special cakes. The guests joined the members in singing some of their favorite ASA songs.

We are all proud of our pretty new guests book, which Katherine Elliott has made for us; and Claire Lucius had recently brought our scrapbook up-to-date. Other pretty additions to the house are the new floor lamps fixed for us by one of the alumni.

The business meeting last Tuesday night was filled with plans not only for the rush parties but for some of the parties for the coming year. We were happy to have Katherine Buckley with us at the meeting.

Delta Sigma Epsilon

"Party" was the "word" last Monday night in Delta Den when the Delta Sigs held their informal rush party. After all the rushees and members introduced themselves, Kathleen Prudhomme led the group in singing songs. Then Billy Plun and Rudy Berlin entertained the group with their initation of Jerry Lewis and Dean Martin. As an encore Billy rendered "It's in the Book." Then Rae Gremillion and Sue Miller presented a skit entitled "Ma and Pa — But Mostly Ma" and sang several songs. Cokes and cookies were served to the group and between munching and siping more DSE songs were sung.

Then several of the rushees entertained the group with their talents. Jo Ann Prestridge presented "Little Brook" Dotty Kirkland danced to "Darktown Strutters Ball" accompained by Lou Pearl Welsh. Mimi Young played the selection "September Song." To wind up the entertainment "Ef" Cloutier sang her original song entitled "Heck, We might as Well Be Dead - But!". The party was ended with the singing of "The Rose of DSE" Approximately 75 rushees, members, and guests enjoyed the party.

The regular meeting of DSE was held Tuesday night. Reports on the formal rush party were given and final plans were made.

Library Frat Pledges Nine

On Tuesday, November 3, 1952, nine prosective members of Alpha Beta Alpha were pledged by Alpha Chapter. The simple ceremony was conducted by Claire Lucius, president, in the drawing room of Varnado Hall. Assisting her were Annette Dailey, vice president; and Barbara Bremer and Patsy Longlois, corresponding and recording secretaries.

After the ceremony the new pledges were welcomed by the old members and all enjoyed reshments.

The pledges are Doris Gahagan, Bobbye Hale, Joan Thrasher, Robert Joynes, and John Smith. Mr. Mitchel Reams and Mr. R. A. Hoffpauir college librarians, pledged.

And He's Still Growing, too ! !

George McConathy

A tall ,big-boned boy jutting into the 6 feet 4 inch atmosphere and tossing the basketball through the nets easily with either hand, can be seen working out in the Northwestern State college gym nightly as Coach Red Thomas' Demons prepare for a vigourous cage season.

This rangy lad is not just another cager. For one thing, he is a McConathy, and basketball enthusiasts of Louisiana know what that means. It means Basketball-playing with a capital "B". Before this McConathy (his name's George and he's a freshman) came to Northwestern, his two older brothers had made basketball history with the Demons.

Leslie, who graduated from NSC in 1949, was an all-GSC and is considered one of the top cagers to tred gym floors in this area. He is now a 1st lieutenant in the Air Force. Then there was Johnny, a sharp-shootoing center who finished school here in the spring of 1951 after making all-GSC and Little All-American. Now, after a short stint of professional basketball, he is back in the state coaching at Gibsland. And now there is George, the youngest brother, who has also elected to throw his basketball talents with Northwestern's Demons.

And George has plenty talent to throw, too. The 18-year-old son of Mr. and Mrs. O. L. McConathy of Bryceland has been all-state four times in high school and last year was selected to play in every all-star game in the State. Those who have seen his brothers play, and now are watching George, say he potentially has everything Leslie and Johnny had, and possibly even more.

George hurt his knees in an all-star game played at Northwestern June 1, 1952 and this injury led to an operation on his left knee in June and his right knee in September. He had the semi-luna cartlage removed from both knees, and is progressing as well as can be expected, Coach Thomas said.

He has come a long way since that last operation a bare two months ago, and should be able to go with throttle wide open by the the season opens, Nov. 29. Rigorous exercise and an hour of flutter-kicking each day in the college swimming pool, has brought back most of the strength his legs lost while George was in the hospital.

Basketball seems to come naturally to George as it did to Leslie and Johnny. He's a long-legged, long-armed, big-handed boy who knows how to handle himself well and has a perpetual urge to get the basketball through the hoop. Coach Thomas has been practicing him at forward and center spots and even giving him some work at guard. Where George will play most of the time is anybody's guess but he can be expected to put his height and skill to good use at any position.

Although basketball is his first love, George may turn into a track man, too. Last year, his senior year in high school, he decided to enter a track meet for the first time. He had no trouble in winning four first places and setting a new Class C record in the shot put. That's really something for one who had not even seen a track meet before.

So here is the third McConathy, standing at the door of four years of college basketball and track. From all indications he will fill these years with grade-A performances and will emerge carrying all sorts of honors.

Little All-American

In 1939, one of Northwestern's all time great football players gained recognition on the Little All-American all-star squad. His position was guard, his name . . . . Walter "Cajun" Ledet.

Miss Helen Manley To Speak At NSC

Miss Helen Manley, director of Health, Physical Education, and Safety at University City, Missouri, will visit the Nothwestern State College campus Tuesday, November 18. She will make two speeches while here. One will be to the women physical education majors at eleven o'clock in the Women's Gym and the other to both the men and women physical education majors in the Fine Arts Audi torium at two o'clock.

Miss Manley was born in St. Louis, Missouri. She graduated from Wellesley College and received her M. A. degree at Columbia Teacher's College. She has done graduate work at several large universities.

Her teaching experience includes high school and college teaching at Kirksville, Missouri and Maryville State College. During the summer sessions Miss Manley taught on various other college campuses. However, the greatest time she has spent is in her present position as Director of Health, Physical Education, and Safety at University City.

During 1946-47, she was health consultant in the U. S. Office of Education and in 1948 she was sent to Japan by the government to help in the compilation of their courses of study in health and physical education.

Miss Manley is past-president and honor award Fellow of American Association for Health, Physical Education, and Recreation; a Fellow in the American School Health Association, and member of the American Academy of Physical Education.

She has been active in the American Association of Health, Physical Education, and Recreation, serving on many committees. She has been president of the Central. District and the Missouri State Assocaition, as well as of the St. Louis Club and St. Louis County Education Association.

Civil Service Jobs Available

Applications are being accepted until further notice by the Tenth U. S. Civil Service Region, 442 Canal Street, New Orleans, Louisiana, for Food and Drug Inspector, $3410 a year, in the New Orleans district, Food and Drug Administration, Federal Security Agency; Engineer in various optional fields and Architect, $3410 and $4205 a year, in various Federal agencies in Louisiana and Mississippi, according to a statement made by A. J. Leach, Regional Director. Some probational appointments will be made to positions of Food and Drug Inspector and Engineer, but other positions will be filled on an indefinite basis.

Applicants for all positions must meet certain experience and training requirements, and in addition, applicants for Food and Drug Inspector will be required to take a written test.

The maximum age for positions at $3410 a year is 35, and for positions at $4205 a year, 62, but age limits for all positions are waived for veterans.

Additionai information and application forms may be secured from the Secretary, Board of U. S. Civil Service Examiners at all first and second class Post Offices in Louisiana and Mississippi, or from the Tenth U. S. Civil Service Region, 442 Canal Street, New Orleans, Louisiana.

Youth Presents Questions, Views In TV Programs

The many "experts" who have charged the younger generation with being passive and unquestioning are getting their answer every Sunday Morning when "Junior Press Conference" hits the TV screens.

Originating out of Philadelphia and filmed for viewers in other cities, the show consists of a panel of college students who do the asking, and a prominent adult who does the answering. Last week's show featured Senator Estes Kefauver.

The program is now being sponsored by the American Broadcasting Company and is being shown all the way from New York to Chicago. Mrs. Ruth Geri Hagy, Philadelphia newspaper woman, is producer and moderator.

"The entire show is unrehearsed," says Mrs. Hagy. "Our young people must be given the fullest opportunity to present themselves to the public."

She adds, "To insist on particular questions, to restrict students in expressing their views, is to undermine the contributions which these young people can and must make to democracy."

Prominent citizens scheduled to appear on future "Junior Press Conferences" include General Omar Bradley, John Foster Dulles, Senator Joseph McCarthy and Walter Reuther.

Extensive Travel Is In Store For '52 Cotton Maid

The most extensive European visit in the history of the Maid of Cotton tour, stops at three Canadian cities, and appearances in at least 27 major U. S. cities will make up the itinerary of the 1953 Maid of Cotton, the National Cotton Council announced today.

The girl who is chosen to serve King Cotton as his fashion and goodwill ambassadress will fly to Paris on a swift Air France luxury flight. She will spend six days there and then visit three other European capitals to be announced later by the Cotton Council.

The Canadian journey will include visits to Montreal, Toronto, and Hamilton. The 1953 Maid will be the second to visit Canada in behalf of the U. S. cotton industry. Pretty Pat Mullarkey, 1952 Maid of Cotton, spent two weeks in Canada last June.

The girl who will make this thrilling journey for the American cotton industry will be chosen at Memphis, Tenn., Dec. 29-30. Entries now are being received in the Maid of Cotton competition.

The contest is open to any girl born in a cotton-producing state, who is between the ages of 19-25, has never been married, and is at least 5 feet 5 inches tall. Information and contest entry forms can be obtained from the National Cotton Council, Box 18, Memphis, Tenn. All entries must be postmarked no later than midnight, Dec. 1, to be eligible.

Contest officials point out that applicants will be judged on the basis of personality, pose, intelligence, and background, as well as beauty, They stress that the Maid of Cotton competition is not a beauty contest, but that other qualifications will be given equal consideration.

Student Nurses Attend Convention In Alexandria

Eight student nurses from Northwestern atended the annual convention of Louisiana State Nurse's association in Alexandria November 11 and 12.

Rose Farrar, Ann Colvin, Gaye New, Gloria Shoemaker, and Louise Canafax attended the business meeting, and Bobby Carrole Downs, Charlotte Foster, and Marjorie Reynolds attended a joint program meeting.

Danforth Foundation Invites Applications For '53 Fellowships

The Danforth Foundation of St. Louis, Missouri, invites applications for the second series (1953) of Graduate Fellowships for college seniors and recent graduates who are preparing themselves for a career of college teaching and are planning to enter graduate school in September, 1953, for their first year of graduate study. The Foundation welcomes applicants from the fields of natural sciences, social sciences, humanities and other fields of specialization to be found in the undergraduate college.

President H. Lee Prather has named Dr. John B. Robson as the liaison officer to work with the Danforth Foundation on the selection of candidates. These appointments are primarily "a relationship of encouragement," carrying a promise of financial aid within prescribed conditions as there may be need. Students with or without financial need are invited to apply. All Danforth Fellows will participate in the annual Danforth Foundation Conference on teaching, to be held at Camp Miniwanca in Michigan next September. The qualifications of the candidate as listed in the announcement from the Foundation are:

Evidence of superior intellectual ability in college record.

Good record of health and emotional stability.

Outgoing personality and the concern for people, essential for successful teaching.

Choice of vocation of teaching as form of Christian Service.

Deep religious convictions and growing religious perspectives. (The Foundation is looking for candidates who are seriously examining their own religious life, and are seeking a maturing faith and a social outreach.)

Each institution is asked to limit its nominations to two, or at the most three. Any student wishing further information should get in touch with Dr. John Robson. The deadline for applications is February 15, 1953.

La. Library Week Will Be Observed Here Thursday

Following a proclamation by the Honorable Robert F. Kennon, the governor of Louisiana, Natchitoches Parish will observe Louisiana Library Week by inviting all seniors of the high schools of the parish to meet Thursday, November 20, for a "Librarian for a Day" program.

With Superintendent Lee's permission, the seniors will be excused from school on this date to take advantage of the opportunity to learn about the profession and the many jobs available to those who prepare themselves to be librarians.

The program will get underway at 9 a.m. when all who are to participate will meet at the Natchitoches High School auditorium for a program. After being welcomed to the campus of Northwestern State College by Dr. Leo T. Allbritten, acting dean of the school of education, these students will be given information concerning librarianship in various fields. Following a short campus tour, they will have lunch in the Natchitoches High School Cafeteria as guests of the Alpha chapter of Alpha Beta Alpha, National Undergraduate Library Science Fraternity.

The afternoon will be profitably spent in visiting the libraries of the campus and the town.

The purpose of Library Week is to acquaint capable young boys and girls with the opportunities and advantages offered by the library profession. Miss Agnes Clark, parish chairman for the Louisiana Library association recruiting committee, stated that the last three years prompted the association to repeat the celebration this year. In our parish an average of thirty high school seniors for each year took part in the Librarian for a Day program. Their comments indicated that they, too, felt the day worthwhile.

DELTA KAPPA GAMMA DISCUSSES PLANS FOR INITIATION

Lavender mums decorated the library of the Natchitoches elementary school on Saturday, Nov. 8, for the regular meeting of Delta Kappa Gramma.

The speaker of the afternoon was a member of the chapter, Mrs. Mattie Woodward. Her topic, "Teacher Welfare Legislation", included the discussion of tenure and retirement laws.

Following the serving of delicious refreshments in the school cafeteria by the hostesses, Miss May Hammett, Miss Edna Dey, Miss Cornelia and Mrs. Mary Fisher, two faculty members of the new school, Mrs. Leona Haynes and Mrs. Clara Cheeves, acted as escorts on a tour of the new building.

During the business meeting plans for the initiation ceremony and banquet to be held on December 13 were discussed. Dr. John Duffy of the Northwestern State college faculty will discuss "The Role of Privately Endowed Universities in American Education".

NOTICE

Freshman who wish to run for the Student Senate must file their intentions with Winnie Dowden, coed, vice president, not later than Tuesday, November 18. Students filing must have had a "C" average at midterm.

The freshman Senate election will be held in the Fine Arts auditorium at 6:30 p.m. Thursday, November 20.

NOTICE

The Baptist Student Union will hold open house in the BSU Room directly following the Homecoming game today. All returning Baptist students are invited to drop over to the BSU Room for homecoming and refreshments.

Teachers' Report Cards

Students taking Liberal Arts at the University of Toledo will get a chance to tell their instructors this semester exactly what they think of them.

The faculty there voted last week to let students rate their teachers' performance at the end of the semester. Questionnaires will be unsigned, so a highly critical student need not fear the wrath of his professor.

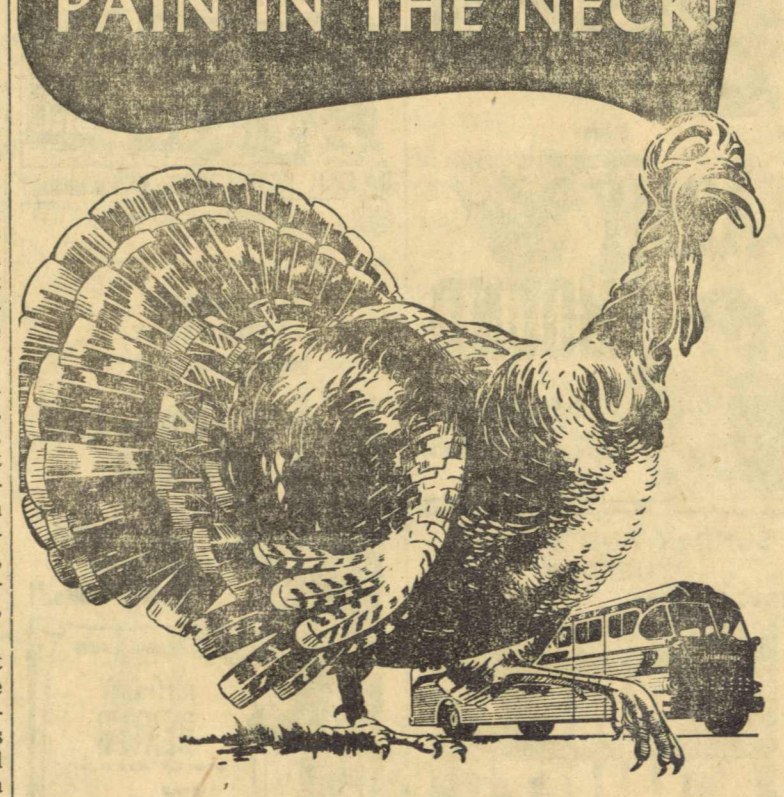

The Campus Collegian was optimistic about the plan. It declared, "This is a progressive step which we heartily endorse. Now, instead of griping in the cafeteria, students will at least have an opportunity to offer some constructive criticism. Instead of complaining that he has nothing to do, a student can ask his professor for more homework . . . "

Kendrick Apponted To Harvard Position

Havard university authorities have just announced that Shildrick Aubrey Kendrick of Natchitoches and graduate of NSC has been appointed to the position of administrative assistant to the committee on admissions and placement.

Kendrick is a former high school teacher in Shreveport, and has served as counselor at Northwestern and Vanderbilt. During the past year he served in the admissions office of the Harvard Business school and was chairman of the Editorial board of the Harvard Educational Review.

He was graduated form NSC in 1943 with an A. B. degree, and received his masters at George Peabody College for Teachers in 1948. At present he is a candidate for the Ed. D. degree at Havard.

Thanksgiving Holidays Begin Wednesday Noon

THE CURRENT SAUCE

VOL. XXXIX—No. 10. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, NOVEMBER 22nd, 1952.

College Alumni Flock to Campus For Homecoming

Alumni, some of whom graduated from Northwestern State College back in the Gay Nineties, flocked back to their old Alma Mater last Saturday for the largest homecoming in recent NSC history.

Only one discordant note arose from a day of harmonious festivities: a Demon defeat on the gridiron by Southwestern Louisiana Institute. This, however, was somewhat compensataed by gala decorations, an elaborate parade, a well-attended noon luncheon meeting and colorful pre-game and halftime ceremonies by numerous music and marching units.

At the alumni business meeting at noon in the dining hall, new officers of the NSC Alumni Association were elected. They are as follows: Ed Pierson of Natchitoches, president; Ted Wright, assistant superintendent of schools in Morehouse parish, vice president. S. M. Shows, DeSoto parish school superintendent, was re-elected executive board member, and Leroy Miller of Natchitoches was reinstated as secretary-treasurer.

Before the election of officers took place, Northwestern's President H. Lee Prather told an audience of more than 300 alumni that NSC "may not be the largest institution in the state but it is still one of the best in Louisiana or anywhere else in the country."

Making the major address to the Old Grads who packed the main dining room for more than an hour, Prather briefly recounted how Northwestern has progressed in the past several years. He spoke of the "tangibles" and the "intangibles" of growth in living and expressed the belief that the intangibles are the more important of the two. He said he appreciated the cooperation which faculty, students, alumni and townspeople had given him as president.

He went on to mention that recently top-notch faculty members had been added to the staff and that enrollment has held its own even in the face of the opening of two new four-year colleges within NSC's drawing area.

Among recent improvements which he mentioned were the following:

Acquisition of 19 Holstein cows, new drainage system for the college farm, beginning of poultry raising, gravel roads and other farm facilities, concrete seats for the baseball field constructed, a new four-sided scoreboard for the gymnasium acquired and installed, $200,000 worth of equipment and supplies for the new physics and chemistry building, and numerous improvements in the dining hall and all dormitories.

President Prather dwelt at some length on the subject of the recent criticism of Head Football Coach Harry Turpin. "No one likes winning more than I do," he said, but stressed the fact that as long as he is president no coach will have to win games to keep his job at Northwestern.

He emphasized that NSC believed in a well-rounded athletic program and had one that could match any college's even though no athletic scholarships are given except in football and basketball. NSC grants 38 football scholarships and 12 basketball scholarships.

RECEIVING FIRST PRIZE of $100 in the Homecoming float contest last Saturday was Tri Beta's "Demon-Di-no-sur" float (top left). Others winning second, third, and fourth prizes are respectively, Delta Sigma Epsilon's float, "Toast to the Demons" (top right); the Demonettes float, "Got SLI up a Tree" (lower left); and Phi Kappa Sigma's float, "Demons on the Ball" (lower right).

'The Winslow Boy' On Theatre Guild Next Sunday

U. S. Steel's award-winning radio program, "The Theatre Guild on the Air" brings "The Winslow Boy" to listeners Sunday, November 23, via coast-to-coast stations of the NBC network at 7:30 p. m. (CST)

Basil Rathbone, Alan Webb, and Margaret Phillips will star in Terence Rattigan's suspenseful drama of a courtroom trial that stirred all England. Rathbone portrays Sir Robert Morton, a brilliant defense attorney, hired by Arthur Winslow to exonerate his 13-year-old son who has been expelled from school on a charge of petty thievery. The youth's family joins in the fight that eventually arouses the attention and sympathy of an entire nation.

A distinguished performer, Rathbone has long been identified with the Sherlock Holmes radio series. Screen-goers will recall his superb performances in "David Copperfield," "Tale of Two Cities" and "Robin Hood."

Webb, as Winslow, Sr., will be re-creating his original stage role. He is currently appearing on Broadway with Margaret Sullavan in Terence Rattigan's "The Deep Blue Sea."

One of the outstanding young actresses of the legitimate theatre, Miss Phillip's incisive performances have won both the Clarence Derwent Award and the Barter Theatre Trophy. Audiences and critics alike have applauded her in such hits as "The Heiress," "The Cocktail Party" and "Second Threshold."

"The Winslow Boy," enthusiastically received in England and America, attracted theatre-goers for more than 800 performances.

Blood Donors

Hal Townsend, James Squyres and Fred Packard went to Shreveport November 17 to give blood to Mr. Clift Smith of Campti, who was to undergo a very serious operation.

Student Director Is Guest Speaker At BSU Service

Miss Estelle Slater, associate Southside Baptist student director from Nashville, will be the speaker at the annual Northwestern BSU Thanksgiving sunrise service next Tuesday morning at 6:00 in the Religious Center chapel.

Music for the program will be presented by the BSU girls' ensemble, which is directed by Barbara Jean Edwards. Following the service, breakfast will be served in the BSU room by the YWA girls.

Miss Slater arrived in Natchitoches this morning and will teach the Baptist Student Methods study course book to some 60 Northwestern BSU'ers assembled at Mrs. I. E. Ward's camp on Saline Lake.

The group will leave the Religious Center this afternoon at 2:30 and will return tonight about 10:00. Supper will be served.

Industrial Arts Club Elects Officers

The Industrial Arts club held its first meeting of the fall semester last Thursday night in the Industrial Arts building.

Officers elected for the remainder of the year are Bill Shaw, president; J. P. Johnston, vice president; Sam Gallagher, secretary-treasurer; and G. C. Warren, publicity chairman.

All industrial arts majors and minors are invited to join the club. The meetings are to be held on the first Thursday of each month.

NOTICE

Korean veterans are warned to sign their monthly report forms prior to Wednesday, Nov. 26. November 28 falls during the Thanksgiving Holidays, and these reports must be made before payment for November can be made.

LIBRARY

TOBY LIVINGSTON GETS RECOGNITION AT ACQUATIC SHOW

A group of Northwestern State College women swimmers attended an aquatic program sponsored by Washington University in St. Louis, Saturday, November 8, 1952.

Miss Jean Maeys, faculty sponsor, received a letter this week from Miss Esther M. Wallace, who directed the program. Miss Wallace congratulated Miss Maeys for the fine showing made by the Northwestern State College swimmers, and she enclosed several copies of a picture of Miss Toby Livingston which appeared in the November 14th "Student Life," the Washington University daily nespaper. It was a "glamour shot," taken of Miss Livingston immediately after the completion of a solo number in which she received considerable applause.

Miss Lyria Lawrence, Miss Freddie Jones and Miss Peggy Jo Taylor also made the trip and Misses Lawrence and Jones participated in a synchronized duet.

Alpha Phi Epsilon To Initiate Five Monday Night

Five members of the Current Sauce staff will be initiated into Alpha Phi Epsilon, honorary journalism fraternity as Northwestern State, in ceremonies in the Green room of the Fine Arts building Monday evening at 7:30.

The pledges are Ann Torrans, Kaydonna Hill, Marjorie Reynolds, Billy Baker and Frances Griffin.

Following the initiation, a business and social meeting will be held by the group. Included in the agenda is the election of a secretary and a treasurer.

What do you think of the Current Sauce? Do you like it? Why not write letters to the editor and give him some of your views or suggestions? This will be greatly appreciated.

Freshman Senators Are Elected For Coming Year

Freshman delegates to the Student Senate were elected at a meeting of the freshman class Thursday, November 20, in the Little Theatre of the Fine Arts building. Approximately 30 of the 506 freshmen were present for the meeting.

The five senators elected by written ballot were "Cindy" Hodge, Mary Alice Phillips, Gerald Tilleux, Anne Torrans, and Ben David Vercher. Other candidates were Myrtle Allen, Betty Carter, Mary Catherine Gordy, Toby Livingston, Sudie Loomis and Marjorie Reynolds.

Each candidate gave a short speech before the balloting, and Ronald Quinn, vice president of the student body, made a short talk in the place of Leland Langridge, student body president, who was out of town.

After the election, Houston Davis, president of the Student Senate, welcomed the new senators and notified them of the first meeting.

The election was carried on by Winnie Dowden, student body co-ed vice president.

La. Nurses' Assn. Holds Convention In Alexandria

The Louisiana State Nurses' Association held its annual convention in Alexandria, November 10-13. Student nurses from all parts of the state were allowed to participate in the meetings and activities, most of which were held in the Bentley hotel. In addition to representatives from Northwestern State College other nursing schools represented were: New Orleans: Southern Baptist, Charity, Hotel Dieu, Mercy, and Turo Infirmary; Baton Rouge: Our Lady of the Lake; Shreveport: Schumpert Memorial.

The Louisiana Association of Student Nurses held their business meetings on November 11-12, in the Alexandria court house. On November 11, reports were given by the president, board of directors, and committees. Two amendments to the constitution were proposed and passed. The board of directors held its meeting on Nov. 11, the main business being the election of officers. Miss Judy Sobert, Northwestern State College nursing student, was elected vice president of the Louisiana Association of Student Nurses.

On Monday night, November 10, a short skit entitled "It's a Long Time Between Pains" was presented by the Northwestern State College department of nursing, Alexandria division. The purpose of the skit was to bring out the significance of the union of the various small nursing organizations into two, now existing, major groups—National League of Nursing and American Nurses' Association.

Northwestern State College nursing students from Shreveport, Monroe, Baton Rouge, Pineville, and Natchitoches journeyed to Alexandria to participate in this second meeting of the Louisiana Association of Student Nurses. The convention as a whole was broadening and enlightening and certainly the schools represented have benefited from this attendance and cooperation in the whole program.

A Thanksgiving Message

The Pilgrim Fathers inaugurated the custom of an annual day of Thanksgiving in gratitude to God for a bountiful harvest in the year of 1621 following a hard and rigorous winter. This custom has survived throughout the years and has long since become a national tradition.

And as this season approaches in 1952, in spite of war and drouth, we have much for which to be thankful. We should therefore come to the celebration of this National Holiday with grateful hearts for both the spiritual and material blessings which God has so bountifully bestowed upon us both as a nation and as individuals. We should be especially thankful for the freedoms which we enjoy as citizens of the United States but which are denied to so many hundreds of millions throughout the world. All of us are entirely too prone to take for granted freedom of thought, of expression and of action, which were purchased by our forefathers at such a cost of blood and treasure.

And while giving serious thought to the real significance of the Thanksgiving season, may each of you enjoy to the fullest extent possible this opportunity to relax, to forget for a few days your college work, to visit your parents and other relatives and friends, to do full justice to the bountiful feast which still plays a leading role in the Thanksgiving festivities, and then to return safely to the campus, strengthened in body, mind and spirit for the important tasks which lie ahead.

Sincerely,
H. LEE PRATHER,
President of Northwestern State College

The Students' Prayer

We thank you, Lord, for the fact that we are citizens of the great United States. For here we live in a wonderful land, a land for whom people have fought and died in order to obtain freedom and certain liberties, among which are freedom of religion and of expression. Though we might be just young, immature college students, we realize as fully as we can that blood has been spilled to obtain these liberties.

Here we are — college students who feel that we have quite a few responsibilities, and who try to cope with them to the best of our abilities. **Have we been too prone to take advantage of certain hard-won liberties to which we are privileged in these United States, Lord?**

We know this is Thanksgiving, Lord, but besides giving thanks, may we ask a few favors of You? Please help us not to be hypocrites—not to use lies and "two-faces" as selfish means of withdrawing from unpleasant situations which confront us. Help us to be honest, not only in dealing with ourselves, but with others. **Help us and have mercy on us, O God, for the sad part of it is that we DO know what we do!**

We shall have more problems to confront us and more decisions to make in the future, and some of these will be wrong, but would You help us so that most of them will be right?

These things we ask in all sincerity, and we hope we have not asked too much, Lord. But unless these favors are accorded, all of the work of our forefathers will have been done in vain, and our nation will be doomed to decadence and eventual destruction.

AMEN.

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

Congratulations and Thanks

Congratulations are in order for the various committees, campus groups, and individuals who so willingly contributed toward making the Homecoming festivities here last Saturday a great success. The parade was certainly one of the most impressive we have ever had here at Northwestern. The members of the parade committee are to be especially commended for a job well done.

Although many of us do not actually realize the tremendous amount of work which goes into the makings of successful Homecoming celebrations, we should be aware of the fact that much time, money, and energy are spent for such occasions.

Again, congratulations and thanks for such fine work!

Council Minutes

The Student Council met at 5:45 p. m. Wednesday in Dean Fulton's office in Caldwell Hall with Ronnie Quinn presiding. Present were Ben Singletary, Mary Murphy, Ronnie Quinn, Winnie Dowden, John Manning, Mary Sue Bellew, Bob Miller and Dean Fulton.

Again the point system was discussed. The appointed committee continues to work on this project. They are contacting each organization on the campus, getting the names of their officers, finding out the length and amount of work they do, and the total membership of the group. They will decide the number of points a person should get for being an officers or a member of a group. Then a student can compile only a certain number of points.

The idea of setting up a traffic court was discussed. It would have the authority to fine students and faculty for infraction of rules.

A program of auto registration will soon go into effect.

Possibilities of cutting the budget were mentioned. It was discussed whether to cut out some of the awards made annually by the Student Council.

For the next meeting Dean Fulton invited the Student Council to his home for duck gumbo. The invitation was unanimously accepted.

It was discussed how hazardous it is to cross the street at the north end of the infirmary toward the high school due to the hedge. The situation will be remedied. The situation of cars parking in front of the laundry truck by the dining hall on Monday mornings will be taken care of.

Freshman Senate elections will be held at 6:30 p. m. on Thursday, November 20 in the Little Theatre of the Fine Arts building. Assisting Winnie Dowden with the election proceedings will be Bob Miller, Ben Singletary, Ronnie Quinn, and Mary Sue Bellew.

Winnie Dowden moved the meeting be adjourned; Ben Singletary seconded it. At 6:32 p. m. the meeting adjourned.

Respectfully submitted,
MARY SUE BELLEW,

NSC Highlights

By MARY SUE BELLEW

This week as usual life on NSC campus continues to revolve, and where it whirls us is our own choice. Let's make it good.

Thursday night the Artist Series committee presented its second program of the year—The Robert Shaw Chorale and String Ensemble. We were lucky indeed to have this outstanding musical group on our campus.

This biting weather and stinging wind makes the girls wish for fur coats (mink would do) and the boys racoon coats.

Miss Helen Morley, director of health, physical education, and safety at University City, Missouri, visited the campus Tuesday and made two speeches. A tea was held in her honor. Everyone hearing her speeches and meeting her personally enjoyed this opportunity.

The assembly program given by the Natchitoches Symphony orchestra was thoroughly enjoyed by those WHO WENT to assembly.

The Louisiana Education Association has its annual convention in New Orleans Monday, Tuesday and Wednesday. Many faculty members and students from NSC will attend.

The sorority girls on the campus have really been busy giving rush parties this week. The field house has been fixed in a variety of ways depicting the theme for the parties.

And then, of course, the highlight we all look forward to — THANKSGIVING holidays—is just around the bend. Hold your breath, study hard, and then rush home and enjoy some days away from college.

NSC Art Professor Is Guest Speaker At Euthenics Meet

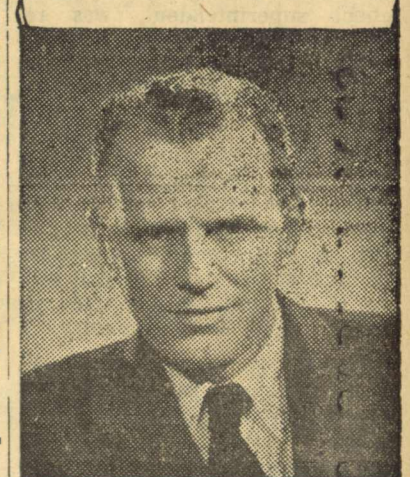

On Thursday, November 13, the Home Economics majors of the Euthenics Club at Northwestern spent a very enjoyable hour becoming acquainted with the art of ceramics. Mr. G. F. Kenner of the art department explained and demonstrated the skills necessary in making beautiful pottery.

By using a modernized "potter's wheel," Mr. Kenner demonstrated how to "throw a pot." He explained that it takes years of constant practice to acquire the skill to "throw a pot" perfectly. Mr. Kenner also told of the types of paint used to achieve some of the beautiful colors seen in the best pieces of pottery.

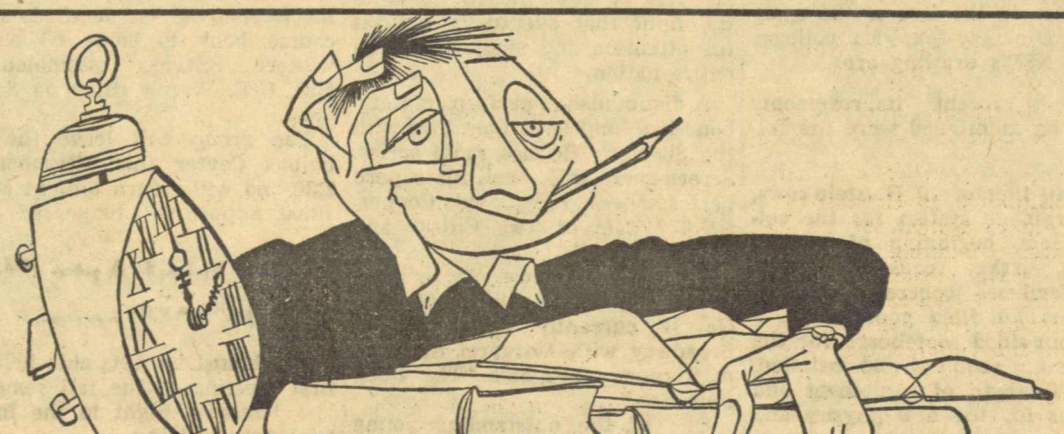

To conclude the demonstration, beautiful samples of Mr. Kenner's work were displayed.

Alpha Sigma Alpha

With the ringing of the traditional school bell, ASA's "Little Red School House" was called to order by the school marm, Wanna Beth Sanders, "promptly" at 8:00, Friday night, November 21, 1952. She called the roll and each member answered by introducing her dates.

Classes began when Kathleen Simmons recited her lesson to the class. The history lesson was then taught by Claire Lucius, who was assisted by Tommy Ryals with a chalk talk. Recess time then came, and Freddie Jones gave her version of a physical ed. dancing lesson. Professor Ann Hungerbeeler then conducted the ASA arithmetic lesson. Following this lesson, school was dismissed for the lunch hour. Serving the members and their lovely rushees were the teacher's pets, Curtiss Hoglan, Clay Brock, Leland Langridge, Robert Miller, Johnny Dickerson, Billy Plumb (the dunce), Jackson Beebe, Owen Phillips, Tommy Latham, Max Burns, and S. W. Dickerson. The "packed lunch" was served in sirup buckets. Throughout the party the teacher's pets entertained the guests with their antics.

Following the lunch, the music lesson was taught by Bernice Dale Blankenship, after which the "students" took a field trip to the sorority house. There Bennie Ray, assisted by Ann Walton at the piano, concluded the school day by singing the Alpha Sigma Alpha Sweetheart Song to the members and the rushees.

Claire Lucius has just completed our new scrapbook, by covering it in beautiful white satin. We all think it's really pretty.

We were delighted to have one of our alums, Gwen Therell of Vivian, with us for the rush party and the week end.

☆ ☆ ☆

Theta Sigma Upsilon

The Theta Sigs felt amply rewarded for their hard work when the rushees entered the private dining room of the Field House for the formal rush party.

Everyone said the glittering snowflakes suspended from the ceiling, the snowy pine trees, and the huge, bigger-than-life snowman really made the room seem like "Winter Wonderland." Guests found by their plates clever place cards in the form of miniature snowmen, further carrying out the Winter theme.

Pat Hankins acted as mistress of ceremonies, and introduced Benny Ray who sang **Winter Wonderland.** Following the song was a tap dance, **Canadian Capers,** by Freddie Jones. **Charmaine,** a waltz by Rudy Berlin and La Juan Hust was next. **Frosty, the Snow Man** made his appearance next in a song by Billie Jean Lambright. By this time everyone was starving, so the food was brought in.

As soon as the dessert was gone, the fun started again. Freddie Jones, accompanied by Lou Pearl Welch, did two impromptu tap dances. "The Tale of the Eskimaid" was told by Betty Sue Boydstun, after which the Eskimaid herself appeared, attired in an Eskimink coat, and sang a song.

The Rushees were called upon to do some entertaining when that great foreign conductor, Dr. Francisco Griffininsky arrived complete with tail-coat, top hat, and mustache to conduct the rushees orchestra in a special version of **Jingle Bells.**

After the girls were back at their tables, the Theta Sig roses were given to the girls by Audell Peavy and Janice Andress as Benny Ray sang **Only a Rose.** Ending the party was the singing by the members and alums of the special Theta Sig song, **I'm Glad I Am.**

In spite of all the work for the rush party, the Theta Sigs have had to do other things. Betty Sue Boydstun was elected president of the Davis Players and Pat Hankins was initiated into the organization.

Delta Sigma Epsilon

Gosh! So much has been going on it's hard to know just where to begin with all the Delta Doings. First of all, we were quite thrilled and it really made all our work seem worth while, when our float "Toast to the Demons," placed second in the homecoming parade.

Next was our formal rush party, "The Pink Lady Fashion Salon," which was held last Monday night in the private dining room of the Student Center. The theme was very effectively carried out with all the decorations in pink. Pink cheese cloth was draped on the walls of the room and at one end draped curtains formed the backdrop fo ra huge pink picture frame. Pink candles and spotlights furnished very effective lighting. Guests and members were seated at tables for four. Peppy Marmande introduced the guests and rushees. Mac Anderson introduced the alumnae and Chick Gabbert introduced the members.

First in the line of entertainment was an arobatic dance by Marie Blanchard. This was followed by a talk from our president, Peppy Marmande. A Barber-shop quartet composed of Hardy Rose, John Batton, Mayo Prudhomme, and Gerald Carter presented several songs. Kathleen Prudhomme and Jack Sharp danced to "Tenderly" as played by our orchestra.

Supper was served to all the rushees and members. The menu included chicken salad, potato chips, Ritz cracker, mints, individual cakes iced in pink and pink lemonade. Throughout the party, the orchestra, consisting of Hardy Rose, Alvin DeBlieux, John Batten, and Elwyn Adams played.

Highlighting the party, was the Pink Lady Style Show, presented by the members of DSE. As a fitting climax to the style show and party, Mayo Prudhomme sang "The Rose of DSE" and presented a bouquet of yellow roses to Fon Elliot who modeled a pink formal. As the members and rushees sang the "Rose" Fon presented each of the rushees a rose.

Tuesday night the Delta Sigs met at Dee Dee Moore's apartment in Vets-town and enjoyed a spaghetti and meat ball supper.

Congratulations to our Laverne Hopper and Lorraine Vaughn on being chosen Potpourri beauties.

Sigma Sigma Sigma

The Tri Sigmas held their last party of the 1952 Rush Season Tuesday night, November 18.

The theme of the party was "Showboat." The middle room in the Field House was decorated to represent the deck of a showboat, with the stage on the outside of the railing. On the stage were presented several selections dealing with phases of life at each of the stops—St. Louis, Memphis, Natchez, Baton Rouge and New Orleans—on the imaginary journey down the Mississippi.

The Dixieland Jazz Band, composed of Elwin Adams, Carol Atkins, Max Burns, Curtis Hoglan, and "Arab" Kathy, provided the musical background for the various numbers.

Sue Harville as Basin Street Susie sang "Basin Street Blues" (what could be more appropriate?). S. J. Westbrook as Colonel Southbrook sang "Make Believe" and, as an encore, "I'm Yours." Bea Rumsey and Jeanette Wood did their original version of the "Memphis Blues" as a Charleston. The Syncopated Sextet (Mary Ann Cronin, Joan Evans, Salvinia Fertitta, Sue Harville, Polly Hays, and Dee Thompson) sang and danced to "They Call Her Flamin' Mamie." And last, the "Sigma Players" (Annette Cook, T. Ruth Stephens, Jean Noble, Virginia Metcalf, and Jo Hubley) presented "Love Must Triumph" or "Curses, Foiled Again!"

The mirror in the Field House pictured a showboat staming down the river done in various shades of purple and lavender. It was painted for us by Tommie Blackburn. Thanks, Tommie.

After eating, jingles about the rushees were read by Virginia Metcalf and delivered to the rushees by the Pickadillies (alias Bea Rumsey and Jeanette Woo.)

The Tri Sigmas' sponsor, Miss Eve Mouton, then gave a talk on what it means to be a Tri Sigma followed by Mary Ann Cronin singing "My Tri Sigma Girl."

The members of Sigma Sigma Sigma say "thanks loads" to everyone who helped to make the party the success (?) it was. We had fun, and we just hope the rushees did!!!!

The Open House after the Homecoming game Saturday brought many of the alums to visit the Tri Sig house. Among them were Jean Lyons, Billie Butts (they stayed for the Slumberless Party Saturday night), Pat Bishop, Pat Murphy, and Janis Pace Boswell. We were delighted to see them all!

Pi Kappa Sigma

Among the week's festivities was, of course, the big parade. We were very proud to place fourth in the float contest. We were glad to see so many alums up for the game and Open House, too. Betty Thompson from LSU, Mrs. Johnny Emmons and Joan Erickson from Shreveport were among the guests.

For the last few weeks the Pi Kaps have been building and mending things for the float and the rush parties, so now we've planned a big clean up day on Pi Kap Hill before Bid Sunday. The girls are anxious to get busy on the activities planned in the near future. Among the first will be the annual fraternity party for all the frats on the campus.

Well another year and another rush party has gone by and the Pi Kaps couldn't be more proud of the very beautiful rushees.

The theme of the formal rush party was "Moonglow." The stars on the deep blue background all around the Private Dining Room formed a perfect setting for the theme. In one portion of the "sky" the "Moon Goddess" Kathleen Ray,

I tell the Frosh whom I advise
That they will make the grade
If they know Luckies taste so good
Because they're better made!

Lois Berman
Brooklyn College

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—cleaner, fresher, smoother taste . . . Be Happy—Go Lucky!

L.S./M.F.T.'s the code
To keep in mind today—
So for a cleaner, fresher smoke
It's Luckies all the way.

Carol Osterweil
University of Michigan

I'm always glad when Mom comes up.
She brings the things I like—
Not only food and candy,
But good ol' Lucky Strike!

Sidney Fagan
University of Connecticut

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

Demon Basketeers Prep For Opener With Lamar Tech

Frames, Phi Kap Dominate Intramural All-Star Team

Phi Kappa Nu and the Frames dominate the 1952 intramural all star team. Phi Kap landed three men on the first team and three on the second as they won their second straight league championship. The Frames placed four players on the first string and one on the second squad.

Every team in the league got men on the mythical wonder team with the exception of Rebel Hall.

The team was selected by the sports staff of the Current Sauce. Players were voted on according to their value to their team as well as their individual accomplishments.

James "Red" Cook was the only man to be selected for the second straight year. Cook played offensive end for Phi Kap, a post which he played on last year's Chowhound team, and defensive halfback.

Douglas Gilmore, a steady defensive end for South Barracks, and Don Finley, Frames tall pass snatcher, tied for the other end position and thus were both named to the squad.

The Chowhounds got only one man on the first team. He was Kenneth Brister, 220 pound plus, guard. Brister became the first man to kick a game winning field goal in intramural play. He beat Sigma Tau 3-0 in the closing stages of the campaign.

The other guard post is held down by the capable Jerry Reddell of the Frames.

At the center spot is Bryan Hanchey, place kicking artist from the Frames. Hanchey was considered by many as the best player in the league.

In the backfield, James "Red" King won the quarterback slot with his deadly passes and brilliant end runs.

Wilcy Champagne and Rudy Berlin of Phi Kap made the halfback assignments. This pair can be called the "Mr. Inside and Mr. Outside" of touch football. Champagne for his sneaky hide-outs and Berlin for his passing wizardery.

South Barracks filled the fullback slot with hard charging Eddie Krieger.

The second team includes the following players, all of whom are fine stars and a real credit to their team.

Ends: Sammy Wilson, Sigma Tau; Kenneth Everett, Chowhounds.

Guards: Carl Rachel, Phi Kap; Gordon Zabosky, Frames.

Center, Clay Brock, Phi Kap.

Quarterback, Carl Kaite, Chowhounds.

Halfbacks, Paul Ryder, Sigma Tau; Leland Langridge, Phi Kap.

Fullback, Bob Durham, Sigma Tau.

Begin Season Nov. 29 In Beaumont; Quintet Still a Bit Rusty In Practice

As another football season fades into rather dark shadows at Northwestern State College, Coach C. F. (Red) Thomas and his basketeers are seeing to it that the round balls get plenty bouncing in the Demon gym nightly as the NSC squad prepares for its opener Nov. 29 with Lamar Tech in Beaumont, Texas.

With a tough 28-game schedule staring him in the face, Thomas is putting his boys through a rugged workout each evening, with a short scrimmage becoming almost a certain part of each practice session.

Passes and shots at the basket are becoming more accurate as the Demons "get the feel of the ball" but the team is still not clicking as smoothly as Thomas would have it click. "But I suppose teams never are," the red-haired mentor smiled.

Thomas pointed to an excessive number of fumbles, unsure and jerky motions, hurried shots and sloppy passes as plaguing his squad thus far in pre-season practice.

Shaping up as the first five on the Demon team are big Ken Shaw from Holton, Ind, George McConathy and Bill Collinsworth of Bryceland, Jim Yergler of Cissna Park, Ill., and Murrell Walker of Dry Prong.

Coach Thomas stressed, however, that actually there will not be a "first" five. Men like Jim Thomas of Martin, Sammy Booras of Shreveport, Tynes Hildebrand and George Davis of Florien and Waple Lilley of Belmont will be playing about as much ball as anybody this season. They were all valuable players for NSC last year.

The Demon's season opener with Lamar Tech, Nov. 29 is predicted by Coach Thomas to be one of the toughest games of the season. "We probably won't meet a team this year any better than the Lamar Cardinals," Thomas said. The second game of the season for the Demons will also be against Lamar and will be played here Dec. 2.

Last year Lamar Tech beat NSC 52 to 50 in Beaumont, but were in turn beaten by the Demons here 62 to 60. Both the Demons and the Cards lost only one man from their last year's starting five.

All in all, Coach Thomas, who is beginning his third season as NSC cage coach, is well satisfied with his Demons. He said he is certain that any opponent will know they've played basketball when a game with the Demons comes to an end. He has more height, more experience and more speed on his team this season.

But he is certainly not underestimating the other GSC teams. He points to the fact that Centenary, Southeastern, Louisiana Tech and SLI have much - improved squads this season, too.

GRID SUMMARY

Leon Fuller of Waverly, hard-charging fullback for Northwestern State College, proved to be the Demons' best ground gainer during the 1952 eason that found the NSC team sitting on the unimpressive record of 1 win, 1 tie and 7 losses.

Fuller piled up 543 yards rushing from scrimmage in 125 attempts for an average of 4.34 yards per try.. Appearing in all nine games and being depended upon to carry the brunt of the Demon running attack, Fuller chalked up 339 more yards than his nearest teammate, George Perkins of DeQuincy.

However, Fuller did not have the best average. That honor went to Talmade Lee of Ferriday, who because of an early season leg injury, saw action in only two games. In 10 carries he rolled up 47 yards for 4.7 yards per try.

Other averages on the team were Junior Turner, 139 yards in 43 tries for a 4.63 average; Hugh Purser, 106 yards in 23 for a 4.61; Johnny Buck, 172 yards in 45 for a 4.05; George Perkins, 204 in 31 for a 4; Red Smith, 152 in 40 for a 3.20; Dan Carr, 39 in 23 for a 1.69; Raymond McFadden, 29 in 26 for a 3.80; Jack Bice, 74 in 22 for a 3.36; Larry Whitt, 11 in 5 for a 2.20; James Modisette, 1 in 1 for a 1; Clyde Chesson, 3 in 1 for a 3; Joe Barkate, 11 in 4 for a 2.75.

Due to his being caught behind the line of scrimmage so many times while attempting to pass, M. D. Ray, Demon quarterback, lost a net of 65 yards in 12 attempts for a minus 5.25 yards per try.

Ray, however, made up for his loss in rushing in the passing department. The Demon heaver, who last year led the GSC in passing, this year connected 28 times on 88 tosses to rack up a total of 328 yards through the air lanes. Dan Carr was second in total yards gained passing as three of his 11 passes were good for 41 yards. James Modisette, the only other Demon flinger, tossed three times and completed two of them for 24 yards.

On the pass receiving end, Clyde Chesson was tops. He pulled in 15 passes during the season, nine more than his closest teammate rival, Earl Haynes, who caught only 6. Other receivers were Leon Fuller, 3; Ray McFadden, 2; Johnny Haynes, 2; and Talmade Lee, Jack Bruning, Junior Turner, Alan Stoker and George Perkins with one each.

Firecrackers Win Women's Swim Meet; Livingston Cops Individual Honors

Captain Lyria Lawrence's Firecracker swimming team walked away with first place in the woman's intramural swimming meet last Wednesday night in the natatorum. The Firecrackers had a total of 83.1 points against runner-up Neon-Splashers who had 71.2 points. Audobon came in third with 51.6 points. Thais Betei captained the Neon-Splashers while Myrtle Allen was at the helm of the Audobon crew.

The individual events found Toby Livingston finishing first in the four matches she entered. In the 100 yard free style, Livingston was first with a time of 1:58, June Gleason of Audobon, second with 1:55½, and Faye Book of Audobon at 1:54.

Rae Gremillion took the 100 yard back stroke in 1:58, Virginia Metcalf second with 1:59, and Faye Book third with 2:26.

Audobon won the Nightgown Medley at 3:52, Firecrackers second with 3:58, and Neon-Splashers third with 4:15.

In diving, Toby Livingston took first place collecting 38.1 points for her team. She performed the three standard dives, standing front dive, running dive, back dive, and she chose the half twist for her optional. Virginia Metcalf of Audobon placed second while compiling 30.2 points. She used the same dives. June Gleason came in third with 11.6 points as she performed only the standard dives.

The remainder of the events went as follows: 100 yard breast stroke: Metcalf, first 2:14½, Myrtle Allen, second 2:18, and Claudia Wililams, third 2:26. Fifty yard breast stroke: Livingston 48½ seconds, Juanita Barberousse, 51 seconds, and Allen one minute flat.

Fifty yard free style: Lawrence 40½ seconds, Betei 41 seconds and Gleason 48 seconds. Fifty yard back stroke dash: Livingston 41 seconds, Gremillion 47½ seconds, and Metcalf 51.2 seconds.

The closest race of the evening was the spoon relay won by the Firecrackers in 2 minutes and 11 seconds. Trailing close behind was Neon Splashers with 2:11½, and in third place was Audobon at 2:15.

The meet was held under the direction of Miss Jean Maeys. Score keepers were Ruth Moreau and Dorothy Porter. Germaine Wilber and Betty Hurst were time keepers, Charles Ertell was announcer and Myron Lockey, co-captain of the Demon swimming team, served as starter. The remainder of the officials were made up of members of the acquatic club and the W16 P. E. class.

NOTICE

A men's intramural swimming meet will be held next Tuesday night at 7:00 p. m. in the Natatorium. All organizations who plan to enter teams should fill out an entry blank at the intramural office.

NOTICE

An intramural meeting will be held in the men's gym Monday night, Nov. 24, for the purpose of organizing a volley ball league.

Coach Maeys' Girl In Crescent City For Swimming Meet

The Northwestern State College women's swimming team will journey to New Orleans today to compete against a strong women's team from the Crescent city.

This year's team is under the direction of Coach Jean Maeys and is the first time in a number of years that NSC has had a regular competitive team. Coach Maeys stated that the squad will go into it's meets "with a winning spirit and the idea of having fun." She said that no one has distinguished themselves above the others and that she "depends on them all." Since the team has some of the strongest women's squads in the South and Southwest on it's schedule it is easy to see why she does.

The team is divided into two groups, the racing group and the synchronized group. Gay New manages the racing group which includes Thais Betei, Emily Chauvin, Virginia Metcalf, Faye Book, Myrtle Allen, Gloria Hodge, Toby Livingston, Juanita Barberousse, Sue Wheat, and Claudia Williams.

Joan Evans, Frances McLain, Lyria Lawrence, Freddie Jones, and Toby Livingston make up the synchronized group and is managed by Peggy Joe Taylor.

The complete schedule is as follows: Nov. 22 New Orleans Girls at New Orleans; Dec. 3, Little Rock Girls at Little Rock, Arkansas; Jan. 10, Little Rock Girls at Natchitoches; Feb. (tentative) Texas State College for Women at Natchitoches; March 13-14, S. A. A. U. Indoor Swimming Championships at Natchitoches; April (tentative) S.W.A.A.U. Swimming Championships at Dallas, Texas; April 23-24-25, Annual Home Show at Natchitoches; and May 15-16, Shreveport Chamber of Commerce Water Show at Shreveport, Louisiana.

King's Korner

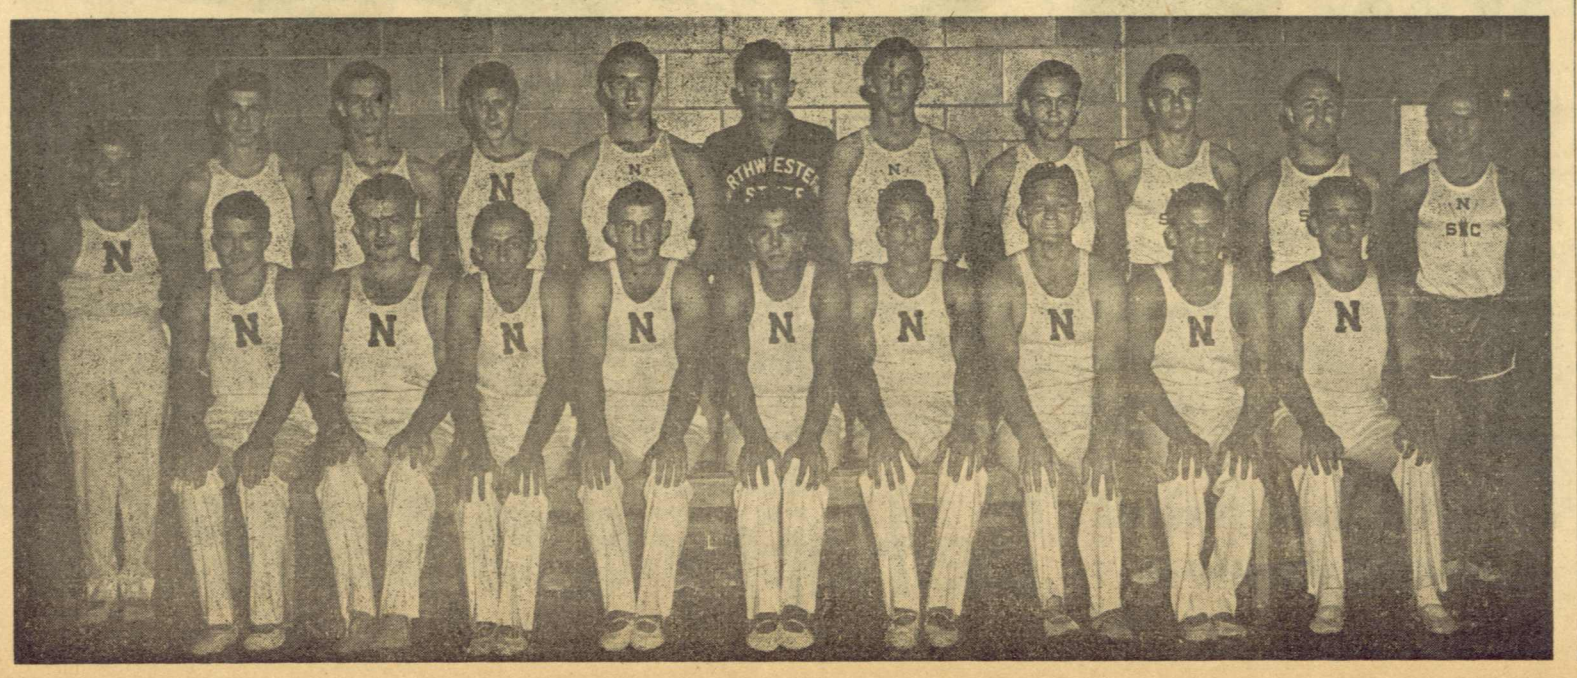

By "RED" KING

Our cheerleaders deserve a lot of credit for the fine job they did during the preceding football season. No matter how far behind we were they could always come through with an encouraging yell. Although our cheerleaders had a hard job in that respect, if you look at the other side of the story, you could say that they had an easier job than most cheerleaders in other schools.

After all, they just have to learn half as many yells as most cheerleaders have to learn. The entire series of yells which the Demon cheerleaders had to know for most of the Demon games this season went something like this: "Hold line, hold that line!" then after an opponent scored, "Block that kick, block that kick!" but they usually had to end the night up with a sad, but still encouraging "That's O.K. team, Fight!"

But now, the cheerleaders are going to have to go back to work. Because it's basketball season again. Now they will have to brush on their victory yells, I Thinkkkk!!

Demon Gymnasts, the Traveling Salesmen of Northwestern

FORMING THE LETTER "P" for Potpourri are eleven of the twelve finalists in the 1952-53 Potpourri beauty contest which was held here recently. Following the letter (from bottom upward) are Pat Briley, Laverne Hopper, Pat Murphy, Barbara Brittain, Lorraine Vaughn, Jo Ann Prestridge, Toby Livingston, Lora Faye Kemper, Virginia Martin, Jolene Walters, and Jackie Funderburk. Julie Cusachs, one of the beauties, is not pictured.

Clapp Study Grant Is Assigned

Miss Mamie Bowman, associate professor of English, in her capacity as state fellowship chairman, wishes to annuonce that the Dr. Sarah Elsie Clapp International study grant of Louisiana State division of AAUW has been assigned to Martha Hagenson Boyer of Denmark, and the Katherine French International study grant of the New Orleans branch has been assigned to Dr. Duangmanee Joikasathira of Thialand.

Miss Martha Hagenson Boyer's study of oriental art in American museums and collections will be a major step toward her goal—to be the first fully trained Sinologist in Denmark. For several years she has combined her ethnograhic studies at the University of Copenhagen with a position on the staff of the Danish National Museum. The museum has never had a qualified person to supervise its Chinese collection and her colleagues believe the experience Miss Boyer gains here will be an invaluable asset to the museum. The University of Pennsylvania will be the starting point of a tour that will take her to Boston, Cambridge, Chicago, Cleveland, Detroit, Kansas City, New York, Pittsburgh, Toledo, and Washington.

Dr. Jotikasathira won many awards for outstanding work as a student at Chulalonkorn University and the University of Medical Sciences. After receiving her degree in 1951, she joined the staff of Siriraj Hospital in Bangkok. She will do postgraduate work in the Pediatric Department of Washington University in St. Louis.

Phi Kappa Sigma

(Continued from Page Three.)
sat in a huge crescent shaped moon that held the attention of the girls as they were led by their dates to receive a personal welcome from her. A stairway to the stars was provided so the girls could get the effect of "walking" to the moon, and added a personal touch of welcome.

Soft music was played throughout the entire evening.

Entertainment was at it's very best when John Odom did his impersonations of "It's In the Book." The girls even joined in singing the chorus until there was no more. John gave several other impersonations and did some very "tricky" cigarette and card tircks.

Other entertainment was provided by Joan Erickson who tapped and Jane Williams and Jane Gaines who did a Modern Dance. Little Sue Lindsley held the attention of the crowd as she did a beautiful ballet to Stardust.

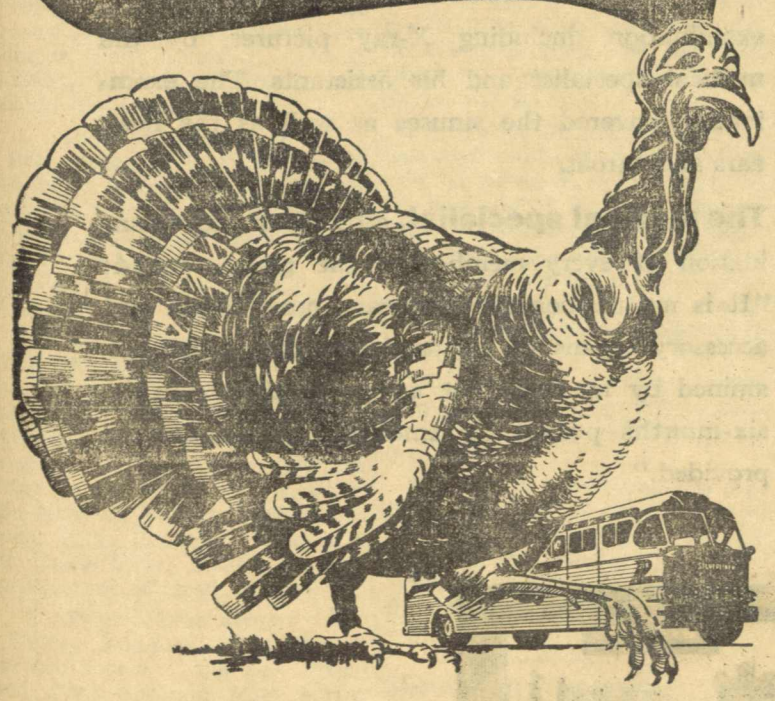

Miss Ruth Bruner gave a very impressive talk on "Choosing the Right Sorority for You."

The party came to a close when the Moon Goddess descended the stairway and the girls sang their traditional song to the rushees.

We were very glad our Sorority Mother, Mrs. Cutrer, from Robeline was able to be with us on this occasion.

More than 500 acres of land was stocked with pine this year in Louisiana by sowing from an airplane.

University Profs Hold First Meet Last Wednesday

The Northwestern branch of the American Association of University Professors held its first program of the 1952-53 session as a combination business and dinner meeting on Wednesday, November 19, with 21 members present. Dr. John Duffy of the social science department and president of the organization, presided at the meeting. Dr. Duffy succeeds Dr. G. Waldo Dunnington as president.

The purpose of this meeting was to elect a secretary and formulate plans for the ensuing year. Elected to the office of secretary was Mary McEniry. Other officers are John Duffy, president; Elsie Church, vice president; Mary Ester Roberson, treasurer; Eugene P. Watson, member-at-large.

The American Association of University Professors is a national organization and was founded at Northwestern on May 21, 1936. Mr. A. C. Maddox, Dr. Sarah L. C. Clapp, and Mr. H. J. Sudbury were the first officers.

Membership in AAUP is contingent upon faculty rank in any accredited college or university. The organization includes in its goals the promotion of professional standards among its members and the protection of academic freedom. Quarter publications of AAUP present problems of professional interest.

ENTRANCE TEST TO BE REPEATED

A number of freshmen and transfer students failed to take one or more of the three tests given during the freshman testing program in September. All students are expected to complete these tests for their official college records upon entrance into school.

For the benefit of those students who missed one or more of the tests in September, a second administration will be held in the Library Visual Education Room at 8:00 o'clock p. m. Tuesday, Nov. 25. All students who missed any one or more of the tests are to report at that time.

Debate Members At LEA Convention

Four members of the NSC debate squad will go to New Orleans Monday, November 24, to give an exhibition debate at the LEA convention to be held there Monday through Wednesday.

The exhibition, given by Bobby Hamm, David Kendrick, Pat Hankins, and Anne Torrans will be on this year's national college topic, resolved: "That the Congress of the United States should enact a compulsory Fair Employment Practices Law." They will be accompanied by Mr. Donald L. Graham, debate coach.

Home Economics Grads Are Feted at Supper

Former home economics graduates who returned for Homecoming were honored at a buffet supper at the home management house on Saturday evening, November 15.

Students of the meal planning class in the home economics department prepared and served supper in a delightful fashion to both alumnae and home economics faculty.

College Prestige Greatly Increases If AAUW Approved

Recently we told you about the organization and purpose of the American Association of University Women. Now we will go into why women at Northwestern should want this college to be approved by the Association.

First, if one's college is approved by the AAUW, its prestige is increased. People who know, rate a college partly by the groups that can be found on its campus. These groups act in the way of labels.

Second, one's own prestige is enhanced by graduating from an AAUW-approved college. Girls enjoy wearing sorority and club pins, and although an Association member does not wear a pin, wherever she goes she will find in her branch of the organization women whom she will be proud to claim as associates.

Third, graduates of AAUW-approved colleges, by joining the Association, become members of a highly intelligent and active organization which provides directed and creative activities in any field an educated women may desire.

Although Northwestern is not on the approved list of the AAUW, the Branch in Natchitoches and various alumnae have been working to get it approved. The approval when granted, is retroactive. That is, women who graduated while the college was unapproved may, upon NSC's approval, apply for membership in the Association.

LOUISIANA STATE'S COTTON MAID CHOICE IS NATCHITOCHES GIRL

Baton Rouge — Two Louisiana State university students, Carolyn Capone of Donaldsonville, and Mary Hunter Gunn of Natchitoches, have entered the Maid of Cotton contest to be held in Memphis, Tenn. late next month.

Sponsor of the contest is the National Cotton council of America. The winner will show an all-cotton wardrobe in this country, Paris and other European capitals.

Named representative of the LSU student council, Miss Gunn is a sophomore in home economics education. She transferred to LSU from Northwestern State college where she was Cenla Fair queen, Little Colonel of the ROTC and a freshman beauty.

She is the daughter of Mrs. Norman L. Gunn of Natchitoches.

City Judge Speaks To Home Ec Students

Judge Julian E. Bailes, Natchitoches attorney, gave a very interesting and informative talk to the students in the Home Management class at their regular meeting on Friday, November 14.

Judge Bailes discussed various legal aspects concerning the family and the Community Property system in Louisiana, types of wills, and administration of estates.

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields – 10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

Festival Today Ushers In Yuletide Season

ALPHA PHI EPSILON, journalism fraternity on the campus, held its first formal initiation November 24, at a ceremony in the Green room of the Fine Arts building. Refreshments and cake were served immediately afterward. Members are (bottom row, left to right) Patsy Winkler, Louise Vick, Wanna Beth Sanders, Frances Griffin, Marjorie Reynolds, Kaydonna Hill, and Bettie Carter. Others are (top row, left to right) Joe Saltzman, Lucian Spataro, Don Finley, Billy Baker, John Spataro, and Red King.

63 Coeds Are Pledged This Fall By Various Sororities on Campus

Bid Sunday, eagerly awaited by all the sororities and rushees alike, was celebrated Sunday, November 23. Many activities were enjoyed by the sororities and their new pledges. Sixty-two girls were pledged by the following sororities:

Theta Sigma Upsilon

Bobby Hale, Clarice Oliver ,Mary Alice Philips, and Betty Breitenberg.

Pi Kappa Sigma

Carolyn Alexander, Barbara Fedrick, Bebe Joy Gallender, Gene Jensen, Jeanie Johnston, Lora Faye Kemper, Polly Lindsley, Clydean Madden, Virgie McGuffee, and Bobbie Patterson.

Delta Sigma Epsilon

Betty Alice Bell, Alice Cecille Bobbitt, Fay Book, Jane Claborn, Julie Cusachs, Jane Gaines, Margaret Hanson Olive Horn, Erlene Powell, JoAnn Prestridge, Bettie Salter, Jane Schaefer, and Jane Williams.

Alpha Sigma Alpha

Elizabeth Aulds, Beth Bundy Barbara Cheek, Carolyn Clements, Margaret Sue Cooper, Oneta Hodson, Betty Lou Hurst, Martha Mae Johnston, Nancy King, Dotty Kirkland, Patsy Leach, Susie Mathis, Jeanette Methvin, Marilyn Motter, Ann Nash, Patsy Reynolds, Sarah Ritter, Nellie Faye Sikes, Virginia Spillers, and Mildred Young.

Sigma Sigma Sigma

Shirley Bateman, Bobby Downs, Barbara Evans, Erma Lee Freeland, Doris Gahagan, Mary Gordy, Jimmy Hatcher, Lyria Lawrence, Nancy Kimbrell, Jack Ezel Lucia, Justine McMurry, Dorothy Porter, Genie Shaw, Anita Sigler, Joan Slay, and Kathryn Wright.

Alexandria Nurses Elect Officers

The student nurses of the Alexandria division of the Northwestern nursing program elected officers at a student government meeting. The following were elected: Betty Ann Pittman, president; Amanda Merrill, vice-president; Beverly DeVillibus, secretary, Bobbye Bass, treasurer; and Emma Jane Sanson, sergeant - at - arms. Miss Barbara Odom, director ,clinical education, Alexandria division, was unanimously elected faculty advisor by the students.

Watson, Carnahan Attend Convention In Mexico City

Dr. Eugene Watson attended the fourteenth biennial convention of the Southwestern Library Association during the week of November 24-30 in Mexico City. Included in the association are Arkansas, Oklahoma, Louisiana, New Mexico, Texas, and Mexico.

Dr. Watson presided at the College and University Libraries Section, of which he is chairman, on Tuesday and at the Third General Session Wednesday. Dr Downs, president of the American Library Asociation, and David Clift, executive secretary of the American Library Association, participated in the latter.

The business meeting ended Wednesday night and the remainder of the week was devoted to tours.

Dr. Watson is editor of the official publication of the Southwestern Library Association, the "S. W. L. A. Newsletter."

Mrs. Lucille Carnahan from Natchitoches also attended this convention.

Shreveport Nurses Are Entertained At Recent Party

Guests, faculty members and student nurses of the Shreveport division enjoyed a student faculty party held at the Nurses' Home on Tuesday, November 18, 1952. In charge of the party were Miss Marie Havens and Mrs. Joyce LaBorde McDonald.

Guests of honor were Miss Hilda Burnham, Miss Beverly Andre, and Miss Quilla Matthews, clinical instructor at Highland Sanatarium.

Members of the faculty gave a delightful skit which depicted the typical student nurse. The students gave imitations of the faculty members.

Delicious refreshments were served to the group.

Journalism Frat Initiates Five On November 24

Alpha Phi Epsilon, journalism fraternity held its initial Fall meeting Monday night, November 24, in the Green Room of the Fine Arts Building. The meeting was held for the purpose of initiating five pledges. The pledges were Betty Carter, Frances Griffin, Marjorie Reynolds, Kaydonna Hill and Billy Baker.

After the initiation ceremonies, two officers were elected. Those elected were Wanna Beth Sanders, secretary, and Betty Carter, treasurer. Lucian Spataro, president of the recently formed organization then appointed various committees. The commmittees, under the supervision of vice-president Joe Saltzman, are program, initiation and constitution.

Three NSC Pros Attend LEA Meet In New Orleans

Delegates to the Louisiana Education association convention held in New Orleans from November 24-26 were Miss Catherine Winters, Mrs. Eola Rooks, and Mr. A. L. Ducournau.

Those meetings of interest attended by the representatives were a departmental session on guidance under the state director Margaret Colvin, an alumnae and former instructor of NSC, and a departmental social science meeting at which Dean Cartwright of Duke University gave an educational and inspiring address on the teaching of American history in elementary, secondary schools, and colleges.

Representatives of NSC, with Mr. Leroy Miller in charge, were hosts at the annual alumni coffee at McMain Junior high school. Those serving were Mr. and Mrs. Herman P. Durham, Mr. H. H. Sharp, Mr. and Mrs. Frank J. Mobly, and Miss Anne Burglass, president of the New Orleans alumni.

Headquarters for the convention was the Jung hotel. Meetings were also held at the St. Charles hotel and the McMain Junior high school.

Be sure not to miss the film, "The Christmas Carol" which will be shown Wednesday night. There is no admission charge.

Christmas Carol Film To Be Shown Wed. In FA Auditorium

Bennie Ray, chairman of the Student Senate committee on the Student Film Program, announced this week that the films, "A CHRISTMAS CAROL," will be shown in the Fine Arts auditorium at 6:00 o'clock on Wednesday, December 10.

The picture stars Alastair Sim as "Scrooge," and co-stars Kathleen Harrison, Clifford Mollison, and Jack Warner. This is the story as told in Charles Dickens' "A CHRISTMAS CAROL." It is a tale of an old man who didn't believe in Christmas, and who was hard on his hired help, a young man with a family to support. After a horrid nightmare, Scrooge reforms and becomes a kind, generous old man.

All students are urged to attend this film to see in action a story which they have heard throughout their lives. Admission for this presentation is free with the compliments of the Student Film Program committee.

LIBRARY

Gigantic Parade, Fireworks, Lights Are Main Features of Annual Fete

Today is the big day for Northwestern students and all the City of Natchitoches as the annual Christmas Festival gets under way this afternoon at 2:00 with the gigantic parade f,ollowed later tonight with the fireworks program on the banks of Cane River and the turning on of the fiery array of Christmas lights lining the streets of downtown Natchitoches.

NSC students will be just a small group among the thousands of people from all over the state as well as the nation who are expected to be in Natchitoches tonight to view the spectacular show that has gained national prominence in the last few years.

The Northwestern band will be among the many features of the parade this afternoon, along with the Demonettes and the R O T C unit from the college, plus four boy scout troops, one cub pack, 13 high school bands, drum and twirling groups and four floats.

High school bands in the parade will be Greenwood, Jonesboro-Hodge, LaSalle of Olla, Natchitoches, Oil City, Tioga and Boyce, Coushatta, Many, Merryville, Vinton, Gibsland, Lagrange, and Glenmora. Gracie's majoretees and the Allstar drum and twirling corps from Alexandria will also march.

The big parade will get under- at 2:00 this afternoon. The marching units will start from the City Hall on Amulet street, move into Lafayette, swing down Front street and continue to Amulet street where they will dismiss. Natchitoches Mayor Frank Kees and Northwestern President H. Lee Prather will ride in the lead car of the parade.

Following the parade, the out-of-town bands will take turns presenting 30-minute concerts at two sites, on Church street and on Trudeau street.

This afternoon at 5:00, the Natchitoches high school band and choir will present a series of musical numbers in front of the Trade School building on College avenue. They will be directed by James Simmons.

The program then switches to the river front where Northwestern State college will present the story of the Nativity in a series of tableaux and musical selections at 6:00. The pageant will be directed by Dr. Edna West of the speech department. The college singers will be directed by Donald Glattly of the music department.

The fireworks program will begin at 7:00 on the banks of Cane River in downtown Natchitoches. This year, the crowd is in for a real treat at the fireworks show that will include more set pieces than in previous years.

Immediately following the fireworks will be the 'turning on of the switch turning on the gigantic Christmas lights system in Natchitoches.

The Country club will be the scene of a dance beginning at 9 p. m. sponsored by the Natchitoches Service league. Music will be furnished by Sleepy Spears and his orchestra.

NSC Chemistry Prof Speaks to Class At Natchitoches Hi

Professor A. L. Ducournau of the physical science department of Northwestern State college addressed the general chemistry class of the Natchitoches high school last week.

Ducournau's topic concerned the detection of radio activity and its use in medicine as tracer elements. A geiger counter was exhibited and its operation with radio active isotopes was demonstrated.

Highlight of the lecture came when Ducournau allowed one of the students to hold a radio active element in his hand and without knowing which student had it, used the geiger counter to discover it.

The protection against radio activity by use of layers of lead over active isotopes was also demonstrated.

A question and answer period followed the lecture.

Miss Mary Vernon Is Guest Speaker At Home Ec Class

Miss Mary Vernon, home demonstration agent for Natchitoches parish gave a demonstration on kitchen planning to home economics students who are studying home management on Friday, November 21 in the Home Economics building.

Miss Vernon discussed the four different types of kitchen plans found in modern homes, and used minature models of cabinets, stove, refrigerator, sink, and other kitchen furnishings to show efficient arrangements in groupings for each type of kitchen.

UPPERCLASSMEN HOME ECONOMICS majors were entertained by the freshmen majors at a "gypsy party" November 25 in the living room of the Home Economics building. Entertainment and refreshments were provided for all present.

Senate Minutes

A called meeting of the student Senate was held in the living room of the home economics building at 6 p. m. Friday, November 21, 1952. Eighteen members were present and three absent.

The minutes of the previous meeting were not read because they were not available at the moment.

The freshman senators "Cindy" Hodge, Mary Alice Phillips, Anne Torrans, Gerald Tilleux, and Ben David Vercher- were introduced to the Senate. A motion by Hardy Rose, seconded by Ed Bacilla, called for approval of the new senators. The motion passed unanimously.

Bennie Ray, chairman of the Student Film Agency committee, gave a complete report to the group. Ray stated that a total of had been cleared from the first film "Stagecoach." According to Ray, the 16 millimeter films on schedule have been cancelled because of defects, and that possible reorders of 35 millimeter films were being considered.

Marie Tilleux proposed that the United Students Christian Council, an interdenominational organization, be given financial backing by the Student Film Agency for the presentation of the film, "Dickens' Chrismas Carols" on Wednesday, December 10, at 6 p. m.

Since there was much discussion concerning possible conflicts between the time of this showing and the meeting times of campus organizations, Hardy Rose moved that Marie Tilleux contact the presidents of the various organizations to determine whether or not there would be conflicts. The motion, which was seconded by Rudy Berlin, passed.

A group picture of the Student Senate for the Potpourri was taken by Guy Cheek, student photographer for college publications.

Since there was no further business, the meeting adjourned at 6:35 p. m.

Respectfully submitted
Joe Saltzman, Secretary

☆ ☆ ☆

A called meeting of the student Senate was held in the faculty room of Caldwell Hall, November 25 at 8:10 p. m. Twelve members were present and nine were absent.

The minutes of the previous meeting were read and approved.

Marie Tilleux announced that she had contacted campus organizations meeting on Wednesday nights, and they had agreed to postpone or drop all meetings in order that the film "A Christmas Carol" might be shown at 6 p. m. November 10. The only possible conflict which might arise was the reservation of the auditorium at this time for a gym team rehearsal. Marie stated that she would contact Mr. John Piscopo to see if some agreement could be made concerning the time.

Ed Bacilla announced that the movie would cost the Student Film Agency $25, according to the information from United Artists Corporation of New Orleans.

Martha Ann Leach moved that the contract be accepted and that the movie be shown on November 10, at 6 p. m. The motion, seconded by Ed Bacilla, was passed.

Respectfully submitted,
Joe Saltzman, Secretary

In The Library

"The Last Englishman"

Outstanding among those few gallant English warriors who vainly continue to fight the Norman invaders after the Battle of Hastings was the half-real half-legendary Hereward the Wake. "The Last Englishman" is the tumultuous story of this dauntless patriot who gambled his life to defy William the Conqueror, but surrendered his love to a Noman lady.

Hereward Leofricsson, Earl of Bourne, returned to England from the Continent in 1070 to find his lands confiscated and his people harshly persecuted by ther new Norman masters. By this time most of the country's leaders were dead, or had submitted to William, but, with the help of the Earl of Waltheof, Hereward raised a band of loyal followers and successfully captured the enemy garrison at York.

The romance of the beautiful Norman, Althya de St. Denys, and Hereward weaves a single bright thread through the dark cloth of violence and cyclonic action from which this story has been fashioned.

"The Last Englishman" is a novel of breathtaking deeds and daring men, a brilliant and exciting page from the history of a great nation, and, above all, it is a magnificent portrait of an indomitable warrior whose love for England and for one woman was predestined to failure by the age in which he lived.

A traveling Maid of Cotton can't have too many cotton suits. Korday created this one which will be a smart feature of the 1953 Maid of Cotton's wardrobe. In Juilliard striped corduroy, it's in the new boxy silhouette with low-placed pocket interest. For figure flattery, a slim skirt—one of the fashions featured in the recent Paris collections. Hat by Debway.

Sigma Sigma Sigma

Sunday, November 23, was a big day at the Tri Sigma House, for at 10:00 the active members gave a coffee for all the new pledges. After the coffee the members and pledges went to church, returning to the house at 12:30 for dinner. After dinner group pictures were made by alumni member Jean Lyons. Sunday night a pledging ceremony was held for nine girls. Monday and Tuesday nights were designated for the pledging ceremonies of the remaining eight girls.

With the National Chapter Exmaination out of the way the Tri Sigs can settle down to planning the annual Christmas party to be held the last Tuesday before the holidays. Plans were also completed for selling apple pies at the parade Saturday, and for the Slumber Party to be held Saturday night after the Christmas lighting.

A discussion was held on the date for the annual pledge tea given for the pledges of all five sororities.

Theta Sigma Upsilon

On Bid Sunday the Theta Sigs were guests at the home of Mrs. Jack Fisher, where several games furnished the OEY's entertainment.

Later the group went to a family style luncheon. Delicious food was the main point of interest. After lunch the OEY's attended a movie.

Tuesday night the new pledges, Betty Brightenburg, Bobbye Hale, Clarice Oliver and Mary Alice Phillips, were pin pledged and afterwards a coke party was enjoyed by the group.

Congratulations go to: Frances Griffin who is now a member of Alpha Phi Epsilon; Pat Hankins who is feature editor of the Poptourri and who has been to New Orleans and Ada, Okla. as a member of the debate team.

The Theta Sig representative to attend the Sigma Tau Gamma dance will be Bobbye Hale.

Pi Kappa Sigma

As usual Bid Sunday was a very thrilling day for all the Pi Kaps. The little house on the hill was so full of talent, we hated to leave for dinner. Of course the dinner was wonderful and we thoroughly enjoyed every minute of it. The girls sang Pi Kaps songs until most of the rushees knew them by heart.

The group attended the movie in a body after dinner and then returned home as happy as could be.

The new pledges we welcomed into the sorority are Lora Faye Kemper, Beebe Joy Gallander, Barbara Fedricks, Virgie McGuffee, Clydean Madden, Jennie Johnson, Gene Jensen, Carolyn Alexander, Bobbie Patterson and Polly Lindsley.

Tuesday night the girls discussed plans for " National Test" which was held in the living room of Varnado on Wednesday night. Plans were made for Professional Meeting to be held next Tuesday night. Patsy Winkler and Louise Vick are in charge of the program.

Final plans were made for the big slumber party to be held on Saturday, December 6. Of course we can hardly wait to see how our new pledges like the outcome.

Patsy Winkler and Sue Rhodes will represent the actives at the alum meeting in town on Thursday night. The meeting will be held at Mrs. Wilfred Cummings home. Sue will present us at the Sigma Tau's annual White Rose Ball on Saturday night.

After the meeting the new pledges came in and a very, very pleasant time followed. The girls joined in singing Christmas carols until time to go to the basket ball game.

We want to congratulate Rose Farrar on being selected president of the nurses here on the campus. Congratulations to Jackie Funderburk and Lora Faye Kemper on being selected Potpourri beauties.

Alpha Sigma Alpha

The Alpha Sigs are very, very proud of their new pledges. They are Mildred Young, Libby Aulds, Jeanette Methvin, Dotty Kirkland, Virginia Spillers, Betty Hurst, Beth Bundy, Martha Mae Johnston, Sarah Ritter, Barbara Jo Cheek, Patsy Reynolds, Nancy King, Ann Nash, Carolyn Clements, Sue Cooper, Patsy Leach, Oneida Hodson, Nellie Faye Sykes, Marilyn Motter, and Susie Mathis.

Sunday, November 23, was a big day for all of the Alpha Sigs. After the issuing of the bids, a coffee was held in the sorority house for the new pledges-to-be. The members and their "little sisters" then had a delicious turkey dinner at Murphy's Restaurant, after which the "big sisters" treated their "little sisters" to a movie.

Sunday evening at six o'clock the new "Alpha Sigs" were pledged at a very impressive ceremony. After the ceremony, cokes and cookies were served.

On last Wednesday night, the pledges elected officers. They are Mildred Young, president; Patsy Reynolds, vice-president; Nellie Faye Sikes, treasurer; Carolyn Clements, secretary; Dottie Kirkland, pianist; Nancy King, song leader; Betty Hurst, registrar; Marilyn Motter, chaplain; Susie Mathis and Oneida Hodson, sandwich chairmen; and Ann Nash, house chairman.

The Alpha Sigs were delighted to have with them for their rush party Peggy Sandifer, Gwen Therrell, Ruth Lee, and Grace Himel, all Alpha Sig alums. Our two sponsors, Mrs. Rosemary Easley and Mrs. Eunice Kennedy added greatly to the fun.

Congratulations go to Margaret Ann Horton on her approaching marriage to John J. McCowen on January 3.

We really had a reunion at Ruth Lee's wedding, November 28. Marilyn Barnetee, Dollie Smith, Betty Choate, Jeanette Dowden, and Ann Wood were among the Alpha Sigs present.

The strains of "Happy Birthday" were heard in the ASA house last Tuesday night. The event was a surprise birthday party for our president, Betty Sue Choate.

Have you noticed the front window of the ASA house lately? If you haven't, look the next time you go by. Thanks to Dot Dezendorf's father, we have a bright new sign proclaiming that this is Alpha Sigma Alpha's house.

Thanks go to Octavia Sandlin for serving the sorority cokes after their business meeting, November 25.

The Alpha Sigs are excitedly making plans for the slumber party Saturday night. The hill should really rock with fun as the new pledges come to their first ASA slumber party.

Delta Sigma Epsilon

Bid Sunday for DSE was November 23, and we gained 14 pledges. The active members and the pledges enjoyed coffee at the home of one our patronesses, Mrs. Ryon Horton, and then had a turkey dinner at Murphy's.

That evening beautiful and impressive pledging services were held in the sorority room. Little Sisters were chosen and the pledge point system was explained.

On December 2, the regular meeting was held. Three more girls were pledged. While the regular members held their meeting, the pledges elected officers. Jo Ann Prestridge, Jane Schaeffer, and Jane Gaines were elected to fill the respective officers of President, Vice-President and Secretary- Treasurer. Plans were then discussed for the annual Christmas party. The members, in their meeting, read the Pan-Hellenic rules and discussed the prospective entry of a float in the Christmas parade. LaVerne Hopper announced her engagement to Johnny Gresham by passing around the traditional box of chocolates.

A called meeting was held Wednesday night to complete plans for the Christmas float.

Congratulations to our own LaVerne Hopper who was chosen Lambda Zeta Sweetheart, and to Jane Clairborne - - -best pledge of the week.

The girls pledged by Delta Sigma Epsilon are: Betty Alice Bell, Alice Bobbit, Fay Book, Jane Clairborne, Julie Cusachs, Jane Gaines, Micky Hanson, Olive Horn, Toby Livingston, "Bill' Powell, Jo Ann Prestridge, Bettie Ann Salters, Jane Schaffer and Jane Williams.

Sigma Alpha Iota

Sigma Alpha Iota will have initiation Friday night, December 12. After the ceremonies the group has been invited to attend a buffet supper at the home of Mrs. Lillian McCook.

The SAI's have made plans for uniform dress for performances to be given in the future. Red skirts and white blouses have been chosen, the colors which signify the fraternity.

Buck Makes Second String Halfback; Six Demons Get Honorable Mention

Bob Tatum, a stellar sophomore gridster from Northwestern, was chosen offensive guard on the mythical Gulf States All-Star football team for 1952. Following him on the second team was Johnny Buck, a Demon halfback who ganered an offensive halfback berth.

Honorable mentioned for the Purple and White were A. J. Telotta, offensive and defensive guard, Joe Barkate, defensive linebacker, Roland Smith, defensive halfback, Earl Haynes, defensive end, Bill Little, offensive tackle, and Raymond McFadden, defensive halfback.

Tatum who ranked as a first string defensive guard on the 1951 All-Star team is a sophomore from Waterproof. He has constantly proven himself as a steady dependable player and has merited the respect of many opponents. He has lettered two years for the Demons and truly deserves the honor given him.

Johnny Buck, a graduating senior has lettered two years for the Purple and White. Buck has been out for most of the season, but has apparently shown enough fight to capture a second team position. In 45 attempts at lugging the leather, Johnny has gained 172 yards for an 4.05 average.

Of the honorable mentions only one is a junior, three are sophomores, and two are freshmen. Joe Barkate of Sulpher, is the junior. A. J. Telotta, Jeanenette, Earl Haynes, Springhill, and Roland Smith, Sulpher are the sophomores. Freshmen are Bill Little, of Bossier City and Raymond McFadden of Shreveport.

NSC Men Swimmers Win Practice Meet; Girl's Team Loses

The men's swimming team of NSC journeyed to Little Rock, Arkansas last Wednesday and came back sporting a 42-26 win over the Little Rock Boy's Club. The Demon tankmen won every first place in the meet with the exception of the 160 yard free style relay and the diving.

Co-Captain Myron Locky of NSC took top honors in the 120 yard individual medley in 1:20.1. Timm of LRBC was second. Mike Torrans of NSC third, and Allved of LRBC finished fourth.

In the 220 yard free style, freshman Tommy Kehoe placed first with a time of 2:25.1. Ryder was second, Vineyard and Wilson of LRBC was third and fourth respectively. The 100 yard free style found another freshman, Lyle Dillman came in first with a time of 59 seconds. Vineyard second, Cunningham of NSC third, and Wilson fourth. A short 40 yard free style was also won by Dillman in 19.8 seconds. Davis of LRBC finished second, Koonce of NSC placed third, and Vineyard fourth.

The 100 yard back stroke was won by the Demon's Cunningham in 1:11.3. Dean Clark of NSC was second, and Van Steenwyk of LRBC came in third. Locky took the 100 yard breast stroke in 1:09.2. Clark was second and Van Steenwyk was again third.

In diving, Little Rock's Wise took first place honors with Brother Humble of NSC finishing second.

The Little Rock team is coached by Jim Miller, a former student of Northwestern State.

The women's swimming team of NSC accompanied the men's team to Little Rock and took on the Little Rock girls swimming team but didn't do quite as well. NSC lost a lop-sided 43-13 match to the Arkansas girls, with Toby Livingston taking the only first place finish NSC got. She won the 60 yard individual medley.

Men's Intramurals

Sigma Tau Gamma's intramural swimming team squeeked out a victory in this year's intramural meet by one point over a stubborn bunch of boys from the Frames. Tau amassed a total of 34 points to the Frames team total of 33. Phi Kappa Nu came in third with only 13 points.

The individual events went as follows: 100 yard medley; first Sigma Tau, second Frames, third Phi Kap.

Fifty yard breast stroke: first John Battan, Sigma Tau; second Mick LeLong ,Frames, and third John Hicks, Phi Kap.

Fifty yard free style: Mick Lelong, Frames first, Marold Laronx Sigma Tau, second, and Jack Sharp, Sigma Tau, third.

Four hundred foot free style relay: Frames, first, Sigma Tau, second, and Phi Kap, third.

In diving, Sigma Tau's Laroux and Wilson took first, Mercer and Cook of Phi Kap were second, and Edwards of the Frames was third.

Northwestern Gymnasts to Perform Final Home Show

Odds and Ends

By
Billy Baker

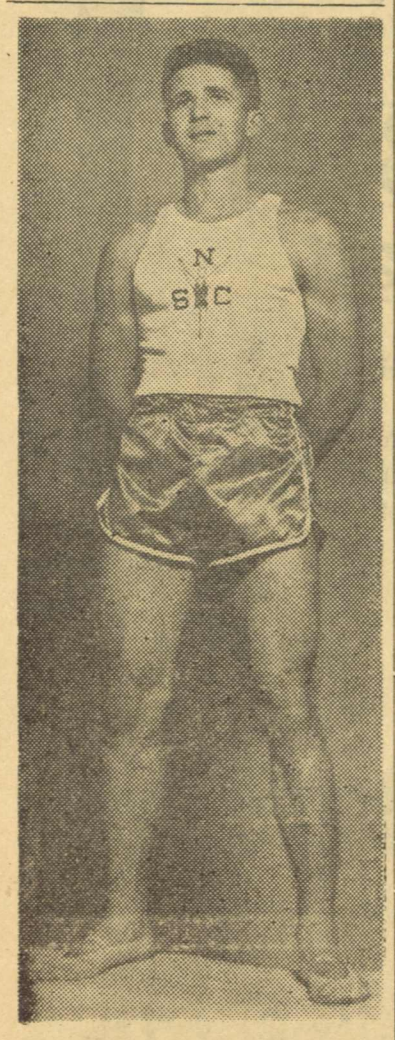

Next Thursday, Dec. 11, is a big day for the Physical Education Department of Northwestern State College. Dr. Jay W. Kistler, head of the Health and Physical Education Department of LSU, and Dr. Francis Drury, the Tiger gymnastic coach will speak to the men and women physical education majors at NSC in the dining hall at 6:00 P. M. The meeting is sponsored by the Phi Epsilon Kappa P. E. fraternity. The evenings topic will be "Opportunities and Obligations in Graduate Study."

☆ ☆ ☆

Mr. Guy W. Nesom, head of the NSC physical education dept., will be the guest speaker at the Coushatta High School football banpuet next Friday, Dec. 12.

☆ ☆ ☆

All the guest speakers, coaches, and assorted personal who will appear on the campus next Thursday will be guest of the college at the gym team's annual home show. High school students from Greenwod, La. to Port Arthur, Texas will also attend. **This is quite a production and will be well worth the time and money spent to see it. The gym team is one of the few teams at NSC that has come up with a winner every year.**

JOHN HICKS, Southwestern Senior Tumbling Champion and Southern A. A. U. Indian Club Champion, will be featured in the gym team's annual home show next Thursday night.

Coach John Piscopo's exhibition gymnastic team of Northwestern State College, now completing a full fall and early winter season of performances throughout the state, are getting ready for their annual home show. This year's performance will be presented in NSC's Fine Arts auditorium, Dec.11 at 7:30 P. M.

The skilled performers, widely heraled wherever they go, have appeared this year in Lecompte, Alexandria, Opelousas, Lake Charles, Vinton, New Orleans, and Bastrop.

Captained by Harold Laroux of Zwolle, La., the squad is once again featuring its popular "Men in Bronze" routine. It was absent from the show last year, but has proved a favorite with audiences since 1948.

This show has all the earmarks of a professional performance and contains routines on the parallel bars, tumbling acts, trampoline, and still ring performances. The amazing balancing acts and the mischievious clowns have also thrilled audiences wherever they have appeared.

A special feature of this years show's is the college dance band, the Demonaires,, who furnishes the music for the program. The band is directed by Hardy Rose and, according to Coach Piscopo, is "a show in themselves."

During the remainder of the year the NSC gymnasts will enter competitive meets. In 1951, the team won the Southwestern A. A. U. Senior Team title. They have won the Southern A. A. U. senior championship for the past three years.

Tickets are now on sale at the college book store at the following prices: Students 35 cents, Adults 65 cents. At the door student tickets will be 50 cents and adult tickets 65 cents.

28 Demon Gridsters Letter In Football

The 1952 list of the Northwestern State College football lettermen was released earlier this week.. There are 28 gridsters who have won the coveted "N" this season for their playing on the football team. Another letter was awarded to Tom George, the team manager.

Those 28 who made the grade are: Roland Smith, M. D. Ray, Jack Cobb, Ted Simon, James Turner, Leon Fuller, Earl Haynes, Allan Langridge, Bernie Duff, Bob Tatum, Stanley Knotts, Elmo Martin, Joe Barkate, Jerry Epperson, Jack Bice, Dan Carr, Raymond McFad den, Jim Brunning, Johnny Buck, George Perkins, Dudley Downing, Clyde Chesson, Darrell Wiggins, Bill Little, A. J. Telotta, Johnny Haynes, Wade Bass, and Jackie Simpson.

WATCH 'EM

Clowns Henry Walton and Jerry Noto when they sent the crowd into gales of laughter, December 11, with their crazy antics on the Parallel Bars.

Fencing Is Added To Phys. Ed. Program At NSC

The ancient and royal art of fencing has been added to the physical education program at Northwestern State College. Fencing is now offered on an extra-curricular basis for students and staff members. Mr. G. F. Kenner will serve as coach.

An organizational meeting for all those persons interested has been set for Wednesday, December 10, at 7:00 p. m. in the men's gymnasium.

French foils and Italian sabers have been secured, and other general protective equipment, including masks, body protectors and gloves, has been purchased and are ready for use.

Mr. Kenner, a staff member of the Art Department should prove very capable as fencing coach as he has had a very rich background in it . He served as a member of the University of Utah's Fencing team in 1938-40. He was Utah's Open Foil . Champion in 1939-40, and he won the Pacific Coast Intercollegiate Epee (dueling sword) championship in 1940.

Kenner won three letters as a member of the University of Chicago Team in 1948-50, which team was undefeated in the Midwestern College Conference in seven years, including the years he was a member of the University of Chicago team. He studied at Chicago with Alvar B. Hermanson, coach of the 1940 Olympic Team.

Campus capers call for Coke

When grades are posted, get hold of yourself—maybe the news is good. Anyway, there'll always be problems ahead, so start now and face them refreshed. Have a Coke.

Demon Basketeers Humble Northeast Indians With 91-51 Win

Davis Gets 22 Points to Pace NSC; Second Win of the Season Posted

A rampaging Demon basketball quintet, led by "fireball" George Davis, racked the nets with uncanny consistency last night in the Purple and White gymnasium to humble the Northeast State Indians 91-51. The victory was the second of the current season. Previously in the week, the NSC crew dumped Lamar Tech 61-48.

In Tuesday night's initial win, the Demons avenged an earlier defeat slipped over them by Lamar Tech, November 29. The Thomasmen were edged 64-60 in a thriller at Beaumont. But the Natchitoches boys, paced by freshmen George McConathy and smoothy Ken Shaw made sure this feat was not to be repeated on home grounds. They captured an early lead and did not stop increasing it until the tilt was secured.

The contest last night saw the Northeast Indians jump into the lead in the opening minutes. They kept their slim margin for five and a half minutes until George Davis tied the game at 9-9 with a set shot and a charity toss. From here on out, the Demons gradually eased their way to the advantage point held at the sounding whistle, 40 points. It was mostly Davis in this period as he countered 9 of the 22 points which the Demons held at the start of the second quarter. First quarter score: NSC 22-Northeast State 12.

Starting the second period for the Purple and White was an entire new team. Substituting for the starting line-up of George Davis, Ken Shaw, Jim Yergler, George McConathy and Bill Collingsworth, were Buddy Thomas, Waple Lilley, Bill Collins, Tynes Hilderbrand, and Murriel Walker. This fresh quintet continued the pace set in the first canto by the Demons as Buddy Thomas ignited the Northwesterners with two quick tip-ins in the opening minutes of the second quarter. Northwestern led at the intermission by a 40-28 score.

After the half the Demons began to pull way out in front. It was once again the sparkling Davis on the move aided by George McConathy, that hit the rims steadily. Davis hit for ten points while "Mac" rallied seven. The end of the third quarter had the score reading 65 for Northwestern and 45 for Northeast State.

It was all NSC and Buddy Thomas in the remaining period. For a full eight minutes, the visitors from Monroe were unable to muster anything outside of one free throw contributed by Robinson. While Thomas and Sammy Booras were running wild, hitting from all over, the Indians seemed to forget the basket was part of the game. With two minutes and 24 seconds left in the contest, Coach Thomas sent in a complete new working outfit, mostly freshmen and inexperienced players. The final score was registered at NSC 91—Northeast 51.

While the score indicated a Demon romp, it cannot be denied that the Indians from Monroe were a neat passing team. They have the teamwork and if they would have had the plays and the "shooting'" eye, the fracas would have been much closer.

SPOT-LIGHTS . . . . The Demon cheering section led by "Ed" and "Massey," seemed to get quite a response from the fans. Their cheers were new and their approach different . . . Congratulation to Shelby Brooks and Pedro Velez for their fine intermission show they put on for the fans . . . freshman Wilson sure did rack up in one column last night . . . he averaged about one foul a minute. . . . and he did get that shot toward the end of the game . . . . another freshman also made his debut . . . his second attempt at it . . . . he sort of stole the show both times . . . his jersey number didn't show (?) Tuesday night . . . but a big number 11 was seen sliding on the floor in yesterday's encounter . . . could be that the floor was slippery . . . the way the bodies were flying . . . . what about

Watch 'Em In the Home Show

. . . The outstanding pyramid act formed by Pedro Velez, Robert Sanders, Harold Laroux, Shelby Brooks, and Coach John Piscopo.

. . . A very good performance of hand control featuring Ben Duhon, Robert Sanders, Shelby Brooks, Pedro Velez, and Coach Piscopo.

. . . The group pyramids, in which a "V" pyramid is made, and then a High pyramid by gymasts Mercer, Barber, Dickerson, Willis, Hicks, Walton, Laroux, Brooks, Sanders, Velez, Duhon, Noto, Duke and Sharp.

. . . Parallel Bar exercises featuring Laroux, Sanders, Piscopo, Velez, and Brooks. This act should particularly hold the audience breathless as they watch the men balance on the high bars.

. . . Performance in the dark with luminous bowling pins twirling in the hands of Langridge, Barber, Laroux, Hicks, James, Mercer, and Sharp.

. . . The crazy antics of clowns Henry Walton and Jerry Noto as they send the crowds into gales of laughter with their "clowning."

. . . Feature performers Walton, Mercer, Sharp, and Hicks winning applause as they bounce up and down, dive, and turn summersaults in the air from the Trampoline.

. . . The steel ring act of Hicks, Brooks, Velez and Laroux.

. . . Mat Clowning by the Acro-Maniacs Noto and Laroux.

. . . Tumbling done by the Rhythamatomic Tumblers Willis, Mercer, Duke, Batten, Laroux, Noto, Sharp, Duhon and Hicks.

. . . Tiger leaping by Dickerson,

. . . The music accompaniment by the Demonaires, conducted by Hardy Rose.

that "Ike" . . . how many coats of wax did you apply?????

Demon Basketball Schedule

* Sat. Jan. 31 Centenary.
* Thurs. Feb. 5 Louisiana College.
* Sat. Feb. 14 Southwestern.
* Monday Feb. 16 Spring Hill.
* Tues. Feb. 24 La. Tech.
* Conference Games.

King's Korner

By "RED" KING

The Demon basketeers will really be climbing into the big time this week when they journey into Texas to test their skill against two top notch fives, Texas A&M, and Sam Houston next Friday and Saturday nights.

Northwestern, Centenary, and La. Tech have been trying to schedule games with Southwest and Southeast Conference teams for quite a few years, but until now with no avail. If Northwestern can show promise against A&M Friday it is possible that next season we can see some of the leading teams of the South in action in our own gym. At least we hope so.

Coach John Floyd's Texas Aggies are by no means one of the weaker teams of their conference. In 1951, Coach Floyd's first season at the school, they captured the Southwest Conference championship and are expected to finish high in the standings again this year.

This will not be the first time Coach Thomas and Coach Floyd have had mutual interest on the same basketball court. In 1944, both coaches played service ball together for Norfolk Naval Training Station, which was voted the No. 1 team in the nation that year. Among Norfolk's victims that year were Ohio State, NCAA champion that season, and Long Island University who they downed in a close encounter in Madison Square Garden.

Floyd, after getting out of the Navy, coached at Oklahoma A&M undre Coach Henry Iba; and held that position until becoming head basketball coach at Texas A&M

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—cleaner, fresher, smoother taste . . . Be Happy—Go Lucky!

Luckies always pass the test;
They always make the grade—
They're cleaner, smoother than the rest
Because they're better made!

David M. Burns
Princeton University

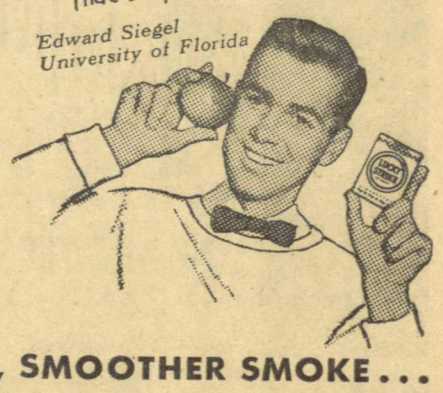

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

Be Happy-GO LUCKY!

PRODUCT OF The American Tobacco Company AMERICA'S LEADING MANUFACTURER OF CIGARETTES

"THE WONDER HAT," a fantasy in one act, was presented by the play production class of Northwestern last Tuesday night in the private dining room of the Student Center. The play was under the direction of Dr. Edna West. Characters appearing in the above picture are Louis Smith, Winnie Ruth Hudson, Jackie Funderburk, and Jack Sharp.

Alpha Beta Alpha Sponsors State Meet Of Teen-Age Librarians

Alpha Chapter of Alpha Beta Alpha is sponsoring a meeting of the state and divisional officers of the Louisiana Teen-Age Librarians to be held today on the campus of Northwestern State College.

Registration and the first business meeting will be held in the little auditorium of the business building on the campus. An informal luncheon will be served in theh private dining room of the student center.

Plans for the day indicate that the success of the convention will be most beneficial to all parties concerned.

Annual AWS 'Christmas at Home' In Varnado Hall Sunday Afternoon

'Twas the week before Christmas,
And all through the dorms,
All the kids were homesick
At old Louisiana State Norm.

Thus was the condition years ago as the Christmas spirit ran high and the students' spirits drooped low. Since this was an undesirable condition, the wheels of the college began clicking. The idea of Christmas at Home was formulated, and through the years has become part of the established pagentry and festival of Christmas at NSC.

One of the phases of Christmas at Home is the dressing of dolls.

Dolls will represent various pictorial Christmas scenes at the annual Christmas at Home program held in Varnado Hall, Sunday Afternoon, December 7, to entertain students, faculty members, and townspeople.

Separate arrangements by the dormitories and different organizations will be displayed in the reception hall of the large dormitory to attract the guests during the afternoon and evening.

The dolls will be turned over to the local welfare office following the event, for distribution among the underprivileged children of the city.

Thus the college will observe another of its traditions, and the years will roll on, and someday perhaps students of NSC will wonder how the kids back in 1952 observed Christmas.

Miss Estelle Slater Teaches Study Course To NSC Baptists

Forty-four BSU'ers, along with director Myra Gulledge, and Mr. and Mrs. I. E. Ward retreated to the Ward's camp on Saline Lake Saturday, November 22 to hear Miss Estelle Slater, Associate southwide Baptist Union Director, as she taught a study course on "BSU Methods."

The group left the campus at 2:30 Saturday afternoon aboard Chester Martin's school bus, and after a short recreational period at the camp, Miss Slater began teaching the study course.

A short recess was enjoyed by the group before super was served. The group returned to the campus about 10:00 that night.

Industrial Arts Trip

The Industrial Arts Club of Northwestern will journey to Shreveport December 8 to visit several industrial plants. In charge of the group will be Dr. W. J. Robinson, head of the industrial arts department.

More than 500 acres of land was stocked with pine this year in Louisiana by sowing from an airplane.

Northwest Debaters At East Central Meet In Ada, Oklahoma

The Northwestern debate squad left Wednesday morning at 10 o'clock for the East Central Forensic Meet at East Central State College, Ada, Oklahoma. Five debaters and Mr. Donald Graham, the coach, attended. The debaters are Pat Hankins, Anne Torrans, David Kendrick, Bobby Hamm, and Bill Erwin.

They will compete in debate, both affirmative and negative sides extemp impromptu discussion book review serious and humerous interpretation, oratory, story telling, poetry reading, and radio speaking. The team will return to NSC tomorrow.

Letters or comments from the students concerning any subject are always welcome. All letters must be signed, but names can be withheld upon request.

THEY SATISFY—AND HOW!

"I always smoked Chesterfields in college just like my friends" says New York secretary, Elizabeth Lydon, "and here in New York it seems like almost everyone smokes them."

Elizabeth Lydon DUKE '51

AND NOW—CHESTERFIELD FIRST TO GIVE YOU SCIENTIFIC FACTS IN SUPPORT OF SMOKING

A responsible consulting organization reports a study by a competent medical specialist and staff on the effects of smoking Chesterfields. For six months a group of men and women smoked only Chesterfield—10 to 40 a day—their normal amount. 45 percent of the group have smoked Chesterfields from one to thirty years for an average of ten years each.

At the beginning and end of the six-months, each smoker was given a thorough examination including X-rays, and covering the sinuses, nose, ears and throat. After these examinations, the medical specialist stated . . .

"It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

Remember this report and buy Chesterfields . . . regular or king-size.

Northwestern Debaters Win Honors At Ada Meet

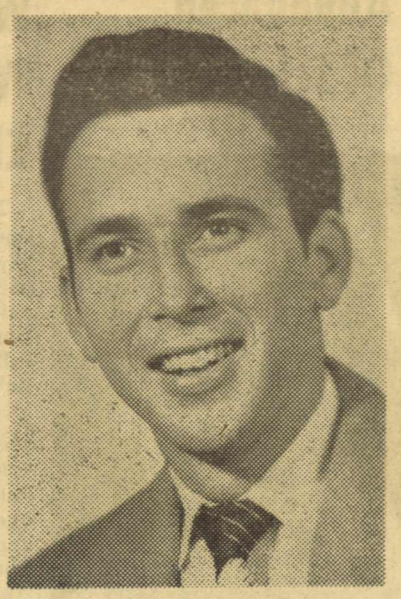

ANNE TORRANS

PATRICIA HANKINS

BOBBY HAMM

DAVID KENDRICK

The Northwestern debate squad proved itself man-for-man the best at the East Central Forensic meet at Ada, Oklahoma last Thursday, Friday and Saturday, losing the tournament sweepstakes by sheer weight of numbers.

In the Senior Women's division, Pat Hankins and Anne Torrans collected 59 points as compared to the winners, Southwestern Missouri, with 119 points gained by seven girls. Pat Hankins won first place in interpretation of dramatic literature, third in story telling, and reached the finals in radio speaking. Anne Torrans won first in extem, third in impromptu, and an excellent rating in discussion. The two girls, as a team, won three out of six debates.

In the Senior Men's division, Bill Erwin won three second places, in radio speaking, dramatic reading, and unprepared poetry. Bobby Hamm got to the finals in poetry reading, extemp, and story telling. David Kendrick and Bobby Hamm won two out of six debates. All together, the three boys got 52 points as compared with 154 points gathered by Southwestern Missouri with seven boys in the division.

NSC collected enough points in the Senior Women's division to rank fourth in a total of 22 colleges. This total placed NSC well ahead of both Louisiana College and Louisiana Tech, the only other colleges from Louisiana entered in the tournament.

This Friday and Saturday, the NSC squad will be competing in an elimination tournament in Jackson, Mississippi. Two debate teams will be entered: Bobby Hamm and David Kendrick in the men's division; and Pat Hankins and Anne Torrans in the women's divsion. There are two individual events: oratory and extemporaneous speaking. These will be entered by Anne Torrans and Dave Kendrick, and Anne Torrans and Bobby Hamm, respectively.

VOL. XXXIX—No. 12. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, DECEMBER 13, 1952

College Singers Present Annual Christmas Service

Northwestern State college's annual Candle Light Service, presented by Don Glattly and his College Singers, will be held Sunday, Dec. 14 at 3:15 p. m. in the NSC's Fine Arts auditorium.

Recognized as one of the best choral groups in the South, the College Singers of Northwestern recently sang at the Christmas Festival opening here at Natchitoches. After the service Sunday, the group will cooperate in the big Christmas musicale, "The Messiah," scheduled for Dec. 17 at the college. Next summer the songsters will be guests of the National Elks Convention in St. Louis, where thy will present a choral program.

For the carol service Sunday, the following students will be soloists: Gervais Aldredge, Mary Ann, Cronin; Virgie Jones; Virgie McGuffee; Dolores Taylor(Many high school senior); Jimmye Wall; Donald Fuller; John Jordan; Bennie Ray, and J. S. Westbrook.

Social Science Dept. Sponsors Tour For Geology Students

The social science department of Northwestern sponsored a tour to the Waterways Experiment Station at Vicksburg, Mississippi, Friday, December 5. The tour was made by the geology students who were accompanied by agriculture, forestry and geography majors. The group made the tour in one day on the college bus driven by "Red" Hammett, and chaperoned by Geo. A. Stokes, assistant professor of geography and geology.

With Mrs. Lois C. Meek, engineer of the station, as guide, the group visited the hydraulics and the soils division of the station.

The group returned to the campus Friday night and reported that the trip was very interesting and worthwhile.

NOTICE

All Seniors who wish to make additions to their list of achievements for the 1953 Potpourri, please leave a list of these additions at the Potpourri office in the Fine Arts building before Tuesday, Dec. 16.

Home Ec. Professor Attends Meet In Boston Recently

Mrs. Ruby Dunckelman, head of the home economics department of Northwestern State college, has just returned from the annual American Vocational Association convention recently held in Boston.

Approximately 3000 educators and leaders in vocational education attended the convention.

"Call to Greatness" was the general theme of the conference. Outstanding speakers on the program of the general sessions were: Earl J. McGrath, U. S. commissioner of education, Roger M. Kyes, vice president of General Motors, Arch N. Booth, executive vice president, U. S. Chamber of Commerce, and Maurice J. Tobin, secretary of labor, U. S. department of labor.

Council Members Are Entertained

On Wednesday, December 3, 1952, the Student Council were the guests of Mr. and Mrs. Dudley G. Fulton at a duck gumbo supper. Mr. Fulton had killed the ducks during the holidays, and Mrs. Fulton prepared the delicious meal which consisted of duck gumbo, combination salad, garlic bread, coffee, and after dinner mints.

The members of the Council attending were: Leland Langridge, Ronald Quinn, Robert Miller, Mary Louise Murphy, John Manning, and Ben Singletary.

Yearbook Judge

According to a recent letter from Miss Mary Ann Corley, of Coushatta high school, Leland Langridge, Ronald Quinn and Lowell Starnes have been chosen to select the beauties for the "Choctaw," high school yearbook, Jan. 14, 1953.

Shreveport Nurses Hold Winter Formal

The American Legion club ballroom was the scene of a winter formal on Friday evening, November 21, for the Northwestern nurses of the Shreveport division.

Glass enclosed and overlooking Cross Lake, the ballroom made a lovely setting for the dance. Decorations were carried out in a scheme of blue and white with multi-colored balloons hanging in clusters around the room. Each table was covered in white with the faculty table having a centerpiece of balloons over a large blue ribbon. The theme was carried further to the refreshment tables where punch and cakes were served throughout the evening.

Interns from Charity Hospital of Shreveport and selected airmen made up the stag list.

52 Candidates For Degrees This Fall

Fifty-two Northwestern State college seniors are candidates for baccalaureate degrees and 37 for three year diplomas in nursing at NSC's mid-year commencement exercises, Jan. 22, Registrar Otis R. Crew announced today.

The bachelor of arts degree will be conferred on 18 students and 33 will receive the bachelor of science degree, and one will get the bachelor of science degree in nursing. The school of education has 36 candidates, the school of applied arts and sciences had 11, and the school of arts and sciences has five.

Candidates for degrees and nursing diplomas follow:

Bachelor of Arts

James R. Barnes, Provencal; James T. Bonsall, Saline; Hercanus Bullock, Calvin; Vida Campbell, Cotton Valley; Mary Collins, Natchitoches; Ben Duhon, Baton Rouge; Bobbie Goree, Natchitoches; LaVerne Hopper, Ringgold; Mrs. Willie Mae Horton, Bossier City; Juanita Jackson, Natchitoches; Maxine Leckhand, Trout; Pauline Lindsley, Boyce; Carl E. Rachal, Alexandria; Mattie Beth Richardson, Colfax; Janis Shuler, Robeline; R. D. Skains, Jr., Winnfield; Clarice Marie Tilleux, Shreveport, and Olian Warner, Winnfield.

Bachelor of Science

Isaac Abraham, Mansfield; David P. Adams, Jr., Plain Dealing; Harry Anderson, Jr., Tallulah; Joanne C. Barkdull, New Orleans; Clydie Mae Beacham, Blanchard; Dale Bernard, Iota; Joseph Branch, Campti; John C. Buck, Kinder; Arthur Chauvin, Ferriday; Raymond Conlin, Natchitoches; Charles E. Etrell, Jr., Port Sulphur; Natalie B. Faith, Campti; Don Fontenot, Ville Platte; Leon Fuller, Waverly; William C. Groves, Natchitoches; Fred H. Helton, Grayson; Cheri Ann Holliday, Robeline; Hilrey Holman, Campti; Wilma Dean Jolley, Natchitoches; Larry W. Jones, Coushatta; Thomas J. Latham, Ferriday; Melvin E. Luse, Natchitoches.

John W. Motter, Alexandria; Don B. Odum, Mansfield; Lloyd Richardson, Clarence Royston and Mrs. Betty Russell, Natchitoches; Edgar Stephens, McNair, Miss.; Harold J. Swilley, Winnfield; Lorraine Vaughn, DeRidder; Edwin Watkins, Haynesville; Tom W. Weaver, Chestnut, and James E. Williams, Anacoco.

Bachelor of Science in Nursing

June Ann Gissler, Shreveport.

Three-Year Nursing Diploma

Millicent Arnold, Logansport; Ameralis Faye Bailey, DeRidder; Orlean M. Beckett, Bossier City; Mary Bedgood, Shreveport; Anita Sue Bishop, Minden; Merlene W. Bond, Lafayette; Violet L. Brabham, Oakdale; Virginia Britt, Pineville; Ruth Brossette, Lena; Charlotte Combs, Natchitoches; Betty Jean Currie, Shreveport; Evelyn Lorraine Dawson, Baton Rouge; Wanda Dortch, Rodessa; Ernestine Emmett, New Orleans; Loretta Falcon, Rayne; Henrietta Mae Frank, Kolin; Ina Faith Gragg, Lake Charles; Mary Ann Hatfield, Homer; Mrs. Eleanor T. Hawkins, Winnfield; Margie Lee Hoffpauir, Rayne; Mary E. Worthington Jones, Shreveport; Rita Evone Key, Effie.

Barbara Sue Love, Shreveport; Mary McKeithan, Dunn; Barbara Jean O'Brien, Opelousas; Gertrude Owens, Len Station; Wanda Nell Puckett, Pittsburg, Texas; Mildred Rambin, Shreveport; Hazel Ruth Scalfano, Alexandria; Mrs. Faye Thiels, Alexandria; Marilyn Schuler, Shreveport; Vernetta B. Trice, Shreveport; Janice Tucker, Alexandria; Maxine B. Whittington, Donna Edna Wilson, Jonesville, Mary Frances Woodruff, and Maxine B. Whittington, Shreveport.

Potpourri Ball In Student Center Tonight

Climaxing the Christmas activities here at Northwestern will be the annual Potpourri Ball which will be held in the Student Center tonight from 8-12. The music for the holiday formal will be furnished by the Demonaires, college dance band, and there will be no admission charge.

The highlight of the annual affair will be the presentation of the 1953 Miss Potpourri and her court. They are all chosen by the yearbook editor and staff on the basis of outstanding service to the college.

No one will know the identity of Miss Potpourri until tonight, when she will reign over the ball.

Demon Upset

Northtwestern State college upset the highly-favored Texas A & M squad last night in College Station, Texas, 58-53. The win was a team victory, as is indicative in the Demon scoring. The scoring was distributed equally with Sammy Booras being high with 12 points.

Biology Frat Holds Initiation On December 4

Beta Beta Beta, national honorary biology fraternity, held its first initiation for the scholastic year in the Science building on Thursday, December 4, at 6:30 p. m. Jackson Beebe, Gay New, Martha Middleton, Dorothy Canafax, and Gloria Schumacher fulfilled the requirements for membership and were initiated. Four other students, lacking a sufficient number of hours in biology for full membership were initiated as provisional members. These were Jo Hubley, Betty Salters, and Charlotte Foster. Charles Wood and Raymond Collier were pledged as provisional members.

Membership in the fraternity requires a major in the biology curriculum or a special interest in the field of biology; a grade average superior to that of the general student body; and a recommendation by the faculty members of the biology department.

The fraternity began the activities this year with the construction of a float for the Homecoming parade. The float, "Demon Di-no-sur," was designed by Clayton Schmidtt and was under construction for two weeks prior to the parade. "Dinny" won first prize of $100. The float was not entered in the Christmas festival parade as was planned, because of damages suffered at the hands of vandals.

A Christmas party has been planned in honor of the new members. It will be held Thursday night, December 18, in place of the regular meeting.

Student Center Workers Entertained Wednesday With Christmas Party

The annual Christmas party for the employees, student workers, their husbands, children, and dates of the student center cafe, was held last Wednesday evening in the private dining room. Cracker and balloon blowing contests, an ice cream eating contest, and the singing of Christmas carols were among the favorite events of the evening. One of the highlights of the evening was the singing of "Rudolph the Red Nose Reindeer" by seven year old Judy Kay Austin, daughter of Mr. and Mrs. Lonnie Austin.

Mrs. Harriet Yancey, cafe director, presented her students with Avon products and in turn was presented three surprise presents from the students and employees. Everyone agreed that Mrs. Yancey is the best director the cafe has ever had.

Refreshments of hot apple cider, cookies, pecan pralines and andwiches were served.

LIBRARY

Fellowship Programs Announced By National Academy Of Sciences

The National Academy of Sciences — National Research Council has announced several large national fellowship programs for the academic year 1953-54. Fellowship programs now offered are sponsored by the National Science Foundation, Merck and Company, Inc., the Lilly Research Laboratories,, the Radio Corporation of America, the Rockefeller Foundation, the National Tuberculosis Association, the James Picker Foundation and the American Cancer Society.

Applications for fellowships are evaluated by boards appointed by the National Research Council. Fellowships are offered in the agricultural, biological, engineering, mathematical, medical and physical sciences at both the predoctoral postdoctoral levels. No fellowships covered in these announcements are awarded to individuals who wish to prepare themselves for the clinical practice of medicine or dentistry. However, applicants will be accepted from medical or dental students or holders of the M.D. or D.D.S. degrees who wish to prepare themselves for careers in medical or dental research.

The large national program of pre doctoral fellowships sponsored by the National Science Foundation will be continued. Predoctoral fellowships in electronics are also administered by the National Research Council and are available to students who have completed one year of graduate training.

Most of these fellowships are open only to citizens of the United States who have completed all academic requirements for the Ph.D., Sc.D,, or M.D. degrees. The James P. Picker Fellowships in Radiological Research are not limited to citizens of the United States but the applicants must have the M.D. or Ph.D. degree. Fellowships in all the natural sciences and inter-allied fields are open and study may be pursued in any institution of advanced training in the United States or abroad approved by the Fellowship Boards. Appointments are for one year with basic stipends from $3,000 to $3,400 with additional allowance for dependents and travel.

This year for the first time, Senior Fellowships only are offered by Merck and Company, Inc., and are open to applicants who have completed advanced training equivalent to that represented by the Ph.D degree and have at least three years postdoctoral professional experience in the major field, only one of which may have been fellowship work.

Applicants for the National Science Foundation postdoctoral awards must be received in the Fellowship office on or before Jan. 5, 1953. For all other postdoctoral fellowships, applications must be postmarked not later than Dec. 10, 1952.

Information and application blanks may be secured for any of the programs by writing to the Fellowship Office, National Research Council, 2101 Constitution Avenue, N.W., Washington 25, D. C.

MISS JUDY SOBERT

Miss Judy Sobert Elected Vice Pres. Of La. Nurses Assn.

The Student Government of the Shreveport divsion of student nurses is very proud of the election of one of its members to an office in the Louisiana Association of Student Nurses. Judy Sobert was elected to the vice presidency of the state association when the convention was held in Alexandria, from November 10-13. The group met at the same time that the Louisiana State Nurses' Association and Louisiana League of Nursing met.

Also attending the convention were Miss Beverly Andre, Miss Annie Mae Green, Louise Burns, Dorothy Dee Barmore, Ann Jones, Lucky Lawton, and Claire Parsons.

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

Wesley Foundation Will Sponsor Christmas Party

The Wesley Foundation is sponsoring a Christmas carol party Sunday night at eight o'clock. The party will begin at the First Methodist church and the group will sing on the streets toward the college. The party will end at the Religious Center, where refreshments will be served.

Monday evening from 5:30 to 7:30, the Wesley Foundation is holding its annual Christmas banquet. The banquet is semi-formal, and will be held in the Wesley Foundation's room. "Christmas Angel Banquet" is the name of the banquet, the decorations and story being suggested by the story the "Littlest Angel."

Toastmaster of the banquet will be Dean Clark. Co-chairmen of the banquet are Susie Mathis and Janice Andress. The food is to be prepared by the women of the First Methodist church and tickets to cover the cost of the food will be 50c. The tickets may be purchased any time before Monday noon in the Wesley Foundation's office.

Sigma Tau Gamma

Saturday, December 6, at 9:00 P. M., the Sigma Tau Gamma fraternity held its annual White Rose Ball and dinner in the student center building of Northwestern State College. Sigma Tau is the only national social men's fraternity on the campus. The large hall was decorated to represent a rose garden with a series of fences and arbors entangled with white roses. In the center of the floor was a large ball covered with mirrors. With the aid of two blue spotlights shining on the revolving ball, lighting for the room was furnished.

The event began with the serving of dinner, which included; Chicken-a-la king, green peas, a pear salad, fruit cake and punch. Immediately following the dinner the guests were introduced. They were Dr. Gillard, Dean of Women; Colonel and Mrs. James Bowman, Col. Bowman is the PMS&T here at NSC; Mrs. Pearle David, lately Dean of Women and now house mother in Corondelet Hall; and Mrs. Rita Kendrix who is in charge of the student center. There were also representatives from other fraternities and sororities, various alumin members and other guests.

Jack Sharp serving as Master of Ceremonies, presented the floor show. This was composed of a 1920 nightclub dance routine by a group of girls froSigma Sigma sorority, and another dance routine by two guests from Shreveport.

Right after the program dance, the Swetheart of the frat for this year was called forward. She is Mis Billie Jean Lambright of Pitkin, La. She was presented a beautiful bouquet of white roses, the White Rose being the flower of the fraternity. Bouquets of red roses were presented to girls who have been pinned by members of Sigma Tau also.

The dance was a hpge success due largely to the leadership if Mr. and Mrs. Robert Easely. Mr. Easely is the faculty sponsor of Sigma Tau Gamma.

Delta Sigma Epsilon

The regular meeting of Delta Sigma Epsilon was held last Tuesday night in the sorority room. The Pan-hellinic Constitution was read and discussed. Plans were made to go Christmas caroling next week.

The Delta Sigs entered a float "Toast to Christmas" in the annual Natchitoches Christmas parade. Pledges Toby Livingston, Jane Williams, Bill Powell, Olive Horn, Bettie Ann Salters, Jane Gaines, Betty Alice Bell, Jane Schaffer, and Jane Claiborne rode on the float.

Congratulations this week go to: Martha Ann Leach who was recently initiated into Pi Omega Pi, honorary busines fraternity; Fon Elliott who was elected to represent Pi Omega Pi at the national Convention in Chicago; Peppy Marmande who will represent the Natchitoches Rotary Club for a scholarship to France; Betty Alice Bell who was best pledge of the week; and Essie Gabbert, one of alums, and John L. Masingill, who are to be married December 27 in Alexandria.

☆ ☆ ☆

Phi Kappa Nu

Eighteen boys were pledged into Phi Kappa Nu, social fraternity, at ceremonies which were held in Caldwell Hall this past week.

Those who were pledged are Harry Moore, Osborn Blake, Buddy Shaw, John Manning, Gene Porter, Homer Thomas, Charles Whitaker, John Wheat, Jack McCain, Garland Lawrence, George Bailey, Alvin DeBlieux, Jack Ensmienger, Carol Adkins, John Fredericks, Robert Shiver, Bill Wood, and Mac Landry. The Phi Kaps are very proud of such a fine roup of boys.

The fraternity has planned to hold its Christmas party Tuesday, December 16 in the frat room.

Congratulations to Leland Langridge who is getting married to Jeanette Dowden on December 28.

For more society news see page 5

Alpha Sigma Alpha

The ASA's are all very happy to have two more pledges, Ann Mathis and Kathleen Simmons, who were pledged last Tuesday by a lovely candlelight ceremony in the ASA house.

We have been treated twice this last week by the traditional box of candy. Saturday night at our slumber party, Mildred Young brought a delicious box of homemade candy, announcing that she and Ed Jordan are pinned. Then on Tuesday, Bernice Dale Blankenship announced that she is engaged to Buddy Hyde; and presented us with another box of candy. Congratulations go to both girls.

The slumber party last Saturday night was packed with fun for the girls, who finally turned in at four o'clock Sunday morning. We were entertained by our new pledges, and we have to admit that they are the best yet.

The members are eagerly awaiting the annual Christmas party that is to be given them by the pledges on Thursday night. After the party, the Alpha Sig's plan to go Christmas caroling.

Everyone had a wonderful time at the informal party Friday night. The guests and members were entertained by dancing and informal games.

We are all eagerly looking forward to the new addition to the house, a new phonograph.. Instead of giving the house individual gifts this Christmas, the girls are buying a phongraph.

☆ ☆ ☆

Lambda Zeta Fraternity

The past few weeks have been busy one for the Zetas.

The twenty-second of November was one of the biggest days on the college calendar for the men of Lambda Zeta. For it was the date on which they named their new Sweetheart at their fall formal. The lounge of the Student Center was decorated in the fraternity's colors, green and white, along with symbols traditional to the Zeta Room. The members, pledges, and rushees, and their dates were shown to their tables by white jacketed, colored waiters. On the tables were mock champagne buckets holding bottles of ginger ale, along with candle holders, white bases and green Greek letters on top, with the candle rising between them. Refreshments were served by the waiters.

Music was furnished by the Sernaders, their original style fitting the night club style of the dance. Mr. John Odom, master of ceremonies, introduced Miss Sue Plummer who sang "My Hero" and then as an encore, "With a Song in My Heart." Miss LaVerne Hopper was then presented as Sweetheart of Lambda Zeta by prexy James Gresham. The Sweetheart song was sung by the members and pledges. The favors were then given to the dates of rushees, members and pledges. The dancing was continued, thus bringing to a close another Zeta Room.

Wedding bells rang for brother Ben Duhon and Miss Frances Alfacen Sunday, the 30th of November in Baton Rouge. Zeta sends its best wishes to the couple.

Our new Sweetheart and our President have announced their engagement. Although they have been pinned since this summer they have just set the date. Congratulations Jimmy and LaVerne. Also we congratulate LaVerne on being chosen a Potpourri beauty.

At the Natchitoches Christmas Festival, the Zetas sold sandwiches and soft drinks in cooperation with the Natchitoches Homemakers Club.

☆ ☆ ☆

Sigma Tau Gamma

Sigma Tau Gamma held a formal pledging ceremony for the following boys: J. B. Fuller, Dean Dowden, Jerry Smith, Skip Converse, Robert Sylvest, David Carson, Fred Packard, Billy Plumb, Richard Smith, Peddler Edwards, Tex Burts, Jerry Noto, Shelby Brooks, Joe Barber, Owen Phillips, Jim Bruning, Stanley Knotts, Bobby Wilson, Vernon Crinkovitch, and Doc Bankston.

The pledges elected the following officers: Shelby Brooks, president; Johnny Dickerson, vice-president; Charles Alford, Secretary; and Jack Simpson, sargeant at arms.

The Sigma Tau Gamma National Conclave will be held in Indianapolis, Indiana, on Dec. 28. Robert Miller will represent Nu Chapter at the convention and will be membersaccompanied by several e accompanied by several of the other members.

Pi Kappa Sigma

The Pi Kappa Sigma pledges met Monday night after pledging ceremony and elected their officers for this year. The officers are Gene Jensen, president; Bobbie Patterson, vice president; Lora Faye Kemper, secretary-treasurer; and Beebe Joy Gallender, social chairman.

Tuesday night the actives and pledges, along with Miss Yvonne Phillips, met together for their annual "Professional Meeting." Louise Vick and Patsy Winkler did a marvelous job on preparations. The house seemed alive with the Christmas spirit. Bits of holly and red berries and pine cones could be seen at different points throughout the house. The front door held a wheath of holly cradling a large candy striped walking stick from which extended traditional Christmas bells. As the guests entered, Kathleen Ray showed them to their seats.

The central decor of the serving table was a large molded candle with many little colored balls placed on it. Patsy Winkler presided at the silver service while Louise Vick extended the courtesies.

Mr. Grant Kenner of the art department was the guest speaker. His various slides on modern art and his very interesting information on the evolution of the Modern Art School was most educational. Mr. Kenner helped the group locate themes of modern art pieces which he showed.

Other guests included Dr. Kathleen Gillard, Mrs. Grant Kenner, and Miss Ruth Bruner.

On Thursday the pledges met and made final plans for the Christmas party to be given to the actives on Thursday of next week.

Sigma Alpha Iota

At the regular meeting Wednesday night the S.A.I.'s made plans for the initation service which will be on Friday, December 12. Mrs. J. W. McCook will be in charge of the reception which will be immediately following the service. The initiates are Carolyn Adams, Harriette LaCour, Bessie Bell Serrett and Mary Ann Walton.

Sallie Jo Foster, songleader, has outlined the choral selections to be used in the future performances of the group. Rehearsals will begin Wednesday, January 7.

Only time will tell about a budding author! And only time will tell about a cigarette! Take your time...

Test CAMELS for 30 days for Mildness and Flavor

● CAMELS are America's most popular cigarette. To find out *why*, test them as your *steady* smoke. Smoke only Camels for thirty days. See how rich and flavorful they are — pack after pack! See how mild CAMELS are — week after week!

CAMEL LEADS ALL OTHER BRANDS by billions of cigarettes per year!

There must be a reason why!

Demons Engage Southern State College Here Tuesday Night

Odds and Ends

By
Billy Baker

This corner has nothing but praise for Coach John Piscopo and his skilled gymnast for their performance Thursday night in the Fine Arts auditorium. This is undoubtably one of the finest organizations in the United States and Northwestern State should be proud of their accomplishments.

The team has presented these programs around the state without receiving one thin dime. At each performance, only the teams expenses were accepted. The net proceeds were left to each high school to buy mats and other gymnastic equipment for use in the high school. In this way, gymnastics is being promoted throughout Louisiana schools. The show last night was to purchase awards for the members of the team. **Since this is on an extra-curricula basis, the college doesn't present these awards to the gymnast as they do in varsity sports such as football, basketball, and track. How about it, fellows? Get the wheels rolling and see what you can do for NSC's winning gymnastic squad.**

—

So Soon?

It seems as if Southeastern basketball coach Luther Martin is preparing an alibi early this year. In an article he wrote for a Shreveport paper, he says his Lions will finish deep in the GSC cellar and that he's hanging the crying towel to the flagpole early. His team then proceeded to hold the highly favored Gents of Centenary to a close, hard fought victory, losing by only a few points. What about the two giants you have eligible at mid-term? Will they hurt the fine showing the Lions made the other night? I don't think so. Come now coach, who are you trying to fool, yourself or your opponents?

Why Not Try?

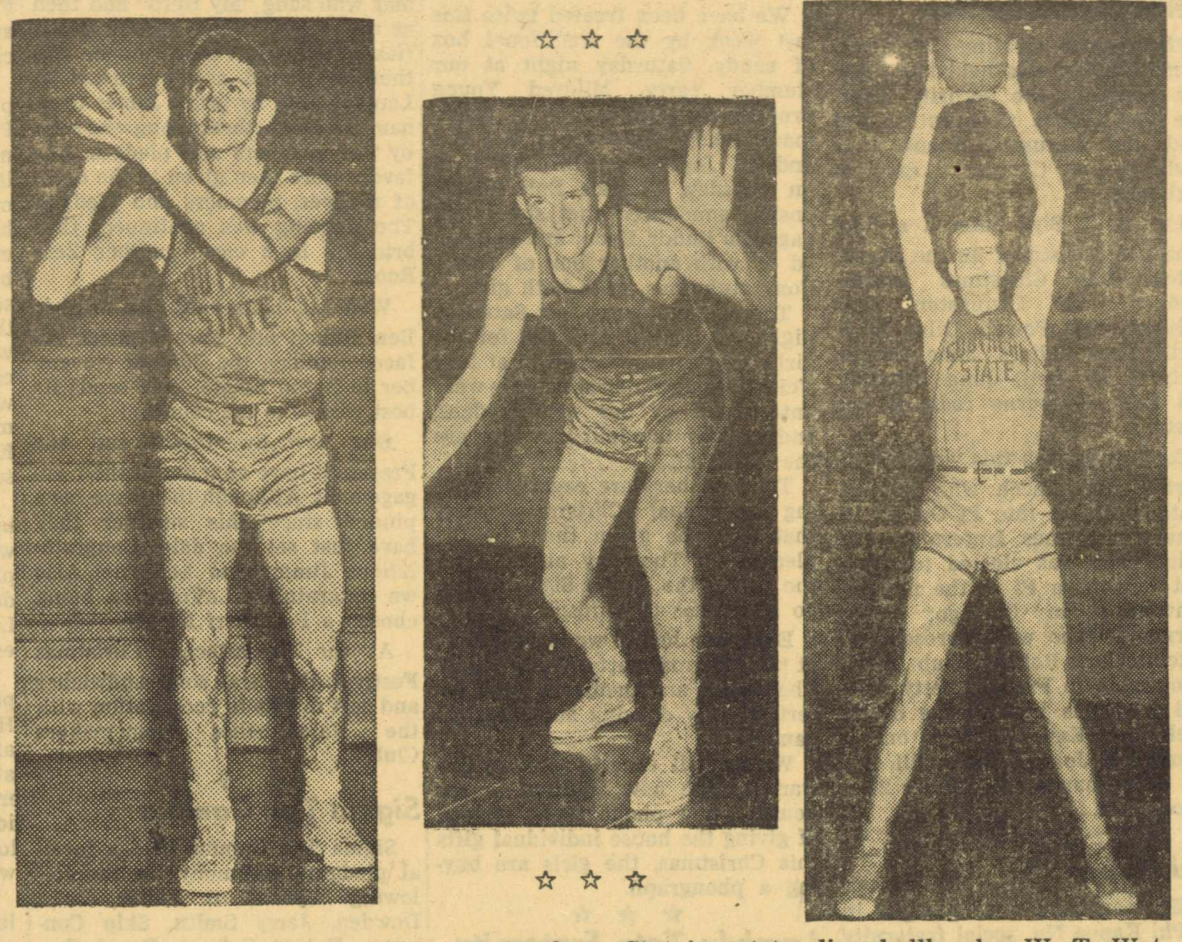

Speaking of basketball, it looks as if Centenary is finally going to get their chance at the big time. It hasn't been too long ago since the Gents were in the big time. This was in football, the sport they seem to have forgotten at Centenary. Centenary was rated on many occasions as the number one team in the nation. Boosted by all-americans "Shorty" Oslin, Manning Smith, and Conway Baker, the Gents met and defeated the nations power teams They even defeated a great Arkansas University squad 6-0, in the 1934 Cotton Bowl after barely missing a Rose Bowl bid. Yes, times have certainly changed since that golden era, but sometimes not always for the best.

Stars and Stripes

Down at Miami Beach, Florida in 1943 two members of the NSC physical education dept. were working for anothr boss; Uncle Sam. Coach John Piscopo was preparing to be an army physical training instructor. **The man who was training him was NSC's "Doc" Marx. "Doc" had a bunch of little fellows in his platoon that had trouble keeping up, so he simply reversed the old army rule and put the little 'uns in front. Coach Piscopo said he was the tallest, so he was made right guide.**

Two of the other coaches have seen their share of service life. Mr. Guy Nesom is presently a major in the Air Force reserve. Basketball coach "Red" Thomas has had a little of it all. He spent five years in the Navy and two more in the Air Force.

Towering Muleriders Of Magnolia, Arkansas

PICTURED ABOVE ARE THREE of Southern State's outstanding ballhawks, W. T. Watson (left), Sam Fricks (center), and Calvin Thomas (right). Watson is a speedy floor-man who is particularly dangerous on his set shots. Fricks, a 6' 5" guard, is the workhorse of the Southern team on defense and a top-grade rebounder. Thomas, 6' 9" pivot ace of the 'Riders, is a hook shot artist who is effective with either hand. He is the main cog in the Magnolia team.

Northwestern State College Demons will engage a towering quintet of cagers from Southern State College of Magnolia, Arkansas Tuesday night in the Demon Gymnasium at 7:30. This is the second encounter of the two teams this year. NSC won the first 73-64.

In the initial games of the season before meeting Northwestern, the Southern State College Muleriders displayed a highly offensive might as they snowed under the Day and Zimmerman independents of Texarkana, 97-55 and tripped Louisiana College of Pineville, 97-77. However this high flying Mulerider team was stymied by the Demons and fell 73-64 last Tuesday.

A look at the Purple and White season thus far shows a very impressive crusade. They felt in the first contest to Lamar Tech by a 64-60 score and haven't lost since. The Demons trounced Lamar Tech in a return engagement on the Natchitoches court 61-48; they then proceeded to humble Northeast State of Monroe 91-51. Latest conquest was the victory over Southern State.

Chiefly responsible for Mulerider's outburst in their games this season is Calvin Thomas, 6' 9" pivot ace. The willowly center pumped in 36, 39, and 19 points against Day and Zimmerman Independents, Louisiana College, and Northwestern respectively. Thomas is a hook shot artist. who is effective with either hand, and is also tops at rebounding on defense. He is a senior.

Two seniors form the backbone of Southern States' offense and defense. Forward W. T. Watson, a speedy floor-man and dangerous set-shot specialist, also contributes heavily to the scoring column. Sam Fricks, a 6' 5" guard, is a hustling workhorse on defense and a top-grade rebounder.

In all, the Muleriders have eight returning lettermen, plus a couple of outstanding freshmen. Southern State is a member of the Arkansas Intercollegiate conference (AIC). They finished third in loop play last season. This year, they have been classed in a darkhorse role for the conference race.

Probable starters for the Magnolia, Ark. school: Calvin Thomas, center, W. T. Watson and Billy Peck, forwards, Sam Fricks and Jeff Williams, guards.

Other games to be played this week on the Demon's court are Wednesday, December 17, E. New Mexico U. and Friday, December 19, Sam Houston State College.

Northwestern Cagers Down Southern State 'Riders 73-64

The Northwestern Demons, led by 6-6 Ken Shaw, rolled to their third consecutive cage victory in four starts for the season last Tuesday night in Magnolia, Ark. as they outpointed the Southern State Muleriders 73-64.

Shaw, the Demons towering pivot man from Holton, Indiana, flashing a display of hook shots and one hand push shot, racked up 24 points for the night to take high scoring honors.

W. T. Watson and Calvin Thomas kept the Muleriders in the game as they scored 20 and 19 points respectively for the home team.

Coach Red Thomas's Demons took the lead in the first quarter and were never headed thereafter, although the Southern State boys kept the pressure on by staying hot on the heels of the visitors.

The Demons got the tip-off to start the game and shortly after, Shaw sank a one hand shot for the first field goal.He added another shortly after on a tip-in to put the Demons out front 4-0.

Realizing they were in the ball game, the Muleriders then took command of the situation and racked up three quick field goals and two free tosses to lead 8-4. The rest of the quarter was played on relatively even terms as the score stood 13-13.

With George McConathy of Northwestern and Jeff Williams of the Muleriders doing the scoring, the two teams battled evenly during the first half of the second period. With six minutes remaining, the Demons led 23-21. Big, 6-9 Calvin Thomas of Southern State began clicking with his hook shot from way out, but the Demons held their lead as they burst into a series of fast breaks that baffled the Muleriders. NSC held a 37-29 lead at the half.

The third period was filled with numerous wild passes and bad shots by both teams, but the crowd was treated to several spectacular shots by Watson and Thomas of Southern State and Davis and Shaw of Northwestern. The Demons were able to keep pace and lead at the quarter 57-50.

Both teams began clicking in the last quarter. With two minutes before the end of the game, the Demons were still leading 72-60. The Muleriders tried desperately to overcome the lead, but finally went down to defeat by a score of 73-64.

Final Home Show Well Received By NSC Audience

With a very beautiful and colorful "Men in Bronze" tableaux depicting the crucified Christ symbolizing "Faith," the Northwestern State College gymnast squad put the final finishings on a succesful exhibition season, Thursday night in the Fine Arts auditorium. They were, as usual, well received by the audience.

The home show consisted of 14 acts accompanied by musical numbers played by the Demonaires. The act proving most popular with the large audience was the "Men in Bronze" routine, a masterpiece of precision pose-making.

Other routines presented by the NSC group were handstand control, group pyramids, trampoline acts, still ring exercises, tumbling, mat clowning, magic, tiger leaping and balance quintet.

Northwestern students participating were Bob Duhon, ,Bob Sanders, Shelby Brooks, Pedro Velez, Sonny Mercer, Joe Barber, John Dickerson, Paxton Willis, Henry Walton, **Harold Laroux, Jerry** Noto, John Duke, Jack Sharp, Leland Langridge, John James, John Hicks, Melvin Frame, Faire Hyams, and manager Sammy W. Wilson.

Other than the "Men in Bronze" tableaux, the tumbling proved a favorite with the spectators. The tumblers of NSC are some of the nation's best, having cousistently ranked very high in Southern and Southwestern competition

Three NSC Coaches Get Head Positions On GSC Committees

Three Northwestern State coaches were elected to head committees at the fall meeting of the Gulf States Conference in Baton Rouge on December 6. Coach Walter P. Ledet was elected chairman of the track committee replacing Don Harper of Southeastern Louisiana College who has recently been recalled to active duty. Coach Harry "Rags" Turpin is to head the eligibility committee and Coach Alvin "Cracker" Brown was made Chairman of the baseball committe.

Ledet Releases Track Schedule For 1953 Season

Track coach Walter "Cajun" Ledet has recently released the Demons track schedule which will begin March 21. Three home meets and six road events are on the agenda. The Gulf States Conference track and field meet will be held at Louisiana Tech, May 9, with the trials and finals in the discus and javelin and the rest of th slate the same night. Two other night affairs have been billed for the cindermen.

The schedule, which opens on March 21 and closes on May 9, is as follows:

March 21 Southeastern - La. Tech - NSC at Natchitoches, day
March 28 NSC Relays, Natchitoches, day
April 1 McNeese - SLI - Southeastern - NSC at Natchitoches, day
April 8 Northeastern La. - La. Tech - NSC at Ruston, day
April 11 SLI Relays at Lafayette, day
April 18 La. College - Centenary - La. Tech - NSC at Ruston Night
April 23 Southeastern - La. College - McNeese - NSC at Hammond, day
April 29 La. Tech - SLI - NSC at Lafayette, Night

Demon Basketball Schedule

(Remaining Home Games)

Tues. Dec. 16, Southern State
Wed. Dec. 17, E. New Mexico U.
Fri. Dec. 19, Sam Houston State
* Sat. Jan. 3, McNeese State
Sat. Jan. 17, Miss. Southern
Wed. Jan. 21, Mexico Oil Co.
* Fri. Jan. 30, Southeastern
* Sat. Jan. 31, Centenary
* Thurs. Feb. 5, Louisiana College
*Sat. Feb. 14, Southwestern
* Mon. Feb. 16, Spring Hill
* Tues. Feb. 24, La. Tech
* Conference Games

Men's Intramural Volleyball Schedule

Mon. Dec 15 B.M.O.C. vs.Phi Kap
Rebel Hall vs. Sigma Tau
Thurs. Dec 18 Sigma Tau vs. Frame
Rebel Hall vs. B.M.O.C.
Tues. Jan. 6 Chowhounds vs. B.M.-O.C.
Wed. Jan. 7 Phi Kap vs. Sigma Tau
Mon. Jan. 12 B.M.O.C. vs. Frames
Tues. Jan 13 Sigma Tau vs. B.M.-O.C.
Frames vs. Rebel Hall
Wed. Jan. 14 Chowhounds vs. Frames
Thurs. Jan. 15 Rebel Hall vs Phi Kap
Mon. Jan. 19 Chowhounds vs. Phi Kap
Tues. Jan. 20 Phi Kap vs. Frames

All games are to be played in the men's gym. First game starts at 6:00 P. M. with the second game immediately following.

VISIT

ZESTO SHOP

SOCIETY, Continued from page 3

Sigma Sigma Sigma

The Tri Sigma slumber party Saturday night was a big success, with plenty of eating, laughing, and "visiting" occupying the Actives' and pledges' time until wee hours of the morning.

At the first pledge meeting, called by Vice-President Virginia Metcalf, officers for the pledge term were elected. Nancy Kimbrell was elected president, Genie Shaw, vice-president, Barbara Evans, secretary, and Justine McMurry, treasurer. The pledges were complimented on the grand job they did of selling pies at the parade Saturday. They are planning several more projects for this next week, including the Christmas party for the Actives, buying the Christmas toys and clothes for the little girl who is to be the guest at the patry, not to mention doing various "little tasks" for members in order to get points toward initiation. The members are proud of every one of them!

This week ended the Mother-Daughter secrecy jeriod between Actives and Pledges. In various ways, beginning last Thursday, the Pledges found out who had been leaving those mysterious packages in their rooms.

Plans to go Christmas Caroling were made at the Tuesday meeting, as well as plans for the "Party-Party" in January, and the Pledge Tea, also in January.

A letter from alumni member, Ruthie Ellender, was enjoyed by the entire group. Ruthie is at present teaching the first grade at Sulphur.

☆ ☆ ☆

Theta Sigma Upsilon

The Theta Sigs have been busy making plans for their Christmas party. It's going to be Tuesday night, and everyone is looking forward to it. The pledges are doing the decorating and the entertaining so the party should be something out of the ordinary.

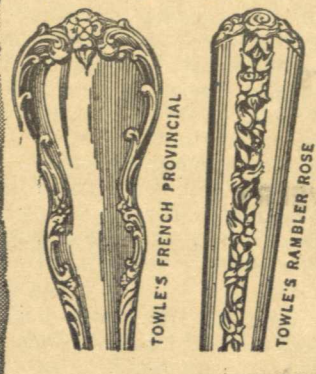

Two of our girls were missing from the campus this week. Pat Hankins, our perennial traveler, went to Jackson, Mississippi, to the debate tournament there. Clarice Oliver journeyed to Monroe to attend the Military Ball at Northeast Louisiana State College.

The pledges are really working hard at their meetings. Besides making plans for the Christmas party, they have been learning the manual.

Choose your Towle pattern ... start your set

You may be sure, if yours is a TOWLE pattern, that it is in perfect taste.

The prices of TOWLE are right—a single teaspoon costs as little as $3.70, six-piece place settings start at $29.75.

Burning Ham Causes Excitement In Student Center This Week

By FRANCES GRIFFIN

The scream of sirens and the roar of fire trucks were heard on our campus last Monday. Some hopeful students thought the science building was burning. However, the fire was nothing spectacular like that; it was only a simple ham. Yes, just a ham. It happened like this.

One of the cooks in the Field House, Norwood Jackson, has developed through the years a special method of baking hams. The ham is wrapped in old newspapers and then placed in the oven. The newspaper coat allows the ham to bake evenly without burning on top.

On this particular day the oven was too hot when the paper-wrapped ham was put in, and the ham was soon enveloped in a blanket of flame.

Tongues of fire licked out of the oven door. When the cook tried to close the door the force of the flames blew it open again.

As soon as the fire was noticed, pandemonium reigned. One short-order cook ran up and down the kitchen screaming. The dishwasher, unable to make up her mind whether to flee or to stay and rescue the ham, ran in and out the back door. Another cook, somewhat calmer than the rest, asked Jackson if she could help him. The harried man answered, "Yeah, stay outa my way!"

Finally, seeing that something had to be done, Mrs. Stafford called the Fire Department. Before the trucks arrived, however, Mike Bellipanni saved the day—and the ham. The brave fellow walked masterfully into the kitchen, picked up a tow sack, dipped it in water and threw it into the blazing oven, smothering the flames.

When the trucks arrived, the firemen found the place serene. The ham was not much the worse for its scorching, and the cooks were again back to normal.

Maybe the next fire alarm will be the science building!

Campus Chess Club Steadily Growing

The Northwestern Chess Club has been making steady pregress since its organization. Dr. Watson is arranging a match with the Centenary Chess Club. This club has been recognized in the Louisiana Chess Bulletin.

Standings for the five highest players are as follows: Byrd, 1388 points; Norris, 1074; Ratcliff, 1071; Shook, 1061; and Lewis, 943. Other members of the club are Don Finley, Earnest Dees, Donald Stephenson, and Jack Sibley.

Meetings of the club are held on the first and third Wednesday nights of each month.

Lesche Club Prexy Announces Rules For 1953 Contest

Miss Mamie Bowman, president of the Lesche Club, wishes to announce the Lesche creative writing contest rules for this year. They are as follows:

1. Purpose of the contest; to encourage meritorious creative writing among the students of Northwestern State College.

2. Any student registered in the College during the calendar year immediately preceding the award is eligible to enter the contest.

3. Entries are to be in the hands of the Committee on Award by April 15.

4. Entries may be in any literary form, such as short story, drama, poetry, essay. A contestant may submit more than one composition.

5. Entries shall be typed or legibly written on one side of the paper only, using regulation sheets about 8½ x 11 inches. They shall be free from errors in usage, such as spelling, grammar, sentence structure punctuation, and diction. Entries will be judged for mechanics and for such qualities as interest, freshness, meaning and style.

6. All rights in the manuscripts shall remain with the author.

7. The Lesche Award Committee reserves the right to reject any and all entries that fail to reach a reasonably acceptable standard.

When shopping for a Christmas gift,
Get something that he likes—
For cleaner, fresher, smoother smokes,
He'd love some Lucky Strikes!

E. Arlene Goldfarb
Newark State Teachers College

In French I'm taught so many words—
For instance, "my" is "mon";
But I don't go to class to learn
Un Lucky Strike est bon!

Doris Bratt
University of Nebraska

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—cleaner, fresher, smoother taste... Be Happy—Go Lucky!

FOR A CLEANER, FRESHER, SMOOTHER TASTE...

Be Happy-GO LUCKY!

©A. T. Co.

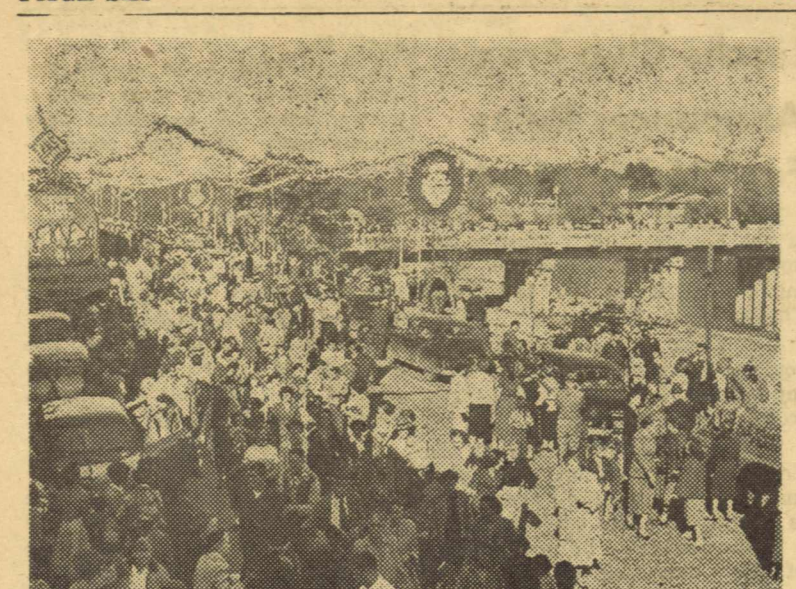

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

While searching for a smoother smoke,
I found a tasty treasure—
It was a firmer Lucky Strike
With deep-down smoking pleasure!

PRODUCT OF The American Tobacco Company
AMERICA'S LEADING MANUFACTURER OF CIGARETTES

APPROXIMATELY 20,000 SPECTATORS from different parts of Louisiana and four other states witnessed the impressive festival and fireworks display here in Natchitoches last Saturday.

Nursing Uniforms Are Displayed At La. Health Meet

A highlight of the three-day Louisiana Health Council convention held in Shreveport was a presentation featuring uniforms of the various phases and classifications of the nursing profession, both in civilian life and in the military service. Displaying the uniforms were Norman L. Olson, male nurse; Donna Allen, student nurse: Peggy Bouuer, student practical nurse; Mrs. Nelda Thurmon, private nurse; Billie Alford, public health service nurse; Rosa Godwin, Army Nurse; Betty L. McCarty, Navy Nurse; Margaret Sloan, pediatrics; Patsy A. Henry, staff nurse;Jocelyn Townsend, student nurse, and Jack W. Smith, narrator.

Three nurses from Schumpert also participated in the event.

State Officers Of Library Assn. Meet At NSC

In keeping with Alpha Beta Alpha's policy of promoting worthwhile activities in the field of librianship, Alpha Chapter sponsored a meeting of the state and divisional officers of the Louisiana Teen-Age Librarian Association, Saturday, December 6, on the Northwestern campus.

In order to make the activities of the day worthwhile, members of the fraternity performed various tasks. Annette Daily, Barbara Bremer, and Fleming Thomas were in charge of housing; Barbara Gray was in charge of registration and Gerry Perry and Patsy Longlois prepared the menu and made plans for decorations of the luncheon table. She was assisted by Sally Thibodeaux and Bill Williams.

John Nugent and Milly Thompson served on a hospitality committee. Claire Lucius spoke to the group on high school and college library clubs and fraternities.

The first business meeting of the group was held in the Little auditorium of the Business building. An informal luncheon was served in the private dining room of the Student Center, where Dr. Eugene P. Watson introduced Dean C. E. Dugdale to the group. After an inspiring talk by Dean Dugdale, a second business meeting was held.

The group remained n Natchitoches that night for the annual Christmas festival.

NOTICE

The "N" club has announced that NO student will be permitted to wear any high school letter on the campus.

All students must either wear their jackets inside-out or take their letters completely off their jackets.

Covering the letter with a patch will **not** be permitted. The letter must not show at any time.

All students are also urged to report any violation of this rule to either Coach Ledet or "N" club president, Leon Fuller.

Home Economics Dept. To Hold Annual Children's Party

The Home Economics Department of Northwestern will present their annual "Children's Christmas Party" on December 16, at four o'clock. The nursery school children will be guests of the department. The theme of the party will be "Santa Goes Everywhere." Each of the Home Economics classes are introducing "Christmas In Other Lands" in the form of skits, games, songs and historical facts, presented on the level of the preschool child. The Freshman class will present "Christmas in Holland," with favors of wooden shoes for the children. The Sophomore class will be in charge of "Christmas in Norway," characterized by fairies and animals. The Junior class will present "Christmas in Mexico" by the traditional breaking of a large pottery jar filled with gifts. "Christmas in Germany" will be the theme of the Senior class. Individual Christmas trees will be given to the children for favors.

VOL. XXXIX—No. 13. NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, DECEMBER 20th, 1952.

Marie Tilleux Named 1953 'Miss Potpourri'

MISS MARIE TILLEUX (center) reigned over the annual Christmas ball last Saturday night as "Miss Potpourri of 1953." Miss Tilleux was selected by the Potpourri staff on the basis of outstanding services to the school. Her court, chosen in the same manner, include (left to right) Miss Claudine Box, Miss Mary Clark, Miss Dot Thompson, and Miss Doris Bolin. As gifts they were each presented a piece of silver in their chosen pattern.

Four Other Co-eds Named to Court

Miss Marie Tilleux of Shreveport, was named "Miss Potpourri of 1953" at the annual Potpourri ball held in the student center last Saturday night. Miss Tilleux is a senior art major and will graduate in January.

During her four years at Northwestern State she has become one of the most outstanding co-eds on the campus. She is a member of Delta Sigma Epsilon social sorority and associate editor of the 1953 Potpourri. Her past honors include Potpourri editor and feature editor, AWS award for the most outstanding senior woman, president of the Student Senate, and for three years a member of the state fair court. In 1952, she served as maid of honor on the court.

Four other outstanding senior women were named to the Potpourri court. They are Claudine Box, Doris Bolin, Mary Clark, and Dot Thompson.

Each member of the court was given a piece of silver in her chosen pattern and "Miss Potpourri" was presented with a dozen roses by Houston Davis, Potpourri editor.

Davis Players Plan Activities At Recent Meeting

The regular meeting of the Davis Players was held in the Green Room of the Fine Arts building at 6:30 p. m. Thursday, December 11; Betty Sue Boydstun, presided. Since it was necessary for a number of points of business to be discussed, it was agreed that the regular meeting on Thursday night be exclusively business; therefore, the program committee arranged for the players to attend the movie Wednesday night as part of the program of the regular meeting. The movie, Dicken's CHRISTMAS CAROL, was a campus-wide activity sponsored by the Student Film agency.

At that meeting the announcement about the pins which the Davis Players expect to receive in the near future, was made.

Three candidates for membership were approved and bids will be extended to them next week. These new members will be initiated at the next meeting which will be Jan. 8, 1953.

The posibilities of trips to Ruston and New Orleans to see professional theatrical performances were discused. Efforts will be made for the Players to see JOHN BROWN'S BODY and THE CONSTANT WIFE.

The Davis Players are making plans to sponsor a Drama Coffee Hour. This feature, combining the presentation of a one-act play and "socializing" over a coffee cup, was initiated by the Play Production class early this month when the members presented THE WONDER HAT, as the first arena production to be given on Northwestern State College campus.

Meal Planning Class Give Christmas Dinner To Faculty Members

Senior home economics students in Meal Planning and Table Service prepared and served a beautiful pre-Christmas dinner last Tuesday in the dining room of the home economics building to the following guests: President H. Lee Prather, Dean C. E. Dugdale and Mrs. Dugdale, Dean George T. Walker and Mrs. Walker, Mrs. Ruby Duncklеman, Mrs. Marie Dunn, Miss Mary Ester Roberson, Mrs. Eola Rooks, and Mrs. Frances Halm.

Kathleen Ray acted as hostess for the occasion.

HANDEL'S "MESSIAH" PRESENTED DEC. 17 IN FA AUDITORIUM

On Wednesday evening, Dec. 17 at eight fifteen,Donald Glattly conducted the annual presentation of "The Messiah," an ortorio compos ed in 1741 by George Frederic Handel. Those organizations participating in the program were the College Singers, the College Chorus, and the Natchitoches Symphony Orchestra, under the direction of Joseph Carlucci. Mary Ann Waiton was pianist.

Soloists were Sallie Jo Foster, Virgie McGuffee, and Delores Taylor, sopranos; Elizabeth Leo and Jimmye Wall, altos; Bennie Ray and S. J. Westbrook, tenors; and Donald Fuller, baritone.

The program began with an overture by the orchestra and moved from there to recitatives and airs by the soloist, and selections by the chorus. It was climaxed by the singing of the Hallelujah Chorus.

Christmas Candlelight Service Is Presented By College Singers

The annual Candle Light Service of Northwestern State college was presented by Don Glattly and his College Singers at 3:15 p. m., Sunday, December 14, in the Fine Arts auditorium

The program included the Choral Processional, Glattly; Tennessee Cherry Tree Carol and Carol of the Doves, Gaul; Asleep in Your Soul, Glattly; Beautimul Saviour, Christianson; The Sleep of the Child Jesus,Gevaert; I Wonder as I wander, Niles; Bethlehem and The Shepherds Story, Dickinson; Jesu, Priceless Treasure, Cruger-Bach; Our Master Hath a Garden, Clokey; A Carol from Lapland, Dickinson; Silent Night, Gruber-Wetzel; Legend of the Bells, Rhodes— and The Song of Christmas, the story of the nativity told in Christmas carols, songs, and Biblical verses, by Ringwald.

Soloists for the carol service were Gervais Aldredge, Mary Ann Cronin, Virgie McGuffie, Dolores Taylor, a Many high school senior, Jimmye Wall, Donald Fuller, John Jordan, Bennie Ray and S. J Westbrook.

The accompanying pianists were Mary Ann Walton and Marjorie Norsworthy. Mary Ann Cronin played the bells and Hardy Rose played the ogoe for "The Legend of the Bells."

YWCA GIVES PARTY FOR COLORED HELP ON CAMPUS

The YWCA gave its annual Christmas party for the colored help on the campus last Friday night at 6:30 in the Women's gym.

The program consisted of a series of songs and readings by the guests. The hostesses and guests then joined in together to sing Christmas carols.

After the entertainment, the guests were served punch, Christmas cookies, and open-face sandwiches in the warm, Christmas atmosphere of the gym.

Art Professor Speaks To Students Interested In Modern Art

The Art News for December reports that modern art, fighting an uphill but steadily winning battle since its rebirth in the 19th century, has now passed the final hurdle of official acceptance.

With the addition of the Chesterdale "Twentieth Century Collection" to the National Gallery in Washington, modern art has been given the official stamp by the most conservative museum in the country.

Picasso, Matisse, Modigliani and Lautrec works and other modern and comtemporary artist now have works in their deserved place among those of the old masters.

G. F. Kenner of Northwestern's art department last week talked to a campus group interested in the subject of modern art and it is reported that he made an informative and interesting informal lecture to the Pi Kappa Sigma sorority.

House Mothers Are Guests Of Frames

The house mothers of the college dormitories were guests at a coffee given in their honor on Tuesday afternoon by the Men's Dormitory Council of A, B, and C Frames. Donald Elfert, Bill Shaw, Charles Holloway, and Lloyd Lee were host to Mrs. Perle David, Mrs. Ella Holstun, Miss Essie Givens, and Mrs. Exa Simmons.

Mrs. David surprised the men by presenting them with a stewing pot for their kitchen. Each of the guests for the kitchen's recipe file. The ladies were taken through the dormitory with the council acting as guide. They commented on the cleanliness and neatness of the rooms. When they returned to the living room, some of the ladies offered to come back and demonstrate the preparation of their recipes.

On Thursday afternoon, the dormitory council were host to Deans Dudley Fulton and Kathleen Gillard, and Mr. Hal Townsend. They were served coffee and cookies prepared by the council.

Wesley Foundation Hold Banquet Monday Night

The Wesley Foundation's "Christmas Angel" banquet, held Monday evening in the Wesley Foundation room of the Religious Center, was attended by approximately thirty people. Rev. Galloway gave the invocation and Dean Clark, toastmaster of the formal occasion, welcomed the guests.

Ladies of the First Methodist Church, under the leadership of Mrs. A. L. Ducournau, served a very delicious dinner consisting of baked turkey with dressing, green peas, cranberry relish, fruit cake with whipped cream and coffee. After the dinner, special guests were introduced. Everyone joined in the singing of Christmas carols, led by Don Fuller. Betty Sue Boydstun read the story of "The Littlest Angel" and Nancy Kimbrell, acting out the part of the "Littlest Angel" in the story, offered the gift to the "Child."

Following her example, each person present gave a small gift to be presented to the children at Macdonna Misionary School in Houma, Louisiana. This school is the center of a summer workshop camp, sponsored each year by the Methodist Student Movement in the state of Louisiana.

NOTICE

Those students interested in submitting manuscripts for the Lesche contest contact Miss Mary McEniry, chairman of the Lesche scholarship committee, before April 15.

Demonette Group To Sponsor La. Hayride

The Louisiana Hayride will be held in the Fine Arts Auditorium of Northwestern State College at 7:00 on Monday, January 5.

The show will star three bands: Billy Walker, The Carlisles of "Too old to Cut the Mustard" fame and Johnny Horton. Other guests will include Claude King, Jimmy Lee and T. Tommy from "C. Tommy's Corral" broadcast from KCIJ in Shreveport.

Tickets to the Louisiana Hayride are now on sale at the book store. The price is .50 for children and students, and $1.00 for adults.

The proceeds will go to the Demonettes, who are sponsoring this show, to build the fund for new Demonette uniforms. Give them your support by coming to the Louisiana Hayride.

College Debaters In Millsaps Meet Last Weekend

The Northwestern debate squad attended the Millsaps Debate Tournament in Jackson, Miss. last Friday and Saturday, where both team lost out in the elimination rounds. The Senior Men's team, Bobby Hamm and David Kendrick, lost in the first elimination round to Central Oklahoma State, who lost in the final round to Louisiana College. The Senior Women's team, Pat Hankins and Anne Torrans, drew a bye in the first elimination round and lost in the quarter finals to the University of Alabama, who tied for first place in their division with another University of Alabama team whom the NSC had beaten in the preliminatry rounds. Anne Torrans advanced to the finals in extemp, where she failed to place.

The next tournament the squad will attend will be the second weekend in February, when they go to Tallahassee, Florida

LIBRARY

A Christmas Message

Again we approach the Christmas season, the time when perhaps even more than ever we should strive for peace on earth and good will to men, the celebration of the birth of Jesus. Perhaps no other birthday is so universally celebrated and certainly no other has meant so much to the welfare of mankind.

The brilliance of the Star of Bethlehem of Judea has never faded, but today glows with increasing brilliance to light the dark places of the earth, to drive out the darkness of superstition and fear, and to bring a shining ray of hope to all people everywhere.

And yet there are hundreds of millions of people in the world to-day who look upon Christmas as of no more significance than a pagan holiday. They do not believe in the peace on earth and good will to man which he proclaimed. Nor do they believe in the reality of the more abundant life which He promised to all who would follow Him. They believe too that the freedoms which make life really worth living are but relics of a dead past and have no place in the living present.

So as we pay homage to the birth of our Saviour, let us give thanks for the privilege of being free men and women. Let us be charitable to all our fellow men. Let us pray for those less fortunate than ourselves. And finally, let us not forget to pray for those gallant men and women in our armed forces, that their patriotism and sacrifices shall not be in vain.

A Merry Christmas, a most joyous New Year, and a safe return to the campus to one and all.

Sincerely,
H. Lee Prather
President of Northwestern State College

Letter To The Editor

Dear Editor:

In last week's Sauce was a notice to the effect that the Great God "N" Club will not permit anyone to wear a letter earned in high school on this campus. I would like to know by what authority any group of boys at a state supported college are given the right to dictate to the stndent body just what they can and cannot wear. The "N" Club members have earned their own letters and have the right to say who shall wear them, but when they start telling everyone else on the campus just what they can and can't do with theirs, isn't it going a little too far? Any sweater or jacket from which a letter is removed is ruined for you can still tell where the letter was. Does any group of boys on this campus have the right to tell other students what decorations they can wear on their sweaters? It is about as silly as for one of the girl's dormitories to outlaw striped blouses and shirts because they don't like them. Would you mind telling me just what existing rule, regulation, constitution, or otherwise gives this dictatorial power to the Great God "N" Club or have they overstepped their rights as students of this college just a little bit?

Sincerely yours,
A Student

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

A Letter to Santa Claus

Dear Santa,

It seems that all the boys and girls here want the same thing for Christmas—a Buick convertible. Any color will be fine, just make sure it's got four wheels and a motor.

And please send us some more men — unmarried ones, that is! They must be at least 5'10", but if they're real good-lookin', we'll take 'em just any size.

We'd like later hours for the girls who live in the dormitories, too. Of course (we're sorta ashamed to mention this) the food in the dining hall . . . . oh, heck, you know what we meant!

We could do with some snow, too, about three feet of it — so Dr. Gillard won't get homesick. And we'd like more holidays and more dances and fewer night-watchmen.

Since we're at college, we're supposed to make grades. We know you don't have much to do with this, but, please, Santa, bring us some good ones. And bring us lots of diamond rings and stuff like that, too.

To bring this letter to a close, (yes, it is kinda early to mention this sort of thing) Santa, we'd really like a winning football team next year. See what you can do, will ya?

Remember, even if we haven't been as good as angels, we haven't been as bad as we could have been, either.

Merry Christmas, Santa, from all the kiddies at NSC.

Science Fellowships Are Announced

The National Science Foundation has recently announced its second graduate fellowship program for the academic year 1953-54. Fellowships will be awarded for graduate study in the biological, engineering, mathematical, medical, and physical sciences. These fellowships are limited to citizens of the United States.

More than five hundred Fellows will be selected for a year of graduate study. Selections are made solely on the basis of ability. The majority of the awards will go to graduate students seeking masters or doctors degrees in science, although a limited number of awards will be made to postdoctoral applicants.

Graduating college seniors in the sciences who desire to enter graduate school are encouraged to apply for the awards.

Applicants for the current National Science Foundation fellowship awards may be obtained from the Fellowship Office, National Research Council, Washington 25, D. C., which is assisting the Foundation in the screening and evaluation of fellowship applicants. Completed applications must be returned by January 5, 1953.

Sigma Sigma Sigma

The Tri Sigs are very proud of Doris Bolin, chosen a member of the "Miss Potpourri Court." Congratulations, Doris.

The pledges' Christmas party for the Actives was grand fun for everybody, especially for little Joyce Pace and her mother Mrs. Pace. The party began with everyone singing Christmas carols, accompanied by Pat Jones at the piano. After carols, the group of approximately 40 girls divided in to pairs each pair then presenting a brief pantomine of some Chrsitmas carol. The stunts were very original and some very hard to guess.

After the stunts, Irma Lea Freeland, with the aid of Mary Catherine Gordy, Jimmye Dee Hatcher, and Dot Porter, told the group about her pet worm, "Sigme" and his "enormous appetite."

Of course no Christmas party would be complete without Santa Claus arriving Johnny-on-the-spot with gifts for everyone. Little Joyce held the center of attention while Mary Ann Cronin helped her open the piles of packages ol' St. Nick had left for her. Nothing in this Christmas season or in the Christmas seasons past has so impressed the Tri-Sigmas as watching this small girl looking wonderingly at the mass of toys before her, not knowing what to play with first. It was truly a party enjoyed by all.

Alpha Sigma Alpha

Friday night, December 12, the ASA house was the scene of a lovely Christmas party of about forty-five Alpha Sigs and their guests. The evening was spent in dancing, talking and eating. We all enjoyed it and are planning several more.

The Alpha Sigs held their business meeting Tuesday night at Barbara Gray's home. After the meeting, the gathering was turned into a surprise shower for Jeanette Dowden, who is to be married on December 28, to Leland Langridge. The Gray's home was beautifully decorated in Christmas colors with a shining Christmas tree as the center of attraction. After Jeanette opened all of her gifts, Rosemary Easley and Mrs. Gray served the sorority dainty sandwiches, fruit cookies, and punch.

Congratulations go to Fay Bullock, who graduated last year, on her engagement and approaching marriage during the Christmas season.

At six oclock Thursday evening the pledges entertained the Alpha Sig members with the annual Christmas party. With the traditional giving of gifts, the singing of carols, a reading by Jeanette Methvin, a dance by Dottie Kirkland, and games, the party was very successful. After the refreshments of hot chocolate and cookies, the Alpha Sigs went Christmas caroling.

East Varnado Party

The girls of East Varnado and their guests enjoyed a Christmas party Monday night at 10 o'clock in the living room of Varnado Hall.

Santa Claus, characterized by Joan Clements, was presented with a gift for everyone. Santa had a long white beard and was wearing a pair of red flannel pajamas and cowboy boots.

Santa was generous this year .Not only did he give gifts to each girl in the dormitory, but he presented gifts to Dr. Gillard; Dr. Gillard's guest, Mrs. Hutton; Mrs. Holston, and to East Varnado. The gift for the dormitory was a record, "The Student Prince,, that is to be used by everyone.

The girls decided to donate the gifts given by Santa Claus to the welfare department to be given to needy children.

The program consisted of the recital of "Twas the Night Before Christmas" by little Sue Lindsley; a solo, "Oh, Holy Night" by Sally Jo Foster; and the reading of "A Letter to Santa" by Mary Murphey.

The "Letter to Santa," written by Patsy Winkler, Betty Sue Boydston and Mary Murphey was a letter from Mrs. Holston asking for different things for her girls. Among the things she asked for was a package of brown hair dye for Imogene Leach; a carton of cigarettes for a poor little girl down on the first floor, who is trying to learn to smoke, "Butch" Price; and a man for "Whitie Ball."

Cokes and cookies were served to the group. Mrs. Holston contributed three large dishes of Christmas candy which the girls also enjoyed.

Following the singing of Christmas carols, Dot Corry, president of the dormitory, welcomed the guests Dr. Gillard and Mrs. Hutton.

Ending the affair was a special Christmas prayer by Claudine Box.

Plans for the party were made by Mrs. Holston, Dot Corry, Sara Cutrer, Bernice Dale Blankenship, Beth Trammel, Louise Vick, Pat Alexander and Letta Joy Coffey and Dot Gillespie.

Sigma Alpha Iota

The initiation service of Sigma Alpha Iota was Friday, Dec. 12 The initiates were: Carolyn Adams, Sikes; Harriette LaCour, Alexandria; Bessie Serrett, Hamburg, Ark.; and Ann Walton, Bastrop. Music faculty members attending were Miss Sara Guitar, Miss Mas Beville and Miss Ann Biggs. Mrs. Sherrod Towns, the faculty advisor, Mrs. J. W. Cook and Gloria Gates were also present.

Immediately following the ceremony, Mrs. McCook gave a buffet supper in the home of Mrs. Dryer. A lovely Christmas tree was the center of attraction in the living room. The dining room with its "Winter Wonderland" completed the Christmas theme. The table was decorated with holly boughs surrounding a candle. After a most delicious supper the group went caroling.

Theta Sigma Upsilon

The Christmas spirit was very much in evidence in the Theta Sigma room Tuesday night.

The room was softly lit by candles. A brightly lighted Christmas tree, under which the gifts were piled, stood at one end. Silver stars studded the pale ink walls. An arrangement of grey moss, pyra canthus berries and candles was placed on the piano.

As the members arrived, Mary Alice Phillips played a medley of Christmas songs. Then the Christmas story from the book of Luke was read. Members and pledges joined in singing "Oh, Come All Ye Faithful." "Keeping Christmas" was then read by Clarice Oliver. More carols were sung, followed by Bobbye Hale's reading of "How Come Christmas?" Pat Hankins then read a moving poem "Will You Be Home For Christmas?"

Refreshments and the ever popular giving out of gifts brought the 1952 Christmas party to an end.

Congratulations and thanks to the pledges. You really did a wonderful job.

Clydie Mae Beacham Weds the Rev. Price

A holiday wedding is the one of Miss Clydie Mae Beacham, daughter of C. C. Beacham and the late Mrs. Beacham of Blanchard, and the Rev. Robert L. Price, son of Mr. and Mrs. T. N. Price of Pineville.

The wedding will be on Christmas Eve at 3 o'clock in the afternoon at the Blanchard Baptist church with the Rev. James L. Beacham officiating.

Matron of honor will be Mrs. Lamar Rogers with Miss Virginia Kline as bridesmaid. Miss Evelyn Pyle and Miss Esther Jean McNeil will serve as candlelighters.

Clayton Price will be best man. Ushers are Lamar Rogers and Robert B. Tudor, Jr.

The bride-elect is a graduate of Fair Park high school and will receive her B. S. degree from Northwestern in January. The Rev. Price is a graduate from Bolton high school and received his B. A. degree at Louisiana college. He attended New Orleans Theological Seminary.

The couple will make their home in Pineville, where the Rev. Price is a Baptist minister.

Alpha Phi Epsilon

Alpha Phi Epsilon, honorary journalistic fraternity, met last Monday in the Current Sauce room. The reports of the initiation and and coustitution committe were made by Lucian Spataro, president.

Tentative plans were made for the spring dance. After the business meeting, the members were served cokes and cookies.

Congratulations go to Guy Cheek and Jackie Funderburk, who are to be married on Dec| 28.

Pi Kappa Sigma

The active Pi Kaps are anxiously awaiting Thursday night when the pledges give their annual Christmas party.

We understand the party is to be quite an affair and of course the Christmas caroling after the party will add to the occassion.

The Tuesday night meeting wasn't held in the sorority house due to preparations for the party—you see the actives haven't been allowed to see the decorations at all!

At the meeting, the president passed the Christmas cards that the sorority has received around and took care of other mail that we have received in the past two weeks.

All the girls reported that they have bought their presents for the house, to be given at our Christmas party.

During the Christmas holidays, the Pi Kaps have planned to get together and sing at the Veterans hospitals in Alexandria and Shreveport. This is a new project and we're anxious to make a success of it. The Alexandria group will meet at Virginia Ball's house; and the Shreveport group will meet at Donita Gothards.

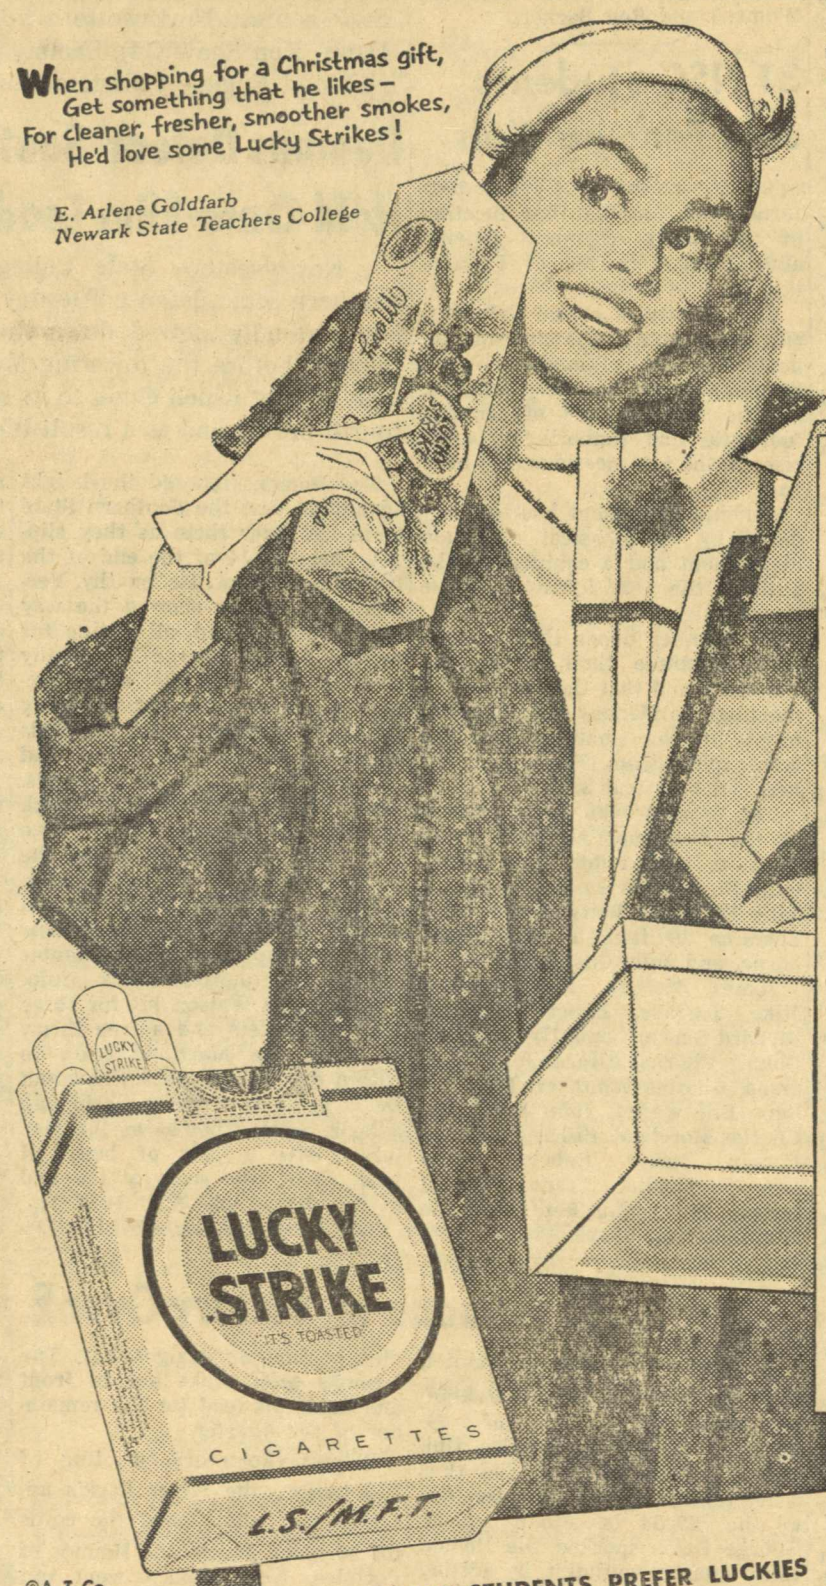

We just can't forget about what a wonderful job the pledges are doing, and to top it all, the Pi Kaps have as new little sisters, Sudie Loomis, Jessie Wilkerson, and Betty Wilson. These little girls are working like little beavers and we couldn't be prouder of them.

When shopping for a Christmas gift,
Get something that he likes—
For cleaner, fresher, smoother smokes,
He'd love some Lucky Strikes!

E. Arlene Goldfarb
Newark State Teachers College

In French I'm taught so many words—
For instance, "my" is "mon";
But I don't go to class to learn
Un Lucky Strike est bon!

Doris Bratt
University of Nebraska

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—cleaner, fresher, smoother taste... Be Happy—Go Lucky!

FOR A CLEANER, FRESHER, SMOOTHER TASTE...

Be Happy-GO LUCKY!

While searching for a smoother smoke,
I found a tasty treasure—
It was a firmer Lucky Strike
With deep-down smoking pleasure!

George Foster
University of North Carolina

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

Northwestern To Try For Eighth Consecutive Win Here Tonight

Meet Sam Houston State In Men's Gym; NSC Out To Repeat Earlier Victory

Tonight at 7:30 in the Dmon's gymnasium, the Northwestern State college quintet of basketeers will attempt to capture their eighth consecutive win of the '52-'53 season when they play host to the Sam Houston State College team of Huntsville, Texas. The Demons downed Sam Houston in their first encounter last week in Texas territory by an 85-69 margin.

The only game that the Purple and White have lost this season was to Lamar Tech. The Techsters defeated Northwestern 64-60 in the opening contest of the season in Beaumont, Texas. However, the Natchitoches lads avenged this defeat by stomping Lamar 61-48. From that win the Demons have gone undefeated in seven straight games.

This contest with Sam Houston will be the last game to be played on the home court this year. Northwestern will enter the Gulf States Conference Tournament which is to be held in Shreveport, Louisiana on the Centenary College campus December 29, 30 and 31. Last year, the Demons were host to the annual tourney. The Purple and White went to the finals only to lose out to powerful Mississippi Southern in an over-time period, 77-74.

The Sam Houston team will be led by sharp shooting Tom Sewell, who accounted for 25 points against the Demons in their first meeting and who has constantly been a threat all season. Sewell will be aided by a fine fast breaking combination of Jim Hughes, Al Adams, Bill Collier, and Thomas Latoof.

On the other hand, Northwestern will throw their power at the Sam Houstoners in the form of an all around team. There is no certain player who has sparked the Demon offensive attacks this season. Several of the Demons have shown very well, but most of the victories have been the result of team play. There is depth in this yera's team and that counts a lot toward winning games. Probable starters for the Demons are Ken Shaw, George McConathy, Jim Yergler, George Davis, and Sammy Booras or James Thomas.

Odds and Ends

By BILLY BAKER

It seems to me that the editor of the McNeese State College student newspaper considers himself somewhat of an authority on the ethics of journalism. In a recent editorial he said that it is the job of the editor to see that nothing untrue or misleading is published in the space allotted him so as to reflect on the numerous students he represents. On this point we agree with him. Yet, in the next paragraph he tries to cite an example of what he calls the misuse of the editorial column. He says "A 'Carrie Nation, Jr.' was born in the northern part of the state when a school editor made the observation that the school's coach had gone stale upstairs and was coaching his ball club to lose games and as it happens, nothing could be further from the truth."

Yes, Mr. Editor, nothing could be further from the truth. In the first place I suggest that he read over the editorials of others thoroughly before he shoots off his mouth about them. Next he should take a look at his own editorial. It is undoubtedly one of the most misleading pieces of double-talk I have read in a long time.

If you call your editorial good journalism then you had better read the "Code of Ethics for Journalism" because you certainly haven't read it before.

Another Year

In closing I would like to take this opportunity to wish each and everyone of you a very Merry Christmas and may you have an arm full of happiness and a headlock on prosperity throughout the new year.

Fair Park and Byrd Defeat NSC Riflemen In Three Team Match

The Northwestern ROTC rifle team was defeated in a three-team match last Monday afternoon in the Armory building on the college campus, going down to defeat before teams from Byrd and Fair Park high schools in Shreveport.

Fair Park took team honors with 884 points against 847 for Byrd and 808 for Northwestern.

This was the first shoulder-to-shoulder match that the Demon rifle team has participated in. Previously, telegraphic matches were held with Tulane University of New Orleans and Louisiana Tech of Ruston.

According to Lt. Col. James Bowman, PMS&T for the ROTC at Northwestern, the team will enter the Army area intercollegiate rifle meet sometime during the first part of January. Competition will be provided by teams from all colleges in Louisiana, Texas, Oklahoma, Arkansas, and New Mexico that have ROTC units.

This Army area meet will be of the telegraphic kind. Each team will conduct its individual firing on its own range, and will send the targets to a central office to determine the winners.

Sgt. F. E. Morre is in charge of the rifle team. Those on the squad are Jerry Tilleux, Pedler Edwards, Charles E. Johnson, Kenneth Womack and Roy Barker.

31 NSC Students Join Fencing Club

Twenty-one men and ten women turned out for the first meeting of the newly organized fencing club, coached by Mr. G. F. Kenner.

The activity is on an extra-curricular basis and is open to students and faculty members. Coach Kenner's group has been working on the fundamentals of fencing, footwork, and limbering-up exercises in the few meetings they have had.

Fencing equipment has been ordered by the physical education department and a cabinet will be built in the near future to house the regalia.

Mr. Kenner hopes that the students continue their interest in the sport and that they attend the meetings on Monday and Thursday nights in the small gym of the men's gymnasium. The club meets between 6:30 and 8:00 p. m.

The women who were present at the first meeting were Betty Thaxton, Thais Beter, Judy Honeycutt, Freddie Jones, Linda Shows, Jane Schaefer, Betty Breitenburg, Lorraine Brittain, Tommy Blackborne, and Julia Cusachs.

James McNeil, Richard Ray, Mike Torrans, Robert Durham, Richard Smith, Louis Hymes, Billy Plumb, Charles Alford, John Dickerson, Charles Whitaker, Mike Lelong, Bill Weller, John Frederick, Charles Moreland, Bill Irwin, David Carson, Bruce Roberts, Glen Longe, Melvin Trane, Gerald Brown, and Arthur Reid, were the men who were there.

DEMONS GET A BRIEFING from Coach "Red" Thomas during a closely fought fourth quarter of the NSC-Southern State contest. Northwestern won 67-64. Left to right; George Davis, Ken Shaw (14), Sammy Booras, Coach Thomas, Murriel, and Eugene Christmas, team manager.

Demons Defeat Southern State 67-64; Hold Onto Slim Lead To Gain Win

Northwestern State College cagers breezed through a Southern State defense Tuesday night for a quarter and a half but gradually slowed down their scoring punch and almost faltered before the towering Muleriders. It was a frantic Demon quintet which clung to its slim lead of three points in the fourth period and as a result tucked away another victory, 67-64.

The Demons ignored the height advantage that the Southern State team had over them as they slipped ahead 22-14 at the end of the first stanza. Shaw, McConathy, Yergler, and Booras showed the way for the NSC squad, all hitting for needed tallies. George McConathy went in for a crip shot a few seconds after the game got underway for the NSC crew. He followed this with a tip-in to shove the lead into the Purple and White hands. 'Riders came back with two quick baskets and a free throw to go into the lead. It was then that the home-town boys broke in the clear.

Shortly after the second period started, the Demons increased their lead to 30-18. With four minutes left in the quarter, Frick, Culp, Thomas, and Watson hit for three straight baskets and a free throw to bring the Magnolia team to within five points, 30-25. Shaw and Davis made two shots, a crip and a hook, while Thomas of the visitors posted a pair of beautiful hook shots. The score at the end of this period was NSC 34-SS 31.

The third quarter saw the Demons strengthen their lead only to have the Southern team pull within three points of them once again with four minutes and 27 seconds in the stanza left. Sammy Booras popped for two baskets, and Shaw and Barker made a free throw each. Walker then stole the ball and added another two-pointer. This gave the Purple and White a 51-40 lead. The quarter ended with NSC 53-Southern State 47.

In the final frame, the Muleriders rallied and set the crowd on its feet. Behind hook-shot artist, Calvin Thomas and "steady" Williams, the visitors pulled to within one point of the home team, 62-61. Waple Lilley of NSC dropped in two free throws and Williams hit another set shot to keep Southern in the contest. George McConathy slipped one in, and Sammy Booras made a free throw. With a four point lead now, the Demons were pretty safe. However, with one second remaining, Jim Yergler fouled Culp. Culp calmly bucketed the charity toss and thus ended the ball game. Northwestern 67-Southern State 64.

NSC Demons Upset Texas A & M 58-53; Stage Rally In Final Frame To Win

Amid the excitement of 3,000 spectators in College Station, Texas, last Friday night, the Northwestern State College basketeers battled a highly touted Texas A & M squad from behind for three quarters but surged out in front in the fourth period to stun the home-town rooters and gain a major upset of the early basketball season. The final score was Northwestern 58—Texas A & M 53.

The Texas Aggies led the Demons for most of the encounter but a last period spurt of 23 points by the Natchitoches lads was enough to put them in the lead and thus score the upset. Waple Lilley, who scored 10 points in this period and Sammy Booras, who stole the ball twice, scoring both times on crip shots, were the main factors in this late Northwestern out-burst.

Coach John Floyd's hustling cagers tried in vain to catch the Demons once they had the lead. The closest they were able to get was within four points, 52-48, with one minute left in the ball game. It was a humilating loss for the Aggies who are picked to win the Southwest Conference title, but perhaps the score would have been different had Leroy Miksch, the A & M captain and consistent threat ben in the game. He was side-lined with a hip injury.

Ken Shaw of NSC made the first fielder to begin the low scoring first quarter. This quarter saw both teams scoring only 9 points each. The Demons showed an unusual knack of defensive might for the first time this year. However, on the strength of furious rebounding, the Cadets of Texas held possession of the ball throughout the period.

The second quarter opened up more than the preceding one, as Texas pulled out into the lead by three points at the half, 25-22. Northwestern continued its "inspired" brand of ball yet they still trailed the Aggies by three points before the start of the fourth quarter. Both teams hit for the same number of points in the third quarter, 13. Third period score: Texas Aggies 38—Northwestern 35.

The Purple and White exploded in the final quarter as George McConathy and Waple Lilley started popping the nets. This enabled the Demons to surge ahead. With five minutes left in the contest, NSC led 49-43. At the thre minute mark, the Aggies were frantically fighting to push out in the clear. The game got rougher and rougher as the seconds tocked away. With a minute to play, Northwestern still held the lead, 52-48.

Sammy Booras got loose for two insurance lay-ups while the opponents rallied a field goal and a free toss. With thirty seconds left, George Davis went the entire court for another lay-up. 14 seconds remained in the game when "little" Booras repeated his earlier feat, and scored the last basket with a crip shot, thus ending the contest. Northwestern 58—Texas A & M 53.

Davis Leads Demons In Victory Over E. New Mexico, 80-67

A high flying Demon quintet, although rather rusty for two quarters, managed to pull out of a 34-34 tie with E. New Mexico University at the halftime and thus notch their seventh consecutive win of the '52-'53 basketball season. George Davis sparked the Demon third quarter outburst by hitting for 15 of the Purple and White's 29 points. Final score: Northwestern 80-E. New Mexico U. 67.

The Natchitoches lads looked very ragged in the first period. However, they were able to take the lead 19-14 at end of the first frame. The Greyhounds of New Mexico jumped into an early lead at the start of the game as Don Burney and Bill Griggs hit for two quick baskets. Northwestern countered with team captain, Jim Yergler, poping two straight shots. The Demons then broke out in front and held this lead for the remainder of the quarter.

Behind the sharp shooting of Bill Griggs, the Silver Pack's uncanny ace, who ripped the cords for 10 quick points, the Hounds of Portales, New Mexico went out into the clear 25-22 with four minutes and forty seconds remaining in the quarter. The lead then switched hands five times before the half. A few seconds preceeding the half-time whistle the home-town crew was trailing by one point. George Davis sank a free throw and tied the contest 34-34 at the intermission.

The Demons opened up in the third period as they rallied out in front behind the able "eye" of George Davis. The young "flash" from Florien racked up 12 points by the time the Purple and White were ahead 52-40. The NSC boys held this comfortable lead with four minutes and 54 seconds left in the third quarter. Shaw and Yergler backed Davis and the end of this frame held the score at Northwestern 63-New Mexico 50.

Coach Al Garten's Greyhounds were never able to get back into the ball game. They trailed for the remainder of the contest. With one minute and 24 seconds in the game Coach "Red" Thomas substituted a new team comprised of Enloe, Dugan, Davis, Collinsworth, and Hildebrand. Hildebrand hit for four points in this short time and the final whistle sounded with the home club carrying away their eighth consecutive victory.

Sam Houston Falls Before NSC Cagers; Final Score 85-69

Riding the crest of an upset defeat given to the Texas Aggies, the Demons of Northwestern State invaded Huntsville, Texas last Saturday night, toyed with the Texans for three quarters, then "got down to business" in the fourth period, and by the end of the contest had completely routed them 85-69. This win ended a successful road trip into Texas for the Demons.
Demons.

After the first quarter, the Bearkats didn't prove a serious threat and at one point in the final period, the Northwesterners led by 20 points.

Sam Houston started the game with two quick lay-ups to take an early 4-0 lead. But the Demons came storming back and by the middle of the quarter, everything was tied at 11-11. After that the score see-sawed and the stanza ended with the Demons ahead 26-22.

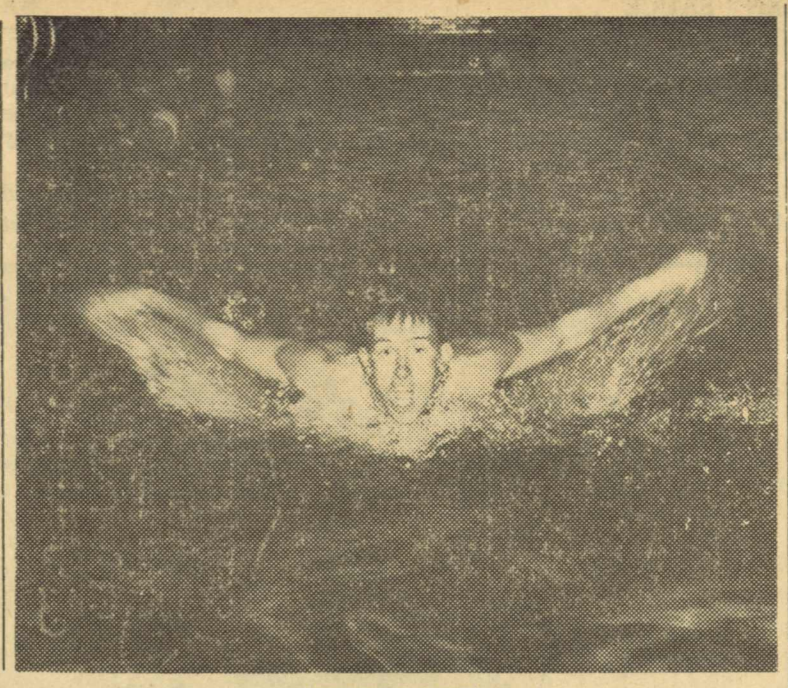

The second frame was filled with fouls and by the time the half was over, the Demons were resting on a 10 point lead, 36-26. Sewell of the Kats got hot, hitting from all over, and soon brought his team's score up to 31. The Purple and White still had 36.

At intermission time Northwestern was leading by 42-39. George Davis led the first half scoring for the Demons with eight points and Sewell topped the Bearkats with 19. Big Ken Shaw began connecting with his hook shot early in the third stanza and the score rose to 50-39. The quarter ran out with the Northwesterners on top of a comfortable 67-51 margin. Northwestern jumped to a 72-52 lead early in the final period and eased on out of the game on a decisive 85-69 score.

Tom Sewell, Sam Houston's forward was high point man for the contest with 25. For Northwestern, Center Ken Shaw andforward George McConathy led the scoring with 16 each.

NOTICE

The Agnes Morris Aggies, undefeated in the round-robin tournament, won the 1952-53 women's intramural volley ball championship by defeating the Pups 40-29, Wednesday night in a close, hard fought game. The lead changed hands several times, but the Aggies led 18-16 at half-time.

MYRON LOCKY

Myron Locky, Versatile NSC Swimmer Holds Many Competitive Aqua Records

"Myron Locky is our most versatile swimmer," stated Coach John Piscopo, "and I feel free to enter him in any event." This statement is characteristic of the honors heaped upon Myron Locky, captain of the 1953 Northwestern State College swimming team.

Locky, whose home town is Monroe, Louisiana, graduated from Central high school in Jackson, Mississippi. The Demon captain began his competitive swimming career in 1947 for the Jackson Swimming Club. Locky still swims for the Mississippi club during the summer months, and for the past two years has won the Mississippi Invitational Swimming Meet. This meet draws people from all over the nation. He has set the Mississippi breast stroke record with a time of 1:08 and has finished third in the individual medley.

Myron entered Northwestern State in the fall of 1949. He is majoring in physical education. As a freshman he made the Demon Swim team, and now as a senior is a four year letterman. Myron was elected captain of this year's team.

As Piscopo stated, Lockey is a very versatile swimmer and competes in all events. He swam the 100 yard breast stroke in 1:08, the 200 yard breast stroke in 2:35, the 440 in 5:40, and the individual medley in 1:45. He won the Audubon Open breast stroke championship in 1951 and 1952, and also won the two mile race across Lake Pontchatrain in 1952. Among his other records he holds the SAAU 100 yard breast stroke title and the 100 and 200 yard breast stroke championship in the NSC pool.

Myron was slowed down most of the season last year because of an operation, but says Coach Piscopo "I believe that he has regained his speed and I am looking forward to him shattering many of his own records this season."

There is no doubt that Myron Locky is a top-notch swimmer. He is the workhorse of the Demon squad and is always in good shape. As captain, he sets a good example for the other members of the team to follow. And when the annals of Northwestern are written, his name will go down as one of the "greatest swimmers" ever to come to Northwestern.

Men's Intramurals

The men's intramural volley ball league was officially opened this week as Sigma Tau jumped into the lead by posting two games in the win column. However, if scores are any indication, this season's play will be just as close as the past intramural football season.

Sigma Tau took the measure of the Chowhounds 21-17, and then beat Rebel Hall 21-13. Phi Kap defeated BMOC 21-6, in the only other game played thus far in the young season.

All games are to be played in the men's gym with the first game starting at 6:00 and the second contest following immediately.

Schedule for January

Tuesday, Jan. 6, Chowhounds vs. BMOC.

Wednesday, Jan. 7, Phi Kap vs. Sigma Tau.

Monday, Jan. 12, BMOC vs. Frames.

Tuesday, Jan. 13, Sigma Tau vs. BMOC.

Frames vs. Rebels.

Wednesday, Jan. 14, Chowhounds vs. Frames.

Thursday, Jan. 15, Rebel Hall vs. Phi Kap.

Monday, Jan. 19, Chowhounds vs. Phi Kap.

Tuesday, Jan. 20, Phi Kap vs. Frames.

King's Korner

By "RED" KING

Our basketball team has done a fine job of hustling this season. Althongh they have been playing some top notch competiton, they have been bringing home the bacon for "Ol" NSC." However, as the season progresses the Demons are going to have to hustle more and more to win their games.

Since the Demons have shown such a fine caliber of ball thus far this season, other teams of the conference will mark NSC at the team to beat. Of course, the Demons won't be the only team that will have tough sledding. Centenary and Southeastern have also been playing the role of "Giant Killer" this season.

Cntenary knocked off the University of Arizona last week in a game that marked Arizona's first loss on their home court in five years. Southeastern defeated Mississippi Southern earlier in the season for Southern's only loss of the season. Among Southern's victims are the University of Alabama and Western Michigan, two top competitors in their conferences.

The students can also help the Demons along the road to another GSC crown. It is the job of the students to help keep the teams moral high. In basketball a team can't play their best brand of ball all season. Every team will have at least one slump during the season, and NSC is no exception to the rule. The students can help keep the moral of the team high by letting the team know that we are behind them, win or lose. If the Demons lose, don't start griping about the way they played. They probably know much better than you the mistakes they made. Instead, root even harder in the next game.

We have a good team, so let's support them the way a good team should be supported.

If, in the near future, someone walks up to you and yells "Touche" don't turn and run because it's probably just one of the students practicing their fencing lessons. From what I've heard around the campus these classes are quite interesting. Mr. Kenner said if the school can find enough students in terested in fencing that maybe by next year fencing will be added as inter-collegiate sport. He stated that he has found that there are enough schools around this area to furnish us with a maximum of competiton.

Classes are held every Monday and Thursday nights at 6 o'clock in the men's gym. Why not come out and learn the manly art of defending yourself with a sword? It might come in handy some day. This is especially true for you men that expect to get married. When you come late at night and your wife gets after you with a butcher knife, you can always pull out your trusty jocket knife and defend yourself.

A lot of students could sure learn some lessons from these lessons besides just how to defend yourself. If you walked up to some of the students on this campus and said "Touche" they would probably think you were a tooth paste salesman and you would get an answer like this, "Sorry, but I use Ipana." I asked a student (not mentioning any names) the other day if he were going to take fencing lessons. This is what he replied, "Of course not, I already know how to make fences, I've been making them for my parents all my life." Some people don't have no "larnig."

This is plug for the fencing class, as you have already noticed, and I will consider this a good job if you "get the point" and come out Monday night.

NSC Campus Yuletide Spirit

Once more the Christmas season has come to the campus. There are Christmas trees everywhere. Holiday music comes from the Men's gymnasium. The sign in the dining hall proclaims the season's greetings.

"Party" is heard on everyone's lips. There are dormitory parties, sorority and fraternity parties, and religious organization parties. The colored help here have a party. Nobody gets left out.

But—there is a fly in the ointment. What makes a good Christmas party? Many things, some of which are food, entertainment, and presents. What do these things have in common? Yes, they all cost money.

The demand for money is small at first, but it s oon grows to gigantic proportions. A quarter must be given for the dormitory Christmas party, then two days later, a quarter must be donated to buy presents for the Dean of Women and for the housemother.

Of course, a present (or presents) must be bought for one's roommate or roommates. Then social and religious organizations must have their share of the rapidly dwindling contents of the pocketbook. Family and that special friend must be provided for, too. Wrapping paper, Christmas cards, and Scotch tape are necesities at this season, and one's last few cents are spent for these things.

However, when one sees the happiness in the eyes of those who receive the gifts—the Dean, the house-mother, the roommate, and especially the special friend, he is sorry that he didn't spend more, for even though it does cost to give, the act of giving does much to spread that Christmas feeling and to make everyone ready for the best gift of all—a two week vacation with play!

Christmas at Home Is Observed

The annual celebration of Christmas at Home was enjoyed by students, faculty and staff and townspeople, Sunday Dec. 7, when it was held in the Living Room of Varnado Hall.

Receiving the guests were Dr. Kathleen Guillard, Dean of Women, Miss Claudine Box, AWS president; Miss Doris Bolin, vice-president; Miss Mona Gray Miller, secretary; Miss Barbara Herron, treasurer; Miss Louise Vick, social chairman; and Miss Patsy Winkler, publicity director.

Located around the room were the various scenes and individual dolls dressed as nursery rhyme characters, which were dressed by dormitories and individuals.

The scenes and dolls were judged by Mr. Grant Kenner of the Art Department. The first place scene was prepared by Agnes Morris dormitory. Miss Tommie Blackburn's "Curly Locks" ranked first among the inidvidual dolls.

Approximately 200 guests attended.

Annual Mardi Gras Ball, Ballet Show To Initiate Spring Activities

Ballet Artist In Series Program On February 2

Youth, beauty, grace, a woman of talent and intelligence—these describe Marina Svetlova, prima ballerina, who appears here Feb. 2 in the Fine Arts auditorium at 8:15 p.m. with her touring company composed of Robert Clader, Teresita La Tana, and concert pianist, Theodor Haig. Wherever she perfoms—South America, Mexico, Cuba, Hawaii, Austrailia, the United States, Canada—her appearances are greeted with eager enthusiasm.

Born in Paris, Svetlova began dancing at the age of nine and studied with such famous teachers as Preobrajinska, Trefilova and Gzovsky. Her inherent spirit of the dance was immediately recognized, and she was known as the "baby ballerina." Serge Lifar ballet master of the Grand Opera of Paris, said of her "All of her movements are inspired and her lines enticingly fluid." For three consecutive years Marina Svetlova won the International Championship of the Dance, an achievement never before—or since— equalled, much less surpassed.

Signing with the original Ballet Russe de Monte Carlo in the early days of World War II, the young artist toured extensively with that famed troupe in Australia, the United States, Canada, Mexico and Cuba. Performances in the major art centers of this country included appearances at the Philharmonic Auditorium of Los Angles, the Chicago and Boston Opera Houses, Carnegie Hall the Hollywood Theater of New York. Audiences will long remember her in the starring roles of such ballets as "Paganini, "Graduation Ball," "les Sylphides," and "Aurora's Wedding."

The dance Masters of America selected Marina Svetlova as its leading guest teacher for their 1950 national convention.

Because of her love for ballet and her eagerness to share its enjoyment with as wide as audience as possible, Svetlova organized her own company so that she could bring ballet to concert-hall audiences is as widespread an area as her operatice schedules would permit. Every year since 1944 she has toured the United States and Canada with this concert group, making more than 500 appearances in over 400 cities acroos the continent. During one record-breaking season Svetlova filled a schedule of 96 concerts. During the 1951-52 season she filled 70 engagements extending from Eastern Canada to Honolulu. Eighteen of these performances were re-engagements, Each year more and more cities call her back for second, third and even fourth engagements.

Intensely alive and vivacious as well as a brilliant artist, Marina Sveltlova is as vivid off-stage as she is on. She not only radiates charm and personality, but she is inntelligent, quick, and business-conscious as well, —as combination rarely found in artists. Already world-famous while still in her twenties, she strives to make every perfomance still greater achivement. A choreographer as well as well as a great performer, Svetlova is constantly creating new ballets to add to her extensive repertoire.

Audiences delight in her fusion of refreshingly new choreographies and techinques with the finest traditions of the classic ballet.

Reserve seats will be available in the college book store by Jan. 23.

MARINA SVETLOVA

Northwestern Will Be Hosts To Debaters From Cambridge University, March 18

On March 18, 1953 the debate team from Cambridge University of London, England will compete against two people chosen from the Northwestern Student body. The Cambridge team is on a two months tour of exhibition debates with American colleges and universities. The team is composed of Peter John Mansfield of Ranchi, India and Alistair Hubert Sampson of London.

Any member of the Northwestern student body is invited to try out for this debate. The tryouts will consist of five minute speeches for or against one of the following topics: "American success owes everything to co-education" or "The American Rebellion should be suppressed." Anyone interested should sign up in the speech office as soon as possible. The tryouts will be held in the Little Theater of the Fine Arts building, January 30, at four o'clock.

The exhibition debate promises to be one of the highlights of the year at Northwestern. The Cambridge debaters are noted as much for their wit and humor as for their intelligence and logic. Colleges throughout the nation have acclaimed the skillful and entertaining manner in which they conduct the debates. This debate should be a very enlightening and entertaining experience both for the participants and the audience.

Northwestern is honored by these debaters scheduling debates here as they will debate at only two other Louisiana schools, LSU and Tulane.

Phi Mu Alpha's Mardi Gras Ball Will Have "Louisiana" For Theme

Phi Mu Alpha will get the spring semester at Northwestern off with a bang on the night of February 13 as it stages its annual Mardi Gras ball in the student center with "Louisiana" as the theme and all costumes relating to the state's history, products, or industry.

Plans and preparations are still under way to make this year's costume ball, an all college affair, the best that the Phi Mu Alpha music fraternity has ever staged.

An added attraction this time will be the coronation of a king and queen and the presentation of the queen's court. The coronation relates to the crowning of King Rex in the gala New Orleans Mardi Gras celebration.

"Louisiana was chosen as the theme of the ball because 1953 is the 150th anniversary of the Louisiana Purchase. Everyone who attends must be in a costume relating in some way to Louisiana, past or present, such as colonial, southern planter, Indian, civil war, pirate, negro, Acadian, cowboy, or any costume typical of sections of the state.

Masks must be worn with the costumes and prizes will be given to the boy and girl with the best costume.

rations for the ball are being designed by Betty Brittenburg and Linda Shows, both freshmen students of Natchitoches, and will also carry out the "Louisiana" theme.

The dance music which is to be furnished by the Demonaires, will begin at 8:00. At 8:15 will come the arrival of the king and all the fraternity members. After the king welcomes the guests, the queen and her court will be presented. After the king and quen have danced to one verse of a song, fraternity members and maids in the queen's court will join in and dance to the remainder of the music.

The ball will officially begin then and everyone may then dance.

The idea of the ball relates to the annual Mardi Gras celebration held in most Catholic countries as well as New Orleans in this nation.

MAGAZINE SOLICITORS ARRESTED WEDNESDAY ON COLLEGE CAMPUS

Five persons were arrested late Wednesday by city police on the Northwestern State campus for soliciting magazine subscriptions in various dormitories of the college.

A city ordinance prohibits house-to-house soliciting of any kind within the city limits of Natchitoches.

Arrested and later released on $25 bond were Madeline Waeha, Tommy Legerman, Wayne Goeth, Kenneth Orent, and Jim Puckett, all of whom were representatives of the International Readers League of Dallas, Texas.

City police had been alerted Wednesday afternoon when reports from various citizens came in of the presence of the solicitors. No trace of them could be found at that time.

That night, Tommy Reid, who lives in South Barracks dormitory at the college, called in to the police station and reported that two men were soliciting magazine subscriptions in his dormitory.

Police John Aaron and Officer Reggie Schmerheim went to the college and arrested the five in three different dormitories.

None of them admitted knowing about the city ordinance prohibiting soliciting.

Dietician Speaks To Home Ec. Class

Mrs. Agnes Bannister. Chief Dietetic Service, Veterans Administration Hospital, Houston, Texas, visited the home economics department on Thursday, January eight. Major Bannister talked to home economics students on dietetics as a career. She pointed out the many possibilities open to Home Economics graduates in this field, and particulary stressed the advantages of dietetic internship with the Veterans Administration.

Rubinoff And His Violin To Appear For Concerts Here In The Fine Arts Auditorium On January 29

Educators, aware of the value of music appreciation in schooling are enthusiastic in commending The Natchitoches Lions Club for bringing Rubinoff and his famed Stradivarius to Natchitoches in the Fine Arts auditorium January 29, at 8:15 p.m.

Rubinoff will appear in two concerts; a matinee for grade, high school, college students the community and outlying districts—and an evening concert.

First concert artist to bring the music field direct to the boys and girls of school age, Rubinoff's special matinees have been enthusiastcally received by teenagers throughout the country. Public school heads and university officials in every section of the United States have praised his "music" appreciation hour" as many have termed it, and the maestro's files buldge with letters form top educators expressing approval and gratitude. Letters with phrases such as, "You are doing a great piece of work when you share your talents with children"—A. E. Larry, Princapl, Bowie High School, El Paso, Texas; "The effect on the yonug minds of our school was maknetic"—B. F. Comfort, Principal, Cass Technical High School, Detroit; "Of great value to the students who were fortunate enough to hear you"—S. A. Pepper, Principal, Senior High Sacramento, California.

The interest of young America has been continually held by Rubinoff, not alone because of his artistry but in a large measure because his matinee appearances are geared to his audience reaction. He does not "play down" to them, and from the moment he strikes the first note - whether it be the crashing note of a classical rendition or the lilting swing of popular music -the youthful audience reacts with appreciation and approval.

Interspersing his varied one-hour musical program with educational highlights from his own career, Rubinoff's matinees have become more than just the appearance of artist and violin. His remarks, eyed to the times and with his own career as living proof of accomplishment against great odds, are a lesson in Americanism.

The 1951-52 program is already considered one of the most popular yet offered on the concert stage, and the students who attend the matinee will hear such widely acclaimed as the Warsaw Concerto and Chopin's Polonaise-both played for the first time as violin solos; the full score of Gershwin's Rhapsody in Blue; the beautiful Intermezzo; and again, for the first time as a violin rendition, De Bussy's famed Clair De Lune.

On the lighter side the program includes Rubinoff's own "Fiddlin' the Fiddle" and his sensational arrangement of Cole Porter's "Don't Fence Me In". One of Porter's greatest hits, gets a special Rubinoff arrangement played in nine different variations, in the manner of Symphonic, Strauss Waltz, Rumba, Scotland, Ireland, Palestine, Russia, John Phillips Sousa, and Boogie Woogie.

Tickets for RUBINOFF CONCERT here are available at the College Book Store and from any Lion. Admission price are $2.40 and $1.80 for reserve seats and $1.20 for general admission.

Tryouts Underway For Spring Drama, "Night Must Fall"

Dr. Edna West, drama director at Northwestern, has announced that work on the spring production "Night Must Fall' has began. Tryouts for the mystery-thriller were held Wednesday, Thursday and Friday of this week, but interested persons who did not attend these meetings may try out Monday afternoon from 3:00 to 5:00.

The play, a three act by Emlyn Williams, promises to be one of the outstanding events of the year at Northwestern.

It has had successful runs in London, New York, and has ben exceptionally well received when presented by hemi-professional and amateur groups throughout the nation.

Rehearsals for 'Nights Must Fall' will not begin until the spring semester. Production dates will be February 26 and 27. Because of the intimacy of the setting, and the suspense, the play will be presented in the Little Theatre of the Fine Arts Building.

NOTICE

There will be an important meeting of all candidates for graduation on Wednesday, January, 14, 1953, at 4 p.m. in Warren Easton auditorium. It is imperative that all candidates be present.

Leo T. Allbritten

LAFF OF THE WEEK

Six girls in the office recognized it right away.

Advertising Exams To Be Given

The sixth annual American Association of Advertising Agencies examination for advertising will be held on the Tulane University campus on February 21 and 28, according to H. E. McDonald, chairman of the New Orleans AAAA examination committee.

The tests are open to all considering advertising as a career.

Students in college may take the examination if they are in their junior or senior year. The aptitude-temperament section of the examination will be held on Saturday, February 21. Additional optional tests of practical knowledge, for people with training in advertising, will be given on the following Saturday.

"The examinations will be given this year by AAAA chapters throughout the nation," Mr. McDonald said. "We are particularly anxious to encourage college juniors and seniors, who are interested in advertising careers, to take these tests. Through these tests the inexperienced person can see how his abilities compare with those of some 4,500 people now employed in advertising.

"In this way we hope to encourage and guide people who show promise for advertising, and at the same time, save others with less aptitude for advertising from months, even years, of misdirected effort in the wrong field."

A fee of $20.00 will be charged to cover part of the cost of the examination. Additional information and application blanks may be obtained from Mr. H. E. McDonald of the Fitzgerald Advertising Agency, the Lee Circle Building, New Orleans 13, Louisiana.

Industrail Arts' Study Reveals Interesting Facts About Graduates

A follow-up study of all graduates from Northwestern State college who have majored in industrial arts or vocational-industrial education is being made by the Department of Industrial Educa tion. Results from 56% of the graduates reveal they are engaged in a variety of occupations scattered widely over six states, Puerto Rico, and Alaska. Teaching industrial arts or vocational-industrial education lead with approximately 70%. The armed services have approximately 10%, while 20% are working in industry. Two industrial arts graduates are serving as elementary principals, one in Reedsport, Oregon, and the other at Boothville, Louisiana.. Five vocational-industrial graduates are directors of trade schools in Louisiana, and one each in the following position: Director of Curriculum Laboratory for Louisiana trade schools, trade school coordinator, and state supervisor of trade and industrial education.

The average salary of industrial arts graduates who are teaching and responded to the questionnaire is $3307, those working in industry $3849, while the vocational-industrial group had an average of $4998 for the year.

Within the last five years industry has been competing with the schools for trained personnel in the industrial field. Consequently, the demand for industrial education graduates has exceeded the supply. The differential in salary has caused many industrial arts men to leave the teaching profession for better positions in industry. Others have gone direct to industry upon graduation. Some of the more recent graduates and the industries in which they are employed are: William Jennings (1950), Tool Designer, Air Craft Industry, St. Louis, Missouri. Raymond Mayeux (1952) Mechanical Engineering-Time and Motion Study, J. B. Beaird, Shreveport. Hulin Elkins (1950) Class "A" Engineering, Temco Air Craft Company, Sterlington, Texas. William Ford (1950) Engineering Drafting, Lufkin Trailer Company, Lufkin, Texas. Thomas Valentine (1951) Engineering Drafting, Nabors Trailer Company, Mansfield. Charles McKee (1949) Manual Arts Therapy, Veteran's Hospital, Alexandria. James Arnold (1950) Supervisor Carpenter Shop, Camp Polk. Mike LeBlieu (1950) Electrician, Camp Polk. Orval Waterhout (1948) Tool Designer, MeQuay Norris, St. Louis, Missouri. Jaul LeBlieu (1949) Southern Bell Telephone Co., installer of equipment, Houston, Texas. Joe Cunningham (1949) Southern Bell Telephone Company, training for managerial position, New Orleans.

Vern Mikkelson of the Minneapolis Lakers NBA champions, gained credits towards his masters degree this summer by studing in Oslo, Norway.

Society

Pi Kappa Sigma

Well as usual the After Christmas meeting was filled with excitement as the girls told what "Santa" brought for Christmas. Glynn Ellen Pennington couldn't wait to tell what the jolly old man brought her for you see it was Bobby in person, and thats not all because he brought her a beautiful diamond ring. She brought the sorority a box of candy to celebrate the occasion.

The president presented the sorority with a pen and pen stand from the Lake Charles alumna chapter. She also presented Miss Phillips with a Pi Kap pen from the sorority. The pen didn't arrive in time to give it to her for Christmas.

The girls were still in a dither about the Christmas party given by the pledges before Christmas. Each girl brought a gift for the house and presented to the president on the night of the Christmas party. Among the gifts were two beautiful lamps given by the pledges and a most beautiful sterling silver serving tray presented to the group by Miss Phillips. Other gifts were received from Ann Winkler of Alexandria and Mrs. Holstein.

The party was such a success and so many of the girls showed off their talent that we are calling on some of them to represent us at the Pan Hellanic Backward Dance.

Among the Christmas activities planned before the holidays was to visit the Veterans Hospitals in Shreveport and Alexandria. The Shreveport group also had a luncheon in the Zephyr Room of the Washington Youree Hotel on Debecca Hall also of Bossier City, and Marion Cofer of Shreveport.

Mrs. Nelda Madden Simmons was cember 30. Those atending the luncheon were: Bobbie Patterson, Glynn Ellen Pennington, Donita Gothard, Barbara Fedricks, Jeannie Johnson, Betty Conlan, Carolyn Alexander, Lora Faye Kemper; Alums attending were Ollivette a guest at the meeting. We were all glad to learn that she and Johnnie are making their home in Natchitoches.

After the meeting the pledges came over for a social get together.

Sigma Sigma Sigma

At the regular Tuesday night meeting, the Tri Sigs received from Sunshine Fleming an invitation to her wedding. Sunshine, now in nursing training in Shreveport, also sent a box of delicious candy.

Last minute preparations were made for the party given Friday night.

Plans were also discussed for the annual pledge tea to be held the first week in February. This year the tea will be combined with the Silver Anniversary of Alpha Zeta Chapter.

Delta Sigma Epsilon

The DSE's discussed the Pan-Hellenic's All-College dance, and our part of the floor show.

Christmas cards for DSE chapters all over the coutry were read and enjoyed by all the members.

Congratulations to two of our sisters, who were married during the holidays—Fon Elliott became Mrs. Jack Billiard and La Verne Hopper married Jimmy Gresham.

Also, congratulations go out to Peggy Trichel, Lorraine Vaughn, and Jane Williams, who are now engaged. They passed around the traditional boxes of chocolates, and the other two boxes were saved for the next meeting.

Alpha Sigma Alpha

Congratulations go to Alpha Sigs, Mildred Young and Patsy Reynolds, who became engaged during the Christmas holidays. Mildred is engaged to Ed Jordan; and Patsy is sporting a ring from John Duke.

The pledges surely are working hard. And at the last pledge meeting, thy planned a big surprise for the members.

At the last meeting on Tuesday night, plans began to take shape for the annual fraternity parties, camping party, and spring formal, as committees were appointed and ideas presented.

Jeanette Dowden was married to Leland Langridge on December 28, in her home at two o'clock. They are now residing in Vets Town.

Sigma Alpha Iota

At the regular meeting Wednesday night the S.A.I. members discussed the activities for next semester. A letter received from a a national officer was read and a vote was taken on its contents.

Programs to be presented by the group were discussed and plans were made concerning the types of programs to be given. The uniform dress of red and white is being prepared so that it may make its appearance for next semester.

Congratulations go to Dot Corry who is to be married in March. She will be greatly missed

Weddings, Engagements

It seems that the marriage fever was in the limelight during the Christmas holidays.

Among the newly married couples of Northwestern State are Fon Elliot and Jack Billard, Laverne Hopper and Jimmy Gresham, Jackie Funderburke and Guy Cheek, Jeanette Dowden and Leland Langridge, Clydie Mae Beacham and Bob Price of Pineville and Sarah Nell Woodall and Robert Younger.

Girls wearing new diamonds are Lorraine Vaughn, who is engaged to Clyde Watson of Lake Charles; Mimi Young, engaged to Ed Jordan; Betty Fredieu; Jane Williams, who is engaged to Jack Simpson; Peggy Trichel, engaged to Robert Vorhees; Glynn Ellen Pennington, engaged to Bobby Davis; and Annie Ruth Taylor, engaged to Ronnie Byrd.

NOTICE

There will be an important meeting of all candidates for graduation on Wednesday, January, 14, 1953, at 4 p.m. in Warren Easton auditorium. It is imperative that all candidates be present.

Leo T. Allbritten

Students Return To Old Routine After Two Weeks Of High Living

Well, here we are back from the Christmas holidays. However, many of us wish we had never returned, for final tests have raised their ugly heads. It is discouraging to the student to abandon himself in riotous living for two happy weeks, and then return to school to face the harrowing ordeal of finals.

Something should be done to remedy this sad situation. It is harmful to a system geared to wine, members of the opposite sex, and song, late hours and bright lights to abruptly be forced to conform to the strict routine of studying for finals.

If this condition is not changed, the students at NSC will all probably become mere shells of their former selves, their nervous systems shot to—pieces. Perhaps the school could give a short vacation at Christmas, approximately four days. Then between semesters and after finals, we could have two or three weeks in which to enjoy ourselves to the fullest. This has been done in other schools and has worked very well.

Of course, if the powers-that-be object to this, there is another plan which would take much work from the shoulders of the faculty, i. e., do away with finals altogether.

Oh, well, I still think it's a good idea.

NORTHWESTERN STATE COLLEGE
Examination Schedule
Fall Semester, 1952

Friday, January 16, 1953

8:00—10:30 A. M. ..... 3 MWF
1:00— 3:30 P. M. ..... 3 TTS

Saturday, January 17, 1953

8:00—10:30 A. M. ..... 1 MWF
1:00— 3:30 P. M. ..... 1 TTS

Monday, January 19, 1953

8:00—10:30 A. M. ..... 4 MWF
1:00— 3:30 P. M. ..... 4 TTS

Tuesday, January 20, 1953

8:00—10:30 A. M. ..... 2 MWF
1:00— 3:30 P. M. ..... 2 TTS

Wednesday, January 21, 1953

8:00—10:30 A. M. ..... 5 MWF
1:00— 3:30 P. M. ..... 6 MWF

Thursday, January 22, 1953

8:00—10:30 A. M. ..... 5-6 TT
1:00— 3:30 P. M. ..... 7 MWF & 7 TT

(1) Special Study Week Begins at 8:00 A. M., Friday January 9, 1953.

(2) Grades of candidates for graduation are due Tuesday, January 20, at 1:00 P. M. Candidates for graduation are to take examinations according to regular schedule through Monday, January 10. For those candidates for graduation having regularly scheduled examinations on January 20-22, instructors will arrange special examination periods.

(3) All other grades are due Friday, January 23, 1953, at 1:00 P. M.

(4) Instructors will arrange original and duplicate grade slips alphabetically—not by separate classes. The original set will be delivered to the Registrar's Office; the duplicates to the office of the appropriate academic dean.

(5) All teachers and students are expected to follow this schedule of examinations. Any change must have the approval of the appropriate dean.

NOTES: Graduation exercises are to be held Thursday, January 22, at 7:30 P. M. The semester closes at noon, Friday, January 23. Registration for the Spring Semester is scheduled for Tuesday, January 27, and class work begins at 8:00 A. M., Wednesday, January 28, 1953.

Fraternity Pictures

Fraternity pictures fro the 1953 Potpourri will be taken at Guillet's Studio according to the following schedule:

Phi Kappa Nu ..... Tuesday, Jan. 13. 5:30-7 p. m.
Lambda Zeta ..... Wednesday, Jan. 14 4:00-7 p. m.
Sigma Tau Gamma ..... Wednesday, Jan. 14 5:30-7 p. m.

Mr. Guillet will furnish transportation to his studio if anyone of the above groups contact him. There is a charge of $1.50 per individual for the pictures.

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

THE CURRENT SAUCE

Entered as second class matter at Natchitoches, Louisiana.
Current Sauce is published weekly, except during holidays and test weeks by the Student Body of Northwestern State College.

Council Minutes

The Student Council met at 5:45 in the Faculty Room of Caldwell Hall with Leland Langridge presiding. Present were: Leland Langridge, Ronnie Quinn, Winnie Dowden, Ben Singletary, Mary Murphy, Mary Sue Bellew, Lowell Starnes, and John Manning.

It was discussed that there is a need for some project sponsored by student government. Each member should try to get some new ideas.

The budget was discussed.

New books will be bought for the treasurer.

The report on the point systsm will be brought up at the next meeting.

Mary Murphy moved the meeting be adjourned; Ben Singleton seconded the motion. The meeting was adjourned.

Respectfully submitted,
Mary Sue Bellew

Last All-college Dance For This Semester Will Be Held Tonight

There will be an all college dance in the Student Center Tonight, from eight until eleven o'clock. It is to be the first since Christmas, and the last this semester. The Demonaires will furnish the musice.

Everyone is invited.

Jack Rabbits is the name of one of the safety men on the West Virginia University football team.

Two New Officers For AWS Council Appointed Wednesday

At the monthly meeting of the Associated Women Students Wednesday afternoon, January 7, two new officers were appointed to serve on the council for the spring semester.

They were Sue Wheat, who will succeed Marie Tilleux as senior representative to the judiciary board, and Betty Sue Boydstun who will fill the position as corresponding secretary of AWS, formerly held by Rose McRight. Both Marie Tilleaux and Rose McRight will be leaving N. S. C. at the end of tthis semester.

Other business discussed included the Annual Spring Convocation and the Backwards Dance, both to be held this spring.

Vern Mikkelson of the Minneapolis NBA champions, gained credits toward his masters degree this summer by studying in Oslo, Norway.

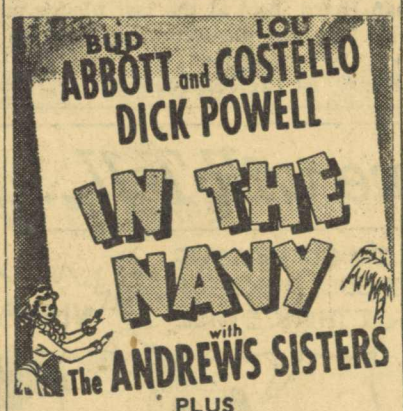

The earliest pennant clinching date in American League history was Sept. 4 when the 1941 Yankees did the trick.

FLOREDA DUKE

Marine Lieutenant Will Speak Jan. 13 To Women Grads

Marine Lieutenant Floreda Duke will be in Natchitoches Louisiana, January 13 for one day to talk to college women graduates and under graduates about the opportunity to become commissioned officer in the Marine Corps Reserve.

Lt. Duke will be on the campus of Northwestern State College most of her stay.

Women sophomores, juniors and seniors, as well as college graduates are eligible to apply for the Women Officers Training Class to be held in June at the Marine Corps schools Quantico, Virginia. Applications must be at least 18 years of age at the time of enrollment and less than 27 on July lst of the year in which they expect to be commissioned.

Undergraduates accepted for the class will attend two summer training periods of six weeks each. After successfully completing two courses, and upon graduation from college, the women candidates will be commissioned. Women who are already college seniors or graduates may complete both courses in one summer and be commissioned immediately.

Women Marine Officers are assigned many job classifications today, which includes such fields as machine accounting, aerology, communications, intelligence work, food service, finance, special service, supply and public information. A limited number are now assigned to duty with Marine Corps Fleet Marine Force units in Europe and Hawii.

Backward Dance Will Be Staged February 7

The Panhellenic Council, composed of members of each of the five sororities on the campus, is planning a Backwards Dance, on Feb. 7, 1953, from 9 to 12 p. m.

Each girl on the campus is urged to attend and bring a date. Only girl stags will be allowed in. No corsages are necessary.

The theme if the dance is a Valentine Ball and decorations will be in keeping with the theme. Music will be furnished by the Demonaries, and the floor show entertainment will be provided by the sororities.

FORMER NSC TEACHER OF JOURNALISM DIES FROM STROKE NOV. 4

News of the death of Professor J. Wymond French, professor of journalism at Indiana university, was received here this week in a letter from J. E. Stempel, chairman of the department, to Dillard Hardin.

He suffered a stroke and died in a hospital on November 4, following brain surgery.

Dr. French served as journalism instructor and director of publicity at Northwestern two years ago while on sabbatical leave from the university. He made numerous friends throughout the state while in Natchitoches.

THREE NEW MEMBERS ARE INITIATED INTO DAVIS PLAYERS

Three new members were initiated into Davis Players, the dramatic production organization here on the campus, at the regular meeting of the club Thursday evening. The students receiving the honorable recognition are Bobby Byles, Natchitoches; Winnie Ruth Huston, Baton Rouge; and Jim Vorhoff, Abbeville.

Membership to Davis Players is by invitaiton extended in recognition of satisfactory work done in or on two plays presented on the Northwestren State campus, such work amounting in numerical value to a minimum of twenty-five points. These students are to be congratulated on the variety of fields of work in which they have participated, ranging from acting to costuming, make-up, stage scenic construction, and other elements of dramatic production.

Students upon whom this damatic honor was bestowed earlier in the semester are: Gervais Aldredge, Natchitoches; Isaac Abraham, Mansfield; John Boogaerts, Alexandria; Pat Hankins, Natchitoches.

Betty Sue Boydstun, Natchitoches, is president of the club, and Tommie Blackbourne, Shreveport, is first vice-president. These two students hold the seniority of membership among the present personnel. All of the members will be actively engaged in the presentation of the outstanding murder thriller NIGHT MUST FALL, the play to be offered for the Natchitoches public on February 26 and 27 in the Little Theatre on the NSC campus.

Inter-Faith Group Sponsors Service Wednesday Night

A Feast of Lights service observing Twelfth Night or Epiphany was sponsored by the Northwestern State college inter-denominational council at the Trinity Espiscopal church, Wednesday night at 5:45 p. m.

Though the ages light has been the symbol of progress and truth. The Feast of Lights depicting the spread of Christian Truth, had its orgin in the Eastern Church very early, even antedating the observance of Christmas by the Western Church. Today, many young people feel a deep sense of the importance of the historic continuity of the church, the universality of Christ, and the beauty and glory of the Christian message as included this festival in its year's plans for all the youth of the church.

The service was in the form of a pagent. To symbolize the spread of Christianity, each member of the pageant lit a candle by the Christ candle until the light of Christ was spread throughout the congregation. In closing everyone marched from the church singing "Onward Christian Soldiers."

Student Governing Bodies Very Busy According To SFLUC Uniform Reports

Student governing bodies which are members of the Student Federation of Louisiana Colleges and Universities have been working actively this fall, according to the first SFLCU "uniform reports" received by Travis De Reese of Louisiana Tech, president of the state organization.

Several of the student governing groups inaugurated fall activities with dances such as the "Howdy" dance that the Centenary College Student Senate sponsored.

Freshmen at Louisiana State university were entertained with "Freshman Frolic," a show with some of the best talent on the campus, which the Student Council presented during registration week. Also sponsored by the L. S. U. Student Council for new students was the annual Freshman Day. Activities for the day began at a 2 p.m. ceremony and concluded with a dance that nightwhich only first year students could attend.

Conducting elections has been an activity of several Louisiana Student governing groups this fall.

Tulane University's Student Council sponsored the election of the homecoming queen and her court. The Student Senate at Louisiana Tech has conducted elections for cheerleaders, freshman class officers, and a queen and maids for the traditional state fair game with Northwestern.

At Southwestern Louisiana Insitute the Student Council is erecting stands on the highways to aid students in getting rides. The Student Senate at Centenary is putting up a sign on one highway approach to Shreveport which will read "Welcome to Shreveport, Home of Centenary College." A civic organization in Shreveport has been asked by the student group to duplicate the sign on another highway.

L.S.U.'S Student Council has tentattively set May 9 for their spring formal. They plan to secure a "name band" for the dance. Student Federation officials are trying to work out a schedule so that several colleges may wrok together to get a band lowered cost to each school. Group interested in inclusion on this schedule should contact SFLCU vice-president Pat Caffery at Southwestern.

Other available exchange entertainment includes the bands at McNeese State College, Louisiana Tech, the Centenary Choir, and the Tech Student Senate's talent show.

Financial efforts by student governing groups at Louisiana institutions have included a plan at McNeese State College in which members of the senior class have sold ribbon souvenirs before football games.

Social activities at the various schools have included receptions after all sports events at Louisiana College and Northwestern State College.

Demon Swimmers Inaugurate Home Schedule This Afternoon

PICTURED ABOVE ARE TWO MEMBERS of the Demon Girl's swimming team who will compete against an aqua team from Little Rock, Arkansas this afternoon. Sitting on the bank of the pool is Virginia Metcafe and in the water is Gloria Hodges.

CONSOLATION FINALS

NSC Demons won the consolation finals of the GSC basketball tournament held on the Centenary College campus during the holidays. Northwestern nipped a "hustling" Northeast State five 53-51 for the victory. A gold plaque was awarded the Purple and White as a result of the win.

NSC Men Favored, Girls Underdog; Match Only Counted As Practice Meet

Northwestern State College Demon swimmers, both male and female, will wet their water wings in the NSC natatorium for the first time this season when they attempt to splash their way to a victory over the Little Rock Boys' Club. The meet will take place at 3:00 p.m. this afternoon.

This will be the first match on the campus for both teams. However, for the Demon boys it will only count as a practice meet since the Little Rock team is not composed of college swimmers. The NSC tankmen open their college competitive swimming against Southern Methodist University, January 31, on the Purple and White campus.

The Demon's took a lop-sided 42-26 verdict from the Boys' Club in an earlier match last month. The meet was a one sided affair with the NSC crew capturing every first place in competition except the diving event.

However, on the women's side of the picture, it didn't turn out as well. The NSC girls came out on the short end of a 43-13 decision with the Arkansas women. Toby Livingston got the only first place finish for the Natchitoches team. She won the 60 yard individual medley.

Dennis Ryder, one of last year's consistent winners, is off to a fast start and will be counted on to bring home quite a few first place finishes. Ryder is a junior and a two letter man. He is the holder of the college record for the 440 yard free style race here at Northwestern.

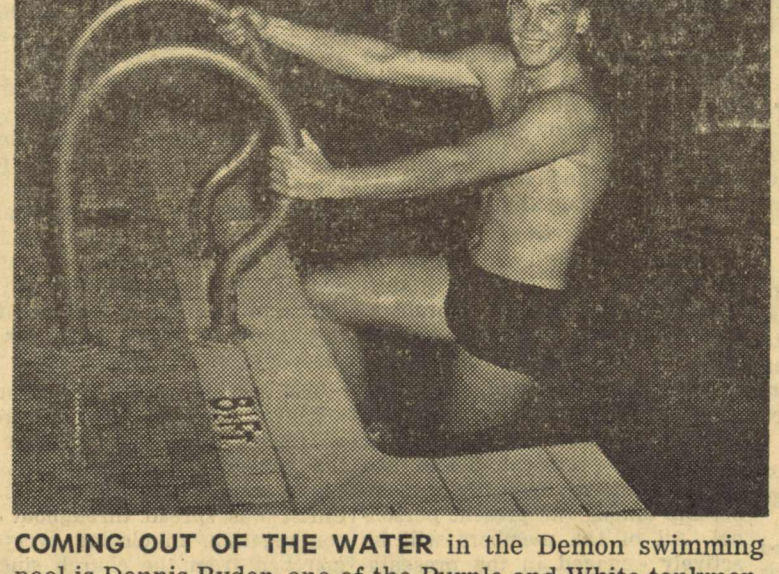

Into the hands of Brother Humble will fall the task of filling in the swim trunks of Jack Gaston, outstanding diver of last year. It is doubtful if he can do it this season but the look is to the future.

Other outstanding prospects are Peyton and Johnny Cunningham, Dean Clark, Tommy Kehoe, and Lyle Dillman.

The girl's swiming team is composed of inexperienced competitive swimmers. This is the first time Northwestern has fielded a team of this sort. Some of the better aquamermaids are Freddie Jones, Lyria Lawrence, Virginia Metcalf, Toby Livingston and Gloria Hodges.

Although the girls did not do as well as their male counterpart in that previous practice meet, Coach Jean Maeys expects to make an appreciable showing against the Little Rock club.

There will be ten events for men and seven for women along with a synchronized swimming demonstration.

COMING OUT OF THE WATER in the Demon swimming pool is Dennis Ryder, one of the Purple and White tankmen. Ryder will represent Northwestern this afternoon in the meet against Little Rock Boys' Club in the middle and long distance racing events.

Northwestern Downs Northeast 78-60; Third Win Over Indians This Season

Playing the Northeast State College cagers of Monroe for the third time this season, the Northwestern basketball team surged from behind on the sharp shooting of Bill Collinsworth, Murrel Walker, and Ken Shaw and once again defeated the Indians. Final score: NSC 78—Northeast State 60.

This defeat of the Northeast lads in Monroe, Tuesday night, lifted the Demon's over-all won and loss record to 11 and 3, and gave the Northwestern team a 3-0 game average with the Northeast quintet. Northwestern previously downed the "hustling" Monroe club 91-51 on the Demon court and 53-51 in the GSC tournament in Shreveport last week.

Five minutes into the game the score was knotted at 6-6. The tempo increased and with three minutes left in the initial period Northeast led 12-11. Ken Shaw got hot for the Demons and they pulled ahead 16-14 with a minute left in the opening stanza. At the end of the period the Indians had come back to lead 19-18.

By the middle of the second quarter the Demons led 30-25 with the Indians hitting from out and NSC relying on lay-ups and tip-ins. The Demons got the range on the basket to lead 42-30 at halftime. Bill Collinsworth and Murrel Walker led the Demons in the initial half with nine points apiece. Shively and Williams paced Northeast before intermission with eight each.

Demon Ken Shaw, despite a back ailment, shone consistently on his rebounding and tip-ins, and four minutes into the third period, the Demons led 50-36. Indian center Robert Williams began looping in his left hook and Northeast pulled closer to NSC at 44-54 after seven minutes of the third stanza. The quarter ran out with the Demons ahead 58-48.

Northwestern still led 10 points three minutes into the final period, 64-54. With three minutes left in the game the Demons had upped their lead 70-58. The Indians began to tire and the Demons fastbroke their backs and went out of the game on top of 78-60 score.

For Northwestern Ken Shaw was high point-maker with 15 and for the Indians James Shively and Harold Davis, both guards, were the pace-makers with 14 each. George McConathy, NSC frosh ace, did not play due to a combination ailment of pneumonia and chicken pox.

The Demons' next game will be played in the college gym against Mississippi Southern, Jan. 17.

Demon Basketball Schedule

(Remaining Home Games)

Sat. Jan. 17—Miss. Southern
Wed. Jan.21—Mexico Oil Co.
*Fri. Jan 30—Southeastern
*Sat. Jan 31—Centenary
*Thurs. Feb. 5—Louisiana College
*Sat. Feb. 14—Southwestern
*Mon. Feb. 16—Spring Hill
*Tues. Feb. 24—Louisiana Tech
*Conference games.

Intramural Volleyball Schedule

Mon. Jan. 12 BMOC vs Frames
Tues. Jan. 13 Sigma Tau vs BMOC
Wed. Jan. 14 Chowhounds vs Frames
Thurs. Jan. 15 Rebel Hall vs Phi Kap
Mon. Jan 19 Chowhonuds vs Phi Kap
Tues. Jan. 20 Phi Kap vs Frames

All games are to be played in the men's gymnasium. The games start at 6:00 p.m.

Last Weeks Results

Chowhounds 21—BMOC 15
Phi Kap 21—Sigma Tau 19

—NOTICE—

Phi Epsilon Kappa, national honorary physical education fraternity, is sponsoring a meeting of all men and women physical education majors Monday night Jan. 12, at 6:30 p.m. in the men's gymnasium.

President H. Lee Prather will be guest speaker. His topic will be, "Sports as a Laboratory for Citizenship."

All P. E. majors are urged to attend.

Women's Intramural Basketball League Accepting Entries

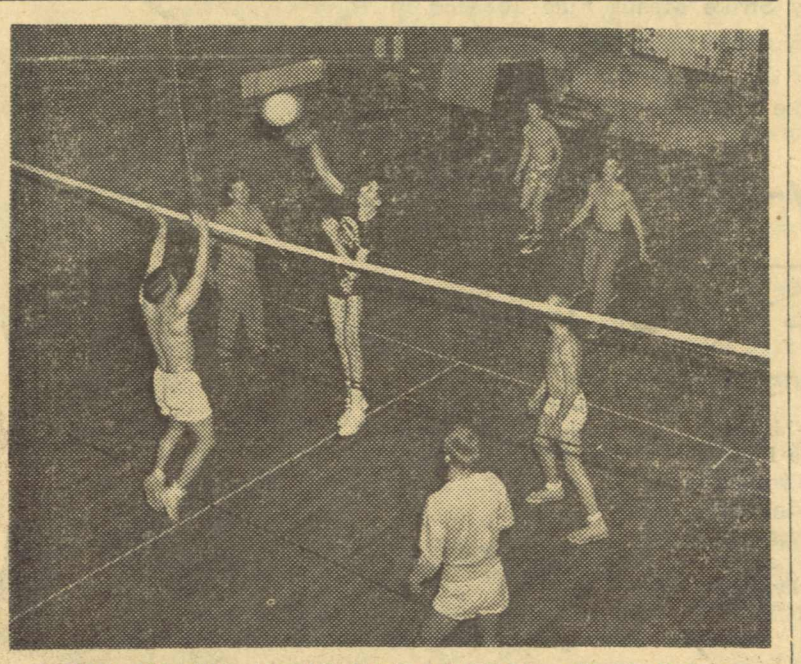

Entries are now being accepted for the women's intramural basketball league. Girls who wish to enter a team should have the team captain turn in a team roster to Miss Cuningham at the women's gym by Tuesday, January 13.

Any group of girls may organize a team from a dormitory, sorority, or club. Independent teams may also be formed from any group wanting to play. More than one team may be organized within a dormitory.

No team will be allowed to participate in the double elimination tournament without at least two team practice hours. See Miss Cunnigham to arrange a practice session schedule.

Silver medals will be awarded to the members of the winning team.

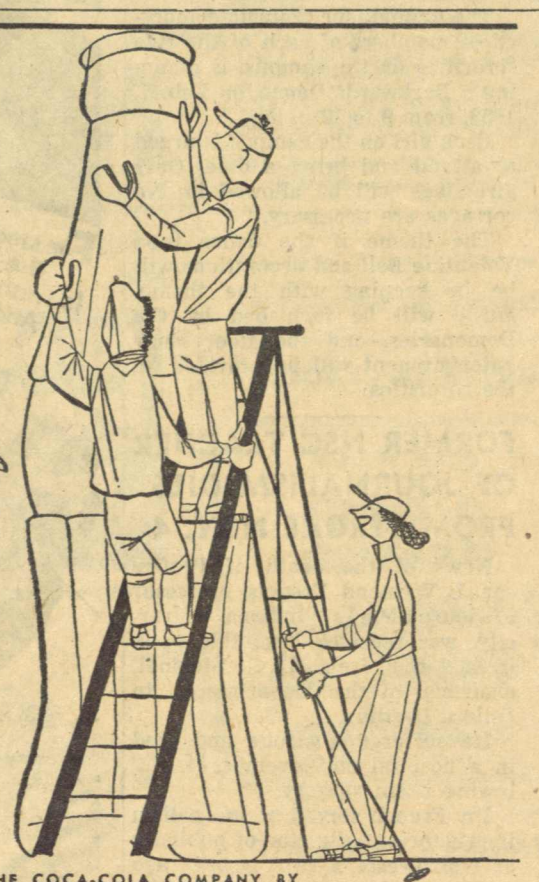

Jack Rabbits is the name of one of the safety men on the West Virginia University football team.

ACTION IN THE MEN'S INTRAMURAL volleyball league was once again resumed after the recent holidays. Here we find Corney Watts of the Chowhounds, high in the air, making good a needed point against a BMOC team. Final score was Chowhounds 21—BMOC 15.

Campus capers call for Coke

Demon Basketball Summary

Northwestern State college's unpredictable Demons, perched atop a 11-3 basketball record, are in the midst of a lengthy breathing spell while awaiting Jan. 17 when they will tangle with Mississippi Southern's ever-powerful quintet here.

Coach Red Thomas' Demons have lost three games this season that nobody expected them to lose. And by all odds they shouldn't have lost them. The season's opener in Beaumont, Texas, was dropped to Lamar Tech 60-64. NSC came back a few days later to wallop the Lamarites 61-48.

The Northwesterner's second loss came after eight successive wins when the Demons dropped a GSC tournament game to underdog Southwestern Louisiana Institute. Coach Thomas attributes this loss to several causes: (1) the absence of George McConathy from the lineup (2) the inability of big center Ken Shaw to play his usual fine brand of ball because of a back ailment (3) too long a Christmas vacation taken by the Demons, and (4) the hustle and top-notch condition of the S.L.I. team.

McNeese's Cowboys, who came to town determined to dump the Demons, did just that on Jan. 3. The Cowboys were up for the game and were hitting from all angles, but even so they only won in the closing minute by one point. Northwestern couldn't hit a thing that night and were doing everything in slow-motion, thus the Cowboys added another upset and left the Demons with three losses.

In regular sesion play Ken Shaw leads the scoring with an average of 16.1. He is followed by forward George McConathy with 13.1, and George Davis with 11.0. The other Demons have averaged below 10 points per game.

The Demons have demonstrated that they can put the points through the basket by amassing 970 points in 14 games while their opponents were getting only 845. This also indicates that Red Thomas' basketeers are doing all right defensively, too.

In their last game, Jan. 6, in Monroe, the Demons downed Northeast State college 78-60. They did this without the services of McConathy who was confined with pneumonia. In this game they showed their earlier hustle and spark that led them to earlier victories over teams like Texas A. & M., Sam Houston and Eastern New Mexico University.

Thus far in the season the Demons have met only two Gulf State conference foes — McNeese and Southwestern. NSC downed McNeese in the GSC tournament, only to lose to the Cowboys a few days later. Southwestern drubbed the Demons in the tournament 70-59.

Coach Thomas is working the Demons hard nightly during this interim, hoping to have them in top shape by the time the Mississippi Southerners come to town, Jan. 17. Thomas said that he realizes that the hardest part of the season's schedule is still ahead for the Demons since they have al the GSC teams to play.

Northwestern Nurses Score 48-18 Victory In Shreveport League

The Shrevport division of Northwestern's Nurses made a terrific comeback last Tuesday night in the second quarter and went on to post a 48-18 triumph in a tilt with Schumpert's Nurses in the Shreveport city women's league.

Northwestern's girls trailed 9-2 at the end of the first quarter. I. Sullivan went on a scoring spree and dunked 15 points in the second frame which ended with NSC on top of a 17-13 score.

Sullivan led the scoring with 18 points for the winners and she was followed by E. McWhorton with 14 for Northwestern. Sue Grappe paced Schumbert's scoring.

CHESTERFIELD REP HOLDS BASKETBALL PREDICTION CONTEST

Lowell Starnes, Chesterfield representative on the campus, plans to sponsor a basketball prediction contest for a number of basketball games during January and February. A carton of Chesterfield cigarettes will be presented to the winners of each of the respective games. To be eligible to enter, one must be a student of Northwestern and the prediction score must be put on an empty Chesterfield package.

The games to be predicted are as follows:

January 17—Mexican Oil Co., vs. NSC.

January 31—Centenary vs. NSC

February 5—Louisiana college vs NSC.

Entries may be dropped in a box in the student center cafe.

NORTHWESTERN STATE VARSITY SWIMMING SCHEDULE

* Sat., Jan. 10—Little Rock Boys' Club.

* Sat., Jan. 31—Southern Methodist University.

* Wed., Feb. 4 — Florida State University.

* Sat., Feb. 7—Ark. State Teacher's College.

Sat., Feb. 14—Memphis Naval Air Station.

* Sat., Feb. 21—Memphis Naval Air Station.

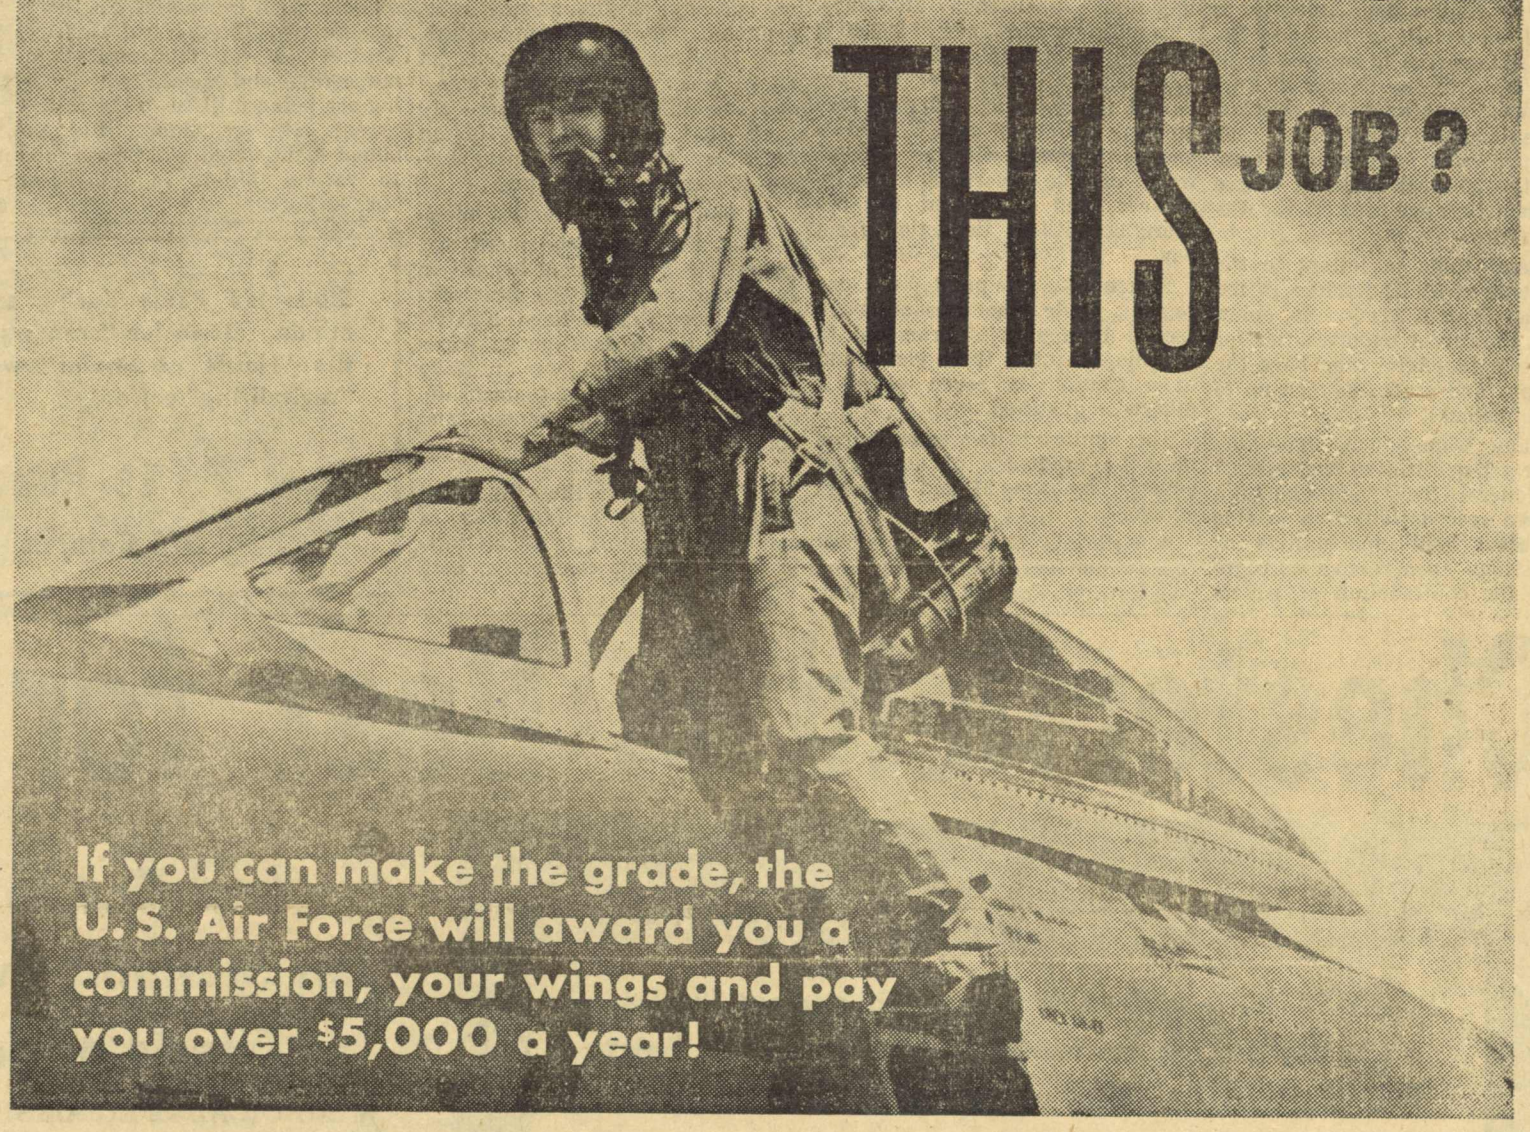

Fri., Feb. 27—Texas A & M College.

Sat., Feb. 28—Rice Institute.

* Sat., March 7—Texas University.

* Home meets.

ARE YOU TOUGH ENOUGH FOR THIS JOB?

If you can make the grade, the U. S. Air Force will award you a commission, your wings and pay you over $5,000 a year!

CAN YOU "take it" 6 days a week? For 52 weeks? Can you meet the high standards required to be an Aviation Cadet? If you can—then here's a man-size opportunity! An opportunity to serve your country and build a personal career that will fit you for responsible positions both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of $5,300.00 a year. And this is only the beginning—your opportunities for advancement are unlimited.

ARE YOU ELIGIBLE?

To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a *minimum* requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER

If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet Training Class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details: Visit your nearest Air Force Base or Air Force Recruiting Officer.
OR WRITE TO: AVIATION CADET HEADQUARTERS, U. S. AIR FORCE, WASHINGTON 25, D. C.

U.S. AIR FORCE

Women Graduates May Qualify For Commissions In Army Corps

Outstanding women graduates of accredited college and universities in the Fourth Army area (Arkansas, Louisiana, Oklahoma, New Mexico, and Texas) may qualify for commissions in the Women's Army Corps, Regular Army, according to an announcement made by Lt. Gen William M. Hoge, Fourth Army Commander. Qualified applicants in this area are selected by Fourth Army headquarters with final selection by the Department of Army on a national basis in this annual program. z

Successful applicants will be tendered commissions initially as second lieutenants in the Army Reserve and ordered to active duty at the WAC Training Center at Fort Lee, Va., to attend an officers' training course in September, 1953

Women who successfully complete the 20 week training course will then be appointed in the Regular Army.

General Hoge in letters to the presidents of 81 institutions in the five-state Fourth Army area, pointed out the career opportunities for women in the Army who have the same pay and grades as men up to that of colonel.

"Young women who have demonstrated qualities of leadership," said General Hoge, "and who have achieved records will find in this new career field opportunities for interesting, progressive assignments for continuation of education and travel."

WAC officers are holding responsible positions in the Defense structure of the nation at home and overseas. They are utilized in personnel and administration, inelligence, training, troop information and education legistos and public activities as well as in the Army's technical services.

Income and advancements are cited as inducements to attract women graduates. For instance, a second lieutenant earns $270.18, including subsistance allowance, plus quarters allowance of $68.40 if housing is not furnished. This base pay obtains during the training period. Other inducements are free medical and dental care, a month's vacation annually with pay, $10,000 worth of free government life insurance, and retirement benefits accruing without deduction from pay.

Promotions. it is pointed out, are regular. Under the present law a second lieutenant is promoted to first lieutenant in three years, and to a caption in seven years if otherwise qualified.

The applicants for commissions must be graduates of accredited colleges, between 21 and 27 years of age.

Applications must be submitted to Headquarters Fourth Army, Fort Sam Houston, Tex., by Mar. 15 1953.

Two Former Students Receive Ensign Commissions Lately

Aomng the 777 enlisted men receiving ensigns' commissions in Newport Rhode Island at the Navy's only Officer Candidate School were Billy O. Scroggins of Natchitoches who received his B. S. degree in Mathematics in 1951 from Northwestern and Willie A. Bumgardner of Ashland who received his B. S. degree in chemistry here last spring.

Rear Admiral C. E. Olsen, USN, Commander of the Newport Naval Base, presented diplomas before an audience estimated at 1100.

Former graduates of this school are already serving aboard sweepers to destroyers and submarines. And they are serving, too, as jet pilots, beach masters, "frog men," and demolition experts. There are even OCS graduates in Korean fox holes, acting as gunnery liaison officers for the Marines.

In four rigorous months. members of this class—the eight and largest since the school opened in June, 1951—covered the same naval subjects that college NROTC students do in four years. Foremost in their training was the study of gunnery, navigation, seamanship, engineering, damage control and operations.

Ed Roush holds the Cincinatti Red's record for hitting safely in consecutive games. Roush hit safely in 27 straight contests in both 1920 and 1924.

Marine Headquarters Release News Of Interest To College Graduates

All college seniors and graduates who enroll for the Marine Corps OFFICER CANDIDATE COURSE which convenes March 12, will receive additional training as officers, Marine Corps Headquarters has announced.

"The need for college trained men is greater than ever before due to the present committments of the Marine Corps" said the announcement.

After completing basic officers training, half of the new officers will be assigned to specialist training at Marine Corps Schools, Quantico, Virginia, and other service schools. Such schools as Engineering, Supply, Tank, Naval Gunfire, Artillery, Motor Transport, Communcations and Naval Flight Training are being utilized to the fullest extent. The remainder, the announcement stated, will be assigned to various billets in the Fleet Marine Force.

The Washington announcement said officer training programs are open to both married and single colege graduates, and seniors who graduate between now and 15th of Febraury 1953. It advisesd interested men to contact the nearest Marine Corps Recruting, Reserve or Officers Procurement activity for an interview.

Once selected, applicants attend a ten-week Officer Candidate Course at the Marine Corps Schools, Quantico, Virginia. Upon successful completion of this course, candidates become lieutenants, and start a five month Special Basic Course (included as part of the two years of active duty as a commissioned officer).

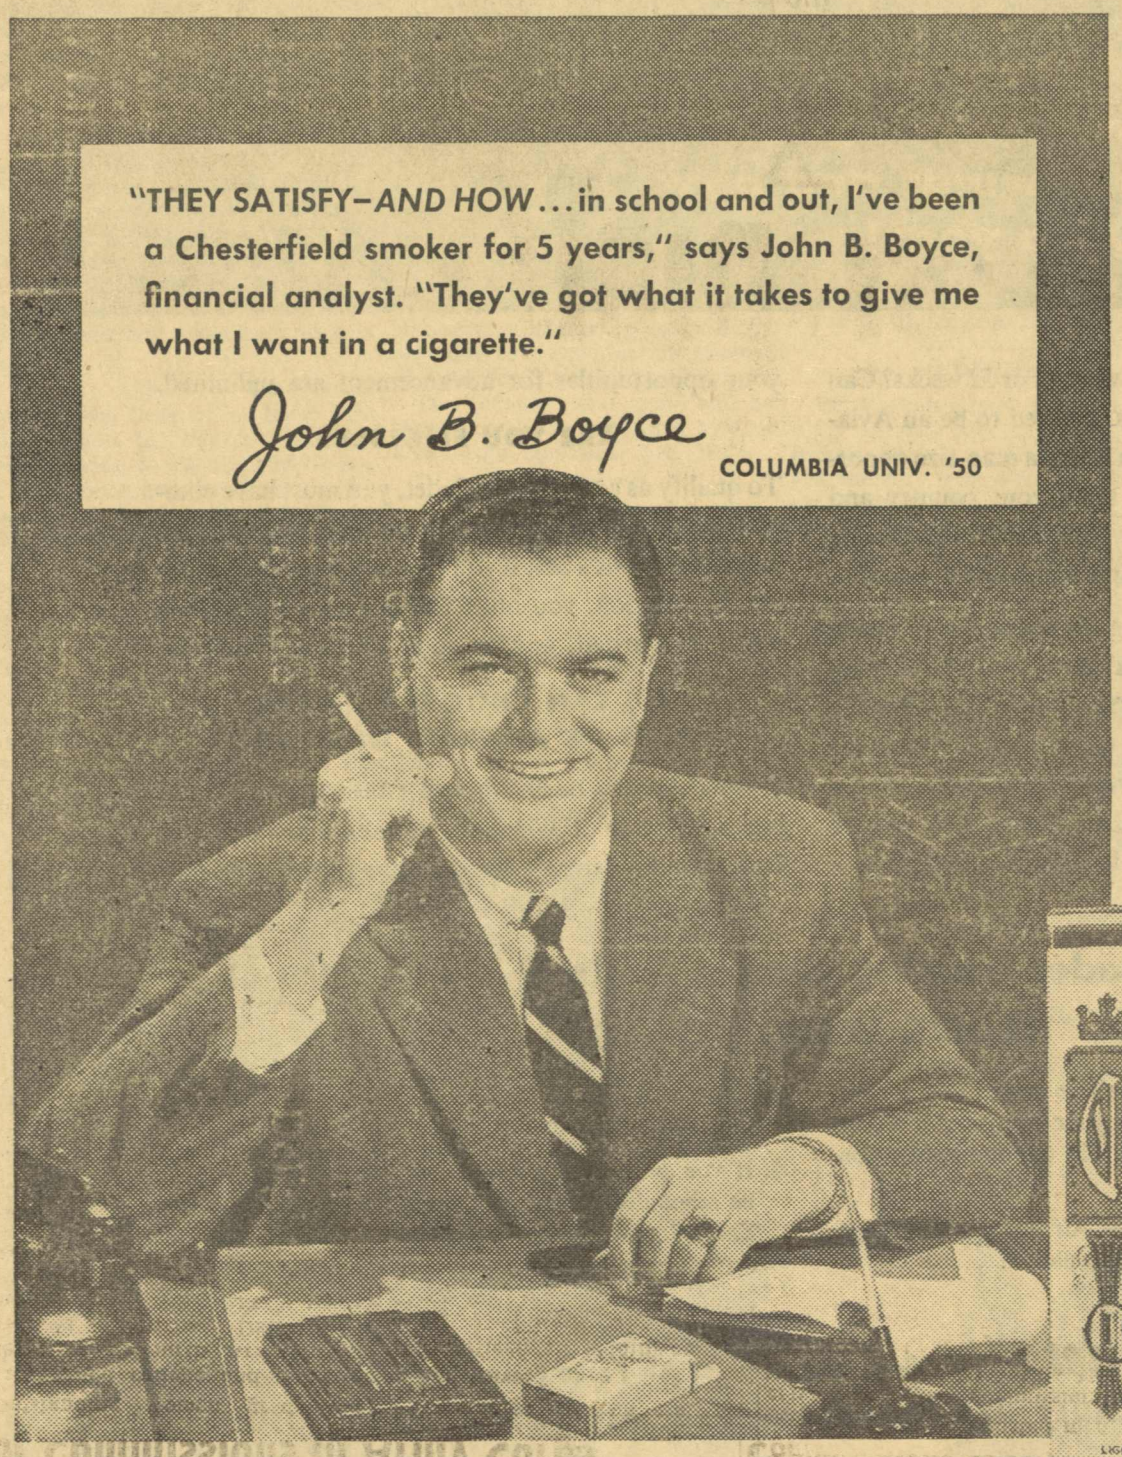

Reserve officer graduates of the OFFICER CANDIDATE COURSE may qualify for regular commissions upon graduation from the Special Basic Course.

Students! Pause during exams and rest your weary minds. Don't let "craming" get you down. Come to the "House of Shuler" we'll refresh you with our "revitalizing" coffee.

VOL. XXXIX—No. 15 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, FEBRUARY 7, 1953

Young French Pianist To Present Concert On Feb. 16, In Fine Arts Auditorium

In private life Monique de la Bruchollerie, young French pianist who will be heard in concert here on Feb. 16, 1953 at 8:15 p.m. in the Fine Arts auditorium, is Madame Armand du Rosselle, wife of a Parisian civil engineer and the mother of two small daughters. But much to he chagrin, she finds that the life of a concert artist leaves her all too little time for this private life. "The life of concert pianist is not for a woman—too hard," she admits. "But music is so splendid!"

Unfortunately, her husband's family look on her career as a disaster. What does her husband think of her career? He is very proud, but "he's waiting till it's finished." A lover of Brahms, he heard her play the composer's music at three recitals and then asked her to marry him. "I ask him 'if it is Brahms, why do you not buy records?' " But they were married, nevertheless, and he got both Brahms and Miss de la Bruchollerie, career and all.

Their first daughter Patinette was born on New Year's Day in 1945; the second, Sandrine, in May of 1949. They have shown great interest in their mother's piano and are both definitely partial to Rachmaninoff. Patinette has already begun piano lessons, but Miss de la Bruchollerie will be inclined to discourage her from a concert career, because of the tremendous work and rigorous demands of such a life.

An example of this was her tour of Germany in the fall of 1951, during which she played thirty concerts in thirty-five days. Often cvoncert artists are envied their opportunities to travel and to see new people and places. But Miss de la Bruchollerie reports, "All I saw was bed, railway and stage—always alone in middle of stage. Hotel is terrible life. But when you have something to give, you have to give." The artist admits she doesn't even know all the places she appeared in while in Germany! When people asked her where she had played the night before or where she was going to play the following eveninfg, she had to open her book hurriedly before answering.

Sometimes she finds it necessary to refuse all engagements for several months to allow her time to be with her husband and children, and also time to catch up on sleep, to read and to prepare new programs. "One cannot always give and never receive," she says. Her favorite vacation is one spent at her seventeenth-century home near Rouen in Normandy, where she can visit the ocean and find the relaxation she needs after a busy season of concerts.

But Monique de la Bruchollerie is very pleased with the penthouse apartment which she and her husband recently purchased in Paris. In an old building behind the Trocadero (Palais de Chaillot), it has magnificent large windows from which one can see the entire city spread out below. It is only eight flors up, but for Paris that is very high, and the view is exhilarating. Following her American debut with the Boston Symphony on December 14, 1951, Miss de la Bruchollerie flew back to Paris to spend Christmas with her husband and little daughters—their first Christmas together—and to choose draperies and furniture for the new apartment. Then she returned to the United States to continue her tour.

Marina Svetlova Presented Concert On February 2

Marina Svetlova, prima ballerina, and her company Robert Roldan, Teresita La Tana, and concert pianist, Theodor Haig, were presented in concert February 2 in the Fine Arts auditorium.

The program consisted of Tchaikovsky's "Pas de Deux" and "Sleeping Beauty", "Granados" "Danza Espanola No. 5," Greig's "Dance of the Elf", "The Drummer" and "Polka" by Strauss, ":'Zapateado" by Saraste. Schumann's "The Tragedy of Marquerite," "Carmen", "Grand Pas de Deux", from 'Don Quixote'," "Campezina," by Azagra, and Albfeniz's "Polo".

In addition were "Flirtation of the Old World," "Flirtation of the New World", and piano renditions by Theodor Haig. The curtain fell on "Gay Nineties," a dance created by Svetlova and based on popular melodies of yesterday.

All costumes for Miss Svetlova and Mr. Roland were designed by Miss Svetlova.

NSC Theatre Group To Present Murder Thriller On February 26, 27

Tickets Available In Bookstore; Deadline Is February 19

"Night Must Fall", a murder thriller in three acts by Emlyn Williams is to be presented by the College Theater under the direction of Dr. Edna West on February 26 and 27 at eight o'clock in the Little Theater.

The cast for "Night Must Fall" is as follows: Mrs. Bramson, Gervais Aldredge (Natchitoches); Olivia, Millie M. Stephens (Port Barre); Nurse Libby, Fay Book (Buras); Mrs. Terence, Barbara Edwards (Baton Rouge); Dora, Double cast: Katheryn Simmons (Kurthwood) Winnie Ruth Hutson (Baton Rouge); Dan, Double cast: Hardy Rose (Shreveport) Bennie Ray (Port Sulphur); Hubert, Jim Vorhoff (Abbeville); Belsize, Dolble cast: Pat Lyons (New Orleans) Johnny Smith (Coushatta).

Outstanding responsibilities on the production staff are: Assistant to the director, Betty Boydstun (Natchitoches); Stage Manager, Jac Sharp (Natchitoches); Make-up, Tommie Blackbourne (Shreveport); Sound Effects, Bobby Byles (Natchitoches); Scene Painting, Pat Lyons (New Orleans); Properties, Fay Book (Buras).

Students must get their tickets before February 19. Students can get their tickets at the bookstore upon presentation of their student activity cards. On February 19 the tickets will go on sale to the public and students will not be given anymore tickets. It is necessary that students' tickets be obtained before February 19.

Any student who wishes to work on the crews for the play (scenery, publicity, etc.) can still sign up for his chosen crew. Come on students. Here is your chance. If you feel that you would just like to help out, you just march right over to the Fine Arts Building and sign your name on the list posted on the theatrical bulletin board, which is near the Green Room. This is an opportunity to do something useful and to gain experience.

This invitation is extended to all students!

Northwestern Host To 450 Debaters This Weekend

Northwestern State College is playing host this weekend to 450 participants from 21 high schools in its 16th annual high school debate tournament.

The tourney, one of the biggest ever held on the NSC campus, includes debate, extemporaneous speaking, dramatic and humorous declamation, after-dinner speaking, oratory, poetry reading, and radio speaking.

Awards were presented to the winners of individual events at a coaches' banquet last night at 7 o'clock, when finals in after dinner speaking were held.

Winners in debate will be announced this afternoon at four o'clock and awards will be presented.

The high schools who have entered the tournament are Jesuit and Warren Easton of New Orleans, Scott, Bolton of Alexandria, Lafeyette, Newman, Byrd, Abilene high school from Texas, Ruston, Natchitoches, Winnfield, and La Grange.

Class B and C schools include Mt. Carmel, Judice, Castor, Simpson, St. Vincents, St. Mary's, Converse, Providence Central, and Pineville.

Insurance Rep. Is Guest Speaker For Home Ec. Class

Mr. Forest Hedges, representative for the Shreveport and Alexandria area of the Jeferson Standard Life Insurance Company, gave a very informative talk on Life Insurance to the Home Management class during January in the Home Economics building.

Rotary's Choice For Study Abroad Receives Grant

A Northwestern State college senior majoring in French has just been named by Rotary International as one of the 95 outstanding world students to receive foreign study fellowships for the school year 1953-54.

Miss Genevieve T. Marmande of Theriot, Lt., who will be graduated from Northwestern in August, is one of the students selected from 30 differents countries to do advanced study outside their native lands.

Twenty-two-year-old Miss Marmande, who hopes to make the diplomatic service her life work, will attend one of the larger universities in Europe to study the French language and literature.

She was recommended for the honor by the Natchitoches Rotary Club, and was selected on the basis of character, scholarship, leadership and other personal attributes.

"I am very, very happy to receive this wonderful opportunity," Miss Marmande said yesterday. "I never thought I'd have a chance among so many applicants. And I can say is that I certainly will take advantage of every minute of it."

A leader in student life at NSC, Miss Marmande is president of Delta Sigma Epsilon social sorority, president of the Pan Hellenic Council, a member of the Newman club, the Purple Jackets, and was a Freshman Commissioner. She is a graduate of Terrebonne high school.

Lauritz Melchoir To Appear In Concert Here On Campus On February 10

Lauritz Melchoir

Lauritz Melchior with his six talented assistants and two pianists will present a concert with varied stratas of music in the Fine Arts Auditorium on February 10 at 8:15

Mr. Melchior is considered one of the greatest Wagnerian tenors of all time. His success has been prononuced in opera, concert and road tours.

For his touring ensemble, Mr. Melchior has chosen persons with wonderful vocal talents. They are sopranos Shirlee Emmons, winner of the 1951 Fulbright and 1952 Marian Anderson Awards, and Angelene Collins, winner of the 1950 Naumberg Foundation Award; Michael Roberts, baritone understudy of Broadway's "Kiss Me, Kate," and in such other shows as Bea Lillie's "Inside U. S. A." and Mike Todd's summer al fresco production, "One Night in Venice," at Jones Beach; Alan Werner, tenor and former name-band soloist; Edward Williams bass, who came up via Dallas' Summer Musicals and has toured with the Wagner Opera company; Val Valente, tenor and a product of the Julliard School of Music, and the duo-piano of Ted Sadiowski and George Roth.

There will be 246 seats available for college, high school and grammar students. These seats will be available for one dollar, tax included, at the college book store.

Proctor and Gamble Representative Speaks To Food Class

Mrs. Helen Mosher, home economics and educational representative with the Procter and Gamble Company of Cincinnatti, Ohio, gave an interesting and educational baking demonstration to the Sophomore Foods class in January. rMs. Mosher included in her demonstration the making of cake, cookies, and pastry, using a vegetable shortening.

Backward Dance In Field House Tonight

Girls, here is your chance to date that man of your dreams! Invite him to the Backward Dance sponsored by Pan Hellenic. The dance will be held in the field house tonight at eight o'clock. The men will not be presented with corsages.

If the man of your dreams is also someone else's dream man, come to the dance stag and at least dance with him. Sorry men, no male stags. The women of NSC are urged to bring dates and come to this dance for a good time.

Phi Mu Alpha Ball Highlights Next Week's Activities

Phi Mu Alpha President Jackson Beebe has announced that the fraternity's annual Mardi Gras Ball will begin at 8 p.m. February 13, instead of 9 p.m. as formerly announced. Also, the music of Sleepy Speers will be featured in place of the orginally scheduled Demonaires.

The crowning ceremonies for the Ball's king and queen will go as

(Continued on page eight)

DOES THE ABOVE picture look familiar to any of you? It was taken at the Mardi Gras Ball last year. Phi Mu Alpha promises a bigger and better ball this year. The function, which will be centered around a Louisiana theme, is slated for February 13.

Former Student, Now Paratrooper Is Injured

Robert E. Wright, a former health and physical education major at the College, now on duty with the paratroopers at Fort Riley, Kansas, suffered a broken back and other severe physical injuries in a fall a few days before Christmas. Bob was washing windows on the second floor of an Army barracks when he slipped on a piece of ice and fell. He is now undergoing treatment at the U. S. Army Hospital, Fort Riley, Kansas, and his condition is reported improving steadily.

Bob, a second-semester sophomore sudent at the time of his resignation in Ooctober, 1952, had come to Northwestern for his college work following graduation from high school in his home town, Buffalo, New York. He chose Northwestern State because of the excellent physical education department here. Bob plans to return to the campus to complete his college program upon his discharge from the service.

ANNOUNCEMENT

All varisty golf team members and candidates for the 1953 NSC Golf squad meet Coach L. V. Brittain in the Fine Arts Auditorium at 4:00 p. m., Friday, February 13, 1953.

NOTICE

The annual Cross Country Run will be held Friday, February 20. Anyone who desires to enter the race may acquire entry blanks at the Intramural Office in the Men's gymnasium.

Famed Rubinoff Presented Concerts Here Recently

Rubinoff and his violin with Clifford Souze, pianist, were presented in three concerts Thursday, January 29, at 11 a.m., 2:00 p.m. and 8:15 p.m. in the Fine Arts auditorium.

On the program were Dance of the Peasant, Rubinoff; Warsaw Concerto, Addinsell; Clair De Lune, Debussy; Don't Fence Me In, Porter, played in various styles; Rhapsody in Blue, Gershwin; and Polonaise (Opus 53), Chopin.

Rubinoff was born in Grodno, Poland, on September 3, 1897, to a poor family. His natural inclinations and his mother's devotion were all he had to set him on the road to fame. He received a Doctor of Music degree from the Royal Conservatory of Music in Warsaw. Discovered by Victor Herbert, he was brought to America and settled in Pittsburgh, Pennsylvania.

On the watch chain of Rubinoff is a small medal, about the size of a half dollar, which is set with rubies and diamonds. It is inscribed "Presented to Rubinoff and his Violin by the Chicago Federation of Musicians in apreciation for services rendered August 6, 1937, in Grant Park—Attendance 225,000".

The violin used by Rubinoff is the most precious instrument in the world, a Stradivarius violin, which is insured for $100,000. The violin was made in 1731 by Antonio Stradivari in Cremona, Italy. It bears the elaborately engraved and bejeweled coat of arms of the Romanoff family as well as the identification mark of Stradivari and the date. The instrument is of deep brownish-red luster, perfectly formed, and developed in all its intricate detail in a manner representative of the best work of the master.

Clifford Souze, young composer-pianist, made his debut as a composer this spring in Los Angeles and as a pianist in San Francisco. The critics have predicted a brilliant future for the young man.

EASTERN EDUCATOR HOLDS MUSIC CLINIC ON COLLEGE CAMPUS

Helen Hosmer, outsanding New York music educator and specialist in choral music, appeared on the campus of Northwestern State college, Wednesday, for an informal conference designed for all public school music teachers of this area.

Miss Hosmer, director of the Crane School of Music, State university Teachers college, Potsdam, N. Y., is presently on professional tour to several educational insitutions throughout the country. Northwestern is the only college she visited in Louisiana.

The noted educator and chorus director has conducted many festivals, choruses, choral clinics, and voice classes, and has served as a lecturer in education in all phases of the training of music teachers.

At 10 o'clock Wednesday morning she discussed "Trends in Music Education." This was followed by several choral selections by the Natchitoches high school chorus under the direction of James E. Simmons.

A round-table discussion for everyone was held at 1:30 p.m. and at 3 o'clock Don Glattly and his College Singers were presented in concert. The day's activities were topped with a vocal concert at 8:15 featuring baritone Sherrod Towns and soprano Ann Biggs of the NSC music department.

Foreign Missionary To Be Guest Of Wesley Group

The Rev. Charles D. Stokes, missionary of the Methodist Church in Korea, will be guest of the Wesley Foundation on the campus on February 12th and 13th.

A program of lectures, group conferences and counselling sessions is being arranged when he will be asked to share with students and faculty, his experiences in Korea.

Mr. Stokes, a missionary since 1940, has been doing rehibilitation and evangelistic work in Pusan and Taejon for the past two years.

Mr. Stokes was one of three Methodist missionaries in Korea during part of 1950 and 1951. Recently he has been the only one assigned to a large area covering five districts. His work was distribution of relief funds, repairin¼ damaged churches, and securing temporary housing for destroyed churches; helping Christian workers and laymen find transportation, living quarters, and employment during the period of enforced absence from their homes.

"The task of reconstruction has scarsely begun," Mr. Stockes says. "The claims of the homeless and destitute must be remembered, and a program of relief continued until widespread sickness and suffering are brought under control by a return to more normal times." He addes that there is a openness to the Christian message which must not be neglected.

Mr. Stokes wrote a dissertation on the history of Methodist missions in Korea through 1930, and received his Ph.D. degree at Yale University in 1947. An Asbury College graduate, he received his B.D. degree from Asbury Theological Seminary. He was commissioned a missionary in 1940 and begun work in Seoul, oKrea. From 1944-46 he served a pastorate in the Western North Carolina conference, returning to oKrea in 1947. He did rural evangelistic and agricultural work in Wonju until 1950, when he began doing general relief work. He expects to return after his furlough here.

Aviation Cadet Selection Team To Be In Student Center On February 9, 10

An Aviation Cadet Selection Team composed of officers and airmen of the United States Air Force will be at the Student Center on the campus of Northwestern State College on Monday and Tuesday, February 9th and 10th. from 9:00 a.m. until 3:30 p.m., to discuss changes in the Aviation Cadet Program. Interested young men will be given information concerning the type of aircraft currently being flown, the type and length of training received, and the benefits graduates of the program will receive upon completion of their training.

Aviation Cadet Training is now available to all qualified civilian men, who have completed a minimum of 60 semester or 90 quarter hours of college courses. Applicants must be unmarried citizens of the United States between the ages of 19 and 26½ at the time of application.

The United States Air Force is primarily interested in securing applications from college graduates or from men who will complete their college education at the conclusion of the current semester. However, applications will be accepted from men who will be forced to discontinue their college training after at least two academic years.

The Air Force is undergoing a tremendous expansion at present. As the number of airplanes increases, the number of well-trained, capable, new flying personnel must increase. Since graduates of the Aviation Cadet Training Program will become commissioned officers in the Air Force, they must be qualified not only to guide aircraft through the skies, but also to be the administrators and leaders of tomorrow. This means more and better qualified Aviation Cadets must be trained.

Young men who are interested in becoming flying officers in the United States Air Force should plan to talk with the members of the Aviation Cadet Selection Team while they are in Natchitoches.

Speech Students Attend Play In New Orleans

On January 29th at 6:30, the members of Davis Players held their regular meeting. After having been called to order by Bettye Sue Boydston, president, the group was entertained by the new members, Winnie Ruth Huston, Bobby Byles, and Jim Vorhuff.

Following the entertainment, members of the group that had attended the play, "John Brown's Body", gave their special reports and views of the play. The remainder of the meeting was spent completing the plans for the trip to New Orleans to see Katharine Cornell in the play, "The Constant Wife."

On February 4th, a group consisting of the Davis Players, cast of NSC's coming spring play, and interested speech students left the campus on the college bus for New Orleans. Part of the trip down was used to practice the play, "Night Must Fall".

The play, "Constant Wife", was very good and the acting superb. Katherine Cornell certainly lived up to all the expectations of a great actress.

The group broke up following the play for brief individual tours of New Orleans. The college bus returned to the campus at about 1:30, Thursday morning, with a load of tired, sleepy but happy students.

Students! Don't forget to get your tickets for the play "Night Must Fal". They will be available in the College Bookstore until February 19.

Don't miss the Mardi Gras Ball on February 13. Get your costumes and dates now!

Pi Kappa Sigma

Tuesday night the Pi Kaps held their pledging for two, Sudie Loomis and Jessie Wilkerson, Lots of luck and best wishes to them.

The girls were glad to have Millie Stevans back with them as a regular member. Along that line, they were all very happy to see Sally Hall Rowell and Betty Thompson on the campus last week-end.

At the regular meeting Tuesday night, Basketball Captain Sarah Cook lined up her team for the coming season. Several of the girls had already been out for practice once last week. Those "showing up for practice" were: Whitey Ball, Marilyn Snoddy, Donita Gothard, Kathleen Ray, Genie Johnston, Barbara Fedricks, Gene Jensen, Dot Gillespy and Maizy Drangue. They are glad to have these girls play on the Pi Kap team this season.

This week-end is just buzzing with excitement for the Pi Kaps. On the campus with them are two of their Nationl Officers, Mr. Wilber Long and Miss Virginia Langly. A number of activities were planned for them and then to climax the party will be Anne Freeze, Carolyn Fultz, and Emma Ruth Smith. They plan to make it just one big homecoming with lots of fun and planning for the many spring activities.

Anne Freeze tells us that the Lake Charles alum chapter has really been working this year. Among the activities carried out was the caring for a very needy family there in Lake Charles. Congratulations to them for the wonderful job they're doing best wishes for success in the future. Incidentally that group is only one year old.

Another alum in the news this week is Lou Frissell. Lou is in Germany with her parents now but she hasn't forgotten us by far. From the letters we have received lately we find that she has sent us a scrap book for the president to make and present to the sorority. We're anxiously awaiting its arrival.

On Wednesday night Marilyn Snody and Patsy Winkler represented the actives at the alum meeting in town. Tonight Beebe Joy Gallender and Gene Jensen will represent us at the backward dance. They're two pledges we're mighty proud of.

Congratulations to Kathleen Ray who was elected president of East Varnado last week.

Sigma Sigma Sigma

The Tri Sigmas are very happy to welcome back to NSC and the Alpha Zeta Chapter Billie Payne Daugherty, who has been with her husband.

Congratulations to Bea Rumsey, recently selected Sponsor of "D" Battery of the ROTC!

The Tri Sig basketball team has had several good work-outs in preparation for the intramural games starting this month. Captains Sue Bellew and Virginia Metcalf say, "We're out to win!"

Three cheers for Virginia Metcalf who recently was awarded her National Basketball Officials Ratings!

Miss Jan Meyer, the national Sigma Sigma Sigma traveling secretary met with members of Alpha Zeta Chapter to make plans for the celebration of the Silver Anniversary of this Chapter February 22 April 19. The celebration will begin with the Annual Pledge Tea and wil lbe continued through the spring formal, the Founders' Day program and banquet, and through a coffee given for the charter members, alumni, and active members.

Pledge meetings are being held regularly now so that the pledges will be ready for initiation in March.

The "Party-Party" held at the Tri-Sig house on January 9 was a big success! It was attended by approximately 35 people. Besides the usual dancing, eating, card games, and visiting, special entertainment was provided when our Sponsor, Miss Eve Mouton, led the group in singing her "original" verson of "Allouette."

The wedding of Betty Lou Palmer a former Tri Sigma, to Don Jones was solemnized Sunday afternoon at 4:00 at the First Methodist church. A large box of candy was presented to the Sigmas by Betty Lou and was enjoyed very much.

Bea Rumsey was recently selected Junior Representatitive to the Judiciary Board.

At the Tuesday night meeting Millie Thompson, Keeper of the Grades, read a report of the National Chapter Examinations taken in December. The Alpha Zeta average was 94.6, which was, according to National, very good.

Committees for the tea, dance, and banquet were formed, and instructions given to the chairmen as to the steps to take within the next week.

A Nominating Committee consisting of Virginia Metcalf, Dee Thompson, Nancy Kimbrell, and Polly Hays was selected to make nominations for the election of the 1953-54 officers in March.

Delta Sigma Epsilon

The Delta Sigs have started off the new semester in a whirl. First of all, our National Representative, Mrs. Polly Stout, visited us last weekend. A tea was held in Varnado last Friday afternoon upon Mrs. Stout's arival in order that she might get to meet all the Delta Sigs and members of the other sororities on the campus. Conferences filled Saturday morning and Saturday afternoon we welcomed into the sisterhood Alice Phelps, Betty Alice Bell, Jane Claborn, Fay Book and Jane Schaffer with a very impressive formal initiation.

Regular meeting was held last Tuesday night. New officers were elected to replace those who graduated and left for futher study in the clinical areas. They are: Barbara Gray, vice-president; Jane Schafer, corresponding secretary; and Betty Alice Bell, alumni secretary. Plans for our formal which is to be held March 21 were discussed.

Congratulations to our own Barbara Gray who was recently elected corresponding secretary for Alpha Beta Alpha.

CHRISTINE BISHOP was elected president of the Northwestern student nurses recently. Miss Bishop is a second semester freshman from West Monroe.

Students Nurses Elect Officers Recently

A meeting of the Student Nurses' Association was held January 15, in the LVE room to elect officers to replace those going to the clinical area.

The new officers are Christine Bishop, president; Joanne White, vice president; Adrienne Averitt, secretary; Betty Ruth Shaw and John Manning, senators.

NSC Tri Sigmas To Observe Silver Anniv.

The observance of the Silver Anniversary of Alpha Zeta Chapter or Sigma Sigma Sigma is to be one of the bigest celebrations ever undertaken by Alpha Zeta members.

Beginning with the Pledge Tea on February 22, to which both pledges and active members of all Northwestern sororities will be invited, the observance of the Anniversary will continue through the annual spring formal on March 14, with the birthday of the chapter being emphasized; the Founders' Day Banquet on April 18, and a coffee honoring the charter and alumni members of the chapter on April 19.

Tri Sigma Chapters in Hattiesburg, Misissippi; Conway and Arkedelphia, Arkansas; Ada, Oklahoma; and Lafayette, Louisiana will receive special invitation to these events.

Alpha Sigma Alpha

The Alpha Sigs began their annaul round of fraternity parties last Tuesday night with a party for Sigma Tau Gamma. The party officially began when our president, Betty Sue Choate, and "Red" Miller, Sigma Tau president, cut the beautiful Sigma Tau cake. Then the guests were entertained with dancing and musical games. Acting as hostess for the party was Katherine Elliot. She certainly did a wonderful job.

The Alpha Sigs bid "good-by" to Jane Flory, who was going to clinical area in Shreveport, with a party at the ASA house before mid-semester. She was presented an ankle bracelet as a going-away gift.

Congratulations go to Anne Hungerbeeler, who was elected as counselor for West Varnado.

Not only are we looking forward to our next two parties but the girls are eagerly planning their yearly party out at Betty Choate's camp.

Last Tuesday night, nominations were made for the national Alpha Sigma Alpha awards, which are given on a basis of scholarship, integrity, and leadership. Betty Sue Choate, Evelyn Pyle, and Claire Lucius were nominated for the graduate award. Nominated for the under-graduate award were Wanna Beth Sanders, Ann Wood, and Katherine Elliott.

Senate Minutes

A regular meeting of the Student Senate was held in the Faculty room of Caldwell Hall Tuesday, February 3, at 8 p.m. Thirteen members were present and seven were absent.

The minutes were read by the secretary and approved by the group.

Old business was called for by the president. Martha Ann Leach inquired as to whether or not the Variety show for the Demonette cause would be held. Houston Davis said that it would, and he appointed a committee of three to draw up plans. Those on the committee are Cindy Hodge, Jerald Tilleux, and Jack Sharp, the latter being chairman.

Davis anounced that work on the 1954 freshman handbook would start immediately. He appointed three senators for the committee on the revision of the handbook. They are Ann Hungerbeeler, Ed Bacilla, and Cecil Nielson.

Cecil Neilson moved that a recommendation be submitted to Leland Langridge to the effect that Chick Gabbert be installed as senator to replace Marie Tilleux, who has graduated. The motion was passed.

Cecil Neilson announced that Bennie Ray, chairman of the Student Film agency, would contract the next movie while he would be in New Orleans during the week.

The meeting was adjourned at 8:55 p.m.

Respectively submitted,
Joe Saltzman
Secretary

Council Minutes

President Leland Langridge called the meeting to order. Absent for the meeting were Mary Sue Bellew, John Manning and Robert Miller.

A report on the point system was given by Ben Singletary, but it was said to be incomplete. Further discussion on the matter was postponed to the next meeting.

The subject of having a Literarary Rally at Northwestern this spring was brought up and discussed by the group. The motion was tabled until further research could be made.

Winnie Dowden, co-ed vice president of the student body, will get a list of elections that are going to be held in the spring and their respective dates. These elections will be discussed at the next meeting.

A discusion on the Student Federation was next in order.

The meeting adjourned.

Lowell Starnes,
Acting Secretary

Medical Schools Recommend May Admission Tests

Princeton, N. J., January 10.—Candidates for admission to medical school in the fall of 1954 are advised to take the Medical College Admission Test in May, it was announced today by Educational Testing Service, which prepares and administers the test for the Association of American Medical Colleges. These tests, required of applicants by almost every medical colege throughout the country, will be given twice during the current calendar year. Candidates taking the May test, however, will be able to furnish scores to institutions in early fall, when many medical colleges begin the selection of their next entering class.

Candidates may take the MCAT on Saturday, May 9, 1953, or on Monday, November 2, 1953, at administrations to be held at more and 300 local centers in all parts of the country. The Association of American Medical Colleges recommends that candidates for admission to classes starting in the fall of 1954 take the May test.

The MCAT consists of tests of general scholastic ability, a test on understanding of modern society, and an achievement test in science. According to ETS, no special preparation other than a review of science subjects is necessary. All questions are of the objective type.

Application forms and a Bulletin of Information, which gives details of registration and administration, as well as sample questions, are available from pre-medical advisers or directly from Educational Testing Service, Box 592, Princeton, N. J. Completed applications must reach the ETS office by April 25 and October 19, respectively, for the May 9 and November 2 administrations.

Faculty; Students Give Blood During Week

Northwestern faculty members and students are to be commended for having so generously given blood, when the blood mobile was one the campus during the week. They have done their share in helping the boys in Korea and in contributing toward the fighting of polio.

Fifty-nine students and faculty gave blood during the week, according to Mrs. Bettie Inabnett, volunteer service chairman for the Blood Mobile. Thanks are extended to Colonel James W. Bowman and Sfc. Phillip Trout, for the help they gave to the cause.

Those who gave blood are Anita Hodson, Elizabeth Miller, Carolyn Alexander, Clydean Madden, Laurie Barillier, Louvinia McGee, Mae Belle Norsworthy, Guianna Haley, Louise E. Pons, M. Sgt. Francis E. Moore, M. Sgt. Delbert Griffith, Joe Barkate, S. T. Neel, Billy Lampkin, Sfc. Phillip Trout.

Carolyn Boutwell, Jackie Bourg, Virginia Boulware, Joanne White, David Lewis, Bobie Bass, Genie Shaw, Verginia Metcalf, Billie Walker, James Bailey, Myron Fleming, Ben Brewton, M. J. Batey, C. H. Converse, Jack Ensminger, Melton Lee, Gerald Tilleux, Lois Jean Arrington, Betty Lou Garner, Robert Hooker, Margie Vincent, Jeanie Johnston, Billie Winstead.

Anita Sigler, Jean Gunter, Margaret Lampirez, Alan Langridge, Ronald Gilliland, Dave Lawson, Jerry Iles, John Marcelli, David Carson, Mrs. A. E. Brown, Don Sibley, Maribel Stewart, Grace McMickle, Anita Green, Archie Worsham, Anthony Martinez, Major A. T. Weydell, Carolyn Price, Myrtle Allen, Angela Frary, Lavonne Craft, Edwin Brown.

Marine Corps Offers Midyear Commissions

The Marine Corps has announced that due to the current expansion of its regular officer strength it will offer a number of commissions to midyear 1953 Army ROTC graduates.

This program has been approved by the Department of the Army as in the best interests of the Armed Forces and the national security. Major Army commanders and PMST's have been notified of the requirements of the program.

The Marines expect to appoint a "substantial" number of ROTC graduates to the grade of second lieutenant in their regular corps under this program, states the announcement.

To be eligble an applicant must complete ROTC instruction and the necessary academic requirements for a bachelor's degree between 1 November 1952 and 23 April 1953.

Once commissioned, the second lieutenants start a five months Special Basic Course at the Marine Corps Schools, Quantico, Virginia. After completing basic school, over half of the new officers will be assigned to specialist training at one of the Marine Corps' 16 specialist schools. Such schools as Engineering, Naval Gunfire, Tank, Supply, Motor Transport, Communications and Naval Flight Training are being utilized to the fullest extent.

Army ROTC graduates interested in the Marine officer program are advised to contact their PMST for further information on application procedures.

Evans And Kerr On Theater Guild Sunday Night

Celebrating its 300th broadcast Sunday, February 8, the award-winning "Theatre Guild on the Air" will star Maurice Evans and Deborah Kerr in the Broadway success, "Man and Superman," via NBC's coast-to-coast network at 7:30 P.M. (CST).

United States Steel's full-hour presentation of George Bernard Shaw's caustic comedy, brought to radio listeners for the first time, will have Evans re-creating his brilliant stage portrayal as John Tanner. A sophisticated, fool-proof bachelor: Tanner publicly denounces all forms of love and roman as deceit and fraud. Ann Whitefield, wide-eyed and wistful, is his most interested, but unimpressed, audience.

Shaw's exhilarating dialogue in "Man and Superman" was first heard in New York in 1905. A revival of the play in 1947, with Evans in the leading role, remained on Broadway for more than 300 performances before touring the nation.

Long associated with Shakespearean drama, Evans has been acclaimed in such eminent productions as "Hamlet," "Romeo and Juliet" and MacBeth." He will soon be seen in the film biography of the team of Gilbert and Sullivan, and Shaw's "Andocles and the Lion."

Miss Kerr, who co-stars as Ann, made her auspicious American screen debut in "The Hucksters," opposite Clark Gable. Movie audiences have since applauded her in "Edward, My Son," "King Solomon's Mines," "Quo Vadis" and "Prisoner of Zenda."

U. S. Air Force Offers Opportunities To Graduates

New opportunities for interesting assignments within the rapidly expanding U.S. Air Force are being offered to college graduates in a program aimed at securing highly qualified commissioned personnel.

Headquarters Fourteenth Air Force announced that this program is designed to attract persons with scientific or engineering backgrounds for work in certain technical specialties.

Those appointed as officers in the Air Force Reserve will be called to immediate active duty and trained at technical schools, if necessary, to completely qualify them for assignment to duties in the electronics, communications, research and development, and weather fields.

College graduates, and those who have completed 3½ years study toward a degree majoring in engineering, physics or chemistry, are urged to consider the advantages of career advancement in the Air Force.

Applications may be submitted prior to graduation, but appointment will not be made until a final transcript of scholastic record is submitted.

College graduates with a baccaulaureate degree, including methematics through integral calculus and one year of college physics, may apply specifically for a reserve commission in the meteorology field. This particular specialty offers great oportunity for further study at several leading colleges and universities.

Applicants must be less than 27 years of age, American citizens, and able to meet the physical qualifications for military service.

Application for appointment as an Air Force Reserve officer under this program may be obtained at any Air Force installation and should be submitted promptly.

Thanks to the many Northwestern students and faculty members who gave blood during the week.

Demons Break Even With Lions, Gents

A now hot, now cold Northwestern State basketball team broke even in two important Gulf States conference games last week-end on the local court.

A win over the Southeastern Lions 67-59 Friday night, in which the Demons were never headed, left them with a 16-3 overall record and a 2-1 slate in the conference.

Against Centenary Saturday night, however, the home team couldn't find the basket, posting a low 27.6 shooting average and losing by a 73-59 margin.

In the Southeastern tilt the Demons led all the way and had a 33-25 lead at half-time. Although the Lions outscored the locals by two points in the second half, this lead was too much to overcome.

IF YOU CAN WIN THESE WINGS YOU CAN EARN OVER $5,000 A YEAR AFTER GRADUATION

Important facts about the opportunities for YOU as a Commissioned Officer—Pilot or Aircraft Observer—in the United States Air Force

Must I be a college graduate to be a Pilot?

No. But you must have completed a minimum of 60 semester hours or 90 quarter hours toward a degree. In addition, under the new Aviation Cadet Pilot training program, you must be between the ages of 19 and 26½ years, unmarried, and in good physical condition—with high requirements for eyes, ears, heart and teeth.

How long before I get my commission?

60 calendar weeks. You will receive the finest aviation training in the world—training that not only equips you to fly modern military aircraft but prepares you for executive and administrative work as well. At the completion of your training, you will have acquired a commission as a 2nd Lieutenant and won the coveted silver wings of the United States Air Force.

Where do I take my training?

Pre-flight training will be at Lackland Air Force Base, San Antonio, Texas. Primary, basic and advanced training will be taken at any one of the many Air Force bases located throughout the South and Southwest.

What happens if I flunk the training course?

Every effort is made to help students whose progress is unsatisfactory. You can expect extra instructions and whatever individual attention you may require. However, if you fail to complete the course as an Aviation Cadet, you will be required to serve a two-year enlistment to fulfill the minimum requirement under Selective Service laws.

What pay do I get as an Aviation Cadet? And after?

As an Aviation Cadet you draw $109.20 a month pay. In addition, you get summer and winter uniforms, flight clothes, equipment, food, housing, medical and dental care and insurance . . . all free. After you are commissioned a 2nd Lieutenant you will be earning $5,300.00 a year—with unlimited opportunities for advancement.

Are all Aviation Cadets trained to be Pilots?

No. You can choose between becoming a Pilot or an Aircraft Observer. Men who choose the latter will become commissioned officers in Navigation, Bombardment, Radar Operation, or Aircraft Performance Engineering.

Do Aircraft Observers get flying training, too?

Yes. Aircraft Observer Cadets receive approximately 200 hours of "in the air" instruction. The primary phase of Aircraft Observer training is the same for all branches (navigation, bombardment, etc.). The basic and advanced phase of training varies, depending on the specific course you wish to pursue.

What kind of ships will I fly?

You will fly jets. The Pilot Cadet takes his first instructions in a light, civilian-type plane of approximately 100 horsepower, then graduates to the 600 horsepower T-6 "Texan" before receiving transition training in jets. You then advance gradually until you are flying such famous first-line aircraft as F-86 Sabre, F-49 Scorpion, B-47 Stratojet, B-50 Superfortress. Observer Cadets take flight instructions in the C-47 Dakota, the T-29 Convair, and the TB-Superfortress before advancing to first-line aircraft such as the F-89 Scorpion, B-47 Stratojet or TB-50 Superfortress.

Will my commission be in the Regular Air Force or Reserve?

Aviation Cadet graduates, both Pilots and Aircraft Observers get Reserve commissions as 2nd Lieutenants. Some outstanding graduates in both programs will be offered Regular commissions.

How long must I remain in Service?

After graduation as an Aviation Cadet, you are tendered an indefinite appointment in the United States Air Force Reserve and are called to active duty with the United States Air Force for a period of three years.

What recreation and leisure time will I have as a Cadet?

Discipline will be rigid—especially for the first few weeks. However, it is not all work. You'll find swimming pools, handball courts, movies and other forms of recreation on the post. After your first 4 months, your commandant may allow you to apply for overnight passes.

Where will I be stationed when I get my commission?

You may be stationed anywhere in the world . . . Hawaii, Far East, Europe, Puerto Rico, elsewhere. During your tour of duty, you will be in close touch with the latest developments in new flying techniques. You will continue to build up your flying experience and later, should have no difficulty securing a CAA commercial pilot rating.

Your future is assured if you can qualify! Here's what to do:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Demon Basketeers Seek 18th Win In Tilt With Southeastern

NSC Out To Curb Sluggish Playing; Lions Try To Average Earlier Loss

The Northwestern State College basketeers will trek to Hammond, La. and the hardwood court of Southeastern Louisiana in an attempt to rack up their 18th victory of the season. In a meeting between the two clubs last week, the Demons downed the Lions in the Northwestern gymnasium. However, since that previous meeting the NSC squad has played very sluggishly. They dropped two consecutive games to Centenary and Southwestern before edging La. College 80-74.

In Coach "Luke" Marlar's Lions, the Natchitoches boys will find stiff competition. They have height and the necesary scoring punch that is so needed in winning ball games. The Green and Gold has shown itself to be one of the power teams in the GSC rankings.

A look at the Hammond ball team shows a well-balanced quintet. Revolving around speedy Dick Sharp, a 5' 10" sophmore from Whiting, Indiana, are four towering players. Jerry Askeroth, Dennis Wagner, James Mitchell, and Donald Ray Hood are the men who fill out Coach Marlar's line-up.

Against this team, Coach "Red" Thomas can throw any number of offensive machines. In the past three game however no one combination has been able to click consistently. There has been some individuals who have demonstrated by their neat ball playing that they too can score when given the chance. Note-worthy in particular is James "Buddy" Thomas. In recent contests, he has definitely been the only burning spark in the Demon's rather dying flame. Tynes Hildebrand has also come through in a rather fine fashion.

Tonight's game against the Lions of Southweastern may bring the Demons out of their slum. Perhaps they will find the basket once again, and begin hitting the rims with unjerky motions. NSC has the depth and reserve to go a long way, but as it is in every machine, they sometime bog down. So it has been with the Northwesterners the past week, but the damage should be repaired by now. Tonight will determine whether or not the Demon pitch-fork still has a stinging point.

Annual NSC Track Relay Will Be Held March 28 In Northwestern Stadium

The 15th annual Northwestern State college relays will be held in Demon stadium, March 28, NSC track coach Walter Ledet announced.

The NSC track and field meet, which features both high school and college divisions, is expected to draw the largest number of entries in its history. Last year 40 high schools and eight colleges were entered.

Events have been divided into five classes, AA, A, B, and C in high school and a single class for college. This is the first year that such a division has been made, Ledet said.

He pointed out that the meet is open to all high schools in the state and to colleges in the Gulf States conference.

Trophy awards will be given to the outstanding field man and to the outstanding track man in both the high school and the college division. Plaques will be awarded for all individaul events.

The one-day meet will feature events in the shot put, discus, broad jump, high jump, pole vault, 100-yard dash, high and low hurdles, 440 and 880 relay, sprint medley, and mile relay in both the high school and college division. An added event in the college competition will be a special open mile race.

Coach Ledet added that he expects all of the GSC teams to enter the meet and that he has not yet mailed invitations to high schools in the state.

PICTURED ABOVE IS THE 1953 edition of the Northwestern State College Swimming team. Ist row: Henry Walton, Mike Torrans, J. m. Koonce, Tommy Kehoe, Brother Humble, Red King, Robert De Blieux; 2nd row: Coach Piscopo, Dennis Ryder, Dean Clark, Lyle Dillman, Peyton Cunningham, Gale Hearn, Buddy Lyle; 3rd row: Myron Locky and Johnny Cunningham.

Florida State Downs Demon Mermen; NSC Handed First Loss of '53 Season

Coach John Piscopo's Demon swimmers tasted their first defeat of the 1953 aqua season Wednesday night in the Purple and White Natatorium, when a highly ranked Florida State University water team humbled the NSC crew 51-33.

In capturing the win over the home club, the Florida State mermen took top honors on the 330-Yard Relay, the 400-Yard Freestyle Relay, the 50-Yard Freestyle, the 100-Yard Medley, the 200-Yard Back Stroke, and the Diving competition. Added to this were five second places and four third. While the FSU boys were doing this, the Demons could only muster four first spots, two second places, and four third positions.

However, individual scoring honors were racked up by Tommy Kehoe, Northwestern's ace freshman flash. Kehoe, who comes from a family of swimmers, notched three of the four places ganered by the Natchitoches lads, and broke two records while doing this feat. The young tankman came in ahead of the opponents in the 100-Yard Freestyle race with a time of 54.3, the 220-Yard Freestyle jaunt he made it with a college record-breaking time of 5:25.6.

A total of six records were either bettered, or broken in this meet with Florida State University. The loss is the first for this season. Their record now stands at 3 wins against 1 loss. The next swimming contest for the NSC crew will be against another top-notch contender when the Purple and White meet Texas A & M in the Demon Natatorium Feb. 14 at 6:00 p.m.

Results of the swimming competition is as follows:

300-Yard Medley Relay won by Florida State (Cooper, Rhoton, Wells), time 3:08.1.

220-Yard Freestyle: Kehoe, NSC, time 2:19.0; Rider, NSC; Bierabom, FSU.

50-Yard Freestyle: Baruch, FSU, time 24.0; Ray, FSU; Clark, NSC.

100-Yard Individual Medley: Burnett, FSU, time 1:05.2; Lockey, NSC; Growe, FSU.

Diving was won by Bob Stuke of Florida State University with 98.13 points. Walton and Humble of NSC fololwed.

100-Yard Freestyle: Kehoe, NSC, time 54.3; Wells, FSU; Baruch, FSU; Dillman, NSC.

200-Yard Backstroke: Cooper, FSU, time 2:25.5; Castogua, FSU; J. Cunningham, NSC.

200-Yard Breaststroke: Lockey, NSC, time 2:36.2; Rhoton, FSU; Bailey, FSU.

400-Yard Freestyle: Kehoe, NSC, time 5:25.6; Bersboon, FSU; Rider, NSC.

440-Yard Freestyle Relay: won by Florida State (Burnett, Ray, Wells), time 3:48.6.

Announcement

There will be an Intramural meeting Wednesday, Feb. 11, at 6:00 p. m. in the Men's gymnasium. The purpose of the meeting is to organize the 1953 Basketball League. Each team which plans to enter competition must have a representative present. All entries will be due at this meeting.

Purple and White Defeat La. College 80-74 Thursday Night

A still droggy Demon basketball quintet, trying to recover from a two game set-back handed them by Centenary College and Southwestern, appeared rather sore and rusty in numerous spots Thursday night, but managed to cling to a 6 point lead and cage the Wildcats of La. College, 80-74.

Northwestern opened up the contest on two baskets by Jim Yergler and Bill Collinsworth. Behind the count in a 4-0 score, the Wildcats tallied when Brunson popped a set shot. Ken Shaw of the Demons hit for three points and Davis drove in for a lay-up. La. College then bucketed three point and with 4 minutes and 39 seconds remaining in the first period NSC led 10-5. A basket by Priest, and three free throws in a row by Boyd and Barret, knoted the count at 10-10. Two tallies by Hildebrand, and one each by Walker and Thomas sent the Demons to the side lines with a 20-12 margin of lead at the end of the first quarter.

Opening the second period, the Wildcats surged in the intial few minutes and pulled to within three points of the Natchitoches team. The Purple and White increased its lead and by the time half of the second stanza was over the score showed NSC 34-- La. College 24. Boyd and Robinson of the visitors got hot and started smoking the rims. With 3 minutes and 15 seconds left in the second half, the Alexandria lads trailed by only three points. Robinson then quickly struck for 3 tallies and Boyd hooped in one to push Coach Busby's boys in front 41-39. Northwestern hit for two baskets and the Gold and Black made one to notch the score at 43-43 at the intermission.

Both team matched wits for six minutes of the third quarter, but then the home team, behind Davis and Hidlebrand, broke ahead. By the sounding whistle of this stanza, Northwestern had a confortable advantage of 65-54. In the last period, the contest went much in the fashion of a high school game. Both teams looked a "wee" bit off and panicky. After 7 minutes had elasped, the Wildcats managed to come to within five points of the Demons, 75-70. This was the closest they got. A series of wild shots followed with an occasional basket being tossed in to make up for the law of average, left the final score: Northwestern 80-La. College 74.

Demons Edge Mustangs In Heated Aqua Meet Last Saturday

Northwestern State College Demon tankmen opened their college competitive swimming schedule very successfully last Saturday afternoon as they tripped a highly touted Southern Methodist University team 45-39. A jam-packed crowd was on hand to witness the occassion.

SMU, which finished second in the Southwest conference last year, was in the race all the way. In fact, before the last event of the evening, the Texans were leading the Purple and White by one point, 39-38. However, the 400 yard relay which NSC won in a record-breaking time, decided the final results of the contest.

In notching the victory. Coach John Piscopo's swimmers captured the 300-yard medley and the 400-yard relay and four first places, three second places, and four third places. This was the first intercollegiate win of the season and the second before a home crowd.

Three records were set in the meet, two by the Demons and one by the Mustangs. John Sunningham, Myron Locky and Lyle Dillman set a new pool record for Northwestern in the 300-yard medley with a time of 3:09.4. The previous record was 3:11.8.

Al Killgore of SMU set a new pool record in the 100 yard individual medley with a time of 1:03. The old record was 1:11.1

In the 400-yard relay which won the meet for the Demons, both a college and pool record was established. The new time of 3:46.4 replaced the pool record of 3:49.2 and the college record of 3:47.1. The swimmers in the relay were Dean Clark, John Cunningham, Lyle Dillman, and Tommy Kehoe.

The results of the meet are as follows:

300-yard Medley—won by Northwestern (Cunningham, Lockey, and Dillman). Time—3:09.4.

200-yard Freestyle—First, Kehoe NSC, time 2:21.25; second, McMillian, SMU; third, Rider, NSC.

50-yard Freestyle—First, Farrell, SMU, second, Hall, SMU; third, Clark, NSC.

100-yard Individual Medley—First, Killgore, SMU, time, 1:03; second, Lockey, NSC; third, Corley, SMU.

Diving—First, Humble, NSC, 87.4 points; second, Walton, NSC; third, Webster, SMU.

100-yard Freestyle—First, Kehoe, NSC, time, 54.5; second, Farrell, SMU; third, Dillman, NSC.

220-yard Backstroke—First, McMillan, SMU, time 2:32; second, Beddoes, SMU; third, Cunningham, NSC.

220-yard Breaststroke — First, Lockey, NSC, time 2:39.7; second, Bollen, SMU; third, Killgore, SMU.

440-yard Freestyle—First, McMillan, SMU; time, 5:32.6; second Ryder, NSC; third, McComb, SMU.

400-yard Relay—Won by Northwestern (Clark, Cunningham, Dillman, Kesoe). Time, 3:46.4.

Men's Intramurals

In the final playoffs of the intramural volleyball league, Sigma Tau defeated Phi Kap two consecutive games in what was planned to be a two-out-of-three contest series. The games were to be played with the necessary points for victory being 15. Scores on that final series was Sigma Tau 15-Phi Kap 11 in the first and Sigma Tau 15 and Phi Kap 9 in the second tilt.

The Chowhounds captured third place when they stomped Rebel Hall 21-5 in a regular high-point game of 21.

Monday night results which led to the finals are as follows: Rebel Hall 21-Frames 18, Phi Kap 21-Rebel Hall 7, and Sigma Tau 21-Chowhounds 19.

Triangular Meet

According to the latest reports from Coach John Piscopo, Northwestern, Florida State University, and Emory University are negotiating a contract for a triangular meet to be held in Tallahassee, Florida. If plans will go through the meet will be held February 23, 1953.

11 Swimming Records Are Broken; Top-Notch Material In NSC Pool

With the appearances of nationally known swimmers competing in the Northwstern swimming pool this season, records are being made as fast as the tankmen can hit the water. As it is now, the NSC crew has met three opponents in the home pool. Two, of which are well at the top of their conference standings. Southern Methodist, whom the Demons defeated 45-39, is expected to capture the Southwest Conference swimming title. Flordia State University, the other big-time school, is known all over the country as one of the South's best aqua contestants. So, with such material as this swimming against an aggregation of NSC's best, no less than 11 records have been set, bettered, or broken. These include both college and pool records.

A college is one which is set by swimmers representing Northwestern State College. The record may be set in the Demon Natatorium or in the pool of an opponent. However, no one but an NSC aqua-man can break a college record, because this type of record pertains only to Northwestern's tankmen. An opponent may better the college record, but this will not alter the record any. On the other hand, a pool record may be made by the home team or the opposition. It is a record established in the NSC pool by any swimmer who treads its water.

In the first home meet of the season, two records were set while competing against Little Rock Boys' Club. Mike Torrans of NSC set a pool record in the 100-yard Individual Medley Relay with a time of 1:11.01. This bettered the mark he set in 1952 of 1:11.1 The other record was etablished by Tommy Kehoe. It was both a college and pool mark. Kehoe's time of 2:20.9 replaced the pool record of 2:22.0 set by G. Roedel of Memphis Navy in 1950, and it also did away with the college record of Mickey Gunn which was set at the SEAAU meet in Atlanta, Georgia, in 1949. Mickey's time was 2:23.0.

Against SMU last Saturday night, three new marks were made. In the 300-yard Medley Relay, a new pool record was set by NSC. Lyle Dillman, M. Lockey, and Johnny Cunningham journeyed the 300-Yards in 3:09.4, thus besting the mark, 3:11.8, set by Branch Lockey, and Voorhees of Northwestern in 1951. The second record set was by Al Killgore of SMU. He bettered the college record of 1:08.0 established by Myron Lockey against Texas A & M in College Station, Texas in 1952 and he knocked out the pool record which Mike Torrans set against Little Rock Boys' Club earlier in the season of 1:11.01 Killgore's time was 1:03.

The last record that was set Saturday night was in the 400-Yard Freestyle Relay. This was both a college and pool record. Dean Clark, Johnny Cunningham, Lyle Dillman, and Tommy Kehoe swam the 400 yards in 3:46.4 time, which incidentally won the meet for the Demons. This relay team smashed the pool record of 3:49.2 accomplished by SMU's Epps, Farrell, Amerine, and Muckleroy in 1951 and also bested the college record set by Bruser, Voorhees, Gunn, and Branch of 3:47.1 in the SEAAU meet in Atlanta, Georgia in 1950.

Wednesday night in the contest against Florida State University, six records were matched or bettered. FSU started the meet by breaking a pool record which was just set by the Demon relay team against SMU the previous Saturday.

Next record to be broken was that of the 220-Yard Freestyle race. Tommy Kehoe of NSC recorded a 2:19 flat to break the college and pool record he had established against Little Rock Boys' Club January 10, 1953. Third on the list of records is that of the 100-Yard Individual Medley. Burnett of Florida State turned in a 1:05.2 time to better the college mark of 1:08.0 set by Myron Lockey.

In the Baskstroke competition, Cooper of Florida State bettered the college and demolished the pool record. His time was 2:25.5 The college record of 2:38.0 was set by Myron Lockey of Northwestern in 1951 with a time of 2:39.0

The next record to be broken Wednesday night was done by Myron Lockey. Myron set a pool record of 2:36.8 in the 200-Yard Breaststroke. This bested his previous record-time of 2:39.8 set in 1951. The last mark was in the 400-Yard Freestyle race. Tommy Kehoe blasted the old college record of 5:26.6 set by Dennis Rider against SMU in Dallas, Texas in 1952. Kehoe's time was 5:25.6.

Thus it has been that in three meets held this season on the Northwestern campus, 11 records have been brushed away and 11 new ones have taken their places. The season is still young yet, the competition is keen, and you can bet that before the last Demon hits the water many more records will be set.

Do you need money? Then why not borrow some from the Student Loan fund. Contact Jackson Beebe, treasurer.

NORTHWESTERN STATE COLLEGE BASKETBALL STATISTICS

(Editor's note: These statistics include games played against 20 opponents. They do not include the Southwestern tilt Tuesday nor the La. College contest Thursday night.)

You can study all your life
To get a Ph.D.,
But you've learned nothing till you've found
That L.S./M.F.T.
David G. Altemuehle
University of Kentucky

No messy ends get in your mouth—
It's fully packed you see;
For cleaner, fresher, smoother smokes,
It's Lucky Strike for me!
Irwin Ross
New York University

Nothing—no, nothing—beats better taste and LUCKIES TASTE BETTER!
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy—GO LUCKY!

Where's your jingle?

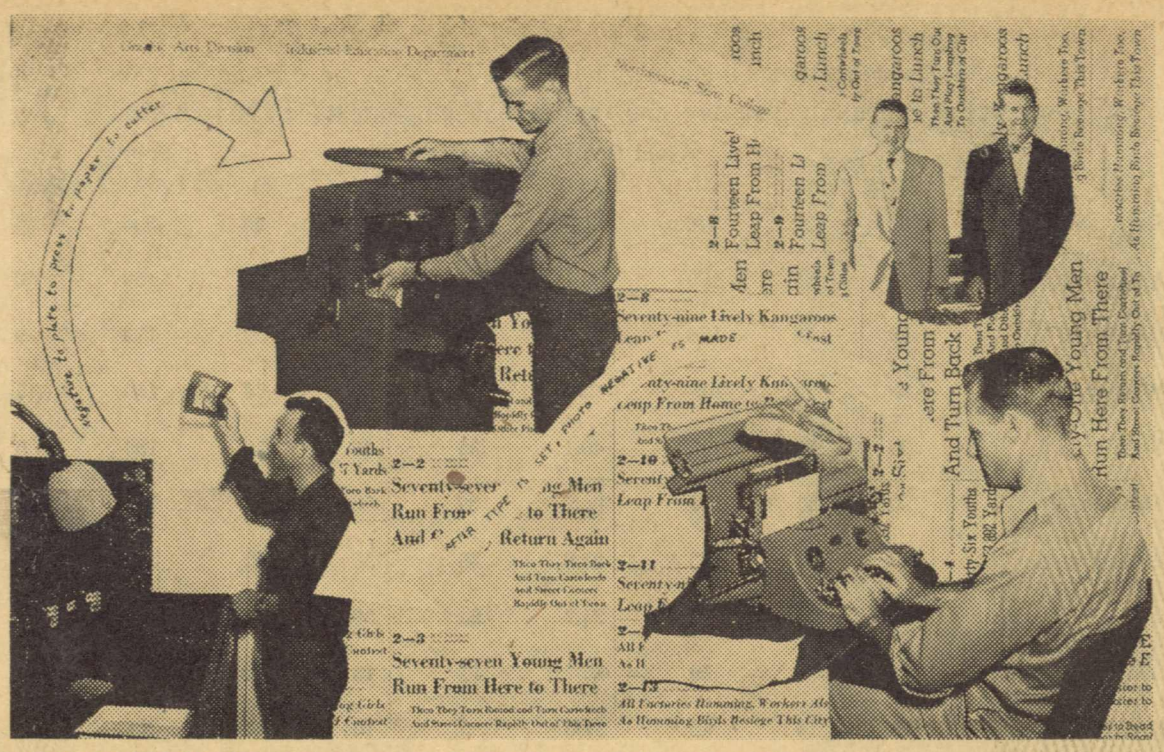

It's easier than you think to make $25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay $25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P.O. Box 67, New York 46, N.Y.

It's always an occasion when
A box comes from the folks—
'Cause inside are those Lucky Strikes
For cleaner, fresher smokes!

NEW NSC GRAPHIC ARTS PROGRAM IN SECOND SEMESTER—A program of printing and the graphic arts, instiuted at Northwestern State college in September, is proving a popular one with students and a useful one in meeting the college's printing needs. The Graphic Arts Division, a production-instructional unit, offers courses in both letterpress and offset printing. Above, Tom Weaver (lower right) of Chestnut, types on a new Verityper used in offset production. After page is typed, it is photographed and a negative is made by Kenneth Lee, Robeline (lower left). Richard Methvin, Natchitoches, is shown at upper left trimming pages on another piece of the Division's new equipment. Inset at upper right is of Walter Robison (right), head of the Industrial Arts Department, and Roy Clark, instructor of printing and head of the Graphic Arts Division.

–Pri Mu Alpha Ball

(Continued from front page)

follows:

At about 8:15 the king and his court wil enter. He will be crowned king and make a welcoming speech. The queen's court will then enter, led by Miss Barbara Brittain, last year's Phi Mu Alpha sweetheart. The escourts of the queen's maids are Maxie Burns, Dave Carson, John Manning, Emerson Plauche, Hardy Rose, and S. J. Weskbrook.

The queen will enter at 8:25 and come to the throne. The fraternity will seranade her and she is to then be officially crowned queen of the ball by Miss Brittain, ending the short ceremony. The dancing will be led off by the Symphonians and Queen's court. The dance will last until eleven o'clock.

The announced for the ceremonies is to be Mr. Joseph Carlucci. The decorations, based on Louisiana history themes, are under the supervision of Miss Betty Brittenburg. There is no admission charge. Everyone is invited; but costumes should center around Louisiana history and masks, now on sale at the college bookstore, must be worn.

This ball is designed so that the guests can forget their inhibitations, troubles, identities, and really have a good time.

Northwestern State College 1953 Varsity Swimming Schedule (remaining meets)

Sat. Feb. 14. Texas A & M Natchitoches, La., 6:00 p. m.

Fri. Feb. 27. Texas A & M. College Station, Tex., 7:30 p. m.

Sat. Feb. 28. Rice institute. Houston, Texas, 2:20 p. m.

Fri. Mar. 6. Texas University. Natchitoches, La. 7:30 p. m.

THE CURRENT SAUCE

VOL. XXXIX—No. 16 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, FEBRUARY 14, 1953

1321 Enrolled At Northwestern This Spring

With registration still incomplete, total figures released this week by Registrar Otis Crew shows 1321 students enrolled at Northwestern for the spring semester. Crew pointed out that the total figure will rise later due to a number of people who will register late.

The present enrollment at NSC exceeds by ten the 1311 who were enrolled during the spring semester of 1952, but as is usually the case, falls short of the fall semester's enrollment of 1414.

The figures released by Crew show 744 women students enrolled compared with 577 men students.

A breakdown into the different schools shows the school of education with the largest enrollment with 615. Of this number, 291 are men and 324 are women.

Enrollment in the school of Applied Arts and Sciences is 545, with 378 women and 167 men students. Only the Arts and Sciences school shows a majority of men students. Out of a total enrollment of 161, men students number 119 as compared to 42 women students.

A breakdown into classes shows 86 first semester and 362 second semester freshmen; 67 first semester and 205 semester sophomores; 209 first semester and 165 second semester juniors; 94 first semester and 110 second semester seniors; and 23 special students.

'53 Potpourri Work Almost Completed

A good portion of the work for the 1953 Potpourri yearbook has been completed and sent to the publishing company for printing, according to Houston Davis, editor.

In connection with the final phases of the work, Will Benson of Benson Printing company was in Natchitoches last week to discuss and check the final plans for the book before it goes to press.

Many new features have been incorporated into this year's Potpourri but the majority of the changes will be kept secret until the book is ready for distribution sometime during the early part of May.

All efforts are being made to deliver the last of the copy to the printing company by next week. Yet to be completed are a portion of the snap shot section, some sports and a couple of pages of ads.

The general arrangement of the book has been revamped with the inclusion of additional divisions. Probably the most attractive portion of the Potpourri this year will be the beauty section which will be a decided trend away from the usual layout. The book will average approximately 230 pages.

NSC Debate Squad In Abilene Meet

Ten members of the NSC Debate Squad left Thursday for the Abilene Christian College Twentieth Annual Speech Tournament, held in Abilene Texas, Friday and Saturday, Febrauray 13 and 14.

Those attending the tournament are: Daisy Cox, Carolyn Boutwell, Jo Ann Prestridge, Chick Gabbert, Pat Hankins, Anne Torrans, David Kendrick, Bill Erwin, Bobby Ham, Dave Lawson, and the debate coach, Mr. Donald Graham.

They wil complete in debate, extemporaneous speaking, poetry reading, Bible reading, oratory, radio speaking, and after dinner speaking.

RECEIVES ROTARY STUDY GRANT—Genevieve Marmande of Theriot, senior at Northwstern State college, smiles happily as she is congratulated on being selected by Rotary International as one of 95 world students to receive foreign study fellowships for the coming school year. Seated is NSC President H. Lee Prather and standing is Milford Green, president of the Natchitoches Rotary club, which recommended Miss Marmande. The 20-year-old coed, majoring in French at Northwestern, will study the French language and literature at the University of Grenoble in southern France.

High School Speech Tourney Last Weekend Is Largest Ever Held Here

Father Irving DeBlanc Is Guest Speaker At Newman Meeting

The Newman Club here on the campus was honored to have Father Irving DeBlanc from Southwestern La. Institute as guest speaker on Tuesday night. Father DeBlanc gave an inspiring and entertaining talk which was enjoyed by all members of the Newman Club.

Although Father DeBlanc had to leave the meeting early Tuesday night, Catholic students were privileged to hear him again Wednesday morning at Mass.

The 16th Annual Northwestern High School Tournament held on the Northwestern campus last weekend has 457 students from 21 high schools in the state competing in the many events. The sweepstakes for the AA-O Division was won by Byrd High School of Shreveport with 217 point, 2nd by Bolton High School of Alexandria with 174 points, and 3rd by Isadroe Newman High School of New Orleans with 70 points. The B-C Division was won by Mt. Carmel High School of Abbeville with 197 points, 2nd by Castor High School of Castor with 163 points, and 3rd by St. Vincent's Academy with 80 points.

The sweepstakes for individual events was won in the A-AA Divison by the B-C Division, both men and women, by Mt. Carmel High School of Abbeville.

In debate the AA-A Men's Divison was won by Warren Easton High School of New Orleans, the AA-A Womens Division by Byrd High School of Shreveport, which also took 2nd, 3rd, and 4th in that division. In the B-C Men's Division Castor High School of Castor took first and 2nd place, while the B-C Women's Division was won by St. Vincent's Acaremy of Shreveport. The indviduals with the highest rank in each division were: A-AA Men, Sidney Pulitzer of Newman AA-A Women, Elizabeth Wilson of Byrd; B-C Men, LeHane Cloud of Castor ;B-C Women, Mary Ann Gorton of St. Vincents.

This tournament included more people and more high schools than any previous high school tournament held here.

Spring Drama To Be Presented An Extra Night

"Night Must Fall", a drama in three acts that will be given here by the college theatre, will be presented a night earlier, it was announced by Dr. Edna West, director. Originally it was scheduled for February 26, 27 but due to the seating capacity of the Little Theatre and the large ticket sale anticipated, the production will run three nights instead, beginning February 25.

"Night Must Fall" is an effectively shocking blood-curdler—wholesale in its horrors—with grateful bubbles of laughter between its deep quaffs of blood.

The cast and production staff have been working daily under the watchful eye of Dr. West and the play is beginning to whip into shape. Any student interested in working on the crews are urged to attend the rehearsals at 7 each night or to contact Dr. West in the speech office.

It is necessary for students to obtain their tickets for the performance on any one of the three nights at the college bookstore before February 19, because after that date all tickets that remain will go on public sale.

French Pianist In Concert Here

A young French pianist, Monique de la Bruchollerie, will present a program of concert music in the Fine Arts Auditorium on February 16, at 8:15 p.m.

She recently made her American debut with the Boston Symphony on December 14, 1951.

Students are to present their Student Activity Cards at the book store for tickets. Season tickets are recognized.

Carolyn Adams Is Crowned Queen Of Mardi Gras Ball Here Last Night

Last night's Mardi Gras Ball, sponsored by Phi Mu Alpha from 8 - 11 was highlighted by the coronation of the ing and queen and the introduction of the court. Miss Barbara Brittain, last year's Phi Mu Alpha sweetheart, crowned Carolyn Adams queen of the festivities. Prior to this, Jackson Bebe was crowned king. The queen's court consisted of Barbara Stevenson, Dotty Kirkland, Jimmy Kall, Wanna Beth Sanders, Carolyn Adams, and Nancy King. Escorts for the queen's madis were Emerson Plauche, John Manning, Jr., Owen Phillips, Maxie Burns, Dave Carson, and Curtis Hoglan.

A floorshow followed, featuring a dance number by Jane Williams, Jane Gaines, and Carolyn Glass; and a piano duet by Wiburt Mason and Tommie Lathem.

The dancing began, led by the Symphonians and Queen's court. Following the unmasking at 9:30, noisemakers and confetti were distributed.

Mr. Joseph Carlucci was Master of Ceremonies. Music was by Sleepy Speers.

French Students To Make Field Trip To Lafayette

Tuesday will be a big day for all the students enrolled in French classes here at Northwestern. Early that morning the students will begin their journey to Lafayette, where they will see the Mardi Gras celebrations of that city. Accompanying them on the trip will be Miss Eve Mouton, professor of French.

The students will arrive in Lafayette in time to see the parade and the arrival of King Gabriel and Queen Evangeline via Southern Pacific. Other features of the day will be the masking and dancing in the streets and the Queen's parade that night.

After the night parade, the students will return to the campus. The trip will be made in the new college bus.

Northwestern To Host Home Economics Day On February 21

The Home Economics Department of Northwestern State College will be hostess to students from high schools for "Home Economics Day" at Northwestern state College on February 21, 1953.

"Stairway to the Future" is the theme for the day, which will be developed by Mrs. Johne Bowles Cooper, former Northwestern State College graduate of Home Economics, at the afternoon session, which will be held at one thirty at the little theater in the Fine Arts Building.

Mrs. Cooper, who is now a homemakers, living in Baton Rouge, will show how different phases of Home Economics Education head to the the building of this stairway, which finally culminates in the development of a happy home and satisfying family life.

As Mrs. Cooper discusses the following topics, in relations to their contributions to the "stairway", students from the Home Economics department will dramatize various scenes: Winning Wardrobes; Meals that Matter; Healthy, Happy Children; Personal Development; Family Fun.

Northwestern State College women students are invited to this afternoon program.

Registration for visiting students will be at ten o'clock Saturday morning, folowed by a program of visitation to points of interest on the campus.

Panhellenic Dance Is Huge Success

The Field House was the scene of a gala dance sponsored by Panhellenic Council, Saturday, February 7, from 8 to 11 p. m.

Decorations of hearts and valentines in red and white carried out the theme. The feminine population thoroughly enjoyed the evening, in which, to reverse the usual order, they got to do the asking, cutting in on, and even buying refreshments.

Entertainment for the floor show was provided by each of the five sororities on the campus. A vocal, "Why Don't You Believe Me" by Mary Ann Cronin was presented by Tri Sig. Frances Griffin of Theta Sig, gave a clever reading of "The Waltz" Pi Kap's Gene Jensen and Bebe Joy Gallender tapped to "Chattanoga Shoe Shine Boy". "Frankie and Johnny" was the unusual and entertaining skit prepared by Alpha Sig. DSE planned a modern dance performed by Jane Wililams, Jane Gaines, and Conner Glass.

Student Center Undergoes Change Of Management

The student center cafe is under new management due to the removal of Mrs. Harriet Yancey, former manager, by Northwestern authorities this past week.

Employed as new cafe manage is Mrs. Lucille MacNeil, who took over the work of Mrs. Yancey who was released from her duties "she was not capable of ding the job." Mrs. MacNeil is orginally from Shreveport, but has been in Natchitoches for some time.

According to Mr. J. P. Straughan, business manager of the college, the field house cafe has been undergoing tremendous losses, and the revolving fund cannot possibley operate with such excessive losses. Mr. Straughan reported that Mrs. MacNeil "was highly recommended, and I believe she will be very capable."

In a statement to the editor of the Current Sauce yesterday. Mrs. Yancey said that she "missed not being out there and certainly enjoyed being with you students the past two years. I was told that I wasn't capable", she said. "I wish the best of luck to Mrs. MacNeil."

Many students expressed regret over seeing Mrs. Yancey leave, as she had been in the cafe for the past two years.

La. College Confab To Be Held Here On March 6-7

Northwestern State College will play host to the 15th annual Louisiana College Conference on March 6-7, according to a report by Dr. C. E. Dugdale, dean of the Arts & Sciences school and member of the conference executive committee.

Approximately 300 faculty members from colleges all over the state are expected to attend the conference, said Dugdale.

Held last year at St. Mary's Dominican College in New Orleans, the annual conference is for the purpose of studying the problems of education in the state with the view of making improvements wherever possible. This year's

Students Pessimistic About Peace Chances . . .

College students have little hope of either a speedy end to the Korean war or of peace between Russia and the United States.

In a survey taken by the ACP National Poll of Student Opinion, students across the nation were asked: Do you think the Korean war will be over within six months?

The results:

Yes	5 per cent
No	82 per cent
No Opinion	10 per cent
Other	3 per cent

Students were also asked: How do you feel about chances for a peaceful settlement of differences between Russia and the United States? Here are the answers:

Chances are good	3 per cent
Chances are fair	27 per cent
Chances are poor	54 per cent
No chances	12 per cent
No opinion	4 per cent

In a Student Opinion poll taken one year ago the same question was asked. At the time only 45 per cent of those interviewed said "Chances are poor."

Most students lay both the Korean war and Cold war at Russia's doorstep. "Russia is not looking for peace but for power," says a junior from Mount Mary college, Milwaukee.

And a Purdue university student sees "no chance" for peace "unless there is a civil war in Russia."

An engineering student at the Citadel, a military school in Charleston, South Carolina, comments on Korea, "The situation should be turned over to the military entirely; 'statesmen' have already blundered away two years in Korea."

"There will be no compromise," says a sophomore coed from Regis college, Mass. "Either Russia or the United States will be the victor."

Those who feel there is still a chance for peace, tend to pin their hopes on:

A revolution in the Soviet Union and its satellites.

Soviet fear of Western power.

U.S. "patience and diplomacy."

Eisenhower

"A turning back," as one student puts it, "to religion and God."

But a coed at Trinity college, D.C., sums up the feeling of many students when, having granted there's a chance for peace, she adds, "But it will take a miracle."

Melchior Show Greatly Enjoyed By NSC Students

By MYRON FLEMING

There is general agreement among students that the Lauritz Melchior show prsented last Tuesday was the finest entertainment seen at the Fine Arts auditorium since Charles Laughton appeared here over a year ago.

The program was varied enough to please everyone. The gracious personality of Melchior prevailed throughout, while his rendering of Siegmund's love song from Die Walkuri and other arias convincingly pointed out the truth of his ranking as the greatest wagnerian tenor of all time.

Although he stole the show often, Mr. Melchior left the greater portion of it to his highly talented young troupe of singers. They were sopranos Shirlee Emmons and Angelene Collins, tenors Val Valente and Alan Werner, baritone Michael Roberts, and bass Edward Williams. They proved their operatic talents with excerps from "Boheme" especially.

The brilliant duo-piana of George Roth and Ted Sadlowski worked hard and well in accompanying the singers. Their Fire Dance and Minute Waltz solos received the greatest applause given any of the young entertainers.

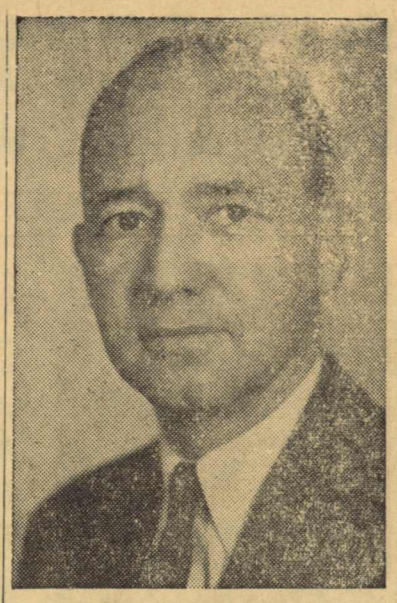

Unlike the operatic first half of the program, the second half featured popular selections and songs from The Merry Widow. Non-operatic pieces ranged from the perennial "Because", sung majestically by Melchior, to currently popular "You'll Never Get Away," cleverly sung by Alan Werner and Angelene Collins. Old favorites of everyone were included in this part of the program.

Miss Elizabeth Ann Leo, a NSC graduate from Natchitoches, was entered in a national singing competition and sang Der Tod und Das Maiden by Schubert.

For the Ice Cream that is Indeed a TREAT

VISIT

ZESTO SHOP

Rev. Charles Stokes

Rev. Charles Stokes spoke to the Northwestern students yesterday at the campus. Rev. Stokes is a Methodist missionary who has been in Korea for the past five years.

Council Minutes

The Student Council met in the Faculty Room of Caldwell Hall at 5:45 P. M. Wednesday, February 11, with Leland Langridge presiding. Present were Ben Singletary, John Manning, Leland Langridge, Red Miller, Winnie Dowden, Ronnie Quinn, Mary Sue Bellew, Lowell Starnes, and Lucien Spataro.

The following dates have been set: intentions must be filed to run for editors of CURRENT SAUCE AND POTPOURRI by February 28 with Mary Sue Bellew; intentions must be filed to run for student body offices by March 30 with Mary Sue Bellew; general student body officer's election will be April 21; election of student senators and cherleaders as well as run-offs of student body officer's election will be May 12.

Ben Singletary gave a report on the point system. Some changes were made. Red Miller moved that we submit this report to the Student Senate as read and corrected. The motion was seconded, and passed unanimously.

A plan for a high school literary rally to be held on this campus was presented. Ben Singletary suggested we take the plan to Miss Bruner and Mr. Towns, and further discuss it.

Lucien Spataro presented a plan on how the business manager of CURRENT SAUCE should be paid. No action was taken.

The meeting was adjourned.

Respectfully submitted,
Mary Sue Bellow, Secretary

La. College Confab—

Alpha Sigma Alpha

Wednesday night, the Alpha Sigs were delighted by the pledging of two new pledges, Nancy Broadnax and Johnnie Louise Frazer, in a very impressive, candlelight ceremony.

Adding to the number of ASA alum chapters is the one newly-formed in Shreveport. Their enthusism and interest are to be commended.

Alpha Sig is proud to announce the engagement of one of its members, Faye Jordan, to George Robinson.

The pledges will be studying pretty hard this week-end for their pledge tests, which are to be given Monday. They will be initiated Wednesday night.

Our new phonograph got its first initiation Tuesday night at the Valentine party ASA gave for the Phi Kappa Nu fraternity. Huge red hearts decorated the room and there were dishes of candy hearts for the guests to eat. Ronald Quinn, president of Phi Kappa Nu, and Sue Choate, president of ASA, cut the cake, wich the fraternity members served their hostesses. The guests were entertained by dancing. Ann Wood, Barbara Gray, and Kathleen Simmons really did a swell job of planing.

Delta Sigma Epsilon

Our very best congratulations go to our president, Peppy Marmande, who was recently awarded a Rotary International Study Scholdarship to France. We were all thrilled when we received news of it and are very proud of our honored sister.

Regular meeting of Delta Epsilon was held Tuesday night with our new vice-president, Barbara Gray, presiding. A theme for our Spring Formal was decided on and plans were discussed. Also plans were discussed and completed for a round of parties honoring Sigma Tau Gamma, Phi Kappa Nu, and Lambda Zeta fraternities which are to be held in the near future. Wednesday night the Delta Sigs honored the Sigma Taus with a Valentine party. The valentine theme was effectively carried out with decorations of glittered cheesecloth, red and white streamers, and hearts. Charades and dancing provided entertainment for the group. Lemonade and cookies were served. Chairmen for the party were Alice Phelps, refreshments; and Jane Claborn and "Ef" Cloutier, decorations.

The Delta Sigs are looking forward to entertaining the Phi Kaps next week.

Sigma Sigma Sigma

Things were really buzzing around the Tri Sigma house Tuesday night at regular meeting time when committee reports on the tea, banquet spring formal, and luncheon were given. In the midst of the confusion and discussion Genie Shaw brought in the beautiful tray Mrs. Ella Houstun gave us for Chrismas, loaded with cookies. They were wonderful, Genie!

The Tri Sigmas lost their first baseball game to Agnes Morris by one point. Better luck next time.

The pledges have about three more weeks before their tests. Needless to say, they are really getting down to some deep studying now. They will be intiated in March.

Newman Club Elects New Officers Monday Night

An election of officers was held by the Newman Club at their Regular Monday night meeting. The newly elected officers are: John Cunningham, president; Peyton Cunningham, vice-president; Rae Gremillion, recording sceretary; Pat Lyons, corresponding secretary; June Gleason, treasursr; Clara Basco, historian; John and Peyton Cunningham, marshall; and Doris Ann Henry, reporter.

On Mardi Gras In Louisiana . . . .

by Francess Griffin

Mardi Gras, or Fat Tuesday, attracts many visitors to Louisiana every year. Traditionally Mardi Gras is the last day of the pre-Lenten season when everyone has one last fling before settling down to the austerity of Lent.

The Carnival season starts on January 6 with the Twelth Night Ball and builds to a climax on "Fat Tuesday." The New Orleans' version of Mardi Gras goes back to 1827 when a group of young men returned to the city from school in Paris, put on Carnival costumes, and played and danced in the streets as they had seen people do in France.

The first float apeared in 1839. The Krewe of Comus paraded first in 1852, and King Rex came into being on 1872. For about 75 years membership in a carnival krewe was limited to persons in the upper social class. However, in the 1930's everybody went krewe-crazy, and now there are krewes for every purse.

Elaborate masquerade balls are given by the krewes in the New Orleans Municipal Auditorium. Spectators watch from the balcony as the dancers and the ladies fortunate enough to receive call-out cards whirl around the floor below.

The colored population of New Orleans has its own Mardi Gras celebration ruled by King Zulu and his court. The Zulu parade route is lined with watchers who wave and shout at the king. In return, they are thrown traditional coconuts by the black monarch.

Northwestern is celebrating the holiday this year with the Mardi Gras masquerade ball. Sponsored by Phi Mu Alpha music fraternity, the dance was held in the student center last night.

Former Student Is Dietetic Intern

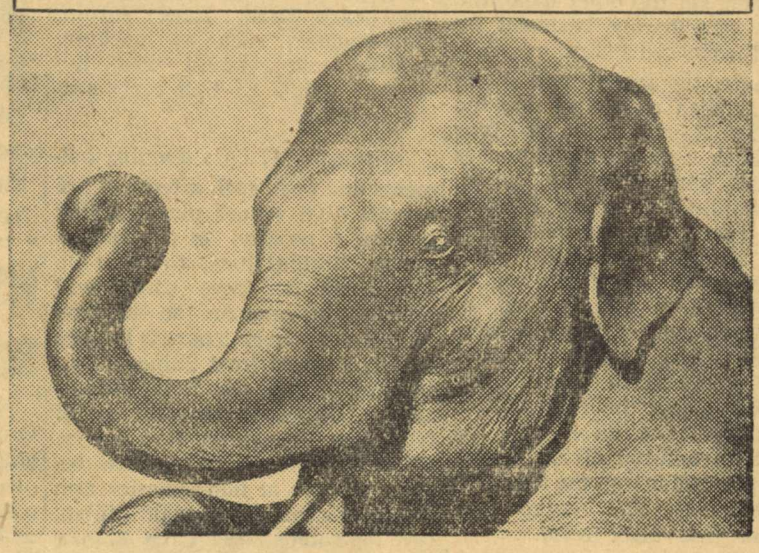

Second Lt. Dora Anne Powell, who received her Bachelor of Science Degree at Northwestern State College in 1950, is being being trained as a dietetic intern at Brooke Army Hospital, Fort Sam Houston, Texas.

She is one of ten gradutes of approved schools of dietetics, who have entered active duty as 2nd lieutenants of the Reserves and who are training under the supervision of the experienced dietitans of the Hospital's staff. The year's internship gives the young dietitian the experience she needs and prepares her for the responsibilities in her field of work. Successful completion of her internship makes her eligible for membership in the American Asociation of Dietitians.

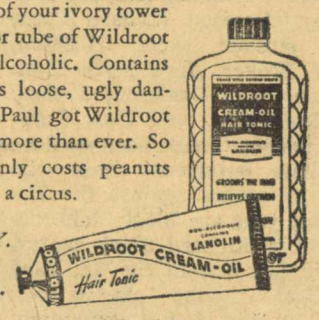

In addition to working with the staff dietitians in all aspects of the tremendous job of planning appetising, well-balanced meals for the patients, working out special diets and supervising kitchen personel, the dietetic interns attend classes regurarly, complete research problems and gain some practical experience in other Army hospitals, when they go for some weeks to other camps and stations of the Fourth Army Area.

Miss Powell taught Home Economics at Provencal High School, 1950-51. She attended the University of Arkansas and received her M.S. degree in Home Economics in June 1952.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

"HURRMPH"! trumpeted Sheedy, "What a elephant time to have my hair act up. Might as well break my date and get trunk!" Luckily he was overheard by a Pachydermitologist who said, "Tusk, tusk! You've got a messy big top from pouring those buckets of water on your head. Get out of your ivory tower and visit any toilet goods counter for a bottle or tube of Wildroot Cream-Oil, "Your Hair's Best Friend". Non-alcoholic. Contains soothing Lanolin. Relieves dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Paul got Wildroot Cream-Oil, and now all the girls tent to him more than ever. So why don't you try Wildroot Cream-Oil? It only costs peanuts —29¢. And once you try it, you'll really have a circus.

NSC Mermen Engage Texas A & M Tankmen In Natatorium Today

Contest Will Begin At 4:00 p. m.; Both Teams Are Evenly Matched

At 4:00 o'clock this afternoon in the Demon natatorium, the Purple and White swimming team of Northwestern State College will meet another in the line of toprate tank squads when they mix water wings with the Texas A & M Aggies from College Station, Texas. The Aggies are third place winners in the recent Southwest Conference relays at Waco, Texas.

This evening's tussle should prove very exciting as both teams are very evenly matched. A common opponent of both colleges is the SMU Mustangs. Northwestern downed the Mustangs 45-39 in their first college competitive meet of the season. On the other hand, the Aggies were barely beatened by the Methodist swimmers.

However, the Purple and White team has been unable to stop the Texas A & M crew in the past four years. Each time the Natchitoches team has gone down in defeat, but according to John Piscopo, Demon coach, this season's squad is the strongest and most well-balanced team representative of Northwestern in a long time. In last season's contest, the NSC webmen lost to the Aggies by a 53-31 score. Northwestern scored only two first places in that defeat; Jack Gaston, ace diver who has graduated, captured diving honors and Dennis Rider won the 220-Yard Freestyle race. The Aggies took all other first place honors.

Returning from that squad which beat the Demons are five lettermen. Bobby Johnson of McCamey leads them with two monograms as a diver. Following him are four one year letterman: Richard Black, breast stroker from Houston, Johnny Broker, free style from Rosharon, John Cameron, a diver from Greenville, and Don Crawford, a Corpus Christi back stroker.

Of these lettermen, those who placed in events against the Demons last year are Black, Johnson, and Broker. Richard Black captured third position in the 220-Yard Breaststroke, Bobby Johnson took a third in the diving competion, and Johnny Broker notched a second place in the 150-Yard Individual Medley race.

To cope with this Aggie team, Coach John Piscopo will send his young swimmers whom he thinks will edge the Texas team. The talented coach has nothing but praise for his aqu-men thus far this season. As he puts it, they are definitely good as is indicated of the many records being broken in the Demon pool.

Outstanding among the NSC swimmers is Tommy Kehoe. This freshman water-man can be entered in any type of race which is swam in a swimming meet. Not only does this lad swim these events, but he comes up with record-breaking time in every one of them. Thus far this season, he has broken a record in every individual race he has competed in. Beside this, Tommy was part of the relay team which recently broke the pool record in the 400-Yard Freestyle relay.

Other Demon mermen who can be counted upon for top-notch swims are Myron Lockey, only senior and team captain, Johnny Cunningham, Lyle Dillman, Dennis Rider, Dean Clark, Peyton Cunningham, and the two divers Henry Walton and Horace Humble.

All in all, the meet this afternoon shapes up to an exciting affair. Both teams are evenly matched, the competition is high, the rivalry is deep ,and the Demons will be seeking their first win in four years over the Aggies. It's time for a NSC victory, mabe there'll get it.

Demon Basketball Schedule

* Sat. Feb. 14. Southwestern
* Mon. Feb. 16. Spring Hill
Fri. Feb. 20. Miss Southern
* Tue. Feb. 24. Louisiana Tech
Fri Feb. 27. Centenary
* Home Games

Fundamentals Stressed In NSC Spring Practice

In the midst of spring practice, the Fall edition of Northwestern State College football gridsters is being molded under the eyes of head coach, Harry "Rags" Turpin. Fundamentals such as blocking, tackling, and running are the stressed points of this early season training.

Among the 47 boys donning helments and pads each afternoon are several high school player trying to earn a position on the Demon eleven. Beside these, there are a few freshmen faces which will probably be seen on the turf this coming September. There is Eugene Mallet, a guard from Sulphur, Otis Howard, a fullback from Bunkie, and J. Lockwood, another guard from New Brunswick, New Jersey. Other new-comers who have become eligible at mid-semester are: Searle Walton and Donald Millen, two top-notch backs from Bossier City, Louisiana, and H. A. Butler, a quarterback from Beaumont, Texas.

Coach Turpin commented upon his boys as being very aggressive. By the time spring training ends which will be toward the last week of February, the players will be more familar with each other. Thursday and Friday afternoons, the future gridders went through a rugged scrimmage.

When asked about the new ruling concerning the dismissal of two-paltoon football which was recently put into effect, "Rags" said that he beleives that it is a good thing. Now the Coach will be able to know more about the individual versatility of his players.

The 1953 Fall football schedule in its modified form is as follows:

* Sept. 19. Central Oklahoma
* Sept. 26. Lamar Tech
Oct. 3. McNeese
Oct. 10. La. College
Oct. 17. La. Tech
* Oct. 24. Southeastern
* Nov. 7. Northeast State
Nov. 14. Southwestern
* Home Games

Women's Intramurals

Basketball games that were played in the Women's Intramural League the past week saw Agnes Morris sweep their opponents in the two contests they played. Monday night the Aggies slipped by Tri Sig, 22-21, and Wednesday night they stomped Pi Kap, 31-21. The Pups came through in the week's final game Thursday night and edged Carondelet 19-17. Charlotte Foster of Carondelet was the high point player in the contest with 10 tallies. These games are part of the double round-robin play in the league.

Game Time Changed For Demon, Badger Tilt Here Monday

Game time for the Northwestern State-Spring Hill college conference tilt in the Demon gym Monday night has been moved up to 6:30 p. m. instead of 7:30 as previously scheduled.

ONE OF NSC'S OUTSTANDING SWIMMERS who will compete against Texas A & M this afternoon in the Demon swimming pool is Johnny Cunningham. Johnny swims the relays and backstroke competition.

NSC Quintet Ends 7 Game Slump; Stomp McNeese Cowboys 77-64

A Demon basketball five, finally showed strong signs of shrugging off the losing ways that have plagued them in the last seven contests, and busted the Cowboys of McNeese State College in Lake Charles, Thursday night, 77-64. Bill Coillinsworth paced the Purple and White with his fancy floor-work and his high point total of 20 points.

Northwestern toyed with the McNeese five for the first half of the tilt. They kept a comfortable margin of advantage all the way through. But in the second part of the game, the Cowboys tied a desperation surg, which was quenched by the neat ball-handling of Bill Collinsworth, who consistently drove past his man.

The Purple and White hit for 35 percent of their shots in the first half as they racked up 38 points. James Thomas and Bill Collinworth acounted for half of these with each hitting for 9 and 10 points respectively. After a 9-9 tie three minutes into the start of the game, the Demons were never pushed. The score at the intermission was Northwestern 38-McNeese 21.

In the third quarter the Lake Charles team started pressing the Demons. Playing a tight man to man defense, they tried to rally and overcome the large lead Northwestern possessed. However, this was in vain, even though they did out-score the Natchitoches lads 23-17 in this frame, the score-board showed to be 55-44 in favor of the Demons.

The pressing defense put on the McNeese quintet in the last stanza, suffered from a bad case of defeating its own purpose. The Northwestern boys out-pointed them 22-20. This was due to the efforts of Collinworth's brillant floor-work. Time after time he dribbed by the man guarding him and dropped points in the basket. The game ended with a score of 77-64, Northwestern out-front.

This victory gave the Demons a 4 won and 3 loss record in the GSC. It broke a seven game slump, and upped the over-all record to 18 wins against 7 losses. But the thing it did most was to return the type of play which was characteristic of the early season.

Score by quarters:

NSC	18	20	17	22
McNeese	11	10	23	20

Officials: Nicosia and Bornschewer.

NOTICE

The annual Cross Country Run will be held Friday, February 20. Anyone who desires to enter the race may acquire entry blanks at the Intramural Office in the Men's gymnasium.

Cross-Country Run To Be Held Friday During HS Tourney

Northwesten's annual intramural Cross-Country Run will be held Friday, February 20, as a feature performance during the Northwest Louisiana Basketball Tournament. The two mile run will start at approximately 2:45 p.m. Coach Walter Ledet will be in charge of the track event.

An individual trophy will be awarded to winner. In addition to this he wil receive a first place medal. Medals will also be awarded to the second and third place finishers. Anyone may enter, however, an organization should enter a team of four or more runners. Each competition will be ranked in points according to the place in which he ends the race.

The route of this long distance is as follows: the cross-country race will start directly in front of the men's gymnasium. It will go west in front of Caspari Hall and turn left at the Practice Cottage. The run will continue past the rear of the stadium and on to Mr. Young's home. The course turns left and folows the lake road and crosses the railroad and turns left on College Avenue. The route proceeds out of College Avenue to the women's gymnasium where it turns left past the Infirmary and back to the Practice Cottage. A final left turn is made and after passing Caspari Hall, the course finishes in front of the men's gymnasium where it originated.

Certain rules and regulations should be followed. An approved health examination must be on file at the college. Each participant must run the course at least nine times before the day of the meet, reporting to the intramural office after each practice run. Minimum dress of shorts, sheeveless shirt and shoes is required. Spikes of any kind on shoes are prohibited. (Tennis shoes are recommended). All males students regularly enrolled in the Northwestern State College are eligible to enter except Varsity Track men or lettermen from other colleges.

Three Northwestern Girls Become Regular Officials

Three Northwestern State College girls gained the honor of becoming regular officials when they passed the National Official Basketball Rating test held in Monroe, Louisiana. These NSC students were Virginia Metcalf, Judy Honeycutt, and Barbara Jean Corley. The rating is conducted by the National Section On Women's Atheltes.

Demon Cagers To Seek Revenge Against SLI Bulldogs Tonight

The Northwestern State College basketball quintet will be seeking to avenge two earlier defeats handed them by the Southwestern Bulldogs, when they tangle with the Lafayette team on the Demon home court tonight at 8:00 p.m. NSC will be out to capture its 19th win.

Coach J. C. "Dutch" Reinhrdt, head basketball mentor at SLC, is planing to once again bop the Demons. Thusfar this season, the Vermillion and White have defeated the Natchitoches boys twice. The first time was in the intial round of the Gulf Conference tournament held on the Centenary college campus during the Chrismas holidays. The other loss came last week in Lafayette, when the Bulldogs stomped NSC, 73-54.

The nucleus of the Southwestern team is built around Ed McCauley. McCauley is a sophmore from Lafayette and operates out of the forward slot. He has an uncanny knock for taking a tremendous amount of shots which possibly accounts for his high point per game average.

Feeding the ball to this "hot-shot" are Billy Ryckman, a two year letterman, Prentice McKellar and Gilbert Dozier. Their main attack is one of speed on the fast-break, just as is the Northwestern offense.

Coach "Red" Thomas' basketeers have just shown signs of pulling out of their slum by beating McNeese Cowboys in Lake Charles Thursday night 77-64. The past two performances by the Demons have been sparked by Bill Collinworth. So tonight a "new" Purple and White team will be out to see if they can follow up with another victory and stay in the winning column.

Tech Trims NSC By 70-62 Count

Northwestern State College Demon basketeers, fighting doggishly to surge back into the win column, almost did so when they muzzled the Bulldogs of Louisiana Tech, Monday night at Ruston for two quarters, but faltered in the final frame, and thus went down to their fourth defeat in the last five games, 70-62.

Bill Collinsworth started the Demons rolling in the first period when he fired in 3 quick field goals. With one minute gone in the contest, the Demons led 6-1 The Techsters couldn't find theselves until 6 minutes had elasped, then they came up fast bringing the score to 14-9, but still in favor of the Purple and White. The GSC leaders brought their disadvantage to two points 14-12, with 2 minutes remaining. However, Jim Yergler, NSC captain, pushed in two field goals and by the end of the stanza, the Demons led 20-14.

In the second quarter, the Demon's lead slowly decreased. At first it grew, but the home team dwindled that down considerably. After three minutes had gone, the Natchitoches boys were in possession of a 30-21 lead. Midway through the period the score rested at 30-25. Tech started ripping the cords and the half ended with NSC out in front by the slim margin of 1 point, 35-34.

Tech got moving late in the second period and after allowing the Demons a 30-21 advantage, pulled to within one point at the halfway mark, trailing 35-34.

Play was fast and furious in the third canto and the lead changed hands four different times. However in the final period, the Bulldogs wraped up the win, mostly on the herculean efforts of Wiggins who pumped in 11 points in this quarter.

SAAU Women's Indoor Swim Tourney Will Be Held On Campus Next Month

BEULAH GUNDLING

Northwestern State will host the SAAU women's indoor open swimming, diving and synchronized swimming championships in the college natatorium on Friday and Saturday, March 13, 14.

The two day program will also feature the guest appearance of Beulah Gundling, the world's outstanding exponent of synchronized swimming.

Thus far, five teams have expressed intentions to enter the competition. They are: Little Rock, Ark., Minden, New Orleans Country, Audubon swim club of New Orleans and Northwestern State.

Competition is open to any amateur women swimmers. Persons interested in securing entry blanks or information concerning the meet are invited to contact Miss Jean Maeys, health and physical education department, Northwestern State college, Natchitoches, La.

In addition to swimming and diving competition, solo, duet and team synchronized swimming will also be rated.

A trophy will be awarded to the team amassing the highest team score. Gold, silver and bronze medals will go to first, second and third place winners in all individual and team events including the synchronized swimming competition.

The special attraction, Beulah Gundling, of Cedar Rapids, Iowa, is three times national A A U champion. With her husband, Henry Gundling, who is her coach and manager, they have conducted clinics and exhibtions in the United States, Finland, Canada, Argentina and Bermuda.

During the recent Olympic Games at Helsinki, Finland, she represented the United States by invitation in an exhibition of synchronized swimming. A special request was extended her for an exhibition for the Duke of Edinburgh, the Duke of Kent, and Prince Bernhart of the Netherlands.

Mrs. Gundling has been active in speed swimming, diving, lifesaving, and water safety work. In speed swimming she holds a number of AAU medals in freestyle, backstroke, breaststroke, and individual medley events.

Since her first entry in competitive synchronized swimming in August, 1948 to date, Beulah Gundling has made over 100 appearances in exhibitions, clinics, water shows, or competition. She has performed in 14 states, 43 cities, and in 5 countries including the United States, and 15 colleges and universities in the United States.

Men's Intramurals

An intramural meeting was held Wednesday night at 6:00 p. m. in the Men's Gymnasium. The purpose of the meeting was to organize the 1953 Basketball League. Coach "Red" Thomas, director of intramural sports at Northwestern, presided.

14 teams were present with their representative. Another deadline for entries in the basketball league was established for next Wednesday night. At this time all teams and teams rosters must be turned in, or else the team will be refused admittance. The official schedule playing dates will begin February 23, at 6:00 p. m.

Coach Thomas went over some of the general regulations governing intramural sports at NSC. He explained the eligibility rule and discussed some of the awards given out in the various sports competition.

There were some special rulings pertaining to basketball which were talked about. They were the length of games, squad roster, and scorers. All round-robin games will consist of two twelve-minute halves with a five minute rest in between. All preliminary games will be played on cross courts in the men's gymnasium. The number of games per day and days per week to be used will be determined by the number of teams entered. Play-off games will be played on the official court and will consist of four eight minute quarters.

It was emphasized that squad rosters may include up to ten players, exclusive of non-playing personnel, and that each team must furnish one scorer. The referee will designate the one as the official scorer.

Since there are more than eight organizations entered, the teams will be divided into two leagues. Each league will participate in a round robin tournament. The winners will play the second-place teams of opposite leagues and the two successful teams will contest for the school championship. The losers will play third and fourth place honors.

Teams present at the meeting and their official representatives are: Big Five, Melton Lee, and Billy Steele; Rebel Hall, W. D. Bush, and Delton Brady; Bad Boys, Sonny Rhodes; Out of Towners, James McNeil; Campus Trotters, Bill Simth; Rocks, John Spataro; Hot Shots, Jerry Reddell; Chow Hounds, Casey Bryant; Phi Kap, Clay Brock; Brick Shack, Dan Simpkins; B Frame I, Don Gill; B Frame II, Butler Miears; Bets' Town, Don Millen and Carl Kight; and Glen Long.

If you like good music, be sure to attend Monique de la Brucholerie's concert on February 16.

It is time to start thinking about student body elections. Read the council minutes this week.

82 HS Cage Squads Enter Dist. Rally

Eighty-two school teams have been entered in the Northwest Louisiana District basketball tournament which will be held on the Northwestern State College campus, February 19, 20, and 21.

According to Harry Turpin secretary of the seeding committee, a meeting took place February 8, to determine the pairing of the 46 boys' teams and the 36 girls' teams.

Play begins Thursday at 1:00 as Robeline and Mt. Carmel meet in the Natchitoches high school gym in a boys' "C" class game. At the same time, St. Mary's and Plainview will tangle in the college men's gymnasium in another "C" class tilt.

Twenty-nine "C" and 17 "B" class boys' teams are entered in the tournament. Twenty-three "C" and 13 "B" class girls' teams are in the rally.

Parings in the first round of the boys' "B" class are as follows: Cloutierville vs Haughton; Zwolle vs Baskins; Martin vs Newellton; Heflin vs Logansport; Hall Summit vs Sarepta; Provencial vs Ferriday; Castor vs Holly Ridge; Columbia vs Marthaville; Coushatta vs winner of Cloutierville-Haughton game.

Boys' "C" class pairings are Robeline vs Mt. Carmel; Benton vs Grand Cane; Evergreen vs Negreet; Ajax vs Ida; Bienville vs Ashland; Goldonna vs Oak Grove (DeSota); Stonewall vs Belmont; St. Mary's vs Plainview; Plesant Hill vs Kisatchie; Saline vs Fort Necessity; Pisgah vs Shongaloo; Campti vs Ebarb; Calvin vs Fairview-Alpha; Waterproof vs winner Belmont-Stonewall game; Dodson vs winner St. Mary's-Plainview game; Flora vs winner Calvin-Fairview-Alpha game.

Girls' "B" class pairings are: Ferriday vs Baskin; Logansport vs Hall Summit; Castor vs Coushatta; Heflin vs Zwolle; Martin vs Columbia; Haughton vs winner of Ferriday-Baskin game; Sarepta vs winner Castor-Coushata game; Newellton vs winner Martin-Columbia game.

Girls' "C" class pairing are Saline vs Fairview-Alpha; Converse vs Grand Cane; Oak Grove (DeSota) vs Fort Necessity; Readhimer vs Negreet; Belmont vs Campti; Shongaloo vs Mt. Carmel; Calvin vs Pisgah; Goldonna vs Waterproof; Evergreen winner Saline-Fairview-Alpha game; Venton vs Converse-Grand Cane game; Kisatchie vs winner Oak Grove-Fort Necessity game; Pelican vs winner Readhimer- Negreet game; Plainview vs winner Belmont - Campti game; Ashland vs winner Calvin-Pisgah game; Jamestown vs winner Goldonna-Waterproof game.

Last year's winners at the Northwest Louisiana high school rally basketball tournament were Coushatta in class "B" boys', followed by Ringgold and Hall Summit; Bienville in class "B", second was Ringgold and third, Oak Grove; in class "C" competition Belmont came out on top. next in line were Atlanta, and Saline.

Why don't you send that long-promised letter to the editor? It will be greatly appreciated.

Annual Military Ball Is Slated For Next Saturday Evening

District Meeting Of Phi Mu Alpha On Campus Sat.

As part of the Province 14 convention of Phi Mu Alpha (music fraternity) to be held on the campus of Northwestern State College, Saturday, an all-American works program will be presented for the general public at 7:30 p.m. in the Fine Arts auditorium.

Northwestern's Gamma Rho chapter will have charge of the program, which will include a group of men's choral numbers; two pieces by Hindemith for brass octet; three piano numbers by a present NSC music faculty member and a sonata by a former faculty member, and a repeat performance of "Telephone" by vocalists Sherrod Towns and Ann Biggs of the music faculty.

Among the choral number will be "I Hear an Army Charging," written by Joseph Carlucci, assistant professor of music at Northwestern. Paul Torgrimson of the music faculty will play three preludes on the piano by Kent Kennan, and Lawrence Fisher, former faculty member here, will play a sonata by Burill Phillips.

The special public program will terminate the fraternity's convention. Province 14 includes chapters from LSU, SLI, Southeastern and NSC and from Alabama Polytechnic institute and Jacksonville State Teachers of Alabama.

Brad Daigle, band director at McNeese State College, will be main speaker at the convention banquet, Saturday noon.

Marine Corps Officers Course Begins March 12

The Marine Corp's first 1953 OFFICER CANDIDATE COURSE will begin March 12, Marine Corps Headquarters has announced.

The announcement said young college garduates who successfully complete the 10 week course will be commisioned as Second Lieutenants in the Marine Corps Reserve, at the Marine Corps Schools, Quantico, Virginia. Applications must be submitted by 20 February.

College graduates and seniors scheduled to graduate by 1 March are eligible for enrollment in this course. Upon successful completion of the ten weeks training, the new second lieutenants will attend the five months Special Basic Course which is required of all newly-commissioned Marine Officers.

According to the announcement, a majority of new officers are now afforded the opportunity to attend specialist schools for additional training in such subjects as Communications, Supply, Artillery, Naval Gunfire, Naval Flight Training, Ordance, Tank, Motor Transport and other. The remainder are assigned to various billets in the Fleet Marine Force. All serve on active duty for two years.

Newly commissioned reserve officers may now qualify for regular commissions upon graduation from the Special Basic Course.

The Washington announcement said that this officer training program is open to both married and single men. It advised interested men to contact the nearest Marine Corps Recruiting, Reserve or Officer Procurement activity for an interview.

MISS CAROLYN ADAMS was crowned queen of the Mardi Gras Ball which was held in the Student Center last Friday night. Crowning the queen is last year's Phi Mu Alpha sweetheart, Miss Barbara Brittain. King of the ball was Jackson Beebe, (extreme left) who is president of the music fraternity. Pictured at the extreme right is Dave Carson, member of Phi Mu Alpha and one of the maids escort.

Demeter Fraternity Organized Recently; Officers Elected

The Beta Chapter of the National Demeter Fraternity, recently met to organize and to elect officers. The meeting was opened with Mr. H. J. Young acting as chairman. The officers were elected as follows: Fred Sullivan, president; Don Bamburg, vice president; Bill McCoy, secretary-treasurer; and Bill Stanberry, reporter. A business committee was elected to hold special business meetings outside of the regular meetings. Charles Massey, Nolan Robb, and Bob Sanders were elected to this committee for the full school term.

Do not miss the play "Night Must Fall" which will be presented in the Little Theater this coming week. Tickets are available at the college bookstore.

Birthday Party Held For Kate Chopin House Director

The girls from Kate Chopin dormitory entertained Mrs. Iva Lee Stinson, house director at, at surprise birthday party Monday, February 16.

The traditional birthday song was sung, and then Mrs. Stinson blew out the one candle on the birthday cake. Study hour quiet was abandoned and everyone had a wonderful time.

NOTICE

Intentions for Current Sauce and Potpourri editors must be field with Mary Sue Bellew, secretary of the student body, not later than February 28.

Student body elections are coming up soon. Why not begin to give the matter some though?

Maurice McAdow Will Conduct Clinic At Music Festival Here February 28

MAURICE McADOW

Northwestern State college's music department will sponsor a pre-festival interpretive clinic on the campus here, Saturday, Feb. 28 under the direction of Maurice McAdow, associate professor of music at North Texas State college.

The clinic, to be held in conjunction with the District 2 music festival slated for NSC, March 27-28, is the first of its type and has advantages over the traditional reading clinic in that it will prepare the bands before hand for the festival.

Bands which have been invited to appear and play the festival material for visiting band directors from this district, are the following:

Fair Park, Class A, under Walter Minniear; Bossier City, Class B, directed by Kenneth Green; Natchitoches high, Class C, under James Simmons; Ferriday, Class C, directed by Van Marshal, and Broadmoor (Shreveport) Junior high, Class D, directed by Sammy Griffin.

High school band directors from 117 schools have been invited to attend the pre-festival clinic. Sherrod Towns, NSC music department head, has announced.

Maurice McAdow, director of the clinic, has had an extensive background in music and is a specialist in the wind instruments. He is a former pupil of several noted conductors, one of them being Nicolai Malko, world-renowned Russian musician.

Student Nurses Hold Meet In Alexandria

At a workshop for Louisiana Association of Student Nurses held in Alexandria, February 14, John Manning and Marjorie Reynolds were appointed co-chairmen for the Northwestern on-campus district.

At this meeting, which was held to further SNA in Louisiana, important committees were appointed and plans for a State Student Nurses' Newspaper were formulated.

Milt Chapman To Furnish Music; 350 Couples Expected to Attend

The third annual Northwestern State College ROTC Ball has been slated for Saturday, February 28, from 9-11 p. m. The ball, which will be held in the Students Center, will be formal and the music will be furnished by Milt Chapman and his orchestra. Admittance will be by inviation only.

Approximately 350 couples are expected to attend the ball, which is one of the social highlights of the spring season. Among these will be representatives from Texas A & M and Louisiana colleges who have the ROTC program.

The decorations will be centered around a military theme. The function will begin with a reception in the drawing room of Varnado Hall at 8 p. m. After the formal prosentation of the sponsors, the grand march will be held promptly at 9 p. m. Dave Carson will serve as master of ceremonies for the occasion. All faculty members will be invited.

Committees which are in charge of the ball are: Cadet Major H. R. Gilliland, decorations; Cadet Captain Robert Durham, reception; Cadet Captain Cecil Neilson, invitations; and Cadet Captain Sammy Borras, corsage.

Selective Service Tests Application Must Be Filed Now

Northwestern students who are eligble and intend to take the Selective Service College qualification test in 1953 should file applications at once for the April adminstration, Selective Service National Hearquarters advised recently.

An application and a bulletin of information may be obtained at any Selective Service local board. Following instructions in the bulletin, the student should fill out his application immediately and mail it in the special envelope provided. Applications must be postmarked no later than midnight, March 9, 1953. Early filing will be greatly to the student's advantage.

Results will be reported to the student's local board of judisdiction for use in considering his deferment as a student, according to Educational Testing Service, which prepares and administers the College Qualification Test.

NSC French Classes Attend Mardi Gras In Lafayette

Accompanied by Miss Eve Mouton, assistant professor of French, and Miss Irma Stockwell, professor of speech, the NSC French classes journeyed to Lafayette, Tuesday, February 17, on a field trip to get an idea of how the South Louisiana French live and how they celebrate Mardi Gras.

The students and their sponsors left the Rendezvous at 6 a. m. after breakfast. Arriving in Lafayette at 9:15, they were just in time to observe the first parade. At 10 a. m., the Children's Parade, characterized by colorful costumes, and glittering, imaginative floats, passed by.

After enjoying the parade and listening to the French langauge, which was spoken everywhere, the group visited Southwestern Louisiana Institute, after which, at 8 p. m., they left the French country to return to the NSC campus.

Making the trip with the sponsors, were Genevieve Marmande, Donita Gothard, Millie Thompson, Betty Sue Boydston, Irma Lee Freeland, Joe Saltzman, Clarie Lucius, George Oubre, Bobby Biles, Dallas Roper, Kathleen Simmons, Bobbie Hale, Frances Griffin, Dorothy Carnahan, Irving Phillips, Charles Aulds, Jerald Brown.

Freshman Talent Show Will Be Held Thursday In Religious Center

Thursday night, February 26, Arthur Oddflea and his Talent Louts will present a talent show from 6:30-7:30 in the chapel of the religious center. The show will feature talented freshmen of our own NSC.

Everyone is invited. There is no admission charge.

NSC Debate Squad Takes High Honors At Abilene Tourney

The Northwestern Debate squad won three first places and one third place at the 20th Annual Abilene Christian Speech Tournament held Febraury 13 and 14 at Abilene, Texas.

First place in Senior Women's Debate was won by Pat Hankins and Anne Torrans, who defeated Baylor and the A and B teams from Southwestern State Teachers College in the preliminaries, losing only to the University of Houston. In the semi-finals they defeated Abilene Christian, and in the finals, Central Oklahoma State College. The last time an NSC team won Senior Women's Debate was four years ago by Julie McBroom Davis and Jan-An LeBlanc.

In individual events David Kendrick won first place in poetry reading, Anne Torrans won first place in extemp, and Chick Gabbert won third place in oratory.

Other debate squad members who atended were: Caroyln Boutwell, Daisy Cox, Joann Prestridge, Dave Lawson, Bobby Hamm, and Bill Erwin. The team was coached by Mr. Donald Graham of the Speech Department.

Acquaintance Day On College Campus Dated February 28

High school seniors of Louisiana have been invited to attend the second annual College Acquaintance Day program at Northwestern State Saturday, Feb. 28.

The activity is sponsored by Epsilon chapter of Delta Kappa Gamma.

The program includes registration in Varnado Hall at 10 a. m., a tour of the campus, a gymnastic show, a speech skit, an aquatic demonstration, visits to dormitories and a program tea in Varnado Hall.

The visitors will also be guests of the school at a luncheon.

BROTHERHOOD

For centuries, civilization has fought to gain and preserve the basic human rights of religious freedom, tolerance and the brotherhood of mankind.

Our nation was founded upon just such principles. Devotion to them has helped build the spiritual strength without which America could never have achieved lasting greatness.

We think it is indeed forunate that a nationwide organization, the National Conference of Christians and Jews, has dedicated itself to keeping those ideals alive. We believe it to be of everlasting importance that a free people never lose sight of the necessity of spreading the kinship of man under God.

This is, of course, a year-around proposition. But since 1934, a Brotherhood Week has been held annually under auspices of the Conference to dramatize universal dependence on the need for true religion in the crusade for liberty and democracy. This year, Brotherhood Week is being held this week, from February 15-22.

Now perhaps more than ever before, America faces a challenge from a godless philosophy that would destroy all human and religious rights. The nation is pouring out its wealth to build material strength against the threat of Communism. But despite this, the united cause against the enemy could be weakened were we to become divided by intolerance and bigotry.

Acceptance of the meaning of Brotherhood Week can help build up the spiritual and moral power vital to this fight. This newspaper is proud to support the week and urges the public to participate.

By CHARLES BETTS, Chief Editorial Writer
New York World-Telegram & Sun

Without tolerance, without understanding of each other or without a spirit of brotherhood, we would soon cease to exist as a great nation.

—Dwight D. Eisenhower

We must remove fear and prejudice. We must destroy the myths that gnaw at our vitals. We can ill afford to exhibit to the world either incompetence or injustice in dealing with the revelations of racial or religious groups.

"The Show-Off" On Theater Guild Sunday Night

"The Show-Off", rollicking comedy of tall talk and daffy deeds, comes to "The Theatre Guild on the Air" Sunday, February 22, with Paul Douglas and Jan Sterling in the starring roles.

United States Steel's full-hour radio presentation of the George Kelly classic will be heard via coast-to-coast stations of The National Broadcasting Company network at 7:30 P. M. (CST).

Douglas will portray Aubrey Piper, a gabby but unsuccessful suitor, while Miss Sterling, who in private life is Mrs. Paul Douglas plays the object of his inspired and noisy affections.

Often called an actor's "actor", Douglas sky-rocketed to overnight stardom in the Broadway hit, "Born Yesterday." Deluged with Hollywood offers, he went on to fame with further performances in "A Letter to Three Wives," "Twelve O'Clock High," "Panic in the Streets" and "Clash by Night."

As Amy, the love interest, Jan Sterling will be making her debut with "Theatre Guild on the Air." Familiar to stage-goers for her sparkling portrayals in "Panama Hattie," "John Love Mary" and "Born Yesterday," Miss Sterling has "Johnny Belinda," "Rhubarb" and "Flesh and Fury."

Magician Entertains At Newman Meet

At a brief meeting on Monday night, Mr. Roy L. Cox, and amateur magician, entertained the Newman Club with some amazing slight-of the-hand tricks. Mr. Cox is a resident of Natchitoches.

Home Econ. Day To Be Attended By 12 High Schools

"Home Economics Day" at Northwestern State College, which will be held on Febraury 21, has been planned by the Euthenics club in cooperation with the Home Economics department to point out the advantages to high school students of the home economics education, both as a career and as preparation for homemaking.

High schools from the surrounding areas have been invited to attend, and response from the following schools have been received: Innis, Lake Charles, Book, Newellton, Byrd, Oakdale, Zwolle, Franklinton, Mindin, Cypress, Flora and Springhill. Several of the sponsors from the high schools, alumnae of Northwestern State College home economics department, will accompany the students. The Euthenics Club of NSC will entertain the guests with a tea following the program.

Northwestern State College men and women are invited to attend the afternoon program at 1:30 p. m. Saturday.

Alpha Sigma Alpha

The Alpha Sigs and their guests are still talking about the wonderful time they had at their party last week-end out at Betty Sue Choate's camp. Guests Caly Brock, Curtis Hoaglan, John Boogaerts, Jackson Beebe, Jim Bob Key, Irving Phillips, Larry Marshman, Kenneth Brister, "Red" Miller, Dave Carson, and Gail Hern were entertained by dancing, boat riding, card games, and delicious food. We've never tasted better fried chicken, or more delicious cakes than those made by Professor and Mrs. Robert Easley, who chaperoned the group.

Congratulations go to our newly initiated members, Barbara Cheek, Carolyn Clements, Beth Bundy, Martha Mae Johnston, Nellie Faye Sykes, Nancy King, Ann Nash, Marilyn Motter, Ann Mathis, Susie Mathis, Mildred Young, Oneta Hodson, Kathleen Simmons, Betty Hurst, and Jeanette Methvin, who became Alpha Sigs in a lovely candlelight ceremony last Tuesday night.

The girls also enjoyed the huge box of delicious candy given them by Faye Jordan in announcing her engagement to George Robinson.

We are proud of our three maids in the Phi Mu Alpha Court. Congratulations go to Nancy King, Dottie Kirkland, and Wanna Beth Sanders.

Entertaining the Lambda Zetas, last Tuesday night were the Alpha Sigs. In honor of the Zetas, the decorations were Zeta green and white. Refreshments also carried out the color scheme. President Betty Choate and Zeta President Jimmy Gresham cut the traditional cake. Enjoying the dancing and entertainment with the hostesses and guests were sponsors, Mrs. Eunice Kennedy and Mrs. Robert Easley.

The Executive Committee met last Thursday night to complete their files in order to prepare for the incoming officers; and to complete many other plans for the sorority.

Sigma Tau Gamma

The Taus are still basking in the honor of winning the Intramural volleyball tourney by defeating the Phi Kaps in the finals.

Pledges and members attended two very enjoyable socials given recently by the Alpha Sigs and the Delta Sigs. Both were well planned and had dancing and refreshments as highlights.

This week Sigma Tau is initiating four pledges into the fraternity. Tasks have been assigned and plans arranged for an informal initiation ceremony to be held late Saturday night as a conclusion to the traditional Hell Day that morning. David Carson, Jack Simpson, Stanley Knotts and "Squirt" Wright are the pledges to be initiated. Next week, six more pledges are due to be taken through initiation.

Sigma Tau is well represented on the rosters of the various varsity athletics. Competing for berths on the tennis teams are Bob Durham, John Batten, Peddler Edwards, Mike Torrans, and Ed Jordan. In gymnastics we find Team Captain Harold LaRoux, Jack Sharp, Johnny Dickerson, David Kendrick, Jerry Noto and Shelby Brooks.

A special note of congratulation goes to Brooks who is attending a triangular meet in Durham, North Carolina, against rugged Eastern universities. Golfing addicts include Paul Ryder and our new pledge from Kansas, C. L. Hattaway.

Pounding the track cinders are Sammy Wilson, Doak Walker, and Bill Hart. Gale hearn and Jerry Smith are the two presently out for baseball. Of course our pride and joy on the tank team, Myron Lockey, is not to be overlooked. Myron is the mainstay and captain of John Piscopo's swimming team and has won numerous first places against some of the best talent in the South. Congratulations to these boys for the special efforts.

Delta Sigma Epsilon

Plans and parties seemed to hold the spotlight with the Delta Sigs this week. Tuesday afternoon Kathleen Prudhomme and Peppy Marmande honored Fon Elliot Billard with a kitchen shower in the Delta Sig Room. After several games were played and the honoree opened her gifts, lime sherbet floats and assorted cookies were served. Our best wishes go to Fon and Jack in their new home.

Regular meeting was held Tuesday night with Barbara Gray presiding. The main topic of discussion was our Spring Formal. Committees were appointed and tentative plans made. Committees appointed are as follows: food: Kathleen Prudhomme, chairman; Alice Phelps, Sue Miller and Jo Ann Prestridge; decorations: Martha Ann Leach, chairman; Betty Alice Bell and Chick Gabbert; invitations: Laverne Gresham, chairman: Jane Schaffer, and Imogene Leach; entertainment: Ef Cloutier and Jane Claborn, co-chairman.

Wednesday night the Delta Sigs entertained the Lambda Zetas with a "jolly" George Washington Party. The theme was effectively carried out with decorations of glittered cheesecloth, red, white, and blue streamers, and black hatchets. Dancing provided entertainment for the group. Cookies and lemonade were served. Chairmen for the party were Laverne Gresham, food; and Jane Claiborn and Ef Cloutier, decorations.

Sigma Sigma Sigma

The Tri Sigmas welcome into their midst two new pledges, Mary Lou Smith and Joan Skinner.

Final plans for the tea celebrating Alpha Zeta Chapter's silver anniversary were made at the Tuesday night meeting. The tea, to be held Sunday, February 22, honors the pledges of all the Northwestern State College sororities.

A discussion of the theme of our dance to be held March 14 was held and plans for the entertainment were made.

Arrangements for the coffee to be held on February 28 in connection with the high school acquaintance day program were completed.

The Sigmas sorely missed their sponsor, Miss Eve Mouton, who was absent from the Tuesday night meeting because of illness.

At the close of last Thursday's meeting of the pledges, an informal gathering of all the college members was held. For entertainment there was group singing, and as always when the Sigmas are together, eats!

French Students Get Taste Of Life As Only South Louisianians Live It

By FRANCES GRIFFIN

In order to get a taste of life as it is lived in South Louisiana, the French students here at Northwestern went to Lafayette last Tuesday for Mardi Gras. And what a life those people down there have!

Since French is spoken in Lafayette, "J'ai soif" (French for "I'm thirsty") echoed through the streets. After slacking their thirst somewhat, a group from the college was showing the natives how to do the Bunny Hop, more or less. However, the dance (?) ended when one of the Hoppers was hit on the leg by a flying beer can.

Realizing that the French in South Louisiana are not as reserved as we are (in Natchitoches one does not kick beer cans down Front Street), the "furriners" retreated into a nearby doorway muttering "j'ai soif, j'ai soif."

There was only one near-mishap to mar the day. It occurred when someone asked the way to the Men's Lounge and got his question answered in a mixture of French and sign language.

Wesley Foundation Executive Council Is Installed

The executive council of the Wesley Foundation for the year 1953 was installed in service at the First Methodist Church on Sunday night, Febraury 15. The installation was held before a joint congregation of the two Methodist churches of Natchitoches.

The council, as installed by Rev. B. A. Galloway of First Methodist church is Betty Sue Boydstun, president; Mickey Morrow, vice president; Yvonne Welch, secretary; Max Burns, treasurer; and Bob Tatum, chairman of evangelism and membership.

The entire administrative council, composed of 18 Methodist students, met recently for an all-day retreat to plan the program and activities for the spring semester. Some of the events which were planned are: the holding of special programs on "Marriage and the Family" in co-operation with the lectures by Dr. A. Bowman who is being brought to our campus by the school; the possibility of attending the state Methodist Student Movement conference in Lafayette during March; and the honoring of senior Methodist Students with the annual senior banquet in May.

Demons Host La. Tech In Final Home Contest Tuesday Night

Tech Seeks To Repeat Earlier Win; NSC To Even Score With Bulldogs

Northwestern State College Demon basketball cagers will go into action before a home crowd for the last time this season, when they meet their tradition rival, Louisiana Tech, in the Purple and White gymnasium Tuesday night. The NSC crew will seek to up-end the Bulldogs and thus avenge an earlier defeat handed them by the Techsters in Ruston, La.

The natural rivarly that exists between these two schools is deep. But unlike the tremendous edge that the Blue and Red have over the Demons in the grid-iron sport, this has been another story. Tech has been unable to beat a Northwestern team in basketball in the past three years, with the exception of the lacing Coach Thomas' boys got this season.

However, in that contest, the Ruston team had the advantage of knowing their own home court while NSC has never played there. It is a wonder that Louisiana Tech has lost a game at the new memorial gym. Even as it was, the Natchitoches lads played stellar ball down to the finish, and led for most of the first three quarters. It was the "come-through" pace set by Wiggins of Tech that dumped the Demons, 70-62. He scored 11 points in the last period.

Now the tide will be changed. Northwestern will have the edge or playing on a very familiar court, and a home crowd will be behind the Demons. Tech can not be denied through, the NSC gym is a known stomping ground for them also.

A look at both records shows that neither team has a decisive margin of comfort. Most of Northwestern wins have come against teams outside of the GSC confeence. The Demon record now rests at 5-5. Tech, on the other hand, has handily taken a good percentage of their conference tilts Therein is the only difference.

Capabilities of the individual players are fairly even. Northwestern is paced by not one player but every man is able to score. Each man has averaged a decent amount of points per contest. Tech, has had every one of their starting five as the high point man. Therefore in this respect both team are well-balanced, and both teams are built around teamwork rather than individual hot-shots.

As the facts stand here, the game should be a toss-up. But, course, the Northwestern cagers will have just come off a road trip into Mississippi Southern and Spring Hill. These two opponents are no push-overs for any team. This is the only possible hinderance in the way of a really evenly match contest.

In the Purple and White line-up will be a rejuvenated five. Since the Demons broke their losing streak. Coach Thomas has called upon Tynes Hildebrand, Ken Shaw, Waple Lilley, George McConathy, and Bill Collinworth, to start recent ball games. The Louisiana Tech quintet will circle around the exploits of L. V. Norris, Crawford Vines, and Chester Choker.

Demon Swimmers Are Easy Winners Over Texas Aggies

The fifth time proved to be a charm for the Northwestern State swimmers as they defeated Texas A & M in a dual meet in the college natatorium last Saturday afternoon.

This was the first Demon win over the Aggies in five years. They were never pressed in coasting to a 48-36 win.

The visitors took first place in three events and were generally outclassed by the local webmen who have bowed only to Florida State in competition this year. This lost to Florida State was considered a moral win because State is considered one of the top tank powers in the nation.

Only the first race produced a new record. The Demon 300 yard medley relay team of John Cunningham, Myron Lockey and Tommy Kehoe clocked in a 3:07.45 time for that distance, erasing both the old college and pool records.

Results of events are as follows:

300-Yard Medley Relay. First NSC, Cunningham, Lockey, and Kehoe. 3:53.9.

220-Yard Freestyle. First, Ryder, NSC, 2:27.5; Clark, NSC; Pepping, Texas A & M.

50-Yard Freestyle. First, Dillman, NSC, 24.5; Koegel, Texas A & M; Burns, Texas A & M.

150-Yard Individual Medley, First Wrick, Texas A & M, 1:005.2; Crawford, Texas A & M; Koonce, NSC.

Fancy Diving. First, Walton, NSC, 90.4; Humble, NSC; Cameron, Texas A & M.

100-Yard Freestyle. First, Kehoe, NSC 54.8; Dillman, NSC, Texas A & M.

200-Yard Backstroke. First, Crawford, Texas A & M, 2:25.7; Cunningham, Texas A & M; Devenport, Texas A &M.

200-Yard Breastroke. First, Lockey, NSC, 2:36.7; Weich, Texas A & M; Strickler, Texas A & M.

440-Yard Freestyle. Rider, NSC, 5:39.0; Cayewoskey, Texas A & M Horme, Texas A & M.

400-Yard Freestyle Relay, First, Texas A & M, Speick, Peppings, Burns, and Koegel, 3:53.9.

Two NSC Gymnasts In Meet Thursday

Two outstanding members of the Northwestern State College gym team competed Thursday night, in Durham, North Carolina, in a three-way meet with Duke University, and Mississippi Southern.

Representing the Demon Gymnasts were John Hicks of New Orleans, 1952 SWAAU senior tumbling champion and Shelby Brooks of Jena, who placed second last year in the SAAU rope climbing competition.

Following the Durham meet, Hicks and Brooks, along with the Mississippi Southern team, moved on to Chapel Hill, N. C., for another three-way meet Friday night with the University of North Carolina.

In these meets, Hicks competed in tumbling, Indian clubs, and in aparatus events. Brooks competed in flying and still rings, rope climbing, and parallel bars.

Hicks, other than placing first in SWAAU tumbling, finished second in SAAU tumbling last year and first in ASSU Indian clubs. Beside taking second in rope climbing last year in the SAAU. Brooks also placed in SAAU competition in parallel bars and rings.

S. Guy Nesom, head of the physical education department at NSC, stated that this trip is in preparation for three meets in the near future in which the Northwestern squad will paricipate as a team.

Demon Basketball Schedule

* Tue. Feb. 24. Louisiana Tech
Fri Feb. 27. Centenary
* Home Games

☆ ☆ ☆

The 1953 Fall football schedule in its modified form is as follows:

Oct. 17. La. Tech
* Oct. 24. Southeastern
* Nov. 7. Northeast State
Nov. 14. Southwestern
* Home Games

Southern, Badges Host Demon Five On Road Trip

Northwestern's hot and cold running basketballers left for a two-stand road trip into Mississippi and Alabama yesterday morning to tangle with a pair of dangerous fores—Mississippi Southern and Spring Hill College.

The Demons edged out the Southerners here on Jan. 17 by a score of 77-75 while Coach Red Thomas' roundballers were in one of their high-level periods. Monday night against spring Hill in the NSC gym, fortune turned and the Demons were dumped in the final period, 71-64.

Last Night Northwestern played Mississippi Southern in Hattiesburg, and tonight they meet Spring Hill in Mobile. Coach Thomas has been working his squad hard all week getting them ready for these two games. Both foes will be doubly tough, he said, since they will be playing on their own courts.

After these two games, NSC has only tow remaining contests left in the season—a home game Tuesday night with Louisiana Tech and the final contest in Shreveport, Friday, against the crippled and "deconferenced Gents" of Centenary.

Although the Demons cannot have an impressive GSC record they cannot fail to have a top-notch season record. At present they have a 5-5 conference standing, but have won 19 games while losing eight in the season's play.

Indicating that Coach Thomas' cagers have depth and scoring ability is the fact that in all games played they have outscored the foes by 190 points and have averaged 68 points per game. Their top-scorer, Ken Shaw, has averaged only 16 points per game, showing that the Demon club is a well-balanced machine that is full of potential stars.

Northwestern Basketball Statistics

(Editor's note: These statistics include games played against 26 opponents. They do not include the Spring Hill tilt Monday night.)

Player	No. Games	Filed Goals Scored	Attempted	Pct.	Free Throws Scored	Attempted	Fouls	Points Total	Average
Shaw, K.	26	155	445	.348	77	93	59	387	14.9

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

SHEEDY was all wet. All the flappers ducked when they spied him. The wave in his hair disappeared. Then he floated a loan of 29¢ for some Wildroot Cream-Oil, America's favorite hair tonic. Contains soothing Lanolin. Non-alcholic. Relieves annoying dryness. Removes loose, ugly dandruff. Grooms the hair. Helps you pass the Finger-Nail Test. Now he's back on the ball, a flippant lover who flappergasts all the girls with his good looking hair. So waddle you waiting floe? Get in the swim with Wildroot Cream-Oil. Buy it at any toilet goods counter, and ask for it at your barber's. Remember, you mustache fur Wildroot Cream-Oil. Then the girls will put their seal of approval on you.

* of 131 So. Harris Hill Rd., Williamsville, N.Y.
Wildroot Company, Inc., Buffalo 11, N. Y.

Monique de la Bruchollerie

French Pianist Heard in Concert

Monique de la Bruchollerie, young French pianist, was heard in concert in the Fine Arts auditorium here last Monday night. The concert was presented as an attraction of the Natchitoches-Northwestern concert association.

Monique made her North American debut with the Boston symphony under Ernest Ansermetjon December 14, 1951, and by popular demand was back in Boston in six weeks for a solo recital. It was in New York, however, that the young French artist played the most performances—five in all. So great had been her triumphs in Boston, that the Boston Symphony presented her in New York on February 13. She was immediately engaged for three performances with the New York Philharmonic Symphony under George Szell, and booked for a Carnegie Hall recital. In addition, she appeared in recital in such major cities as Philadelphia, Hartford, Ottawa, and Quebec, at several colleges and on radio.

In 1953 she will be heard in 35 concerts from Quebec to Texas, including performances with the Chicago Symphony, the Minneapolis Symphony, and the Little Orchestra Society of New York.

Demons Split Two With SLI, Badgers Here Last Week-end

The Northwestern State basketball team played perhaps its best game of the season last Saturday night, convincingly downing Southwestern Institute 83-62. The Demons had dropped two previous tilts to the Bulldogs.

However, they had cooled off enough by Monday night to lose to the Spring Hill Badgers 71-64 after leading the visitors for three quarters.

Bill Collinsworth and Ken Shaw led the NSC squad against Southwestern. Although the Bulldogs were hitting accurately on their long shots, the play of the Demon five throughout the contest kept them out in front. They led 35-29 at half-time.

Southwestern's Eddie McCauley, with one of the nation's highest point average, bucketed 26 points for the losers. High scorer for the evening was Northwestern's Shaw with 28 points. Collinsworth, Demon sparkplug of late, and B. Dozier of SLI were tied with 14 points apiece.

The uncanny accuracy on long shots by the Spring Hil team spelled the downfall of the locals in Monday night's game. Northwestern State led in the opening minutes of play by an 11-3 margin and retained this lead until late in the fourth period when the visitors surged ahead on a two-pointer by Glen Murphy from the side line. They added two more quickies to cinch the game and coaster to the win.

Long shot artist Andy McLaughlin led the winners with 21 points, however Shaw led the scoring for the night with 24 points. Liley was next high scorer for the locals with 14 markers.

Graduate Fellowships Are Available For Seniors Majoring In Chemistry

Northwestern State College seniors majoring in chemistry, physics or engineering are eligible for Atomic Energy Commission-sponsored graduate fellowships in radiological physics for the 1953-54 school year.

Radiological physics is a new and expanding field of science. It is concerned with health physics, radiation monitoring and control, radioisotope or the release of nuclear energy.

Up to 75 fellowships may be awarded, with fully-accredited graduate study to be carried out in three locations. One program is is operated by the University of Rochester and Brookhaven National Laboratory, another by the University of Washington and the Hanford Works of the AEC, and the third by Vanderbilt University and the Oak Ridge National Laboratory.

In each case, nine months of course work at the university is followed by three months of additional study and field training at the cooperating AEC installation. The program is accredited for graduate-level training leading toward an advanced degree.

Basic stipends for fellows is $1600 per year, with an allowance of $350 if married and $350 for each dependent child. University tuition and required fees will be paid by the Oak Ridge Institute of Nuclear Studies, which administers the program for the AEC.

Additional information on the program may be obtained from science department heads or direct from the Institute at Oak Ridge, Tennessee.

Bobbie Curtis Is New Prexy Of Organization

Bobbie Curtis, Alexandria, was unanimously elected president of the re-organized Young Women's Christian Association, Thursday, February 12. Aiding her in the re-organized group will be the other newly-elected officers, Mickey Morrow, vice president; Annette Cook, secretary-treasurer; and Wanna Beth Sanders, publicity director.

Although the organization has not yet found a new sponsor, the girls are planning to make this YWCA one of the best organizations on the campus. Anyone especially interested in becoming a member is invited to join the group when it meets every Thursday night at 6:30.

Naval Officers To Interview College Coeds

Lt Noreen Maloney, USNR, attached to the Office of Naval Officer Procurement, New Orleans, will visit Northwestern State College on February 24th, to interview college women who are interested in commissions in the U. S. Naval Reserve.

The WAVES have openings for college graduates who fill the qualifications for commissioned officers. Lt. Maloney states, "It is a career of opportunity and advancement, but above that, Naval service gives you a feeling of personal satisfaction in doing a vital job in these critical days."

These two officer programs are open to women: One is direct commissioning for the college graduate; the other, the Reserve Officer Candidate program, features two six-week summer training sessions with commissioning upon graduation from college.

KEEP THEIR FEET IN THE ROAD

By Mrs. Walter Ferguson

Columnist
Scripps-Howard Syndicate

Twenty five years ago the National Conference of Christians and Jews began its fight against intolerance in our country. The movement was born out of the bitterness of a presidential campaign. Perhaps the late Alfred E. Smith will be remembered in history as the person who inspired it, because of the vicious attacks made against him as a candidate, on account of his religion. If so, he will need no other monument.

During a quarter of a century many tense situations have arisen. We have endured civil strife and war itself. Yet there has been a constant decrease in prejudice, bigotry and hatred, evident in the nation. Undoubtedly the brotherhood program, carried on by the National Conference of Christians and Jews, and the efforts they have made all the year round, is responsible for this happy fact.

Women were slowly drawn into the movement. Now, through their church and club programs, they fight alongside the men against racial and religious intolerances. This fight has meaning for us as individuals. We are beginning to understand the power that one human being holds in this kind of a war.

Today we see the results of better human relations in every American community. This fact changes us; it alters our lives; it will have a great influence upon the lives of our children.

We still have a long way to travel towards the goals we seek. We move towards them, sometimes slowly, but steadily. And as we move, something happens, not only to our country, but to us. Quite literally we are made over. For when we practice tolerance and love, we become finer men and women.

Let me tell you about the experience of a friend. I had complimented her on the work she had done in our community to bring groups and individuals of different races and creeds into closer understanding.

"But the read miracle happened to me," she said. "I'm entirely different inside. My work has made me sure that the 'person-to-person' approach in friendliness is what the world needs. I became interested in the National Conference of Christians and Jews through my husband who served on its local board for awhile. At first, it was just another organization. I thought of it as a movement which might do a great deal of god. But it didn't touch me, or my life. Until I began to think of it in simple human terms. And pretty soon I discovered that I carried around a big load of prejudices myself. I had to get rid of those before I could honestly ask other people to shuck theirs. So as I tried to promote tolerance, I gradually grew more tolerant. When I really began to practice it in the little area of my personal activities, I understood its meaning—I saw its possibilities. And realized for the first time what one person can do to spread love around. To me this is the tremendous thing about the whole movement. While you try to change other people, you change yourself—it is really a miracle."

What took place within the heart and mind of my friend has happened to thousands of other men and women who take an active interest in the NCCJ cause. We always gain more than we give when we work to improve human relationships.

I like to think that American women will be better mothers when they have grown in tolerance and truly understand that all men are equal in the sight of God, and that differences of skin or creed need not separate us from one another. Prejudices are often instilled into the very young by parents who let their own show too often.

There is an old French proverb, I remember. "Men make the roads," it says, "women teach children to walk in them."

To me this expresses the meaning of Brotherhood Week and everything it stands for. It is women's task to keep children's feet in the read so many good men have made. It is the only road that can lead to lasting peace, which we so much desire. We have the blessed privilege of teaching the young to be just and kind and to love their neighbors on the other side of the trac and across the world's span, as they do those who live nearby.

Chinese Students In United States Have No Future

Chinese students in America are caught between two governments. Recently the United States government banned Chinese students majoring in science and technology from leaving the country.

The law, passed to prevent American-trained Chinese students from being of service to Communist China, makes it impossible for many of the students to return to their families in their homeland. Some of the students don't want to return anyway, for they have heard that American-trained Chinese find life difficult in Red China. At the same time, these students know they will have trouble getting good jobs in America. Those with M. D.'s are refused permission to practice in most states. Result: many highly trained Chinese students are doing menial labor.

Fraternity Traditions Carried To Extreme At Oklahoma Univ.

A fraternity man at the University of Oklahoma now knows that you can carry this "Tradition business" too far. He complained to a student court that after his pinning, fraternity brothers tossed him into a pool and assaulted and injured him.

They said the dousing was a post-pinning tradition. The student also complained that his "friend" took his clothes and left him in the pool. I had to walk five blocks to the house in wet underwear," he said. "I was very embarrassed."

Student Deferment May Not Be Here For Much Longer

Student deferments may not be here to stay, according to Lewis B. Hershey, selective service director.

"The time for action is almost here," says Hershey. ". . . Now that the drafting of fathers looms as an imminent necessity in the not so distant future, we certainly must look toward the colleges with something more than appraising eye."

Draft boards are already beginning to dip into the 19-year-old age group, and it appears inevitable that at least some college students will be deprived of deferments.

The Daily Reveille, Louisiana State university, recently ran a cartoon depicting a hunter, labelled "Selective Service," aiming his rifle at a bird labelled "College Deferments." The caption was, "Dead Duck?"

Personal Losses Are Being Paid By Panty Raiders

Damages and personal losses from last spring's panty raid at the University of Nebraska are still being paid for by those participants "who wished to continue in the University."

The administration adds that "considerable pressure" was placed on known participants. "Those men who refused to pay," says the assistant dean of students, "are not in the university this year".

Total amount of damage from the raid amounted to about $900 but only 58 per cent of the money has been raised. The administration says it has the names of 60 raid participants.

The raid took place April 30 and was repeated on a lesser scale the following night. At that time the dean of student affairs, drenched by the mob, blamed the women as the men. "They may have locked their doors, but they left their windows wide open," he complained.

Beloved Teacher, The Students' Friend Resigns From NSC Library Staff

The absence of Mrs. R. B. Williams, who recently resigned from the library staff here at Northwestern, is a very conspicious one here on the campus, as Mrs. Williams had endeared herself to all by her willingness and desire to help and her fine personality. She resigned because of ill health.

During the 16 years which Mrs. Williams worked at the college, she became known as a splendid teacher and a friend of the students. She was in charge of freshman parties and most of the Christmas assembly parties. She also served as faculty advisor to the Potpourri staff for some time.

Mrs. Williams was born at Goodpine, Louisiana. During her grammar school days she lived at Goodpine and Trout. She later moved to Minden, where she completed her high school education. She was valedictorian of her completed her high school education. She was valedictorian of her eighth grade graduating class as well as her high school graduation class.

Mrs. Williams first came to Northwestern, then Louisiana State Normal College, in 1926 as a freshman. She began her work in the library as a student assistant during the following year, thus starting off a career in the library where she has worked off-and-on until the present time. After her graduation from Normal with high honors, Mrs. Williams attended Louisiana State University where she received her Master's degree in library science. Here again she was graduated with honors.

During her college days at Normal Mrs. Williams, who was a charter member of Sigma Sigma Sigma, was elected the most intelligent girl on the campus.

The goal which Mrs. Williams has achieved and her record of service to the college shall always be remembered here at Northwestern State College.

For the lousiest food in town, and putting up with Uncle Victor besides, it's the Rendezvous. You'll get indigestion alright with Uncle Vic's corny jokes, but it will be the happiest indigestion you have ever had. Remember it's

Le Rendezvous

"Off Campus Northwestern"

Winter Production "Night Must Fall" To Be Presented This Coming Week

Wednesday, Thursday, and Friday nights at 8 o'clock, the curtain will go up in the Little Theatre for the presentation of NSC's major winter production, "Night Must Fall." Tickets for this Emlyn William's murder thriller are available at the college bookstore for any one of the three nightly performances.

Double cast in the leading male role of Dan is Hardy Rose, a senior music major from Shreveport, and Bennie Ray, a Port Sulphur product who is a sophomore pre-engineering major. Both boys have had previous experience in dramatic work here at NSC, Hardy having appeared in "Oh Susanah" and "H.M.S. Pentifore" and Benny also in "Pentifore."

Playing opposite Dan in the leading female role of Mrs. Bramson is Gervais Aldredge of Natchitoches. Gervais, a senior here at NSC majoring in lower elementary, has been very active in dramatic work. She is a member of Davis Players, dramatic social organization here on the campus, and has also appeared in such plays as "Oh Susanah," "Parlor Story," "H. M. S. Pentifore," "Ghosts" and "The Royal Family."

In two supporting roles are Millie Stephens of Port Barre as Olivia and Jim Vorhoff of Abbeville as Hubert. Millie, who is a junior education major, is a transfer student from Baylor University and has acted in such plays as "Parlor Story," "Claudis Munda," and "Ghosts."

Jim, a speech major here at NSC, is a member of Davis Players and has worked on several campus shows. Among these are "Parlor Story," "Oh Susanah" "The Royal Family," and "Wonder Hat."

Another leading supporting role is that of Mrs. Terrence taken by Barbara Jean Edwards of Baton Rouge. Barbara is a junior upper elementary major and has appeared in the play "H. M. S. Pentifore."

Double cast in the part of Dora is Katheryn Simmons, a library science major from Kurthwood, and Winnie Ruth Hudson, a home economics junior hailing from Baton Rouge. Winnie is a member of Davis Players and has worked on "The Royal Family" and "Wonder Hat."

Ably cast in the role of Belsize is Pat Lyons, a senior business administration major who calls New Orleans home. Pat is very active in dramatic activities on the campus, being a member of Davis Players and having worked on such productions as "Oh Susanah," "Parlor Story," and "Ghosts."

Fay Book, a freshman journalism major from Buras, takes the part of the nurse. Fay has worked on "The Royal Family."

The Little Theater, the black woodwork and the dreary mantlepiece all add to the eerie element of the play. The lighting, under the supervision of Sterling Minturn, also adds a melodramatic touch. In keeping with the setting are the black posters with the striking red and green designs created by Mr. F. G. Kenner, Tommie Blackbourne, June Gleason, and Winnie Ruth Hudson. The play is under the direction of Dr. Edna West, associate professor of speech.

Texans Not Ready To Break Down Race Segregation

Psychologists looked deep into the heart of Texas last month and found that the majority of University of Texas males "Are not yet ready to break down segregation in the public schools . . ."

But most of them are willing to accept the university's policy of admitting Negroes to graduate school. Those students who have been in classes with Negroes are the most "tolerant."

The survey was made by Dr. Wayne H. Holtzman, assistant professor of psychology at the University of Texas. Dr. Holtzman says the younger students are more often in favor of segregation than the older ones.

There is also a relationship, he says between church attendance and tolerance. "Those who attend religious services once a week or more accepting of the Negro than the men who go only once or twice a month. However, the most tolerant of all are the men who claim they never attend church."

Dr. Holtzman has found that "Students in such fields of study as education, social science and the humanities are more tolerant than men in the biological and natural sciences, pharmancy and business administration. Those who do belong to fraternities tried to be less receptive to the idea of a mixed classroom than those who don't."

Nicaraguan University Ordered To Close By The Government

Unversidad Nacional de Leon has been shut down by the Nicaraguan government. A local newspaper, smuggled into the United States, says the university was closed by Nicaraguan President Tachio Somoza "For no real reason other than to quiet down students who have been demonstrating against other actions of Somoza's government."

The Leon university was the last open university in the country. The other two universities had been shut down for similar reasons in 1945 and 1950.

Portugeuse Students Want To Abolish Final Examinations

Students at Porto university in Portugal have a solution to the problem of final exams; they want to abolish them. They say talented students often flunk the exams, while mediocre students get good grades.

Apparently feeling the necessity for a substitute, the students that professors judge them on the basis of practical exercises, to be given throughout the semester.

Annual Acquaintance Day Held Here Today

A SCENE FROM THE PLAY, "Night Must Fall," which was presented in a three-night stand, Wednesday, Thursday, and Friday nights in the Little Theatre under the direction of Dr. Edna West. From left to right are Barbara Jean Edwards as Mrs. Terrence; Jim Vorhoff as Hubert; Millie Stephens as Oliva; Bennie Ray as Dan; and Kathryn Simmons as Dora.

Seniors From Several High Schools Are Here As Guests Of College

High school seniors from Natchitoches and surrounding parishes are guests of Northwestern State college today as the second annual College Acquaintance Day is being held here on the campus. The function, a project of Epsilon chapter of Delta Kappa Gamma which was held for the first time in February of last year, includes a varied program which will last for the greater part of the day.

Students will begin the day with registration at 10 a.m. in Varnado Hall. After registration they will visit the various sorority houses on the campus where coffee will be served. After visiting the sorority houses, the students will be toured through the campus and will be shown through the administrative and educational buildings.

At twelve noon the students will have lunch in the dining hall as guests of the college. President H. Lee Prather will be guest speaker at the luncheon.

Dormitories will hold open house until 2 p.m., and immediately following this the guests will be taken to the natatorium where they will witness an aquatic show.

The final event of the day will be at 2:30 p. m. when the Associated Women Students will host a tea in the drawing room of Varnado Hall. Speakers for the occasion will be Dean C. E. Dugdale, Dean George T. Walker, Dean John Robson, Mary Murphy, Gennie Marmande, and Francis Griffin.

Newcomb Glee Club To Present Concert Here On March 3

A group of 16th and 17th century madrigals will be a feature of the March 3rd concert of the 40-voice Newcomb College glee club at Northwestern State College.

The concert will be held at 8 p.m. in the Fine Arts auditorium.

Madrigals to be featured include "Sing and We Chant It", by John Dowland; "With Drooping Wings", by Henry Purcell; "Now Is the Month for Maying", by Thomas Marley; and "The Nightingale", by Thomas Weeykes.

They will be sung by the glee club madrigal singers, composed of Donna Jo Miesse, Virginia Meriwether, Carolyn Monroe, Pringle Smith, Elizabeth Allegret and Ruth Hendricks.

Other selections for the Northwestern concert, which will be open to the public, will include Alexander Gretchaninov's "Praise Ye the Name of the Lord", with Miss Monroe as soloist; Zoltan Kodaly's "Ave Maria"; Tschaikowsky's "A Legend"; R. Nathaniel Dett's "Listen t othe Lambs", with Miss Miesse as soloist; works by four contemporary American composers; folk songs; sea chanteys; Negro spirituals; and works by Vittoria and Schubert.

A second feature will be the Southern perfomance of Burrill Phillips', "The Hag."

The concert will be the second in a series of five concerts to be presented in Louisiana cities by the Newcomb glee club during its annual winter tour. Other concerts will be presented at Baton Rouge, Monroe and Shreveport.

The chorus is under the direction of Carbon V. Burham.

Prominent Educator To Conduct Talks On Family Life

"Family Life Institute", a Northwestern State College sponsored program will be presented here March 2 by Dr. Henry A. Bowman, professor and counselor in Marriage and Family Life at Stephens College, Columbia, Missouri. He has received national recognition in his field as a writer, lecturer, and educational consultant in production of films on marriage and the family. He has served as director of the National Council of Family Relations and of the Association of Marriage Counselors. The program will begin at 8 a.m. in the Little Theatre with the discussion of "Eight Little Problems and How They Grew."

A general assembly at ten o'clock will be held in the Fine Arts Auditorium at which time Dr. Bowman will speak on "So You Want to Marry."

"Dating Do's and Don'ts" will be the topic for discussion from three to five o'clock in the Religious Center. A Buzz Session with Cake and Coffee Hour will follow.

In the Fine Arts Auditorium, at seven thirty P.M., Dr. Bowman will conclude the program by speaking on "Problem Children or Problem Parents?" All meetings are planned to be of interest to both students and parents. Students, faculty and friends of the college are invited to take advantage of the opportunity of hearing Dr. Bowman.

The planning committee for the program include Marie S. Dunn, chairman; Dean Dudley Fulton, Dean Kathleen I. Gillard, Dr. John Duffy, Mary Sue Bellew, Leland Langridge, and Alvin Good, consultant.

If you want to criticize the Current Sauce, why not address your criticisms to the editor. He would appreciate them much more that way.

"THE RED SHOES" TO BE PRESENTED

"The Red Shoes" will be another series of presentations by the Student Film Program as the United Artists film wil lbe shown in the Fine Arts auditorium Thursday night at 7:30.

A technicolor production, "The Red Shoes" stars Anton Walbrook, Marius Goring, and Moira Shearer.

Admission will be 24c. Girls have special permission to attend.

Annual ROTC Ball Will Be Held Tonight In Student Center

This evening the third annual ROTC Ball will be held in the Student Center from 9:00 to 11:00 P. M.

The program begins with a reception in Varnado Hall at 8:00 P. M., followed by the grand march at 9:00 P. M.

Music for the gala festivities is to be furnished by Milt Chapman and his orchestra.

Lincoln Scholar Addresses Students

"The Civil War was the last great war in which people could think romatically about such a conflict," said Dr. T. Harry Williams here Tuesday in an entertaining address before the Northwestern student body, as he spoke on "Fraternizing and Chivalry During the Civil War."

"It was a bloody and ghastly war, but there was a deep basic similarity between the men on the opposing sides," continued Williams, who is a well-known historian, lecturer, and writer of the LSU history department.

Amid frequent outburst of laughter from the audience, Williams gave many ironic instances of friendly contact between the men of the Union and Confederate armies.

The LSU historian gave three reasons for the great amount of fraternizing during the war: (1) There was no language barrier. (2) Men in both armies had many things in common and possessed similar reactions. (3) Many times, members of the same family were on oposing sides of the battle line.

Williams pointed out that only the officers and "brass" of the Union and Confederate armies knew each other before the war, and that the enlisted men became friends with their foes after the war started.

DEMETER FRAT HAS REGULAR MEETS ON TUESDAY

The Beta Chapter of the National Demeter Fraternity met last Tuesday, February 24. The meeting was called to order by Fred Sullivan, President. Reports were given by Nolan Robb, chairman of the Business Committee, to acquire a reading room for the fraternity. Nolan stated that President Prather promised the fraternity a room on the second floor of the Science building.

The day set for the weekly meeting of the fraternity will be Tuesday from 6:00 to 6:30 p.m.

At the next meeting, Fred Sullivan will give a talk on phases of Agriculture. All members are urged to come.

La. Educators To Meet Here On March 6-7

Sixteen colleges and universities of Louisiana will send delegates to the fifteenth annual meeting of the Louisiana College conference to be held on the campus of Northwestern State College on March 6-7.

Dr. John B. Wilson, dean of Centenary college and president of the conference, said panel discussion and addresses on the status of intercollegiate athletics will feature the conference theme: "Relating the College to its Community."

First general session of the meet Friday, March 6, will include a panel discussion on the intercollegiate athletic problem, Dean Wilson said. Members of the panel will include: Dr. Glenn Smith, director of athletics at Centenary; G. Earl Guinn, president of Louisiana College; Joe Aillet, athletic director and coach, Louisiana Tech; Dr. Vincent E. Parker, Louisiana State university; and Dr. C. E. Dugdale, dean of Northwestern State college.

Principal address of the Friday session will be made by Dr. A. J. Brumbaugh, president of Shimer college, Mount Carroll, Ill., and former dean of the school of arts and sciences at the University of Chicago.

Members colleges of the conference are: Cententary college, Shreveport; College of the Sacred Heart, Grand Coteau; Francis T. Nichols Junior college, Thibodeaux; McNeese State college, Lake Charles; Louisiana college, Pineville; Louisiana Tech, Ruston, Louisiana State University, Baton Rouge; Loyola unversity, New Orleans; Northeast Louisiana College, Monroe; Northwestern State College, Natchitoches; Notre Dane seminary, New Orleans; St. Mary's Dominican college, New Orleans; Southeastern Louisiana college, Hammond; St. Charles college, Grand Coteau; Southwestern Louisiana Institute, Lafayette; Tulane university, New Orleans; H. Sophie Newcomb Memorial college, New Orleans; and Ursuline college, New Orleans.

Bunny Hop Ball Is 1953's Theme Of BackwardDance

The annual Associated Women Students' Backwards Dance will be held March 7, from 8 to 11 p.m. in the Student Center.

This year's theme will be the "Bunny Hop Ball". Decorations will carry out the bunny idea. Entertainment will be provided by each of the girl's dormitories. In keeping with tradition a king will be chosen and he and his court will be presented at Intermission to reign over the dance.

No male stags will be allowed. Girls who bring dates will provide them with a corsage in keeping with their personalities.

All girls are urged to bring a date and come to the Bunny Hop Ball.

NSC Debate Squad Seeks Victory At Oklahoma Meet

This weekend the NSC debate squad is attending the Savage Forensic Meet held on the campus of Southeastern Oklahoma State College at Durrant, Oklahoma. The squad left Wednesday morning and will return sometime Sunday.

They will compete in debate, story telling, book review address reading, poetry interpretation, dramatic reading, public discussion, humorous reading, oratory, prepared poetry interpretation, radio speaking, Bible reading, extemporaneous speaking, and after dinner speaking.

The tournament lasts three days, Thursday, Friday and Saturday. Those attending are Pat Hankins, Ann Torrans, Chick Gabbert, Bill Erwin, David Kendrick, Bobby Hamm, Dave Lawson, and the debate coach, Mr. Donald L. Graham.

Council Minutes

The Student Council met in the Faculty Room of Caldwell Hall at 5:45 P.M. on February 23. Present were Leland Langridge, Ronnie Quinn, Red Miller, Winnie Dowden, Mary Sue Bellew, John Manning, Ben Singletary, Lowell Starnes, and Dean Fulton.

The following are Langridge-Singletary amendments to the Constitution of the Student Body of N.S.C.:

Article II: (add) section 3—no person shall serve as a member of more than one branch of student government simultaneously.

Article III: section 2—the Senate shall be composed of thirteen members to be selected as provided for in the subsections of this section.

Subsection a) Ten members with at least two semesters in residence.

b) Three members of freshman standing to be selected . . . ratified by the 10 upperclassmen . . .

Section 3—at a Senate meeting in the 14th academic week of the Spring semester;

Article VII: Section 3—subsection a) Omit 7: Change 3, 5, 8 to read as follows:

3. The outstanding debater each year shall receive an award. This person shall be selected by the team and coach.

5. The outstanding athlete each year in each of the following: football, basketball, baseball, track, swimming, and gymnastics shall receive an award. This person shall be selected by the team and coach.

8. An outstanding band member shall receive an award. This person shall be selected by the band members and director.

These were approved by the council, and will be sent to the Student Senate for consideration.

A Student Federation Executive meeting wil be held in Alexandria February 28 at 1:00 P.M. Red Miller has been appointed as the official Northwestern representative. Ronnie Quinn will serve in the capacity of President of Northwestern Student Body in absence of Leland Langridge.

The meeting was adjourned at 7:15 P.M.

Respectively submitted,
Mary Sue Bellew.

Naval Officers To Interview Seniors, March 18

A group of three Naval officers will visit Northwestern State College on Wednesday, March 18 to counsel with graduating seniors on opportunities for a commission in the U. S. Naval Reserve, it was announced by Comd. J. E. Halter, Jr. officer in charge of the Navy Recruiting Station and Officer of Naval Officer Procurement, New Orleans.

LCDR M. B. Wheeler, USN, of the New Orleans Air Station representing the Naval Aviation Cadet Program, Lieut. Noreen Maloney, USN, for WAVE Procurement, and Lieut. Paul L. Armbrecht, USNR, for the Officer Candidate Program, will be available at the school in a location to be designated to assist students who desire to apply. Counselling will start at 9 a.m. on March 18th. Senior College students, within 120 days of graduation, can apply for a commission the Naval Reserve, for immediate active duty, through the OCS Program which offers the commission of Ensign following successful completion of a four month course at Officers Candiate School, Newport, Rode Island Commissions in the WAVES are also available to women in their senior year. Men with two years of college may apply for the Naval Aviation Cadet Program leading to a commission.

'Down With Vice!' Is Coed Motto

An organization was recently formed on the Northwestern State campus to abolish vice. A group of Noble, high-spirited young ladies have formed a club whose purpose is to abolish un-lady-like language and the costly evil of smoking cigarettes.

It seems that the penalty for the utterance of a "cuss" word or the smoking of a cigarette is the paying of the sum of five cents to the community piggy-bank. Other rules of the club stipulate that failure to go to church is punishable by a fine of 25 cents, and 30 cents must be payed by anyone buying a pack of cigarettes.

There is just one catch. Some of the members have been caught smoking a cigarette, then contributing to the piggy. Now, girls, is that quite fair? The large sum of money collected by the club from fines is to be contributed to a local charity or church.

The writer is quite sure that vice will be wiped from the face of the campus in the near future, and that will-power and charity will strive on to new horizons. Down With Vice!!!

(This organization has no Vice-President.)

Popular Drama On Theatre Guild Sunday Night

The U.S. Steel Hour originates from Washington, D.C., Sunday, March 1, for the opening rally of the 1953 Red Cross fund drive, with a full-hour presentation of Stephen Vincent Benet's comedy, "O'Halloran's Luck." Starring Jimmy Stewart, John Lund and Gloria DeHaven, "The Theatre Guild on the Air" will be heard over the NBC network at 7:30 P.M. (CST).

Benet, winner of a Pulitzer Prize, is distinguished for his many literary portraits of American scenes, foremost among them being "The Devil and Daniel Webster" and "John Brown's Body." Brought to radio listeners for the first time, "O'Halloran's Luck" was one of the outstanding fantasies in the author's series titled, "Tales Before Midnight."

Academy Award-winner Stewart, famed for his wide range of characterizations, will be heard as a sharp-tongued, all-knowing leprechaun. A favorite of movie-goers, he has been applauded in such well-remembered hits as "Philadelphia Story," "Mr. Smith Goes to Washington," "Harvey" and "The Greatest Show on Earth."

In the title role, Lund is also a top flight performer in both light comedy and drama. Hailed in "A Foreign Affair," with Marlene Dietrich, and "Miss Tatlock's Millions," he will soon be seen in "Latin Lovers."

Piquant leading lady Gloria DeHaven will be making he debut on the U.S. Steel Hour. A gifted soloist, her credits include such film musicals as Broadway Rhythm," "Two Girls and a Sailor" and "Step Lively."

Sigma Sigma Sigma

At the Tuesday night meeting a formal pledging ceremony was held for Joan Skinner and Mary Lou Smith. We're so glad to have them both!

The Tri Sigma basketball team beat a strong Carondelet team 38-23. We have now won one game and lost one game.

The tea Sunday afternoon was attended by approximately thirty people. Chairman of the Research Committee, Joan Evans, has attractively displayed the names of each of the 25 presidents of Alpha Zeta Chapter on paper dolls made of purple construction paper and arranged in a circle. To add further to the decorations Justine McMurry dressed several small dolls in costumes of a particular period of Alpha Zeta history. It was a thrilling occasion for the Sigmas to see so many peple helping them to celebrate their 25th birthday.

The theme for the dance was decided upon at the last meeting ,and committees for decoration, program, place-cards, and invitations were formed.

The Nominating Committee met for a short time after the business session to discuss nominations for the various offices to be voted on next Tuesday. Another meeting of this committee was set for Friday night.

Delta Sigma Epsilon

The Delta Sigs entertained Phi Kappa Nu Wednesday night with a "Trip to the Stars". Decorations of glittered cheesecloth, purple and yellow streamers, silver stars and purple space ships were effective in carrying out the theme. Dancing provided entertainment for the group. Punch, open-faced sandwiches and candy were served. Committee chairman for the party were Martha An Leach, refreshments, and Jane Claborn and "Ef" Cloutier, decorations.

Regular meeting of Delta Sigma Epsilon was held Tuesday night. The main topic of discussion was our spring formal. Committee reports were given and tenative plans were made.

Alice Phelps will represent Delta Sigma Epsilon at the R.O.T.C. Military Ball Saturday night.

Alpha Sigma Alpha

The pledges surprised the Alpha Sig members by presenting to the house an assortment of kitchen ware.

At the meeting, Tuesday night, the plans made by the executive committee theme previous Thursday night were presented to the members. Committees were appointed to plan the various phases of the Spring Formal. Favors were discussed and chosen.

Plans were made to prepare the house for the "Acquaintance" Day which will be held Saturday. Kathleen Simmons and Octavia Sandlin will represent Alpha Sig at the two other sorority houses.

Wanna Beth Sanders, Betty Sue Choate, Clare Lucius, and Annette Daily attended the presentation of the opera, "Faust", in Shreveport, last Monday night.

The nominating committees made plans to complete nominations for the election of officers, which will be held next Tuesday night.

Theta Sigma Upsilon

The Theta Sigs are very proud of Pat Hankins, who with Ann Torrans won first place in debate at the tournament in Abilene. Congratulations, Pat!

Three new members were welcomed into the group on February 18 when Bobbye Hale, Betty Kay Whatley, and Pat Hankins were initiated in a very beautiful ceremony.

Plans are under way for the Spring formal to be held in April. The Committees are working very hard to make the dance a great success.

Four Thetas, Betty Sue Baydstun, Bobbye Hale, Boo Carnahan, and Frances Griffin, made the trip to Lafayette with the French classes for Mardi Gras. Betty Sue is to be complimented on her fine work on the play "Night Must Fall."

Pi Kappa Sigma

A National officer visited the Pi Kaps recently .We had a grand time talking and planning with Mrs. Wilber Long, the national traveling secretary, who is touring the South visiting Pi Kap chapters. To climax her visit the Pi Kaps held a beautiful tea in her honor. All the actives and pledges welcomed the alums who visited us for the occasion. Alums attending were: Mrs. Eola Rooks, Mrs. Mary Cummings, and Mrs. Margaret Eikel. We all are looking forward to another visit from Mrs. Long next year.

The basketball record for the Pi Kaps is no very good as far as wins and losses go, but the girls still have lots of spirit and fun in playing other teams.

Speaking of fun, the Pi Kaps held a Kiddie Party for all the frats last Wednesday night and it seems that everyone had fun. The boys were asked to roll up their pants leg and take off their coast and ties as they came in the door. Glynn Ellen Pennington and Mary Murphy pinned "Fairy Tale" titles on their back and throughout the course of the evening the boys could ask questions about the character they thought they might represent. A large bow tie was tied around their neck and a big lolly pop was put in their hand. Several kiddie games were played and then refreshments were served. The refreshments consisted of pop corn and soda pop to carry out the theme of the party. The actives and pledges presented a program to the boys prior to the games. The program ran something like this. Beebe Joy Gallended did a soft shoe dance to "Anchors Away". Lora Faye Kemper sang a darling version of "Oh Johnnie" and Marilyn Snoddy gave her interpretation of "When I Grow Up" We'd like to thank Mary Ann Walton for assisting the musical numbers on the program.

Some of our members attended another party last week. The professional Women's Club asked them to be jesters at a dinner they had. The girls, Lora Faye Kemper, Gene Jenson, Beebe Joy Gallender, and Virgie McGuffie looked darling in the gay colored costumes they wore.

We'd like to take this time to congratulate our sponsor, Miss Yvonne Phillips, who has finished all her work on her Doctor's degree in Geography. Miss Phillips will receive the degree in June at the L.S.U. graduation exercise.

"STAIRWAY TO THE FUTURE" was the theme for Career Day which was held on the campus last Saturday under the sponsorship of the Home Economic department. Above we see Mrs. Johne Bowles Cooper (Baton Rouge), speaker of the program. who is welcoming Miss Nancy Broadnax (Bastrop). Miss Broadnax is modeling one of the dresses which she made in class.

Sigma Alpha Iota

This semester has been a busy one for S.A.I. members. An early breakfast was recently given in the Green Room for the rushees. A centerpiece of flowers with candles on either side occupied the center of the lace covered table. The breakfast was enjoyed by: the regular S.A.I. members; Mrs. Sherrod Towns, Mrs. McCook; Miss Guitar; Miss Biggs; and the new rushees: Anice Jones, Dottie Kirkland, Virgie McCuffie, and Joan Slay.

Pledging services were Wednesday night, February 25. Immediately following the servies a Coke party was given in the studio of Miss Ann Biggs. The new pledges are Dottie Kirkland and Virgie McCuffie.

A choral selcetion is being prepared for the background music at the Purple Jacket Revue.

Congratulations go to Bessie Bell Serret who was elected vice president of Sigma Alpha Iota.

Northwestern Downs Centenary 72-64 In Finale Last Night

Demon Cagers Sidetrack GSC Leaders With 80-78 Win Here Tuesday Night

With revenge in their eyes and a fiery pitchfork in their hands, the Demons of Northwestern State College gigged the Bulldogs of Louisiana Tech Tuesday night, 80-78, in the Demon gymnasium. Thus the Purple and White make their 21st conquest against 9 defeats, and successfully bowed out before the home fans.

MAJOR FACTOR in NSC's victory over La. Tech last Tuesday night was Bill Collinworth. Bill ganered 31 points and paced the Demons with his fancy floorwork.

Bill Collinsworth, whose exploits as a "fancy ball-handler" have recently come to the fore, pocketed scoring honors for the night by hitting for 8 field goals and 15 out of 16 attempted free throws. He constantly kept the Demons out in front by the slim margin that was so earnestly needed.

Northwestern opened the scoring as Ken Shaw hit for a hook shot a few seconds after the game had started. Chester Coker then bucketed a free throw for the visitors, but Collinsworth came back with two charity tosses and Yergler popper a set shot. L. V. Norris pushed the score to 6-3 only to have Collinsworth sink two tallies and put the Demons further in the lead by seven points, 10-3. The Blue and Red called a time-out, and when play was resumed they struck for two quickies. From here the Purple and White stayed at least eight points ahead. With a couple of minutes left in the first canto, Tech surged behind Bates, Vines, Bailey and Norris to bring the intervall to only three points, 26-23.

Action in the second quarter was much more closer. The Ruston boys tied up the ball game 30 seconds after the second stanze had begun. Crawford Cines went in for a crib shot on a tip-off play and Coker hit for a free throw. The lead switched back into Demon hands, and they held it for the rest of the contest. The advantage margin, however, never varied over 6 points. At the intermission the score broad read Northwestern 48-La. Tech 42.

Wild passes and sluggish shooting characterized the first few minutes of the third quarter. Then the Natchitoches lads spurted into a ten point lead, 53-43, on the efforts of Shaw and Collinsworth. Louisiana Polytechs dwindled this margin to two points with but 2 minutes and 39 seconds remaining in this frame. With the score set at 58-56, Ken Shaw split the rims for a two-pointer, and Wiggins dumped a free throw for Tech. Free tosses by Collinsworth and Hildebrand upped the score-board to 62-57. Coker ended the third period scoring with a charity throw.

With 2 minutes and 38 seconds gone in the final period, Tech had come to within one point of the Demons, 66-65. Northwestern then pushed to a lead of 70-65. Tech made it 73-72 with 3 minutes and 30 seconds to go in the game. Within 4 minutes preceding this, Bailey of the Techsters, hit for six points, however he missed two free throws in the last two minutes which could have placed his team in the lead.

The game ended with Northwestern in possession of the ball. Final score was Northwestern 80—La. Tech 78.

JAMES "BUDDY" THOMAS, one of the Demon's ace rebound men and defensive hawk, played a stand-out game against Centenary College in Shreveport, La. last night. Thomas has been a main plug in the Demon quintet since breaking into the starting five midway through the season.

Demon Baseballers Begin Spring Practice

Northwestern baseballers will start their spring practice, Monday, March 2. According to Coach Alvin Brown, the outlook for this season's team is the prospect of a good catcher.

Both catchers from last year's team that won 10 conference games and lost only six, have not returned to school. Robert Briley of Natchitoches was lost due to scholastic difficulties, and Leon Fuller graduated.

When asked about his pitching staff, Brown replied that he expects it to be in good shape despite the loss of two stalwarts, Ronnie Martin of Natchitoches and Jacky King of Olla.

Martin, as well as doing the hurling, was a power hitter and lead the team in home runs. He was lost by graduation. King, who is now in the army, was an outstanding twirler.

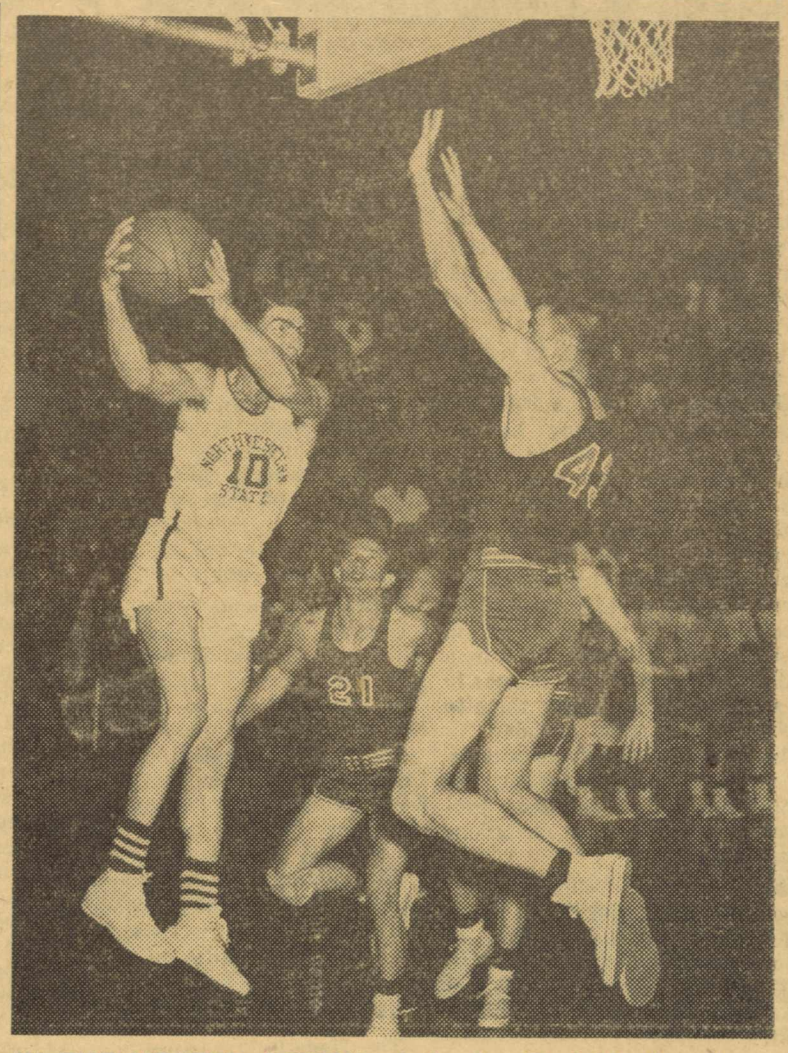

Pitchers expected to report back for practice are Douglas Logan, (4-2) small righthander from Heflin; Maurice Bruce, (2-0) southpaw from Natchitoches; Gale Hearn, (1-2) two-year letterman from Forrest Hill; Charles Wood, (0-0) stocky righthander from Natchitoches; and towering Mike Pacheco, (0-0) of Puerto Rico.

Others from last year's squad that will not be back are Ed Watson and O. D. West, second base; Bobby Davis, all conference outfielder; and Don Wineman and Billy Gray, outfielders.

Last year's team finished second in the Northern end of the GSC, with a record of 10 wins and 6 losses. The Demons split a 4 game series with Southwestern who won the GSC championship in a playoff.

Schedule for this season is as follows:

* Sat. Mar. 14. Camp Polk (there)
* Wed. Mar. 18. Camp Polk (here)
Sat. Mar. 21. Lamar Tech (there)
Wed. Mar. 25. Lake Charles Air Base (here)
Sat. Mar. 28. Northeast (there)
Wed April 8. Lamar Tech (here)
* Fri. April 10. Centenary (here)
Sat. April 11. La. Tech (there)
Wed. April 15. Northeast (here)
Fri. April 17. McNeese (here)
Sat. April 18. Southwestern (here)
Tues. April 21. La. College (there)
* Fri. May 1. Centenary (there)
Sat. May 2. La. Tech (there)
Wed. May 6. McNeese (there)
Thur. May 7. Southwestern (there)
Tues. May 12. La. College (there)
* Tentative games.

IN THE HEATED ACTION of the La. Tech-Northwestern game, Jim Yergler, Demon captain is shown high in the air trying to bucket a crip shot from up-under the back board. Chester Coker, Tech ball hawk, is apparently a good obstacle in the way of Yergler goal. Sonny Bates (21) is moving in.

Northwestern Gymnasts Well Received In Meets

John Hicks and Shelby Brooks, members of the Northwestern State College Gymnastic Team, participated in triangular meets at Duke University and at the University of North Carolina on Friday and Saturday, February 20 and 21. The two gymnasts accompanied the Mississippi Southern Team and took part in meets against two strong Southern Conference schools, Duke University and the University of North Carolina.

John Hicks, present SWAAU Senior Tumbling Champion, was supreme in his events, winning first place and receiving enthusiastic applause with his double backward somersault. Shelby Brooks of Jena, placed third in the flying rings and on the parallel bars. He also won two fourth places in rope climbing and on the side horse. Six places counted for points in each event at the meet held in Durham, North Carolina.

On Saturday night Hicks and Brooks participated in a triangular meet with the University of North Carolina and Mississippi Southern at Chapel Hill, North Carolina. Hicks again was victorious in his specialty, tumbling. Brooks met stiffer competition but placed in four events, gaining fourth place in rope climbing and the side horse, and fifth places in the rings and parellel bars.

Demon Captain Climaxes Cage Career Against Gents

JIM YERGLER

Jim Yergler, sellar Northwestern State College guard, played his last college basketball game, last night in the Centenary College gymnasium in Shreveport, La. as the Demons tangled with the Gents.

Yergler is Coach Red Thomas' only senior and is captain of this year's Demon cage squad.

Hailing from Cissna Park, Ill., "Yerg" is the only remaining player at NSC who came here while H. Lee Prather was basketball coach. All other Demons have entered college here during Red Thomas' three years of cage coaching.

Yergler is an honor student and has made the academic honor roll every semester. He received his commission last spring in the ROTC He was stationed at Shreveport's Barksdale Field at the end of World War II, and having service ball on the NSC campus, liked the athletic facilities and "friendly people" and decided to make Northwestern his college.

This is Yergler's fourth year to play basketball here. Never a standout offensive, the six foot two inch guard has, nevertheless, proved himself valuable defensively and on the backboards.

While not a topnotcher scorer, Yergler has tallied 130 points in 25 games this season to give him a game average of 5.2 "Yerg" is well-liked by his teammates and all who know him. He has proved a good "quarterback" for this year's Demon team.

Baseball Clinic On NSC Campus

A small, informal coaching clinic got under-way on the NSC campus this morning at 9 o'clock. The clinic is for all baseball coaches in this area, whether they be mentors of American Legion team or high school.

Every phase of baseball that can be covered in one day will be discussed. However, there is one exception, and that is pitching. The reason for this exception is that Jim Willis, who is now pitching for the Chicago Cubs of the National League, has been lecturing on this topic in nightly sessions for the past month.

The clinic will continue until approximately 2:30. Any problems facing any of the coaches will be put before the entire group for discussion.

Demon Swimmers Enter SEAAU MEET

A full crew of 10 Demon swimmers plus a manager and a coach, embarked Wednesday afternoon at 12:00 o'clock to Atlanta, Georgia and the Southeastern AAU swimming meet, where they will compete against the best aqua-men in the South. The events started last night, they wil continue through this afternoon, and will end tonight. The Demon mermen will return to Natchitoches tomorrow night.

The last time that the Northwestern team entered this meet was in 1951. In that year, the Purple and White tankmen finished fifth, four paces behind North Carolina University who captured top-honors.

This year's match pits Coach John Piscopo's boys against the best that the South has to offer. The Demons will try their swimming skills against such famous squads representing Florida State University, Miami University, Georgia University, Georgia Tech, North Carolina State, and Emory University. Other teams entered in the meet are independent clubs such as those representative of the various YMCA and athletic clubs.

Those swimmers who have made the trip and the races they are entered in, are as follows:

Tommy Kehoe: 1500 meters, 300-Yard Medley Relay, 220-Yard, 100-Yard, and the 400-Yard Freestyle Relay.

Lyle Dillman: 220-Yard Freestyle, 100-Yard Freestyle, 50-Yard Freestyle, and the 400-Yard Freestyle Relay.

Dean Clark: 220-Yard Freestlye, 50-Yard Freestyle, and the 400-Yard Freestyle Relay.

Myron Lockey: 300-Yard Medley Relay, 200-Yard Breastroke, and the 150-Yard Individual Medley.

Denis Rider: 1500 meters, 220-Yard Freestyle, and the 440 Freestyle.

Johnny Cunningham: 300-Yard Medley Relay, 200-Yard Back Stroke, 400-Yard Freestyle Relay, and the 150-Yard National Junior Championship Back Stroke.

Peyton Cunningham: 100-Yard Freestyle and the 50-Yard Freestyle.

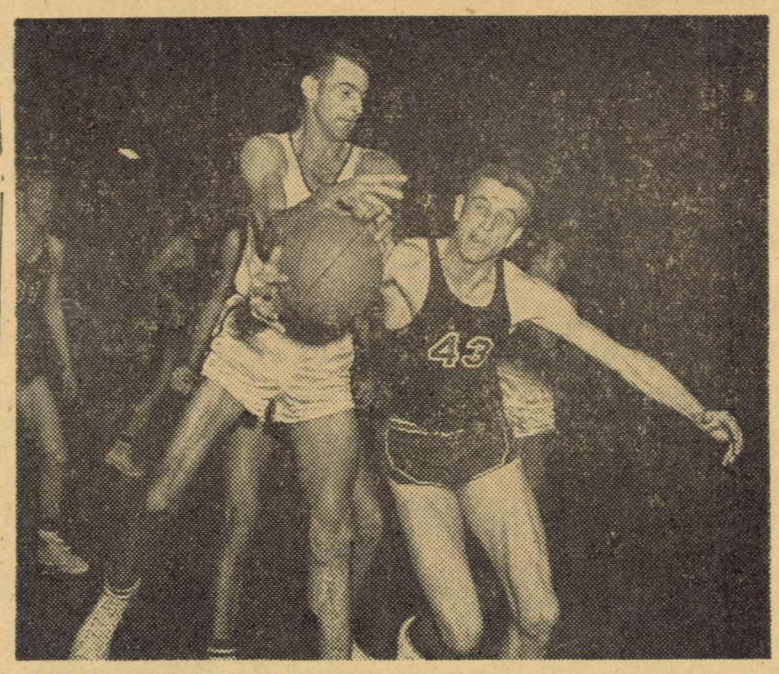

Henry Walton: Low Board and High Board Diving.

Horace Humble: Low Board and High Board Diving.

Tony Koonce: 100-Yard Freestyle and the 50-Yard Freestyle.

NOTICE

The annual Cross Country Run that was rained out last Friday will be held Tuesday, March 3 at 4:00 p.m. Entry blanks may still be gotten from the Intramural Office.

DEMON HOOK SHOT Artist, Ken Shaw, appears to have four legs and many arms as Chester Coker, Lt. Tech all-around player, attempts to snatch the ball from the NSC octopus. Others looking on are Crawford Vines (31), and L. V. Norris (45) of Tech, and Bill Collinsworth (5) of Northwestern.

TEACHERS, STUDENTS GIVEN HELPFUL TIPS BY DECORATOR

"Trends in Home Furnishings" was presented by Mr. Don Painter, decorater from Alexandria, Louisiane, to a group of Natchitoches Parish Home Economics teachers and students in the library of the Home Economics Building, Tuesday afternoon February twenty-fourth.

Mr. Painter presented many ideas for combining color, fabrics, and furniture to be used for the interior decoration of homes.

A Southern belle once said to me,
"I'd like to tell you-all
That I smoke Luckies 'cause they're free
And easy on the drawl!"

Richard H. Leyine
University of Vermont

Nothing-no, nothing-beats better taste

and LUCKIES TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-GO LUCKY!

I went to see the Registrar—
He sent me to the Dean.
The Dean said, "Son, smoke Lucky Strike—
They're Smooth! They're fresh! They're clean!"

William A. Spiegler

Popular Quartet Has Full Calendar For Semester

Last Tuesday, the B.S.U. quartet, Ray Teal, Eddie Ray Spurgeon, Jerry McDonald, and Byron McCain, sang at the dedication services held by the Natchitoches Chapter of the DAR on the Robeline and Grand Ecore Roads. They sang "America the Beautiful" and "The Battle Hymn of the Republic."

Recently, the boys sang for the Natchitoches Lions Club at the Hotel Nakatosh, and at several churches.

The coming calendar for these boys includes giving concerts and special music at numerous churches, evening vespers, and noon day chapel.

College Debate Squad Takes Honors At Savage Forensic Meet Last Week

The Northwestern debate squad returned from the Savage Forenic Meet held last week on the campus of Southeastern State College of Durant, Oklahoma with four first places, one second, five thirds, and twelve other finalists.

Bobby Hamm led with two first places, in after dinner speaking and story-telling, and got to the finals in junior men's poetry reading. Bill Erwin won first place in senior men's poetry reading and got to the finals in Bible reading, radio speaking, dramatic reading, and poetry reading. David Kendrick won first in senior men's humerous reading, third in poetry reading, and got to the finals in Bible reading. Pat Hankins won third in story telling and got to the finals in dramatic reading. Chick Gabbert won third in senior women's oratory and third in senior women's Bible reading. Anne Torrans won third in after dinner speaking, and got to the finals in address reading and extemp.

Anne Torrans and Pat Hankins took second place in senior women's debate. They won four out of five preliminary debates, defeating Hardin-Simmons of Abilene, Tex., Louisiana College, and two teams from SLI. They lost to Southwest Missouri, whom they later defeated in the elimination rounds. They dropped a two to one split decision to the University of Alabana in the final round, thereby winning second place.

The next tournament the team will participate in will be the Louisiana Speech Tournament, held here March 20-21.

Purple Jackets To Present Show On March 17

The Purple Jackets will present their annual "Deep Purple" show on Tuesday, March 17, in the Fine Arts auditorium. The theme for the show is "Passport in Purple," and will feature songs and dances from countries around the world.

Many organizations and individuals on the campus have given their time and talents toward making this show one of the best Purple Jackets presentations ever. The entire show will be under the direction of individual Purple Jackets.

Tickets will go on sale in the Field House on Monday, March 16. They will also be on sale at the ticket window in the Fine Arts building on the night of the presentation of the program. Admission price per person is fifty cents.

Plan Is Announced For Students Interested In Summer Employment

The Office of Students Relations announces a plan to assist students in their search for employment during the summer months. The plan is to submit to employers throughout the state the names of the students who would like employment in the various cities and comunities.

Students who are interested in securing employment for the summer are requested to register in the Office of Student Relations as soon as possible. It is important that a student be certain that he will accept employment before registering for this service.

This procedure is merely a means of assisting students in their search for employment, and they should continue their own efforts to secure a job at the same time.

Journalism Classes Will Tour Journal On Field Trip Mon.

Making a field trip to Shreveport, Monday, March 9, will be a group of Graphic Arts and Journalism students accompanied by Mr. J. C. Merrill, publicity director and NSC professor of Journalism and Mr. Roy Clark, head of Graphic Arts division.

The journalism students will tour the entire plant of the Shreveport Journal, while the Graphic Arts students will find a special interest in the composing and mechanical division of the printing processes.

Approximately thirty-five students will make the field trip on the Northwestern State College bus.

Newcomb Singers Present Concert Last Tuesday

A concert was presented by the Newcomb College glee club, under the direction of Carbon V. Burham, March 3 at 8 p.m. in the Fine Arts auditorium.

A feature of the program was 16th and 17th century madrigals by the madrigal singers, Donna Jo Miesse, Virginia Meriwether, Carolyn Monroe, Pringle Smith, Elizabeth Allegret and Ruth Hendricks. They included "Sing and We Chant It," by John Dowland; "Now Is the Month for Maying," by Thomas Marley; "With Drooping Wings," by Henry Purcell; and "The Nightengale," by Thomas Weeykes.

Another highlight of the program included Gretchaninov's "Praise Ye the Name of the Lord"; Kodaly's "Ave Maria"; R. Nathaniel Dett's "Listen to the Lambs"; and others.

Bridge Tounrament Will Be Sponsored By Chesterfield Rep.

A bridge tournament for college students will be held in the college field house during the latter part of this month, Lowell Starnes, local Chesterfield representative, announced today. The actual date for the tournament, which is being sponsored by the Chesterfield representative, has not been set as yet.

Students are urged to select partners now in preparation for the event. A carton of Chesterfield cigarettes will be awarded to the winners of the tourney.

Euthenics Club Elects Officers

The Euthenics Club of Northwestern State college, at a meeting held Thursday, February twenty-eighth, elected officers for the forthcoming year. They are: Mary Lane Bailiff, president; Susie Mathis, first vice president; Barbara Evans, second vice president; Mickey Morrow, secretary; Bettie Carter, treasurer; Marilyn Motter, reporter; and Bobbie Collins, parlamentarian.

Educators Here Today For College Conference

New Librarian Joins Staff At Northwestern

Carroll Bennett, former Rapides parish librarian, has been added to the Northwestern State College library staff, Dr. Eugene Watson, librarian, has announced.

Bennett, who is filling the position left vacant by the recent resignation of Mrs. Ora Williams, will be in charge of order work and government documents.

A native Texan and veteran of five years service in the armed forces, Bennett is a graduate of Louisiana State University, where he received his BA and BS degrees.

He has also attended the University of Texas, taking his masters degree in library science while working as supervisor of stacks and assistant order librarian for the university.

The new NSC library staff member, whose father was pastor of the Coushatta Baptist church, now resides at 917 Fourth St. in Natchitoches with his wife and one child.

Noted Professor Presents Lectures Here Monday

Dr. Henry A. Bowman, professor and counselor in Marriage and Family Life at Stephens College in Columbia, Missouri, presented a series of lectures on Monday, March 2.

The series began at 8:00 with a discussion of "Eight Little Problems and How They Grew." The second of the series, held in the Fine Arts Auditorium was entitled, "So You Want to Marry." From 3 to 5 o'clock there was an informal gathering in the Religious Center at which time Dr. Bowman discussed "Dating Do's and Don'ts," and individual problems. At 7:30 Dr. Bowman addressed members of the student body and those interested concerning the controversy, "Problem Children or Problem Parents."

LOST

If anyone finds a navy blue Parker fountain pen, which was lost Wednesday morning, March 4, between Agnes Morris and Caldwell, please return it to Betty Lou Womack. This fountain pen was a gift. A reward is being offered.

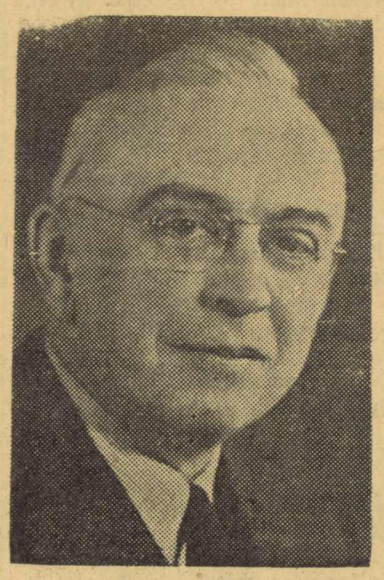

NOTICE

Students desiring to be candidates for the various Student Body offices should file a written "notice of intentions" with Mary Sue Bellew, Student Body secretary, not later than Monday, March 23. Official forms may be secured from the secretary of the Student Body.

General Student Body election will be held Tuesday, April 14.

"Intentions" for Senate should also be filed not later than April 23. Senate elections will be held May 6.

WINNIE DOWDEN
Co-ed Vice President

DR. A. J. BRUMBAUGH

NSC Wesley Group To Attend Confab In Lafayette

Northwestern State College will be represented by aproximately twenty-five Methodist students at the State Wesley Foundation Conference to be at Lafayette on March 13-15. The subject of the conference is "What do ye more?" and the main speaker is Dr. Jim Workman from Arkansas.

At the conference the NSC Wesley Foundation will have one big responsibility—that of presenting a drama of the world-wide program sponsored by the Methodist Fellowship Fund, while Miss Adams student secretary at NSC, will lead a study group on religious drama.

The Lousiana Methodist Student Movement Conference is composed of Methodist student groups from all campuses in the state. It exists for the purpose of building better student programs on local campuses and extending and co-ordinating work on the campus into other parts of the world.

Wesley Foundation Sponsors Meal Here Tomorrow Afternoon

The campus Wesley Foundation is sponsoring a sacrificial meal at 5 p.m. Sunday, March 8 in the Wesley Room of the Religious Center.

Students of all denominations are invited to attend without eating their evening meal and eat the meal of multi-purpose food that has been prepared by scientists to enable the sending of high-caloried food to the foreign countries that need food so badly. At this meal the students will be offered the opportunity to save three cents each meal that each one of the special meals would cost, and send the saving collectively to students in Korea.

The committe working on the sacrifical meal is headed by Nancy Kimbrell. Others on the committee are Troy Grissom, Nell Morgan, Ruth Iris Schech, Ann Mathis and Yvonne Welch.

NSC Band Director Conducts Clinic

Dwight Davis, NSC band director, conducted a band clinic at Bossier City high school, Thursday and Friday, held to help prepare the Bossier band for the forthcoming music festival.

Renowned Teacher Is Guest Speaker

Dr. A. J. Brumbaugh, nationally known educator and former dean of arts and sciences at the University of Chicago, is addressing the two general sessions of the Louisiana College conference here, yesterday and today.

Dr. Brumbaugh is speaking on the conference theme, "Relating the College to the Community." The two-day meet is being held on the campus of Northwestern State college which will be host to more than 300 educators from 16 colleges and universities in Louisiana.

Dr. C. E. Dugdale, dean of arts and sciences at Northwestern, led a panel discussion on intercollegiate athletics yesterday afternoon.

Selection of Dr. Brumbaugh as conference speaker was made by the executive group of the conference elected last March at a meeting in New Orleans. Members of the executive committee are: Dr. Wilson, president; Dean Robert L. Brown, McNeese State college, Lake Charles, vice president; Dr. Houston T. Karnes, department of mathematics Louisiana State university, Baton Rouge, secretary; Dr. Dugdale and Prof. Scott Weathersby, Louisiana Polytenchnic institute, Ruston.

Dr Brumbaugh is one of the nation's leading authorities in the field of college administration and curriculum construction. At the present time he is president of Shimer college, Mount Carroll, Ill. He was dean of arts and sciences at the University of Chicago when the experimental junior college plan was adopted there. Previously he was superintendent of schools at Mount Morris, Ill., and he has been a professor of English and dean of Mount Morris college.

At the University of Chicago Dr. Brumbaugh once held the positions of dean of students, dean of the college of arts and sciences and dean of the university. Afterwards he was appointed vice president of the American Council on Education, Washington, D. C. In that capacity he was instrumental in perfecting the General Educational Development test whereby veterans of World War II were given high school and college credit for service experiences. He was editor of the American Council's "Guide to American Colleges and Universities," an official list of accredited institutions of higher education in the United States.

Dean Wilson said Dr. Barumbaugh has functioned on the survey staff for Methodist colleges and secondary schools in the nation and as secretary for the commission of institutions higher education of the North Central Association of Colleges and Secondary Schools.

NURSING MEETING HELD SATURDAY IN ALEXANDRIA

A called meeting of Interdivisional Senate of the Northwestern State College department of nursing was held in Alexandria on February 28. At this meeting the Interdivisional Senate Constitution was discussed, corrected, and adopted by the Senate.

The next regular meeting is to be held in Alexandria in April.

Minutes Of The Student Senate

A regular meeting of the Student Senate was held in the Faculty Room of Caldwell Hall Tuesday, March 3 at 8 p.m. Ninteen members were present and two were absent.

The minutes of the previous meeting were read by the secretary. There was one correction: that the sentence, "Davis announced that work on the 1954 freshman hanbook would start immediately", should be made to read, "Davis announced that work on the 1953 freshman handbook would start immediately."

Davis announced that the appointment of Chick Gabbert as senator to replace Marie Tilleux had been approved by Leland Lamgridge, president of the student body. A motion by Ed Bacilla, seconded by John Batten, called for the Senate's approval of the appointment. Cecil Nielson amended the motion by adding the following words "that the appointment of Chick Gabbert be approved by acclamation." The motion as amended passed.

Jack Sharp, chairman of the Demonette-variety-show committee, reported that several talents and promises of others had been obtained for the show. The final date for the program has not been set as yet, but that would be worked out soon by the committee.

Upon Hardy Rose's inquiry concerning the Students Film agency, Martha Ann Leach announced that the program had received the full backing of the students and had been a success financially thus far.

Leland Langridge, representing the Council, read and explained to the Senate the proposed amendments to the constitution and the Point System plan. The proposed amendments are:

Article II: (add) section 3—no person shall serve as a member of more than one branch of student government simultaneously.

Article III: Section 2—the Senate shall be composed of thirteen members to be selected as provided for in the subsections of this section.

Subsection a) Ten members with at least two semesters in residence (b) Three members of freshman standing to be selected . . . ratified by the 10 upperclassmen. . . .

Section3—at a Senate meeting in the 14th academic week of the spring semester;

Article VII: Section 3—subsection a) Omit 7; Change 3, 5, 8 to read as follows:

3. The outstanding debater each year shall receive an award. This person shall be selected by the team and coach.

5. The outstanding athlete each year in each of the following: football, basketball, baseball, track, swimming, and gymnastics shall receive an award. This person shall be selected by the team and coach.

8. An outstanding band member shall receive an award. This person shall be selected by the band members and director.

A pro and con discusion of the point system followed. Cecil Nielson moved that we reject the proposed point system as submitted by the Student Council. The motion, which was seconded by Hardy Rose, carried.

Hardy Rose moved that the addition of Section 3 to Article II of the constitution be accepted. The motion, which was seconded by Joe Saltzman, carried.

Ed Bacilla moved that the proposed amendment, Article III Section 2, subsections a and b be rejected. The motion, which was seconded by Mike Bellipanni, passed.

Martha Ann moved that Section 3 of the proposed amendment, Article III, be amended to read "at a Senate meeting in the 16th academic week of the spring semester;" instead of the original wording, "at a Senate meeting in the 14th academic week of the spring semester;" The motion was seconded by Ann Hungerbeeler, and was passed by the group.

Ann Torrans moved that the amendment to the proposed amendment Article III, Section 3, be accepted. This motion, which was seconded by Rudy Berlin, passed.

Ann Hungerbeeler moved that Section 3 of the proposed amendment to Article III, be accepted as amended. The motion, which was seconded by Mike Bellipanni, passed.

Mike Bellipanni moved that the proposed amendments to Article VII, Section 3, subsection a, be rejected. The motion was seconded by Rudy Berlin, and was passed by the group.

Rudy Berlin suggested that the proposed amendments on awards be revised and sent to the Council for approval. Houston Davis appointed the following committee to study the amendment and revise it. On the committee are Rudy Berlin, chairman; Anne Hungerbeeler, and Don Finley.

Houston Davis announced that a called meeting of the Senate would be held on Tuesday, March 10.

The meeting adjourned at 9:45.

Respectively submitted,
JOE SALTZMAN
Secretary

Letter To The Editor

Gueydan, Louisiana
March 1, 1953

Editor of The Current Sauce
Northwestern State College
Natchitoches, Louisiana

My dear editor:

As an alumna of NSC, I would greatly appreciate your printing the contents of this letter in your newspaper to clarify a misunderstanding in the minds of the many North Louisianians who undoubtedly read an article entitled "French Students Get Taste of Life As Only South Louisianians Live it."

The article primarily poked fun at the natives of South Louisiana and French spoken. We, in this part of Louisiana, are proud of the fact that we have enough intelligence to be biingual—a fact which you up in the red hills can't boast of. And, too, we have the great advantage of having the great cultural backgrounds of two nations Can you say the same? Being bilingual is far from being the stigma you insinuate.

It is true that we may have a different philosophy of life (thank goodness for that), but that doesn't mean that we are nothing but ignoramuses without inhibitions. I am inclined to disagree to the statement that South Louisianians are a "thirsty" lot. As well as I can remember that trait was also prevalent in your neck of the woods. Am I right?

As we are a very hospitable group of people, you, of course, are always welcomed to come down and get to know us better. You might like us if you did.

Sincerely yours,

An almuna who holds no gruge against North Louisianians or should I say slightly North Central Louisianians

Sigma Sigma Sigma

Thursday night was a big event for fifteen pledges of Alpha Zeta Chapter, for at the regular pledge meeting the pledge test was taken. On passing this test the pledges then became eligible for initation

Congratulations to Barbara Evans who was selected second vice-president of the Euthenics Club.

Virginia Metcalf journeyed to Shreveport Monday to take her physical examination. Virginia is enlisting in the Medical Corps of the Armed Forces.

Alumni member Jean Lyons presented the college members with a lovely desk foutain pen set when she visited last Saturday.

Plans and more plans were made for the Tri Sigma spring formal, March 14. Committees were formed and Friday and Saturday set aside as work days, for there is much to be done and only a week to do it in.

The Tri Sigmas basketball team defeated Pi Kappa Sigma's team Wednesday night.

Election of officers for the coming year was postponed until next Tuesday night due to the inability of the nomination committee to find a mutually satisfactory meeting date.

Alpha Sigma Alpha

Congratulations go to Katherine Elliott, who was elected to lead ASA next year in the capacity as president, last Tuesday night at the regular business meeting. The suporting officers are as follows: Ann Wood, vice president; Barbara Jo Cheek, secretary; Wanna Beth Sanders, registrar; Ann Hungerbeeler and Oneta Hodson, treasurer and co-treasurer; Betty Hurst, editor; Marilyn Motter, chaplin; Martha Mae Johnston, historian; Susie Mathis, house chairman; Mildred Young, song leader; and Nellie Faye Sikes and Nancy King, rush chairmen.

Other Alpha Sigs holding campus offices are Susie Mathis and Marilyn Motter. Susie was elected 1st vice president of the Euthenics club; and Marilyn was elected reporter.

Ready with new ideas and detailed plans were the various committees appointed to plan the Spring Formal, and rush plans. The coffee held in the sorority house for the students visiting the campus Saturday was very successful.

Delta Sigma Epsilon

The election of officers at the regular Tuesday night meeting of the Delta Sigs was a little on the order of New Year's Eve, for we happily welcomed in the new and wistfully bid the old farewell. Unlike the resolutions one makes and breaks, however, we are sure our new officers shall strive to uphold all resolutions made. We are pleased to anounced that they are: Martha Ann Leach, president; Chick Gabbert, vice president; Imogene Leach, secretary; Ef Cloutier, treasurer; Alice Phelps, corresponding secretary; Kathleen Prudhomme, sargeant at arms; Jane Claborn, historian; Sue Miller, chaplain; Betty Alice Bell, editor and alumni secretary.

Miss Janell Farris, our sponsor, will honor the old and new officers with a supper next Wednesday night. At that time the officers will become acquainted with the various duties connected with the positions which they hold, as well as enjoy some good food. We cannot say enough in appreciation for the outstanding work our past president, Peppy Marmande, and our other officers accomplished this past year; but we do hope that this next year will be just as successful.

Further plans for our Spring Formal ware discussed and many good suggestions were given by the various committees.

The traditional box of chocalates was passed around by Jo Ann Prestridge to announce her engagement to Jack Branch. Congratulations Jody!

Read the Current Sauce.

Sigma Alpha Iota

Wednesday night the members of Sigma Alpha Iota met for a choral rehearsal. Following the rehearsal a pledging service was performed in the choral room. The new pledge is Annice Jones of Shreveport. After the service a short business meeting was held. Plans are being made for a group recital.

The Sigma Alpha Iota members will give a reception for Sallie Jo Foster immediately following her recital on March 11.

Fellowship Grants Are Available In Public Administration

If you are interested in a career in public administration, you are invited to investigate the fellowship grants of the Southern Regional Training Program in Public Administration.

The Southern Regional Training Program is designed to encourage the training of executive leaders and skilled administrators for the public service.

Each fellowship carries a grant of $1200 and university fees for a period of one year. Students of good performance, who are now completing requirements for a bachelor's degree are eligible. Majors or minors in any of the social science fields are desirable but not essential.

In order to carry out the objective of this program, the Universities of Alabama, Tennessee, and Kentucky and governments of the region have combined their resources for training and teaching in this field.

Fellows spend one quarter of each of the participating universities and a three-month internship at some public administrative office in the southern states.

Application forms may be secured immediately from the dean or department head in your school, or they can be obtained by writing the Educational Director, Southern Regional Training Program, Drawer I, University, Alabama.

Men Beware—March 25!
Watch for March 14 issue.
It's coming ! ! ! !
Wednesday, March 25?

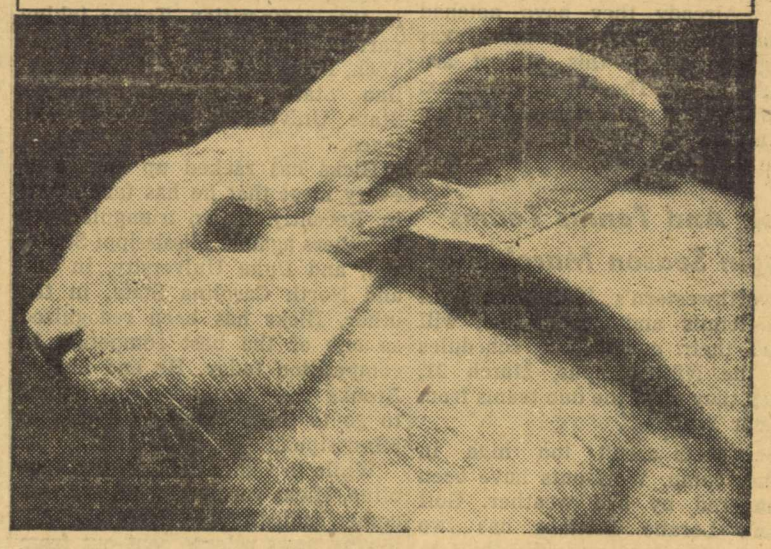

"Vanity Fair" On Theater Guild Sunday Night

Returning to New York from Washington, D. C., United States Steel's award-winning "Theatre Guild on the Air" present "Vanity Fair" Sunday, March 8, starring Joan Fontaine, over the coast-to-coast stations of the Natioal Broadcasting Company network at 7:30 p. m. (CST).

William Makepeace Thackeray's classic novel of Victorian society will be adapted for a full hour of dramatic radio entertainment with Miss Fontaine enacting the role of the unforgettable Becky Sharp. The sly schemes and cunning maneuvers of Thackeray's heroicone in landing a husband have intrigued readers for more than a century. "Vanity Fair" is considered the famed author's major contribution to English literature.

Miss Fontaine, winner of an Academy Award, has been acclaimed for her many film portayals. Among her varied screen hits have been "Suspicion," "This Above All" and "Jane Eyre". She appeared most recently in "Darling, How Could You?" and "Ivanhoe".

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

Here's a sad cotton tale: poor Paul was in a stew about his hare until his paw wrote: "I ear you got a bun on because your girl left you. Now, lettuce look at the bre'r facts. To get in on the bunny huggin', smart rabbits foot it down to any toilet goods counter for Wildroot Cream-Oil, America's biggest-selling hare tonic. So fuzz thing tomorrow, invest 29¢ in a bottle or handy tube. Contains soothing Lanolin. Non-alcholic. Grooms the hare. Relieves annoying dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Sheedy tried Wildroot Cream-Oil and now he's a jump ahead of every Tom, Dick and Harvey. So what're you waiting fur? Get Wildroot Cream-Oil today, *and* ask for Wildroot at your barber's. You're bound to like it!

*of 131 So. Harris Hill Rd., Williamsville, N. Y.

Wildroot Company, Inc., Buffalo 11, N. Y.

NSC Mermen Close Home Season Against U of Texas At 3:00 p. m.

Northwestern swimmers will be seen for the last time this season in their home waters this afternoon, when they meet the University of Texas at 3:00 p. m. The meet is rated as a toss-up.

The Demons are fresh out of the tank at the Southeastern AAU meet in Atlanta, Georgia last week-end. Coach Piscopo's mermen held down fourth spot against some of the outstanding teams in the south.

Not much is known about the University of Texas team, except that in Bobby Broadnax, they possess one of the nation's top divers. On the Demons side, a lot of weight rests on the steady shoulders of ace freshman swimmer, Tommy Kehoe.

NSC has yet to be beaten by a Southwest Conference foe this season. Already they have notched wins over SMU and the Texas Aggies, and in this respect are rated highly. The win against Tex. was the first time a Northwestern team has downed the Aggies in five years of battling.

Golf And Tennis Teams Begin Season March 21

Northwestern's 1953 edition of the tennis and golf teams, will start their competitive schedules on the NSC campus, March 21, when they meet the duo teams from Lamar Tech.

Prospects aren't too high in either camp. Work-outs have been hampered by bad weather. Golf coach Lorane Brittain has two lettermen returning while the tennis team tutored by Dr. John Duffy will have three vetreans back.

Those who have lettered in Golf are Bill Stanberry and Paul Rider. In tennis they are Bob Durham, Lucian Spataro, and Mike Lelong. Squad members in the fairway sport number 5. In tennis there are 8 players bidding for positions.

Other members of the two are: Golf, Pat Kelly, Hataway, and Jack Sibley; in Tennis, Mike Torrans, Pedler Edwards, John Batten, Ed Jordan, and John Spataro.

The spring schedule for Golf and Tennis is as follows:

Saturday, March 21—Lamar Tech here—golf and tennis.

Wednesday, April 8—SLI—Lafayette—golf and tennis.

Saturday, April 11—Tech—Ruston—golf and tennis.

Thursday, April 16—SLI—here—golf and tennis.

Friday, April 17, —McNeese—here—tennis.

Tuesday, April 21—Louisiana College Pineville—golf and tennis.

Friday, April 24—Southeastern here—golf and tennis.

Saturday, April 25—Louisiana College—here—golf and tennis.

Saturday, May 2—Tech—here—golf and tennis.

Thursday, May 7—GSC Conference—Ruston—golf and tennis.

Friday, May 8—GSC Conference —Rustongolf and tennis.

Billy Steele Captures Intramural Distant Run

Billy Steele, a member of the Independents team, paced his way to a convincing victory in the 1953 annual Intramural Cross Country Run. Ben Vercher, of BMOC, captured second place a good distance behind Steele. Buddy Shaw of Phi Kap notched third position.

Steele won in a record breaking time of 10:34.6. This mark shattered the old record held by Slim Howell in 1947 by 34.5. seconds. Billy set a constant pace and maintained it all the way over the two-mile course. He was never contested for the lead spot.

There were a total of 12 entries, but only five took part in the race. The others failed to show up or else dropped out of the competition. Finishing fourth and fifth were Delton Brady and Alvin Deblieux. Other entries were M. B. Childress, Bobby Sanders, Bob Wilson, Dean Dowden, Pedler Edwards, Jerry Noto, and Rarel Loubriel.

NSC Gymnast John Hicks Takes Honors In Meet

John Hicks, representing Northwestern State College at the Southern Intercollegiate Gymnastic League meet in Hattiesburg, Mississippi Tuesday night, captured top honors in his field of tumbling. The rest of the NSC team was unable to attend the meet.

19 entries participated in the tumbling events with Hicks winning first place. Florida State University present National AAU, and Intercollegiate Champions took second, third, and fourth positions in this competition. Teams taking part in the meet were Georgia Tech, Duke University, North Carolina State, Mississippi, Georgia State University, and other colleges.

Hicks has racked up laurels in every meet that he has taken part in. Recently in two triangular get-togethers against Mississippi Southern, and Duke University, in one and North Carolina State, in the other, Hicks has been recognized as one of the best competing in competition today. He and Shelby Brooks were extended invitations to go to these meets as guests of Mississippi.

While in Chapel Hill, North Carolina, Hicks received a hearty welcome. Indicative of it is the following news release sent out from Chapel Hill, "Northwestern's John Hicks, however, turn in the meet's most spectacular performance when he scored 267 out of a possible 300 points on the mats. Hicks routine was one of the finest ever put on in Wollen Gymnasium."

NSC Cinder Squad Begins Prepping

Trackmen at Northwestern State college began practice Monday in preparation for a tough nine meet schedule, Demon track coach Walter Ledet announced today.

Demon track and field lettermen lost from last season number five and are Buck Anderson (440-yard run); Dan Poole and Wayne Durr (hurdles); and Artie Ranew (javelin) and Johnny Buck (pole vault). Ranew and Buck won first places in the GSC meet last season.

This year's NSC track athletes will be led by two GSC record-holders, Doak Walker, Dry Prong, in the 440, and Dennis Rider, Jonesboro, in the two-mile. Three of the four boys who won the conference mile relay last year are back. They are Waple Lilley, Bemont, Doak and Murerl Walker, Dry Prong.

Ledet stated that this will be the largest squad in the last ten years and will be well-balanced. The weakest spot will be in the field events.

Lettermen back in Demonland ready to begin the track season are the following: Jack Bice (dashes-relays), Calvin; Ronald Byrd (high jump), Marthaville; Bill Collinsworth (broad jump), Bryceland; George Davis (high jump), Florien; Billy Hart (dashes-relays), DeRidder; Tynes Hildebrand (relays), Florien; Waple Lilley, (relays-440 yd. dash); Dennis Ryder (distance races), oJnesboro; Roland Smith (relays-dashes), Sulphur; James Turner (relays-880), Springhill; Murrell Walker (relays-880), Dry Prong; Murray (Doak) Walker (relays-440), Dry Prong; and Johnny Emmons (broad jump), Mansfield.

Squadmen back are James Modisette (pole vault), Haynesville; A. J. Telotta, (weights), Abbeville; Darrell Wiggins (weights), Oakdale; Sammy Wilson (distance races, Lecompte; Earl Haynes (880), Springhill; and Harry Grant Willis (hurdles), Oakdale.

NOTICE

There will be a special meeting of the Student Senate Tuesday, March 10, at 8 p.m. All senators must be present.

Tommy Kehoe, Frosh Swimmer Has Never Lost In NSC Pool

By DON FINLEY

Tommy Kehoe, versatile little swimmer from New Orleans who has the distrinction of having never lost a race in the Northwestern State College natatorium, has already broken four records as a member of the NSC swim team and has yet to finish his freshman year as one of the Demon tankmen.

Kehoe, the younger offspring of of a family of championship swimmers, is causing quite a stir in the collegiate swimming ranks. Yet to be defeated in college competition, the blonde New Orleanian has twice broken the NSC college 220 yard freestyle record and has set the college record for the 440 yard freestyle and the pool record for the 220 yard freestyle.

In the SEAAU Swim meet held in Atlanta, Georgia last wee-end Kehoe again set a new college record of 2:15.9 in winning the 220 yard Freestyle race. And in the 100-Yard Freestyle competition he placed second, losing to Patterson of Georgia, one of the nation's fastest swimmers.

In addition, Kehoe was also on two record-breaking relay teams—the 300 yard medley and the 400 yard freestyle.

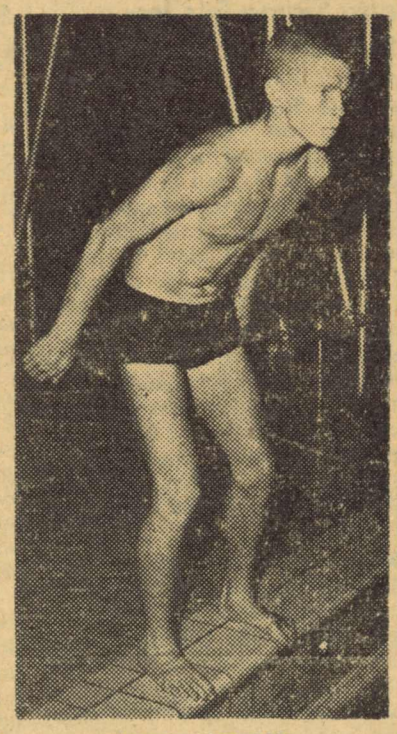

"He should be great before he graduates. There's no question about that," John Piscopo, Kehoe's coach at NSC, said. "His remarkable drive and sincere desire to win copuled with the fact that he follows training rules strictly give him what it takes to win," Piscopo added.

He is gaining valuable experience here as he is meeting top-notch collegiate competition for the first time. He is developing good race strategy, according to his coach.

Kehoe, modest when talking about his own exploits, had only high praise for Piscopo as a coach "He's a great guy," he said, "and puts out winning teams in both swimming and gymnastics, and yet has less to work with than any other coach at Northwestern. I believe this year's tank team is his strongest."

Tommy, following three sisters and a brother who were all SAAU champs in various fields, started his career early when, at the age of three, he learned to swim while living at Bay St. Louis, Miss.. Later his family moved to New Orleans where he started his competitive swimming when he was nine.

As a member of the Audubon Swim Club, Kehoe won the backstroke event in his first meet, a win that was the first in a long series that dotted his record in high school and AAU competition until he enrolled last fall at Northwestern.

TOMMY KEHOE

Kehoe's crowing triumph while a member of the Audubon club was the winning of the Junior National 200 meeter freestyle championship in New Orleans when he was only 16.

Supreme in high school competition, Kehoe swam for the New New Orleans Academy, although he did not compete during his senior year to a tonsilectomy. In both 1950 and 1951, he was high point man at the state rally in Baton Rouge.

In the Northwest Rally at Natchitoches, Kehoe holds the all-time records in the 220 yard and 100 yard freestyle events, and the 100 yard backstroke. Also he was high point man in the 1950 and 1951 rallies.

"It's a fine, all-round sport," replied Kehoe when asked what he thought of swimming. He thinks it is the best body-building sport and considers it the hardest for which to condition. He added that he gets a great deal of personal satisfaction out of it.

Kheoe's major is georgraphy, but he hinted that he plans to attend law school school to follow his father whi is a New Orleans attorney. Whe queried about coaching as a profession, Kehoe flatly stated that he had never given coaching any consideration.

34 HS; 7 GSC Colleges Will Attend Meet Here

With the fifteenth Northwestern State College relays still a month off, 34 high school teams andseven GSC college in cinder squads have indicated they will attend the meet to be held here, March 28.

The biggest entry field in history is expected for this year's track and field competition. Last year 40 high schools and eight colleges attended, with more than 600 contestants participating.

Divided into four classes this year—AA, A, B—and the college division, the relays should draw considerably more contestants than last year, Harry H. Turpin, director of rallies at the college, state.

Schools which have already sent in entry blanks follow: ClassAA—Bastrop, Bossier City, Byrd, Fair Park and Ouchita; Class A— Oakdale, Vivian, Many, Pineville, DeRidder, Minden, Eunice and Mansfield; Class B—Rosepine, Zwolle, Basile, Boyce, Cecilia, Plain Dealing, Sarepta, Mamau, Ferriday, Buras, Merryville, Kenner, Kentwood, Vinton and Ringgold; Class C—Campti Bienville, Estherwood, Pelican and Converse.

College which have notified the rally director that they will attend, are Louisiana Tech, McNeese, Norhteast State, Southwestern, Louisiana College, Centenary and Northwestern State.

Demon Basketballers Switch To Cinder Path

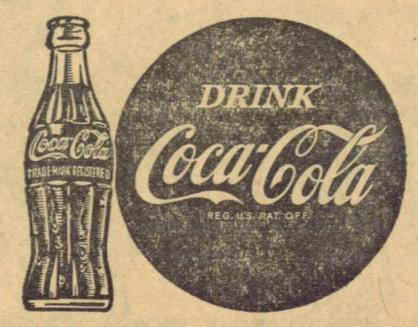

After a successfull basketball season, six of Coach Thomas' basketballers have turned their abilities to the cinder path under the direction of Coach Walter P. Ledet. NSC track men will open their season with their first meet on March 21 against La. Tech and Southeastern.

Those cagers who have taken to the turf are Billy Collinworth, Letterman, broad jump; George Davis, letterman, high jump; Tynes Hilderbrand, letterman, relay; Waple Lilley, letterman, 440 and relays, member of GSC Championship Mile Relay team of 1952; George McConathy, newcomer, field events; Murriel Walker, letterman, 880 and relays, members of Championship GSC Mile Relay team of 1952; and James "Buddy" Thomas, newcomer, high jump.

Entry List Swells For Swimming Meet On Campus Here

The SAAU women's open swimming, diving and synchronized championship meet and synchronized clinic is drawing a large number of outstanding women swimmers from near and far to the Northwestern State college natatorium on Friday and Saturday.

To date, the following entries have been received: Crystal Pool aquatic club, Bellaire, Texas; The Cork club and Hamilton Jr. high school, both from Houston, Texas; Minden high school girls team, Minden; Audubon girls team, New Orleans; KDNT radio station girls team, Des Monies, Iowa; girls team of Little Rock Boys' club, Little Rock, Arkansas; Catalina club from Dallas, Texas; Northewestern state college, Natchitoches; Texas State college for Women aquatic club, Denton, Texas and Natchitoches high school girls team. Several unattached individual entries have also been received.

Competition in this meet promises to be keen with a number of outstanding AAU title-holders swimming on the above teams. Participating on the Audubon girls team will be Johannah Bernard, who received the 1952 SAAU Outstanding Athletic Performance award. Mary Shelton of Texas State State College for women is present champion of the Southwestern AAU 50 yeard freestyle.

Among the synchronized swimming competitors are the national AAU duet champions, Jo Ann Speer and Carla Couter of Des Moines, Iowa. Loyall McNair of TSCW is one of the SWAAU synchronized solo champions, and the Catalina club of Dallas are the 1952 SWAAU sychronized team champions.

The two-day aquatic program will begin on Friday morning with registration at the natatorium. At one o'clock Beulah Gundling, national AAU outdoor solo synchronized champion, 1950-51-52, will present a demonstration of stunts used in synchronized swimming and will conduct a workshop in synchronized stunts. Preliminaries in the 100 yard freestyle, 100 yard individual medley and 400 yard freestyle relay will begin at six o'clock. Finals in these events are scheduled for 8 o'clock Friday night.

Saturday morning Mrs. Gundling will discuss "Music and Choreography of Synchronized Swimming," and conduct a clinic in the "Mechanics of Officiating Synchronized Swimming."

Competition on Saturday begins with preliminaries in synchronized team, duet, and solo swimming. Finals in these events begin at eight o'clock Saturday night.

The concluding event of the clinic-meet program will feature Beulah Gundling swimming a solo synchronized exhibition titled "Thunderbird."

BEULAH GUNDLING

Demon Swimmers Take Fourth Place In SEAAU Meet

The Northwestern State College swimming team captured fourth place in the Southern Regional Swimming Championships held in Atlanta, Georgia, Saturday, finishing behind Miami, Florida State, and Georgia. NSC defeated Georgia Tech, Emory, and other strong Southern teams.

Tommy Kehoe, star NSC tankman from New Orleans, paced the Demons and set a new college record of 2:15.9 in winning the 200-yard freestyle. He placed second in the 100-yard freestyle, losing to Patterson of Georgia, one of the nation's fastest swimmers.

The Demon medley relay team placed fourth and the 400-yard freestyle relay team took second place to set a new college record with a time of 3:43.5.

Myron Lockey of the Demon team finished fourth in the breaststroke, Henry Walton came in fourth in diving, H. L. Humble took eighth place in low and high board diving, and Lyle Dillman finished sixth in the 50-yard freestyle.

NAIA Association Meeting Attended By NSC President

Northwestern State college President H. Lee Prather, chairman of the NAIA president's advisory council, left yesterday morning for Kansas City to be present at meetings of the executive committee of the NAIA and the basketball tournament which will end March 14.

He will attend executive committee meetings today beginning at 9 a.m. Then on Monday morning, Prather will preside as chairman of the advisory council leading a disucssion at that meeting on the subject: "The Responsibility of the (college) President for a Sound Athletic Program."

At this meeting the president's advisory council will discuss the essential elements of a sound athletics program, based on the statement of the revised policy on intercollegiate athletics of the North-Central Associatin, 1952.

Another important topic to be taken up by the national athletic association will be "The Effect of the Federal admission tax on the Financing of the Athletic Program."

Gents Whip NSC In Opening Round Of NAIA Play-off

The Northwestern State Demons ended their cage season on a sour note, bowing to the Centenary Gents 65-59 in the NAIA district play-off in Ruston Monday night.

Louisiana Tech earned the district berth, stomping Centenary Tuesday night by a 83-66 score. They skimmed by McNeese 53-50 to work their way into the finals.

Playing a mediocre brand of ball, the Demons sometimes made it interesting but seldom made it close in a ballgame that saw both teams playing sub-par ball.

Toar Hester was the star in Centenary's victory and high scorer for the evening. He bucketed 11 field goals and five free throws for a 27 point total.

Northwestern's biggest individual effort for the night was Ken Shaw's 13 points. Jim Thomas followed closely with 12 points.

The Gents were a vastly improved team over the group which dropped a contest to the Demons last Friday night in Shreveport. Hester's play Monday night spelled the difference between the two quintets.

The Gents moved into a comfortable lead in the early minutes of play and commanded a 21-16 edge at the first quarter mark. The Demons put in a strong bid early in the second frame and knotted the score at 23-23 but a 14 point drive by Connie Mack Rae, Bob Wright and Jim Whitler doused out the fire and eased the Gents' fans who were delighted with their 41-29 half-time lead.

An all-court press in the third period kept the Demons within sight of the Gents but never closer than nine points away. The final quarter saw the Demons whittle the lead down to a mere four points but them Pototo Ramirez ringed a quick four points for the Shreveporters and they managed to hold their lead for the remainder of the game.

Purple Jackets

PICTURED ABOVE are the old and the new purple jackets. Called in the Tuesday assembly are the new Jackets seated reading left to right; Mary Baliff, Chick Gabbert, Frances McLain, Ann Hungerbeeler, Faye Johnson, Mickey Morrow, Millie Stephens, Gladys Shaw, Polly Hays, Wanna Sanders, Bobbie Curtis, and Hazel Davis. Also called but not present was Daisy Cox. In the back row left to right are the old Purple Jackets: Beth Trammel, Winnie Dowden, Mary Clark, Genevieve Marmande, Louise Vick, Claudine Box, Thelma Stephens, Miss Catherin Winters, outgoing sponsor, Miss Eola Rooks, new sponsor, Patsy Winkler, Betty Boydstun, Dot Thompson, Bea Rumsey, Evelyn Smith, Claire Lucius, and Eddy Elliot.

"Passport In Purple" Theme Of Jacket Show

Purple Jackets To Present Show 8:00 Tues. In FAA

By WINNIE DOWDEN

The Annual Purple Jacket show, this year entitled "Passport in Purple", will be presented in the Fine Arts Auditorium next Tuesday evening at 8:00.

Under the guiding hands of the Jackets, the audience will be conducted on a tour of the world by means of their "Passport in Purple."

Leaving New York, they will stop over in "binnie Scotland." Entertainment will be songs and native dances from "ye old countree".

In France there will be fashionable Parisian models and one of the famous side-walk cafe scenes. In quaint old Madrid the audience will thrill to a fencing bout in The Casina. The "Viennese Waltz" will characterize historically romantic Vienna.

"The Song of the Volga Boat man" will be the musical contribution from Russia. In India and the Orient the program will deviate from songs and dances and here Indian tumblers will perform and an old Chinese sage will reiterate a Chinese legend. With Hawaii comes the "hulu" and the traditional ukes.

Departing from the serious, Africa will be depicted in a farce scene featuring the Watusie and the pygmy. Climaxing the trip around the world will be a holiday in Latin America at Monterey, Mexico, where the Purple Jackets plan to spend the Easter holidays. A welcome home will be the final scene of the show.

Vocal music will be furnished by Phi Mu Alpha fraternity, Sigma Alpha Iota sorority and indvivdual vocalists. Background music will be by the Demonaires. David Kendrick will be the narrator.

Tickets will go on sale in the Field House on Monday March 16. They may also be purchased at the ticket window in the Fine Arts Building on the night of the pre-
person is fifty cents.

Toby Livingston Is Northwestern's "Miss Cover Girl"

Toby Livingston was chosen "Miss Cover Girl" of Northwestern yesterday as a campus-wide poll elected her over two other candidates in the running to decide who will represent NSC in the contest by the Dixie Roto Magazine.

Miss Livingston will be in competition with representatives from every college and university in Louisiana and Mississippi. The final winner will be declared "Miss Cover Girl" and will be presented in a full color cut on the front page of Dixie Roto Magazine, a part of the Sunday New Orleans Times Picayune.

A freshman, Miss Livingston is a member of the Northwestern women's swimming team and hails from Los Angles, California.

Virginia Martin of Winnfield and Lora Faye Kemper of Shreveport were the two finalists who were chosen second to Miss Livingston.

The three finalists were chosen by five judges from a group of seven, which also included Rose Nell Creel of Joyce, Dorothy Guillory of Forest Hill, Carolyn Alexander of Bossier City, and Louise Vick of Vivian.

Purple Jackets Call 13 Girls In Tuesday Student Assembly

Thirteen girls were called to be Purple Jackets, honorary hostess club at Northwestern, in a general assembly of the student body in the Fine Arts Auditorium Tuesday morning.

Called were Mary Lane Baliff, home economics major from Heflin; Daisy Cox, primary education, Natchitoches; Bobby Curtis, dietetics, Alexandria; Hazel Davis, upper elementary, Ringgold; Chich Gabbert speech, Alexandria; Polly Hays, business education, Many; Ann Hungerbeeler, mathematics, Shreveport.

Faye Dell Johnson, upper elementary, Readhimer; Frances McLain, accounting, Campti; Mickey Morrow, home economics, Elizabeth; Wanna Beth Sanders, business education, Alexandria; Gladys Shaw, upper elementary Tioga; and Millie Middleton Stephens, primary education Port Barre.

The annual V. L. Roy Award given to the outstanding senior member of the Purple Jackets was presented to Mary Clark, who served as president of the organization the past year.

Miss Clark presided at the assembly. Thelma Ruth Stephens, vice-president of the club, gave a history of the organization and paid a special tribute to Miss Catherine Winters, who has served as sponsor of the group since its founding in 1927.

Mrs. Lillian McCook, on leave of absence from the Northwestern music department, presented a vocal selection as part of the program.

Climax of the assembly came with the calling of the new Purple Jackets by F. G. Fournet, acting in the absence of NSC President H. Lee Prather.

The selection of the girls, made by the present members of the Purple Jackets, was made on the basis of scholarship, character, and service to school.

Bridge Tournament Date Set March 16 and 17

A bridge tournament will be held in the Student Center March 16 and 17 at 6:00 p.m. on both respective days as reported by Lowell Starnes, local Chesterfield representative.

The tourney is open to all college students. There will be no entrance fee and students are urged to select their partners as soon as possible and report the first night.

NSC Girl Awarded Trip To Europe

Betty Sue Boydstun, speech major from Natchitoches has been awarded a trip to Europe by the European Religious Drama Work Camp along with 14 other students from various parts of the nation.

The group will sail from Quebec, Canada on June 19 and will not return until Aug. 25. The local Wesley Foundation group is sponsoring Betty's trip.

The tour will take the students through Germany, Italy, France, England, Belgium, Holland, and Switzerland. They will be in Germany for six weeks, and will stage plays at the Methodist Theological Seminary in Frankfurt in cooperation with German studetns there.

Miss Boydstun received a letter last Sunday from Rev. and Mrs. Joe Brown Love of Nashville, who are the national sponsors of the tour and who provide the funds. Rev. and Mrs. Love are also the national sponsors for the Wesley player organization, the drama group of the Methodist student movement.

Northwestern Host To Speech Tourney Here March 20-21

Northwestern will be host to the Eighteenth Annual Louisiana Speech Tournament here next Friday and Saturday, according to a report this week by Donald Graham of the NSC speech department.

Some 25 colleges and universities from Louisiana, Texas, Oklahoma, Missouri, Arkansas, Mississippi, and Alabama wil send representatives to the Northwestern campus to take part in the tournament.

Competition will be in debate, extemporaneous speaking, after dinner speaking, poetry reading, radio speaking, and oratory.

Members of the Northwestern squad that will compete in the tourney are Pat Hankins, Ann Torrans, Chick Gabbert, Dave Kendrick, Bill Erwin, Dave Lawson, and Bobby Hamm. Some members of the Speech 104 class will also be in the competition.

Read the editorials on page 2.

NSC Host To 1300 High School Girls Today In FHA Meet

Over 1300 girls from 87 high schools in Central Louisiana have convened on the Northwestern campus today for the annual meeting of the Central District Future Homemakers of America.

The highlight of the meeting came this morning when Father F. H. Rateau of Leesville spoke on "For We Are the Builders of Homes." Meeting in the Fine Arts Auditorium, the high school students also heard State Superintendent of Education Shelby M. Jackson.

Included in the morning program was a dialogue, "Homes for America's Future", by Patricia Brown, Camille Montgomery, and Charlene Weir of Tioga high school.

Presiding at the morning session was Miss Kay Lang of Montgomery, who is the Central District president. Miss Mary Louise Verzwyvelt of Boyce, who is the district vice-president, will preside this afternoon.

A style skit, "Dr. Will Cure All", will be presented this afternoon by a group of students from the Zwolle FHA chapter.

Parishes which are represented at the meeting are Avoyelles, Beauregard, Cathoula, Concordia, DeSoto, Grant, Lasalle, Natchitoches, Rapides, Red River, Sabine, Vernon, and Winn.

Other Central District officers of the FHA are secretary, Virginia Marler, Colfax **treasurer; Joy** Hyatt; historian, Edith Hones, Zwolle; and parliamentarian, Maurice Adams, Sikes.

NOTICE

Students desiring to be candidates for the various Students Body offices should file a written "notice of intentions" with Mary Sue Bellew, Student Body secretary, not later than Monday, March 23. Official forms may be secured from the secretary of the Student Body. Ronald Quinn, Ben Singletory, Mary Sue Bellew, or Winnie Dowden.

General Student Body election will be held Tuesday, April 14.

"Intentions" for Senate should be filed not later than April 23. Senate elections will be held May 6.

WINNIE DOWDEN
Co-ed Vice President

Ann Hungerbeeler Becomes Editor Of 1954 Potpourri

Ann Hungebeeler was automatically elected editor of the 1954 Potpourri, the Northwestern annual last Saturday when, upon the closing date for filing intentions, she was the only person to file for the post.

Deadline for filing intentions for Current Sauce and Potpourri editorship positions, orginally set for noon on Feb. 28, was noon of last Saturday.

Ann, a mathematics major from Shreveport, is a junior and has had two years experience on the Potpourri staff. She served as business manager on the 1952 yearbook and is at present organization editor of the 1953 Potpourri.

Her election to the position was made official Tuesday afternoon when passed on her qualifications.

A member of the student senate, Ann was also chosen as a Purple Jacket in last Tuesday's assembly.

WednesdayMarch 25 ? ? ? ?
Ladies your opportunity is nearing!

Two ROTC Staff Members To Leave Northwestern Unit

One member of the Northwestern ROTC staff will be leaving the college after this semester and another will possibly be leaving, according to a report this week by Lt. Col James Bowman, PMS & T.

Major Angus T. Weydell is to be released from active duty on May 31 and will return to Texas A & M to continue his graduate study in mechanical engineering. Before being called to active duty, Major Weydell was an instructor at that college for two years.

Col Bowman announced that he himself may be sent to active duty in Korea in the near future. He stated that he only knows that his name is on a list of candidates for overseas duty, not all of which will be chosen. He said he should know definitely within the next 30 days.

Major Weydell has been associated with the Northwestern ROTC unit all but the first six weeks of his current two-year span of duty in the army. He came to NSC in the fall of 1951.

Col Bowman has been PMS & T of the Northwestern ROTC unit during its entire life. The program began here in the fall of 1950.

LIBRARY
NORTHWESTERN STATE COLLEGE

Two-Fold Policy

You, the student body of Northwestern, will elect your 1953-54 officers on April 14. Included will be the selection of an editor for next year's Current Sauce. Since prior to the election, each candidate must edit a trial edition of the paper, I am this week presenting my trial edition of the Sauce.

Realizing that a single edition cannot fully reveal the capabilities of an editor, I am stating in this editorial what my policy will be should you choose me in the coming election to edit your Current Sauce next year.

Briefly, my policy is two-fold:

1. As complete a coverage of the campus news and news of Student interest as possible.

2. An editorial page with editorials that are interesting, pertinent, factual, and of an intelligent, mature nature.

In elaboration, I want to give you a coverage of campus news, whether it requires the paper to be six or eight pages—news that is supplemented by good pictures and feature stories.

A good editorial page is the heart of a newspaper. I will strive to give you that heart—to give you each week editorials that are interesting, factual—editorials that give you the story behind the news—editorials that give you the facts of student government and activities.

You will have the privilege of viewing your opinions with letters-to-the-editor, which form a highly important part of a campus newspaper.

That, in short, will be my policy as editor of the Current Sauce should I be elected on April 14.

Senior Awards

A question may have arisen lately among the student body over the proposal by the student council and student senate to eliminate some of the awards given annually to seniors in various departments.

The awards the proposal seeks to cut out are the senior debate, the senior band, the senior athletic awards and the awards given to athletes participating on championship SIAA and GSC teams.

The reason given by the council for the elimination of the awards is lack of student body funds. Since the awards were first given, the number of awards has remained the same as has the funds available to purchase them, but the price of the awards has increased to a marked degree.

Three solutions were given: (1) Eliminate the awards. (2) Find a way to raise more funds. (3) Find someone else to sponsor the awards.

Since there is apparently no way to add to the present student body fund and since complete elimination of the awards is not the aim, members of the student senate sought to get the three departments—athletic, speech, and music—to assume the sponsorship of the awards. The department heads have expessed a willingness to cooperate.

It is significant to note Northwestern is the only college in the state at which the students sponsor such awards.

No effort was made to do away with the student council, student senate, cheerleader, and Purple Jackets awards since obviously they are under the student body and no particular department. In other words, if the student body did not give the awards, no one would.

The question of the awards, should they be put before the students, will come up in the amendment election later in the semester.

(Note—Communications or comments from the student body or faculty on any subject are always welcome. All letters must be typewritten and must be signed, although signature will be withheld on request. No letter will be returned unless called for personally. —Editor)

THE CURRENT SAUCE

Entered as second class matter at Natchitoches, Louisiana.
Current Sauce is published weekly, except during holidays and test weeks by the Student Body of Northwestern State College.

Griffin And Finley Vie For Editorship Of Current Sauce

By JOE SALTZMAN

Two of the three students filing intentions for editor of the Current Sauce were approved by the publication subcommittee at a special meeting Tuesday afternoon.

Candidates for the editorship of the college paper who were found fully qualified are Frances Griffin and Don Finley, both journalism majors here at Northwestern.

Disquafilied because he did not have an overall C average was James "Red" King, physical education major from DeRidder.

Miss Griffin, a junior from West Monroe, is serving in the capacity of feature editor of the Current Sauce this year. She worked on her high school paper, and has also done some work on the Natchitoches Times. She was recently elected vice-president of Theta Sigma Upsilon social sorority and was a member of the Pannhellenic Council this past year. In a statement to the Sauce yesterday Miss Griffin said, "If I am elected, I will endeavor to publish a paper which will appeal to both students and faculty."

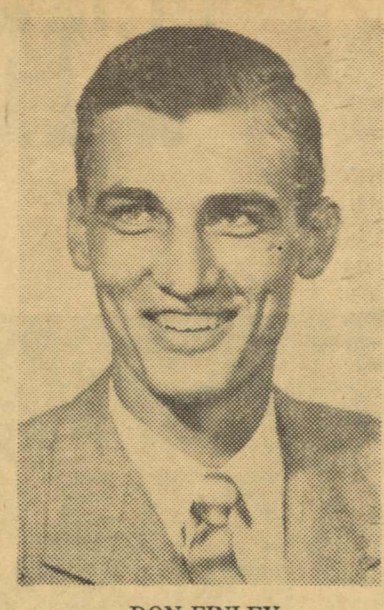

Don Finley, a junior from Olla, has been on the Current Sauce staff for the past two years. Besides this he has worked on such professional papers as the Natchitoches Enterprise, the Natchitoches Times, and the Jena Times, of which he served as news editor this past summer. Don is active in student government on the campus, being a member of this year's Student Senate, and is a member of the Baptist Student Union.

Acting editor of the Sauce this week is Don Finley, who is editing his trial edition. Francis Grifin has chosen next week for her trial edition. These special editions are used as a basis to determine a candidate's capabilities.

The editor of the Current Sauce will be elected at a general student body election on April 14. Students are urged to consider the qualifications and the trial editon of each candidates in order to make an intelligent choice.

FRANCIS GRIFFIN

DON FINLEY

Council Minutes

The Student Council met at 5:45 on March 11 in the Faculty Room of Caldwell Hall with Leland Langridge presiding. Present were Leland Langridge, Ronnie Quinn, Winnie Dowden, Ben Singletary, Mary Sue Bellew, Lowell Starnes, Red Miller, and John Manning.

The Student Council decided to help collect money for the annual Red Cross Drive. A box will be placed in the Field House. On the nights of March 16 and 17 contributions will be collected from the dormitories. The dorm collecting the most money will receive a recognition award.

Lists are to collected by the council members to determine who wil receive the senior awards given each spring by the Student Council.

Of the proposed amendments sent to the Student Senate for consideration, only one passed. It was as follows:

Article II: (add) section 3-no person shall serve as a member of more than one branch of student government simultaneously.

The meeting was adjourned at 6:30 p.m.

Respectively submitted
MARY SUE BELLEW

YWCA Holds Meeting Thursday Night At 6:30

The YWCA held its meeting last Thursday night at 6:30 in an atmosphere of fun. A party was given for both old and active members.

The group was very interested to learn that Southern University is sending a representative to the European Workshop, which Sue Wheat attended last summer.

Mrs. Weber wishes to express her regrets on having to drop the sponsorship of the YWCA. Mrs. Weber was instrumental in sending a representative to the European Workshop from NSC last year.

Senate Minutes

A special meeting of the Student Senate was held in the Faculty Room of Cadwell Hall Tuesday, March, 10 at 8 p.m. Seventeen were present and four were absent.

The minutes of the previous meeting were read by the secretary. A motion by Martha Ann Leach, seconded by Mike Bellipanni, called for the approval of the minutes. The motion passed.

A report from the Committee on Awards was given by Rudy Berlin, chairman. Rudy stated that the question had been discussed considerably from angles and that it was decided best to cut out all awards except those given to Student Council members, Senate members, Purple Jackets, and Cheerleaders. Rudy further stated that the heads of the respective departments, except the Speech department, had been interviewed and inquiries had been made as to the possibility of each department's financing its own awards. He reported that Mr. Dwight Davis and Mr. Sherrod Towns of the Music department thought there was such a possibility.

Don Finley stated that he had contacted Mr. Guy Nesom and Mr. Harry Turpin and that they "saw no reason why the Student body should pay for awards, but that more thought would e given to the problem."

A motion by Ed Bacillia, seconded by Mike Bellipanni, called for the acceptance of the award committee's recommendation. The motion passed.

Don Finley moved that the Senate propose an amendment to the constitution to omit numbers 3, 5, 7, and 8 of subsection a, Section 3, Article VII. The motion, seconded by Anne Torrans, passed, Rudy Berlin moved that the senate proposed amendment to the Consitution be sent to the Council for approval. The motion, seconded by Mike Bellipanni, passed.

In answer to Hardy Rose's inquiry concerning the date of the Variety Show, Jack Sharp, chairman of the Variety-show committee, stated that a definite date had not been set.

Anne Hungerbeeler announced that work on the 1953 Student Hardbook had been started, and that possibilities of revision had been drawn up.

After much discussion on the change of time for movie showings and its possible effect on attendance at the moves, Cecil Nielson moved that the time of 7:30 p.m. be set on all movies except by Mike Bellipanni, passed after further discussion.

A motion by Anne Hungerbeeler, seconded by Jack Sharp, called for the adjournment of the meeting. The motion passed and the meeting was adjourned at 9:14 p.m.

Respectively submitted,

JOE SALTZMAN
Secretary

Selective Service Deadline March 9

National Headquarters of Selective Service today reminded college students that applications for April 23, 1953 Selective Service Qualification Test must be postmarked not later than midnight March 9.

The deadline is necessary to allow the administrators of the tests, the Educational Testing Service at Princeton, N. J., time to process the applications and assign each aplicant to the testing center, of which there are 1,000, requested by the student—or to the closest possible alternative center. This will be the last tests given during the current academic year.

Aplication blanks may be obtained by students from the nearest local board. They do not have to return home to local board which has jurisdiction over them.

To be eligible to take the Selective Service Qualification Test, an applicant, on the testing date (1) must be a selective service registrant who intends to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course—undergraduate or graduate—leading to a degree; (3) must not previously have taken the test.

The present criteria for consideration for deferment as a student are either a score of 70 or better on the Selective Service College Qualification Test or class standing among the male members in the upper half of the freshman class, upper two thirds of the sophomore class or upper three fourths of the junior class Seniors acepted for admission to a graduate school satisfy the criteria if they are among the upper half of the male members of their senior class, or they make a score of 75 or better. Students already enrolled in graduate schools may be considered for deferment so long as they remain in good standing. Presumably, these criteria will be tightened "all up and down the line."

The criteria are guides for the local boards. The local boards are under no compulsion to follow them, but any local board classification is subject to appeal. The appeal must be filed in writing with the local board within 10 days of the date the local board mails the notice of classification.

Many students have been confused in differentiating between the I-S and II-S deferments. The II-S deferment is considered on the basis of class standing or qualification test and is discrettionary on the part of the local board.

The I-S deferment, on the other hand, is provided for by the law. A college student ordered to report for induction while he is satisfactorily pursuing a full-time course is entitled to this I-S deferment until he finishes his academic year provided he has not had his induction postponed or been deferred as a student prior to June 19, 1951. He may be given but one such deferment and it is incumbent upon him to notify his local board of his status when he receives the order to report for induction.

Men Beware—March 25!
It's Coming !!!

Society

Sigma Sigma Sigma

Tuesday night the Tri Sigmas held their regular meeting. At this meeting the officers for the coming year were elected. They are as follows: Polly Hays, president; Dee Thompson, vice-president; Sue Harville, recording secretary; Joan Evans, corresponding secretary; Barbara Sue Stephens, treasurer and Annette Cook, keeper of grades

We are looking forward to another successful year under the leadership of this fine group of officers. Polly Hays will also be the Panhellenic president next year.

Congratulations go to Polly Hays, who was chosen as one of the new Purple Jackets.

Last minute plans were made for the Tri Sigma Spring Formal. An announcement that all willing hands would find work over at the house at all times was made.

A long newsy letter from an alumni, Rowena Taliferro Merrill, was read to the group. Rowena told how much she enjoyed the news letter sent to all the alumns by Mary Ann Cronin, Billie Payne Daugherty, and Mrs. Guy Nesom.

Our thanks go to Liz Wingate, another alumn, for the nice gift she presented to the Alpha Zetas. Needless to say, if came in very handy in view of the Spring Formal.

The date for the iniation of the pledges who took the pledge test last Thursday was set for the week preceding mid-semester examinations.

The Sigmas discussed plans for the annual Founders' Day Banquet to be held in April.

Pi Kappa Sigma

Tuesday was a big day for the Pi Kaps. Among the activities of that day was the initiation of six girls. They are: Carolyn Alexander, Sudie Loomis, Polly Linsley, Virgie McGuffee, Clydean Madden, and Bobbie Patterson.

Following the iniation, Nelda Jenkens was formally pledged. All the actives and pledges were glad to welcome Nelda into our sorority.

We congratulate Millie Stephens upon being called into the Purple Jackets, also for having had the feminine lead role in the recent production, "Night Must Fall".

Congratulations to Nelda Jenkens who is wearing a diamond from Charles Eyre now stationed at Fort Linwood, Missouri. Charles is a former student of NSC.

The Pi Kaps were glad to have Lynn Rutledge, now of Sulphur, visit them last weekend.

We would like to congratulate the new officers of Pi Kappa Sigma and wish them a very succesful term of office.

Alpha Sigma Alpha

Congratulations go to two of our ASA girls, Wanna Beth Sanders and Anne Hungerbeeler, who were called into the Purple Jackets. We are extremely proud that they received this honor.

The new ASA officers began their duties last Tuesday night and are doing a fine job. Of course, the main subject discussed at the meeting was the spring formal. Everyone is busily working on plans for it; April 18 will be the climax of the many plans, work, and worries for the dance.

Tuesday's meeting was the scene of the election of sandwich chairmen. They are Ann Nash and Nancy Broadnax.

Ann Hungerbeeler has added another feather to her cap. She will be the 1953 Potpourri editor. Congratulations, Ann.

Delta Sigma Epsilon

The Delta Sigs increased their number by two Tuesday aftenroon in an impressive and lovely initiation ceremony, when Juanita Hartwell and Jane Williams were admitted into our circle of sisters.

At our regular Tuesday night meeting, we decided that Fay Book would be our representative at the Tri Sig spring formal, and further plans were made for our own formal on March 21. Good luck to Toby Livingston who was elected as our candidate for Campus Cover Girl.

To be selected as a member of the Purple Jackets, an organization dedicated to service for others, is indeed a distinction and privilege We offer congratulations to Chick Gabbert for having received this honor.

The chicken spaghetti supper given by our sponsor for the old and new officers was certainly enjoyed b yall. Miss Farris, that home cooking surely tasted good!

Over The Rainbow Theme Of Tri Sig Dance Tonight

The theme of the Tri Sigma dance, to be held Saturday, March 14, from 9-12 o'clock in the Student Center, will be "Over The Rainbow." It will be correlated with the 25th anniversary of the chapter here on the campus. The decorations will center around a pond and rainbow with the traditional violets and a gaint birthday cake with twenty-five candles.

For the first time since the dance began, the Tri Sigma man wil lbe presented. He was elected by secret ballot. New officers will be formally presented.

Several alums are expected, among which are Dr. and Mrs. Duffy and Mr. and Mrs. Nesom.

Music will be by the Demonaries.

CAR CONVENTION SET FOR NATCHITOCHES MAR. 20-21

The fifth annual convention of the Louisiana Society of the Children of the American Revolution is to be held in Natchitoches on March 20 and 21.

On Friday the agenda includes official registration at the Hotel Nakatosh and Stunt Nite. On Saturday a business meeting will be held in the high school auditorium, luncheon in the field house private dining room and as a grand finale a tour of historic spots of Natchitoches.

Seventy members from the ten state societies of New Orleans, Baton Rouge, Lake Charles, New Iberia, Lafayette, Alexandria, Winnfield, Shreveport, and Natchitoches are expected.

State Senior President is Mrs. J. Kuhn of New Orleans. Senior President of Natchitoches is Miss Mary Robson.

Sorority Presidents

RECENTLY ELECTED presidents of sororites at Northwestern are shown above. Reading top row, left to right; Betty Sue Boydstun, Theta Sigma Upsilon, and Polly Hays, Sigma Sigma Sigma. Bottom row, left to right: Martha Ann Leach, Delta Sigma Epsilon; Katherine Elliot, Alpha Sigma Alpha; and Patsy Winkler, Pi Kapp Sigma.

Northwestern Turns Into Dogpatch For Sadie Hawkins Dance March 25

Women, if you're having trouble catching you a man, here is your opportunity of a lifetime. Northwestern Campus will be transformed into Dogpatch at 6:00 o'clock Wednesday, March 25, for the purpose of a Sadie Hawkins race and dance. Many peculiar characters will be noted, as costumes of the Dogpatch characters will be in order. Marrying Sam will be on hand to join the lucky lady and her unlucky catch after the race for the dance which will follow.

The race will begin at 6:00 o'clock on the Elementary School playground. All the Lil' Abners, Pappy Yokum's Hairless Joe's, and many others will be given a head start. Then the Daisy Mae's Mammy Yokum's, Wolf Girl's, and all the rest wil lchase the man of their choice. After catching her man, the girls must drag or otherwise escort her man back across the starting line. There Marrying Sam will give the lucky couple their papers to entitle the man the privilege of escorting his captor to the dance. The dance will be from 6:30 to 8:15 in the Field House; and will feature a floor show brought especially from Dog Patch for this event.

Prizes will be awarded for the best dressed Lil' Abner, Daisy Mae, and any other girl character and male character in the comic strip.

The Recreation class under the direction of Mrs. Melba O'Quinn is in charge of this event. All students are invited to attend as their favorite Dog Patch characters.

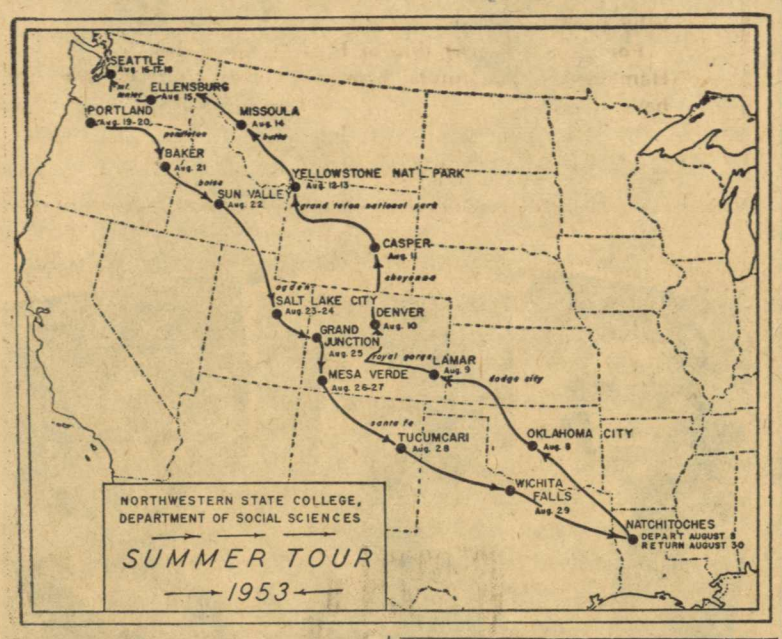

Test CAMELS for 30 days for MILDNESS and FLAVOR

THERE MUST BE A REASON WHY
Camel is America's most popular cigarette—leading all other brands by billions! Camels have the two things smokers want most—rich, full *flavor* and cool, cool *mildness*... pack after pack! Try Camels for 30 days and see how mild, how flavorful, how thoroughly enjoyable they are as your steady smoke!

More People Smoke CAMELS than any other cigarette

Summer Educational Tour To Cover 6,000 Miles Thru Western States

Northwestern State College's annual summer educational tour this year will swing in a wide loop up through some of the nation's most-colorful regions from Natchitoches to Seattle, Wash. and return, covering some 6,000 miles and lasting almost a month, NSC social science sources announced this week.

This is th third year such tours have been available to students, teachers and others intereseted in a close look at the United States with principal geographical and historical spots of interest getting the emphasis.

The tour will leave Natchitoches at 6 a.m., August 8 on a modern air-conditioned Trailways "Silverliner" and will return August 30.

Designed primarily for teachers and students of geography, but welcoming any interested persons, the tour will be conducted this year by George A. Stokes and LeRoi Eversull, assistant professors in the NSC social science departmn.

Academic credit in geography may be obtained for the tour if the traveler desires, the conductors said Cost of the tour is $225. This will take care of all transportation, lodging and tips for 22 nights in hotels, planned sightseeing, insurance, registration fee for the courses, and special entertainment arranged by the tour company.

Scenic highlights of the trip include the Royal Gorge, Pikes Peak and the Garden of the Gods in Colorado, Yellowstone and Grand Teton National Parks, the rich Yakima Valley of Washington, Mt. Rainier National Park, shipyards of Tacoma, Wash. and Portland, Ore., the Columbia River scenic route, Sun Valley, Idaho, the varied sights of Salt Lake City, Utah, and Mesa Verdo National Park, Colorado.

Three From Northwestern Elected to BSU Council

Three Northwestern students have been elected to the state Baptist Student Union council. They are Barbara Jean Edwards, Dot Thomas, and Byron McCain.

The selection of the officers came last Saturday at a meeting in Alexandria of the present state council, which was attended by two representatives of the Northwestern BSU, Claudine Box and Charles Holloway.

Miss Edwards was elected social chairman on the state council, Miss Thomas annual representative, and Mr. McCain music director.

Northwestern students retiring from the council are Winnie Dowden and Claudine Box.

Twenty From NSC Attending State Methodist Meeting

Twenty Methodist students from Northwestern are attending the Louisiana Methodist Student Movement Conference in Lafayette this weekend.

Outstanding speakers in the conference include Rev. R. C. Singleton of New York, who is secretary of the student work in the Board of Missions of The Methodist Church, and Dr. James W. Workman of Little Rock, Ark., who will be the main speaker on the conference theme, "What Do Ye More."

Dr. Workman, on the writing staff of several Methodist publications, has the reputation of being one of Methodism's best educators and has spoken in many student Christian meetings.

The election of the conference leaders for next year and discussions on Christian vocations is also on the conference agenda. Miss Ann Adams, the NSC director, will lead a discussion on Religious Drama.

The Northwestern Methodist students will present an orginal drama of the world-wide program sponsored by the Methodist Student Fellowship fund.

Attending from Northwestern are Betty Boydstun, Ann Adams, Gail Epperson, Bob Tatum, Delano Brister, Donald Fuller, Yvonne Welch, Ruth Iris Schech, Richard McBride, Troy Grissom, Mickey Morrow, Connie Williams, Marilyn Blagg, Darlene George, Bobbie Curtis, Martha Stuchuik, and Nell Morgan.

Eight From Northwestern Attend Mission Confab At Fort Worth Seminary

Eight Baptist students from Northwestern attended a Mission Conference at the Southwestern Baptist Theological Seminary in Fort Worth, Texas last weekend.

Making the trip with the students were Miss Myra Gulledege, BSU director at Northwestern, Buford Crain, state RA director from Pineville, Gloria Schumaker, and Marjorie Jones, state WMU young people's secretary.

NSC students who attended the conference were Barbara Edwards, Eddie Spurgeon, Ray Teal, Winnie Dowden, Don Finley, Cindy Hodge, Harry Miley, and Adrian Averett.

The group left on Friday morning and did not return to Northwestern until Sunday afternoon.

29 NSC Students Tour Shreveport Journal Plant

Twenty-nine journalism and graphic arts students from Northwestern toured the Shreveport Journal last Monday observing the editorial and mechanical processes in the daily newspaper production.

The group, conducted by Roy G. Clark, head of the NSC graphic arts division, and John C. Merrill, assistant professor of Journalism, consisted of 15 graphic arts and 14 journalism students.

The students were conducted on separate tours through the plant by two members of the Journal staff. Both tours ended in the press room about 3 p. m.

Graphic arts students who concentrated their observations in the mechanical department and job shop were: Hunter Jenkins, Norman Stott, Jerry DeYeide, Harold Sullivan, James Epperson, Kenneth Everett, Kenneth Brister, Fielding James, Thomas Blankenship, Durwood McBride, Hubert Whatley, T. A. Frisch, John Maricelli, Jack Melder, and Tom Smith.

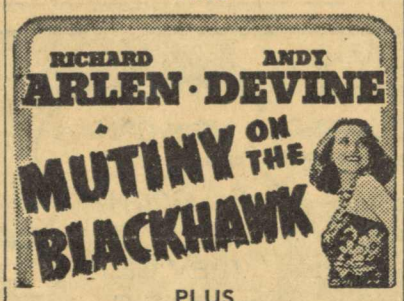

Journalism students who toured the editorial department as well as the mechanical were: Gerald Cook, Billy Plumb, John Batten, Jack Sharp, Bobbie Jo Thompson, Bob Dwyer, Francis Griffin, Guy Cheek, Lucian Spataro, Francis McLain, Don Sibley, Bill Smith, James King, and Albert Norsworthy.

Davis Acts As Clinician At Vivian High School

Dwight Davis, band director at NSC, yesterday visited Vivian High school, acting as clinician upon the invitation of Richard McCluggage, director of the Vivian band.

Davis worked principally on the literature to be used at the District II Music Festival to be at Northwestern March 21.

Last week, Davis acted as clinician with the Bossier City High school band, of which Kenneth Green is director. He reported that the band and director are doing a fine job at Bosier City.

Sallie Jo Foster Presents Senior Recital Wednesday

Sallie Jo Foster, senior music education major from Tallulah, was presented by the Northwestern Music department at her senior recital Wednesday evening in the Little Theater of the Fine Arts building.

Accompanying her at the piano was Wilbert Mason, sophomore music major from Shreveoprt.

Among the numbers sung by Miss Foster, who is a soprano, were "Jerusalem! Thou that Killest the Prophets," by Mendelsonn; "Mandoline," by Debussy; "Mi Chiamno Mimi," by Puccini; "In Wunderschonen Monat Mai," by Schumann; "Heiden-roslein," by Schubrt; and "Bird of the Wilderness," by Horsman.

Approximately 75 people attended the recital.

Cambridge Team To Debate Here Wednesday Night

The Cambridge Debate team, of England, which is touring the country, is scheduled to meet two Northwestern debaters, Ann Torrans and Dave Kendrick on Wednesday, in the Fine Arts Auditorium.

The Cambridge team is composed of Peter Mansfield, and Alistair Sampson, of Winmbledon, London. Mr. Mansfield is a member of the Labour Party and Mr. Sampson designates himself a mild Socialist.

The event is scheduled for 8:15 P. M. in the main auditorium of the Fine Arts Building. All students, faculty, staff and friends are cordially invited to attend the debate. There will be no admission charge.

3 Naval Officers Set To Interview Seniors Wednesday

A group of three Naval officers will be on the Northwestern campus next Wednesday to counsel with graduating seniors on opportunities for a commission in the U. S. Naval Reserve, it was announced recently by Commander J. E. Halter, Jr. officer in charge of the Navy Recruiting station and Officer of Naval Officer Procurement in New Orleans.

LCDR M. B. Wheeler, USN, of the New Orleans Air Station representing the Naval Aviation Cadet Program, Lieut, Noreen Maloney, USN, for WAVE Procurement, and Lieut. Paul L. Armbrecht, USNR, for the Officer Candidate Program, will be available at the school in location to be designated to assist students who desire to apply.

Counseling will start at 9 a.m. Wednesday. Senior students, within 120 days of graduation, can apply for a commission in the Naval Reserve for immediate duty through the OCS program which offers the commission of Ensign following successful completion of a four-month course at Officers Candidate school in Newport, Rhode Island.

Commissions in the WAVES are also available to women in their senior year. Men with two years of college may apply for the Naval Aviation Cadet program leading to a commission.

Eugene Christmas Named King Of Bunny Hop Ball

Eugene Christmas was named King of the AWS Backward Dance held last Saturday night in the Field House, being crowned by Lora Faye Kemper.

Members of Christmas' court were Sammy Wilson, Jack Bice, John Duke, Charles Chauvin, and Curtis Hoagland.

Theme of the dance was "The Bunny Hop". The crowning of king was the highlight of the night.

Girls' tag was the order of the night, and the women took full advantage of the privilege. Other than having the right to tag, girls had to furnish their dates with corsages appropriate to their personality.

Music for the dance was furnished by the Demonaires, who were complete with detachable bunny ears.

Open Until 10:00 p. m.

It's the size of the FIGHT in the man!

That's right! In the U. S. Air Force, it's not the size of the man in the fight—it's the size of the FIGHT IN THE MAN! And Aviation Cadets *must* have plenty of it. For Cadet training is rugged. If you're good enough . . . tough enough . . . smart enough . . . if you can take it while you're learning to dish it out, you can have one of the most fascinating careers in the world. You'll be equipped to fly the latest, hottest planes. You'll be prepared to take your position as an executive, both in military and commercial aviation as well as in industry. And while you're helping yourself you'll be helping your country.

WIN YOUR WINGS! It takes little over a year to win your wings as a Pilot or Aircraft Observer (Navigator, Bombardier, Radar Operator or Aircraft Performance Engineer). But at the end of your training you graduate as a 2nd Lieutenant in the Air Force, with pay of $5,300.00 a year.

ARE YOU ELIGIBLE? To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a minimum requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

New Aviation Cadet Training Classes Begin Every Few Weeks!

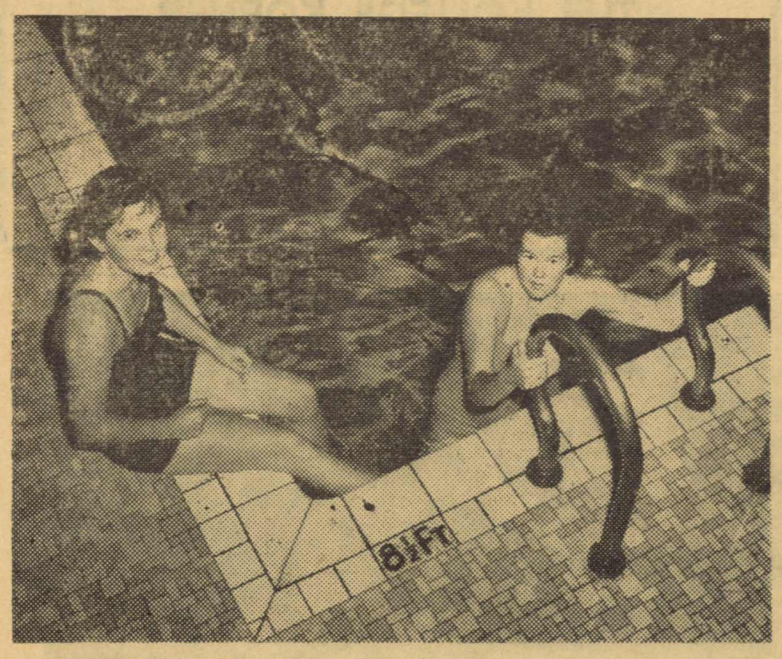

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will give you a physical examination.
3. Next, you take a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS:
Visit your nearest Air Force Base, Air Force Recruiting Officer, or your nearest Air Force ROTC unit. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

Senior Women's SAAU Meet Held On Northwestern Campus

SHOWN ABOVE are two Northwetern girls who are competing in the SAAU Women's meet on the NSC campus this weekend. Virginia Metcalf is shown sitting on the edge of the pool and Gloria Hodges is coming out of the water

From all over the United States flock women swimmers to the NSC campus for the 1953 SAAU Women's Open Swimming, Diving, and Synchronized Championship Meet and Synchronized Clinic which started yesterday and will continue through tonight. This meet will feature some of the outstanding women mermaids in the country.

To date, the following entries have been received and have already taken their splash in the Northwestern Natatorium: Crystal Pool Aquatic Club, Bellaire, Texas; Natchitoches Natatorium High School girls; The Cork Club and Hamilton Jr. High School, both from Houston Texas; Minden High School Girls Team, Minden, La.; Audubon Girls Team, New Orleans; KRNT Radio Station Girls Team, Des Monies, Iowa; Girls' Team of Little Rock Boys' Club; Catalina Club from Dallas Texas; Northwestern State College; Texas State College for Women Aquatic Club, Denton, Texas; Sam Houton Girls' Team; American Red Cross, New Orleans, La.; Delta State College Teachers, Mississippi, and others.

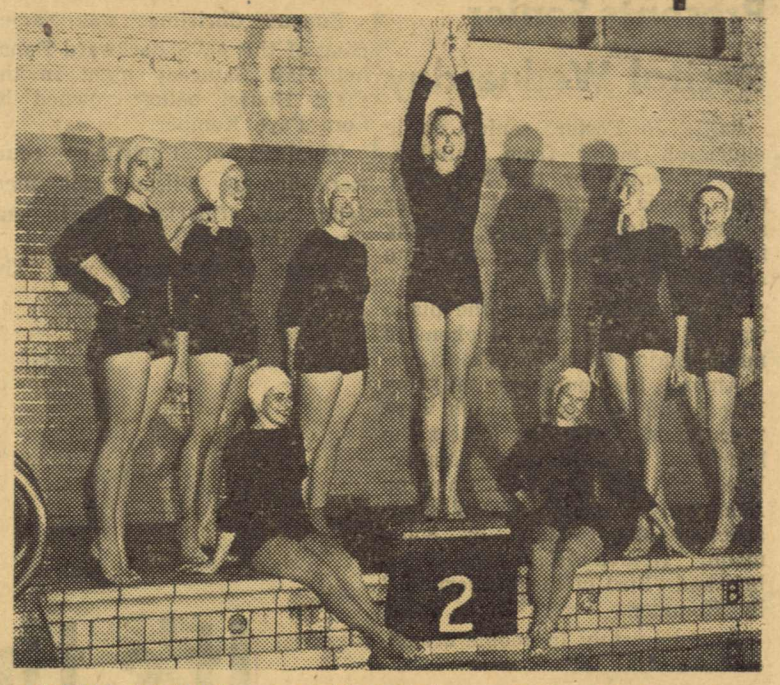

Competition in this meet is keen as was shown in yesterady's swims. A number of outstanding AAU title-holders will hit the water as part of the above teams.

The two-day aquatic program began yesterday morning with registration at the natatorium. At one o'clock, Beulah Gundling National AAU Outdoor Solo Synchronized Champion, 1950-51-52, presented a demonstration of stunts used in synchronized swimming and conducted a workshop in synchronized stunts. Preliminaries in the 100 yard freestyle, 100 yard individual medley and 400 yard freestyle relay took place. The finals in these events took place last night at 8 o'clock.

This morning Mrs. Gundling discussed "Music and Choreography of Synchronized Swimming," and conducted a clinic in the "Mechanics of Officiating Synchronized Swimming."

Competition this afternoon will began with the preliminaries in synchronized team, duet, and solo swimming, at one o'clock. The preliminaries of the 50 yard freestyle, 100 yard breaststroke, 220 year freestyle, and 100 yard medley realy and diving start, will get underway at 4:00 p.m.

Finals in the above events begin at eight o'clock tonight. The concluding event of the clinic-meet will feature Beulah Gundling swimming a solo synchronized exhibition titled "Thunderbird." Mrs. Cundling composed "Thunderbird" esspecially for the 1952 Olympic Games, Helinki, Finland.

SHOWN ABOVE are eight members of the Northwestern girls swimming team who are participating in the SAAU Women's Open Swimming, Diving, and Synchronized champi ionship meet and Synchronized Clinic on the NSC campus yesterday and today. Standing left to right are Francis McLain, Lyria Lawrence, Gloria Hodges, Toby Livingston, Joan Evans, and Erma Freeland. Sitting left to right are Pom Frary and Claudia Williams.

Camp Polk Faces NSC Baseballers In Season Opener

Northwestern State College baseballers will open their 1953 season, tomorrow afternoon, when they journey to Camp Polk to meet the Armardillos at 2:00 p.m. This game is merely an exhibition before the Demons start tackling regular college and conference teams. They begin ther home stand, Tuesday, March 17, at 3:00 against these same service men.

Work-outs have been limited due to the continued rains. Not too much can be said about the outcome of this afternoon's ball game, except that Coach Brown will get a chance to see some of his new talent in action.

The starting line-up for the ball game will be as follows:

Roy Fair, catcher; Gale Hearn, Charles Wood, and Gordon Zabosky, pitchers (each work three innings); Bob Weaver, first base; Sammy Booras, second base; Archie Worsham, short-stop; Bob Schemerheim, third base; Pat Lyons, left field; Johnny Emmons, center field; and Lester Deville, right field.

The line-up for the home game Tuesday afternoon will be varied in these positions:

Doug Logan, Miguel Pachoe, and Morris Bruce, pitchers (each will work three innings); Jerry Lavespere, and John Clements will be in the outfield with Johnny Emmons; and M. D. Ray will manuver from the short-stop spot.

Entries Swell List For 1953 NSC Relays

Entries swell for the 1953 Northwestern State College Relays to be held on the campus March 28. Already the list of 41 high school and 7 colleges shows signs of mounting to exceed the number of entries entered in years before. And while more entries come into Coach Walter Ledet's office, the Demons are preparing to open their season in a Triangular meet against La. Tech and Southeastern, here next Saturday afternoon.

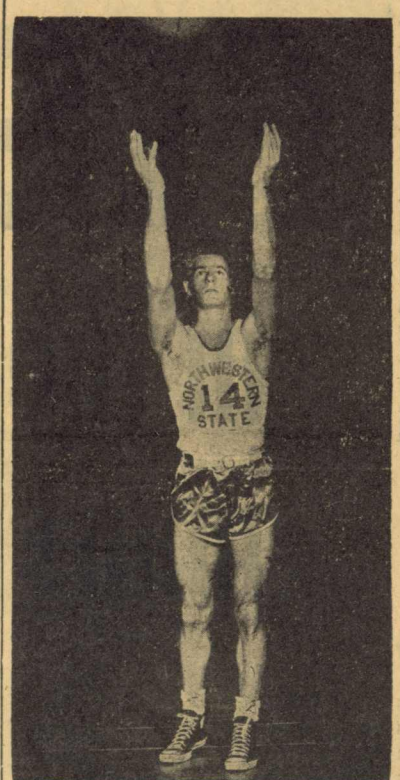

Coach Ledet is skeptical about the condition of his trackmen. Bad weather with continued rain makes it almost impossible to run the cinder paths in practice. Workouts have been limited considerably.

This year's total of 51 teams already exceeds that of last year when there were 41 schools taking part in the meet, with more than 600 contestants. The meet will be divided into four classes AA, A, B C, and the college division.

Entry blanks which have already inundated are as follows: Class AA —Ouachita, Bastrop, Bossier City, Fair Park, Byrd, Bolton, Haynesville, Sulphur; Class A—Many, Vivian, Oakdale, Marion; Class B— Cecilia, Boyce, Basile, Zwolle, Rosepine, Kentwood, Vinton, Ringgold, Plain Dealing, Sarepta, Mamau, Ferriday, Buras, Merryville, Kenner, Columbia, Marthaville, Bordelonville; Class C— Converse, Campti, Beinville, Eastherwood, Pelican, and Longville.

Announcement

The annual Free Throw Contest will be held Thursday, March 26, at 6:15 p.m. Enteries will be taken at the Intramural office until the time of the contest.

KEN SHAW

Ken Shaw Honored On GSC Cage Team

Northwestern's Ken Shaw, Demon ace pivot man, was slected to the 1953 Gulf State Conference all-star team. Bill Collinsworth notched a second team position and James Thomas and George Davis received honorable mentioned.

Shaw is th tallest man on the mystical team. He racked the nets for a total of 490 points and an average of 15.6 points per game. He ranked third in the conference in that respect. The Northwestern center has been a sparkplug since he joined the team last season. He became eligible at mid-semester. He went on from there to place among the league leaders with a 18 pt. per game average. Shaw hails from Holton, Indiana.

Bill Collinsworth, scrappy little guard, gained more vites than any other member of the GSC team. Bill garnered 2 first places, 3 seconds, and 1 third. In the overall season, he has scored 300 points for a 9.3 average. Collinsworth calls Bryceland his home, and has proved to be a standout in the last stretch drive put on by the Purple and White.

George Davis and James Thomas, the two Demon honorable mentions, both proved their worth in this season's play. Davis is known as the swifty cager who loves to drive to the baskets, while Thomas is better on the back-boards and guarding assignments.

'53 NSC Swimmers Boast Best Record In Several Years

The 1953 edition of the varsity swimming team, boast the best record any Demon squad has had in quite a few seasons. Th Purple and White tankmen finished with a six won, 1 lost, 1 tie record, and a fourth place spot in the Southern Regional Swimming competition.

Included in the NSC schedule were two of the finest teams in the Southwest, Texas University and Southern Methodist University. SMU was defeated by the Demons mermen, 45-39, and the "powerhouse" of the Texas conference scrambled to a 42 - 42 tie with Northwestern State. Texas A & M college fell to a double loss in two dual meets.

Nine pool records were broken and re-broken during the season. Five of these records were set by the Demons. Seven college records were smashed by the local webmen. Every meet proved to be a standout with records set in each contest. The calibre of swimming this season was indeed high with times being constantly lowered by the Demon squad.

Captain Myron Lockey and Fresh Tommy Kehoe of New Orleans, proved to be this year's outstanding members of the team. Lockey finished the season with an undefeated record in the Breatstroke, while Kehoe won honors as the Southern Regional Champion in the 220 Yard Freestyle. Kehoe proved his supremacy both in the middle distance and 100 Yard Freestyle by securing place in every dual meet of the year.

The Demon 300 Yard Medley team composd of John Cunningham Myron Lockey, and Tommy Kehoe, smashed the old college and pool record several times this season. This combination now hold the college and pool record for this event in the fast time of 3:05.7. The 400 Yard Freestyle Relay team, consisting of Dean Clark, Dennis Rider, Lyle Dillman, and John Cunningham also repeated the performance of th medley realy trio by winning and presently holding the college and pool record with a sizzling 3:35.8 mark.

SINGLE GAME RECORDS

Ind. Points Scored by Collinsworth against La. Tech (FG, 8-FT 15). High team points scored against Northwest La. College (FG 38-FT 15-TP 91). Low score by opponents. McNeese State College (FG 10-FT 26-TP 46).

THE JONESBORO-HODGE BASKETBALL TEAM which captured the State Class A title here last week-end by defeating a game Newman five 57-44 in the finals. The Tigers had too much height for Newman which gave them most of the rebounds and spelled the difference in the two teams. On the front row are, left to right, Bond, Montgomery, Freeman, Ford, Ayers and Brown. On the back row are T. Bond, Dareick, Rogers, Walpole, Parker, Black and Coach Harold Haile.

Seven-foot Basketball Wizard To Attend Northwestern

THE NORTHWESTERN GYM TEAM, under Coach John Piscopo, is preparing for two meets in the near future, the SWAAU in Fort Worth on March 28 and SAAU at NSC in April. Pictured in the first row left to right are Duke, Hyams, Velez, Sanders, Laroux, Gresham, Batten, Noto, and Hicks. Back row, left to right: Coach Piscopo, Batten, Willis, Barber, Dickerson, Wilson, Sharp, Mercer, Duhon, Branch, Walton. Gresham and Duhon are no longer members of the team.

Towering Lavelle (Loopy) Langston, seven-foot basketball wizard from Pollock, announced this week that he will attend Northwestern State college and will begin his school work here this summer.

The 18-year old hook shot artist, who looped in an average of 23 points per game this season, was instrumental in leading his Pollock high school team to five championships. He shoots his deadly hook shots with either hand.

Langston said that he always liked Northwestern State College. "I like the people there and they like me," he said. "I am looking forward to getting a good education at Northwestern and to playing lots of ball," he added.

"Loopy", a jovial, witty 195-pounder, takes his height good-naturedly. In fact, he seems very proud of his seven-foot frame. He said he hopes he can gain 15 or more pounds.

"They've been knocking me around under the basket all year. I want a little more weight so I can knock a little too," he smiled. He also thinks he will grow a little taller. "I believe I may pick up a few more inches before very long," he said.

The Pollock high school senior is extremely agile for a boy his height and hits the basket with amazing consistency. He is a good team man, however, and is far from an excessive shooter. His accurate shots seldom hit the backboard, but zip neatly through the nets almost on an even projectory.

Langston, whose height and ability in basketball has made him a much sought-after player by many colleges and universities in the South, said he wanted to major in upper elementary education.

His Pollock High School team played 59 games this year and won 51. The cagers won the Grant Parish and League championships, the Central Louisiana title and the Block (Jonesville) tournament. Langston scored 38 points in one contest this year.

NSC Gymnasts Prepare For Two Maor Meets

Northwestern's Demon gymnasts began drilling for their competitive season this week. Two major competitive events are on the schedule for the Demon apparatus men. The Southern AAU senior championship will be held on the local campus, April 16th. The Southwestern AAU championships will be attended by the team March 28th at Fort Worth, Texas.

The squad is bolstered by 11 returning gym team men along with several ne wadditions. Captain Harold Laroux and Robert Sanders will represent the squad in the All-around events. Shelby Brooks will hold the number one berth in the flying rings. Pedro Velez, four year letterman will be NSC's standout on the parallel bars.

The Demon gym men will be seeking their fourth Southern AAU title with meeting of gymnastic teams throughout the southern territory on April 16, here in Natchitoches. The meet is open to all registered athletes in the SAAU. There will be an entrance fee of 25 cents and no entry will be accepted without the fee.

Trophies will be awarded to winners of all-around and team championships. Gold, silver, and bronze medals, emblematic of the Southern Championship, will be presented to 1st, 2nd, and 3rd place winners. Teams will be limited to not more than six entries per event.

Jonesboro Tigers Notch 57-42 Win For State Title

Jonesboro high school won the '53 Class A cage rally held on the Northwestern State campus last week-end. They defeated a surprise finalist Newman quintet 57-42 for the title.

Newman had jumped into the championship round with victory over the pre-tournament favorites, the Jena Giants. However, they were unable to cope with Jonesboro height, losing most of the rebounds to the Tigers.

In girls Class A competition, Oak Grove of West Carrol parish edged Winnsboro 34-32 in a closely-contested tilt for the women's title.

The Newman five, although never catching the Jonesboro Tigers, did manage to pull to within four points of them with six minutes remaining. At this point, the Tigers chose to freeze the ball and gradually added to their lead until they commanded a 13 point margin at the close of the ball game.

High scorer for Jonesboro was J. Brown with 13 points. Stanley Stumpf led Newman with the same number.

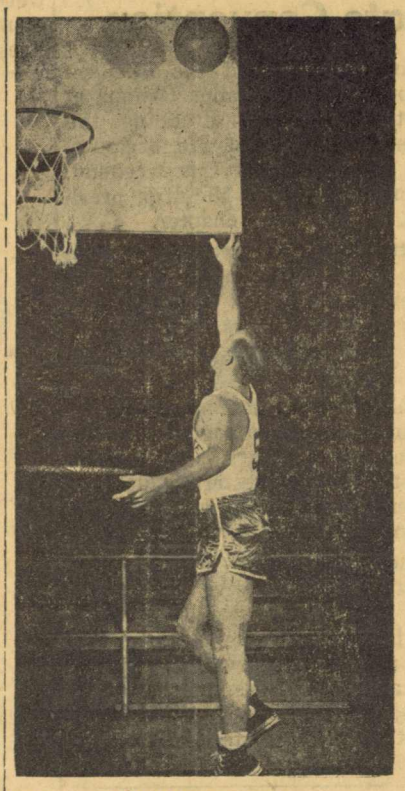

NORTHWESTERN STATE COLLEGE

1953 Track Schedule

March 21: SLC—La. Tech—NSC Natchitoches—Day.
March 28: NSC Relays—Natchitoches—Day.

April 23: SLC—LC—McNeese—NSC. Hammond—Day.
April 29: La. Tech—SLI—NSC—Lafayette—Night
May 9: GSC Meet, Ruston—Afternoon and Night.

NOTICE

There will be a very important Intramural Council meeting Monday, March 16 at 6:15 p.m. The meeting is for the purpose of discussing sport nite and the Intramural free throw contests.

BILL COLLINSWORTH, ace Demon ball handler, captured more votes than any other man on the GSC second team. Bill hails from Bryceland and has proven to be a good man in the clutch. He has a total point average of 9.3 per game.

Texas Aggies Fall To Demon Webmen By 44-40 Margin

Coach John Piscopo's 1953 Demons swimmers closed one of their most successful season, by downing the Texas A & M Aggies at College Station, Texas Monday aftennoon, 44-40. This victory marked the second time Northwestern has beaten the Texas team this season.

The Purple and White tankman captured the two relays, four first places, three third, and three fourth positions to send the Texans to defeat. Myron Lockey and Tommy Kehoe once again paced the mermen to their win.

The contest put a cap on the 1953 schedule which saw the Northwesterners win six, lose one tie and come out fourth in the Southern AAU regional meet. Noteworthy was the fact the Southwest conference oponents failed to trip the Demons. The Natchitoches boys tied one and conquered all the others.

Men Beware—March 25!
It's Coming !!!
WednesdayMarch 25 ? ? ? ?
Ladies your opportunity is nearing!

Women Students To Elect Officers Wednesday Night

Officers of the Northwestern Associated Women's Students will be elected next Wednesday night at an assembly of the women students in the LVE room of the Library.

Those who have thus far been nominated by the executive council of the AWS are: president, Eddy Gene Elliott and Patsy Winkler; vice-president Wanna Beth Sanders and Bea Rumsey; recording secretary, Barbara Evans and Virgie McGuffee; corresponding secretary, Mary Sue Bellew and Darlene George; treasurer, Annette Cook and Faye Dell Johnson; publicity, Betty Carter and Frances McLain; and social chairman, Alcidie Thompson and Barbara Brittain.

Nominations for the various offices will also be accepted from the floor at the assembly. Candidates for the offices must have a C average.

5 Attending Delta Kappa Gamma State Convention

Five members of the Epsilson chapter of Delta Kappa Gamma at Northwestern are attending the state convention of the organization in Shreveport this weekend, reports Miss Mary McEniry, president of the local chapter.

Attending the two-day convention in the Washington Hotel in Shreveport are Dr. Sarah Clapp, Miss Edna Day, Mrs. Jewel Jones, Mrs. Claire Cheeves, and Miss Isa Dee Page.

Delta Kappa Gamma, an international club, is an honorary organization for teachers. The Epsilon chapter at Northwestern, which has a membership of 62, was established in 1936.

The convention opened last night with an executive board meeting. Registration was this morning followed by the morning session at 9:30. Following the luncheon and second session this afternoon, a banquet will be held tonight in the Chrystal Ballroom of the Hotel.

"A Bit of Heaven" Theme Of Annual BSU Banquet Set For 7:30 Friday Night

"A Bit of Heaven" is the theme of the Baptist Student Union banquet to be held next Friday at 7:30 in the chapel of the Religious Center. The decorations and food will be in keeping with the theme.

Dr. R. L. Lee, pastor of the DeRidder First Baptist Church, will be the guest speaker for the banquet. Dudley Downing, ministerial student at NSC, will serve as master of ceremonies.

The deadline for buying tickets, which are $1 each, is Thursday noon. Eddie Spurgeon, host on the BSU council, is ticket chairman. Thelma Ruth Stephens and Bettie Carter are chairman of the banquet committee.

College Acquaintance Day Held Feb. 28 For High Schoolers

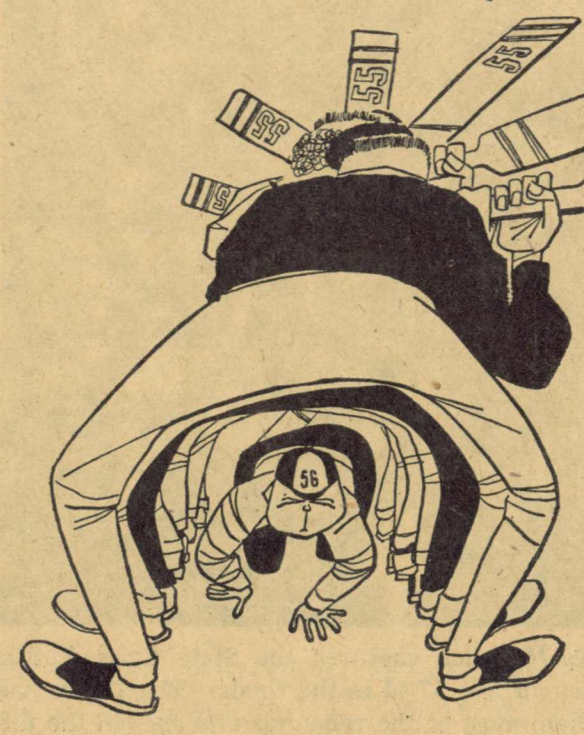

College Acquaintance Day, sponsored by Delta Kappa Gamma, was held on the NSC campus Feb. 28 for high school students throughout the state. Some 98 schools were invited.

The day begin with registration in Varnado followed by coffee at the sorority houses. The visitors were toured over the campus by members of the Purple Jackets, Freshmen Commissioners, and N Club.

NSC President Prather spoke at the luncheon served the high school students in the dining hall. He spoke on what a college education should give a student.

Following the swimming demonstration in the natatorium that afternoon, the day's program ended with tea in Varnado at which short talks were given by various faculty members and students.

Campus capers call for Coke

It depends on the point of view, of course, but *almost* everyone enjoys these antics. And when there's a quick need for refreshment ... have a Coke!

Breaking the golden rule is better taste

and LUCKIES TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy—GO LUCKY!

When cramming for a test it takes
A pack or more for me;
But still my mouth feels clean and fresh—
They're Lucky Strikes you see!

Arthur A. Leff
Amherst College

All round our Ivy-covered halls
You'll hear the students say,
"For real deep-down enjoyment,
Get Lucky Strike today!"

Al Cavalari
Michigan State College

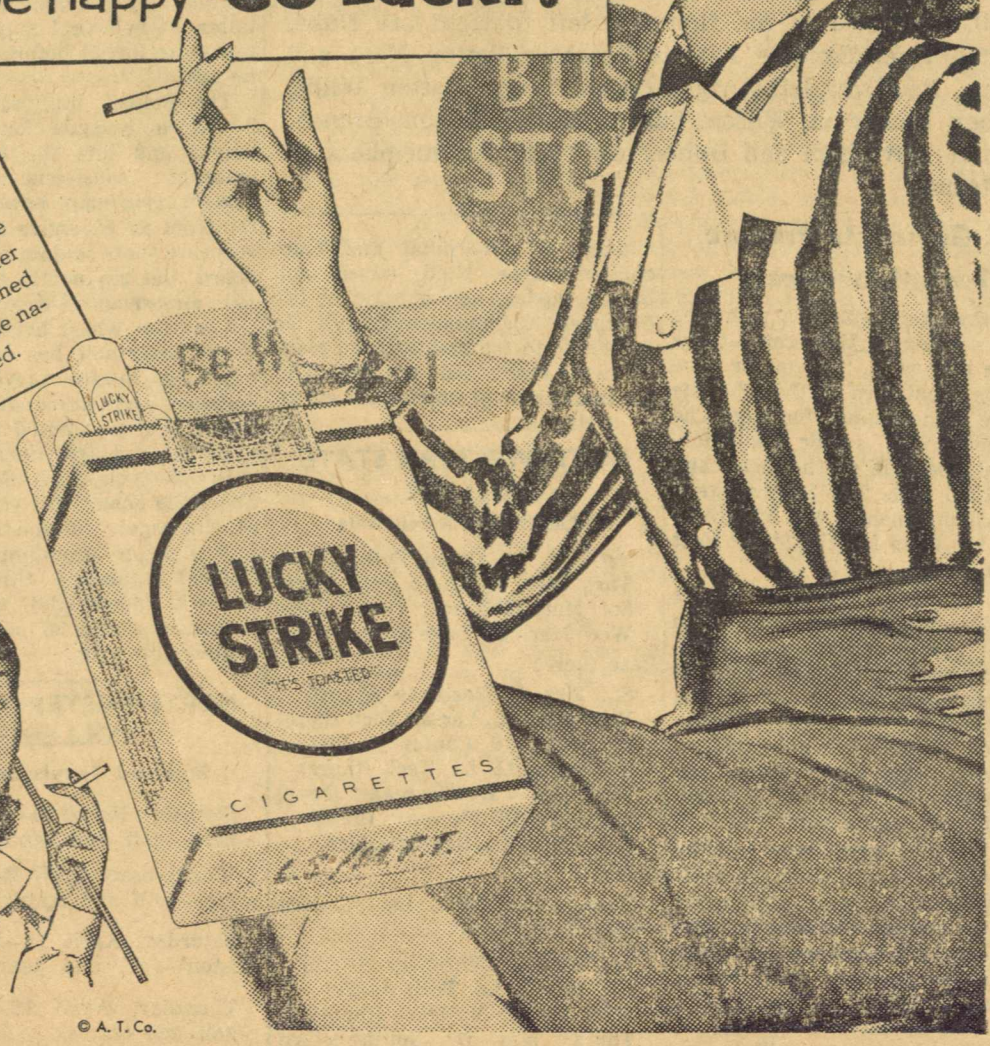

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

From coast to coast in campus votes,
We've found what students like—
For cleaner, fresher, smoother taste,
They go for Lucky Strike!

PRODUCT OF The American Tobacco Company AMERICA'S LEADING MANUFACTURER OF CIGARETTES

SADIE HAWKINS DAY SCHEDULED BY RECREATION CLASS

Sadie Hawkins Day was started more than a dozen years ago merely as a gag. It became a fad, progressed into a habit and now is firmly entrenched as a part of the American way of life.

It all came about through ultradrastic measures taken by one Hekzebiah Hawkins, first mayor of Dogptach, a man who had more power than Boulder Dam. He was determined to get a husband for his homely daughter, Sadie — the homeliest gal in all them hills.

All the eligible males had eluded Sadie's clutches until Pappy Hawkins not only resorted to law, but wrote it himself. He decreed that a foot race be run between all unwed men and maidens, and that any man caught by a girl must marry her. Well, Sadie Hawkins showed a burst of speed like a jet fighter and got her man—and Dogpatch got a new holiday.

Now, this simple legend wasn't confined to Dogpatch for long. Like all good things, it burst the bonds of make-believe, and began to be re-enacted in real life and has resulted in a new national holiday.

College students, high school boys and girls, clubs, movie audiences and even whole towns are holding Sadie Hawkins parties, dances and special days and weeks.

The Recreation 403 class, under the direction of Mrs. Melba O'Quinn, is transforming N.S.C. into Dogpatch Wednesday, March 25 for a Sadie Hawkins race and dance. The race will begin at 6:00 o'clock on the Elementary School playground. After the race, the dance will be held in the Field House from 6:00 o'clock to 8:00, which will feature a floor show brought especially from Dog Patch for this event.

Prizes will be awarded for the best dressed Lil' Abner and Daisy Mae and any other girl character and male character in the comic strip.

In case of rain, come to the Field House at 6:00 o'clock to begin the dance. Everyone is invited to come join the fun, dressed as their favorite Dogpatch character.

VOL. XXXIX—No. 21 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, MARCH 21, 1953

Davis Predicts Early Delivery Of Potpourri

Houston Davis of Shreveport, editor of the 1953 Potpourri, student yearbook at Northwestern State college, announced today that his staff had completed all work on the book and that the annuals should be printed and delivered during the first week in May.

"I believe this year's Potpourri will be a book the students and faculty will be proud of and want to keep," Davis said. "The photography is unusually fine and several new features wil definitely give the book a new look."

He listed the new features as (1) reorganization of sections (2) addition of one new division, and (3) unusual feature section. Most of the information about the Potpourri, such as theme, color, cover design, and dedication, remain secrets until the issuance of the book.

This year's student annual will contain approximately 232 pages, making it some 25 pages larger than last year's Potpourri.

Primary objective of the 1953 Potpourri staff was to complete the book in time for an early distribution and at the same time keep within the budget.

Davis, a senior chemistry and mathematics major, was associate editor of the yearbook last year. He is on the honor court and is president of the student senate. He was president of the Aquatic Club last year and is vice-president of Phi Kappa Nu, a campus social fraternity.

NSC Host at 18th La. Speech Meet

IN A HAWAIIAN SCENE from the annual Purple Jacket review are Bebe Joy Gallender and Joan Evans. The theme of the show was "Passport in Purple" and featured skits representing the different countries of the world. The show was given to help the organization for its trip to Mexico during the Easter holidays.

20 Schools From 5-State Area Send Representatives

NSC plays host this week-end to twenty colleges and universities from a five state area at the Eighteenth Annual Louisiana Speech Tournament.

Those schools represented here are: Henderson State Teachers College Arkadelphia, Ark.; TCU, Abilene, Texas; LSU, Baton Rouge Central State College at Missouri; Southwestern Louisiana; Central Oklahoma State; Southeastern Oklahoma State; Austin College; Texas; Baylor, Waco, Texas; William Jewell of Missouri; Centenary, Shreveport; Oklahoma Baptist, Shawnee, Okla.; North Texas State, Denton Texas; Louisiana Tech; Louisiana College, Pineville; Southern Methodist, Dallas; Stephen Austin, Nagodoches, Texas; University of Houston, Houston; Southeastern Louisiana College, Hammond, and NSC.

Students of each college will compete in Debate, Extemp, Oratory, After Dinner Speaking, Poetry Reading, and Radio Speaking.

NSC students entered are Dave Lawson, Bobby Hamm, Joan McWilliams, Anne Torrans, Lavonne Craft, Betty Sue Boydstun, Justine McMurray, Vera Gabbert, Joan Prestridge, Nell Morgan, Yvonne Welch, Mary Lou Smith, Bill Erwin, Jack Sharp, Dave KeKndrick, Johnny Smith, and Pat Hankins.

Proclamation

KNOWN ALL DOGPATCH MEN what ain't married by these presents,

WHEREAS there be inside our campus limits a passel of gals what ain't married but craves something awful to be, and

WHEREAS these gals' pappies and mammies have been shouldering the burden of their board and keep for more years than is tolerable, and

WHEREAS there be in Dogpatch plenty of young men what could marry these gals but acts ornery and won't, and

WHEREAS we deems matrimony's vows and being sure of eating regular the birthright of our fair Dogpatch womanhood,

WE HEREBY PROCLAIMS AND DECREES, by right of the power and majesty vested in us as Mayor of Dogpatch,

WEDNESDAY, MARCH 25

SADIE HAWKINS DAY

WHEREON a foot-race wilil be held, the unmarried gals to chase the unmarried men and if they ketch them, the men by law must marry the gals and no two ways about it, and this decree is

BY AUTHORITY of the law and the statute laid down by our revered first Mayor of Dogpatch, Hekzebiah Hawkins, who had to make it to get his own daughter Sadie off his hands, she being the homliest gal in all these hills and no two ways about that, either.

GIVEN UNDER OUR HAND AND SEAL.

HEKZEBIAH HAWKINS,

Mayor of Dogpatch

Louisiana College Host To ATS Saturday, March 21

Sixteen Northwestern supervising teachers will attend the second annual meeting of the state unit of the Association for Student Teaching at Louisiana College in Pineville Saturday.

Northwestern has more members of the state A. S. T. than any other college, according to Dr. Jones, director of teacher training here. Of the 16 delegates from NSC attending the meeting, eight have parts on the program. All are either on program or are officers in the state unit.

The theme for this year's meeting is "Improving Teacher Education." Representing Northwestern at Louisiana College will be John Manning, Gaiennie Hyams, Mrs. Mary Love, Mrs. John A. Jones, P. H. Breedlove, Edna Dey, B. H. Rushing, Mattie T. Woodward, Mrs. Laura Harrison, Inez Chaplin, Miriam Carver, Mary Winters, Monnie Cheves, George Parks, Velma Hargis, and Dr. John A. Jones.

Purple Jackets Present Annual Show

The annual Purple Jacket production was given Tuesday night, March 17, in the Fine Arts Auditorium. The theme of the show was "Passport in Purple". Through the various scenes the audience was taken on an imaginary trip around the world.

The first stop was in Ireland, where a small lad met singing Irishman, Benny Ray. Crossing the English Channel, the studio of French painter Lora Faye Kemper was visited. Also seen in France was a fashion show with models Jo Ann Prestridge, Martha Ann Glass, Ione Weber, Marilyn Snoddy, and Jimmie Wall. Ef Cloutier and Peyton Cunningham were a couple of on-lookers. Sue Lindsly danced a ballet.

Moving on to Spain, Marjorie Reynolds, Freddie Jones, and Jane Gaines were found in a bar-room scene. A fencing bout added excitement to the tavern.

Three couples; Barbara Brittain and Gerald Carter, Julie Cusachs and Peyton Cunningham, and Lora Faye Kemper and Dave Carson; whirled around a Vienneses ballroom to the strains of a Strauss waltz. Going next behind the Iron Curtain the audience heard the Phi Mu Alpha chorus, under the direction of Hardy Rose, sing a Russian laborer's song.

The Orient was represented by Jerry Noto, John Hicks, Sonny Mercer, and Harold Laroux who gave a tumbling performance. Bobby Hamm told some Eastern stories. The emporer of India, Justine McMurry, saw the specter of his wife appear to him as he visited her tomb.

The world travelers visited Hawaii, Africa, and Latin America returning to the Unted States to meet the entire cast and the Purple Jackets. The announcer for the program was David Kendrick.

Vote for Frances Griffin.

My Policy

A newspaper should live up to its name. If I am elected editor of the **Current Sauce,** I will do my best to see that coverage of campus news is as complete as possible.

Also, the **Current Sauce** will strive to better campus conditions. In its columns will be found editorials advocating needed changes at Northwestern.

A newspaper should not be lacking in humor. Therefore, if I become editor, the **Sauce** will carry feature material designed to turn students' minds to the lighter side of life.

Sports news will be up-to-date and complete, and society news will have thorough coverage. A crusading newspaper printing all campus news will be my goal, if I am elected editor of the **Current Sauce.**

Who's To Blame

The staff of our dining hall is to be congratulated. No other school in the state has a dining hall that serves worse food.

Wilted lettuce and gooey rice are standard dishes. Ground meat is served at least three days each week, and potatoes are served almost every day. Sometimes, though, they are hard to recognize under a layer of runny beef stew.

The only thing to be said for the coffee-flavored water served is that it's hot—sometimes. While the coffee situation has gotten worse, the ice-cream case has improved. Chocolate-ripple is now served only about once a week.

Why does our dining hall make such a mess of food? Is it the fault of the purchasing agent? Does he buy second rate supplies? Or is this situation the result of poor cooking and meal planning? If enough students would get interested in finding the answers to these questions, the food situation on the campus would improve.

This is NSC, however, and if anyone walked into the kitchen of the dining hall trying to get to the bottom of the food problem, the dietitician would faint from surprise, and students would say, "Don't gripe, transfer."

With this attitude prevalent on the campus, it is no wonder that we have such bad meals. Students who are content merely to gripe without taking steps to correct poor conditions in the dining hall deserve to eat gooey rice and drink watered-down.

A committee of interested students could do much to help the food situation on this campus, but will such a committee ever be formed? The answer is up to you.

Council Minutes

The Student Council met at 5:45 on March 18 in the Faculty Room of Caldwell Hall. Present were Mary Murphy, Leland Langridge, Lowell Starnes, Red Miller, Winnie Dowden, Ben Singleary, Mary Sue Bellew, and Ronnie Quinn.

The following have filed for offices: Louis Marion Smith, Student Senate; Jack Sharp, President of Junior Class; Red Miller and Ben Singletary, Vice-President of Student Body; and Ronald Quinn President of Student Body.

Intentions to run for Student Council and Student Senate offices should be filed not later than March 23.

The Student Council collected $7.00 from the dormitories for the Red Cross drive. All of the money has not been turned in.

On April 10-11 The Student Federation of Louisiana College and Universities will meet in Lafayette. Leland Langridge, Lowell Starnes, and Ronald Quinn will be the voting delegates from NSC.

It was suggested the Student Council sponsor an intrasquad football game in May.

Winnie Dowden suggested that something be done to make sure everyone knows the Alma Mater.

A Magic Show will be sponsored by the Student Council, and the proceeds will be donated to the College Red Cross fund.

The meeting was adjourned.

Respectivefully submitted,
MARY SUE BELLEW

Theta Sigma Upsilon

This week has been a very busy one for the Theta Sigs. We have been making plans for the visit of Mrs. O'Hern Dufour, past Beta province president. We are fortunate in having her come, as she is a former Kappa sponsor. We have also been making plans for our spring dance, which is to be held on May 2.

Tuesday night the sorority room was the scene of the installation of the new officers. Installed in the beautiful candle-light service were: Betty Sue Boydstun, president; Frances Griffin, first vice-president; Bobby Hale, second vice-president; Janice Andress, secretary; Betty Kay Whatley, treasure; Pat Hankins, editor; Boo Carnahan, pan-hellenic representative.

We are very proud of Betty Sue Boydstun who is going to Europe ths summer to the Drama Workshop. She sails from Quebec on June 9. Betty Sue attended the state Wesley Foundation meeting in Lafayette last week-end, where she was elected to the office of state treasurer.

Pat Hankins was a judge at the American Legion talent show in Many on March 13 and she will travel to Colfax as a judge this week-end.

Clarice Oliver was our representative to the Tri-Sigs formal last Saturday night. Boo Carnahan will attend Delta Sigs dance tonight. Betty Kay Whatley will make the trip to New Orleans this week-end with the Euthenics Club.

Best of luck to Frances Griffin, who is running for editor of the Current Sauce.

☆ ☆ ☆

Pi Kappa Sigma

Tuesday night at the regular meeting of the Pi Kaps, the new officers were installed. They are as follows: Patsy Winkler, president; Donita Gothard, vice president; Carolyn Alexander, secretary; Bobby Patterson, corresponding secretary; Virgie McGuffee, treasurer; Millie Stephens, corresponding editor; Clydean Madden, keeper of achives; Sarah Cook, sgt.-at-arms; and Sudie Loomis, press agent.

The main topic of discussion Tuesday night was the spring formal which is to be held April 25. The committees have been chosen and plans are now underway. The chairmen of the various com-mittees are Bebe Gallender, program chairman; Bobby Patterson, food chairman; Donita Gothard, decorations chairman.

We are happy to hear that Kathleen Ray and Roy "Drink" Barker are pinned. Our very best wishes to both of you.

Our congratulations go to two Pi Kap members, Mittie Lancaster Schile and Nelda Madden Simmons. Last week Mitte became the mother of a seven and a half pound girl and Nelda was blessed with a Johnny the second.

Four of our Kaps are looking forward to the trip to Monteray with the Purple Jackets. They are Patsy Winkler, Louise Vick, Bobby Patterson, and Millie Stephens.

☆ ☆ ☆

Lambda Zeta

At a regular meeting Tuesday night six students pledged Lambda Zeta. They were: Don Taylor of New Orleans, Brother Humble of Baton Rouge, Larry Bailes of Natchitoches, August Fabiano of Buras, Nick Cicardo of Alexandria, and Dave Dalton of Natchitoches. The pledging was administered by Jimmy Gresham, Zeta prexy and husband of this year's Zeta Sweetheart.

Sharing the limelight with the new pledges at the last meeting was Zeta man Dale Branch. Dale, Lambda Zeta treasurer, was recently named Man of the Year by the Tri Sigs.

Congratulations are also in order for alumnus Ponder Davis and his wife Julie McBroom Davis. They are now the proud parents of a bouncing baby boy. Ponder was present at Lambda Zeta's informal initiation, complete with cigars.

Another round of applause sounded in the Zeta Room for Bobby Hamm. Bobby, a new addition to the fraternity, came back from Durant, Oklahoma with a first place in Story Telling and another in After Dinner Speaking.

The members of the fraternity would like to take this opportunity to thank the sororities who have invited them to parties. All of the parties were most enjoyable.

☆ ☆ ☆

Alpha Sigma Alpha

The new officers for the coming year were installed last Tuesday night by our sponsor, Mrs. Eunice Kennedy. They are Kathryn Elliott, president; Ann Wood, vice-president; Barbara Cheek, secretary; Ann Hungerbeeler, treasurer; Wanna Beth Sanders, registrar; and Marilyn Motter, chaplain.

After the installation of officers, the Alpha Sigs were delightfully surprised by delicious pies baked by Mrs. Leroy Miller. We would like to express our appreciation to Mrs. Miller and to Mona Grey.

Representing Alpha Sig at the Tri Sigma Formal last Saturday night was Clarie Lucius. Clarie is sporting a beautiful engagement ring, which she received last Saturday night from Gary Thompson.

Betty Hurst and Nancy Brodnax attended the wedding of one of our Alpha Sig girls last Wednesday night. Patsy Reynolds was married to John Duke. Congratulations, Patsy!.

We were all delighted to get a letter from one of our alums, Gwen Therell, who is working in Shreveport now. The ASAs would also like to say "Thank you" to Mary Jewell Johnston who sent us a donation for our Spring formal.

As our representative to Delta Sigma Epsilon's formal, we have chosen Octavia Sandlin.

We are very proud of our Purple Jackets, Ann Hungerbeeler, and Wanna Beth Sanders, who are going with the group to Mexico during the Easter holidays. Mona Grey Miller will also go on the trip to Mexico.

☆ ☆ ☆

Delta Sigma Epsilon

This week's attire for the Delta Sigs has been blue jeans and shirts with paint brushes, paint, hammers, nails, and saws as accessories. This sudden bent for carpentering is in preparation for our dance and not for a course in industrial arts, but the way some of the girls have handled those saws makes me inclined to think that they have missed their calling!

Tuesday night at our regular meeting we elected our Rose of D. S. E.—the girl who has been the most outstanding member for the year, and has contributed the most for the good of the sorority. This girl was elected by secret ballot and will be presented at our spring formal, Parisian Nocturne.

We would like to welcome the representatives of the sororities and fraternities and all our other guests who will be present at our formal. The representatives are: Boo Carnahan, Theta Sigma Upsilon; Mary Catherine Gordy, Octavia Sandlin, Alpha Sigma Alpha; Ed Bacilla, Phi Kappa Nu; Lonnie Bennett, Lambda Zeta; Jack Sharp, Sigma Tau Gamma. Vivian Prudhomme was chosen by the sorority for the independent representative.

Congratulations to Toby Livingston who was voted Campus Cover Girl by the students of NSC.

☆ ☆ ☆

Sigma Sigma Sigma

This past week was a very impartant one to the Alpha Zetas, for initiated into the sisterhood were Shirley Bateman, Bobbye Carol Downs, Jimmye Dee Hatcher, Joan Slay, Mary Catherine Gordy, Nancy Kimbrell, Jackie Lucia, Particia Jones, Kathryn Wright, Justine McMurry, Erma Lee Freeland, Genie Shaw, and Doris Gahagan.

Mary Catherine Gordy was selected to represent Tri Sigma at the Delta Sigma Epsilon dance Saturday night.

Millicent Arnold, an alumni member, sent the chapter a large box of candy, announcing her engagement to Jack E. Irish of Joaquin, Texas.

Several hours of work are in store yet for the Sigmas, for there is still to be planned the Founders' Day Banquet and the annual spring picnic in May.

We are very proud of our "Tri Sigma Men of 1953", Dale Branch and Vernis Wright.

Congratulations go to Barbara Evans, Mary Sue Bellew, and Dee Thompson, who were elected recording secretary, corresponding secretary, and social chairman respectively of AWS.

The Louisiana Department of Highways completed projects costing $41,04,238 in all sections of the state during 1952.

Le Rendezvous
"Off Campus Northwestern"

TENNIS, GOLF AND TRACK TEAMS BEGIN SEASON THIS AFTERNOON

Demon Tracksters Engage La. Tech, Southeastern In Triangular Meet

Coach Walter Ledet's 1953 Demon tracksters will cleat the turf for the first time this season when they tangle with La. Tech and Southeastern in a Triangular Meet this afternoon at 1:30 in the NSC Stadium.

In this same meet last year, Southeastern captured top honors with 82½ points. Northwestern was next with 53½ and La. Tech came in the last spot with a 45½ point total. The meet was held at Ruston, Louisiana.

The Purple and White track team will be minus the service of 6 lettermen from last year's team and 8 other squad-men. Those lettermen absent are Johnny Buck, Buck Anderson, Dan Poole, Wayne Durr, Tommy Broussard, and Junior Turner.

Returning to the Demon team are 11 monogram winners of yester-season. These 11 along with a crop of freshmen will form the power of this season's team. Those lettermen back are Tynes Hildebrand, Murrel Walker, Waple Lilley, Bill Hart, Ronald Byrd, Dennis Rider, Jack Bice, Bill Collinsworth, Roland Smith, and George Davis.

Up and coming freshmen and squad-men from last season are: Curtis Gros, Rudy Landry, Robert Lee, James Little, George McConathy, Raymond McFadden, Eugene Mallet, George Oubre, James Modisette, Hugh Percer, Ted Simon, Billy Steele, James Stoker, J. Thomas, Lauritz Witt, Leroy Gillam, and Sammy Wilson.

Looking exceptionally well in practice have been Tynes Hildebrand, who should help the relay team, and Ted Duggan and George Davis in the high jump. M. B. Childress looks fine in the relays and Billy Steele, is outstanding in the two mile jaunt. The two mainstays of last year's crew have shown up in very good form.

10 Demon Cagers Receive Letters

According to Coach "Red" Thomas, 10 Northwestern State College cagers will receiver letters for their activities during the past basketball season.

All ten players saw plenty of action during the hard fought season which found the Demons winning 22 and losing 10.

Receiving monograms are the following:

Murrel Walker, forward from Dry Prong; Sammy Booras, guard from Shreveport; Bill Collinsworth, guard from Bryceland; James Thomas, forward from Martin; George Davis, forward from Florien.

Jim Yergler, guard from Cissna Park, Ill.; Waple Lilley, forward from Belmont; Ken Shaw, center from Holton, Ind.; Tynes Hildebrand, guard from Florien, and George McConathy, a forward from Bryceland.

With only two exceptions, all thesse will be back in Demonland next season as a nucleus for Coach Thomas' cage crew. The exceptions are seniors Jim Yergler and Sammy Booras.

Men Beware—March 25!
It's Coming !!!
WednesdayMarch 25 ? ? ? ?
Ladies your opportunity is nearing!

NSC Baseballers Meet Lamar Tech In Beaumont Today

The Northwestern Demon baseballers will travel to Beaumont, Texas this afternoon where they will attempt to capture their second win of the 1953 season. The Purple and White shut out the Camp Polk Armadillos, 2-0, on the NSC diamond Tuesday afternoon, in the first tilt of this year.

Three Northwestern pitchers held their opponents to only one hit in the exhibition game earlier in the week. The lone bingle came off the bat of Buck Buckingham, first man to face the starting pitcher, Douglas.

From that point on the 'Dillos were unable to connect with pitchers Mike Pacheco, and Morris Bruce—each contributing three innings of mound work. The Demons collected five hits with second baseman, Sammy Booras getting two of them. The two tallies for the Demons came in the second inning.

With one out, center fielder Johnny Emmons gained first on an error and advanced to third on a bad throw and a wild pitch. Bob Schemerheim,. NSC third sacker followed with a single to short right field. The next two batters were struck out and issued a pass to first respectively. This loaded the bases.

Two were down, when Doug Logan, a tiny pitcher, drove a deep single into center field scoring Emmons and Schemerheim for the game's only runs. The game winning licks came off the serving of Polk's Art Carter.

TOWERING LAVELLE (Loopy) Langston, seven-foot high school basketball wizard from Pollock, will enter Northwestern State College this summer. He shoots a deadly hook shot with either hands, and has averaged 23 points a game this season.

Crystal Pool Wins SAAU Swim Meet On NSC Campus

Crystal pool of Houston, Texas, won first place in the speed swimming and Texas State College for Women took top honors in the synchronized swimming contests at the SAAU women's indoor swimming, diving and synchronized championships held at Northwestern State College, March 13 and 14.

Audubon Swim club of new Orleans, Minden high school and Northwestern finished in order behind Crystal pool in the speed races.

The TSCW team, composed of Mary Shelton, Ruth Hots, Lila Saenz and Loyal McNair, captured the team synchronized championship. Miss McNair also took first place in the solo synchronized contest.

Lolly Anderson and Marion Jabst of Crystal pool won the duet contest in the synchronized swimming.

Individual starts of the meet were two junior high school girls from Houston, who entered unattached. Jane Kaiser won three first places, taking the 50,100 and 220-yard freestyle events. Her swimming partner and school mate, Sidney Lister, won the 100-yard backstroke and the 100-yard individual medley.

An added feature of the meet was the exhibition synchronized swimming of Mrs. Beulah Gundling of Cedar Rapids, Iowa, who is the National AAU outdoor solo synchronized champion of the last three years.

Northwestern Host SAAU Gym Meet

Northwestern State College will play host to the Southern AAU Gymnastic Championships, Thursday, Arpil 16, Guy Nesom, head of the college health and physical department, announced today.

Competition will be held in Indian Clubs, Trampoline, Duo-balancing, Rings, Parallel Bars, Tumbling, Horizontal Bar, Side Horse, Long Horse, Rope Climb, and all-around championship.

The Demon gymnastic team, under the direction of Coach John Piscopo, has won the SAAU team championship for the past three years, and they are hoping to be able to retain their title. The stiffest competition for the team trophy is expected from the New Orleans Athletic Club, the New Orleans YMCA, and Mississippi Southern of Hattiesburg, Miss.

High schools, colleges, and clubs are encouraged to send individuals or groups to the SAAU meet. Gold, silver and bronze medals will be awarded to the winners of 1st, 2nd and 3rd place winners. Trophies will be presented to the winners of all-around and team championships. Entry blanks and other information may be obtained from Guy W. Nesom, Northwestern.

More than $50,000,000 in highway projects were under construction in Louisiana during the first part of 1953.

Tennis And Golfers Usher In '53 Season On Home Territory

This afternoon, the Northwestern State College Tennis and Golf teams will usher in their 1953 season when they meet the duo-team from Lamar Tech on the NSC home grounds.

Coaches John Duffy and Lorane Brittain have been trying to get their racqueteers and golfers in shape for the rough schedule which will confront the two teams, However, practices have been limited due to the heavy rain and the high winds now sweeping the playing zones.

Back on the NSC tennis courts are three lettermen, while the linksmen are bolstered by only two lettermen. Brittain, a member of the music faculty, has coached the golfers for several years. This is Duffy's first year as tennis memtor. He is an associate professor of history at Northwestern.

Tennis lettermen back are Bob Durham of Shreveport, number one man; Lucian Spataro, from Bossier City number two man; and Mike Lelong of Coushatta, number three player. Other tennismen out this season are Mike Torrans, Shreveport; Ed. Jordan, Natchitoches; John Batten, Natchitoches; John Spataro, Bossier City, and William Edwards, of Many.

Duffy said his number 1 doubles team would be Durham and Edwards, and the number 2 doubles combination would be J. Spataro and Lelong.

Lettermen in golf who are back are Captain Bill Stanberry of Haynesville, and Paul Ryder of Alexandria. Other golfers on Brittain's squad are Don Wineman, Shreveport; C. L. Hattaway, Wayandotte, Kans.; Jack Sibley, Natchitoches; and Heschel Russell, Natchitoches.

Bennett Added To Library Staff

Carroll Bennett, former Rapides parish librarian, has been added to the staff of the college library, Dr. Eugene Watson, librarian, has announced.

Bennett, who is filling the post left vacant by the resignation of Mrs. Ora Williams, is in charge of order work and government documents.

A native Texan and veteran of five years service in the armed forces, Bennett is a graduate of Louisiana State University, where he received his BA and BS degrees.

He has also attended the University of Texas, taking his master's degree in library science while working as supervisor of stack and assistant order librarian for the university.

Euthenics Club Sponsors Trip

Twenty-seven Home Economics Majoris from the Home Economics Department at Northwestern State College, boarded the college bus at noon Friday and journeyed to New Orleans to spend the weekend of March 20-22. This is annual spring trip sponsored by the Euthenics club of Northwestern.

While in New Orleans, they will attend the morning session of the State Home Economics meeting being held at Dominican College, which will be followed by a banquet given in honor of visiting Home Economics students. The rest of the weekend will be devoted to seeing the sights of New Orleans, and shopping.

Miss Mary Esther Roberson, sponser of the Euthenics Club, Mrs. Frances Halm, and Dr. Elsie Church accompained the students on the trip.

AAUW Delegates To Attend State Meeting

The Natchitoches Branch of the American Association of University Women met Monday, March 16, in the social room of the Home Economics building.

The program on "Twisting the Twig" dealt with the exposure of the techniques of propaganda. It was in form of a panel discussion by Mrs. Thelma Kyser, chairman, Mrs. Jewel Jones, and Miss Martha R. Whitaker.

After the program the trip to Hammond for the state AAUW meeting was discussed. Representing the Natchitoches Branch at the meeting will be Dr. Sarah L. C. Clapp and Mrs. Guy Nesom.

SMITH AND STARNES WIN BRIDGE CONTEST

Johnny R. Smith and Lowell Starnes walked away with the honors in the first annual Chesterfield Bridge Tournament held in the Student Center on March 16 and 17.

They conquered Francis Griffith and Lonnie Austin in the finals. Starnes is the local Chesterfield representative, but despite cries of "cheat" and "fake", the contest was strictly on the level. The prize? Carton of Chesterfields, of course.

Branch And Wright Tie For Title Tri Sigma Man

Highlighting the Tri Sigma spring formal "Over the Rainbow", was the presentation of the "Tri Sigma Man" at intermission time. With great delight President Gervais Aldredge announced that the election had resulted in a tie and presented Dale Branch and Vernis Wright as the "Tri Sigma Men of 1953". They were given silver key chains in keeping with the occasion.

The formal, celebrating the 25th birthday of Alpha Zeta Chapter of Sigma Sigma Sigma was held Saturday night, March 14 in the Student Center.

In the center of the dance floor was a pond covered with moss and flowers in which the water was kept constantly bubbling by the addition of dry ice. A huge rainbow ending in a pot of silver occupied one corner ,while over the bandstand hung a glittering spider web in which was imprisoned a bright red butterfly. A black spider was suspended from the middle of the web.

The tables, surrounded by a miniature white picket fence, were arranged in the shape of a horseshoe, with the bend of the shoe facing the mirror. On the mirror was painted a basket of large purple violets, the sorority flowers.

Pictures of individual couples were taken in front of a small, rustic-looking well, designated as the "Wishing Well."

In conjunction with the Silver Anniversary, a huge birthday cake decorated with a silver "25" and purple violets was served with punch for refreshments.

The program consisted of a solo "Over the Rainbow" by Bennie Ray of Northwestern; a toe dance by Suise Acklin, a tap dance by Ann Wilson, and an acrobatic number by Gwen Thomas, all of Louisiana Tech.

Among the guests enjoying the birthday celebration were Dean Kathleen Gillard, Mr. and Mrs. John Duffy, Mr. and Mrs. Guy Nesom, and Mrs. Beulah Gundling, who was on the campus for the SAAU Swimming Meet.

McBride To Head Journalism Club

Avon McBride, sophomore student from Minden, was elected president of the newly formed Journalism Majors Club at its meeting Thursday night. Other officers elected were vice-president Bobbie Jo Thompson, sophomore from Waskom, Texas and secretary-treasurer Frances Griffin, West Monore junior.

The club has taken as its purpose the furthering of journalism on the Northwestern campus. Mr. John C. Merrill, assistant professor of journalism, is the faculty sponsor.

NORTHWESTERN'S CHOICE for "Miss Cover Girl" is Toby Livingston. She was elected by the student body for this honor, and will compete with representatives from every college and university in Louisiana and Mississippi. The final winner will be presented in a full color cut on the front page of the Dixie Roto Magazine.

Nothing-no, nothing-beats better taste and **LUCKIES TASTE BETTER!**

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-**GO LUCKY!**

Where's *your* jingle? It's easier than you think to make $25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay $25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y.

Cambridge Team Debates NSC Duo Here Wednesday

The Cambridge University Debate team, composed of Allistair Sampson and Peter Mansfield gave a debate on the question Resolved: That the American Rebellion should be suppressed against David Kendrick and Anne Torrans of NSC last Wednesday night.

The Cambridge team arrived Tuesday afternoon and left Thursday morning. While in Natchitoches, they saw their first baseball game, attended the Purple Jacket Show, and toured Natchitoches and the area before the debate.

The debate settled to one issue, whether America should rejoin the British Emprie or England become the 50th state. Given mostly in a spirit of humor and entertainment the debate did contain some serious points, such as that although America accomplished much, she can still afford to accept advice from older and wiser countries.

The Cambridge team has gone to Hammond, and from there will continue its tour in Texas and other western states.

Eddy Gene Elliott AWS President For Coming Year

Chosen by the Associated Women Students of Northwestern to the office of president last Thursday night was Eddy Gene Elloitt of Lake Charles. The other council members chosen by the women students were Mary Lane Baliff, vice-president; Mary Sue Bellew, corresponding secretary; Fay Del Johnson, treasurer; Barbara Evans, recording secretary; Betty Carter, publicity chairman; and Dee Thompson, social chairman.

Presiding at the meeting was Claudine Box, 1953 AWS president. The meeting was opened by a brief talk by Dean Kathleen Gillard, who emphasized the importance and responsibiltiy of the AWS offices. She also announced that the students would be in for a treat when, at the annual convocation, the speaker would be from Washington University of St. Louis, Missouri.

Winnie Dowden asked that more of the women students file their intentions for offices in the student government.

Northwestern BSU Featured BY Baptist Magazine

"Have you seen the **Baptist Student?"** Did you see my picture" "Did you see our writeup in the Baptist Student?" These were some of the questions excited Baptist students were asking last week when the **Baptist Student** was received.

The NSC Baptist Student Union was featured in the April edition of the **Baptist Student,** a publication of the Sunday School Board of the Southern Baptist Convention. The Northwestern BSU was one of the college groups chosen for outstanding work during the year.

The theme of the feature was "Go ye therefore . . . ", which was carried out through pictures of the mission work of the Baptist Student Union.

Theta Sigma Upsilon Has National Visitor

Mrs. O'Hern Dufour, past president of Beta province of Theta Sigma Upsilon, is on the campus this week-end visiting Kappa chapter of the sorority. While here Mrs. Dufour will confer with the various chapter officers .

R. L. Lee Speaks At BSU Banquet

Dr. R. L. Lee of DeRidder was guest speaker for the Annual BSU Banquet held in the chapel of the Religious Center last night. Dudley Downing, student at Northwestern served as Master of Ceremonies.

The theme of the banquet was "A Bit of Heaven." The program keyed to this theme was as follows:

Invocation—Rev. Perry F. Webb, Jr., pastor advisor of the Baptist Student Union; Wind-blower, Dudley Downing; "Up in the Air", Thomas Rogers; Heavenly Melody, S. J. Westbrook; Starlight Opera—Fay Del Johnson Lane Miley; Heavenly Melody, Joy Norris; Sky Reports of 1952, Claudine Box; "Spirit of B.S.U.", Boys Quartet; Speaker, Dr. R. L. Lee; Benediction, Byron McCain, B.S.U. President.

A blue, white and silver color scheme was carried out very effectively in the decorations, nut cups and place cards. A large silver moon and twinkling stars furnished soft light for the occassion. Blue and white iris adorned the speakers table.

Thelma Ruth Stephens, Social Vice-president, assisted by Betty Carter, Freshman Social Chairman, was executive head of the entire banquet committee. Committee heads working with her were: Byron McCain, Program; Claudine Box, menu; Dot Thompson, Publicity; Charles Holloway, decorations; Eddie Spurgeon, tickets, Ray Teal, welcome; Don Finley, clean-up.

Little Interest Shown In Student Body Elections

Leland Langridge, president of the NSC student body, has announced that only three person have filed intentions for student body elections which will be held April 14 to select officers for the 1953-54 school. Only two have filed for class offices.

Ronald Quinn is the lone candidate entered in the race for student body president. Thus far, Ben Singletary and Robert "Red" Miller are candidates for vice-president. No one has yet entered the elections for the remaining offices of co-ed vice-president, secretary, and treasurer.

Jack Sharp has filed for president of the junior class, and Harry Moore for the presidency of the sophomore class. A president, vice-president and a secretary-treasurer must be elected for the senior, junior, and sophomore classes.

All candidates must have an overall "C" average. Intention blanks may be obtained from Ronald Quinn, Mary Sue Bellew, or Winnie Dowden. Deadline for filing intentions is Monday, March 23.

Chesterfield is Best for YOU!

CHESTERFIELD contains tobaccos of better quality and higher price than any other king-size cigarette . . . the same as regular Chesterfield.

Chesterfield—first premium quality cigarette in both regular & king-size

WHEN you are asked to try a cigarette you want to know, and you *ought* to know, what that cigarette has meant to people who smoke it all the time.

For a full year now, a medical specialist has given a group of Chesterfield smokers thorough examinations every two months. He reports:

no adverse effects to their nose, throat or sinuses from smoking Chesterfields.

More and more men and women all over the country are finding out every day that Chesterfield is best for them.

Enjoy your Smoking!

Try *Much Milder* Chesterfield with its *extraordinarily* good taste.

NATCHITOCHES, LOUISIANA

THE CURRENT SAUCE

VOL. XXXIX—No. 22 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, MARCH 28, 1953

THE SAINT LOUIS SINFONIETTA, with Paul Schreiber conducting will be presented in concert here at Northwestern State college on April 15 at 8:15 p.m. in the Fine Arts auditorium. The concert is being presented by the Natchitoches-Northwestern concert association. Schreiber, a professional violinist, is founder of the famous Sinfonietta.

Saint Louis Sinfonietta In Concert Here On April 15

The Saint Louis Sinfonietta, with Paul Schreiber conducting, will be presented in concert here at Northwestern State college, on April 15 at 8:15 p.m. in the Fine Arts auditorium. This concert is one in a series of Community Concert presentations.

Paul Schreiber, founder and conductor of the Saint Louis Sinfonietta conceived the idea some years ago of creating a small concert orchestra for the purpose of bringing symphonic music to audiences everywhere. The unique contribution of Schreiber was, however, the conception of a chamber orchestra which would have not only the delicacy and refinement of the string instruments, but also a reasonable degree of the extended tonal latitude, color variety and sonority of the symphony orchestra—an ensemble whose instrumentation would permit equally authoritative presentation of the classic symphonies of Haydn, Mozart and Schubert, the dazzling impressionistic compositions of Ravel and Debussy, or the delightful modern orchestrations of Gershwin, Morton Gould and Jerome Kern. In 1937 Schreiber organized the Saint Louis Sinfonietta, carefully selecting his personnel from among experienced symphony players.

Schreiber brings to this field his years of experience as a professional violinist, having worked with the conductors of the nation's greatest orchestras and with the most distinguished composers of our time. His performances are enthusiastic, and whether conduction Haydn or Hindemith, his work is marked by a delicate sense of balance.

Since its formation in 1937, the Sinfonietta has been bringing "a new experience in symphonic music" to audiences through the United States, Canada and Mexico.

NSC Dean Will Take Mich. Trip

Dudley G. Fulton, dean of men at Northwestern State College, will represent NSC on April 6-9 in East Lansing, Michigan at the annual meeting of the National Association of Student Personnel Administrators.

Fulton will take part on the program of the meeting, serving as a member of a panel discussing staff relationships within the personnel organization.

The annual meeting of the association, held last year at Colorado Springs, Colo., is for the purpose of trading information concerning student personnel problems, said Fulton.

78 Candidates For Degrees This Spring; Graduation Exercises Slated For May 29

Seventy-eight students are candidates for baccalaurate degrees at Northwestern State College for the spring semester, with the commencement exercises scheduled for 8 p. m. Friday, May 29.

There are 27 candidates for the Bachelor of Arts degree and Bachelor of Science degree candidates number 40. In addition, there are 11 candidates for Bachelor of Science degree in nursing and three for three-year diplomas in nursing.

Forty-eight of the students are in the school of education, 21 in Applied Arts and Sciences, and only nine in Arts and Sciences.

Bachelor of Arts candidates are: Dorothy Allison, Saline; Lonnie Austin, Winnfield; Fannie Belka, Gulfport, Miss.; Bernice Blankenship, Pleasant Hill; Mrs. Theresa Chapman, Pleasant Hill; Mary Edna Clark, Alexandria; Sarah Cutrer, Robeline; Annette Dailey, Extension; Sue Dupree, Coushatta; John Eichler, Shreveport; Nalbro Fraizer, Natchitoches; Mattie Sue Gahagan, Natchitoches; Barbara Hicks, Port Sulphur; Mrs. Beulah Holt, Natchitoches; Virginia Kline, Shreveport; Leland Langridge, Natchitoches; Claire Lucius, Florien; Mrs. Jacqueline Mason, Natchitoches; Kathryn Salard Morgan, Cloutierville; Glynn Ellen Pennington, Shreveport; Don Phillips, Glenmora; Evelyn Pyle, Shreveport; Lucian Spataro, Bossier City; Lowell Starns, Crowley; Thelma Ruth Stephens, Leesville; Lula Thomason, Mangham; and Dorothy Thompson, Sikes.

Bachelor of Science degree candidates are: Elwyn Adams, Marthaville; Marjorie Albert, Thibodaux; Pasty Alexandria, Sterlington; Michael Bellipanni, New Orleans; Fon Billard, Robeline; Mary Brosset, Derry; John Buck, Kinder; Victor Chase, Pleasant Hill; Arthur Chauvin, Ferriday; Charles Chauvin, Ferriday; Betty Sue Choate, Natchitoches; Houston Davis, Shreveport; Winnie Dowden, Cypress; Malchus Eaves, Natchitoches.

Johnnie Emmons, Mansfield; Marion Finus, Natchitoches; Ronald Gilliland, Rayville; James Gresham, Morringsport; Johhny Haynes, Springhill; Johnny Johston, Benton; William McDermott, Natchitoches; Benjamin Martin, Mora; Virginia Metcalf, Shreveport; John Miears, Springhill; Ben George O'Neal, Shreveport; John Osborne, Alexandria; C. A. Owens, Tullos; Carolyn Price, Mansfield; Braxton Ratcliff, Shreveport; Hardy Hose, Shreveport; Kermit Seaman, Natchitoches; Sara Jackson Shell, Winnfield; Samuel Sibley, Natchitoches; Williams Sibley, Natchitoches; Edward Sill, Shreveport; Joseph Sterkx, Alexandria; Melba Lorraine Stewart, Robeline; Beth Trammel, Vowell's Mill; James Turner, Springhill; and James Yergler, Natchitoches.

Candidates for Bachelor of Science degree in nursing are: Billie Alford, Shreveport; Carlene Blum, Morgan City; Louise Canafax, Alexandria; Helen Crunk Elrod, Sulphur; Rosa Godwin, Jonesville; Marie Hebert, Abbeville; Patsy Henry, Troup, Texas; Gay New, Lafayette; Gloria Paris, Mansfield; Ester Remont, Cut Off; and Gloria Schumaker, Monroe.

Candidates for three-year diplomas in nursing are: Lula McNeal, Effie; Joann McWilliams, Ringgold; and Mrs. Farah Riddle, Shreveport.

Campus Shrubbery In Full Bloom

Have you noticed the lovely dogwood in bloom? This is the product of two years work by the College's Beautification Committee.

In the past three years, 618 native Louisiana species have been planted here on the campus. Just recently 75 crab-apple trees from South East Louisiana were added.

To further beauty, the committee plans to import yaupon, yellow jasmine vines, red maple, sugar maple, and more crab apples for fall planting.

NOTICE

Easter Holidays will begin Thursday at noon. Classes will not resume until Tuesday, April 7.

Campaign Fever Develops As Election Day Nears

The campaign fever is beginning to get under way at Northwestern as the election day for student body and class officers draws near, coming on April 14.

Following last Monday as the deadline for filing intentions, many of the candidates are unopposed and are thus automatically elected.

Ronald Quinn, junior mathematics major from Sarepta, is unopposed for the presidency of the student body. Quinn is at present vice-president of the student body. He was also president of his freshmen and sophomore classes.

Vieing for the post of vice-president of the student body are Ben Singletary, junior chemistry major from Winnfield, and Robert "Red" Miller, junior chemistry major from Natchitoches. Singletary is president of sophomore class and Miller of the junior class.

Barbara Jean Edwards, junior education major from Baton Rouge, is unopposed for co-ed vice-president. Also unopposed are Mona Grey Miller, business education major from Natchitoches, for secretary and Wanna Beth Sanders, junior business education major from Alexandria.

Francis Griffin, of West Monroe and Don Finley of Olla, both journalism majors, are in the race for Current Sauce editor. Ann Hungerbeeler, junior math major from Shreveport, is unopposed for Potpourri editor.

In the race for president of the senior class are James Jean, junior agriculture major from Mansfield, and John Batten, junior accounting major from Natchitoches. Unopposed for the vice-presidency is Vincent Hotho, junior biology major from Natchitoches.

For president of the junior class, the race is between Jack Sharp, sophomore speech major from Natchitoches, and Ed Bacilla, sophomore speech major from Shreveport. John Sporaro, sophomore English major from Bossier City, and Ann Torrans, sophomore speech major from Shreveport, are unopposed for vice-president and secretary-treasurer respectively.

Harry Moore, freshman business major from Goldonna, and Gerald Tilleux, freshman business major from Shreveport, are vieing for the presidency of the sophomore class. The race for the vice-presidency is between Osborn Blake, freshman business major from Goldonna, and Mary Catherine Gordy, freshman medical technology major from Wisner.

The student senate and cheerleader election will be held on May 6. Deadline for filing intentions is April 24.

Consider the qualifications of candidates running for student body offices, and vote for your chosen candidates on April 14.

Tryouts Are Held For New Production By Theater Group

By MYRON FLEMING

Dr. Edna West, Northwestern drama and speech professor, has announced that tryouts were held this week for "Athens To Broadway," the Northwestern State extravaganza to be presented Thursday and Friday nights, April 23 and 24, at 8 p.m. Results of the tryouts are not yet available.

The production depicts scenes from four plays representing the outstanding periods of the theater.

The first scene is from "Electra", by Euripides, one of the world's great tragedies. It features nine girls and is a combination of dance, music, and poetry. Tommy Blackbourne is designing costumes along authentic Greek lines. Joseph Carlucci is composing background music, and Betty Shaffer is directing dance movements. G. F. Kenner is assisting with the scenic design and Sterling Minturn will handle the lighting.

The second scene is from Shakespeare's "Midsummer Night's Dream." It is a slapstick farce, featuring the rustics and their burlesque of the story of Pyramus and Thisbe. Myrtle Allen is in charge of costumes.

The next scene is a domestic one from Richard Sheridan's 18th century comedy, "School for Scandal." It features the wealthly but aged Sir Peter in a quarrel with his young but gossip-loving wife. Betty Sue Boydstun is handling the costumes.

The last of the four is a one-act play, "Drums of Onde," by Austin Strong. This melodrama is set in a British outpost in India on the eve of a native uprising. It has suspennse, romance, and excitement.

High school students are invited to the Friday night performance. Admission is 50 cents. College students admission is an activity card only.

NSC Music Profs. Attend Convention In Baton Rouge

Four members of the Northwestern State College music faculty attended the first annual convention of the newly organized Louisiana Music Teachers Association held in Baton Rouge on March 21 and 22. They were Mrs. Lilian C. McCook, Miss Ann Elizabeth Biggs, Miss May Beville, and Mr. Joseph Carlucci.

Mrs. McCook, who is at present on leave of absence from her teaching duties, was chairman of the vocal music section and was assisted by Miss Biggs, who spoke on the subject "Chamber Opera". Mr. Carlucci took part in the theory and composition section and spoke on "General Musicianship Training for College Entrance".

At the final business meeting of the convention, Mrs. McCook was re-elected as chairman of the vocal section for next year and Mr. Carlucci was elected chairman of the wind instrument section. In these capacities, both will serve on the advisory board to the executive committee.

Sadie Hawkins Dance Here Wednesday Night Enjoyed By All

Northwestern went Dogpatch Wednesday night between 6-8 p.m. Mrs. Melba O'Quinn's Recreation 403 class sponsored a Sadie Hawkins Dance at that time to assist all the poor unattached females on NSC's campus in their endeavor to become attached.

At 6:00 the participants and spectators of the Sadie Hawkins Race met on the Elementary School playground. After the race everyone went to the Field House for the dance. Prizes were awarded to Johnny Dickerson and Fair Hyams for their portrayals of "Lonesome Joe," to Rae Gremillion and Jerry Noto dressed as "Mammy and Pappy Yokum," and Kaydonna Hill costumed as "Wolf Gal".

Election Time

As election time approaches again, we should all stop to consider seriously the candidates vieing for student body offices, class offices, and the editorship of student publications. The efficiency of student government here on the campus will depend largely on the choices of officers that are made now. It is very unfortunate, but true, that the majority of us students do not seem to realize this fact.

Very little interest is being shown in this year's election, as is indicated by the number of students running for offices. Four students will automatically walk into four top student government positions next year because they were unopposed. No one else bothered to file his intentions for any of the offices. While we cannot deny the fact that these four students are fully qualified and very capable of performing their respective duties efficiently, we should still remember that such poor interest could develop into undesirable situations.

Let us examine the qualifications of each of the candidates, and, on April 14, go to the polls and vote for the persons of our choice.

Council Minutes

The Student Council met at 5:45 p.m. on March 25 in the Faculty Room of Caldwell Hall. All members were present.

Lucien Spataro presented a plan on the commission of the business manager of the Current Sauce. A discussion followed, but no decision was reached. Lowell Starnes and Lucian Spataro will investigate the matter, and present a report at the next meeting.

The following have filed for offices in the general election which will be held April 14:

STUDENT BODY OFFICES—
President—Ronald Quinn
Vice-President — Robert Miller, Ben Singletary
Coed-Vice-President — Barbara Jean Edwards
Secretary—Mona Grey Miller
Treasurer—Wanna Beth Sanders

SENIOR CLASS
President—James Jean, John Batten
Vice-President—Vincent Hotho

JUNIOR CLASS
President — Ed Bacilla, Jack Sharp
Vice-President—John Spataro
Sec.-Treaurer—Ann Torrans

SOPHOMORE CLASS
President—Harry Moore, Gerald Tilleux
Vice-President — Osbon Blake, mary Catherine Gordy

CURRENT SAUCE
Editor — Francis Griffin, Don Finley

POTPOURRI
Ann Hungerbeeler

Those desiring to file for the Student Senate and as cheerleaders should do so by April 23. The election for senators, cheerleaders and amendments will be held May 6.

The meeting was adjourned at 7:00.

Respectivefully submitted,
MARY SUE BELLEW
Secretary

Student Federation To Hold Annual At SLI, April 10, 11

The Student Federation of Louisiana Colleges and Universities will hold its annual Spring convention on the campus of Southwestern Louisiana Institute in Lafayette on April 10, 11. Those schools attending the convention will include Northwestern, Louisiana College, Louisiana Tech, Southeastern, McNeese, Tulane, Centenary, and the host school, Southwestern.

The Federation was established in 1947 by students who thought that the various state schools could help solve each other's problems. Since that time SFLUC has run into many difficulties, but it is now a growing organization which in the near future should be of some benefit to all Louisiana colleges.

Plan to attend the all-college dance tonight from 8-11. There is fun in store for all.

THE CURRENT SAUCE

Entered as second class matter at Natchitoches, Louisiana. Current Sauce is published weekly, except during holidays and test weeks by the Student Body of Northwestern State College.

Minutes Of The Senior Class

The meeting of the Senior Class, which was held March 23, was called to order by Lowell Starnes, president.

Discussion was opened for the Senior Day activity, May 29. A committee composed of Sara Cutrer, Evelyn Plye and Virginia Kline was appointed to plan the program for this activity.

The next topic of discussion was the gift to be left the college by the senior class. A committee composed of Jim Yergler, Jack Ikler and Claudine Box was appointed to see Mr. Dudley Fulton about the suggestions he had to offer.

It was announced that the deadline for ordering senior invitations was April 10. The prices are 12c 25c, 50c, per invitation. Samples can be seen in the bookstore.

Senior rings can be ordered at any time. The order goes off the first of each month. It takes two months to get the order filled.

The next meeting will be held the middle of April.

The meeting was adjourned at 11:45.

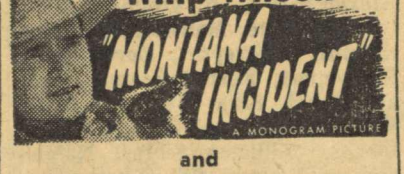

BETTY NIX
Secretary

Former NSC Student Is Recent Visitor Here

Orval Waterhout, an industrial arts major in the class of '49, was a campus visitor Tuesday. Waterhout taught industrial arts in Byrd High school two and one half years. He resigned from that position to accept a position with McQuary-Norris as tool and die maker. He has just recently been appointed general manaker of the Grown Manufacturing Company, St. Louis, Missouri. Mr. Waterhout was on his way to spend a weeks vacation on the Gulf.

Euthenics Club Holds Regular Meet Thursday

At its regularly scheduled meeting, Thursday, March 26, the Euthenics Club of Northwestern State College, met in the living room of the Home Economics building for a very special treat. Slides of the most famous homes of Williamsburg, showing beautiful interior and exterior views were shown to the group present. These movies slides were purchased by the Home Economics Department for educational as well as entertaining purposes. The members of the Home Furnishing class found the slides particularly interesting because they have been studying decorations of homes. Other members were impressed by the beautiful colors and exquisite furniture.

Pi Kappa Sigma

Today is really a busy one for the Pi Kaps. We have a big rummage sale going one behind Hughes store downtown.

Tuesday night at the regular meeting, the sorority enjoyed a box of chocolates from Kathleen Ray. They were delicious, Kathleen. More people should get pinned!

It looks as though it will be wedding bells before very long for one Pi Kap sister. Nelda Jenkins and Charles Eyre are to be married as soon as Charles comes home on leave, which will be during the month of April.

Virgie McGuffe represented Pi Kappa Sigma at the Delta Sigma Epsilon spring formal last week.

Several Pi Kaps went to Natchez during the Pilgrimage and they are still talking about a wonderful time they had. Those who went are Bebe Joy Gallender, Lora Faye Kemper, Virgie McGuffee, and Sudie Loomis.

Many thanks go to the alums who have been so very active in helping us this year. Thanks to them we now have lovely covers for our couches and archairs. Their latest contributon is linoleum for the floor and side-boards in the kitchen. The side-boards are done in solid yellow, and the design on the floor has a gray and black block on a yellow background. It certainly looks nice. All the Pi Kaps say "thanks a million" to the alumns.

☆ ☆ ☆

Delta Sigma Epsilon

A bit of Paris in springtime, or our conception of it, was transported to the student center last Saturday night for the D. S. E. spring formal, Parisian Nocturne. From the candlelighted tables of the sidewalk cafe could be seen silhouettes of various French scenes made realistic by the Arch of Triumph, the flowers floating in the rockbordered pool in the center of the court, the flower cart containing bouquets of colorful blossoms, and the sidewalk art exhibit featuring impressionistic and nightmarish paintings in garish colors.

The entertainment followed the theme of our dance, with the Rose of D. S. E., Barbara Gray, being presented immediately afterwards. As Barbara accepted the bouquet of yellow roses, our sorority flower we all sang The Rose of D. S. E.

Following the dance we attended a slumber party at the home of Mr. and Mrs. Reginald Prudhomme for a sleepless night of eating, talking, and fun.!

At our regular Tuesday night meeting, we made plans for our installation of officers next week, and discussed the rummage sale which we intend to have when we return from the Easter holidays.

☆ ☆ ☆

Alpha Sigma Alpha

The Alpha Sig house is a scene of hustling activity these days. Everyone is working and making plans for our formal next month. Entertainment for the floor show was voted on at the last meeting.

Claire Lucius presented the traditional box of candy Tuesday night to announce her engagement to Gary Thompson. She invited everyone to her wedding on June 7. Congratulations, Claire and Gary

Ann Walton invited the sorority to her piano recital which will be held April 17 in the Little Theater. Congratualtions and good luck to you, Ann!

All of the members brought gifts to the meeting Tuesday night for our new bride, Pasty Reynolds Duke. Pat was unable to be there, so the gifts are being sent to her. We send Pat and John our best wishes in their new life.

☆ ☆ ☆

Sigma Sigma Sigma

Our best wishes and congratulations go to Genie Shaw who received an engagement Ring from from Ronald Quinn last week end.

Tri Sigma added another win to its basketball score by defeating the Pups last Monday night.

Congratulations to Sue Harville and Polly Hays who recently pledged Pi Omega Pi, the national honorary business fraternity. Sue also pledged Kappa Delta Pi, honorary education fraternity

Mrs. Guy Nesom, Chapter Alumni Chairman, attended the Tuesday night meeting; she gave an interesting report on replies she had received in answer to the "Newsletter" sent to all alumni members of Alpha Zeta Chapter by her, Mary Ann Cronin, and Billie Doughetry. From the letters it was evident that many of the alumns would be returning for the Founders' Day Banquet in April.

Alpha Zeta Chapter's social service projects this year consisted of the Christmas party for littie Joyce Pate and her mother; a box of clothing sent to a French orphan last November; a subscription to Colliers Magazine sent to the Negro Tuberculosis Sanitorium in Shreveport; and a contribution of $4.87 to the Robbie Page Memorial Fund for Infantile Paralysis

Treasurer Bea Rumsey announced that the awards for the Best Pledge and the most Loyal graduating senior had been ordered. She requested that the group think seriously about the recipients of the awards, which will be presented at the Founders' Day Banquet.

Theta Sigma Upsilon

A new president was elected at the Theta Sig meeting Tuesday night. Betty Sue Boydstun had to resign her office, so now Frances Griffin will be heading the Thetas. Boo Carnhan was elected to fill the office of first vice-president, Congratulations to both these fine girls.

Plans fo the Theta formal which is to be held May 2 are well under way. The president has appointed the following committees: decorations, Betty Breitenberg, chairman; program, Pat Hankins, chairman; food, Boo Carnahan, chairman.

The theme of the dance is "Dancing in the Dark" and all the Theta Sigs are working to make it the best Theta formal yet.

☆ ☆ ☆

Sigma Alpha Iota

The Sigma Alpha Iota members met Wednesday night for a choral rehearsal and a business meeting. The group is busy with plans and schedules for annual music festival which will be here this weekend.

A nominating committee was appointed to nominate the new chapters for the coming year.

Plans were made for the pledge which will be presented after Easter.

S.A.I.'s will present a program of musicals this semester. Those on the program committee are Sallie Jo Foster and Sara Nell Woodall Younger, vocal and piano events; and Marjorie Norsworthy, instrumental and ensemble events.

BARBARA GRAY was chosen Rose of Delta Sigma Epsilon and was presented a bouquet of yellow roses at the social sorority's spring formal last Saturday night. She is shown above in center while her sorority sisters stand in the background. The dance, which had "Parisian Nocturne" for its theme, was the scene of French sidewalk cafes and the famous Arc de Triomphe.

A very happy Easter to all Students . . . . .

ROLL FILM — DEVELOPING
PORTRAITS

DIAL 4471 624 2nd ST.

The campus queen has dates galore,
A new one every night;
But Luckies are her steady smoke—
Their taste is always right!

Diana Yates
University of Washington

Nothing-no, nothing-beats better taste

and **LUCKIES TASTE BETTER!**

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-**GO LUCKY!**

So round, so firm, so fully packed—
They're really better-tastin';
So reach right up for Lucky Strike—
Hop to it, time's awastin'!

Richard J. Dresher
Drexel Institute of Technology

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

When nerves are frayed and tempers short
From books and everything—
Just smoke a soothing Lucky Strike
To get back in the swing!

DEMON TRACKSTERS HOST TO 15th ANNUAL NSC RELAYS

SHOWN ABOVE IS THE 1953 DEMON Track squad which is host to the 15th annual NSC relays: 1st row; Jefferson Reid, August Fibiana, George Oubre, Billy Collinsworth, Roldand Smith, Jack Bice, Billy Steele, Bill Hart, Raymond McFadden, Lawrence Whitt; 2nd row; Tommy Broussard, Mgr. Linden Claybrook, Waple Lilley, Clyde Chesson, M. B. Childress, Rudy Landry, George Davis, Doak Walker, Sammy Wilson, James Modisette, Hugh Purser, Hobo Rider, Billy Christmas, Mgr.; 3rd row; Coach Walter P. Ledet, Bill Little, A. J. Tellotta, Ronald Byrd, Mixon Bankston Jr., Ted Duggan, James Thomas, George McConathy, Sister Walker, Tynes Hilderbrand, Robert Lee, and Leroy Gillen.

All Events Begin At 1:00 p. m.; 853 Athletes Take Part In Meet

Northwestern State College Demon tracksters will play host to the 15th annual NSC Relays this afternoon at 1:00 p.m. This year's meet gathers together the greatest number of participants ever to run in the annual relays. A total of 51 high schools and 6 colleges will cleat the turf. More than 686 high school and 167 college athletes will attempt to bring home to their alama mater recognition of victory.

Beginning at 1:00 p.m., 66 races wil get underway, and 5 field events in 5 different classes will be in process. Last year's winner in the college ranks was Southwestern with a total of 49 points. Southeastern, Loyola, Northwestern, La. College, and La. Tech. followed in that order. In the high school brackets, Fair Park of Shreveport and Bossier City tied for first place in the AA & A class with 33 points each. In the B & C fields Marian and Plain Dealing tied with 20 tallies each.

There are five individual fields of competition this year. The classes are AA, A, B, C, and college. Only those in the GSC have been invited to enter the meet.

A list of the school in the various divisions and the number of trackmen entered from each is as follows:

Colleges: Southwestern, 30; La. Tech, 32; La. College, 27; McNeese, North East State, 20; and Northwestern, 32.

Class AA: Byrd, 13; Bossier City, 15; Haynesville, 15; Ouachita, 12; Fair Park, 18; aBstrop, 17.

Class A: Minden, 18; DeRidder, 18; Neville, 16; Jonesboro, 22; Oakdale, 14; Anacco, 5; Vivian, 15; Mansfield, 11; Many, 13; Springhill, 12; Pineville, 49; Leesville, 20; Natchitoches, 15; Eunice, 11.

Class B: Kentwood, 8; Basile, 18; Cecilie, 15; Zwolle, 13;! Mamou, 16; Buras, 11; Plain Dealing, 11; Bunkie, 15; Rosepine, 10; Ringgold, 1; Marthaville, 10; Ferriday, 12; Slidell, 9; Boyce, 11; Kenner, 15; Pollock, 12; Sarepta, 12; Hall Summitt, 11; Merryville, 14; Vinton, 10; and Coloumbia, 12.

Class C: Hathaway, 8; Bienville, 6; Iowa, 13; Converse, 12; McKowan, 7; Pelican, 8; Elm Grove, 6; Esterwood, 7; Longville, 13; Campti, 21.

NSC Golfers And Netmen Trek To Indian Campus

After dropping the first tennis match of the season to the Southern State Muleriders 4-2, here on the NSC courts Thursday afternoon, the Demon net-men travel to the Northeast State College campus in Monroe for a chance to capture their initial victory.

The Tennis team along with the Demon Golf team left the power plant this morning at 9:15 in two station wagons. A third team from Northwestern will go against the Northeast group when the baseball team takes to the field at 3:30 this afternoon.

Last Thursday afternoon, the Southern State team handed the NSC crew a defeat 4-2. The visitors grabbed three single matches and 1 doubles match. Mike Torrans was the only Purple and White to win, while the number two doubles team of Lucian Spataro and Pedler Edwards downed the 'Rider's doubles team.

Losers for the Demons were Bob Durham, Lucian Spataro, and Pedler Edwards in the 1st, 2nd, and 3rd singles matches and Bob Durham and Michel Lelong in the number one doubles.

Coach John Duffy of the Tennis team will be in charge of the golfers and the tennis men. In all there will be six racqueteers and four line-men making the trip. From the golf squad will be Bill Stanberry, Don Winemen, Alvin DeBlieux, and Herschel Russell. The six making the trip from the tennis team are Bob Durham, Lucian Spataro, Michel Lelong, Pedler Edwards, Mike Torrans, and John Spataro.

Results of the tennis meet between the Demons and Southern State are as follows:

Number one singles SS beat Whitley SS beat Bob Durham, NSC, 6-3, 6-3; Number two singles Rodney Whalen defeated Lucian Spataro, 6-1, 6-2; Number three singles, Robert Garrett, SS, beat Pedler Edwards, NSC, 6-2, 6-3; Number four singles, Mike Torrans, NSC, won from Bill Kuykendall, SS, 6-4, 2-6, 6-4; Number one doubles, Bryon Whitley and Rodney Whalen, SS, defeated Bob Durham and Michel Lelong, NSC, 6-1, 6-1; Number two doubles, Lucian Spataro and Pedler Edwards beat Robert Garret and Bill Kuydendall SS, 6-4, 4-6, 6-2.

Louisiana Anniversary Theme Of 1953 Aquatic Show

The 1953 Aquatic Show, LOUISIANA AQUACADE, will be presented Friday and Saturday, April, 24 and 25. The theme of this year's program is centered around Louisiana's 150 year anniversary. Aquatic numbers which depict the outstanding historical, industrial and cultural phases of the great State include: "Mardi Gras", "Old Man River,,' "Cotillion," "Shrimp Boats", "Cotton-Time", "Dixie-Land Jazz", "Battle of New Orleans", "Bayou Enchantment" and others.

Of especial interest to Northwestern students this year are the facts that: (1) Any student enrolled at NSC this semester is eligible to participate in the show, (2) The 1953 Aquatic Queen will also be Northwestern's official entrant in the 1953 "Miss Holiday in Dixie" contest.

If you like to swim and are interested in being in LOUISIANA AQUACADE, check the bulletin board at the women's entrance, Natatorium. Rehearsals begin Tuesday, March 30.

In her dual capacity as Acquatic Queen and NSC entrant in "Miss Holiday in Dixie", this year's Aquatic Queen will be judged on the qualifications prescribed for the "Miss Holiday in Dixie" contest. Winners of this contest are chosen according to their rating by judges on beauty, personality, poise and talent. Talent is interpreted to include performance in any of the areas of popular stage entertainment. Approximately 50 girls from the Ark-La-Tex area are expected to be entered in the Holiday in Dixie contest which will be held in Shreveport, April 30.

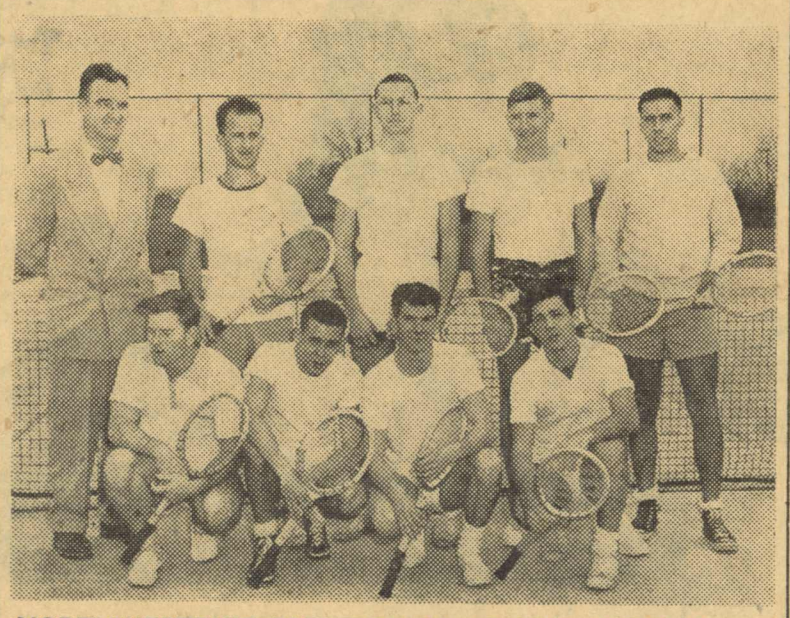

The Aquatic King will again reign at the Queen's side during both performances of the Aquatic Show. Entrants will be judged on masculine attractiveness, personality and poise.

Entry blanks have already been sent to several Campus Organization. However, any individual or organization which has not been contacted, and which would like to submit an entry is invited to obtain an entry form from Mrs. Kendrick at the Field House.

All entry forms must be returned to Mrs. Kendrick by 9:00 A.M., Wednesday, April 1.

NOTICE

There will be a track meet next Wednesday afternoon between McNeese, Southwestern, Southeastern, and Northwestern State College held on the NSC cinder path. The field events will begin at 2 o'clock and the running events will start at 2:30.

NORTHWESTEN'S 1953 DEMON TENNIS TEAM shown above. 1st. row, Bob Durham, Mike Torrans, John Batten, Lucian Spataro; 2nd row, Coach John Duffy, Michel Lelong, Ed Jordan, Pedler Edwards and John Spataro.

NSC Diamond Nine Notch Four Tilts To Up Record 6-0

In the last week of action in the baseball field, Northwestern State College Demon baseballers have captured four tilts to send their early season's record to 6 victories against no defeats.

Last Saturday at Beaumont, Texas Coach Brown's ball players slipped a 3-2 defeat on the Lamar Tech nine. Gordon Zabosky, a freshman left-hander, was accredited with the win, although Gale Hearn finished the last four innings. Northwestern played heads-up defensive ball in gaining the win. The Techesters registered five hits while the Demons did not even muster one. NSC committed only one error and completed two doubles plays.

Monday afternoon, the Natchitoches boys loaded up on runs and blasted the Barksdale Air Force Raiders 16-6. Charles Wood started the game and was given the win. He pitched five innings and then was releived by Douglas Logan. The opponent's got a total of five hits, four from Wood and 1 from Logan. NSC was swinging their bats for a maximum of 8 hits. Johnny Emmons led the parade of hits with a single, a double, and a home run, in four trips to the plate, Pat Lyons and John Clemans tallied 2 for 5 each.

Camp Polk poled Ken Shaw for seven runs in the first inning, on 2 singles, 2 home runs, and three bases on balls, to send to the showers. With this lead to face Morris Bruce took over mound duties and allowed only two hits and one run in a span of eight and one-third inning. Northwestern surged from behind that lopsided score in the first inning. In the 4th frame, NSC got four, and then followed this up with a run in the fifth, sixth, and seventh inning. A final blow-up came in the 9th when they notched 3 tallies. Once again Johnny Emmons led the base punching with 3 hits in 6 walks to the platter, this time it was 2 doubles and a single.

In the contest Wednesday afternoon, the Demons baseballers conquered their sixth straight foe by downing the Lake Charles Air Force Base 9-2. Northwestern used five hits on four errors to tally their nine runs.

Announcement

Get your entries in for the "Aquatic Queen" contest! The winner will not only reign as Aquatic Queen of Northwestern but she will also be NSC's official entrant in the 1953 "Miss Holiday in Dixie" contest. Entry forms may be obtained from Mrs. Kendrick in the Field House.

Consider the qualifications of candidates running for student body offices, and vote for your chosen candidates on April 14.

SHOWN ABOVE ARE SEVERAL OF THE NSC golfers who have tossed in their talents with the link-team. This, however, is not the regular team for two of those shown have dropped and one was ruled ineligible. Left to right: Coach V. L. Brittain, Jack Sibley and Pat Kelly (dropped), C. Hattway, (ineligible), Paul Rider, and Bill Stanberry. Other regular members who are not pictured are Don Winemen, Herschel Russell, and Alvin DeBlieux.

Unbeaten Baseballers Battle Northeast State

Putting their unbeaten record on line this afternoon, the Northwestern State baseball team will trek to Monroe, La. to battle a band of Northeast State diamond men. The Demons will be out protect their 6-0 record, while the North Louisiana boys will be trying to capture their second win. Thusfar in the season, Northeast has won 1, tied 1, and lost 1.

The Indians dropped their first contest of the season to Southern State of Magnolia, Ark., 7-2. Then came back to tie this same Ark. team 2-2. Last Saturday, the Northeast team whipped Southeastern of Hammond 7-6 in a thriller that was determined in the ninth inning. For over half of the game the Indians were trailing by a 6-3 score, but they then made the desperation come-back.

This will be the first real test for the Demons as the previous tests have been more or less exhibition contests. Coach H. W. (Woody) Bayles of the Indians points out that some of his players have been showing up very well. Three of his former American League boys in particular. Praise has been in line for Gerald Hare, second baseman, John Enmunger, and Tommy Leos, a left fielder.

On the Demon squad Johnny Emmons, Pat Lyons, and John Clemens have shown exceptionally well. Probable starting line-up for the Demons will be J. P. Johnson, catcher, Douglas Logan, pitcher James Enloe, 1st base, Sammy Booras, second base, Bob Schmerheim, third base, M. D. Ray, short-stop, Pat Lyons, left field Johnny Emmons, center field, and John Clemens, right field.

Probable starters for the Indians of Northeast are: Tommy Leos, left field Clyde (Bobo) Thompson, third base, Camillo Detore, center field, Mark Boatright, 1st base, Gerald Hare, second base, Sherrod McKain or J. B. Nolan, right field, Sam Campbell, short-stop, Wesley Jinks or Billy Thompson at catcher.

Coach Bayles has a host of pitchers that he can throw at the Demons, such as Ted Miller, Bob Bennett, Douglas (Lefty) Hudson, Sydney Langston, J. B. Nolan, or Mark Boatright.

Men's Intramurals

Kenneth Simmons representing the Frames won the annual Intramural Free Throw Contest, Thursday night by hitting for a total 88 completions in 100 attempts. His qualifying mark was 40 out of a possible 50. The full number of entries was 36.

Jerry Lavespere of Caspari came in second with 84 baskets out of the possible 100. Next in line were Bill McCraw, Sigma Tau, 82 completions; Doak Walker, Sigma Tau, 82 attempts made; J. B. Fuller, Sigma Tau, was fifth with 80; Pedler Edwards also ranked a fifth for Sigma Tau with an equal of 80; Clay Brock of Phi Kap hit for 79 buckets, and Linden Claybrock of BMOC rallied 78 to round out the top eight contenders.

Demon Gymnasts Enter Southwestern AAU Meet In Fort Worth, Texas

The Purple and White gymnastic team left this morning at 9 o'clock to journey to Fort Worth, Tex. and the Southwestern AAU gymnastic meet. A squad of ten members made the trip, and will return tonight.

Last Saturday, the gym-men entered the Gulf AAU meet and placed third in a field of 17. Coach John Piscopo did not take a full team on this trip. Shelby Brooks, John Hicks, and Henry Walton placed high in their individual events.

John Hicks took the Gulf AAU Tumbling championship while Henry Walton won the Senior trapoline title. Shelby Brook tied for first place in the rope climbing with a time of 7.0 seconds.

Northwestern placed in front of the Texas Aggies, while Texas University copped first place honors and Dallas Athletic Club racked in a second position.

Those who made the Gulf AAU meet last week are Henry Walton, John Hicks, Pedro Velez, Shelby Brooks, Bobby Sanders, and Jerry Noto. These six men plus Pat Todd, Harold Laroux, Fielding James, and Sonny Mercer will make the trip to Fort Worth today.

At the Southwestern AAU meet tonight, the Demons wil take part in the folowing events: Rope Climb, Free Calisthenics, Side Horse, Flying Rings, High Bar, Long Horse, Parallel Bars, All Around, Tumbling, and Trampoline.

Southwestern AAU medals will be awarded first, second, and third place winners. A trophy will be awarded the Championship team in the Senior division.

Demon Tracksters Capture Sat. Meet

Coach Walter P. Ledet's 1953 edition of the Demon tracksteres made it known to all GSC contenders that they are in bidding position for top-honors this season when they captured a triangular meet against La. Tech and Southeastern last Saturday afternoon in the Demon stadium.

The Demons collected 82 points, to 51 for Tech and 43 for Southeastern. Last season this same meet between the three teams was won by Southeastern. That meet took place in Ruston, La.

Summary of the meet is as follows:

Track Events

100-yard dash: Bice, NSC; Lenoir, Tech; Rainbolt, Tech; Simmerman, SE; Time 10.0

200-yard dash: Rainbolt, Tech; Bice, NSC; Lenoir, Tech; Lee, NSC; Time :22.0.

440-yard dash; Walker, NSC Lilley, NSC; Loftis, SE; Cambell, Tech; Time :50.8.

880-yard dash: Burnett, SE; Walker, NSC; Gillen, NSC; Davis, Tech; Time 2:04.6.

Mile run: Burnett, SE; Davis, Tech; Walsworth, Tech; Claybrook, NSC; Time 4:42.6.

Two mile run: Steele, NSC; Claybrook, NSC; Wilson, NSC; Rider, NSC; Time 10:55.7.

120-yard high hurdles: Chaildress, NSC; Walker, Tech; Thronberry, Tech; Time :15.7.

220-yard low hurdles: Childress, NSC; Stewart, SE; Thronberry, Tech; Walker Tech; Time :25.1.

Field Events

Shot Put: Worsham, Tech; Guiteau, SE; Bankston, NSC; Bennett, Tech; D—43 feet, 1 inch.

High Jump: tie between Price, S, and Duggan, NSC, for 1st place; tie between Davis, NSC, Byrd, NSC, and Prejean, SE, for third place. H—5 feet, 10 inches.

Javelin: Anderson, Tech; Worsham, Tech; Stone, SE; Duggan, NSC; D—148 feet 9 3-4 inches.

Broad jump: Bice, NSC; Browning, SE; Smith, NSC; Collinsworth, NSC; D—22 feet 6½ inches.

Discuss: Stone, SE; Landry, NSC; Guiteau, SE; Worsham, Tech, D—111 feet 9½ inches.

Pole vault; tie between Steele and Modisette of NSC; Fabiano, NSC; Vassallo, Tech; H—11 feet 4 inches.

Relay Events

440-yard relay; Tech; Northwestern; Southeastern; T—:43.7.

880-yard relay: Northwestern, Southeastern; Tech; T—1:31.9.

Mile relay: Northwestern, Southeastern; Tech; T—3.31.7.

Executive Opportunities For College Men

Mr. Ray Day, Regional Personnel Manager for Montgomery Ward & Company, will visit our campus Thursday, April 16, 1953 for the purpose of interviewing male graduates who are interested in the Retail Management Field as a career.

Montgomery Ward has over 600 Retail Stores and needs young men to train for Department Head, Assistant Manager and Manager positions in these Stores. Applicants will be given preferences to Store location in the Southwestern region.

Each man will be carefully selected for this management training and will be given every opportunity for rapid advancemnt. Actual selling and merchandising experience will be supplemented by a 20 week training program which will include the following operations:

Receiving and Shipping, 2 weeks; Inventory Records and Inventory Control, 3 weeks; Advertising and Display, 3 weeks; Credit Activities, 1 week; Store Catalog Department, 2 weeks; Service Operation, 1 week; Cash Office Activities, 3 weeks; Store Upkeep, 1 week; Budgeting and Expense Control, 1 week; Personnel, 1 week.

Primary consideration of those selected will be their personal qualifications— appearance, chacter, background and potential to develop. For those who are interested, contact:

MR. DUDLEY G. FULTON,
Director of Student Affairs

for more complete information and the wide range of opportunities offered by Wards.

State Educators Meet Wednesday On NSC Campus

Seventy-five principals, superintendants and supervisors from a 16-parish area of Northwest Louisiana met Wednesday afternoon on the Northwestern campus in the third assembly of the year of the Northwest Louisiana Administrator's association.

The school leaders' organization headed by R. J. Stoer, principal at Pleasant Hill, first witnessed a demonstration of group guidance led by Hubert S. Bankston, supervisor of the state board of education's mental health program.

Thirty-two sixth grades from Warren Easton elementary school on the NSC campus took part in the program, which found them assembled in a classroom situation on the stage of the Little Theater participating in a question and answer session following an unfinished story.

Also on the program of the NWLAA was Mrs. Margaret Colvin, specialist in guidance with the state board of education; Raphiel Teagle, supervisor of high schools in the state, and A. L. Ducournau, professor of chemistry at Northwestern.

As last speaker at the two-hour meeting, Prof. Ducournau lamented the shortage of chemists being turned out by Southern schools, and urged the school people in attendance to try to get more students into the high school chemistry classes.

Northwestern Chapter Of Alpha Beta Alpha Initiates Five Recently

Varnado Hall was the scene of Alpha Beta Alpha's impressive spring initiation on Tuesday, March 17. Robert Jaynes, Pat Hankins, and Doris Gahagan, Northwestern students, and R. A. Hoffpauir and J. Mitchell Reames, members of the faculty, became members of Alpha chapter.

After the initiation the new members enjoyed refreshments and conversation with other members of the Chapter. Interesting bits of conversation were that Barbara Bremer was married in the early part of January and that Claire Lucius is engaged to Gary Thompson, a former Norhtwestern student. They plan to be married this coming June.

All-College Dance

A regular informal all-college dance will be held in the Student Center tonight from 8-11. Music for the dance will be furnished by the Demonaires, college dance band.

Everyone is invited to attend. The dance is being sponsored by the Inter-dormitory Council.

Easter holidays begin Thursday at noon.

Baptists To Sponsor Sunrise Service Tuesday Morning

An Easter Sunrise service will be held on the bank of Chaplin's Lake next Tuesday morning at 6 o'clock, with a breakfast following in the Religious Cennter.

The Sunrise is being sponsored this year by the Baptist Student Union. The Baptist Men on the Campus (BMOC) will serve the breakfast in the Religious Center.

Speaker for the service will be Hubert Thrasher, pastor of the First Baptist Church in Campti.

Home Economist Speaks To NSC Foods Class Here On March 26

Miss Louise Garrett, regional Home Economist for the Wheat Flour Institute, Chicago, Illinois, gave a baking demonstration to Foods Classes in the Home Economics Building at 8 a.m. on Mar. 26.

Miss Garrett's demonstration featured a variety of breads from six easy recipes, using basic yeast batters and basic biscuit dough.

ALL ARE WELCOME

IF YOU CAN WIN THESE WINGS YOU CAN EARN OVER $5,000 A YEAR AFTER GRADUATION

Important facts about the opportunities for YOU as a Commissioned Officer—Pilot or Aircraft Observer—in the United States Air Force

Must I be a college graduate to take Aviation Cadet Training?

No. But you must have completed a minimum of 60 semester hours or 90 quarter hours toward a degree. In addition, under the new Aviation Cadet training program, you must be between the ages of 19 and 26½ years, unmarried, and in good physical condition—with high requirements for eyes, ears, heart and teeth.

How long before I get my commission?

60 calendar weeks. You will receive the finest aviation training in the world—training that not only equips you to fly modern military aircraft but prepares you for executive and administrative work as well. At the completion of your training, you will have acquired a commission as a 2nd Lieutenant and the coveted silver wings of the United States Air Force.

Where do I take my training?

Pre-flight training will be at Lackland Air Force Base, San Antonio, Texas. Primary, basic and advanced training will be taken at any one of the many Air Force bases located throughout the South and Southwest.

What happens if I flunk the training course?

Every effort is made to help students whose progress is unsatisfactory. You can expect extra instructions and whatever individual attention you may require. However, if you fail to complete the course as an Aviation Cadet, you will be required to serve a two-year enlistment to fulfill the minimum requirement under Selective Service laws. Veterans who have completed a tour of military service will be discharged upon request if they fail to complete the course.

What pay do I get as an Aviation Cadet? And after?

As an Aviation Cadet you draw $109.20 a month pay. In addition, you get summer and winter uniforms, flight clothes, equipment, food, housing, medical and dental care and insurance . . . all free. After you are commissioned a 2nd Lieutenant you will be earning $5,300.00 a year—with unlimited opportunities for advancement.

Are all Aviation Cadets trained to be Pilots?

No. You can choose between becoming a Pilot or an Aircraft Observer. Men who choose the latter will become commissioned officers in Navigation, Bombardment, Radar Operation, or Aircraft Performance Engineering.

Do Aircraft Observers get flying training, too?

Yes. Aircraft Observer Cadets receive approximately 200 hours of "in the air" instructions. The primary phase of Aircraft Observer training is the same for all branches (navigation, bombardment, etc.). The basic and advanced phases of training vary, depending on the specific course you pursue.

What kind of airplanes will I fly?

You will fly jets. The Pilot Cadet takes his first instructions in a light, civilian-type plane of approximately 100 horsepower, then graduates to the 600 horsepower T-6 "Texan" before receiving transition training in jets. You then advance gradually until you are flying such famous first-line aircraft as F-86 Sabre, F-89 Scorpion, B-47 Stratojet, B-50 Superfortress. Observer Cadets take flight instructions in the C-47 Dakota, the T-29 Convair, and the TB-50 Superfortress before advancing to first-line aircraft such as the F-89 Scorpion, B-47 Stratojet.

Will my commission be in the Regular Air Force or Reserve?

Aviation Cadet graduates, both Pilots and Aircraft Observers, get Reserve commissions as 2nd Lieutenants and become eligible to apply for a regular Air Force Commission when they have completed 18 months of active duty.

How long must I remain in Service?

After graduation from the Aviation Cadet Program, you are tendered an indefinite appointment in the United States Air Force Reserve and are called to active duty with the United States Air Force for a period of three years.

What recreation and leisure time will I have as a Cadet?

Discipline will be rigid—especially for the first few weeks. However, it is not all work. You'll find swimming pools, handball courts, movies and other forms of recreation on the post.

Where will I be stationed when I get my commission?

You may be stationed anywhere in the world . . . Hawaii, Far East, Europe, Puerto Rico, elsewhere. During your tour of duty, you will be in close touch with the latest developments in new flying techniques. You will continue to build up your flying experience and later should have no difficulty securing a CAA commercial pilot or navigator rating.

Your future is assured if you can qualify! Here's what to do:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS
Visit your nearest Air Force Base, Air Force Recruiting Officer, or your nearest Air Force ROTC Unit. Or write to:

Singletary, Edwards, Finley Triumph In Student Election

THE 1953-54 STUDENT COUNCIL—Student leaders for the ensuing year were chosen at the general student body election which was held this past Tuesday. The various student body officers and their positions are: top row, left to right, Ronald Quinn, president; Barbara Jean Edwards, coed vice president; and Ben Singletary, vice president. In the center row, left to right, are Mona Gray Miller, secretary; and Wanna Beth Sanders, treasurer. The officers on the third row are, left to right, James Jean, president of the senior class; Jack Sharp, junior class president; and Harry Moore, sophomore class president.

Student Officers Attend Convention Of State Colleges

Ronald Quinn, now vice president of the student body and president of the student body next year, was re-elected treasurer of the Student Federation of Louisiana Colleges and Universities at its annual spring meeting which was held on the campus of Southwestern Louisiana Institute, Lafayette, last week-end.

Other Northwestern students attending the convention were Leland Langridge, Lowell Starnes, Robert (Red) Miller, Joe Saltzman, Genie Shaw, Ronald Quinn, Paul Rider, Rudy Berlin, Cecil Neilsen, and Don Finley. Miss Eve Mouton, professor of French, accompanied the students.

Serving as voting delegates for the Northwestern group were Leland Langridge, Ronald Quinn, and Lowell Starnes.

Among the many committee meetings attended were those dealing with election problems, faculty-student relations, problems of studen publications, and religous emphasis. Guest speaker at a banquet for all college delegates was Shelby Jackson, state superintendent of education.

It was reported that the meeting was one of the most worthwhile ever held.

15 High Schools Enter In Contest Here This Weekend

Fifteen high schools are entered in the third annual statewide industrial education awards contest being held on the Northwestern campus today, says Dr. Walter Robinson, head of the IA department.

Schools represented are Natchitoches, Broadmoor Jr. or Shreveport, Byrd, Estherwood, Bastrop, Ruston Huey P. Long Trade School of Winnfield, Marthaville, Bossier City, Kaplan, DeQuincy, New Iberia, Arcadia, Haughton, and Amite.

The contest is held for all high school students in the state who wish to enter projects in industrial arts and vocational industrial shop courses.

Robinson said there were three purposes for the contests: (1) as an elimination contest for entering the Ford contest in IA held in June in Dearborn, Michigan. (2) Scholarships go to junior and senior winners and (3) to Stimulate IA programs in the state.

Judges for the meet are H. O. Thomas, state supervisor of industrial arts, and Dr. Roland F. Nagle, associate professor of industrial education at Northwestern.

St. Louis Sinfonietta Presents Concert Here Last Wednesday Night

The Saint Louis Sinfonietta, wth Paul Schreiber conducting, was presented in concert here at Northwestern State College, Wednesday at 8:15 p.m. in the Fine Arts auditorium.

Selections from the classic symphonies of Mozart's Overture ot "The Seraglio" and Haydn's Symphony No. 94 in G major, the impressionistic composition of Ravel's and the delightful modern orchestration from Jerome Kern's Collection were played.

Approximately 200 people attended. The concert was presented by the Natchitoches-Northwestern Concert Association.

Curtains Rise For "Athens To Broadway" Thursday Night

"Athens to Broadway," a dramatic production depiciting various scenes taken from outstanding periods of the theater, will be presented April 23 by the College Players of Northwestern State College, Dr. Erna West of the college speech department, said today.

Dr. West, director, announced the cast as follows:

Vera Gabbert, Alexandria, will play the part of Electra in the first scene, with Justine McMurry, Winnfield; Beth Smith, Eros; Dot Farmer, Alexandria; Mary Sue Bellew, Homer, and Juanita Hartwell, Gueydan, comprising the chorus.

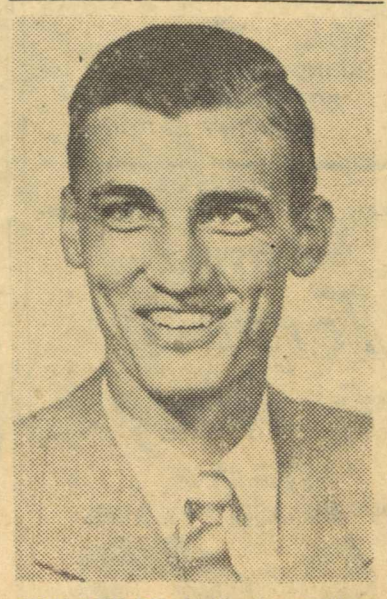

The second scene, an excerpt from Shakespeare's "A Mid-Summer Night's Dream," has as its cast Johnny Smith, Bobby Byles and Pat Kelley of Natchitoches; Cecil Nielson, Shreveport; Gerald Buxton, Gonzales; Jim Shevnin and John Gremillion, Alexandria, and Jim Bob Key, Winnfield.

"School for Scandal," the third scene, features Betty Sue Boydstun of Natchitoches and Jim Vorhoff of Abbeville. Having parts in the final scene, taken from "Drume of Oude," are Jack Sharp, Natchitoches; Gale Robinson, Hornbeck; Ed Bacilla and Gerald Tilleux of Shreveport, and Billie Fincher of Monore.

Dr. West stated that the production promises to be one of the most entertaining ever produced on the NSC stage. Admission price for the shows to be presented in the Fine Arts auditorium at 8 p.m. will be fifty cents. College students will be admitted on activity cards.

Phi Mu Alpha Chorus Travels To Morganza To Present Concert

The Phi Mu Alpha chorus travled to Morganza, La., Friday, April 10 to present concerts. Some of the numbers of the program were: Invictus, Mosquito Song, Jacob's Ladder, Ride in the Charriot, Hail Sinforietta, trumpet solo by Curtis Hoglan, solos by S. J. Westbrook and Jim Boy Key. Wilbert Mason was at the piano.

DON FINLEY, junior journalism major from Olla, was elected editor of the Current Sauce for the coming year.

Rebel Hall Dorm Holds Party Wed.

Miss Essie Givens, housemother of Rebel Hall, chaperoned a party held Wednesday, April 15, from 6:00 until 7:00 p.m. in the lobby of Rebel Hall. Chairman of the committee for the party was Herbert Law. Funds for the party were derived from the $25 first prize won by Rebel Hall for having the best decorated dormitory at Christmas.

The boys invited dates, and there were fun and dancing for all.

NORTHWESTERN BAND PRESENTS CONCERTS IN LA. HIGH SCHOOLS

Forty-one members of the Northwestern band presented a series of programs April 13-14, for Jena, Jonesville, Ferriday Wisner, Fort Necesity, Columbia, Olla, and Winnfield high schools. Joseph Carlucci in the percussion section and James Simmons, director of high school band, on the base clarnet, played with the band.

Invitations to play at the various high schools are given to Dean Dudley Fulton, who plans the tours. The purpose of the trips is to acquaint the high schools with the music department here at Northwestern.

Good attendances and appreciative audiences received the band.

Student Officers For Various Classes Are Also Named

Ben Singletary, Barbara Jean Edwards, and Don Finley were winners in the general student body election held last Tuesday at Northwestern. Class officers who won were James Jean, Jack Sharp, Harry Moore, and Mary Catherine Gordy.

Singletary, a sophomore chemistry major from Winnfield, narrowly outpointed Robert "Red" Miller of Natchitoches by a vote of 353-332 for the office of vice-president of the student body. Both of the candidates are at present class presidents, Singletary of the sophomore and Miller of the junior class.

Miss Edwards, a Baton Rouge junior majoring in upper elementary, was victor over Patsy Winkler of Olla for coed vice-president. The vote was 441-244.

A junior journalism major from Olla, Finley was elected as editor of the Current Sauce over Frances Griffin of West Monore by a vote of 520-165.

Student body officers who were unopposed and were thus automatically elected were president, Ronald Quinn of Sarepta, a major math major; secretary, Mona Grey Miller of Natchitoches, a junior business major; treasurer, Wanna Beth Sanders of Alexandria, a junior business major; and Potpourri editor, Ann Hungerbeeler of Shreveport, a junior math major.

Electer as president of the senior class was James Jean of Mansfield, a junior agriculture major. Jean defeated John Batten of Natchitoches by a vote of 111-72.

A sophomore speech major from Natchitoches, Jack Sharp defeated Ed Bacilla of Shreveport for junior class president by 122-44.

Harry Moore, a freshman business major from Goldonna, was elected as sophomore president by a vote of 190-132 over Gerald Tilleux of Shreveport. Elected to sophomore vice-president was Mary Catherine Gordy, freshman medical technology major from Wisner. She defeated Osbon Blake of Goldonna 175-147.

April 23 Deadline Set For Student Senate Intentions

Those who intend to run for Student Senate and cheerleaders should file their intentions before April 23, it was announced this week by Winnie Dowden, student body coed vice-president.

The senate and cheerleader election will be May 7 in conjunction with the annual constitutional amendment election. The amendments, should there be any, have not yet ben formulated and passed by the student council and senate.

Sixteen senators and four cheerleaders are to be elected. In addition, five freshmen senators and two freshmen cheerleaders will be elected next fall.

Filing should be made with Miss Dowden or with Mary Sue Bellew, secretary of the student body. The only requirement for filing is a written statement from the registrar's office stating that the applicant has a C average.

One out of every 1,160 persons last year participated in Red Cross activities through a contribution of $1 or more to its support.

LIBRARY

Council Minutes

The Student Council met at 5:45 p.m. on March 18, in the Faculty Room of Caldwell Hall. Present were Leland Langridge, Mary Murphy, Mary Sue Belew, Ben Singletary, Lowell Starnes, Ronnie Quinn, Red Miller, and Winnie Dowden.

Lowell Starnes made a report of the investigation of the plan to change the commission of the business manager of the CURRENT SAUCE. No compromise was reached.

Further discussion of this problem ensued. Winnie Dowden moved that we pay the business manager 20% instead of 15%, not to exceed a full-time scholarship and retroactive to Fall 1952. Mary Murphy seconded the motion, and it passed. It will be sent to the Student Senate for consideration.

Plans were made for the student body election. Commitees were appointed. Plans are being made to have the election returns announced over the radio.

Leland Langridge moved that we recommend to Joe Saltzman that he put out a paper April 11 because of the forecoming student body elections. Winnie Dowden second the motion, and it passed.

On April 10-11 representatives from NSC will attend the Student Federation of Louisiana Colleges and Universities held on the campus of Southwestern Louisiana Institute in Lafayette.

The meeting adjourned at 7:05.

* * * * * * * *

The Student Council met on April 15 in the Faculty Room of Caldwell Hall. Present. were Lowell Starnes, Ronnie Quinn, Mary Murphy, Mary Sue Bellew, Winnie Dowden, and Dean Fulton. Ronnie Quinn presided in the absence of Leland Langridge.

The need of improvement in the Field House was discussed.

The deadline for filing for Student Senate and cheerleaders is Thursday, April 23. The election wil be on Wednesday May 6.

Publicity for the Student Senate election was discussed.

The present Student Council will contact the new officers for the coming year. A joint meeting will be held next Wednesday April 22 at 4:45 p.m. in Caldwell Hall.

The annual Student Council banquet was discussed.

The meeting was adjourned.

Respectfully submitted,

MARY SUE BELLEW

Kappa Delta Pi Has Annual Banquet

Kappa Delta Pi, national honarary and professional education fraternity, held their annual spring banquet in the private dining room of the Student Center Tuesday, April 14, at 8:00 p.m. Immediately preceding the banquet, an initiation ceremony was held in the living room of the Home Economics building. Those becoming members were Betty Sue Boydstun, Natchitoches; Daisy Cox Natchitoches; Hazel Davis Ringgold; Sue Harville, Leesville; Ann Hungerbeeler, Shreveport; and Barbara Sue Stephenson, Leesville.

Honor guests at the banquet were the deans, professors, and presidents from Arkansas, Oklahoma, and Louisiana, here as members of the visitation committee. Presiding over the banquet was Winnie Dowden, the president of Kappa Delta Pi. The invocation was given by Dr. F. A. Ford. Dr. John B. Robson introduced guests and Thelma Ruth Stevens presented the new members. Gervais Aldredge presented the speaker for the evening, Mrs. P. Colvin, State Supervisor of Guidance in Louisiana. As final speaker for the year on the theme of guidance, Mrs. Colvin chose for her topic "Our Forest and Some Of Its Trees."

Presentation of awards was made by Patsy Winkler and President H. Lee Prather. The winner of the award for outstanding service in the field of education was Dr. F. A. Ford. Dr. Ford, who is to retire soon, was recognized as being one of the most beloved and respected members of our faculty.

The award for the outstanding college student went to Winnie Dowden, who, along with her numerous extra-curricular activities has managed to maintain a remarkable scholastic average.

Mary Ann Walton Presents Piano Recital

Miss Mary Ann Walton, sophomore piano-and-organ major from Bastrop, presented a piano recital last night at eight o'clock in the Little Theater of the Fine Arts building.

Included in the program were Bach's "Prelude in E Major" and "Tugeu in E Major"; Beethoven's "Sonata Op 31 No. 1"; Chopin's "Prelude in D Major" and "Schergo in C Minor"; Phillips' "Blues", and "Sonatino"; and Riual Fire Dance" by DeFalla.

Miss Walton is a member of Alpha Sigma Alpha social sorority and Sigma Alpha Iota music fraternity.

LETTERS to the EDITOR

Dear Editor:

A couple of weeks ago there was an editorial in our school paper, the CURRENT SAUCE, concerning the food being served in our chow hall. At that time I, along with everyone else, merely read the article and commented on it, stating thtat it was quite true and then said nothing more about it. Well, now I am trying to do something.

I have at this time (Sunday, April 11) just come from eating at the chow hall. The food served there today was the worst food I have ever had the misfortune to sink my teeth in. As I walked in the door I, along with the three boys with me, was nearly overcome by an undetermined aroma. That smell as I soon learned was emanating from the turkey that was being served. To be blunt it is enough to say, THAT STUFF STANK! I don't know that this letter will change things in the least but I am writing it in hopes that others will do the same. Then maybe we can get some food that is at least halfway decent.

As was stated in the previous editorial there is a general attitude on this campus of, 'Don't gripe, transfer." That's a lot of bunk. How do you expect to get food as long as you think that way? The way things stand now, a person almost needs two meal tickets—one to buy in order to live ON the campus, and the other we need to buy from some restaurant in order to LIVE. I don't know about everyone else, but I will say that ninety per cent of the people here can't afford that, so we go ahead and eat at the chow hall and gripe to ourselves, and the food continues to worse. I hope that everyone who has ever complained about chow hall food will read this letter and then either gripe out loud or get a transfer, or do SOMETHING that will get us some decent food.

JOHN JAMES

Natchitoches, La.
April 15, 1953

Editor of the Current Sauce
Dear Sir:

I want to take this means to thank all of those who aided me in winning the recent election in which I was chosen as the 1953-54 Current Sauce editor.

There are so many whose help was invaluable and without whom I would have been at a loss. Deep appreciation goes to each one.

Thanks for those who supported me in the campaign, who spoke to others in my favor, who helped me with posters and in distributing handbills.

Thanks for those who made my trial edition possible, for each staff member, each reporter, for all the personnel at the Natchitoches Enterprise where the Sauce is printed, for Joe Saltzman who gave me much technical advice.

But most of all, thanks go to those who voted for me, who had confidence in me. I only hope I can fulfill that confidence next year by giving you a Current Sauce of which you can be proud.

Again, thanks a lot.

Gratefully yours,
DON FINLEY

Sigma Sigma Sigma

Congratulations to Mary Catherine Gordy, elected vice-president of the Sophomore class in last Tuesday's election.

At a very impressive ceremony Tuesday night the officers of 1953-54 were installed. After the formal installation a short business meeting was held with the new officers assuming their duties.

Sue Harville and Barbara Sue Stephenson were formally initiated into Kappa Delta Pi, honorary education fraternity, Tuesday night prior to the annual Kappa Delta Pi banquet.

Alcidie Thompson, Barbar Evans, and Sue Bellew were installed as AWS officers Wednesday night.

Final arrangements were made for the Founders' Day Banquet Saturday, April 18. Mrs. R. J. Dobson, a member of the Advisory Board of Sigma Sigma Sigma will be on hand to participate in this final celebration of Alpha Zeta Chapter's 25th birthday.

Plans for the initiation of the remaining pledges were made. The ceremony will be held in the middle part of May following the passing of the pledge test by the prospective initiates.

This will serve as an inviatation to everyone to drop in at the Tri Sigma house Sunday morning from 9:30 to 10:30 a.m. for a cup of coffee in honor of the chapter's 25th birthday and the 55th birthday of the sorority.

☆ ☆ ☆

Sigma Tau Gamma

We are glad to welcome back to classes and Sig Tau our Bob Durham who has been away from school for about two weeks with an extended nose operation. Bob is also sorely missed by the NSC Tennis Team. At any rate, welcome back Durham!

Our National Grand President, Brother Webb was with us at a called meeting of Sig Tau last Wednesday night. His presence was truly an inspiration to the group as well as his well spoken words on Fraternity Life and Sigma Tau as a national fraternity. His interesting sidelights on his experiences as a Sig Tau during the 1929 depression period was a truly inspiring talk. After the called meeting, Brother Webb conferred with the chapter officers.

Congratulations to our Sig Taus who placed in the Finals of last Wednesday's Sports Night. Taus Paul Rider and Bob Wilson walked off with places in the Box Hockey event. Sammy Wilson garnered a slot in the Paddle Ball competition while Bob Durham and Mike Torrans grabbed positions in Ping Pong. Congratulations, Boys!

Alpha Sigma Alpha

Evelyn Pyle treated the sorority to the traditional box of candy last Tuesday night. She is engaged to Dan Adams. Congratulations!

Nancy King and Lee Simmons were chosen as our candidates for the queen and king of the Acquatic Show. Wanna Beth Sanders, Ann Hungerbeeler, and Mona Grey Miller went to Mexico with the Purple Jackets during the Easter holidays. From all accounts it was a wonderful experience and everyone had a good time.

Wedding gifts were taken to Patsy Reynolds Duke during the holidays. She is at home witht her parents, employed as a bookkeeper at present. John is stationed at Fort Bliss, Texas.

The lights were burning late last Saturday at the Alpha Sig house. We had a slumber praty and worked on the decorations and final plans and preparations for our formal which is to be tonight. Everyone is looking forward to the dance and expecting it to be the best one we have ever had.

We are very proud of our new Alpha Sig Chapter, which was recently organized at Western Michigan College at Kalamozoo, Mich.

Congratulations to our new Student Body officers, Wanna Beth Sanders, treasurer, and Mona Grey Miller, secretary.

THE TRIO OF WOMEN SPEAKERS from Northwestern State college captured the women's sweepstakes in the national Pi Kappa Delta speech tournament at Kalamazoo, Michigan, last week. Their feat places them in the top ten per cent of women speakers across the country. The three are, from left to right, Pat Hankins of Coushatta, Ann Torrans of Shreveport and Vera (Chick) Gabbert of Alexandria.

Pi Omega Pi

Elected president of Pi Omega Pi National busines fraternity, last Thursday night was Manuel Lena, business administration major. Other officers elected for the coming year were Charles Williams, vice president; Frances McLain, secretary-historian; Martha Ann Leach, treasurer; Wanna Beth Sanders, reporter; and Sue Harville, chaplain.

In addition to electing officers, the fraternity made plans for its annual fish fry at Durhams Camp on April 25. Not only are fishing and boating on the agenda, but plans are being made for the traditional sotfball game.

The members also signed the newly revised Constitution, which had to be changed to meet the needs of the growing chapter. The group also voted to continue the annual presentation of the senior awards to the outstanding senior business students.

AWS Spring Convocation To Be Held April 27

Attention! all women students! There's a treat coming your way on April 27. Remember this date and keep it open.

What is so important about this date? Well, (for a little inside information) this is the date of the AWS Spring Convocation, a meeting which all the women students should look forward to. Following the meeting will be a reception in Varnado to meet the guest speaker, Mrs. Adel Starbird from Washington University in St. Louis.

Remember the date, April 27.

Future Careers Theme Of Meet At LSU April 25

Advice for students who are undecided upon their future careers will be the theme of the annual meeting of the Louisiana Chapter of Special Libraries Association Saturday, April 25.

The meeting will be held at the Faculty Club at Louisiana State University. The session will begin at 2:30 p.m. and will feature a panel discussion participated in by representatives of special libraries. Included in the list of libraries are science, technology, law, foreign trade, commerce, government and medicine.

Mrs. Dorothy Skau, president of the Louisiana Chapter of Special Libraries Association, stated that the purpose of the meeting was to point out the possibilities of careers in special library work in many different professions.

"Whether a student is interested in specialized knowledge itself, writing business or technical reports, or helping professional men find the answer that counts, careers in special library work are rewarding and interesting," Mrs. Skau said. "The Central Intel ligence Agency is one of the examples of the varied work open to special librarians. In addition, scientific and other research projects constantly require the talents of special librarians."

Mrs. Skau said that students attending the annual meeting would be given "ample opportunity" to observe the functions of special librarians. Those interested in attending the meeting should contact Mrs. Jack Dantin of the Louisana State University Commerce School Library, at Baton Rouge, she said.

Northwestern State Given Clean Bill After Visit By AACTE Representatives

An inspecting group representing one of the major accrediting associations in the nation said Wednesday that Northwestern State college is "quite adaquate" to train prospective teachers.

Nine men, forming a committee of the American Asociation of Colleges for Teacher Education, gave a summary report to NSC's assembled faculty at an 11 o'clock session Wednesday. The report included findings of their four-day stay on the campus.

The visiting group, headed by President D. D. McBrien of Henderson State Teachers college of Arkadelphia, Ark., praised NSC on its overall educational facilities and enterprise and made several recommendations.

This inspection was the first ACTE visit to a Louisiana college. Other institutions in the state will receive similar visits in the near future. A much fuller report of the group's findings will be mailed to NSC from AACTE headquarters in New York.

Major reconmmendations by the committee were:

1. that the present three schools of the college be fused into one with a single head.
2. that steps be taken to secure rank for supervising teachers.
3. wider faculty participation in counselling services.
4. acquisition of more teachers with doctors degrees.
5. that visual education be a required part of every prospective teacher's training.
6. that student teachers get greater number of contacts with youth groups of the community.
7. that faculty members be encouraged to do more writing.

The AACTE group went on record as saying that the NSC faculty understands the college's objectives and is continually evaluating its program. Especially praised was the library with its "excellent" staff and book holdings.

Commended also were the following:

1. the education orientation course.
2. good financial setup.
3. academic freedom and tenure system.
4. method of faculty selection.
5. reasonable and adquate teaching load for faculty.
6. post-doctoral study.
7. testing and health services.

Engineering Confab Held On Campus

The seventh annual Engineering and Drawing Conference was held on the Northwestern campus yesterday and this morning with the theme of the conference being "Current problems in drafting as related to teaching and the industrial field."

The conference got under way yesterday afternoon at 1:30 in the Little Theater with Dr. Walter Robinson, head of the NSC Industrial Arts department, presiding.

Speaker for the first session was Mr. W. M. Wilson, chief draftsman for the United Gas Pipe Line Company in Shreveport. Wilson spoke on trends in industrial drafting.

At 3:30, Mr. C. E. Rowe, professor of engineering drawing at the University of Texas spoke on the content, scope, and methods in descriptive geometry.

The conference closed this morning with a panel discussion on typical drafting problems and their solution. Chairman of the panel was Dr. Roland Nagel, associate professor of industrial education in the NSC department.

Spring Practice For NSC Debaters Is Underway

Spring practice for the Northwestern State college debate squad has started. Any student, regardless of what his major is, is welcome to try out for the squad. The team went to seven tournaments this year in Okla., Texas, Miss., and Mich. Mr. Donald Graham, debate coach says that NSC should have at least 30 persons squad. Any person interested in joining the squad and making the trips with them should contact Mr. Graham in the speech office, Fine Arts Building.

NSC Women's Team Takes Sweepstakes At National Meet

The Northwestern State College squad closed out the season by taking a superior team rating at the national Pi Kappa Delta speech tournament at Kalamazzo, Mich., the largest forensic meet in the country.

Pat Hankins and Anne Torrans took a superior rating in debate by winning 7 out of 8 debates. They defeated Michigan State, Northern Mich., Northern Ill., Kansas Wesleyan, Principia of St. Louis, Tenn. Tech, and North Carolina, and lost to Bradley of Peoria, Iill.

Chick Gabbert won an excellent in discussion and a good in oratory and Anne Torrans won an excellent in extemporaneous speaking.

The total points collected gave the three girls as a team a superior rating for sweepstakes, placing them in the top ten per cent of the nation's debate teams.

The girls, accompanied by Dr. Phillips of the social studies, department, came back through Chicago where they went to see Helen Hayes in the stage play, "Mrs. McThing". Reports are that they enjoyed the trip and the tournament very much.

The next Pi Kappa Delta National tournament will be held at Redlands College, California, in 1955.

McNeese Cowpunchers Brand NSC Tennis Team

The Cowboys of McNeese State roped the Northwestern State College net-men, 6-1, in a meet held on the NSC campus Friday afternoon. Both teams were waging a personnel battle against the incomparable forces of wind.

Northwestern was defeated in four of the singles matches and fell in both doubles. Peddler Edwards was the Only Demon to break into the win column. Both teams were playing without the services of their number one man.

Summary of the Scoring is as follows:

Jerry Simmons beat Mike LeLong, 6-2, 6-2.

Allen Singleton MS, defeated Lucian Spataro 7-5, 6-1.

Pedler Edwards, NSC downed Marshall Clayton, 6-4, 1-6, 6-1.

Gush Schram MS, beat Mike Torrans, 2-6, 6-3, 7-5.

Wilson Albrado defeated John Batten 6-2, 5-7, 6-4.

Simmons-Schram beat LeLong-Spataro, 6-1, 6-4.

Singleton-Clayton beat Edwards-Torrans, 6-1, 3-6, 6-2.

THE TIMES' Managing Editor Charles Cunningham shows Northwestern State College's Eugene P. Watson the first number of the Times, issued March 13, 1903. The two are standing in the room in the College Library where the bound volumes of the Times presented the college are stored.

Fifty Bound Copies Of Times Are Given To Northwestern State Library

Fifty bound volumes of the Natchitoches Times from 1903 through March 13, 1953 have been donated to the Northwestern State College Library by the publishers as a memorial to the late John H. Cunningham, son of the Times' editor, Mrs. E. P. Cunningham and son-in-law of F. G. Fournet.

First Lt. Cunningham lost his life near Bastogne in January, 1945, in action against the Germans. An alumnus of the college, he was Business Manager and Associate Editor of the newspaper until he entered the Army.

The colection will be housed in a special room of the College Library. It is invaluable because the majority of old Natchitoches newspapers were destroyed by fire when the Natchitoches burned in the 1930's.

"Spring Play Day" Held On NSC Campus

About 60 girls from 12 Louisiana high schools are expected to participate in the 1953 Spring play day which is being held on the Northwestern campus today.

The program for the day's activities is as follows:

9:00-9:30 — Registration, Women Gym.

9:30-9:45—Organization of teams
9:45-11:30—Softball and Volleyball, Elementary school playground.

11:30-1:00—Lunch, Songs, Organize Stunts, Dance Studio.

1:00-1:45—Stunts by teams.

1:45-2:15 — Demonstration, College Students.

2:15-3:00—Folk games.

3:00-4:00 — Swimming, Natatorium.

Grolier Exhibit Here On Campus

The Grolier Society's trailer-museum, known as "The Magic Carpet on Wheels," was on the Northwestern State College campus all day Wednesday and Thursday, April 8-9. As their part in the quincentenary celebration of the invention of the moveable type by Johann Gutenberg, the Grolier Society, publishers of "The Book of Knowledge," made this extremely valuable exhibit available free of charge; local sponsors were the college library and Alpha Beta Alpha, the library science fraternity.

The trailer-exhibit designed to present a "history of the written word," began with several deeds of sale and royal decess from Babylon and Sumeria, in cuneiform writing on clay cylinders, dating back to 3500 B.C. There was also a papyrus leaf from the Egyptian "Book of the Dead."

The exhibit included the first edition of the "King James Bible" as well as a rare fragment of Gutenberg's 36-line edition.

Example of manuscript illumination dating from the time this fine arts was practiced in the monasteries of of Southern Europe were an important part of the display, illustrating rich color and matchless workmanship that has preserved art techniques through the centuries.

Fine bindings, old and modern, with exquisitely tooled leather and brilliant jewel and gold ornamentation were included. And the examples of fine presswork from many eras showed the history of the development of type faces and impression techniques from the days of Gutenberg until the present century.

Dean Of Women Attends National Meet In Chicago

Dr. Kathleen Gillard, dean of women at Northwestern State college, reported a splendid meeting of the National Asociation of Deans of Women held at the Conrad-Hilton Hotel in Chicago. Six hundred and seventeen deans of women were in attendance.

Outstanding contributions to the program were made by Miss Frances Perkins, secretary of labor, who will shorty join the faculty at the University of Illinois as a professor in the field of Labor problems; Lillian Gilbreth, Consulting Engineer; Ruth McCarn, dean of students at the University of Chicago, and Althea Hotel, dean of women at the University of Pennsylvania, now on leave to direct the newly established Commission on the Education of Women of the American Council on Education.

This Commission has for its purpose a study of the actual and potential contributions of Women to society. This will include research on the influences that education, social attitudes, and cultural patterns have had upon women in the formation of their personalities, the use of their aptitudes, and the nature of their contributions. Special attention will be given to discovering what men and women consider to be the areas in which women have been adequately or inadequately prepared for their changing and expanding responsibilities. It is anticipated that from these findings will emerge implications for the education of women.

Dean Gillard attended sessions on Professional Growth, Personality Factors Related to Learning, Discipline, Status and Salary of House Directors, and Group Dynamics, The Dean's Association held joint meetings with National Pan-hellenic and the American Association of University Women.

Tyrone Power Is Featured Sunday On Theater Guild

United States Steel's award-winning radio program, "The Theatre Guild on the Air," presents Tyrone Power starring in "The Petrified Forest," Sunday, April 19, via stations of the National Broadcasting Company network at 7:30 p.m. (CST).

Power will portray Alan Squier, a disillusioned but philosophical young writer in Robert Shrewood's exciting drama, which had a lengthy run on Broadway before being made into very successful film.

While hitchhiking across the Arizona desert Squier met a young girl whose drab existence centers around a lonely gas station operated by her family. The tempo of their dull surroundings increase alarmingly when a notorious convict and his henchmen seek a refuge at this desert outpost.

One of Hollywood's top box office attractions, Power has had an enviable screen career Among his well-remembered films are "Lloyds of London," "The Razor's Edge" and "Prince of Foxes." The handsome leading man began his theatrical career playing oppoiste Katharine Cornell. He is again being seen on Broadway, following a long absence, co-starring with Judith Anderson and Raymond Massey in the exciting new hit, "John Brown's Body."

TEACHERS WANTED

Minimum 1953-1954 salaries anticipated for degree teachers without previous experience: bachelor's $2,700 and up, master's $3,000 and up, doctor's $3,300 and up. Generous increase for each year of previous or subsequent public school experience in or out of state to much higher maximum. Excellent retirement program and many other advantages including continuing contract or permanent tenure legislation. Not "Can I afford to teach in Florida," but "Can I afford not to teach in Florida?" White teachers only. Free registration. Write for application form. Tell your friends.

Demons Tie Northeast, Lose To Southwestern In Two Tennis Matches

Playing without the services of Bob Durham and Luican Spataro, the Demon No. 1 and No. 3 men, the Northwestern State College netmen tied the Northeast Indians Wednesday 3-3, and lost to Southwestern Louisiana 7-0 Thrusday afternoon.

In the match against Northeast, each team lost two singles and won two singles, and they both split one doubles game each. Mike LeLong, the NSC regular No. 2 man, played an exceedingly good match in downing a highly touted Ralph Abraham, 6-2, 6-3, in the No. 1 singles of the afternoon. And Pedler Edwards, who was forced to move up from the fourth position to play in the No. 2 slot, downed Jim Lewis, handily 6-2, 6-3.

Against the Southwestern Bulldogs, the opopnents captured five matches and two doubles, in ganering the win.

Summaries of the two meets are as follows:

Northwestern - Northeast.

Mike LeLong, NSC beat Ralph Abraham, 6-2, 6-3.

William Edwards NSC beat Jim Lewis, 6-2, 6-2.

James Shively, NE beat Mike John Batten, 6-2, 4-6, 6-4.

Chis Gatzoulas, NE beat John Batten, 6-2, 4-6, 6-4.

Abraham-Shively, NE beat LeLong-Batten, 6-2, 4-6, 6-4.

Edwards - Torrans, NSC beat Gatzoulas-Lewis, 6-2, 6-2.

Northwestern - Southwestern

Ronnie McAndrew SW defeated Mike LeLong, 6-2, 6-1.

Eugene Smith SW, defeated Pedler Edwards, 6-4, 6-4.

Don Pontiff SW, downed Mike Torrans, 6-2, 6-0.

Jim Ford SW, dropped John Batten, 6-0, 9-7.

Rene LeBlanc SW, beat John Spataro, 8-6, 6-2.

McAndrew - Ford, SW, defeated LeLong-Durham, 6-1, 6-3.

Smith - Pontiff SW, downed Edwards-Torrans, 7-5, 8-6.

State Board Rules Room And Board Credit No Good

Credit for room and board will no longer be extended by the treasurer's office. Action calling for the move was made at a meeting of the state board of education in Lafayette last week.

The group cited the laxity of the administrations of state institutions to regulate and control the extension of credit. One school had allowed $18,000 credit to its student body.

The administration here has offered to aid students meet their financial obligations whenever possible. The attention of the students is also called to the student loan fund where money may be borrowed at a low interest rate.

Cowboys Falter In 11th To Give NSC 7-6 Win

A single by outfielder Johnny Cunningham in the 11th inning of a deadlocked game pushed across the winning run here yesterday, thus giving the Northwestern State College diamond crew a 7-6 conference victory over the McNeese State College Cowboys. Third baseman Bob Schmerheim scored the tie-breaking run from third on Cunningham's bloop hit over the head of Watson, Cowboy second baseman.

The McNeese squad, trailing 6-1 going into the 9th inning, tied the contest with a 5 run explosion on 4 base hits, and 3 Demon errors.

Three of the game tieing hits came from the efforts of Morris Bruce, who had limited the Cowboys to only 3 singles in 8 innings. Gale Hearn took over mound choers then, and allowed one hit for the last 2 stanzas, gaining credit for the win.

The win gave the Demons a 1-1 confenrce record. The loss was a 11-9 affair with the La. Tech Bulldogs last Saturday.

This afternoon, the Northwestern crew will meet Southwestern Louisiana, at 2:00 p.m. in an attempt to better their conference standings.

Demon Gymnasts Once Again Capture Southern AAU Crown

ONCE AGAIN GAINING THE TITLE of SAAU champion are the Demon gymnasts of 1953. Pictured above is the team circle about the Trapoline as Henry Walton, the NSC ace bouncer, comes out of a perfect flip. Walton holds the Gulf AAU Senior Trapoline title, and was featured along with Sonny Mercer and Dave Kendrick in a special trapoline exhibition at the SAAU meet.

Defending Champs Repeat As Winners; NSC Muster Tremendous 42½ Points

Once again the Northwestern State College gymnastic team brought home the laurels of the Southern AAU gymnastic title. Coach Piscopo's G-men racked up this honor Thursday night in the Demon gymnasium as NSC played host to the meet. The victory marks the fourth year that the Natchitoches boys have captured the crown.

The Demons mustered a tremendous 42½ point total that was 24½ points in front of their next opponent, the Baton Rouge "Y" club, which finished second with 18 points. New Orleans Athletic Club was third with 14½, and Mississippi Southern fourth with 13 points.

All-around champion was Gene Perkins of Mississippi Southern with 152.5 points. Harold Laroux of Northwestern State was close behind with 146.2. Malon Wetmore of BR "Y" E. Cooke from Mississippi Southern, Bobby Sanders of NSC, and Pedro Velez of Northwestern followed in that order.

Beside those entered in all-around competition from NSC who racked up honors was Shelby Brooks. He captured a first place in the Rope Climbing, second in the Still Rings, and two third places in the Parellel Bars and the Long Horse. A feature of the night was the exhibition put on by Brook's elementary school class. The children who performed were indeed a credit to themselves and to their teacher, Brooks.

Coming out of the meet with the titles of 1953 champions in individual fields from Northwestern were **Johnny Dickerson, Shelby** and Harold Laroux. Dickerson notched a first in the Indian Clubs with a high of 24 pt.; Brooks took top honors in the Rope Climbing with a scale in 6|4 seconds; and Larous won the Long Horse competition with a 50.3 total.

The following is a list of the events of the meet and the rank in which each competitor who placed came out:

Parallel Bars: Gene Perkins, Miss. Southern; Jack Gray, NOAC; Shelby Brooks, NSC; Mahlon Wetmore, BB "Y"; and Harold Laroux, NSC.

Women's Tumbling: Lee Lee Phelps, Reggie School, New Orleans; Judy Willis, Hines School; Bonnie Viosca, Reggie School; Fay DeSalvo, Nuss School; and Wanda Hatcher, Hines School.

Horizontal Bar: Mahlon Wetmore BB "Y"; E. Cooke, Mississippi Southern; Allen McDaniel, NOAC; Harold Laroux, NSC; and Robert Sanders, NSC.

Side Horse: Mahlon Wetmore, BB "Y"; Robert Sanders Sanders, NSC Shelby Brooks, NSC; Ralph Dusse, NOAC; and Gene Perkins, Miss. Southern.

Long Horse: Harold Laroux, NSC Glynn Ebarb, NSC; Bill Collinsworth, NSC; Earl Blalock, BB "Y"; and E. Cooke, Miss. Southern.

Rope Climb: Shelby Brooks, NSC; Harold Laroux, NSC; Robert Sander, NSC; Pedro Velez, NSC; and James Fielding, NSC.

Men's Tumbling: George Wagner, NOAC; John Hicks, NSC; Jerry Noto, NSC; and Jim Pettus, NOAC.

Trampoline: Henry Walton, NSC; Dave Kendricks, NSC; and Hugh Mercer, NSC.

Free Calisthenics: Gene Perking, Miss. Southern; E. Cooke, Miss. Southern; T. Lowry, Miss. Southern; Mahlon Wetmore, BB "W"; and Pedro Velez, NSC.

Indian Clubs: John Dickerson, NSC; Earl Blalock, BB "Y"; Mahlon Wetmore, BB "Y"; Harold Laroux, NSC; and Hugh Mercer, NSC.

Flying and Still Rings: Gene Perkins, Miss. Southern; Shelby Brooks, NSC; Rudolph Balentino, NOAC; Mahlon Wetmore, BB "Y"; and Harold Laroux, NSC.

Referee and Chief Judge was Mr. Warren Hauth. Judges were Mr. Al Kopp, Mrs. Robert Rouse, Mr. Benjamin Ruhl, and Mr. Henry Lyle.

Demon Tracksters In Four-way Meet At Ruston Today

Fresh from capturing a fourth place in the Southwestern Relays which featured 4 universities and 9 colleges, the Northwestern State College track team will journey to Ruston, La., this afternoon, for a four-way meet between La. Tech., La. College, Centenary, and Northwestern. Field events will start at 2:30, and the running events will begin at 3:00.

In this same meet last year, which was held on the NSC campus, the Demons took top honors with 72 points. La. College was second with 49, then came La. Tech with 44, and Centenary was last with 16 points.

Last Saturday, in the Southwestern Relays, the University of Houston racked up a first place LSU took second, East Texas State won third, and Northwestern fourth.

The Demons who placed in the meet are as follows:

Third place in the 440 yard relay: Hart, Hildebrand, Doak Walker, and Bice.

Second place in the distance medley: Roland Smith, Leroy Cillen, Sammy Wilson, and Linden Claybrook.

Fourth place in the sprint medley: Waple Lilley, Raymond McFadden, Robert Lee, and Murrel Walker.

Third place in the mile relay: M. D. Childress, Waple Lilley, Doak Walker, and Murrel Walker.

Third place in the 100 yard dash: Jack Bice.

Third place in the 2mile run: Dennis Rider.

Tie for second place in the High Jump: Ted Duggan.

Tie for third place in the pole vault: Clyde Chesson.

Sixth in the 880 Yard Relay: Walker, Hildebrand, Purser, and Bice.

Final Rehearsals For Aquatic Show Have Been Staged

The Northwestern State College Natatorium has been the site of concentrated activity with final rehearsals and prepartations for the annual water show, Louisiana Aquacade, to be presented Friday, April 24 at 7:30 p.m. and Saturday, April 25, at 8:00 p.m.

This year's show will be presented in commemoration of Louisiana's 150th anniversary. An outstanding program of varied aquatic numbers makes up the swim pageant. An all men's number portrays the historic Battle of New Orleans, complete with hand to hand combat. Nostalgic memories of times gone by will be recalled with "Cottillion" as depicted by the Women Mariners. Eight additional numbers include a solo, "Louisiana Moods"; a co-education couple swim, "Dixie Beat"; Women Mariners, "Cotton-time"; solo, "Bayous Enchantment"; Men Mariners, "Aquabatics"; Mariners, "Ole Man River"; and the Grand Finale with the presentation of Honor Court, Aquatic King, and Queen.

Tickets may be obtained at Hughes Dry Goods Co., P. & C. Drug Store, College Book Store, and the Men's Gym. Advance sales are available at 25c (students) and 50c (adults). Door prices are 50c and 75c.

Southwestern Golfers Edge NSC 9½, 8½

The golfers of Southwestern Louisiana edged out a close 9½ to 8½ win over the Northwestern State College link-men, here, Thursday afternoon.

Bill Stanberry, captain of the Demons, was low medalist for the match with a four-over-par 77 on the tricky Natchitoches course. Pat Patterson, captain and No. 1 man of the Bulldogs, was second with a 78.

Patterson decided the issue of the closely fought meet when he holed out a 12 foot birdie putt on the 18th hole.

Score: (Nassau)

Northwestern: 1st. foursome, 5½ 2nd foursome, 3. Total 8½.

Southwestern: 1st foursome, 3½, 2nd foursome, 6. Total 9½.

"DOAK" WALKER, veteran Demon track-man, has captained the NSC crew to an undefeated record thusfar this season. Walker is a leg man in the relay competition and has proven to be hardest to beat when the chips are up.

Northeast Indians On Rampage Here; Beat Demons, 7-5

A pack of Northeast Indians went on the rampage here Wednesday afternoon and took the stink out of the Demons as they lashed out a 7-5 victory. A Purple and White rally of four runs in the ninth inning failed to mar the Northeast bid for victory.

Detore of the visitors singled to open the fourth inning, and then stole second base. He advanced to third on a slow roller to first, and was the first to touch home plate when Hares singled. The game continued with neither team scoring until the eighth.

It was this stanza that the Indians gathered a few Demon scalps. The Monroe lads got 6 runs on 3 hits, a base on balls, 3 errors and a hit batsman. However, the Demons came up with one run in the bottom of the eighth to ease the puncture that was made by the visitors.

Schmerheim of the Demons started a Northwestern rally when he drew a walk in the last half of the ninth. Gale Hearn singled, thus putting a man on first and second. 7-2. Bob Weaver then stepped up to the plate and knocked a homer pushing in Cunningham and Hearn in front of him.

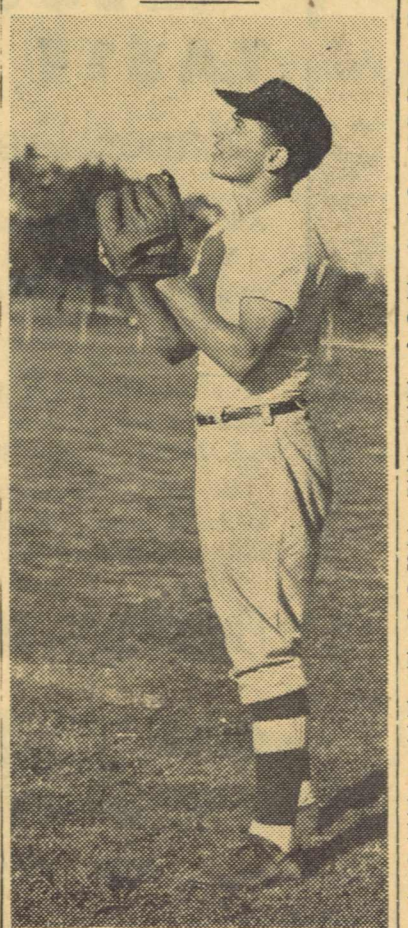

The Demons were unable to muster another run as relief-pitcher J. B. Nolan tightened up, and set the NSC crew down. This loss marked the fifth one in the last six outings. Previously the Demons were unbeaten in nine straight contests.

Players batting below .100 are not listed.

LEADING THE DEMON baseballers is Johnny Emmons. This center fielder has a batting average of .373, and is responsible for most of the home runs hit this year by the Northwestern nine.

NOTICE

All entries for Intramural Softball are due April 25. Play will begin April 27.

NSC To Stage Aquatic Show For Festival

The health and physcial education department of Northwestern State college, has accepted an invitation to stage a show at the McNeil swimming pool in Shreveport Friday, May 1, at 7:30 p.m. as a program in the Holiday in Dixie festival.

Three organizations from the health and physical education department, the Mariners, the gymnastic team, and the modern dance group will co-operate in the program, and will be joined by the Demonaires, an outstanding dance band sponsored by the music department of the college.

The Mariners are an aquatic club of men and women students, including members from the men's and women's competitive swimming and diving teams, the synchronized swimming group, and others interested in aquatics. Miss Jean Maeys, faculty sponsor of the Mariners, will be in charge of the group.

The "G-Men" of the college gymnastic team have won notice during the past four years in demonstrations. The tumblers and hand-balancers have been especially popular and crowd-pleasers. The team does an impressive series of numbers which they call "men in bronze," or "living statuaries."

John Piscopo is in charge of gymnastics at Northwestern State college.

The modern dance group, directed by Miss Betty Shaffer, will join the other college groups in Shreveport on May 1 after the completion of a road trip. They have been popularly received both on and off the campus.

The Demonaires, under the leadership of Hardy Rose, senior music major from Shreveport, are a very busy 15-piece dance band with many program commitments on and off the campus.

Guy W. Nesom, director of health and physical education at Northwestern State, will be in general charge of the program, which will have all of its own equipment including spotlights. The show will be free to the public.

Losing Streak Broken By NSC Baseballers Against ALex. Air Base

Northwestern State broke a four game losing streak Tuesday afternoon when they downed the Alexandria Air Force Base, 6-3. Johnny Emmons led the way for the Demon win his ninth inning with a three run homer, and a single in five trips to the plate.

In the second stanza, Ken Shaw and James Enloe reached the base pads on errors. Bob Schmerheim advanced them on a sacrifice, and M. D. Ray drove them in with a hard single. This gave the Demons a two-run.

The NSC crew racked up another run in the sixth after Shaw got on base with a single. Enloe was safe at first on a fielders choice that forced Shaw at second. Enloe made it to third on an error and scored on a fielder's choice by Ray.

Alexandria started to rally in the bottom of the sixth as they loaded the bags, with no one out. A walk, and two infield hits accounted for the filling of the sacks. M. D. Ray of the Demons stabbed a hard liner to short, and threw to second for a double play. Adorus grounded out Logan to Shaw, to end the threat.

However, in the bottom of the seventh the Air-men got 2 runs on a single and two errors.

In the ninth frame, Pat Lyons of NSC was safe at first on an error to the short stop. Weaver singled to left field, and Johnny Emmons blasted a home run, thus driving in 3 runs.

ARE YOU TOUGH ENOUGH FOR THIS JOB?

If you can make the grade, the U. S. Air Force will award you a commission, your wings and pay you over $5,000 a year!

CAN YOU "take it" 6 days a week? For 52 weeks? Can you meet the high standards required to be an Aviation Cadet? If you can—then here's a man-size opportunity! An opportunity to serve your country and build a personal career that will fit you for responsible positions both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of $5,300.00 a year. And this is only the beginning—your opportunities for advancement are unlimited.

ARE YOU ELIGIBLE?

To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a *minimum* requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER

If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet Training Class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details: **Visit your nearest Air Force Base or Air Force Recruiting Officer. OR WRITE TO: AVIATION CADET HEADQUARTERS, U. S. AIR FORCE, WASHINGTON 25, D. C.**

U.S. AIR FORCE

Six Major Events On NSC Campus This Week-end

Six major and separate events taking place on Northwestern's campus yesterday and today marks one of the most active week-ends in the college's spring semester.

Taking the spotlight on these two days are the Louisiana Engineering Drawing conference, two GSC baseball games, the Industrial Education Awards contest, a high school playday for girls, and Future Farmers of America contests.

The Engineering conference, slated for Friday and Saturday in the Fine Arts building, is designed for engineers, engineering instructors and teachers of drafting. It has as its theme, "Current Problems in Drafting as Related to the Field of Industry and Instruction."

Yesterday afternoon the Demon baseballers play McNeese State on the local diamond, and the next tangle with SLI in another home GSC tilt.

This morning the third annual Industrial Education Awards contest is being held in the IA building . This event is planned for students enrolled in volcational-industrial courses in the state. Students enter projects made in their school shops in the following areas: metal, drafting, crafts, woodworking, electricity, pattern making, architectural drawing, plastics and printing.

"Springtime Roundup," annual high school playday for girls is planned from 9 a.m. to 4:30 p.m., Saturday, with girls from 12 high schools from all parts of the state scheduled to attend. The girls will play volleyball, softball, and will engage in folk dancing and swimming.

Future Farmers of America will hold contests on the NSC campus all day today. Participating in the activities are boys from 52 high schools in Area one, FFA. This area includes Natchitoches, Red River, Sabine, Desoto, Winn, Grant, Rapides, Vernon and Beauregard parishes.

Judging will be held in public speaking and parliamentary law, and in the following agricultural areas: general livestock, dairy cattle, meats, grasses and poultry. Slated to be present and speak to the group is Delman Walker, executive secretary of the Louisiana FFA.

AWS Installation Of New Officers Held Wednesday

Wednesday night the officers of the Associated Women Students for the year 1953-1954 were installed in an impressive candelight ceremony in the living room of Varnado with Dean Kathleen Gillard presiding. At the close of the installation, the beautiful poem, "Courage", by Amelia Earhart, was read as a challenge to the new officers.

The officers taking the oath of office and signing the AWS Officer's Book were:

President, Eddy Gene Elliot; vice-president, Mary Lane Bailiff; recording secretary, Barbara Evans; corresponding secretary, Mary Sue Bellew; treasurer, Faye Dell Johnson; social chairman, Alcide Thompson and publicity chairman, Bettie Carter.

With all the women students cooperating with these officers, the next year promises to be a very successful and happy one for the women students at NSC.

Teachers needed for California and all other Western states. Vacancies in beautiful towns and cities, Especial ly need Grade Teachers, English, Spanish, Math, Musi, Commerce Girls Phys. ed., Home ec. Salaries $3500—$7000. Teachers Specialists Bureau, Boulder Colo.

New Books Available At College Library

The following new books have been acquired for the college library and may be checked out at any time:

Buck. "Kinfolk". A tale of modern China.

McCoy. "Practical Photography." Non-technical books for beginners.

Mannin. "At Sundown The Tiger". A tale of love and a jungle.

Marx and Engels. "The Russian Menace to Europe". An anthology of excerpts from their writings.

Hollyman. "The Oilmen." The oil industry in pictures.

Sayers. "The Nine Taylors." Lord Peter Whimsey solves a tough one.

Former Students Now Employed By State Dept.

Jack B. Wise and George H. Welch, Jr., have recently been added to the administrative staff of the Department of Public Welfare.

Wise, whose home is in Natchitoches, is an attorney in the legal division of the department. Following his graduation from Northwestern State College in 1949, he served as a welfare visitor in Grant Parish, resigning in 1950 to enter the Louisiana State University School of Law.

He received his LLE degree in January of this year and was recently admitted to the bar. His parents, Mr. and Mrs. E. W. Wise, reside at Lena Satation.

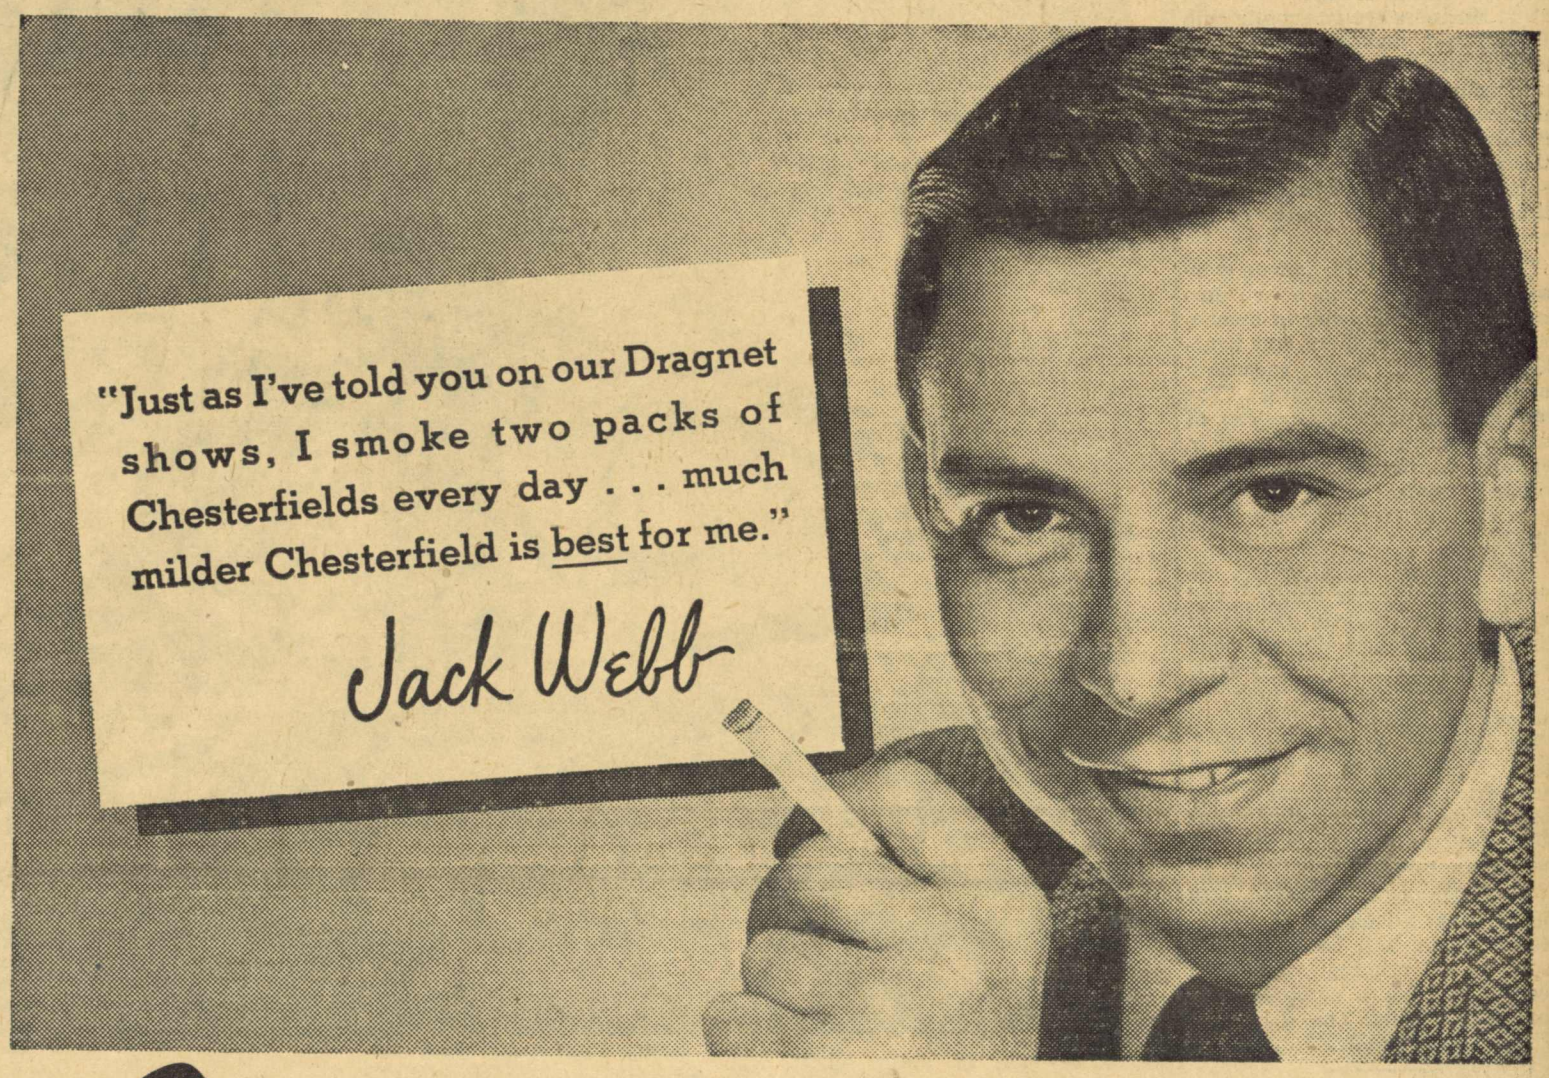

A welfare investigator with the Case Audit Unit, Welch was formerly an investigating agent with the Office of Price Stabilization, and has served as an investigator for the Veteran's Administration.

A native of Richmond, Virginia, he holds an LLB degree from De Paul University in Chicago, and has practiced law in Illinois. His wife, the former Lorraine James, and six-year-old daughter, Julie,reside at 3723 Dilg League Drive, Shreveport.

For a tasty, tantalizing, treat, come in and try our "Po-Boy" sandwich. It's a favorite of all who have ever felt its delicious flavor in their mouths. Remember it's a "PO-BOY"

AT THE KOLLEGE KORNER

OPEN UNTIL 10:00 P. M.

Chesterfield is Best for YOU!

CHESTERFIELD contains tobaccos of better quality and higher price than any other king-size cigarette...the same as regular Chesterfield.

Chesterfield—first premium quality cigarette in both regular & king-size

WHEN you are asked to try a cigarette you want to know, and you *ought* to know, what that cigarette has meant to people who smoke it all the time.

For a full year now, a medical specialist has given a group of Chesterfield smokers thorough examinations every two months. He reports:

no adverse effects to their nose, throat or sinuses from smoking Chesterfields.

More and more men and women all over the country are finding out every day that Chesterfield is best for them.

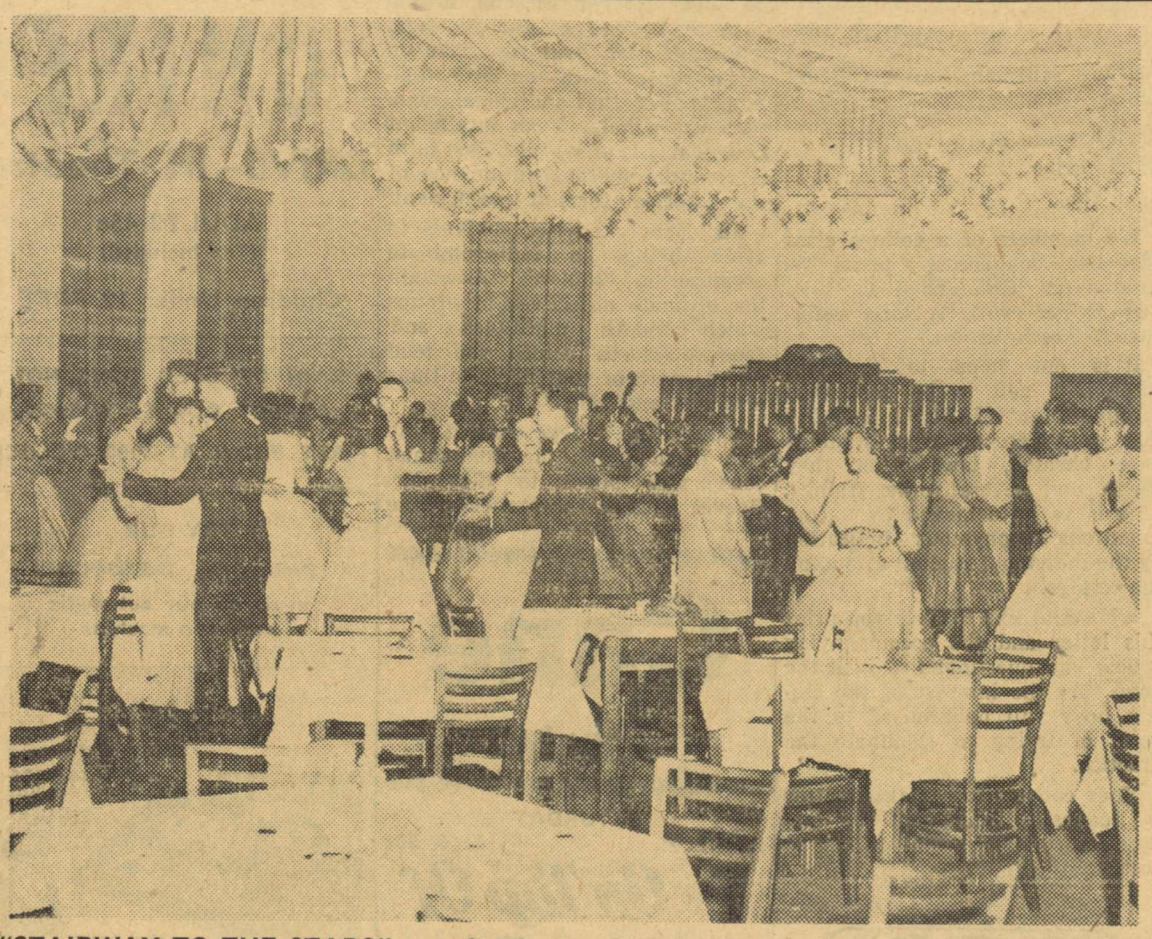

Enjoy your Smoking!

Try *Much Milder* Chesterfield with its *extraordinarily* good taste.

THE CURRENT SAUCE

VOL XXXIX—No. 24 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, APRIL 25, 1953

"STAIRWAY TO THE STARS" was the theme of Alpha Sigma Alpha's spring formal which was held in the Student Center last Saturday night. The theme was very effectively carried out in both the decorations and the program. Mistress of ceremonies for the occasion was Miss Betty Sue Choate. The music was provided by the Demonaires, college dance band.

18 File For Student Senate; Election May 7

Little interest in student government at Northwestern was shown this week as only 18 people had filed for student senate and one for cheerleader by the Thursday deadline.

Two of the senatorial candidates will be eliminated as sixteen senators for next year's legislative body at NSC are to be chosen. The senate and cheerleader election, in conjunction with the amendment election, will be May 7.

Those filing for senate are Ed Bacilla, Johnny Nugent, Don Finley, Gerald Tilleux, Sudie Loomis, Bettie Carter, Ann Hungerbeeler, Genie Shaw, Cindy Hodge, Mary Catherine Gordy, Mary "Beth" Smith, Marion Smith, Majorie Singletary, Jerry Isles, Mary Alice Phillips, Ben David Vercher, Carl Kight, and Clay Brock.

Filing for cheerleader was Jo Hubley.

Washington Dean Is Guest Speaker At AWS Meeting

Mrs. Adele Starbird, Dean of Women at Washington University will be the guest speaker at the Associated Women Students, at 7:30 Monday night. Mrs. Starbird, a member of an old French family in St. Louis, is widley known for her many activities, and promises to be a very interesting speaker. The topic of Mrs. Starbird's speech is "Preparation."

Mrs. Starbird, who has been Dean of Women at Washington University since 1931, was formerly Head of the French Department at Mary Institute. Several years of Mrs. Starbird's life were spent in Europe where she studied music and languages. In 1946 she was sent to France as a guest as a representative to the Conference of the World Organization of the Teaching Profession at Malta. The Order of the Rose Delta Gamma National Social Fraternity has been awarded to Mrs. Starbird.

At the University Mrs. Starbird is a member of the Board of Managers of the Washington University Campus "Y" and a member of the Personnel Committee of the downtown YWCA.

The Spring Convocation is the women's affair of the year, and all women students are urged to be present. At this meeting the different honors and awards of the year will be presented. Immediately after the meeting in the Fine Arts Auditorium will be a reception in Varnado, where all the girls can meet Mrs. Starbird.

College Production Held Here Thursday Acclaimed Success

By MYRON FLEMING

A total of 419 persons, 239 students and 180 townspeople, attended Northwestern State College Theatre's major spring production, "Athens to Broadway, which was presented Thursday night at 8 o'clock in the Fine Arts auditorium. Dr. Edna West, professor of drama here, directed the production.

"Athens to Broadway," an extravanganza in the field of drama, was a combination of dramatic of dramatic progression from the time of the Greeks up to the present era. Included in this production were scenes from three of the world's plays, 'Electra," "A Midsummer Night's Dream," and "School for Scandal" along with "Drums of Oude," the work of a modern author.

The extravaganza opened with "Electra" by Sophocles. Chick Gabbert, a speech major from Alexandria, was very outstanding in the portrayal of Electra in this masterpiece of Greek tragedy.

From "Electra" the audience was carried into the setting of Elizabethan drama with a scene from Shakepseare's work, the comic interpretation of the famous "Pyramus and Thisbe".

From Shakespeare the scene shifted to 18th century England and the famous play by Sheridan, "School for Scandal." This play is one of the most popular comedies of that period. The scene selected for presentation depicted the amusing quarrel btween Sir Peter and his charming wife, Lady Eazle.

The final event of the night was the presentation of "Drums of Oude," a modern one act play by Austin Strong.

Narrator for this dramatic extravaganza, who interpreted and molded all four scenes together, was Bobby Ham, a speech major hailing from Alexandria.

The supporting casts were good throughout the evening, and the stage crews also did a fine job. The lighting effects, with Sterling Minturn in charge, and the music andw sound effects, supervised by Bobby Byles, were especially commendable.

Modern Dance Workshop Will Present Spring Program Here On April 29

The Northwestern Dance Workshop is presenting its spring concert here in the Fine Arts Auditorium on April 29 at 8:15 p.m. Other performances will be given in Many High School, April 27 at 7:30 p.m.; Zwolle High School, May 1 at 10 a.m.; Logansport High School, May 1 at 2:30 p.m.; and in Shreveport at 7:30 p.m. where the workshop will join the NSC gymnasts, swimmers, and Demonaires in presenting a program for Holiday in Dixie.

The Workshop Group has as its members nineteen girls and three boys. These students have been working together for six weeks to present the following program of dances: "Spring Fancy," Beethoven; "Jazz Abstratcion", North; "Les Givouless Printaineres", Gould; "Mardi Gras," Gershwin. Featured will be a dance entitled "Le Sacre du Savage", music by Les Baxter, which is a primitive ballet of five dances: Public Square, Love Dance, Coronation, Secret Lagoon, and the Ritual.

Members of the Dance Workshop are Thais Beter, New Orleans; Jane Gaines, Calcasieu; Carolyn Glass, Natchitoches; Bebe Gallender, Ferriday; Freddie Jones, Shreeveport; Justine McMurray, Winnfield; and Jane Williams, Alexandria. Students of modern dance who are assisting in the program are Betty Aronld, Baton Rouge, Sue Quinn, Hanna; Ann Gillespie, Loyce Todd, and Fair Hymas, Natchitoches; Vera Joy Gabbert, Betty Wilson, Millie Halderman, Alexandria; Louise Pons, Mary Ann Harvell, Shreveport; Bobbie Nash, Cheneyville; Jim Hayes, Blanchard; John Hicks, New Orleans; and Jackie Lucia, Innis.

NOTICE

The college library now has on display the complete works of Dr. John Duffy, including the new book which he has recently written. Everyone is invited to examine the display.

NOTICE

All entries for Intramural Softball are due April 25. Play will begin April 27.

Music Professors Are Guest Artists At LSU Program

Joseph Carlucci and Eleanor Brown, members of the NSC music faculty, appeared as guest artists on a program of contemporary music presented at the LSU School of Music in Baton Rouge on Sunday, April 19. They performed Four Pieces for clarinet and piano by the German composer, Alban Berg and were well received by the audience.

This program was the third in a series of six to be given at LSU this year and was a part of the annual Festival of Contemporary Music, which is now in its tenth year and is recognized as one of the leading music festivals in the South.

NSC Elementary PTA Elects Officers

The Parent-Teacher Association of Northwestern elementary school met Wednesday, April 15, with Mrs. N. B. Morrison presiding.

During the business session the following officers were elected for the year 1953-54: Mrs. Voris King, president; Mrs. John Jones, vice-president; Mrs. Sheldon Madden, secretary; Mrs. Percy Straughan, treasurer, and Mrs. Wayman Hamm, historian.

The officers were installed by C. C. Graham, principal of Northwestern elementary school.

Following the installation, the group enjoyed two selections on the violin, played by Miss Sara Guitar of the Northwestern State college music department. Miss Mae Bevill, also of the music department, accompanied Miss Guitar, who played Fritz Kreisler's arrangement of "Londonderry Air" and "Dance of the Dolls' by Boldini.

The editor will welcome letters from anyone regarding any subject.

Young People's Concert Will Be Given April 30 By Symphony Orchestra

The Natchitoches Symphony Orchestra, conducted by Joseph Carlucci, will present its annual Spring Young People's Concert in the NSC Fine Arts Auditorium on Thursday, April 30, at 2 p.m. The program will feature Miss Sara Guitar of the NSC music faculty as violin soloist. There will also be singing by the audience and rumor has it that a little weasel is going to be popped by the orchestra and audience. Jim Vorhoff, a speech major from Abbeville, will be the announcer for this program.

On Monday, May 4, at 8:00 p.m., the orchestra will present its formal spring concert. There will be no admission charge and everyone is cordially invited to attend.

NSC MALE QUARTET WILL RENDER MUSIC

The Northwestern State Baptist Student Union quartet will furnish special music for the evening services at Emanuel Baptist church in Alexandria on May 10th.

Byron McCain, Eddie Spurgeon, Ray Teal and Jerry McDonald compose the quartet.

This foursome which has been singing together for the past two years has appeared at Baptist churches throughout North Louisiana as well as at concerts, banquets, associational programs and rallies.

Prather To Attend Award Presentation To '53 State Mother

Mrs. Sam Levy will journey to Lafayette where she will present an award to the 1953 Louisiana Mother. The program will take place on the campus of Southwestern Institute.

Mrs. Levy is chairman of the Louisiana Mother committee of the Golden Rule foundation which sponsored the contest.

She will accompanied by Mr. and Mrs. H. Lee Prather and Miss Hilda Burham. Prather, Northwestern State college president, will also appear on the program.

Five hundred persons are expected to attend the occasion.

Piano Teachers Here On Campus As Judging Group

Today is the last day of the meeting of the National Guild of Piano Teachers, which began here on the campus this past Thursday. This organization, which is designed for piano students, has the rating of students as one of its functions.

Three pupils are working for high school diplomas and one for a collegiate diploma. Fifty-nine students are expected to be auditioned.

This center is one of over 300 that are meeting all over the country. Students from Alexandria, Winnfield, and Natchitoches are being auditioned here.

Mrs. Jeanne Foster, head of Foster Studios, Santuchi and Bay City, Michigan, is judging the events. She has judged for the National Guild of Piano Teachers in Shreveport, and will do likewise in Lake Charles.

Air Reserve Meeting Wednesday Night In College Gym

Flight B of the 9799th VART squadron will hold its weekly training meeting Wednesday night April 29th, at 7:30 p.m. in the men's gym on the Northwestern State campus.

The program will include a lecture and two training films, "Report from the Aleutians" and "Photoflash Photography—How it Works".

All air reservists and men with prior military service are invited to attend.

Who Gets Cheated

A person studies and learns a course pretty well. He gets to class and someone else who has not studied manages to cheat and make a higher grade. Who gets cheated?

A person goes to college and devises several good methods of getting a passing grade. He finishes the course without learning many essentials he will need in his profession later. Who gets cheated?

According to a limited research and discussion in a college class, cheating exists to a pretty high degree in this college. In trying to expand the area of investigation and to get a truthful account of the extent of cheating, the class each student of NSC to answer this questionnaire and deposit it in a box in the Game Room of the Student Center.

Any suggestions as to how this problem may be coped with will be appreciated. Please do not sign your name to the questionnaire.

	(YES)	(NO)
1. Do you cheat?	( )	( )
2. Do you think it is fair to your self and others to cheat?	( )	( )
3. Do you think you are cheating to let someone else copy from your paper?	( )	( )
4. Do you think cheating is wrong?	( )	( )
5. Are you willing to work at doing away with cheating at NSC?	( )	( )

In The Current Sauce Long Ago . . .

By FRANCES GRIFFIN

The humor situation on this campus has not improved since 1915. This startling conclusion was reached after reading the 1915-1923 issues of the Current Sauce. "Corn" described the humor then just as it does now.

Take, for example. this little gem from a 1916 issue. Frosh: "Hey, my plate's all wet."

Upperclassman: "Your plate's not wet; that's your soup."

In 1921 this poem appeared in the campus paper.

"There are meters of accent
And meters of tone,
But the best kind of meter
Is to meet her alone."

Some pun, eh?

The Sauce was not primarily a humor sheet, though. It carried items from the various literary societies besides regular news stories. Pictures were few. Society news was plentiful. There was at least one column of personal items every week.

Brick Shack came in for special treatment, having its own column "Shack News." This item appeared in that column in 1916.

"Many of the Shack boys are offering tickets to the "Birth of a Nation" at a great reduction in price since they have learned that they cannot go with the darlings of their affections." Cruel world, wasn't it?

Thrilling movies such as "The Dumb Girl of Portici" starring Anna Pavlova, "The Old Homestead," and "Ivanhoe" were presented on the campus and reviewed by the Sauce's film reporter. It seems that Virtue triumphed then even as it does today.

THE CURRENT SAUCE

Entered as second class matter at Natchitoches, Louisiana. Current Sauce is published weekly, except during holidays and test weeks by the Student Body of Northwestern State College.

LETTERS to the EDITOR

April 18, 1953

Mr. Joe Saltzman, Editor Current Sauce

Northwestern State College
Natchitoches, La.

Dear Sir:

We members of a college class have been conducting a panel discussion on "CHEATING IN THE COLLEGES" with specific reference to Northwestern.

It is our hope to ascertain through a poll to be conducted through the "CURRENT SAUCE" just what percentage of students have cheated, how often they cheat, and several other things. This is to be achieved by a conscientious anonymous indication by the individual student attending the college.

We would like to have you print this letter and the accompanying article and questionnaire with the hope that the interest of the studen body will be aroused to the point of trying to eleminate the practice.

Your cooperation in this matter is requested and will be appreciated.

Sincerely, A Student

Students, Communism Are Discussed By Well Known FBI Chief

In an exclusive article "Communism and the College Student," written for "Campus," Boston University's new literary magazine, J. Edgar Hoover, director of the Federal Bureau of Investigation, maintains that "true Americanism is an act of faith—an over-whelming belief that individual man, with God's help, is an intelligent being capable of sel-rule. That faith is essential to the continuance of the American form of govenrment.

Mr. Hoover advises students to avoid being an indiscriminate organization "joiner." "Ascertain the ultimate objectives of groups which mouth platitudes and espouse causes before you lend the strength of your name to their petitions and rolls."

Calling the college student "the rich earth which the Communist conspirator hopes to till." Mr. Hoover feels that awareness of the danger is the first requisite to combating that danger. In order to do this, one must develop a free mind, "a mind that seeks facts."

The F. B. I. chief sums up by asking that students be Christian, moral, informed and honorable.

Sigma Sigma Sigma

At an impressive ceremony Wednesday evening Polly Hays was installed as president of the 1953-54 Pan Hellenic Council of Northwestern State College. Dee Thompson and Kathryn Wright were installed as senior and junior representatives respectively.

Special committee chairmen were appointed for the various committees at the Tuesday night meeting. They are: rush, Mary Ann Cronin; public information, Bea Rumsey; social service, Jackie Lucia; art, Mary Catherine Gordy; music, Pat Jones; founders' day, Nancy Kimbrell; scrapbook, Billie Daugherty; directory, Jean Noble; sandwich, Jimmie Hatcher and Anita Sigler; float, Jo Hubley; and photography, Erma Freeland.

At the close of the meeting a delicious box of candy was passed by Genie Shaw, announcing her "recent" engagement to Ronald Quinn.

Nancy Kimbrell participated in a program sponsored by the Wesley Foundation for the Alexandria District pastor's meeting held here Thursday afternoon.

Congratulations to Mary Catherine Gordy who received the coveted "Best Pledge Award," to Virginia Metcalf, who received the "Most Loyal Senior Award," and to Erma Freeland, who received the scholastic award. These awards were presented at the annual Founders' Day Banquet Saturday night.

Shirley Bateman was selected to represent Tri Sigma at the Pi Kappa Sigma formal this weekend, and Mary Ann Cronin was selected to represent us at the Theta Sigma formal.

☆ ☆ ☆

Delta Sigma Epsilon

At our regular Tuesday night meeting, plans of all sorts were in the air. We started the ball rolling for our Mother-Father-Daughter Banquet which will be given May 9, and by that time we should have everything well in hand. The banquet will honor the graduating seniors as well as the mothers and fathers. Our most immediate problem on the calendar, however, was the Panhellenic tea which is given by the outgoing president and her sorority—which, in this case, was us—for the installation of new officers. Plans for the tea were made and effectively carried out the next day.

Although our rummage sale was postponed, another of our money-making schemes really paid off in the cake sale we held last Saturday.

Congratulations to Toby Livingston for placing third in the Broiler Festival contest—some chick!

☆ ☆ ☆

Alpha Sigma Alpha

Climaxing the work for the last few weeks was our Spring Formal, which we all agree was worth every bit of work and time put into it. We were all very happy to have with us at the dance, Mr. and Mrs. Robert Easley and Mrs. Reta Kendrick.

Every Alpha Sig wants to thank Curtis Hoaglan, "Fats" Brister, Clay Brock, Bob Shirley, Larry Marshman, Dave Carson, and Jerry Iles for playing "fairy godfathers" and cleaning up the dance decorations in the fieldhouse after the dance.

Congratulations go to Mary Ann Walton, who presented her piano recital in the Little Theatre last Friday night. You did a swell job, Mary Ann.

Katherine Elliott, Ann Wood, and Wanna Beth Sanders were installed as Pan-hellenic officers Wednesday afternoon. Katherine will be the Recording Secretary for the executive Pan-hellenic council for the coming year.

Representing ASA at the Pi Kap Dance tonight will be Susie Mathis. Betty Sue Choate has been chosen to represent us at the Theta Sig Formal.

The girls were very excited last Saturday when work was begun on the sorority house back porch. We expect to have it screened in the near future.

At the meeting last Tuesday night, Betty Hurst was formally installed as editor. Committees were appointed for the approaching alum-faculty team and the mother-father-daughter banquet.

We would like to thank Janice Meyer for making our dance decorations complete by painting our mirror scene.

Pi Kappa Sigma

The Pi Kaps are really having a full day today! We'll be decorating the student center most of the afternoon and part of the evening and then tonight is the night we have all been looking forward to—our spring formal. All the members and pledges have worked like mad to make the dance a success and we hope that is shall be. After the dance we shall have a slumber party.

We want to thank all those who worked so hard on the Pi Kap float last Friday. We're very happy to say that it won first place in the parade Saturday. The theme of the float was "Chicks of Tomorrow." And the chicks were Dorothy Gillespie, Jeanie Johnston, Jessie Wilkerson, Bebe Gallender, Sudie Loomis, and Sarah (Cookie) Cook.

Betty Jean Thompson, one of our Pi Kap sisters, and Bill Schrolls, were married in Alex last Saturday. Virginia Ball was maid of honor and Mary Murphy served at the reception.

We are happy to have Mrs. Jerry Suddath, better known as Patsy Ramirez, with us again.

We'd like to thank Donita Gothard for giving the house a radio-phonograph combination. It certainly comes in handy when there's work to be done in the house.

We're happy to see Lora Fay Kemper up and around again. Lo was over for a while Sunday night. Lynn Rutledge was also here over the weekend. Lynn is teaching in Sulphur, but she'll be back with us this summer.

☆ ☆ ☆

Phi Kappa Nu

Phi Kappa Nu fraternity elected officers for the 1953-54 year. They are as follows: Ben Singletary, president; Gilbert McMurray, vice-president; Ed Bacilla, recording secretary; Vernis Wright, treasurer; R. A. Barth, corresponding secretary; Sonny Mercer, sgt.-at-arms; Clay Brock and Buddy Shaw, intramural representatives; Raymond Collier, executive council man-at-large. Good luck to them all for the coming year.

Phi Kap is proud of Ronald Quinn, Ben Singletary, and Harry Moore who were elected to the Student Council in last week's election. Ronald will lead the Student Body while Ben will serve as Vice-President and Harry will fill the position of Sophomore class president.

All the Phi Kaps are looking forward to the annual barbecue to be held at Gum Springs on Saturday, May 2. Plans are being made to make this a very big event of the year.

The Phi Kap softball team is working out and expects to be high in the standings at the end of the season. The team will be defending champions, having won the league the past two years.

At the meeting last Tuesday six men took the Phi Kap Pledge oath. They were as follows: Bobby DeBlieux, Jack Smith, Jimmy Gay, Owen Jordan, Harold Wright and Son Batey. Congratulations!

Three Hostesses Fete Miss Janell Farris

Miss Janell Farris, bride-elect of William C. Rue, was honored with a supper bridge shower last Tuesday evening at the home of Mrs. N. B. Morrison, with Mrs. Morrison, Mrs. Ryan Horton, and Mrs. Leo Allbritten as hostesses.

A very appropriate and attractive centerpiece was used for each of the four tables-small, beautifully decorated white wedding cakes. These were cut and served at each table following the supper course. Red and white roses and daisies were used in the living and dining rooms.

The guest of honor was presented with a heart-shaped corsage of sweetheart roses.

Little Emelyn Morrison presented the shower gifts to Miss Farris. These were opened and displayed, after which games of bridge were played.

Guests for the evening included: Misses Eve Mouton, Irma Stockwell, Eleanor Brown, Loneta Graves, Ruth Bruner, and Mesdames Roberta Rue, Frances Henry, Kerlin Sutton, Allan Steele, Melba O'Quinn, Alfred Ducournau, R. S Fly, C. C. Dethloff, Robert Easley, George Walker, and A. K. Deason.

Tri Sigma Banquet Held Last Saturday In St. Mary's Aud.

St. Mary's auditorium was the scene of much work Saturday afternoon and Saturday night, for it was there that the Alpha Zeta chapter of Tri Sigma held its annual Founders' Day Banquet, this year combined with the Silver Anniversary of the chapter.

The theme of this year's program, America the Beautiful, was carried out in the decoration theme of baskets of red, white, and blue flowers placed at intervals throughout the hall. Approximately 125 college members, alumni, relatives. and friends of the chapter attended the banquet.

Mrs. R. J. Dobson, member of the national Advisory Board of Sigma Sigma Sigma, was present to deliver a birthday message to the chapter and to present them with twenty-five silver dollars, the gift of national. Other lovely gifts received were a tinted photograph of the old staircase here in Natchitoches, presented by Dr. and Mrs. John S. Kyser; a large silver tray, presented by Mr. and Mrs. E. D. Aldredge; the guest book used at the banquet and at the coffee Sunday morning and a silver bowl presented by the Natchitoches alumni chapter; twenty-six silver dollars from Mrs. Lucille Mertz Hendrick; three pictures from Jean Lyons and Billie Butts; and checks from Mrs. L. J. Alemon and Margaret Jean Ohlsen.

At the banquet were presented the recipients of the three coveted awards given each year at this time. Mary Catherine Gordy received the best pledge award, Virginia Metcalf the most loyal senior award, and Erma Freeland the scholastic award.

Sunday morning, April 19, a coffee was held at the Tri Sigma house to give those who stayed all night a chance to see the lodge. A general invitation to come by and have a cup of coffee was extended to everyone on the campus. Approximateiy forty people attended the coffee.

Test CAMELS for 30 days for MILDNESS and FLAVOR

THERE MUST BE A REASON WHY
Camel is America's most popular cigarette—leading all other brands by billions! Camels have the two things smokers want most—rich, full *flavor* and cool, cool *mildness*... pack after pack! Try Camels for 30 days and see how mild, how flavorful, how thoroughly enjoyable they are as your steady smoke!

More People Smoke CAMELS than any other cigarette

"Louisiana Aquacade" Theme Of 1953 Demon Aquatic Show

The 1953 Northwestern State College Acquatic Show "Louisiana Aquacade" opened its first night stand yesterday at 7:30 p.m. The show was a brilliant blend of color and music featuring some of the best swimming performances in the deep South Tonight's show will get underway at 8:00 p.m.

This season's program is presented in commermoration of Louisiana's 150th year anniversary. The program began with a synchronized swimming solo which portrays the many moods generally associated with the cultural life of Louisiana. Toby Livingston was soloist.

An all male number portrayed the historic Battle of New Orleans, complete with hand to hand combat. Then came the Women Mariners in "Cotton-Time," and a duet with Houston Davis and Lyria Lawrence called "Bayou Enchantment." Before intermission, the entire cast of Mariners carried through "Capers."

A co-education couple swim, "Dixie Beat", featured Joan Evans, Frances McLain, Mary Bess Stroud, Wilcy Champagne, Peyton Cunningham, and William McGraw. "Aquabatics" and "Cotillion" followed, ending with "Ole Man River" with the Mariners.

The court was presented, however the Aquatic King and Queen were withheld until the final presentation tonight. The program was presented by the Mariners under the sponsorship of Jean Mayes.

SHOWN ABOVE AS THEY MOVE EASILY over the Natatorium in their canoe are three of the beautiful girls who are featured in the 1953 Northwestern State College "Louisiana Acquacade." Tonight's performance will begin at 8:00 p.m. Left to right: Toby Livingston, June Gleason, and Frances McLain.

Demons Stop Rally To Capture Win From Wildcats 6-4

Coach Alvin "Cracker" Brown's Demon baseballers stopped a ninth inning La. College rally in Alexandria Tuesday afternoon to capture a 6-4 Gulf State Conference baseball victory.

The Demons used a three run homer by Johnny Emmons to break a 2-2 deadlock and go out in front for good.

Gordon Zazasky pitched 4 hit ball for the Northwestern lads, allowing two run outbursts in the second and ninth innings.

ROTC SUMMER CAMP WILL BE ATTENDED BY 52 NSC CADETS

Fifty-two Northwestern State college senior ROTC cadets are scheduled to attend summer camp at the Fort Bliss anti-aircraft artillery and guided missile center near El Paso, Texas.

The summer training, which lasts six weeks, emphasizes practical work on the army's newest anti-aircraft artillery weapons. The cadets will engage in target practice against aerial targets on the million acre firing range at Fort Bliss.

Other training will include application of military theory studied by the cadets during the academic year.

Attendance at one summer camp prior to graduation is required of all senior cadets as a prerequisite for a commission in the army reserve.

Northwestern Net-men Plank La. College 6-0

The Demon tennis team traveled to Alexandria, Tuesday afternoon and came back with the spoils of a 6-0 victory, over the La. College net-men. Northwestern was playing for the first time in several outings with the services of Bob Durham, No. 1 man.

Coach John Duffy's lads won five of the six matches in straight sets. The only match going into a third set was the No. 2 doubles which pitted Lucian Spataro and Pedler Edwards of NSC against Lynn Parker and Walter Lafargue of the Wildcats. The final score of this match was 6-2, 2-6, and 6-1.

A summary of the meet is as follows:

Bob Durham (NSC beat Buddy Bradshaw, 6-2, 6-2.

Mike LeLong (NSC) beat Lynn Parker, 6-0, 9-7.

Lucian Spataro (NSC) beat Charles Smith, 6-3, 6-0.

Pedler Edwards (NSC) beat Walter Lafargue, 6-1, 6-2.

Lucian Spataro-Pedler Edwards (NSC) beat Lynn Parker-Walter Lafargue, 6-2, 2-6, and 6-1.

Bob Durham-Mike LeLong (NSC) beat Charles Smith-Lawrence Tucker, 6-2, 6-4.

May 4 Entry Deadline For Badminton Tourney To Be Held On Campus

Northwestern State College will host the 1953 State Badminton Tourney May 6 and 7. Play will take place Wednesday night and all day Thursday. There will be five classes of competition. The entry deadline is Monday, May 4.

Trophies will be awarded for first place in the senior division which consists of singles, doubles, and mixed doubles. Medals will be given in the junior division for first place. There will be no mixed doubles in the junior bracket. Second and third places in each group will also be awarded medals.

To be eligible to compete in the senior division, a person must be in college or must be an adult. For the junior group he must be in high school.

Individuals, schools, athletic clubs, companies, religious organizations, and other may enter the meet. There will be an entry fee of $1.00 for juniors and $2.00 for seniors.

Free housing accommodations will be furnished to individuals who apply on or before May 4. Bed linens must be furnished by those staying on the campus.

Address all correspondence to Pat Brown, Dept. of Phys. Education, NSC, Natchitoches, La.

Demon Netters Meet La College Wildcats Here This Afternoon

The Demon net squad will host the Louisiana college team in a match this afternoon on the local courts. The NSC team boasts a 6-0 win over the Wildcats and expect little trouble from the Pineville crew.

The locals have been hampered all season by injuries. With the return of Bob Durham this week, the netters are expected to give a better showing in competition.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

"LISTEN, BIRD-BRAIN, don't get soar, but I cooed never love you," said Sheedy's little chickadee. "Your hair's strictly for the birds! Better remember the tree cardinal rules for social success so you won't be an also-wren. 1. Hop to a toilet goods counter. 2. Peck up a bottle or tube of Wildroot Cream-Oil, America's Favorite Hair Tonic. Contains Lanolin. Non-alcholic. Grooms the hair. Relieves dryness. Removes goose, ugly dandruff. Helps you pass the Finger-Nail Test. 3. Use it daily and peeple will love you." Paul got Wildroot Cream-Oil for himself and a diamond wing for his tweetie-pie. Better buy a bottle or tube today. Or ask for it at your barber's. If you don't you're cookoo!

20th Century Medical "Know-How" Above Colonial Days Says Dr. Duffy

Whenever the Twentieth Century American becomes despondent or impatient with present-day medical know-how and health conditions, he should glance back to colonial days and see the terrible conditions prevailing when his forefathers were chopping a new nation out of the wilderness.

Here is what one writer in Charleston, S.C. had to say of an outbreak of yellow fever. Writing in 1699, he said:

"It is hard to describe the terrible Tempest of Mortality in our Charleston . . . the Distemper raged and the destroying Angel slaughtered so furiously with his avenging Sword of Pestilence . . . that the dead were carried in carts, being heaped one upon another . . . Shops shut up for 5 weeks; nothing but carrying Medicines, digging graves, carting the dead; to the great astonishment of all beholders."

DR. JOHN DUFFY

This quotation is from a book written by Dr. John Duffy, associate professor of history at Northwesten State College here. The book, Epidemics in Colonial America, is the first comprehensive treatment of this subject since 1799, when Noah Webster touched the early American maladies. Duffy has made an intensive study of this phase of American history and has now thrown light on the almost unbelievable medical practices and beliefs of the period.

Duffy's book is scheduled to be published this month, with the date of publication set by publisher Louisiana State University Press as April 24. It is definitely a major contribution to the field of American history because it deals with a long-neglected subject.

As public health improved with constant advances by the medical profession, memories of the terrible scourges faded away and historians tended to minimize this aspect of colonial life or to misinterpret it.

In his book, Duffy describes such "cure-alls" as vomiting, blistering, purging and bleeding, and says that the shortage of physicians in the colonies was probably a blessing. It seemed that the diseases increased in number and intensity with the quantity of physicians. The book is filled with stories, which, if they were not so tragic, would be extremely humorous.

"It's one of the most fascinating subjects a person could study," Duffy said. "Very little research has been done in the field and I have found a wealth of unpublished material that offers an interesting story of one of the most important aspects of American history."

Duffy has been interested in the field of colonial medicine and health conditions since his days of graduate study at UCLA. He received a grant-in-aid from the American Philosophical Society in 1949 for research in the field and a fellowship from the Fund for the Advancement of Education in 1951 to study colonial health in New England. He has written four articles on the subjects for scholarly journals.

From a social economic viewpoint, the NSC historian lists malaria, dysentery, and respiratory maladies as the most destructive diseases plaguing the colonists. He says smallpox, yellow fever and diphtheria were terrible in their suddenness and devastation, but were not as costly as the first three.

The whole period was characterized, according to Duffy, as a time of superstition, a day of hocu-pocus medicine and terrible suffering. Even so, he points out, the full effect of epidemic diseases on colonial development is not clear. The colonies grew rapidly despite the numerous plagues, a development he attributes largely to isolation and lack of congested urban areas.

A native of Barrow-in-Furness, England, Duffy migrated to Canada when he was eleven and two years later came into the United States. An American citizen since 1939, he was graduated from Louisiana State Normal College (now Northwestern State College) and received his M.A. in history from Louisiana State university and his Ph.D. from the University of California at Los Angeles.

NOTICE

All debts to the Potpourri will be outstanding as of May 1. All organizations and individuals must settle these accounts before receiving their annuals.

Marine Women Officers Perform Variety Of Interesting Duties

Newly-commissioned women officers in the Marine Corps perform a variety of interesting duties, and are serving at a number of different places throughout the United States.

This is shown in a recent report on the graduates of the 1952 Women Officers Training Class, issued by Marine Corps Hearquarters.

According to the report, these new women officers have been assigned to duties in personnel and administration; are working in such fields as supply, special services, disbursing, training aids, and public information. A few of the women officers are Company Officers, in charge of the training, recreation, or duty assignments of enlisted women in the Marine Corps.

The report shows further that the women officers of last year's officer training class are serving in such places as San Francisco, Dallas, New York, St. Louis, Norfolk and Quantico, Virginia, Baltimore, and at Marine Corps Headquarters, Washington, D. C.

This year's summer session of the Marine Corps Women Officers Training Class will be held beginning in June. The class will be attended by qualified young women who are college sophomores, juniors, or recent graduates, and who are interested in earning a commission as Second Lieutenant in the Marine Corps Reserve.

The training takes place at Quantico, Virginia and lasts for 12 weeks. Candidates who successfully complete the course of instruction attend an additional six weeks special course, before being sent out on their first assignments as officers.

Applications for the 1953 Women Officers Training Class will be accepted by the Marine Corps until 1 June. Further information is available at the nearest Marine Corps Recruiting or Reserve activity.

CHESTERFIELD GIRLS—Miss Jimmye Ann Wall (left) and Miss Lora Faye Kemper posed recently for this picture which will be used in Chesterfield advertising. The picture will be entered in a national contest sometime in the near future.

NOTICE

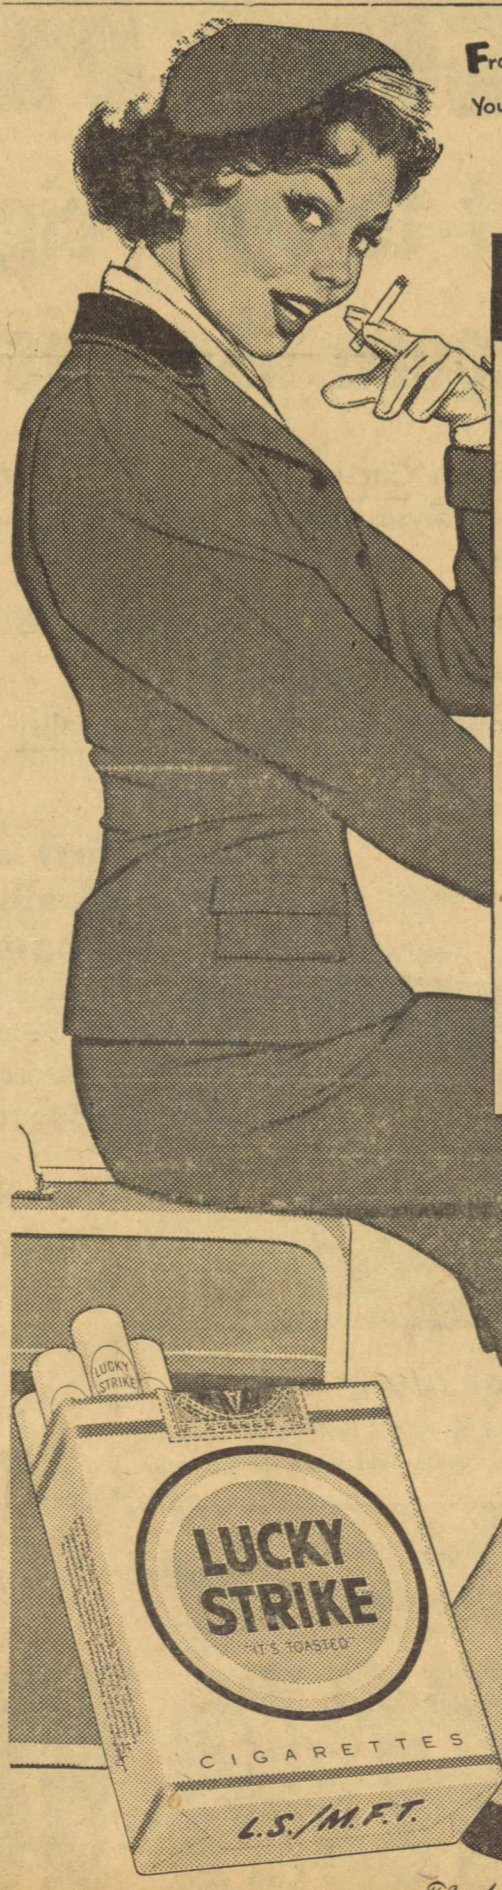

All entries for Intramural Softball are due April 25. Play will begin April 27.

From Miami to Portland, Maine,
Or Frisco to D.C.,
You'll hear that old familiar phrase,
"It's Lucky Strike for me!"

Richard E. Golden
Emory University

So round, so firm, so fully packed,
They're easy on the draw.
A Lucky Strike for everyone —
It ought to be a law!

John F. Stone
University of Nebraska

Nothing-no, nothing-beats better taste

and LUCKIES TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-GO LUCKY!

Poor Cinderella lost her shoe,
Which her Prince Charming found.
Their joy would have been more complete
Had Luckies been around!

Josette Deutsch
Brooklyn College

Where's *your* jingle?

It's easier than you think to make $25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay $25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.

PRODUCT OF *The American Tobacco Company* AMERICA'S LEADING MANUFACTURER OF CIGARETTES

Richard Widmark In Theater Guild Sunday Night

"1984," the frightening fantasy that chilled readers in novel forms will be dramatized for radio listeners on the U. S. Steel Hour Sunday, April 26, via coast-to-coast stations of the NBC network at 7:30 p.m. (CST).

With Richard Widmark in the starring role, the "Theatre Guild on the Air" adaptation of George Orwell's drama projects the listener into an imaginative future of world enslavement and totalitarianism. Widmark will portray Winston Smith, a "subject" who tries desperately to keep a secret documentary history of this dark era for future generations.

One of Hollywood's outstanding young actors, famed for his versatile and deft performances, Widmark was once a university instructor in speech and dramatics. Following a series of stage successes, the rugged leading man climbed to screen stardom in such films as "Kiss of Death," "Halls of Montezuma" and "O'Henry's Full house." He is currently being seen in "My Pal Gus."

A consistent winner of radio's highest honors, "The Theatre Guild on the Air" continues under the Board of United States Steel. The dramantic productions are directed by Homer Fickett, with Harold Levey as musical director. Norman Brokenshire is announcer for the program, while George Hicks reports to the nation on the operations and accomplishments of United States Steel.

Northwestern Profs Assist At DAR Meet

The St. Denis chapter of the Daughters of the American Revolution met in the home of Mrs. James Mims on the afternoon of April 13 at 3:30.

The reception rooms were beautifully decorated with a variety of spring garden and wil flowers, and in the living room buckeye was used in profusion.

The meeting was presided over by the regent, Mrs. G. H. Pierson, who with the assistance of Miss Mary Robson conducted the opening ritual.

During the business session Miss Mary Winters of the good citizenship committee, reported that there would be 14 Good Citizenship awards made in the high schools of the parish this year.

The regent then praised Miss Mary Robson and Mrs. Harry Creighton for the splendid work which they had done with CAR and expressed the gratitude of the chapter to them for making the State meeting such a success.

Miss Catherine Winters, chairman of the membership committee, presented two names of candidates endorsed for membership.

Mrs. Pierson and Mrs. W. E. Alcock, who represented St. Denis chapter at the State convention of DAR which was held in Monroe on March 3, 4 and 5, gave splendid reports of business meetings and social events of the convention.

Following these reports the hostess, assisted by Mrs. A. R. McCleary, served delicious refreshments to the other members present: Mesdames W. E. Alock, C. C. Carroll, Harry Creighton, Edith Dunnington, H. C. Ivey, Jared Jordan, R. J. Normand, G. H. Pierson, and Misses Mary Robson, Catherine Winters, and Mary Winters.

Jack Wise Named To Public Welfare

Jack B. Wise of Natchitoches has recently been added to the administrative staff of the department of public welfare.

Wise is an attorney in the legal division of the department. Following his graduation from Northwestern State college in 1949, he served as a welfare visitor in Grant parish, resigning in 1950 to enter Louisiana State university law school.

He received his LLB degree last January and was recently admitted to the bar. His parents, Mr. and Mrs. E. W. Wise, reside at Lena Station.

"Stairway To The Stars" Is Theme Of Alpha Sigma Alpha's Spring Formal

A silver, curving stairway winding to a heaven of twinkling stars and terminating in a fluffy cloud of pink angel hair, dominated the Alpha Sigma Alpha Formal last Saturday night. A new moon hung over the bandstand, which was encircled by silver lettering which read "Stairway to the Stars". The letters were surrounded by clouds of pink angel hair and soft lights gave a blue glow to the words. The dance floor was separated from the tables by silver picketing and the dark, green coolness of minature pine trees. Above the tables hung a huge silver star from which dark blue streamers were drapped to the ceiling.

Reflecting the dance floor scene was the mirror on which a winding stair reached into myriads of stars. The table centerpieces consisted of white candles around which rose a silver stairway.

The members and guests were taken on an imaginary trip up the "Stairway to the Stars" by Sonny Mercer's rendition of the song. Curtis Hoaglan and his trumpet then invited everyone to "Count Every Star." "Swingin' on a Star" was Freddie Jones with her dancing feet. And Mary Ann Walton then dusted the formal with "Stardust". The dance was climaxed by the singing of the ASA Sweetheart Song by Jim Bob Key.

Representing the other Greek letter organizations were: Frances Griffin and Dallas Roper, Theta Sigma Upsilson; Urban Phillips and Mazie Dranguet, Lambda Zeta; Robert Sylvest and Bobby Hale, Sigma Tau Gamma; Mr. and Mrs. J. P. Johnston, Phi Kappa Nu; Sudie Loomis and Dave Dalton, Pi Kappa Sigma; Salvinia Fertita and Pat Lyons, Sigma Sigma Sigma; and "Eth" Cloutier and Danny Shehee, Delta Sigma Epsilon.

NOTICE

The election of student senate members will be held on May 7. Special amendments to the student body constution will also be voted upon. Students are urged to vote wisely.

For a tasty, tantalizing, treat, come in and try our "Po-Boy" sandwich. It's a favorite of all who have ever felt its delicious flavor in their mouths. Remember it's a "PO-BOY"

AT THE KOLLEGE KORNER

OPEN UNTIL 10:00 P. M.

YEARS AHEAD OF THEM ALL!

Don't you want to try a cigarette with a record like this?

1. THE QUALITY CONTRAST between Chesterfield and other leading cigarettes is a revealing story. Recent chemical analyses give an index of good quality for the country's six leading cigarette brands.

The index of good quality table – a ratio of high sugar to low nicotine – shows Chesterfield quality highest

. . . 15% higher than its nearest competitor and Chesterfield quality 31% higher than the average of the five other leading brands.

2. First to Give You Premium Quality in Regular and King-size . . . much milder with an extraordinarily good taste—and for your pocketbook, Chesterfield is today's best cigarette buy.

3. A Report Never Before Made About a Cigarette. For a full year a medical specialist has been giving a group of Chesterfield smokers regular examinations every two months. He reports . . . *no adverse effects to nose, throat and sinuses from smoking Chesterfield.*

VOL XXXIX—No. 25 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, MAY 2, 1953

AN INTERNATIONAL BANQUET sponsored by the Northwestern Home Economics club was held Friday evening, April 24, in the Social room of the home economics building. Miss Mary Hadjiyannaki, a student from Greece who is now doing graduate work in dietetics at LSU, was the guest speaker. Mothers of the students and senior home economics students were honor guests. The seniors were presented with sterling silver thimbles, and Miss Doris Bolin, president of the club, was the recipient of the club bracelet for being the most outstanding club member of the year.

Miss Guitar Is Soloist In Symphony's Concert Monday

The Natchitoches Symphony Orchestra will do its share in the celebration of National Music Week by presenting its formal Spring concert in the Fine Arts Auditorium on Monday, May 4th, at 8 p.m. Conducted by Joseph Carlucci of the Northwestern music faculty, the orchestra's program will feature Miss Sara Guitar, another faculty member, in a performance of the first movement from Lalo's "Symphonie Espagnole" for violin and orchestra.

Other selections on the program are "Coronation March" by Meyerbeer, Minuet from Symphony No. 35 by Mozart, a Chopin Waltz, Brahms' "Hungarian Dance No. 5." Tschaikowsky's "Andante Cantabile", a Moment Musicale by Schubert, the "Pizzicato Polka" and "Tales from the Vienna Woods" Waltz by Strauss.

Miss Guitar, a native of Dallas, came to Northwestern from Austin, Texas where she played last season with the Austin Symphony. Prior to that, she was Supervisor of Strings for three years throughout the Independent Public School District of Odessa, Texas. In 1948, Miss Guitar received her Master of Music degree from LSU, where she studied violin with Oramay Welch. She has also studied with Angel Ries at the University of Texas and with Mischa Mischakoff at the Juilliard School of Music in New York City. She played the "Symphonie Espagnole" with the LSU Symphony Orchestra in 1948 and was a member of the Baton Rouge Symphony for two seasons. Since coming to Natchitoches, Miss Guitar has been concertmistress of of the symphony and, in addition to teaching strings at NSC, has appeared frequently on local musical programs and recently began teaching strings in the Northwestern Training School and Natchitoches High School.

College students in the orchestra are: Linda Shows, Barbara Brittain, Gordon Young, Natchitoches; Evelyn Smith, Pleasant Hill; Majorie Norsworthy, Provencal; Eloise Morton, Campti; Owen Phillips Glenmora; Curtis Hoglan and Marcia Dauzat, Pitkin; Hardy Rose and Billy Plumb, Shreveport; Jack Shook, DeRidder; Byron McCain, Rosepine; Larry Marshman, Many; Max Burns and Dean Clark, Leesville; Mary Ann Walton, Bastrop; Danny Shehee, Ringgold; Jackson Beebe, Lena.

Faculty members are: Sara Guitar, May Beville, Don Glattly, Paul Torgrimson, Dwight Davis, and Eleanor Brown.

The orchestra has worked diligently to prepare a fine program and its members earnestly desire and deserve your support. Admission is free and everyone is cordially invited to attend.

Senate Election Will Be Held On Wednesday, May 6

The 1953-54 student senate will be chosen this coming Wednesday as the student body will go to the polls to elect sixteen of the eighteen candidates for office. Several proposed amendments to the constitution will also be voted upon at this time.

Candidates for the student Senate are Ed Bacilla, Johnny Nugent, Don Finley, Gerald Tilleux, Sudie Loomis, Bettie Carter, Ann Hungerbeeler, Genie Shaw, Gindy Hodge, Mary Catherin Gordy, Mary "Beth" Smith, Marion Smith, Marjorie Singletary, Jerry Ises, Mary Alice Phillips, Ben David Vercher, Carl Kight, and Clay Brock.

All students are urged to consider the candidates, make their choices, and vote.

Attention All Faculty Members

Nursing students are selling their services as baby sitters to finance a representative from Northwestern State College Student Nurses Association to the National Student Nurses Convention in Cleveland, Ohio. Nursing students are capable, reliable, and interested in child care.

For services call Extension 47 (Kate Chopin) for Miss Marjorie Reynolds, who will place a sitter at your disposal at the appointed hour.

NOTICE

All students who desire to do student teaching next fall may now make aplication by filling out the necessary form in Dean Robson's office or my office.

It will be to your advantage to make your application immediately If you are in doubt, I should like to discuss the matter with you.

JOHN A. JONES
Director of Teacher Training

Senior Class Minutes

Discussion was opened on the gift from the seniors. It was suggested that we give chimes. Starnes asked for other suggestions. Carolyn Price moved we adopt the gift of chimes—seconded by Helen Elrod. All were in favor.

Dr. Allbritten discussed selection of person to represent seniors as senior class speaker. This speaker is selected from honor graduates. He read the list of probable honor students from which this speaker was to be chosen. Caroyln Price nominated Gloria Ann Paris. Evelyn Pyle nominated Elwyn Adams. Sarah Cutrer nominated Winnie Dowden. It was moved and seconded that nominations cease. Winnie was elected.

Dr. Allbritten discussed Senior Day program committee to take care of Senior Day. Rehearsal is to be Sunday, 5:30 p.m., May 24.

He then read the graduates names the way they are to appear on diploma. If you wish to have the way your name is to be read at graduation changed, you can do so by going by Registrar's office, but the way it is to be written on diploma can not be changed.

Bring your money for donation on chimes to rehearsal.

Meeting was adjourned.

BETTY NIX
Secretary

Co-eds Honored At Meet; Mrs. Starbird Is Speaker

Mrs. Adele Chomeau Starbird, dean of women at Washington University, was guest speaker at the Associated Women Students' convocation which was held at 7:30 last Monday night in the Fine Arts auditorium. The topic of Mrs. Starbirds's speech was "Preparation."

The first event of the convocation was a series of numbers rendered by the College Singers, under the direction of Mr. Donald Glattly.

Welcoming the group was Miss Eddy Gene Elliott, president of the AWS. Mrs. Starbird was then introduced by Dean Kathleen Gillard.

After Mrs. Starbird's talk, which was reported to be very inspiring and delightful, honor awards were presented to several outstanding women students.

The recipient of the Purple Jacket award, which was presented by Miss Mary Clark, president, was Miss Alcidie Thompson. This annual award is made to a sophomore woman student on the basis of scholarship, leadership, and character. The Panhellenic award, presented to the freshman girl making the highest academic record, was given to Miss Wanaa Beth Sanders.

Alpha Sigma Alpha social sorority was the winner of the Panhellenic scholarship award. Receiving the AWS freshman award was Miss Winnie Dowden, and the AWS undergraduate award was presented to Misses Eddy Gene Elliott and Ann Hungerbeeler. Mary Clark received the AWS senior award. Audubon Hall was this year's recipient of the Dean's Cup.

After the convocation a lovely reception was held in Varnado Hall in honor of Mrs. Starbird. The reception was prepared by Dorothy Thompson.

Toby Livingston Is "Miss Holiday In Dixie" For 1953

Chosen "Miss Holiday in Dixie" for 1953 last Thursday night was Toby Livingston, 18, of Los Angles, California, a freshman here at Northwestern State College. She was chosen from a field of thirty other beauties from Louisiana, Arkansas, and Texas.

The new "Miss Holiday in Dixie" is the daughter of Mr. and Mrs. Arthur Livingston of California; and is now residing with her aunt and uncle, Mr. and Mrs. Jim Livingston, 304 Second Street.

Toby has been outstanding at Northwestern for her swimming achievements. She has fair skin dusted with a sprinkling of freckles, and wears her long blond hair drawn back from her face. Standing five feet five and a half inches tall and weighing 115 pounds, her measurements are: bust, 35 and one half inches; waist, 24; hips, 35.

"I'm so thrilled and surprised. Oh, goodness!" she said when told of her new title. Miss Livingston was crowned by Hollywood singing star Dick Haymes and was presented a bouquet of red roses by Miss Patty Pope, 1952 "Miss Holiday in Dixie".

LIBRARY FRATERNITY ELECTED OFFICERS

At its regular meeting Tuesday, Alpha Beta Alpha elected officers for 1953-54. The following officers will lead Alpha Chapter next year: Doris Gahagan, president, Hall Summitt; Fleming Thomas, vice-president, Ringgold; John Nugent, recording secretary, Colfax; Robert Joynes, treasurer, Newllano; Tommie Blackbourne, reporter, Shreveport; Jerry Love Perry, parliamentarian, Alexandria; Pat Hankins, national executive councilman, Coushatta.

Dorothy Carnahan and Annette Dailey were elected to represent the fraternity at the Louisiana Library Association convention in New Orleans, May 7-9. Other members attending the convention are Sally Thibodeaux, Fleming Thomas, and Robert Joynes.

CHARLES HOLLOWAY was recently elected president of the Northwestern Baptist Student Union. Holloway, along with the other officers of the council, were installed in the chapel of the Religious Center on April 18.

Charles Holloway President of BSU

Charles Holloway of Forest Hill has been named as president of the 1953-54 Baptist Student council at Northwestern and will guide the activities of that organization during the next year.

Holloway, along with the other officers on the council, were installed in the chapel of the Religious Center on the night of April 18. Delivering the installation message was Dr. A. T. Pilgreen, pastor of the Parkview Baptist Church in Shreveport.

Other officers installed were Byron McCain, men's enlistment vice-president; Faye Dell Johnson, women's enlistment vice-president; Pete Edwards, social vice-president; Faye Johnson, devotional vice-president; Mary Alice Phillips, secretary; Irene Long, treasurer; Harry Lane Miley, missions director.

Blanchie Lee Lewis, ROC and hostess; Aline McMickle, business manager; Alice Zenter, publicity and promotional; Ray Teal, music director; Eddie Ray Spurgin, "Chain" editor; Leeta Joy Coffee, Emmanuel representative; Jerry McDonald, West Side representative; Bettie Carter, First Church Sunday School representative.

Barabara Evans, First Church Training Union representative; Rev. Earnest Lilley, pastor advisor; Dr. Walter Robinson, faculty advisor; Cindy Hodge, YWA president; and Dudley Downing, BMOC president.

CORRECTION!

The senate and cheerleader election, in conjunction with the amendment election, will be held on May 6 instead of May 7, as was stated in last week's edition of the Current Sauce.

LIBRARY

Senate Minutes

A regular meeting of the Student Senate was held Tuesday night, April 21 at 8 o'clock in the Faculty room of Caldwell Hall. Thirteen members were present and eight were absent.

The minutes of the previous meeting were read by the secretary. A motion by Rudy Berlin, seconded by Mike Bellipanni, called for the approval of the minutes. The motion passed.

Houston Davis announced that Bennie Ray had resigned his position as chairman of the Student Film Program. Davis then appointed Rudy Berlin to replace Ray. A motion by Mike Bellipanni, seconded by Anne Hungerbeeler, called for the acceptance of Davis's appointment of Rudy Berlin as chairman of the film program. The motion passed the Senate.

Cindy Hodge announced that the date of the Demonette Variety show had been set.

Anne Hungerbeeler reported that work on the 1953 Student Handbook had been progressing very well. She called on all senate members, asking them to present any suggestions or new ideas for the handbook.

Houston Davis presented the Council-proposed amendment to the constitution. The amendment is as follows: Article VII; Section 3; Subsection c.—The business manager of the Current Sauce shall receive 20 per cent of advertising collections, not to exceed the equivalent of a full time scholarship. (retroactive to the Fall, 1952.) —The business manager of the Potpourri shall receive 25 per cent of advertising collections, not to exceed the equivalent of a full time scholarship.

Considerable discussion on the proposed amendment followed. John Batten moved that the Senate adopt the amendment as recommended by the Council. The motion, which was seconded by Ben David Vercher, passed.

The meeting was adjourned at 8:55 p.m.

Respectively submitted,
JOE SALTZMAN
Secretary

Council Minutes

The Student Council met at 5:45 p.m. April 29 in the Faculty Room of Caldwell Hall. Present were Robert Miller, Lowell Starnes, John Manning, Winnie Dowden and Ben Singletary.

The meeting was called to order by Vice-President Quinn. Details of the coming Senate election were discussed and Robert Miller was asked to prepare the ballots and have the constitutional amendments printed.

Lowell Starnes made a report on plans for the annual Council Banquet. Red Miller moved that the banquet be held Wednesday, May 13, at 6:45. Manning seconded. The motion carried. After a discussion of proposed menus. Miller moved that we accept the offer from Nakatosh Hotel. Starnes seconded. The motion passed. Quinn asked Winnie Dowden to extend invitations to the new council elects.

Dowden announced that the Student Council Room will be opened at 7 a.m. to let the doritory presidents obtain the ballot boxes. It will then be closed and remain so, except during the noon hour, until 3 p.m.

The meeting was adjourned.

Respectfully submitted,
BEN B. SINGLETARY

Goucher College Offers Twenty Fellowships For Graduate Study

Twenty fellowships for graduate study in elementary teacher training are available at Goucher College for 1953-54. The fellowships, in varying amounts up to $1725, are open to women graduates of liberal arts colleges who have no prior training or experience as teachers.

The new program, which has been made possible by a generous grant from the Ford Fund for the Advancement of Education, will lead to a degree of Master of Education in one year.

Goucher College will work in close cooperation with Baltimore City public schools in the graduate program. The accent of the course of studies will be on practice teaching and seminar discussion of problems met in the classroom. Purpose of the program is to provide elementary teachers equipped with a rich liberal arts background as well as fine technical training.

Deadline for applications is June 15, 1953. Address Director of Admissions, Towson, Baltimore 4, Md.

NOTICE

Girls who have signed to compete in the Archery Tournament will begin shooting Tuesday afternoon at 4:00.

Co-starring EDDIE MAYEHOFF

Pi Omega Pi

Pi Omega Pi pledged Joan Evans and Jack Tartar last Thursday night at six o'clock in the fraternity room in the Business Building.

Following the pledging ceremony, the officers for the coming year were installed. Leading the fraternity next year will be Manuel Lena. The other officers installed were Frances McLaine, secretary; Martha Ann Leach, treasurer; Wanna Beth Sanders, reporter; and Sue Harville, chaplain. Charles Williams, vice president, was unable to attend because of illness.

The annual fish fry at Durham's Camp was very successful last Saturday. Boating and fishing were the favorite sports of the day; but softball and horseshoes were quite popular too. The fraternity was very happy to have with them Mr. and Mrs. N. B. Morrison and their daughters, and Mr. Kenneth Durr, sponsor; and it would also like to express its appreciation to Durham's Camp for the fine cooperation the fraternity received.

Announcement

Finals of Sports Night will be held Wednesday, May 6.

Society

Delta Sigma Epsilon

Our Tuesday night meeting was dedicated to preparing the annual reports to be sent in to National. When the reports were completed, the seniors were asked to leave so that the banquet to be given in their honor might be planned.

We are all very glad to have Laverne Gresham back with us after her long stay in the hospital. We've really missed her around the campus as well as at meetings of DSE.

It seems that boquets are in order for a number of our girls, so we'll toss a few around in the form of "congratulations."

The dance group under the direction of Miss Shaffer is certainly making a name for itself; we want congratulate Chick Gabbert, Jane Gaines, and Jane Williams for their work in this group.

Again we congratulate Toby Livingston—this time for being chosen Aquatic Queen, and also for her star performance in the aquatic show! Congratulations also go to Jane Williams who is in her court. Both Toby and Jane are participating in the "Miss Holiday in Dixie" contest.

☆ ☆ ☆

Pi Kappa Sigma

Saturday night Pi Kappa Sigma held her annual spring formal in the student center. The theme of the dance was "The Coronation Ball' and it was carried out very effectively by the presence of thrones, crowns, shields, and bannets. Sudie Loomis and her escort, Firal Ryder, regined as queen and king of the ball.

The floor show consisted of three numbers, a dance by the Modern Dance Workshop, "My Hero" sung by Virgie McGuffee, and "Sixty Minute Man" sung and played by Jerry Suddath.

Hardy Rose acted as master of ceremonies and we'd like to thank him for doing such a wonderful job.

Tuesday night, Bebe Gallender was initiated in a beautiful candlelight ceremony. Millie Stevens was installed as corresponding editor.

Sigma Sigma Sigma

We send our sincere congratulations to Alpha Sigma Alpha, who won the scholastic candlesticks at the Spring Convocation Monday night. The mantel now looks rather bare, after seeing the candlesticks up there for the past two years.

TriSigma was not forgotten at the convocation, however, for our Dee Thompson received the Purple Jacket Award. Dee was chosen on the basis of leadership, scholarship, and loyalty to NSC.

Our congratulations go also to George Bailey, who won the contest last Saturday night, and is Aquatic King for 1953. George was our entry in the contest, along with Joan Evans.

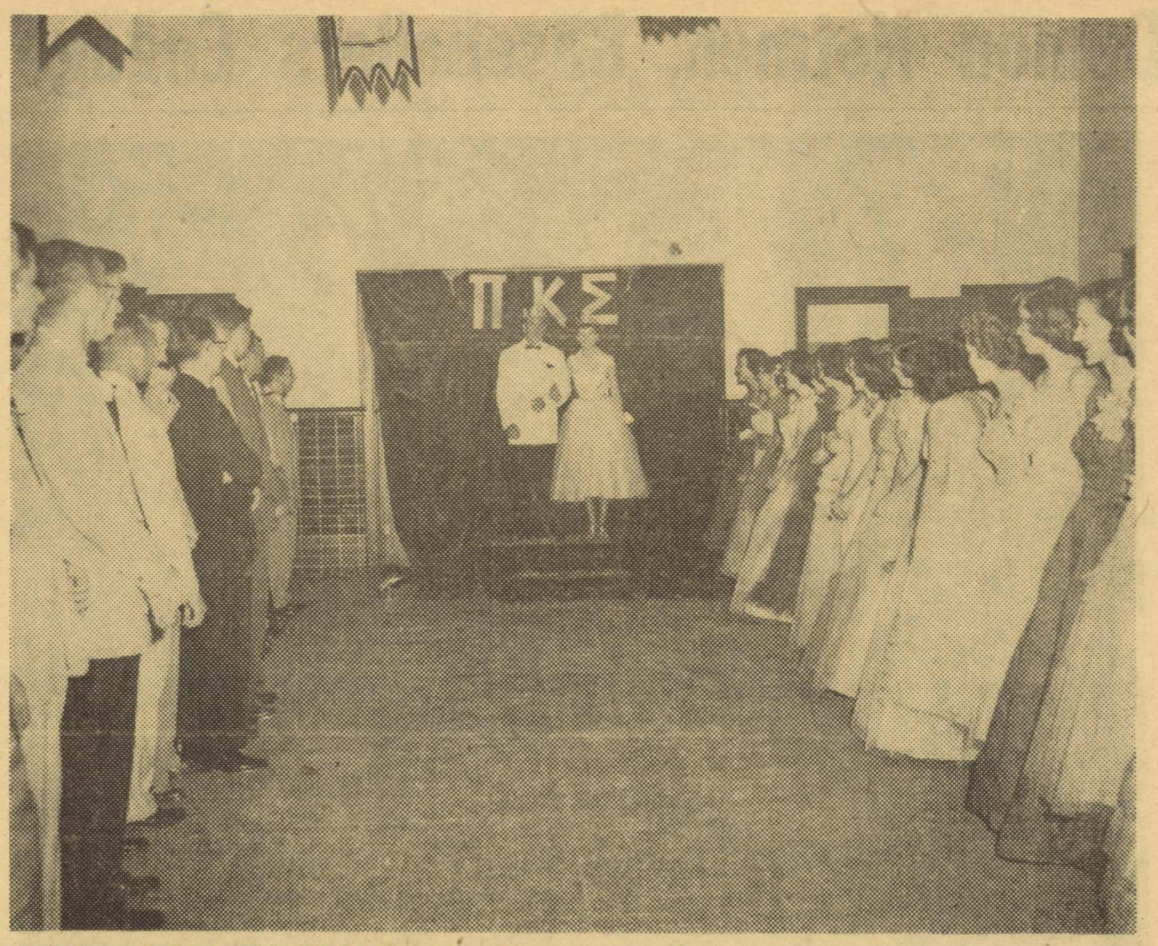

The kitchen at sorority house now boasts a set of three beautiful aluminum pans, and a Fostoria sugar bowl and cream pitcher. These additions to our many Silver Anniversary gifts came from Sue Kiper of Wisner.

Two of our alums visited the campus last week-end. We were all glad to see Nelda Morrison and Janet Kyser. Nelda is in Nurse's Training in Shreveport, and Janet is teaching at Sulphur High. Ruthie Ellender, teaching the first grade at Rosteet in Lake Charles, is planning on being with us this week-end.

Gervais Aldredge was the lucky person whose name was drawn to represent Tri-Sigma at the Phi Kappa Nu barbecue Saturday.

Dowden - Wyatt Engagement Announced

Mr. and Mrs. Bryant Y. Dowden of Cypress, Louisiana have announced the engagement and approaching marriage of their daughter, Winnie Ollie to Mr. William Emerson Waytt of San Angelo, Texas. The wedding will be solemnized at 5:00, Sunday afternoon, June 7 in the First Baptist church of Natchitoches. Friends and fellow-students of the bride-elect at Northwestern should regard this announcement as an invitation to attend the ceremony and the reception following.

PI KAPPA SIGMA'S "CORONATION BALL" was held in the Student Center last Saturday night. The theme was carried out very effectively with decorations which consisted of thrones, shields and banners, and other articles depicting royalty. Sudie Loomis and her escort, Firal Ryder, were crowned queen and king of the ball.

Alpha Sigma Alpha

Alpha Sigma Alpha is very proud of the silver candlesticks that were awarded her at the Annual Convocation for the highest scholastic average of the campus sororities, for the past year. Congratulations go also to Anne Hungerbeeler, one of the outstanding undergraduates of the year; and to Wanna Beth Sanders, who was awarded the 1953 Panhellenic award for the highest freshman average.

We are all very proud of the improvements that are being made in the house. The kitchen is sporting new linoleum and fresh paint of grey and rough hues; and the bathroom is being painted in two lovely shades of blue. The entrance hall has been enhanced by new, brightly colored drapes. Since the old shrubs have been removed from the yard, the ASA's are planning what flowers they want planted around the house.

Tuesday night, the girls made plans for a "record" party, which will also serve as a "house-warming" for the new additions to the house, for a Friday night before the spring semester ends.

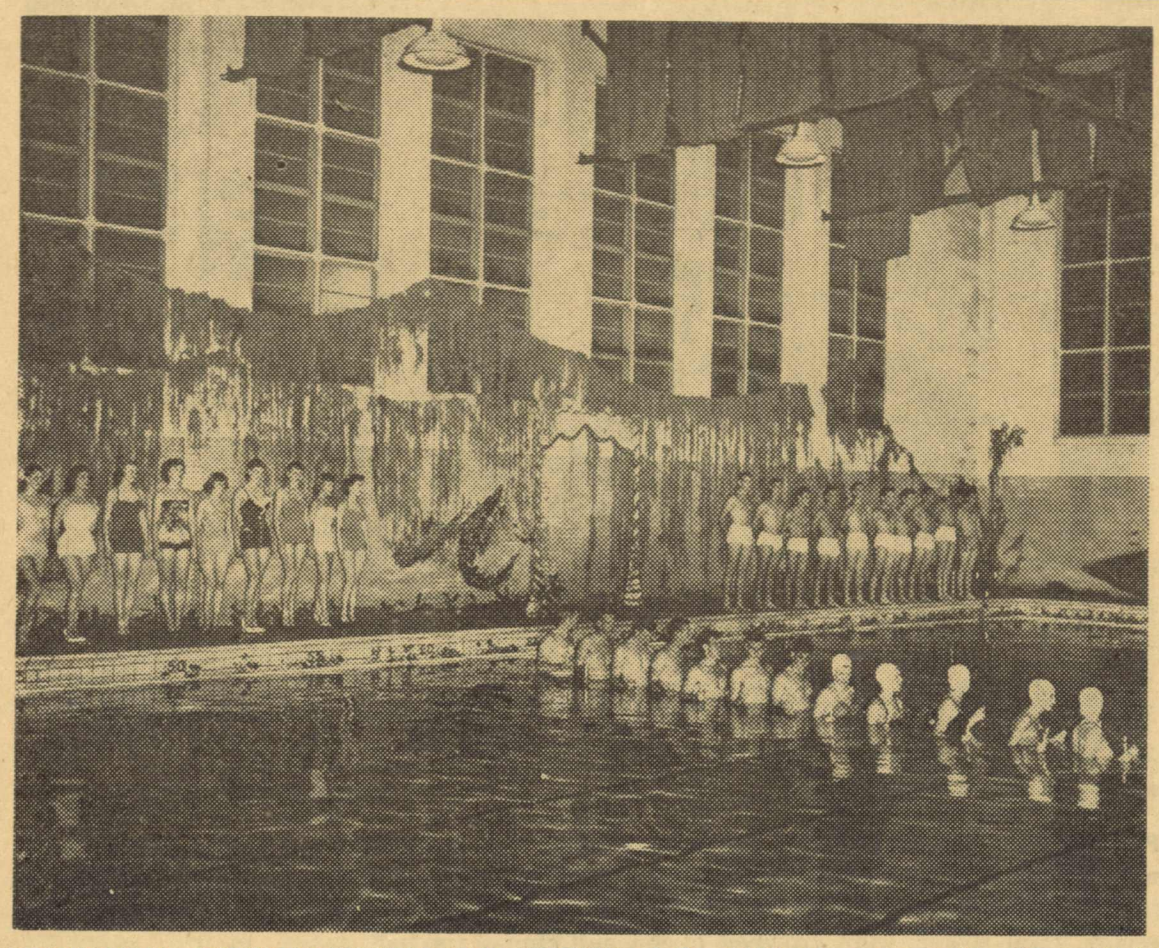

For all your summer time parties, and picnics we offer you special orders on cookies, cakes and other sweets. Drop by and make your selection from our list of delicious delicacies

OPEN UNTIL 10:00 P. M.

Demon Netmen, Baseballers Engage La. Tech This Afternoon

"LOUISIANA AQUACADE" WAS THE THEME of the 1953 Demon aquatic show which was held here Friday and Saturday nights, April 24-25. This season's program was presented in commemoration of Louisiana's 150th year anniversary. The show, highlighted by beautifully blended colors and fine music, featured some of the best swimming performances ever held at Northwestern.

Tennis Teams Tangle At 1:30; Diamond Nines Start At 2:00

Northwestern State College Demon baseballers and tennismen will play host to the dual team from Louisiana Tech this afternoon on the Purple and White diamond and tennis court. The baseball game will get underway at 2:00 o'clock while the net-men will start at 1:30. A Golf match, originally scheduled for today was postponed until Monday afternoon at 1:00 o'clock

In a previous meeting between these teams at Ruston, the Techster swept both contests, taking the ball game 11-9, and the tennis match 6-1. However, in the tennis match, the Demons were playing without the services of Bob Durham, No. 1 player, who was out with a nose operation. This absence made a considerable difference since each NSC man was forced to move up a notch in competition. Durham will be playing this afternoon.

Coach Alvin Brown plans to send ace Demon twirler, Douglas Logan to the mound, in an attempt to avenge the carlier loss. Behind the plate will be J. P. Johnson; the remainder of the line-up will be Ken Shaw, first-base; Bob Weaver, second-base; Bob Schmerhiem, third-base; Sammy Booras, shortstop; Pat Lyons, Left field; Johnnl Emmons, center field; and Jon Clemons, right field.

Northwestern will be after its third victory in GSC competition. They have two defeats. The Demons downed La. College 6-4, and McNeese 6-5, and took lacings from Southeastern, 4-1, and La. Tech 11-9.

The Demon-Bulldog baseball contest found Kenneth Bates of Tech sending Jesse Storts across with the winning run in the eight when lanky first baseman slapped a sharp single to center. The Demons' Johnny Emmons had tied the game at 9-9 with a three-run homer in the seventh for his only hit of the ball game.

Absence of Bice, Lilley Felt In Demons First GSC Loss

Northwestern State College's Demon tracksters, previously unbeaten in GSC competition, fell prey to the Bulldogs of La. Tech and Southwestern Tuesday night in Lafayette to unblemish their perfect slate of Gulf States victories. The absence of star spinter and leading point make, Jack Bice, who is ill with the mumps, and Waple Lilley, presently out of action with a pulled tendom, plagued the Demons enough to keep them from successfully defending their win streak.

La. Tech took top honors for the night with 67 points, Southwestern was second with 58, and NSC notched 57. In this same meet last year, the Southwestern crew proved victorious with 80 tallies, NSC followed with 50, and Tech held 49.

Last Tuesday's meet, pitted the three top contenders for the GSC tournament crown. The meet which will be held in Ruston on May 9, should turn out to be a toss-up, with any one of the three teams coming through. Before Bice was stricken with his illness, the Demons held the edge, but now that he is out for the remainder of the season, pretrial predictions are useless.

Although the Purple and White team failed to show as good a form as possible, the defeat in Lafayette brought out of consolation. And that is that the Demons have a new spirit. "The boys were a little stiff," says Coach Walter Ledet "without the presence of Bice." The loss showed them that they are going to have to hustle more, and work harder, if they wish to capture the GSC crown. Bice had been good for at least 12 points in the past meets, so the difference can be easily seen.

Results of the meet is as follows:

120 yd High Hurdles: Francis (SW), Walker (R), Childress (NSC), time 15.3.

100 yd. Dash: Valley (T), Parker (SW), Venoir (T), time 10.

Mile Run: Davis (T), Abshire (SW), Claybrook (NSC), time 4.35.7.

440 yd. Relay: L. Tech, Southwestern, time 43.3.

440 yd. Dash: Walker (NSC), Campbell (T), McNee (SW), time 49.8.

220 yd. Low Hurdles: Chesson (SW), Childress (NSC), Thonberry (T), Time 24.1.

880 yd. Relay: La. Tech, Southwesten, Northwestern, time 1.30.1.

880 yd. Dash: Davis (T), Walker, Gillan (NSC), time 2.02.4.

220 yd. Dash: Lenora (T), Valley (T), Bayhan (SW), time 21.0.

Two Mile Run: Rider (NSC), Abshire (SW), Wilson (NSC), time 10.26.

Mile Relay: Northwestern, Southwestern, La. Tech, time 3.28.4.

High Jump: Valley (T), Byrd and Duggsn (TIE, NSC), 5'10".

Shot Put: Clem (SW), Worsham (T), Bankston (NSC), 45.5½ ft.

Discus: Bermand (SW), Worsham (T), Simon (NSC), 133'7".

Javelin: Hickinbottom (SW), Castg (SW), Anderson, (T), 167'7".

Broad Jump: Vallery (T), Collinsworth (NSC), Lemoing (SW), 23'2¼".

Pole Vault: tie for first (Chesson and Lofton, NSC; and Allen, SW) 11'6".

May 4 Entry Deadline For Badminton Tourney To Be Held On Campus

Northwestern State College will host the 1953 State Badminton Tourney May 6 and 7. Play will take place Wednesday night and all day Thursday. There will be five classes of competition. The entry deadline is Monday, May 4.

Trophies will be awarded for first place in the senior division which consists of singles, doubles, and mixed doubles. Medals will be given in the junior division for first place. There will be no mixed doubles in the junior bracket. Second and third places in each group will also be awarded medals.

To be eligible in the senior division, a person must be in college or must be an adult. For the junior group he must be in high school.

Individuals, schools, athletic clubs, companies, religious organizations, and other may enter the meet. There will be an entry fee of $1.00 for juniors and $2.00 for seniors.

Free housing accommodations will be furnished to individuals who apply on or before May 4. Bed linens must be furnished by those staying on the campus.

Address all correspondence to Pat Brown, Dept. of Phys. Education, NSC, Natchitoches.

Tennis
Play Begins Monday, May 4.

Northwest Dist. Rally In Baseball, Softball Held Here On May 8-9

Entry blanks for the Northwest District baseball and softball rally to be held here May 8-9 have been mailed to high schools over central and north Louisiana, stated Alvin Brown, who is in charge of the baseball division of the rally.

Competition in baseball will be in four separate classes, providing that at least four teams in each class are entered. Last year there were no class AA entries. Softball competition will be in a single class.

Winners in the baseball division last year was Minden in Class A, LaSalle of Olla in B, and Pleasant Hill in C. Forrest Hill won the boys softball title and Oak Grove the girls.

Demons Lose 7-0 Match To McNeese Cowpunchers

Journeying to Lake Charles and to the courts of McNeese State College, the Northwestern State College tennis team dropped a 7-0 decision, Tuesday afternoon.

Although the Cowboys captured every match, the individual sets were highly contested. Each match could have gone either way. A look at some of the scores would naturally indicate this.

Two of the matches went to three sets before the two Demons were defeated.

Summary of the match is as follows:

Geo Hegg (M) beat Mike Lelong, 6-2, 6-1.

Jerry Simmons (M) defeated Lucian Spataro, 7-5, 6-4.

Allen Singleton (M) beat Pedler Edwards, 6-4, 6-4.

Marshall Clayton (M) beat Mike Torrans, 7-5, 7-9, 8-6.

Gus Schram (M) downed John Batten, 6-3, 3-6, 6-2.

Geo Hegg-Jerry Simmons (M) beat Lucian Spataro-Mike Lelong, 6-1, 6-2.

Allen Singelton-Marshall (M) defeated Pedler Edwards-Mike Torrans, 6-4, 6-4.

Intramural Final Sports Night

With the two Sports Nights in Intramural over with, those who have qualified will get their chance at the play-offs when the Final Sports Night takes place Wednesday night at 6:15.

The following is a list of those who have qualified and who will take part in the final action. This list contains the bracket arrangement for Paddle Ball, Badminton, Ping Pong and Box Hockey.

Paddle Ball

Upper Bracket:

Bob Durham, Sigma Tau vs Mike Bellipani, Phi Kap.

Lower Bracket:

Mike Torrans, Sigma Tau vs Sam Wilson, Sigma Tau.

Ping Pong

Upper Bracket:

B. Ratcliff, BMOC vs Sammy Wilson, Sigma Tau.

Mike Torrans, Sigma Tau vs Alvin DeBlieux, Phi Kap.

Lower Bracket:

Bob Durham, Sigma Tau vs Clay Brock, Phi Kap.

B. Wilson, Sigma Tau vs G. Perkins, Independents.

Badminton

Upper Bracket:

Mike Torrans, Sigma Tau vs R. Tyler, Independents.

R. Smith, Sigma Tau vs Bill Collinsworth, Caspari.

Lower Bracket:

Pedler Edwards, Sigma Tau vs Mike Bellipani, Phi Kap.

G. Perkins, Independents vs Bob Bob Durham, Sigma Tau.

Upper Bracket:

Pedler Edwards, Sigma Tau vs Dan Waters, Phi Kap.

Mike Torrans, Sigma Tau vs Alvin DeBlieux, Phi Kap.

Lower Bracket:

Paul Rider, Sigma Tau vs G. McMurray, Phi Kap.

Bo Wilson, Sigma Tau vs B Shaw, Phi Kap.

RESULTS INTRAMURAL TRACK MEET

High Jump: Jack Sharp, Sigma Tau; Kenneth Everett, Independent; (tie) Mervin Baldwin, Independent, Bates, Individual, Pedled Edwards, Sigma Tau. Height 5 feet 10 inches.

Broad Jump: Perkins, Caspari; McGraw, Sigma Tau; Barker, Rebel Hall, and Batten, Sigma Tau, Distance 18 feet 11 1/4 inches.

120 yd. Low Hurdles: Smith, Frames; Ebarb, Caspari; Rider, Sima Tau; and Hickman, Caspari. Time 16.3.

100 yd. Dash: Stoker, Caspari; Walton, Caspari; and Bates, Draft-Dodgers. Time 10.6. New Record.

220 yd. Dash: Walton, Caspari; Barker, Rebel Hall; and Bates, Draft-Dodgers. Time 23.7.

440 yd. Dash: Vercher, Frames; Hickman, Caspari; Reed, Frames; and Simmons, Frames. Time 59.2.

440 yd. Relay: Caspari, Phi Kap, and Sigma Tau. Time 49.3.

Shot put: Little, Caspari; Simpson, Sigma Tau; Howard, Caspari; and Sullivan, Independent. Distance 43 feet 1¼ inches.

INTRAMURAL SOFTBALL SCHEDULE

TENNIS

Competition

The College championship in Lawn Tennis will be determined by an elimination tournament.

Game & Matches

In all preliminary matches, the winner will be decided by the best three out of five sets.

Playing Time

At the time of entry a player will indicate his preference of playing time. Afternoon (4 p.m.) or night (6:30 p.m.). Matches will be arranged during convenient hours, so far as it is posible.

GOLF

1. The contestants will meet at the Country Club on the day appointed and participate in a medalist tournament of 18 holes. A gold medal will be awarded to the contestant shooting the lowest qualifying score. No points will be scored in the qualifying round.

2. The low eight scorers will qualify for the final elimination match play tournament to be held on the future date as scheduled by the Intramural Office.

3. The final bracket will be drawn up with No. 1 playing No. 8, and No. 3 playing No. 6 in the upper half. The lower half will include No. 2 playing No. 7, and No. 4 playing No. 5.

4. Students will be assisted with transportation by the college.

5. Equipment may be borrowed from the health and physical education office. Players are expected to furnish their own golf balls.

INTRAMURAL TEAM STANDINGS

Sigmau Tau	728 points
Phi Kap	719 points
Frames	516 points
Rebel Hall	515 points
Chow Hounds	330 points

Golf

Entries Due May 14.
Play Begins May 14

NOTICE

Girls who have signed to compete in the Archery Tournament will begin shooting Tuesday afternoon at 4:00.

NOTICE

The Final Sports Night will be held Wednesday, May 6 at 6:15 p.m. in the Men's Gymnasium.

Formal Inspection For College ROTC Next Thursday

Northwestern State college's Reserve Officers Training Corps will undergo a formal inspection on May 7th by officers of the Louisiana Military District, says Lt. Col. James W. Bowman, professor of military science and tactics at NSC.

Heading the three-man inspecting team will be Lt. Col. Elba W. Bowen of Shreveport. Assisting him will be Lt. Col. Ralph A. Poe, and Capt. Charles L. Seals.

An annual event, the inspection is held to determine the proficiency of the unit according to standards set forth by the Department of the Army.

The inspecting officers are to arrive at 8 a.m. and will spend the morning hours visiting the various military science classes and inspecting the activities of the administration and supply.

The Corps of Cadets will be inspected on the drill field from 1-3 p.m. Squad, platoon, and battery drill will be followed by a review. Special demonstrations will be done by the drill team and 90 mm gun crew.

Bowman added that the public is invited to witness the afternoon program on the drill field.

The Northwestern ROTC, begun in the fall of 1950, is an anti-aircraft artillery unit and is housed in a new armory building facing Chaplin's lake on the NSC campus.

High School Pianists Will Give Recitals At Northwestern

Two high school piano students will present recitals in the Little Theater of the Fine Arts building on the Northwestern State college campus on May 5 at 3 p.m.

Both outstanding high school senior pianists, the two are Bernita Main of Winnfield and Billie Ann Yawn of DeRidder. The two girls have received many superior ratings in contests over the state. Recently Billie was awarded a high school diploma by the National Guild of Piano Teachers.

The recitals are being sponsored by the piano pedagogy class at Northwestern. This is a music education class. The public is invited to attend the recitals.

Air Reservists Will Show Films Wednesday Night

Three films will be shown at the regular weekly training meeting of Flight B of the 9799th VART squardon Wednesday night at 7:30 p.m. in the men's gym on the Northwestern State campus.

The movies are "The Battle of Midway," "Life and Death of the USS Hornet" and "Tumbling for Physical Fitness."

All air reservists and men with prior military service are urged to attend.

"Miss Shreveport" Won By Sister Of Local Women

Miss Alpha Leah Gremillion, sister of Mrs. Ralph Todd and Mrs. C. W. Bolinger of this city, was crowned "Miss Shreveport" Wednesday night in ceremonies beginning the annual Holiday in Dixie, in Shreveport.

Miss Gremillion, daughter of Mr. and Mrs. Clifton Gremillion of Bunkie, is well known here, where she has visited her sisters, and also attended Northwestern State college. She represented Avoyelles parish last fall at the Northwestern - Louisiana college football clasisc held at the Cen-La fair. She is employed by the North Louisiana sanitarium.

NOTICE

The Final Sports Night will be held Wednesday, May 6 at 6:15 p.m. in the Men's Gymnasium.

For Clothing Becoming To You
You Should Be Coming To Us

We have a large selection of slacks, sport shirts, shoes, belts, swim trunks, and socks.

MICHAEL'S MEN'S STORE
"One Man Tells Another"

WILL THIS SUIT FIT YOU?

If you can make the grade, you can fly the latest, hottest, fanciest jobs in the air— and do it within one year.

IT TAKES a good, tough, serious guy to wear the gear of an Aviation Cadet. But if you can measure up, here's your chance to get the finest in aviation training—training that equips you to fly the most modern airplanes in the world and prepares you for responsible executive positions, both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of $5,300.00 a year. And this is only the beginning—your opportunities for advancement are unlimited.

ARE YOU ELIGIBLE? To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a minimum requirement—it's best if you stay in school and graduate! In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details:
Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

U.S. AIR FORCE

THE CURRENT SAUCE

VOL XXXIX—No. 26 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, MAY 9, 1953

MISS HOLIDAY IN DIXIE for 1953 was Toby Livingston, daughter of Mr. and Mrs. Livingston of Los Angeles, Calif., who is residing with her aunt and uncle, Mr. and Mrs. Jim Livingston, 304 Second street. Miss Livingston was chosen from a field of 30 beauties from the Ark-La Tex area in competition last Thursday night in Shreveport. She was crowned queen by Hollywood singing star Dick Haymes. Miss Livingston is a freshman student at Northwestern State College.

Recipient Of Rotary Study Grant Will Attend Grenoble University In France

The Natchitoches Rotary club's successful candidate for a Rotary foundation fellowship has announced plans to study the French language and literature at the University of Grenoble, Grenoble, France.

Miss Genevieve Marmande, a senior at Northwestern State college and a native of Houma, Louisiana will enter the French university nxt fall. She was one of 95 outstanding students from 30 countries honored.

Miss Marmande is the second person from the state to be accepted for one of the $2,400 grants since the Foundation was inaugurated in 1947.

She was nominated by the local club to the district committee. Her qualifications were then submitted to Rotary International headquarters in Chicago where a commision from England, Bermuda and the United States voted her the scholarship.

Since her selection for the study grant, Miss Marmande has been requested to speak before various organizations in the state. Monday afternoon, she addressed the District 202 assembly of Rotary International in New Iberia.

As a Rotary foundation student abroad, Miss Marmande will enjoy certain privileges and obligations. The opportunities for study and sightseeing within the confines of her scholarship are very broad.

While in Grenoble, she is expected to be a good-will ambassador to the French people, do successful work at the university, use at least her $200 allowance for visiting Rotary clubs in the area and speaking to them about the American way of life and make four reports during the year to Rotary foundation giving details of her activities as a fellowship student.

At Northwestern State, Miss Marmande is president of Delta Sigma Epsilon social sorority and the Pan-Hellenic council. She is a member of the Purple Jackets and the Newman club and a past member of the Freshman Commissioners.

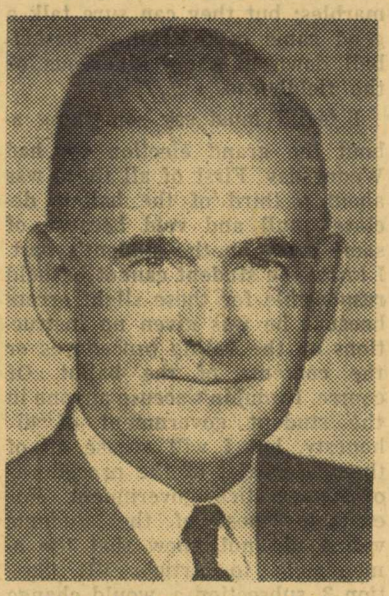

Senators Elected For Coming Year Amendments Pass

Elected to the 1953-54 Student Senate last Wednesday, May 6, were Johnny Nugent, Don Finley, Gerald Tilleux, Sudie Loomis, Bettie Carter, Ann Hungerbeeler, Genie Shaw, Cindy Hodge, Mary Catherine Gordy, Marjorie Singletary, Jerry Isles, Mary Alice Phillips, Ben David Vercher, Carl Kight, Clay Brock, and Gerald Brown. Of the nineteen candidates fo relection, three were eliminated. They were Ed Bacilla, Mary "Beth" Smith, and Marion Smith.

The proposed amendments to the constitution were passed by the Student Body.

Dr. Grant Is Commencement Speaker At '53 Graduation Exercises May 29

Dr. Edward D. Grant, Louisiana's new director of institutions, will be commencement speaker at Northwestern State college's spring graduation exercises, President H. Lee Prather announced this week.

DR. EDWARD D. GRANT

Seventy-eight graduating seniors and three students receiving three-year diplomas in nursing will hear Dr. Grant at 8 p.m., May 29, in Northwesten's Fine Arts auditorium.

Born in Glasgow, Scotland, Dr. Grant came to the United States when he was 12 years old. He served as an infantry lieutenant in the first world war and returned to school to graduate from Austin College (Texas) in 1920.

He received his master's degree in education from George Peabody college for teachers, and later returned to Austin to receive his doctor's degree in 1923.

He came to Baton Rouge from Richmond, Va., where he had served 18 years as Executive Secretary of the Board of Christian Education of the Presbyterian Church. He had previously served as educational secretary of the church's foreign board in Nashville, Tenn.

As director of institutions, Dr. Grant is responsible for budgeting, operation, and improvement of 17 state-owned institutions, including tubercular, general hospitals, correctionals schools, and the State penal system.

Phi Kap Barbecue Held Saturday At Gum Springs

Gum Springs was the scene of the annual Phi Kappa Nu barbecue on May 2, Saturday afternoon. Attending were the members and their guests, alumns, representatives of the Greek letter organizations, and Mr. and Mrs. Rene Bienvenu. Representing the Greek organizations were Gervais Aldredge and Dave Lawson, Sigma Sigma Sigma; Clydine Madden and Jack Sharp, Pi Kappa Sigma; Jane Shaffer and "Red" Cook, Delta Sigma Epsilon; Wanna Beth Sanders and Bob Shirley, Alpha Sigma Alpha; Dale Branch and Dee Thompson, Lambda Zeta; and Jack Simpson and Jane Williams, Sigma Tau Gamma. The group welcomed alumns Cass Moss and Grady Howard and their dates, Barbara Grey and June Smith.

The guests were entertained by a pie-eating contest, won by Haorld Wright; various relay races, egg, bean and sack; music by "Red" Cook and his guitar; and a swimming exhibition by Ronnie Quinn, past president. Ben Singletary, 1953-54 president, was master of ceremonies.

Highlighting the program was the presentation of a gift from the fraternity to Miss Louise Vick, their sweetheart; and the singing of "Rose of Phi Nu" to her.

Acting as chefs were Clay Brock and Vernis Wright, who served the guests the delicious barbarcue, potato salad, cookies, soft drinks, frites and potato chips.

ROTC Instructors To Assist At Camp This Summer

Three Northwestern State College of Louisiana ROTC instructors are currently scheduled to assist with training at the six-week ROTC antiaircraft artillery camp to be held at Fort Bliss, near El Paso, Texas this summer. The course will run from June 20th through July 31st.

The Northwestern State College instructors are headed by Lieutenant Colonel James W. Bowman, professor of Military science and military tactics at the school, and include Captain Horton Bransford and Captain Douglas Carr, Jr.

A short three-day refresher course will be held for both officers and enlisted instructors early in June at the West Texas post before the cadets arrive for training.

Latest reports at Fort Bliss indicate fifty-two Northwestern State men will attend the encampment. As many as 1,800 cadets are expected to train at Fort Bliss in this years antiaircraft artillery ROTC summer camp.

Every ROTC cadet in the senior division is required to attend one summer camp before he is commissioned a second lieutenant in the Army Reserves. The course of instruction is organized to stress practical field-type exercises on light and medium antiaircraft weapons.

In addition to the conventional guns, ROTC men will receive some instruction on the Army's newest AA cannon, the "Skysweeper". They will also work with the latest types of radar, and receive an indoctrination into guided missiles.

Notice, Faculty!

Nursing students are selling their services as baby sitters to finance a representative from Northwestern State College Student Nurses Association to the National Student Nurses Convention in Cleveland, Ohio. Nursing students are capable, reliable, and interested in child care.

For services call Extension 47 (Kate Chopin) and ask for Miss Marjorie Reynolds, who will place a sitter at your disposal at the appointed hour.

Broadway Play "Black Chiffon" On Theatre Guild

Burgess Meredith and Judith Anderson headline the Sunday, May 10, "Theatre Guild on the Air" presentation of "Black Chiffon," to be heard via coast-to-coast stations of the NBC network at 7:30 p.m. CST.

Marking the 313th dramatization of U. S. Steel's award-winning program, author Lesley Storm's psychological drama will have Meredith portraying Dr. Hawkins, a psychiatrist, and Miss Anderson as his wealthy patient. The plot revolves around a minor theft that has intense repercussions.

Meredith, whose vivid portrayal in the "Theatre Guild on the Air" broadcast of "Wings Over Europe" launched the dramatic series in 1945, has been applauded by moviegoers in "Winderset" and "The Man on the Eiffel Tower." He was most recently seen on Broadway in "The Fourposter."

One of the foremost ladies of the American stage, Miss Anderson's film roles include "Rebecca" and "King's Row." Theater-goers hailed her recent performance in "John Brown's Body," in which she starred with Tyrone Power and Raymond Massey.

NOTICE

All students who desire to do student teaching next fall may now make application by filling out the necessary form in Dean Robson's office or my office.

It will be to your advantage to make your application immediately. If you are in doubt, I should like to discuss the matter with you.

JOHN A. JONES
Director of Teacher Training

Mexico Is Brought To Natchitoches For Purple Jackets

Mexico came to Natchitoches last Wednesday night seven o'clock, when the senior Purple Jackets were honored by a banquet given by the new Purple Jackets. Other guests of honor were Dean and Mrs. Dudley Fulton, Dean Kathleen Gillard, Miss Mary Winters and the sponsors, Miss Katherine Winters, and Mrs. Eola Rooks. Acting as the presiding officer and hostess was the incoming president, Eddy Gene Elliott.

The garden party was held on the lawn of the George Sutton home. The rhythmic Mexican music set the mood of the party and the Purple Jacket styled "Mexicans" rendered their versions of several Latin American songs. Vera Gabbert led the guests deeper into Mexico by reading two poems depicting the lives of the native people. Following this, Hazel Davis and Wanna Beth Sanders presented the outgoing Purple Jackets gifts and bouquets of red roses. To show the Purple Jackets' appreciation of their sponsors, Mary Clark presented Mrs. Rooks and Miss Winters gifts.

The tables were set with gay linens, and the guests' places were marked by tiny straw sombreros. Programs in the shape of Purple Jackets graced the tables and centerpieces of catcus were on the tables.

Toasted tortillas, food baked in Mexican style, and baked ice cream, a popular dessert the girls enjoyed at the Louisiana in Monterray, added the final touch to the banquet.

The outgoing Purple Jackets are Beth Trammel, Winnie Dowden, Genevieve Marmande, Claudine Box, Dorothy Thompson, Thelma Ruth Stevens, Evelyn Smith, Mary Clark, Clarie Lucius and Louise Vick.

LIBRARY

LETTERS to the EDITOR

Dear Mr. Editor,

It has been a practice at Northwestern State College for many years to give the senior athlete, who has lettered in the same sport for three years, an award by the student association. This award consists of either a gold emblem of some kind or a blanket. This award given by the student association has been one of the most prized and precious possession of the graduation athletes. It shows to him the appreciation of the student body for the many hours he has spent on the athletic field, for the many miles he has run on the track or the laps he has swam in the swimming pool trying to do his very best for the student body and NSC.

This practice of giving the athlete a senior award was abolished in an election held Wednesday, May 6th. To the student body of this school, I am sure the other athletes will join me in apologizing to you for not meeting your very high standards. We are indeed sorry we lost that swim meet this year to Florida State University, we're also must apoligize. I supmany loses on the gridiron. I suppose we should apologize to the student body for losing our only track meet last week to La Tech and Southwestern. We thought we did our best, but I know you, the student body, must think so We know dear student body, that it isn't your fault we lost the swim meet, or the football games, or the track meet last week; you always do your part, we know this because you say you do.

The Student Senate proposed this amendment in order to cut down on expenses. Now we can't blame an organization for wanting to get out of debt. That is perfectly natural, but we can hardly help feeling offended at the method this organization used. They cut out the graduating athletes award, but they continue to give awards to the members of the Student Council, the Student Senate, purple jackets and cheerleaders. Yes. dear student body, they really are proposing a huge cut; for instance there are usuall yabout three or four graduating athletes elegible for this senior award, while they continue to give about 30 keys about 20 jackets or sweaters. You can figure it out for yourself just how much they are cutting expenses.

Another thing I would like to mention is the people who proposed and backed this amendment so strongly. Several of them have tried their skill at some of the sports on the campus and they didn't have the guts or the skill to participate and some of the others couldn't play a good game of marbles; but they can sure talk a good game of football or basketball down at the Rendezvous or the fieldhouse.

I feel I must say something about the grand election we had Wednesday. First of all there was about a third of the ballots declared null and void because of some error on the student's part. I know the student cannot be held responsible for these slight errors because he was given no instructions on the voting procedures or the contents of the ballot. Of course, I wouldn't accuse anyone in the student government of dishonesty, but I will accuse all of them of neglet of the procedures of democratice government. For example, most of the students voting did not know that the amendment to Article VII, Section 3, subsection a, would change the policy of the student association as to the presentation of awards. Some students even thought it was something entirely new and they felt sure the members of the various organizations deserved the awards, which I am sure they do, and they were glad to vote "yes" to the ammendment. So I must say that this election was one of the sorriest examples of democratic principles I have ever witnessed.

So, dear Editor and student body, I and my fellow athletes would like this opportunity to express ourselves. We do not have any gripe at the student body, we simply say we are very, very sorry that you feel we no longer deserve the Senior Athletic Award given by you, the student body. We will try in the future to deserve your appreciation.

I thank you for printing this article for us,

Sincerely yours,
DENNIS RYDER

Noted Lecturer Speaks At General Assembly Here Thursday Morning

"What After Stalin" was the subject of Dr. Edward Taborsky's lecture before a general assembly in the Fine Arts Auditorium on the campus of Northwestern State College on the morning of May 7.

Dr. Taborsky, born in Czechoslovakia and educated at Charles University in Prague, is a noted lecturer, having held some 80 public lectures since his arrival in the United States in 1949.

In his lecture Taborsky analysed the situation behind the Iron Curtain, in Russia and the Soviet Satllite countries as it appears after Stalin's death and attempted to arrive at some conclusions as to what might be the probable trends of further development and what the people of the free world might do about it.

Taborsky was secretary to the Czechoslovak Minister of Foreign Affairs at the time of the fateful Munich settlement in 1938. The following year he escaped to England when the Nazis marched into Prague.

As secretary to Czechoslovakian president, Edward Benes, Taborsky made official visits with Benes to see President Roosevelt in 1943 and Stalin in Moscow in 1943 and 1945. Later he served as Envoy Extraordinary and Minister Plenipotentiary of Czechoslovakia to Sweden.

Home Talent Cast In Variety Show May 19th, 20th

A musical variety show with a minstrel background will be presented in two evening performances in the Fine Arts auditorium of the Northwestern State campus on May 19th and 20th.

The show, On Stage America, will cast about 100 local people. Charles Planchard will be the middle man in the minstrel lineup. Other Natchitocheans already cast in the group include A. J. Buckley, J. B. Quimby and A. R. McCleary.

Proceeds from the show will be used to restore the old Lemee House on Jefferson street which is not in use at the present time. The Women's club is sponsoring the event.

The show is under the direction of Lee Wainwright of the Empire Producing company of Kansas City. This company has been in the talent show field for the past 20 years.

In conjunction with the talent show, a tiny tot contest will be held. Competition will commence Monday, May 11th, and is limited to youngsters six years of age and under.

Voting will be on a cash basis, one penny buys one vote. Pictures of the entrants will be featured in the show window of one of the downtown stores.

To be elected are a king, queen, princess, prince, duke, and duchess. The winners will be awarded prizes and crowned at the showing on May 20th.

Further information concerning participation in the contest may be obtained by contacting Mrs. B. B. Cobb, phone 3023.

Girls, if you are lonesome in your dorms, glide on down to Le Rendezvous. Men, if you are broke, you come on down too. We'll furnish the water, if you'll say you'll get together and have fun. Is it a deal?

Delta Sigma Epsilon

At our Tuesday night meeting plans for attending National Conclave were made. Conclave will be held in San Francisco this year, and our delegates will be Martha Ann Leach and Ef Cloutier with Chick Gabbert, Alice Margaret Phelps, and Betty Alice Bell serving as alternates. The purpose of Conclave is to exchange ideas for the betterment of the individual chapters and to bring them closer together.

In secret ballot we voted for the best pledge of the year, the best active member of the year and the person to wear the Myrtle Aymond ring. These awards will be presented at the Parent-Daughter Banquet on May 9.

We are all proud of Toby Livingston and the new title she acquired at the Holiday in Dixie Festival.

☆ ☆ ☆

Sigma Sigma Sigma

Our Tuesday night meeting was made more enjoyable by the presentation of the traditional box of candy by Dee Thompson. Dee is now wearing Dale Branch's frat pin.

The members and those pledges present also enjoyed sherbet, brought by our sponsor, Eve Mouton.

Plans for the fall rush party and the homecoming float were discussed, and the research committees are continuing their work. Also, the house party committee is continuing their work. We hope to have those plans completed at our next meeting.

The Library fraternity, Alpha Beta Alpha, elected officers recently, and one of our pledges, Doris Gahagan, is the incoming president. Congratulations, Dot! Also in the line for congratulations are Doris Bolin, outstanding senior Euthenics Club member; and Bea Rumsey, Purple Jacket Vice-President for the coming year. The election returns found two Tri-Sigma elected to the Senate—Genie Shaw and Mary Catherine Gordy.

☆ ☆ ☆

Lambda Zeta

Lambda president James Gresham had found it impossible to perform his duties for the remainder of the year, and so has retired after a creditable term of leadership. Because of this vacancy, the newly elected officers have been sworn in and are serving the remainder of this year as well as next year. They are: Dale Branch, president; Ronald Bonial, vice-president; Bobby Hamm, secretary and reporter; Kenneth Brister; treasurer; Henry Walthon, parliamentarian; Lonnie Bennet; sergent-at-arms; Charles Wood, athletic director and chaplain; James Withirn, Kenneth Brister, and Archie Worsham, inter-fraternity council representatives; Lester Deville. shield lighter.

Dale Branch is again the subject of congratulations. In adition to becoming Tri Sig man of the year and president of Lambda Zeta, Dale has now pinned Dee Thompson. Lambda Zeta extends its congratulations to Dale and Dee.

Among the recent activities of the Zeta men have been two parties. They were enjoyed by all present.

☆ ☆ ☆

Alpha Sigma Alpha

The members were presented a delicious box of fudge by Octavia Sandlin, who is pinned to Wlicy Champagne. Congratulations to you both.

Plans were climaxed last Thursday when the annual Faculty-Alumni Tea was held in the sorority house. Hostess was Katherine Elliott, president. The house was attractively decorated with lovely spring flowers.

Representing Alpha Sig at the Phi Kap barbarcue last Saturday was Wanna Beth Sanders. Susie Mathis was our representative at the Pi Kappa Sigma formal, and Kathleen Simmos was the representative at the Theta Sig formal.

We are very proud of our new member, Virginia Spillers, who was initiated last Tuesday night. Virginia was also elected to fill the office of Registrar.

☆ ☆ ☆

Theta Sigma Upsilon

The past week really found the Theta Sigs busy. It was a tired but happy group who marched to the Field House in their finery Saturday night. Climaxing a week of hard work, much planning, and excited anticipation was the Spring Formal, "Dancing in the Dark."

Thetas receiving honors this week were Pat Hankins and Dorthy (Boo) Carnahan who were elected to offices in Alpha Beta Alpha, Frances Griffin, installed as Pan-Hellenic vice-president, and Boo Carnahan, installed as our sorority's Junior Pan-Hellenic representative. Boo is also one of the ABA representatives to the Louisiana Library Asociation convention in New Orleans this weekend.

Congratulation go to Pat Hankins who has completed a very successful year in debate.

Plans are being made for our Family Banquet which will be held on May 17. Plans are also being made for an informal party as a to our year's activities.

☆ ☆ ☆

Sigma Alpha Iota

Sigma Iota's annual spring banquet was held in the student center Wednesday night, April 6. A lovely centerpiece of red roses helped to carry out the color scheme of the banquet.

New officers for the coming year are Sallie Jo Foster, president; Marjorie Norsworthy, vice-president; Carolyn Adams, secretary; Marcia Dauzat, treasurer; Alice Zenter, reporter; Ann Walton, chorister; and Mary Ann Cronin, pianist.

Pi Kappa Sigma

Tuesday night after our regular busines meeting, the seniors were asked to leave, and preparation for our annual Mother-Daughter banquet was begun. Committee chairmen for the various committees were chose as follows: decorations, Bebe Gallender; food, Carolyn Alexander; gifts, Sudie Loomis; songs, Patsy Winkler and Virgie McGuffee. A theme was finally decided upon after much discussion and plans were started for the decorations.

A picnic is in order for the Pi Kaps! Sunday, May 17, the Pi Kaps are having a picnic for members and pledges and their dates.

The Modern Dance Revue was a large success and we'd like to congratulate Bebe Gallender for the fine job that she did.

Drama-Coffee Hour Slated For May 14; Play To Be Feature

Thursday, May 14, the NSC drama department will hold a drama coffee hour in the private dining room of the field house. The feature of the evening will be a one-act play "The Minuet", staring Jim Vorhoff, Gervais Aldredge, and Bobby Byles, done arena style. Coffee will be served afterwards.

Anyone with a particular interest in drama who would like to attend should contact Dr. Edna West of the speech department.

SYMPHONY'S CONCERT REPORTED EXCELLENT

Joseph Carlucci and the Natchitoches Symphony Orchestra are to be congratulated for the very fine program which they presented in the Fine Arts Auditorium on Monday evening, May 4th. Those who did not attend (and there were very many such, including faculty and students) really missed an enjoyable evening of music, to which those who were present will readilly agree. Very few colleges of this size have an orchestra of any kind, not to mention one of high musical calibre. It is unfortunate that this fact is not more appreciated on this campus!

Cenla Beauty Contest Seeking Candidates From Natchitoches

The Natchitoches area has been invited to submit candidates for the Central Louisiana cotton queen beauty contest in Alexandria.

The contest is open to any woman between the ages of 16 and 25 who owns an evening dress.

Interested persons should contact the Natchitoches Chamber of Commerce office. Entries must be in Alexandria by May 12th. The deadline here is May 11th.

"Dancing In The Dark" Is Theme Of Theta Sigma Upsilon Spring Formal

The Theta Sigma Upsilon spring formal was held in the Field House on Saturday, May 2, from 9 until 12 p.m. Theme of the dance was "Dancing in the Dark." Music was by the Demonaries.

The room was softly lighted by blue spotlights at each end and by candles. Stars glittered over the bandstand and a garden scene depicting a couple dancing by moonlight.

Suspended from the ceiling were the silver sorority letters from which blue streamers were festooned. On the ables a silhouette of a dancing couple surrounded the candles. The mirror scene repeated that on the dance program, a couple dancing on a huge music note.

Frances Griffin acted as mistress of ceremonies during the floor show and introduced the special guests. Sonny Mercer sang "Dancing in the Dark" and La-Juan and Jack Sharp danced. Three hoboes, Thais Beter, Carolyn Glass, and Freddie Jones, did their version of hitch-hiking—a modern dance entitled "Non-stop From Now On." "Only A Rose" was sung by Billie Jean Lambright, after which Audell Peavy, past president of Kappa Chapter, was presented with a bouquet of roses by Janice Andress.

Representatives from the other sorities and fraternities on the campus were Kathleen Simmons and Johnny Dickerson, Alpha Sigma Alpha; Jane Gaines and Peyton Cunningham, Delta Sigma Epsilon; Louise Vick and George Bailey, Pi Kappa Sigma; Mary Ann Cronin and Danny Shehee, Sigma Sigma Sigma; Wilcy Champagne and Octavia Sandlin, Phi Kappa Nu; Jerry Iles and Shirley Bateman, Sigma Tau Gamma; Dave Dalton and Billie Jean Lambright, Lambda Zeta; and Charlotte Foster and Avon McBride, non-sorority representative.

Demon Cindermen Will Try For Conference Crown Minus Bice

Re-shuffled Team, Dependable Depth May Be Enough For Win At Tech Today

The Demon track and field team, with only one loss against it during the current season, will journey to Ruston this weekend in an attempt to annex the Gulf State Conference crown.

Coach Walter Ledet stated that his squad has been working out hard the past ten days despite bad weather in an attempt to re-shuffle the team to make up for the loss of Jack Bice, high scorer for the squad with 80 points, who will be unable to participate because of a recent attack of mumps.

Bice now holds the conference broadjump record with a distance of 22 feet 10 inches and would have been out to defend his title in the '53 meet.

Doak Walker and Dennis Ryder, two more of Ledet's crew, also claim conference records and will be trying to retain their mastery.

Walker owns the 440 yard dash title with a time of 50.2, and Ryder claims the two-mile record with 9:58.6 time.

"The boys have been working hard," said coach Ledet, "and as well as we can figure out, it will be a mighty close meet with a difference of every few points between Northwestern, Louisiana Tech, and Southwestern."

Following are the entries of Northwestern:

100 yard dash, Bill Collinsworth; Raymond McFadden; Billy Hart; and Lawrence Whitt.

220 yard dash, Raymond McFadden; Tynes Hildebrand; Robert Lee; and Billy Hart.

440 yard dash, Doak Walker; Murrel Walker; Waple Lilley, Hugh Percer; and Roland Smith.

880 yard run, Murrel Walker, Leroy Gillan; and Linden Claybrook.

Mile run, Dennis Ryder; Linden Claybrook, and Sammy Wilson.

2 mile run, Dennis Ryder; Sammy Wilson; Billy Steele; and Linden Claybrook.

120 yard high hurdles, M. B. Childress; and 220 yard low hurdles, James Modisette and M. B. Childress.

High Jump, Ted Dugan; George Davis, Ronald Byrd, and James Thomas.

Broadjump, Bill Collingsworth; Tommy Broussard; Johnny Emmons; Roland Smith; Ted Dugan.

Pole vault, Clyde Chesson; Billy Steele; Lacy Lofton; James Modisette, and August Fabiano.

Discus, Ted Simon; Mixon Bankston; and George McConathy.

Javelin, George Oubre; George McConathy; Ted Duggan; Gray Hickman; and Mixon Bankston.

Shotput, Mixon Bankston; and George McConathy.

440 yard relay, Bill Collinsworth; Tynes Hildebrand; Raymond McFadden; and Billy Hartt.

880 yard relay, Billy Hartt; Tynes Hildebrand; Raymond McFadden and Robert Lee.

Mile relay, M. B. Childress; Waple Lilley; Murrel Walker and Doak Walker.

Three Rallies This Week-end

Northwestern State college will host three high school rallies on its campus this week-end. Brackets have been drawn up for 50 teams to participate.

Read the Current Sauce.

Top Notch Cagers Will Enroll Here Next Semester

Two Oak Grove (Sabine) high school basketball starts have decided to throw their talents in with the Northwestern State College Demons for next year, NSC Coach Charles (Red) Thomas announced today.

Dick Brown, 5-10 guard, and Glen (Butch) McDonald, 6-2 center, two of North Louisiana's most-valuable high school players during the past season, said recently they will enter Northwestern in September.

Brown, an 18-year-old brilliant ball-handler from Mitchel, played basketball at Oak Grove and has made All-State for the last two years. His team was runner-up for the state class "C" championship in 1951-52, and was the Central Louisiana champion in 1953.

"I think Northwestern has the best physical education department in the state, and besides, it's near home," Brown gave as his reason for choosing NSC. He plans to major in health and physical education.

The other member of Coach Huey Cranford's Oak Grove team, Butch McDonald, is a smooth, accurate-shooting center who made all-state this past season. He plans to major in business at Northwesten.

Coach Thomas expressed the opinion today that his Demons will be facing much stronger foes next season, but he believed they will be able to make a good showing for themselves.

At the regular meeting of Lesche Club on Monday evening at the KC-CDA Home on Fourth Street, the club voted to give this year's literary award to Miss Winnie Dowden, a senior at Northwestern State college, for her short story, "Such Things As Ye Have." The story was summarized by the president, Mrs. Mamie Bowman Tarlton.

State Magazine Publishes Article Of Music Professor

An article entitled "A Survey of the String Instrument Situation in Louisiana," written by Joseph Carlucci of the music department, appears in the March issue of the **Louisiana Musician.** This magazine is the official publication of the Louisiana Music Educator's Association.

A Crazy Debater In Yankeeland

By PAT HANKINS

(under the direction of Mrs. Mrs. Tarlton, English 305)

People are funny, but debaters are crazy. No truer statement has ever been made, and I know, because I'm a full-fledged member of selected group of society—the debaters.

I have not always been so fortunate, for my membership began last year, my first year at Northwestern. Beacuse there is a little clause in the list of requirements for a Speech major specifying one year's participation on the debate squad, I joined the club. It was then that I discovered the unmistakeable truth — debaters are crazy.

My first year as a debater was rather uneventful. I only learned the facts of debate, procedures and became acquainted with life apart from all others—that life at a tournament.

Only, if you have ever attended the opening session of a tournament, you can imagine how odd I felt among such crazy people. Debaters are crazy, first because only people with a very low mentality would ever sacrifice weeks of schooling to attend a debate contest. They are crazy, because they get a thrill in reciting the same old speeches over and over, week-end after week-end. They are crazy because they learn to change their minds and voices at an instant's warning that instant is when the next round of debate is posted.

Well, that first year I wasn't crazy, I was awed. I just could not get over having to be for one thing one time and completely opposite the next round. It just didn't look right to me. I survived the tournaments and I kept my senses (I don't know how), and as the season closed, I thought, "well I'm a debater."

I was, too. Slowly, unconsciously, I had become crazy. I did not realize it until mid-way of the summer season, when my mind started yearning for a tournament, and I held my breath until the national debate question was selected.

Fall came and debate started all over for me, but this time it wasn't a requirement, it was my life. I lived, ate, talked, and dreamed nothing but debate. The question this year was fair employment practices, and my Southern colleaque, Anne Torrans, and I refought the Civil War in every debate.

To prove how crazy we were, the judges were, and the other debaters were, we placed in every tournament, and then came the prize of the year, a week in Yankee Land. The National Pi Kappa Delta Debate Tournament was only to be held in Kalamazoo, Michigan. Three girls, Anne Torrans, Chick Gabbert and I, had been selected to represent Northwestern at the convention, and on April 8, we departed for the Northern state with our chaperon, Dr. Yvonne Philips.

To further prove how utterly crazy I have become, I had discovered, after many uncomfortable trips that I was a victim of car sickness. I left Shreveport with fifteen little pink pills. And that was crazy, I should have had fifty My two crazy companions, my chaperone, and I drove to Kalmazoo. Two days it took us to reach that city; two days packed with experiences we will never forget. We covered states we had only read about, we saw the Kentucky Dam, we surveyed the beautiful country of Indiana, and at 6:00 p.m., April 10, we parked at the Burdick Hotel where we were to stay the first five days.

The first morning, a blue Monday, bright and early, the squad went to the college for registration. People, crazy people, with brief cases and card files, were everywhere. We looked for some we knew, but it was only after several hours that we met friends. (We met Louisiana Tech's squad the night before).

That first morning in the Ladies Lounge my colleague and I met some Yankee friends. It is needless to say what our mutual topic of conversation developed into. There are no truer southerners in the suoth than my collegue and I, and there must not have been any more loyal Yankees than the two girls we encountered. A nice conversation developed, an even nicer argument ensued. I got my pride hurt and left, slamming the door a little bit harder than necessary, I'm afraid. But my Confederate friend only deserted the post after the chaperon, our friends and I pulled her through the door.

We were the only people, crazy ones that is, at the hotel, and I'm sure the manager is still thanking his lucky stars. We exaggerated our typical Southern drawls, we drooled and tripped along daintily. However, I'm sure we failed to convince many people, because everyone thought I was from England and dainty is no word to describe me and my colleagues.

After four days crowded with debate, we were rather pleased when the closing banquet arrived. Dressed in our finery, we sat through boring speeches, screeching voices and finally came the proclamation of winners. My colleague and I cried like babies when we were named as national champs.

Our trip home was wonderful; we detoured via Chicago to see Helen Hayes in "Mrs. McThing," which was our first time to see a stage performance. We spent a wonderful day in Chicago, and between my eating pills and gaping at the northern sights, I had an unforgetable time, but I was very thankful to get back to Louisiana. I'm appreciative of the opportunity to go to such a tournament to win and to get a better understanding of the people above the Mason Line —but then, I'm CRAZY.

Fair Park Orchestra, Glee Club Present Concert Last Night

The Fair Park Orchestra and Girl's Glee Club presented a concert last night at eight o'clock in the Fine Arts auditorium. Directing the orchestra was Arthur Benoy, and the glee club was under the direction of Melvin Riche. The program included selections from Mozart, Gould, Gershwin, Anderson, Duke, Rose, Friedman, and Teschner.

Mr. Benoy, a former student at Northwestern, was graduated from here in the spring of 1949. His wife, the former Dorothy McGraw of Derry, is also a graduate of Northwestern State College.

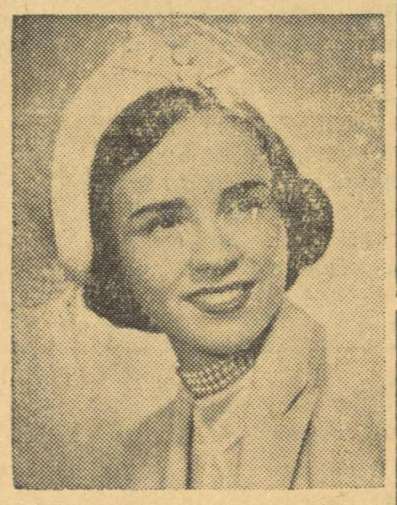

Eddy Gene Elliott Is Elected President Of Purple Jackets

Chosen to fill the place left vacant by the graduation of Mary Clark, 1952-53 Purple Jacket president, was Eddy Gene Elliott. The election officers was held in the the home of Miss Catherine Winters Thursday, April 30.

Beatrice Rumsey was elected to the office of vice president, and Hazel Davis and Gladys Shaw were chosen by the club members to fill the offices of secretary and treasurer respectively.

EARN $1000 THIS SUMMER

Here's your opportunity for pleasant profitable summer work with a Marshall-Field owned organization. Openings for college men and women to assist the director of CHILDCRAFT work in your home state. Compete training given. Mrs. Nelle King will interview students in Mrs. Kendrick's office in the Field House from 9:00 a.m. until 4:00 p.m. Tuesday, May 12. Interviews and information will be open to everyone.

Armed Forces Day Will Be Observed By College ROTC Unit Here Thursday

Armed Forces Day will be observed by the Northwestern ROTC unit here Thursday, says James W. Bowman, head of the Military Science department.

The final review of the year, presentation of awards, and open house at the armory will feature the day's activities.

May 11-16 is Armed Forces week on a national scale and Saturday, May 16 has been designated as Armed Forces day. The Northwestern ROTC is observing Thursday, however, to coincide with the regular drill day.

Col. Thomas A. Baker, local businessman who is in the Army Reserve, will make the presentation to the cadets prior to the review. A wrist watch will go to the outstanding senior cadet. The Anti-aircraft Association medal will be presented to the outstanding junior cadet. Six cadets will receive the president's ribbon.

Following the review, open house will be at armory from 2-5 p.m. On display will be the 90 and 40 mm guns and the M55 machine gun mount of the ROTC.

The local National Guard unit will also have on display a new 2½ ton truck, jeep, 75 mm and 57 mm recoilless rifles, 81 mm and 60 mm mortars, two caliber machineguns, and two types of portable radios.

At the Natchitoches airport Saturday will be a T-28 and a B-25 aircraft on display from 10 a.m. to 4 p.m. A flyover is also scheduled for 3:41 p.m.

Bowman added that the slogan of the Armed Forces day is "Power for Peace." It is a time for tribute to the team work of the Armed Forces to the unity of the American people, and to the power and principles for which they stand in the world struggle for peace, added Bowman.

Students Are Reminded To Submit Applications For Deferment Test

Major General Lewis B. Hershey, director of selective service, today reminded college students that applications for the May 21 Selective Service College Qualification Test must be submitted to the Educational Testing Serivce, Princeton, New Jersey, not later than midnight May 11.

The May 21 test is primarily for students prevented by illness or other emergencies from taking the test April 23, but General Hershey emphasized that this did not bar any qualified student from taking the test if his application is mailed before the deadline. He also stressed that students who have a certificate of admission for the April 23 test which they failed to use on the assigned date must submit new applications if they wish to take the May 21 test. The old certificates, he pointed out, will not admit a student to the May 21 test.

General Hershey said the May 21 test will be the last test this school year.

The student may obtain a new application from any Selective Service local board. The application blanks should be submitted as soon as possible to the Education Testing Service, Princeton, New Jersey, Administrators of the Test, who, in turn, mail the admission certificate direct to the student.

To be eligible to take the Selective Service College Qualification Test an applicant on the testing date (1) must be a Selective Service registrant who intends to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course, undergraduate or graduate, leading to a degree; (3) must not previously have taken the test.

The criteria for consideration for deferment as a student at the present time are either a score of 70 or better on the Selective Service College Qualification Test or class standing among the male members in the upper half of the freshman class, upper two-thirds of the sophomore class, or upper three-fourths of the junior class. Seniors accepted for admission to a graduate school satisfy the criteria if they are among the upper half of the male members of their senior class or if they make a score of 75 or better.

These criteria are guides for the local boards. The local boards are not under compulsion to follow them, but any local board classification is subject to appeal. The appeal must be filed in writing with the local board within ten day of the date the local board mails the notice of I-A classification.

BOOKS IN THE LIBRARY

Aaron, Ed. **America in Crisis.** (Fourteen critical moments in our history.)

Bailey. **Post Scripts. . . .** (Humorous collection, reprinted from **Saturday Evening Post.**)

For that campus party, come in and make your order of pastries. Beside this, we have a large variety of foods to fill your taste needs. Why not try them! Effective Monday we shall remain open until 2:30 a.m.

OPEN UNTIL 10:00 P. M.

TRIPLE THREAT MAN!

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

The Brains of the Team

Teamwork can work miracles. In a football game the man who *sparks* these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too!

They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer?

It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As *Bombardment Officer*, is number one man on a bombing run, the man who controls the plane in the target area!

As *Navigation Officer*, is the pilot's guiding hand on every flight!

As *Radar Officer*, is master of a new science and operator of the device that sees beyond human sight!

As *Aircraft Performance Engineer Officer*, is the one who "keeps the plane flying", the man who knows his plane inside and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than $5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN . . . as a Bombardment Officer, as a Navigation Officer, as a Radar Officer, as an Aircraft Performance Engineer.

THE SOONER YOU APPLY, THE SOONER YOU FLY!

GET THE DETAILS: Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to Director of Training, Headquarters, USAF, Washington 25, D.C., Attention: Aviation Cadet Branch. If you are in a school that has an Air Force ROTC program, see your Professor of Air Science and Tactics.

New Aircraft Observer Cadet Training Classes Begin Every Two Weeks

VOL XXXIX—No. 27 NORTHWESTERN STATE COLLEGE OF LOUISIANA SATURDAY, MAY 16, 1953

ELECTED TO the presidency of the three fraternities for 1953-1954 were Dale Branch, Lambda Zeta; Jerry Isles, Sigma Tau Gamma; and Ben Singletary, Phi Kappa Nu.

Awards Presented At Final Review Of College ROTC

The presentation of awards was the feature of the final review of the year for the cadet corps of the Northwestern State College ROTC Thursday afternoon.

Cadet Lt. Col. David Carson, of Shreveport, battalion commander of the corps, received the Baker award for being the outstanding senior member of the unit. The award is a watch presented each year by Col. Thomas A. Baker of Natchitoches, who is in the U. S. Army reserve.

Receiving the Anti-aircraft Artillery Association medal was Cadet 2nd Lt. Charles Holloway of Forest Hill. The medal is given each year to the outstanding junior cadet based upon his leadership and wrok in military science and his overall scholastic grades.

President's ribbons were awarded to Cadets 1st Lt. Don Finley of Olla, Sgt. Glen Long of Elmer, M-Sgt. Murray Walker of Dry Prong, Sgt. Vernis Wright of Many, Sgt. Garland Lawrence of Ringgold, and Cp. Gerald Tilleaux of Shreveport.

The President's ribbons are presented each by the president of the college to a number of outstanding cadets on the basis of military science work, extra-curricular activities, and scholastic grades.

Audubon Hall Picnic Is Slated For May 21 At Country Club

The girls of Audubon Hall are planning a gala picnic for their dormitory on May 21. The picnic will be held at the Natchitoches Country Club. In keeping with the occasion, the menu is headed by fried chicken and potato salad.

Mrs. Marguerite Townsend, housemother, and her girls will have something to celebrate. At the annual Convocation and presentation of awards, Aubudon Hall walked away with the Dean of Women's award for the highest scholastic average of the women's dormitories.

NOTICE

All organizations wishing space in the 1953-54 Potpourri, should contact Mrs. Reta Kendrick in the Field House and specify the amount of space desired in next year's yearbook.

NOTICE

Rehearsal for baccalaureate, senior day, and commencement programs will be in the Fine Arts Auditorium Sunday afternoon, May 24, at 5:30 o'clock. All candidates must be present or be represented.

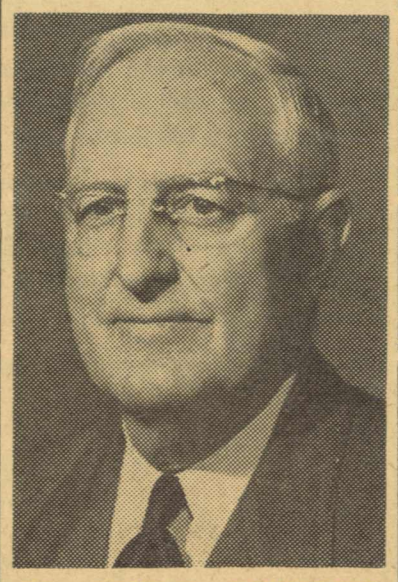

Miss Farris, Bill Rue Feted At Supper Party

Mr. and Mrs. Robert Easley and Mr. and Mrs. George Walker entertained at a supper party on Friday evening honoring Miss Janell Farris and William C. Rue, bride and groom elect. The party was given on the lawn of the Easley home on Stephens Avenue.

The tables were covered with red and white checked cloths, and centered with colorful garden flowers. A beautifully wrapped gift of china in the bride to be's chosen pattern marked her place.

A delicious Mexican supper was served.

In addition to the engaged couple and the hosts, invited guests included: Miss Ruth Bruner, Miss Loneta Graves, Kenneth Durr, Mr. and Mrs. Allan T. Steele, Mr. and Mrs. N. B. Morrison, Mr. and Mrs. Leo Allbritten, Mr. and Mrs. Ryan Horton, and Mr. and Mrs. Kerlin Sutton, Mr. and Mrs. John T. Rue of Alexandria, G. F. Thomas, Jr., Mrs. Roberta C. Rue, and Frances Henry.

TO RECEIVE DOCTORATE MAY 26 — President H. Lee Prother of NSC will have another honor bestowed upon him, May 26, at Louisiana College when the Baptist institution confers an honorary LL.D degree on him. Prather, who served NSC as teacher, dean of men, athletic director and coach near 40 years prior to taking over the presidency, will receive the degree at Louisiana College's spring commencement exercises.

NSC Library Chapter Represented At Confab In New Orleans, May 7-9

Annette Dailey and Dorothy Carnahan represented Alpha Beta Alpha, at the Library Association Convention in New Orleans May 7-9. Other members who attended the three day meet were Sally Thibodeaux, Robert Joynes, and Fleming Thomas.

The highlight of the convention was the Book Dinner where the Northwestern students were introduced and where Alpha Beta Alpha received recognition for receiving one of the $100 Field Awards given by Field Enterprises Inc. for success in recruiting. The speaker of the evening was Dr. Ovid Williams Pierce, author of the best selling novel, "The Plantation." The Louisiana Library Association annual literary award presented to the author of the best book on Louisiana was awarded to Dr. John Smith Kendall for this book, "The Golden Age of the New Orleans Theater."

The students who attended the convention gave a very enthusiastic report at the last meeting of ABA concerning the highlights of the convention and the trip to New Orleans. The new officers for the 1953-54 year were installed at this meeting. In reporting the election of the new officers last week, through an error, Dorothy Carnahan's office of recording secretary was not included.

Alpha Beta Alpha is growing by leaps and bounds. Dr. Eugene P. Watson installed the Eta Chapter at Texas State College for Women in Denton, Texas, May 6.

STUDENT BODY PICNIC HELD MONDAY, 5 P.M. AT COLLEGE STADIUM

Student activities were more or less climaxed last Monday afternoon at five o'clock when a crowd of students gathered at the Northwestern stadium for an all-college picnic.

The food, which consisted of barbecue, ham, potato salad, pickles, rolls, cookies, and drinks, was prepared by the college dining hall.

Music for the occasion was furnished by the Northwestern band, under the direction of Mr. Dwight Davis.

Two of the highlights of the evening were the recognition of the track team by Coach Ledet and the recognition of the Gymnastic team by Coach John Piscopo. Trophies were awarded for winning the GSC track meet and the SAAU gymnastic meets, respectively.

As a fitting climax to the evening the band played the Alma Mater. The picnic is reported to have been very successful.

Faculty Women's Picnic Slated For Fri., May 22 In Open Air Theater

The Faculty Women's Club annual spring picnic has been slated for Friday, May 22 at 5:30 p.m. in the open-air theater, located south of the Industrial Arts building. In case of inclement weather, it will be held in the Student Center lounge.

Attending the covered dish picnic supper will be the members of the Faculty Women's Club, their families, and their guests. Everyone is asked to bring enough for herself and all her guests.

Potpourri Assembly Held Wednesday; Annual Is Dedicated To Miss Winters

MISS CATHERINE WINTERS

Most of the 1,400 copies of the 1953 Potpourri, student yearbook of Northwestern State College, were handed out at a special assembly Wednesday morning by Editor Houston Davis and his staff.

The assembly was opened with several numbers rendered by the College Singers, directed by Mr. Donald Glattly. Among these was Mr. Glatty's "Louisiana," the lyrics of which were used to establish the theme of the 1953 Potpourri.

The elaborate book, with an opening pictorial section of Louisiana scenes and containing 228 pages, was dedicated this year to Miss Catherine Winters, professor of history at NSC who is completing her 27th year of teaching here. The dedicatory message referred to Miss Winters as one who "possesses those humane qualities which make her an esteemed personage unforgettable to the thousands taught by her."

The beauties were chose by Jimmy Cobb and "Pap" Dean of the Shreveport Engraving Company. In order of their ranking, here are the four top lovelies: Jo Ann Prestridge, Natchitoches; Jolene Walters, Belcher; Lora Faye Kemper, Shreveport, and Mrs. Laverne Gresham, Natchitoches. These girls, each of whose picture cover two full pages, was chosen from a field of 12 top campus beauties.

Marie Tilleux who graduated in January and who is now employed by the Shreveport Engraving Company, was chosen by the yearbook staff as "Miss Potpourri of 1953". Based on overall contribution to NSC, the honor is one of the highest afforded a coed at the college. Miss Tilleux was editor of last year's Potpourri.

Five students are pictured in the senior hall of fame, top student honor group chosen annually by the faculty. They are James Yergler, Cissna Park, Ill.; Leland Langridge, Houston Davis and Marie Tilleux, all of Shreveport, and Louise Vick of Vivian.

Two Shreveporters, Davis and Miss Tilleux, and one student from Bossier City, Lucian Spataro, were the Big Three of this year's Potpourri. The first two were editor and associate editor of the book, and Spataro was business manager.

Another Shreveporter, Ann Hungerbeeler, has been elected Potpourri editor for next year. Miss Hungerbeelr was business manager of the 1952 annual and organizations editor of the 1953 book.

53 Senate Officers Elected Wed. Finley Is Prexy

Don Finley, junior journalism major from Olla, will lead the Student Senate for the coming year 1953-54. Finley was elected at a meeting of the new Senate which was held last Wednesday night.

Finley, as well as being president of the Senate, will also edit the Current Sauce next year. He is active in several student organizations on the campus, and holds an office in the Baptist Student Union.

Other officers who were elected Wednesday night, are Ben David Vercher, vice president; and Cindy Hodge, secretary-treasurer.

Genie Shaw, a member of the Senate, was appointed chairman of the Student Film Committee for the ensuing year.

Bowman, Wydell To Leave Northwestern In Near Future

Col. James W. Bowman is definitely leaving the Northwestern Reserve Officers Training Corps, according to a report by him this week.

Col. Bowman received his orders Tuesday from the Department of the Army. He is to report to the Camp Stoneman personnel center in Pittsburg, California on September 17 of this year.

From Camp Stoneman, Col. Bowman will go to Yokohoma, Japan, to report to the U. S. Army Forces in the Far East.

Major Angus T. Weydell, assistant professor of Military science and tactics at NSC, is also scheduled to leave Northwestern. He is to be released from the army on May 31.

Bowman does not know yet who will replace him.

Bowman has been at Northwestern since the ROTC unit here was first begun in the fall of 1950.

LEROY S. MILLER TO GIVE TALKS AT 4 HIGH SCHOOLS

Leroy S. Miller, alumni secretary at Northwestern State college, has been invited to be commencement speaker at four Louisiana high schools during the period May 19 to May 25.

Miller, who has taught mathematics, physics, and served as alumni secretary as well as film librarian and scholarship director, has been at Northwestern for 21 years.

He will speak at Ebarb high school, May 19 and will go on to Starks to address the senior class the following night. On May 22 he will talk to the Hackberry high school graduates, and will end his engagements with an address in Lake Charles, May 25, to the graduates of Marion high school.

I've Enjoyed It!

Since this is the last issue of the Current Sauce for this semester, I would like to say that I have really enjoyed editing your paper. It has been a lot of work, and I could not possibly have succeeded had it not been for a staff of hard working people. Special thanks go to John Spataro and to Wanna Beth Sanders for the many hours which they spent on the paper. Thanks also go to the staff of the Natchitoches Enterprise, namely, Mr. Emile Roper, Mr. Preston Rushton, Mr. Leo Abraham, Mr. Glen Page, Mrs. Nellie Young, and Mr. Lucian Spataro. They have certainly been fine people to work with, and I have enjoyed every minute of my time working with them.

In closing I want to wish the best of luck to Don Finley, who will edit the Current Sauce for you next year.

JOE SALTZMAN

COLLEGE CALENDAR, 1953-1954

Fall Semester, 1953

Registration Begins	8 A.M., Monday, September 14, 1953

LT. BILLIE R. LOWE

Marine Officer To Interview Students Here On May 21

What are the opportunities for a college woman in the military service?

This and many other answers will be supplied by Marine Lieutenant Billie R. LOWE who will be here at Northwestern on May 21, to talk to college women graduates and under-gradutes about the opportunity to become a commissioned officer in the Marine Corps Reserve.

Lieutenant Billie Lowe will be on the campus most of her stay, but she will also be available through the local Marine Recruiting Office to talk to other college graduates.

Lieutenant Lowe is a native of Haynesville, Louisiana and a graduate of Louisiana Polytechnic Institute, Ruston, Louisiana. She entered the Marine Corps in June and received her commission in September. Before assignments to Dallas, Texas, Lt. Lowe was at Headquarters Battalion, Headquarters Marine Corps, Washington, D. C. where she was installed as a company officer.

Women sophomores, juniors and seniors, as well as college graduates are eligible to apply for the Women Officer Training Class to be held June 22 at the Marine Schools, Quantico, Virginia. Applicants must be at least 18 years of age at the time of enrollment and less than 27 on July 1 of the year in which they expect to be commissioned.

Undergraduates accepted for the class will attend two summer training periods of six weeks each. After successfully completing the two courses, and upon graduation from college, the women candidates will be commissioned. Women who are already college seniors or graduates may complete both courses in one summer and be commissioned immediately.

Women Marine Officers are assigned many job classifications today, which include such fields as machine accounting, aerology, communications, intelligence work, work service, finance, special service supply, company work, and public information. A limited number are now assigned to duty with Marine Corps Fleet Marine Force units in Europe and Hawaii.

High School Students To Present Piano Concert Here Tuesday, May 19

Three outstanding high school piano students will present recitals in the Little Theater of the Fine Arts building, Tuesday May 19, at 3p.m.

They are Larry McDonald, Alexandria, winner of the Dixie District student musician contest of the National Federated Music Clubs; Carol Ann Strother, Alexandria, and Ruby Nell Gordy, Winnsboro, both winners of numerous superior ratings in contests and festivals.

The recitals are sponsored by the NSC Piano Pedogogy class, a class in music education. The public is invited to attend the recitals.

Senate Minutes

The new Student Senate met for its first meeting, Wednesday, May 13, at 6:30 p.m. in the faculty room of Caldwell Hall. Fourteen members were present and two were absent.

The purpose of the meeting was to elect officers for the year 1953-54. Houston Davis, outgoing president, presided until the new president was elected.

Ben Vercher nominated Don Finley as president. A motion made by Anne Hungerbeeler, seconded by Clay Brock, stated that we accept Finley by acclamation. The motion carried.

Ben Vercher was nominated for vice-president by Cindy Hodge. Genie Shaw nominated Anne Hungerbeeler, and Clay Brock was nominated by Carl Kight. In a run-off between Hungerbeeler and Vercher, the latter was elected.

Mary Alice Phillips nominated Cindy Hodge as secretary. Mary Catherine Gordy was nominated by Genie Shaw. Cindy Hodge was elected.

Newly elected president, Don Finley, appointed Genie Shaw as chairman of the film program committee. Other members of this committee are to be appointed by her.

The meeting was adjourned at 6:50 p.m.

Respectfully submitted,
CINDY HODGE
Secretary

Thanks

Coach Harry "Rags" Turpin, who is director of high school rallies here at Northwestern, expressed his thanks this week to all those who helped out in the various track meets that were held at NSC during the past season.

Turpin stated that both the high school and college track meets could not have been conducted had it not been for many students and faculty members who willingly acted as finish judges, scorers, timers, etc.

"It is with a great deal of appreciation that I express my thanks to all those who assisted in the conduction of the track meets," said Turpin.

EXAMINATION SCHEDULE

Spring Semester, 1953

Saturday, May 23, 1953

1:00 — 3:3:0 P.M. — 5-6TT

Monday, May 25, 1953

8:00 — 10:30 A.M. — 5 MWF
1:00 — 3:30 P.M. — 1 MWF

Tuesday, May 26, 1953

8:00 — 10:30 A.M. — 4 TTS
1:00 — 3:30 P.M. — 3 MWF

Wednesday, May 27, 1953

8:00 — 10:30 A.M. — 3TTS
1:00 — 3:30 P.M. — 2 MWF

Thursday, May 28, 1953

8:00 — 10:30 A.M. — 2 TTS
1:00 — 3:30 P.M. — 6 MWF

Friday, May 29, 1953

8:00 — 10:30 A.M. — 1 TTS
1:00 — 3:30 P.M. — 6 MWF

Saturday, May 30, 1953

8:00 — 10:30 P.M. — 7MWF & 7TT

(1) Special Study Week begins at 8:00 A.M., Monday May 18, 1953.

Grades of candidates for graduation are due Wednesday, May 27, at 1:00 P.M. Candidates for graduation are to take examinations according to regular schedule through Tuesday, May 26. For those candidates for graduation having regularly scheduled examinations on May 27-30, instructors will arrange special examination periods.

(3) All other grades are due Monday, June 1, at 1:00 P.M.

(4) Instructors will arrange original and duplicate grade slips alphabetically—not by separate classes. The original set will be delivered to the Registrar's Office; the duplicates to the office of the appropriate academic dean.

(5) All teachers and students are expected to follow this schedule of examinations. Any change must have the approval of the appropriate dean.

Notes: Gradauation execrises are to be held Friday, May 29, at 8:00 P.M. The semester closes at noon, Saturday, May 30. Registration for the Summer Session is scheduled for Monday, June 8, and classes begin at 78:00 A.M., Tuesday June 9, 1953.

Alpha Sigma Alpha

Our best wishes and the best of luck to Claire Lucius and Gary Thompson. They were married last night in the First Baptist Church in Florien. We hope that they shall be very happy.

The lights twinkled brightly in the Alpha Sig House last night when the girls and their dates enjoyed the ASA hospitality at a "record" party. Each couple brought a record for our new phonograph. Dancing, games, and music added to the warm atmosphere of the house. The refreshments were served by our hostess-president, Kathryn Elliott.

Final plans have been made for our Mother-Father-Daughter Banquet, which is to be held Sunday, May 17. Special awards to the outstanding mother and father of the year, best pledge, and other awards will be given to the deserving recipients at the banquet.

Since this is the last issue, we would like to express our sadness at the leaving of some of our members, who are graduating this year. They are Bernice Dale Blankenship, Jeanette Dowden, Clarie Lucius, Evelyn Pyle, Annette Daily, and Betty Sue Choate. They have done a swell job.

☆ ☆ ☆

Pi Kappa Sigma

At our Tuesday night meeting further plans were made for our Mother-Daughter banquet. The banquet is to be held May 24, at the Natchitoches Hotel.

We'd like to congratulate Louise Vick for being in the Senior Hall of Fame. This is a big honor and we know that she is proud of it.

We're glad to see that Millie Stephens is now up and around after being ill for several days.

Since this is the last issue of the Current Sauce for the year 1952-53, we'd like to recognize our Pi Kap seniors and thank them for the work which they have done in the past few years to make the Alpha Delta chapter of Pi Kappa Sigma the sorority that it is. Best of luck to you; we'll really miss you next year. The seniors are: Mary Murphy, Marilyn Snoddy, Sue Rhodes, Bobby Patterson, Sarah Cutrer, Virginia Ball, Kathleen Barker, Glynn Ellen Pennington, Louise Vick, and Polly Lindsley.

☆ ☆ ☆

Sigma Sigma Sigma

Tuesday night's meeting found the Tri-Sigma's anxious to open that large white box on the coffee table. Finally, at the end of the meeting, we were allowed to peek. It was a pair of beautiful candlesticks, made in India. This anniversary gift comes from Mr. and Mrs. Bill Dougherty (Billie Payne). Bill sent the gift from Arabia, where he's now stationed.

Verbal plans were finished on the Rush Party, and now we're all set to go to work. Since we won't be active this summer, there will be no official meetings. Many of our "get-togethers" at the House will be work periods for the Rush Party.

Our Sponsor, Eve Mouton, told us of the plans for Senior Sendoff. It's to be tomorrow at 4:00 at the John Duffy home. This is the annual party honoring our graduating seniors. We'll certainly miss these members — they're being scattered all the way from Shreveport down to Sulphur.

Phi Mu Alpha

The Gamma Rho Chapter of Phi Mu Alpha elected officers for the ensuing year at their last meeting, May 11, 1953.

Owen Phillips succeeded Jackson Beebe as president. Other officers elected were Max Burns, vice-president; S. W. Dickerson, treasurer; Wilbur Mason, secretary; Ray Teal, historian; Byron McCain, Alumni secretary; and Jackson Beebe, warden.

Danny Shehee, John Manning and John James were initiated into the national music fraternity on Wednesday, May 13.

"DANCING IN THE DARK" was the theme of Theta Sigma Upsilon's annual spring formal dance which was held in the Student Center last Saturday night. The theme of the dance was very effectively carried out. Mistress of ceremonies for the occasion was Miss Frances Griffin, president of the sorority.

Robson Home Scene Of DAR Meeting

A business meeting at the home of Mrs. John Robson with Miss Mary Robson as hostess, closed the formal club year of St. Denis chapter, Daughter of the American Revolution, on Monday, May 11.

With the regent, Mrs. G. H. Pierson presiding, the regular ritual was followed and matters of general interest discussed. The names of two proposed members were presented for vote and unanimously elected.

The regent announced with pride that at the recent Continental Congress in Washington, D. C., Louisiana was declared fourth in publicity. Mrs. C. H. Messer of Shreveport, State publicity chairman, was presented an award for this achievement.

Due to withdrawls to inactive membership status, Mrs. James Aswell was nominted new press relations chairman, and Miss Catherine Winters appointed new chairman of approved schools.

A social hour followed during which the hostess served delicious refreshments.

Those present were: Mesdames W. E. Alock, James Aswell Dwight Davis, R. W. Dunnington, H. C. Ivey, Jared Jordan, A. R. McCleary, J. S. Mims, R. J. Normand, A. A. Fredericks, G. H. Pierson, and Misses Kate Keator, Catherine Winters, Mary Winters, in addition to the hostess Miss Mary Robson, and Mrs. John Robson.

Dean Starbird, Convocation Speaker, Writes Impressions Of Visit Here

(Editor's note: The following column was taken from the St. Louis Post-Dispatch and was written by Mrs. Adele Starbird, who was the speaker for the Associated Women's Convocation which was held recently. The article, entitled "A Trip to Old Louisiana", was found in a Column called "The Dean Speaks Up.)

No matter what the calender says, I have just returned from an excursion into midsummer: I had 24 hours of June in Natchitoches Louisiana, pronounced Natatosh, Loozyana. It is the oldest town in the Louisiana Purchase, older than New Orleans, and I had the luck to be there the week they were celebrating the sesquicentennial of the Purchase.

It was all there, every item listed in the romatic dictionary: moonlight and roses, magnolias and white verandahs, honeysuckle, and iron lace. All day and all night one breathed perfume. The privet hedges were in full flower; so were the Madonna lilies and the jasmine; the magnolias and oleanders were just beginning to bloom. Poppies and salvia and blue iris brightened the borders.

I saw an oak that is a member of the Louisiana Oak Society. A tree must be over 100 years old to qualify for membership.

I saw houses that had been built before our Revolution—built of river mud mixed with deer hair. They are still used, still lovely. The Prudhomme house has a unique feature. Every bedroom has an outside entrance, so that members of the family who came up from the Prudhomme plantation down the river could go and come in the town house with complete privacy. One step beyond the latchkey!

Under pressure the French-speaking people of Louisiana will admit that theirs is the purest French outside of Tours. It is even admitted in Tours. At the State College in Natchitoches, where I spoke at the honors convocation, I met students whose ancestors had come from France in the eighteenth century; French was still the language of their home.

The campus, with its 700 acres, its modern buildings and its many quadrangles, is very attractive. Louisiana has become a rich state, and is pouring out money for higher education.

I stayed in the guest suite of Dean Kathleen I. Gillard's private apartment in one of the six women's dormitories. I'll never forget her books, her charm, or her wonderful black coffee. Her friend, Mrs. John S. Kyser, who is of French descent and knows every brick personally, drove me around the old town and along the river to Grand Ecore, where the Americans built their first fort. They still gossip about the flirtations of a young lieutenant stationed there, Ulysses S. Grant.

A few miles down the river stands the only example of African architecture on the North American continent. It was built in 1750 by Marie-Therese, an ex-clave who had been born in the Congo. She chose to copy, not the French and Spanish architecture of Natchitoches, but her native style, with eaves extending so far that wagons and horses could be sheltered under them. How she became a rich woman and bought and freed her own grandson will have to be told another time.

Play Presented; Davis Players Initiation Held

An arena style play "A Minuet" was presented by the Davis Players Thursday night at 7:00 p.m. in the private dining room of the Field House. Gervais Aldredge, Jim Vorhoff, and Bobby Byles gave excellent performances under the under the direction of Dr. Edna West.

Immediately after the play, which was attended by approximately 100 people, 11 students were initiated into the Davis Players. The ceremony took place in the Yellow Room of the Fine Arts building. Those new members are Beth Smith, Gerald Tilleux, Gale Robinson, Ed Bacilla, Barbara Jean Edwards, Delano Brister, Mrytl Allen, Vera Gabbert, Millie Stevens Pat Kelly, and Johnny Smith.

New Officers were elected for the next year. They are: president, Jack Sharp; 1st vice-president, Sterling Minturn; 2nd vice-president, Tommie Blackburn; secretary-treasurer, Betty Sue Boystun; and reporter Pat Hankins.

Following this, Doctor West announced the initiation of eight students into the recently re-activated chapter of Alpha Psi Omiga, national honorary fraternity for outstanding dramatic students. Those receiving the honor were Sterling Minturn, Bobby Byles, Jim Vorhoff,Gervais Aldredge, Winnie Ruth Hutson, Tommie Blackbourne, Betty Sue Boystun, and Jack Sharp.

NOTICE

Rehearsal for baccalaureate, senior day, and commencement programs will be in the Fine Arts Auditorium Sunday afternoon, May 24, at 5:30 o'clock. All candidates must be present or be represented.

NOTICE

All students who desire to do student teaching next fall may now make application by filling out the necessary form in Dean Robson's office or my office.

It will be to your advantage to make your application immediately. If you are in doubt, I should like to discuss the matter with you.

Former Student Is Now Graduate Of Naval School

Among the 837 men congratulated today by Rear Admiral Charles C. Hartman, USN, commander destroyer forces, U. S. Atlantic Fleet, for having graduated with the rank of Ensign from the navy's only officer candidate school was Elvin G. Lightsey, Jr. of Delhi, La., who received his B. S. degree in health and physical education in 1952 from Northwestern State College.

Over two thousand persons watched the impressive ceremony as Rear Admiral Hartman made presentation of diploma.

These new officers will join other OCS graduates already serving on every type of combatant and non-combantant ship in the fleet.

Many will go to specialist schools where they will be trained further as pilots, aviation ground officers, beach masters, under -water demolition team officers or "frog men", gunnery liaison officers, who may eventually serve with the Marines in Korea, and some will receive training for Navy Research proqects.

To qualify for Line Officer's Candidate School, a person must be a college graduate, be between the ages of 19 and 27, and pass a rigid physical examination. The only exception to age limitations are candidates for restricted line commissions who may be between the ages of 19 and 33.

Graduating also today were the members of the school's "short course" forstaff officers. These candidates were commissioned in supply, civil engineering, and medical service corps. Staff officers candidates must meet the same age requirements as the line officers candidates except Mediacl Service corps candidates who must be between the ages of 21 and 31½.

Talent Show Next Week Shaping Up As Solid Entertainment

Final rehearsals are being staged for the local talent show "On Stage America" which will be given next Tuesday and Wednesday evenings in the Fine Arts auditorium on the Northwestern State campus. Curtain time is 8:15 p.m.

The Natchitoches Woman's club is sponsoring the show. Proceeds will be directed toward the restoration of the old Lemee house on Jefferson street.

The show will feature local talent and will include a baby contest. Acts which are building up to top entertainment are the two chorus line routines and the minstrel antics.

Twenty girls from Natchitoches high school will be featured in a swing and sway routine labeled Dixie Dandy and Hotsy Totsy numbers. A similar group from St. Mary's will appear in song and dance interpretations as Southern Belles.

The minstrel line-up is expected to be the strong point of the show. Witty and laugh prevoking talent has been shaped into a entertaining feature.

Individual talent offerings will include dancing, singing, whistling and musical instrument solos.

An attraction of the Wednesday night show will be the coronation of the royal family of toyland. The court will be determinded on a ballot basis, one vote per penny.

Tickets for the show may be obtained from any member of the Women's club. They are priced at one dollar for adults and fifty cents for children. Those under twelve years of age will be admitted for thirty-five cents. Mrs. A. G. Lawton is advanced ticket sales chairman.

NOTICE

The dates of 1954-55 competition for graduate study abroad under the Fullbright Act are May 1 to October 31, 1953. Faculty members and seniors are eligible to apply; a student must have his bachelor's degree by the time he begins to use the fellowship. Those interested should see me at my office, Library 301, before the end of the semester.

Under the Buenos Aires Convention Program of the Department of State awards are available to American students for graduate study in 15 Latin American countries. The 1954-55 competition is just beginning. Each of the 15 countries offers two grants. Dates of competition are also May 1 to October 31, 1953. The U. S. Government pays for the grantee's transportation, and the foreign government pays tuition and partial maintenance. Applicants for these awards must expect to contribute to their living expenses from private funds.

G. WALDO DUNNINGTON

NOTICE

Starting Monday, May 18 typhoid shots will be available in the college infirmary for both students and faculty members. Both the booster and full series may be secured.

Two Faculty Members Will Present Concert On Monday, May 18

Two members of the Northwestern State college music faculty, Sara Guitar, violinist, and Eleanor Brown, pianist, will present a recital in the Little Theatre of the Fine Arts building on Monday, May 18, at 8:15 p.m.

Their program will begin with the Sonata for violin and piano by Cesar Franck, the composer of the well-known "Panis Angelicus." Miss Brown will then play a group of piano solos including a "Gigue in G" and a "Fugue in D minor" by Scarlatti and "Three Fantastic Dances" by Shostakovich. Miss Guitar, accompanied by Miss Brown, will conclude the program with several short violin solos. They will include "Malaguena" by Albeniz, "Lullaby for a Modern Baby" by Delius, Jota from "Suite Populaire Espagnole" by DeFalla, "Beau Soir" and "Colliwogg's Cake-Walk" by Debussy.

There will be no admission charge and everyone is cordially invited to attend.

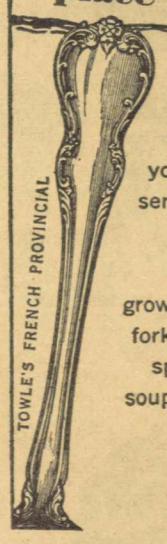

Popular Play On Theatre Guild Sunday Night

Broadway's popular "Mr. and Mrs." team, Rex Harrison and Lilli Palmer, bring their celebrated talents to the U. S. Steel Hour Sunday, May 17, for the radio performance of "The Importance of Being Earnest." The "Theatre Guild on the Air" adaption of Oscar Wilde's sly comedy will be heard via stations of the NBC network at 7:30 p.m. CST.

Demon Tracksters Capture Gulf States Conference Crown

Coach Walter Ledet's 1953 Demons tracksters brought home the laurels of a Gulf State Conference Track crown when they captured first place in the annual track and field meet held this year on the La. Tech campus. It was the first time that a Demon team has won a GSC title.

The Purple and White thin-clad man notched the victory in the last two events of the meet, thus besting La. Tech and Southwestern in the heated competition.

All three teams were running neck and neck going into the last two events of the meet, with but the two mile run and the mile relay remaining. Dennis Rider of NSC captured a first place in the two mile run, with team-mates Sammy Wilson and Billy Steele coming in second and fourth. This and a 10 points victory in the mile relay gave Northwestern the meet.

The Demons finished well out in front of second place Tech. Northwestern tallied 87½; Tech 77; Southwestern 73; Southeastern 41; La. College 19½; and Mc-Neese 2.

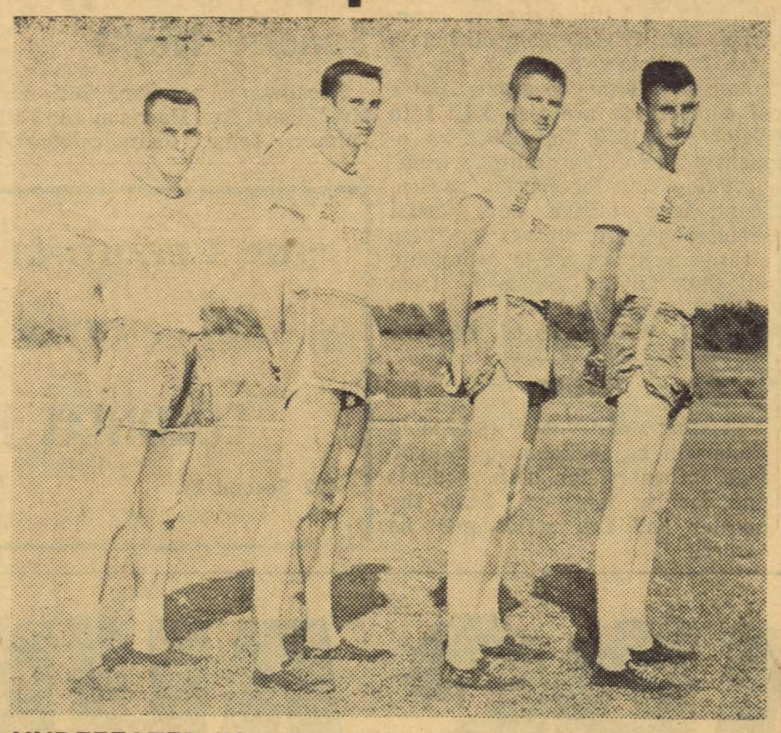

Four GSC records were set, and one was tied. Bruce Lenoir of Tech ran a :09.9 100 yard dash in the preliminaries during the afternoon matching the mark set by Grundmeyer of Loyala in 1949. Lenior won the finals in 10 flat.

NSC set a record in the mile relay with a 3:24.4 besting their 1952 mark of 3:26.2. The team was composed of M. B. Childress, Waple Lilley, Murrell Walker, and Murray "Doak" Walker.

Doak Walker broke his year old mark of :50.8 in the 440 yard run with a :49.4 in the preliminary.

The other record came when Tech's 440 yard and 880 yard relay team, both composed of the same four football backs, set new records. Lenoir, Billy Bond, John McMichael, and Russell Rainbolt ran the 440 in :42.5 and the 880 in 1:82.2.

The old marks were set by Loyola in 1951 with time of 42.6 and 1:29.2.

UNDEFEATED IN ALL MEETS THIS season is the Demon Mile Relay team, composed of brothers, "Doak" and Murrell Walker, Waple Lilley and M. B. Childress. This group spurred to a record breaking run in the Gulf States Conference meet last Saturday, and gave the Demons some cushion points to take the title. Their time was 3:24.4 which was bested the 1953 mark made by the Purple and White of 3:26.2.

Demon, Bulldog Contest Stopped At 4-4 Count

A downpour of rain halted play in the bottom half of the 12th inning between Northwestern State College and Southwestern in Lafayette, with the score deadlocked at 4-4.

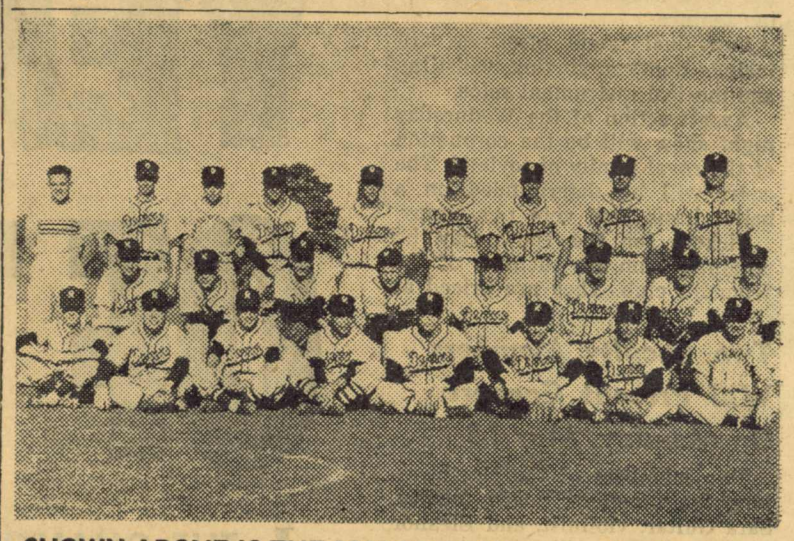

A big upset was in the making as the Northwestern commanded a 4-2 lead entering the home half of the final stanza. With one down and the sacks jammed due to three free passes, the second half of a double play ball from short to second to first was thrown wild, permitting two unearned runs to come scampering across and knot the count at 4-all.

NSC combined a quartet of singles, a walk and a wild pitch to overcome a 2-0 deficit in the seventh and forged ahead 3-2. They widened the gap in the ninth when a double, followed by two wild pitches, permitted a lone tally.

In the 12th, the Demons threatened to break the tie when the first two batters reached base safetly. However, the uprising fizzled as a strike out and two infield pop ups retired the side without any damage.

Leaving 15 stranded on the base paths, NSC combed Bulldog moundsmen for a dozen raps, four of which were off the bat of John Clemens. In the fifth frame, Northwestern filled the bages but a triple play quickly gave them a goose egg.

Yesterday, the Demons invaded Southeastern for a pair of important league tilts.Both NSC and Southeastern still hold a slim to tie Southwestern for the loop crown. SLI is on top with 7-1, SLC second at 5-1, and Northwestern next at 4-3.

SHOWN ABOVE IS THE 1953 EDITION of the Northwestern State College baseball team. Seated, l to r. Tom Jorge, Gale Hearn, Sammy Booras, Johnny Emmons, Charles Wood, Douglas Logan, Jerry Lavespere, and Artie Worsham. Second row. Jon Clemons, Gordon Zabasky, Lester Deville, J. N. Bourgeois, Morris Bruce, M. D. Ray, Pat Lyons, and J. P. Johnsoton. Third row, standing; Cassey Byrant, Bob Schmerheim, Bob Weaver, James Enloe, Johnny Cunningham, ken Shaw and Miguel Pacheco.

GORDON ZABASKY, DEMON southpaw, pitched the NSC crew to a 4-3 victory over the La. college Wildcats. Gordon is only a freshman and shows promise of becoming an outstanding Northwestern prospect.

NSC Downs La. College For 4-3 GSC Victory

A 10th inning single punched out by third baseman M. D. Ray broke up a deadlock and gave Northwestern State College a 4-3 GSC victory over the visiting Louisiana College Wildcats.

Ray collected the game winning lick with two men away, after second sacker Bob Weaver drew a walk and was sacrificed to second.

The Wildcats started the scoring in the first inning when they used a base on balls and two Northwestern bobles to push across their first run. The Demons retaliated in their half, collecting a tally off a single by left fielder Pat Lyons, a sacrifice and a base hit by Johnny Emmons, center field gardener.

The Demons grabbed a one-run lead in the fifth but it lasted only one frame. La. College used their next turn at the plate to shove across two runs on a walk and their hits to go ahead 3-2.

Northwestern was able to close the gap again in the seventh when Lyons scored Demon pitcher Gordon Zabasky, on a squeeze play. Neither team could muster a run after that until the Demon squad broke it up in the extra stanza on Ray's swat to right field.

Demon Baseballers Topple McNeese, Drop 19-15 Marathon To Centenary

After defeating the McNeese State Cowboys 13-2 on the four hit pitching of Morris Bruce, the Northwestern State College Demons traveled to Centenary College and dropped a slug-fest 19-15.

Centenary rolled up what appeared to be a most comfortable 14-3 lead after only four inning of play, but the Demons added two in the fifth, then blasted across 2 five run stanzas in the sixth and seventh to take a 15-14 command.

The Gents exploded in the 8th, and went on to the victory 19-15.

Shortstop Bill Risher collected 3 safties in four official trips to the plate to spark the winner's 15 hit attack. Johnny Emmons, Demon center-fielder, got 2 for 3. Wayne Thrash, third of three Centenary hurlers received credit for the win.

Demon Cinder Men Cap Successful Season by Winning GSC Crown

After capturing the Gulf States conference championship last Saturday in Ruston, the trackmen of Northwestern State college ring down the curtain on what Coach Walter Ledet terms the "best season ever" for the Demon cindermen.

Only once during the season were the Demons bested by conference competition and that just before the GSC meet when the Demons were hampered by injuries and illness. Northwestern finished behind Tech and Southwestern in a triangular meet in Lafayette.

Other than taking the GSC meet, Northwestern's tracksters won five regular conference meets, captured the NSC Relays, and finished fifth in the Southwestern relays behind four universities, but ahead of all the GSC teams.

Ledet added that his boys were at their best at the GSC meet last Saturday. Many of them recorded times and distances they had never before reached. The record breaking mile relay team of brothers Murray and Murrell Walker and Waple Lilley and M. B. Childress ran their best with a 3:24.4.

Also showing their best in the GSC meet were Mixon Bankston, who won the shot put event; Lacy Lofton, who tied with teammate Clyde Chesson for first in the pole vault; Murray Walker, who won the 440 dash and set a new conference record of 49.4; and Leroy Gillen, who won the 880 run and beat Davis of Tech who had previously never been defeated in the conference.

Another outstanding accomplishment of the Demons was their winning of all the relay events in the NSC relays midway the season. In winning the relays, the NSC trackment set new records in the mile and 880 and tied the record in the 440.

Sprinter Jack Bice of Calvin was the Demons leading point maker for the year. Although missing the triangular meet at Southwestern and the GSC meet, Bice rolled up a total of 79½ points during the season. Bice competed in the broad jump, 100 yard dash, and relay events.

Second highest point maker was M. B. Childress, a freshman from Pelican. Childress, running the high and low hurdles and occasionally in a relay, tallied 73½ points.

Team captain Murray "Doak" Walker of Dry Prong was third with 63½ points. Fourth was high jumper Ted Duggan of Florien with 44.

Others were Murrell Walker 42½, Dennis Ryder 39, Billy Steele 35½, Waple Lilley 31, Mixon Bankston 28, James Modisette 25½, Sammy Wilson and Bill Collinsworth 24, Leroy Gillen 23, Linden Claybrook and Clyde Chesson 22, Robert Lee 20½, Tynes Hildebrand 17, Ronald Byrd 15½, Billy Hartt 15, Roland Smith 13 3/4, Ted Simon 12, Raymond McFadden 8, Lacy Lofton 7 5/6, Hugh Purser 7, Rudy Landry and August Fabiano 6, George Davis 4 1/3, George McConathy 3, Larry Whitt 1½, and Curtis Gros 3/4.

In a final word, Ledet stated that he expects to have an even better team next season since not a single member is graduating.

Legion Post Will Sponsor Hayride Here June 19th

The Louisiana Hayride troupe has been scheduled for a one night stand in Natchitoches. The show will play here on Friday, June 19th, at 8 p.m. in the Fine Arts auditorium on the Northwestern State campus.

The Hayride is sponsored by Gordon Peters Post No. 10 of the American Legion. Proceeds from the show will be used to finance a local team in Junior American Legion baseball.

Top drawing stars and record making artists will head the Hayride crew. These include Red Sovine and his band, Johnny Horton and his band, Claude King and Jimmy Lee.

Tickets for the program will go on sale in the very near future, according to G. F. Thomas, Jr., commander of the local Legion post.

Northwestern State Dates Summer Term

The summer school session at Northwestern State college will start on Tuesday, June 8, and run through Friday, Aug. 7. Registration is Monday, June 7.

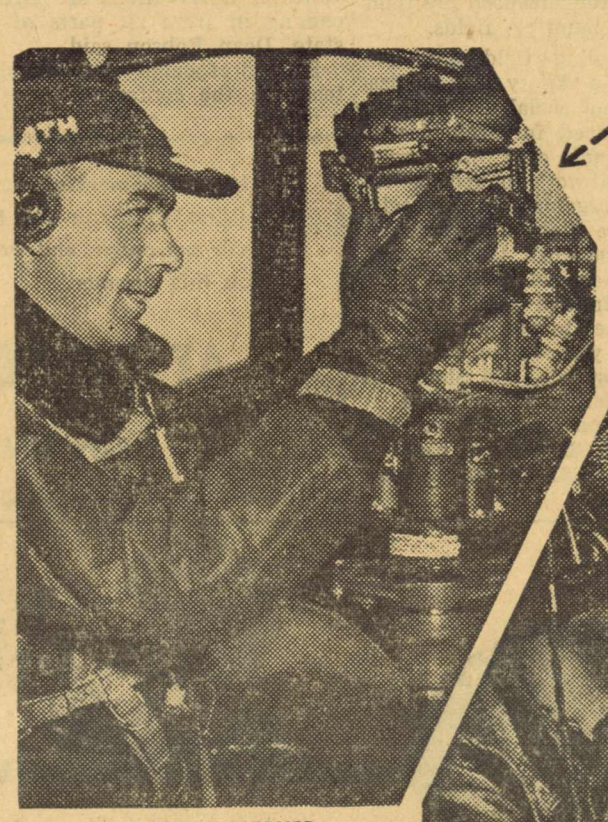

Early registration is being conducted now on the campus. The deadline is Saturday, May 16.

AIRCRAFT OBSERVER

The Brains of the Team

Teamwork can work miracles. In a football game the man who *sparks* these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too!

They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer?

It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As *Bombardment Officer*, is number one man on a bombing run, the man who controls the plane in the target area!

As *Navigation Officer*, is the pilot's guiding hand on every flight!

As *Radar Officer*, is master of a new science and operator of the device that sees beyond human sight!

As *Aircraft Performance Engineer Officer*, is the one who "keeps the plane flying", the man who knows his plane inside and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than $5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN . . . as a Bombardment Officer, as a Navigation Officer, as a Radar Officer, as an Aircraft Performance Engineer.

THE SOONER YOU APPLY, THE SOONER YOU FLY!

GET THE DETAILS: Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to Director of Training, Headquarters, USAF, Washington 25, D.C., Attention: Aviation Cadet Branch. If you are in a school that has an Air Force ROTC program, see your Professor of Air Science and Tactics.

New Aircraft Observer Cadet Training Classes Begin Every Two Weeks

Labor Bulletin Lists Openings In Teaching And Other Fields

(Editor's note: The following information, listing prospects in the various fields of work open to college graduates, was issued by the Department of Labor. Discussed in this issue are Teaching, Federal Civil Service, Health, Business, Law, and Social Work.)

TEACHING

The demand for elementary school teachers is greater for 1953-54 than for 1952-53. Over a million additional children will enter the elementary schools and add to the already swollen enrollment. The supply of new teachers to meet this great demand is slighly lower than it was in 1952-53. Around 35,000 college students will meet the requirements for grade-school teaching in June, and many times that number are needed for new positions and the replacement of experienced teachers leaving the profession.

At the high school level the supply of newly trained teachers has dropped significantly each year since 1950. This year many vacancies exist in such subject fields as: home economics, girls' health and physical education, agriculture, industrial arts, and certain physical sciences. The demand for high school teachers is expected to rise slowly over the next years and will reach extremely high levels near the end of the decade.

Salaries for teachers continue to increase. Average salaries for all classroom teachers for 1952-53 were about $3,400 with 13 percent averaging $4,500 or more. Average salaries of more than $4,000 were received by teachers in New York, California and Delware; lowest average salaries were in some Southern States and states with a high percentage of rural schools.

* * * * * * *

FEDERAL CIVIL SERVICE

The U. S. Civil Service commission reports that the pressing needs of Federal Agencies are in scientific and technical positions such as engineer (various branches), physicist, metallurgist, cartographer and cartographic draftsman, chemist, mathematician, meteorologist, geologist, and oceangrapher as well as in medical, dietetic, and library specialties. There are some opportunities for summer employment in the physical sciences for student aids and trainees.

Information about examinations currently open may be obtained from college placement officers, from Civil Service Commission offices, and from first and second-class post offices.

* * * * * * *

HEALTH PROFESSIONS

Shortages of physicians and dentists existed even before the present mobilization program was begun. Expansion of the Armed Forces intensified the need for personnel in these professions. Demand is also growing for other health service personnel—physical therapists, pharmacists, dietitians, public health nutritionists, medical laboratory technicians, medical and psychiatric workers, and veterinarians. Over the long run the growth of the population, the increasing proportion of the older people, and the increasing demand for health services by the population will sustain the demand for the health-service personnel.

* * * * * * *

NURSING

There is a critical demand for nurses brought on more by growing civilian needs than by the fighting in Korea. Hospital construction is expected to add about 200,000 beds by 1954, calling for 20,000 nursing recruits in institutional nursing alone. Thousands more are needed for public health services, civil defense, industrial nursing, and as instructors in nursing schools.

Average monthly earning of professional registered nurses in 1949 were from $205 to $256. Average annual salaries of industrial nurses in 1952 ranged from $2,588 to $3,588 in various cities.

* * * * * * *

BUSINESS AND LAW

Industry is actively recruiting college graduates trained in business administration. Those specialized in management and in such business techniques as accounting, advertising, copywriting, market research, sales, statistics, insurance underwriting, and personnel management are particularly sought. Those who combine leadership qualities with technical skill will have best opportunity for selection by large firms recruiting for potential executives. The demand for lawyers is greatest for those who have specialized, for example. in tax, patent, administrative, admiralty, or international law. Opportunities for women in this field have improved in recent years.

* * * * * * *

BANKING

Men graduates are in demand for trainee-positions in banks leading to positions as department heads and branch managers. The continued expansion of the banking industry is creating these opportunities. However, employers are still highly selective, particularly for positions in the largest banks. Opportunities for women have improved since the beginning of World War II; about 45 percent of all teller positions and 7 percent of all officer posts are held by women.

* * * * * * *

ACCOUNTANTS

The demand for accountants is expected to remain high during the defense mobilization period and for at least a year or two thereafter. College graduates with courses in business administration as well as in accounting are preferred to those trained only in accounting. Opportunities for beginning jobs in private business establishments are more numerous than in public accounting firms. The demand for certified public accountants is strong at present and continued gains in employment are expected over the long run.

Public accounting firms pay lower beginning salaries than do private business establishments, but afford experience which is often a prerequisite for the CPA license and for advanced positions in other accounting fields.

An expanding field and one which offers a variety of specialization is that of social work. There is a great need for trained personnel to handle case work, group activities, and work connected with community organization for social welfare. The field also includes administrative work, teaching, and research in social welfare. The shortage of trained qualified workers is expected to continue at least for several years among welfare agencies, hospitals, and State and Federal welfare establishments.

Median annual salaries in 1950 ranged from $2.960 for case or group work to $3,710 for teaching and research.

Ohio U. Professor To Be Consultant At Summer Confab

Dr. Robert L. Morton of Ohio University, "Mr. Arithmetic" of the education world, has been secured as consultant for Northwestern State College's summer conference for in-service teachers, NSC Education Dean John B. Robson announced today.

The well-known professor of education, writer and lecturer has spent a lifetime studying and writing about the teaching of arithmetic. Most teachers in the field have used his books for years.

The conference is scheduled to begin June 9 and last through June 11. Reservations are already coming in from all parts of the state, Dean Robson said.

Slanted especially to elementary teachers, the conference is open, however, to all teachers and school administrators of Louisiana. Sessions will be held in the newly-renovated Warren Easton auditorium and will be held daily from 8:30 to 10 a.m. and from 10:30 a.m. to noon.

Some of the topics to be discussed at the conference are problem solving, drill review, fundamental processes, decimals, percentage, measurment, testing, use and abuse of textbooks, use and abuse of workbooks, and grade placement of arithmetic concepts.

For those who find it impracticable to commute to the conference, one of the women's dormitories has been set aside for housing purposes. Rooms, including linen, can be provided for a dollar a day. Board can be obtained in the college dining hall for about $1.50 a day.

Excessive speed was the principal cause of traffic accidents in 1952.

The Management of the Kollege Korner . . . .
Wishes to thank the Northwestern Student Body for their patronage, and we are looking forward to serving you this summer.

AT THE KOLLEGE KORNER

OPEN UNTIL 10:00 P. M.

In shorthand class we learn brief forms
For words used frequently;
And here's our sign for fresh, clean smokes:
It's L.S./M.F.T.

Jean Dorrell
Lamar Tech

I've tried most brands of cigarettes,
Discarded all the rest —
I'm sure your taste will tell you, too,
That Luckies are the best!

Barbara Kaplan
University of Chicago

Nothing-no, nothing-beats better taste
and LUCKIES
TASTE BETTER!
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-GO LUCKY!

I get a thrill from catching trout
And love to fish for pike;
But fishing ain't complete without
My good old Lucky Strike!

George Morhous
Holy Cross College

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
